ITEM 1.01. Entry into a Material Definitive Agreement.

On July 2, 2020, Alaska Airlines, Inc. (“Alaska Airlines”) and Horizon Air Industries, Inc. (“Horizon,” and together with Alaska Airlines, the “Issuers”), each a wholly-owned subsidiary of Alaska Air Group, Inc. (the “Company”), and U.S. Bank Trust National Association, as subordination agent (the “Subordination Agent”) and pass through trustee (the “Trustee”) under two pass through trusts newly formed by the Issuers, entered into 61 separate Participation Agreements, dated as of July 2, 2020 (each, a “Participation Agreement” and, collectively, the “Participation Agreements”). The Participation Agreements provide for the issuance by the Issuers of equipment notes (the “Equipment Notes”) in an aggregate principal amount of \$1,173,919,000 secured by 26 Boeing 737-890 aircraft, each delivered new to Alaska Airlines from January 2007 to June 2010, 16 Boeing 737-990ER aircraft, each delivered new to Alaska Airlines from February 2016 to March 2019, and 19 Embraer E175 LR aircraft, each delivered new to Horizon from June 2017 to December 2018 (each such aircraft, an “Aircraft” and, collectively, the “Aircraft”), and which are substantively identical with respect to each model of Aircraft. The Equipment Notes were issued under separate Indenture and Security Agreements (each, an “Indenture” and, collectively, the “Indentures”) with respect to each Aircraft, in each case entered into by the applicable Issuer, as owner of such Aircraft, and U.S. Bank Trust National Association, as loan trustee (the “Loan Trustee”), on July 2, 2020. The payment obligations of the Issuers under the Equipment Notes acquired by the Trusts (as defined below) are fully and unconditionally guaranteed by the Company. In addition, Alaska Airlines guarantees the payment obligations of Horizon under the Equipment Notes issued by Horizon held by the Trusts, and Horizon guarantees the payment obligations of Alaska Airlines under the Equipment Notes issued by Alaska Airlines held by the Trusts.

The Equipment Notes were issued in two series: (1) Series A, bearing interest at the rate of 4.800% per annum in the aggregate principal amount equal to \$965,772,000, and (2) Series B, bearing interest at the rate of 8.000% per annum in the aggregate principal amount equal to \$208,147,000. The Equipment Notes were purchased by the Trustee using the proceeds from the sale of a total of \$1,173,919,000 of Alaska Air Pass Through Certificates, Series 2020-1 (the “Certificates”) through the two newly formed pass through trusts (the “Trusts”). Pursuant to separate Revolving Credit Agreements, each dated July 2, 2020, between Crédit Agricole Corporate and Investment Bank, acting through its New York Branch, as liquidity provider (the “Liquidity Provider”), and the Subordination Agent, the Liquidity Provider has provided a separate liquidity facility for each class of Certificates, in each case in an amount sufficient to make three semiannual interest distributions on the outstanding balance of the Certificates of such class.

The interest on the Equipment Notes is payable semiannually on each February 15 and August 15, beginning on February 15, 2021. The principal payments on the Equipment Notes are scheduled on February 15 and August 15, beginning on February 15, 2021. The final payments will be due on August 15, 2027 in the case of the Series A Equipment Notes and on August 15, 2025 in the case of the Series B Equipment Notes. Maturity of the Equipment Notes may be accelerated upon the occurrence of certain events of default, including failure by any Issuer (in some cases after notice or the expiration of a grace period, or both) to make payments under the applicable Indenture when due or to comply with certain covenants, as well as certain bankruptcy events involving any Issuer. The Equipment Notes issued with respect to each Aircraft are secured by a lien on such Aircraft and are also cross-collateralized by the other Aircraft.

The Certificates were sold in a private placement to qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and certain non-U.S. persons in transactions outside the United States in reliance on Regulation S under the Securities Act.

The foregoing description of the Participation Agreements, the Indentures and the other agreements and instruments is qualified in its entirety by reference to such agreements and instruments, copies of which are filed herewith as exhibits and are incorporated by reference herein.

ITEM 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

- (16) whether such series will have the benefit of a Liquidity Facility or any interest rate swap, interest rate cap, option, forward contract or other derivative contract or other form of credit enhancement and, if so, any terms appropriate thereto;
- (17) whether there will be a deposit agreement, escrow agreement or other arrangement prior to the delivery of one or more Aircraft or the commencement of the Lease in respect of one or more Aircraft and, if so, any terms appropriate thereto;
- (18) the extent, if any, to which the Company may acquire Certificates and deliver such Certificates or cash to the respective Trusts and obtain the release of Equipment Notes or other Trust Property held by such Trusts;
- (19) if the Certificates of such series are to be issued in bearer form, the forms thereof and any other special terms relating thereto;
- (20) the "Responsible Party" for purposes of directing the Trustee to make Specified Investments;
- (21) any other terms of the Certificates of such series or any related Intercompany Guarantee or Parent Guarantee (which terms shall not be inconsistent with the provisions of the Trust Indenture Act but may modify, amend, supplement or delete any of the terms of this Basic Agreement), including any terms of the Certificates of such series which may be required or advisable under United States laws or regulations or advisable (as determined by the Company) in connection with the marketing of Certificates of the series;

- (22) whether the Parent will guarantee the obligations of the Company under any Equipment Notes or any Leases related to Equipment Notes to be acquired and held in the Trust formed by such Trust Supplement and, if so, the specific form of such Parent Guarantee and a statement that the Parent shall be an “obligor” as such term is defined in and solely for purposes of the Trust Indenture Act and shall be required to comply with those provisions of this Agreement compliance with which is required by an “obligor” under the Trust Indenture Act; and
- (23) whether the Note Documents will include one or more Intercompany Guarantees and, if so, the specific form of any such Intercompany Guarantee.

(c) At any time and from time to time after the execution and delivery of this Basic Agreement and a Trust Supplement forming a Trust and establishing the terms of Certificates of a series, Certificates of such series shall be executed, authenticated and delivered by the Trustee to the Person or Persons specified by the Company upon request of the Company and upon satisfaction or waiver of any conditions precedent set forth in such Trust Supplement or in any other document to which a Trustee is a party relating to the issuance of the Certificates of such series.

Section 2.02. Acquisition of Equipment Notes. Unless otherwise specified in the related Trust Supplement:

(a) On or prior to the Issuance Date of the Certificates of a series, the Trustee shall execute and deliver the related Note Purchase Agreements in the form delivered to the Trustee by the Company. Unless otherwise specified in the related Trust Supplement, the Trustee shall issue and sell such Certificates, in authorized denominations and in such Fractional Undivided Interests, so as to result in the receipt of consideration in an amount equal to the aggregate purchase price of the Equipment Notes contemplated to be purchased by the Trustee under the related Note Purchase Agreements and, concurrently therewith (unless the Company shall have delivered to the Trustee the Postponement Notice relating to one or more Postponed Notes pursuant to Subsection (b) below), the Trustee shall purchase, pursuant to the terms and conditions of the Note Purchase Agreements, such Equipment Notes (except Postponed Notes, if any)(or other notes) at a purchase price equal to the amount of such consideration so received. Except as provided in Sections 3.03, 3.04, 3.05 and 3.06 hereof, the Trustee shall not execute, authenticate or deliver Certificates of such series in excess of the aggregate amount specified in this paragraph. The provisions of this Subsection (a) are subject to the provisions of Subsection (b) below.

(b) If on or prior to the Issuance Date with respect to a series of Certificates the Company shall deliver to the Trustee a Postponement Notice relating to one or more Postponed Notes, the Trustee shall postpone the purchase of such Postponed Notes and shall deposit into an escrow account (as to the related Trust, the “Escrow Account”) to be maintained as part of the related Trust an amount equal to the purchase price of such Postponed Notes (the “Escrowed Funds”). The portion of the Escrowed Funds so deposited with respect to any particular Postponed Notes shall be invested (a) by the Trustee at the direction and risk of, and for the benefit of, the Responsible Party in Specified Investments or (b) if provided in the Trust Supplement relating to such series of Certificates and subject to the terms and conditions set

forth therein, in debt instruments of the Company or the Parent, in each case (i) maturing no later than any scheduled Transfer Date relating to such Postponed Notes, or (ii) if no such Transfer Date has been scheduled, maturing on the next Business Day, or (iii) if subsequent to the giving of the applicable Postponement Notice the Company has given notice to the Trustee that such Postponed Notes will not be issued, maturing on the next applicable Special Distribution Date, if such investments are reasonably available for purchase. The Trustee shall make withdrawals from the Escrow Account only as provided in this Agreement. Upon request of the Company on one or more occasions and the satisfaction or waiver of the closing conditions specified in the applicable Note Purchase Agreements on or prior to the related Cut-off Date, the Trustee shall purchase the applicable Postponed Notes, on the terms specified in such Note Purchase Agreements, with the Escrowed Funds withdrawn from the Escrow Account.

The Trustee shall hold all Specified Investments until the maturity thereof and will not sell or otherwise transfer Specified Investments. If Specified Investments held in an Escrow Account mature prior to any applicable Transfer Date, any proceeds received on the maturity of such Specified Investments (other than any earnings thereon) shall be reinvested by the Trustee at the written direction and risk of, and for the benefit of, the Responsible Party in Specified Investments maturing as provided in the preceding paragraph.

Subject to the provisions of the Intercreditor Agreement, any earnings on Specified Investments received from time to time by the Trustee shall be promptly distributed to the Responsible Party. The Responsible Party shall pay to the Trustee for deposit to the relevant Escrow Account an amount equal to any net losses on any Specified Investments made at its direction and risk as incurred. On any Regular Distribution Date in respect of the Certificates of any series occurring prior to the date of purchase of any Postponed Notes by the Trustee, the Responsible Party will pay (in immediately available funds) to the Trustee an amount equal to the interest that would have accrued on such Postponed Notes if such Postponed Notes had been purchased on the later of the Issuance Date or the previous Regular Distribution Date in respect of the Certificates of such series to, but not including, such Regular Distribution Date. On the first Regular Distribution Date in respect of the Certificates of any series following the purchase of any Postponed Notes by the Trustee, the Responsible Party will pay (in immediately available funds) to the Trustee an amount equal to the interest that would have accrued on such Postponed Notes if such Postponed Notes had been purchased on the later of the Issuance Date or the previous Regular Distribution Date in respect of the Certificates of such series to, but not including, the date of the purchase of such Postponed Notes by the Trustee.

If, in respect of the Certificates of any series, the Company notifies the Trustee prior to the Cut-off Date that any Postponed Notes will not be issued on or prior to the Cut-off Date for any reason, on the next Special Distribution Date for such Certificates occurring not less than 15 days following the date of such notice, (i) the Responsible Party shall pay (in immediately available funds) to the Trustee for deposit in the related Special Payments Account, an amount equal to the interest that would have accrued on the Postponed Notes designated in such notice from the later of the Issuance Date or the previous Regular Distribution Date in respect of the Certificates of such series to, but not including, such Special Distribution Date and (ii) the Trustee shall transfer an amount equal to that amount of Escrowed Funds that would have been used to purchase the Postponed Notes designated in such notice and the amount paid by the Responsible Party pursuant to the immediately preceding clause (i) to the related Special Payments Account for distribution as a Special Payment in accordance with the provisions hereof.

If, on such Cut-off Date, an amount equal to less than all of the Escrowed Funds (other than Escrowed Funds referred to in the immediately preceding paragraph) has been used to purchase Postponed Notes, on the next Special Distribution Date occurring not less than 15 days following such Cut-off Date (i) the Responsible Party shall pay to the Trustee for deposit in such Special Payments Account, in immediately available funds, an amount equal to the interest that would have accrued on such Postponed Notes contemplated to be purchased with such unused Escrowed Funds (other than Escrowed Funds referred to in the immediately preceding paragraph) but not so purchased from the later of the Issuance Date or the previous Regular Distribution Date in respect of the Certificates of such series to, but not including, such Special Distribution Date and (ii) the Trustee shall transfer such unused Escrowed Funds and the amount paid by the Responsible Party pursuant to the immediately preceding clause (i) to such Special Payments Account for distribution as a Special Payment in accordance with the provisions hereof.

Section 2.03. Acceptance by Trustee. The Trustee, by the execution and delivery of a Trust Supplement creating a Trust and establishing a series of Certificates, shall acknowledge its acceptance of all right, title and interest in and to the Trust Property to be acquired pursuant to Section 2.02 hereof and the related Note Purchase Agreements and shall declare that the Trustee holds and will hold such right, title and interest for the benefit of all then present and future Certificateholders of such series, upon the trusts herein and in such Trust Supplement set forth. By the acceptance of each Certificate of such series issued to it under this Agreement, each initial Holder of such series as grantor of such Trust shall thereby join in the creation and declaration of such Trust. No Certificateholder of any series shall have legal title to any part of the Trust Property of the related Trust.

Section 2.04. Limitation of Powers. Each Trust shall be constituted solely for the purpose of making the investment in the Equipment Notes provided for in the related Trust Supplement, and, except as set forth herein or in such related Trust Supplement, the Trustee shall not be authorized or empowered to acquire any other investments or engage in any other activities. Except to the extent otherwise provided in the applicable Trust Supplement, the Trustee shall not be authorized or empowered to do anything that would cause such Trust to fail to qualify as a “grantor trust” for federal income tax purposes (including as subject to this restriction, acquiring any Aircraft (as defined in the related Indentures) by bidding such Equipment Notes or otherwise, or taking any action with respect to any such Aircraft once acquired).

ARTICLE III

THE CERTIFICATES

Section 3.01. Form, Denomination and Execution of Certificates. Except to the extent otherwise specified in the applicable Trust Supplement, the Certificates of each series shall be issued in fully registered form without coupons and shall be substantially in the form specified in such Trust Supplement, with such omissions, variations and insertions as are permitted by this

Agreement, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with any applicable laws, rules, regulations or the rules of any securities exchange on which such Certificates may be listed or to conform to any usage in respect thereof, or as may, consistently herewith, be determined by the Trustee or the officers executing such Certificates, as evidenced by the Trustee's or such officers' execution of the Certificates.

Except as provided in Section 3.05, the definitive Certificates of such series shall be typed, printed, lithographed or engraved or produced by any combination of these methods or may be produced in any other manner permitted by the rules of any securities exchange on which the Certificates may be listed, all as determined by the officers executing such Certificates, as evidenced by their execution of such Certificates.

Except as otherwise provided in the related Trust Supplement, the Certificates of each series shall be issued in minimum denominations of \$1,000 or integral multiples thereof except that one Certificate of such series may be issued in a different denomination. The Certificates of such series shall be executed on behalf of the Trustee by manual or facsimile signature of a Responsible Officer of the Trustee. Certificates of any series bearing the manual or facsimile signature of an individual who was, at the time when such signature was affixed, authorized to sign on behalf of the Trustee shall be valid and binding obligations of the Trustee, notwithstanding that such individual has ceased to be so authorized prior to the authentication and delivery of such Certificates or did not hold such office at the date of such Certificates.

Section 3.02. Authentication of Certificates.

(a) Except to the extent otherwise specified in the applicable Trust Supplement, on the Issuance Date, the Trustee shall duly execute, authenticate and deliver Certificates of each series in authorized denominations equaling in the aggregate the aggregate face amount of the Equipment Notes that may be purchased by the Trustee pursuant to the related Note Purchase Agreements, and evidencing the entire ownership of the related Trust. Thereafter, the Trustee shall duly execute, authenticate and deliver the Certificates of such series as herein provided.

(b) No Certificate of any series shall be entitled to any benefit under this Agreement, or be valid for any purpose, unless there appears on such Certificate a certificate of authentication substantially in the form set forth in the Trust Supplement relating to such series of Certificates executed by the Trustee by manual signature, and such certificate of authentication upon any Certificate shall be conclusive evidence, and the only evidence, that such Certificate has been duly authenticated and delivered hereunder. All Certificates of any series shall be dated the date of their authentication.

Section 3.03. Temporary Certificates. Until definitive Certificates are ready for delivery, the Trustee shall execute, authenticate and deliver temporary Certificates of each series. Temporary Certificates of each series shall be substantially in the form of definitive Certificates of such series but may have insertions, substitutions, omissions and other variations determined to be appropriate by the officers executing the temporary Certificates of such series, as evidenced by their execution of such temporary Certificates. If temporary Certificates of any series are issued, the Trustee will cause definitive Certificates of such series to be prepared without

unreasonable delay. After the preparation of definitive Certificates of such series, the temporary Certificates shall be exchangeable for definitive Certificates upon surrender of such temporary Certificates at the Corporate Trust Office or the office or agency of the Trustee designated for such purpose pursuant to Section 7.12, without charge to the Certificateholder. Upon surrender for cancellation of any one or more temporary Certificates, the Trustee shall execute, authenticate and deliver in exchange therefor a like face amount of definitive Certificates of like series, in authorized denominations and of a like Fractional Undivided Interest. Until so exchanged, such temporary Certificates shall be entitled to the same benefits under this Agreement as definitive Certificates of such series.

Section 3.04. Transfer and Exchange. The Trustee shall cause to be kept at the office or agency to be maintained by it in accordance with the provisions of Section 7.12 a register (the "Register") for each series of Certificates in which, subject to such reasonable regulations as it may prescribe, the Trustee shall provide for the registration of Certificates of such series and of transfers and exchanges of such Certificates as herein provided. The Trustee shall initially be the registrar (the "Registrar") for the purpose of registering such Certificates of each series and transfers and exchanges of such Certificates as herein provided.

All Certificates issued upon any registration of transfer or exchange of Certificates of any series shall be valid obligations of the applicable Trust, evidencing the same interest therein, and entitled to the same benefits under this Agreement, as the Certificates of such series surrendered upon such registration of transfer or exchange.

Upon surrender for registration of transfer of any Certificate at the Corporate Trust Office or such other office or agency, the Trustee shall execute, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Certificates of like series, in authorized denominations of a like aggregate Fractional Undivided Interest.

At the option of a Certificateholder, Certificates may be exchanged for other Certificates of like series, in authorized denominations and of a like aggregate Fractional Undivided Interest, upon surrender of the Certificates to be exchanged at any such office or agency. Whenever any Certificates are so surrendered for exchange, the Trustee shall execute, authenticate and deliver the Certificates that the Certificateholder making the exchange is entitled to receive. Every Certificate presented or surrendered for registration of transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Registrar duly executed by the Certificateholder thereof or its attorney duly authorized in writing.

Except to the extent otherwise provided in the applicable Trust Supplement, no service charge shall be made to a Certificateholder for any registration of transfer or exchange of Certificates, but the Trustee shall require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Certificates. All Certificates surrendered for registration of transfer or exchange shall be cancelled and subsequently destroyed by the Trustee.

Section 3.05. Book-Entry and Definitive Certificates.

(a) Except for one Certificate of each series that may be issued in a denomination of other than an even multiple of \$1,000, the Certificates of any series may be issued at the option of the Company in the form of one or more typewritten Certificates representing the Book-Entry Certificates of such series, to be delivered to The Depository Trust Company, the initial Clearing Agency, by, or on behalf of, the Company. In such case, the Certificates of such series delivered to The Depository Trust Company shall initially be registered on the Register in the name of Cede & Co., the nominee of the initial Clearing Agency, and no Certificate Owner will receive a definitive certificate representing such Certificate Owner's interest in the Certificates of such series, except as provided in Subsection (d) below. As to the Certificates of any such series (other than the one Certificate or such series issued in a denomination of other than an even multiple of \$1,000), unless and until definitive, fully registered Certificates (the "Definitive Certificates") have been issued pursuant to Subsection (d) below:

- (1) the provisions of this Section 3.05 shall be in full force and effect;
- (2) the Company, the Paying Agent, the Registrar and the Trustee may deal with the Clearing Agency for all purposes (including the making of distributions on the Certificates);
- (3) to the extent that the provisions of this Section 3.05 conflict with any other provisions of this Agreement (other than the provisions of any Trust Supplement expressly amending this Section 3.05 as permitted by this Basic Agreement), the provisions of this Section 3.05 shall control;
- (4) the rights of Certificate Owners shall be exercised only through the Clearing Agency and shall be limited to those established by law and agreements between such Certificate Owners and the Clearing Agency Participants; and until Definitive Certificates are issued pursuant to Subsection (d) below, the Clearing Agency will make book-entry transfers among the Clearing Agency Participants and receive and transmit distributions of principal, interest and premium, if any, on the Certificates to such Clearing Agency Participants;
- (5) such Certificates of such series may be transferred in whole, but not in part, and in the manner provided in Section 3.04, by the Clearing Agency holding such Certificates to a nominee of such Clearing Agency, or by such Clearing Agency to a successor Clearing Agency that has been selected or approved by the Company or to a nominee of such successor Clearing Agency; and
- (6) whenever this Agreement requires or permits actions to be taken based upon instructions or directions of Certificateholders of such series holding Certificates of such series evidencing a specified percentage of the Fractional Undivided Interests in the related Trust, the Clearing Agency shall be deemed to represent such percentage only to the extent that it has received instructions to such effect from Clearing Agency Participants owning or representing, respectively, such required percentage of the beneficial interest in Certificates of such series and has

delivered such instructions to the Trustee. None of the Company, the Parent or the Trustee or any agent of any of them shall have any obligation to determine whether the Clearing Agency has in fact received any such instructions.

(b) Whenever notice or other communication to the Certificateholders of a series is required under this Agreement, unless and until Definitive Certificates shall have been issued pursuant to Subsection (d) below, the Trustee shall give all such notices and communications specified herein to be given to Certificateholders of such series to the Clearing Agency.

(c) Except as otherwise provided in the related Trust Supplement, the Trustee shall enter into the applicable Letter of Representations with respect to each series of Certificates and fulfill its responsibilities thereunder.

(d) If with respect to the Certificates of any series (i) the Company advises the Trustee in writing that the Clearing Agency is no longer willing or able to discharge properly its responsibilities and the Trustee or the Company is unable to locate a qualified successor, (ii) the Company, at its option, advises the Trustee in writing that it elects to terminate the book-entry system through the Clearing Agency or (iii) after the occurrence of an Event of Default, Certificate Owners of Book-Entry Certificates of such series evidencing Fractional Undivided Interests aggregating not less than a majority in interest in the related Trust, by Act of such Certificate Owners delivered to the Company and the Trustee, advise the Company, the Trustee and the Clearing Agency through the Clearing Agency Participants in writing that the continuation of a book-entry system through the Clearing Agency Participants is no longer in the best interests of the Certificate Owners of such series, then the Trustee shall notify all Certificate Owners of such series, through the Clearing Agency, of the occurrence of any such event and of the availability of Definitive Certificates. Upon surrender to the Trustee of all the Certificates of such series held by the Clearing Agency, accompanied by registration instructions from the Clearing Agency Participants for registration of Definitive Certificates in the names of Certificate Owners of such series, the Trustee shall issue and deliver the Definitive Certificates of such series in accordance with the instructions of the Clearing Agency. Neither the Company, the Registrar, the Paying Agent nor the Trustee shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be protected in relying on, such registration instructions. Upon the issuance of Definitive Certificates of such series, the Trustee shall recognize the Persons in whose names the Definitive Certificates are registered in the Register as Certificateholders hereunder. Neither the Company nor the Trustee shall be liable if the Trustee or the Company is unable to locate a qualified successor Clearing Agency.

(e) The provisions of this Section 3.05 may be made inapplicable to any series or may be amended with respect to any series in the related Trust Supplement.

Section 3.06. Mutilated, Destroyed, Lost or Stolen Certificates. If (i) any mutilated Certificate is surrendered to the Registrar, or the Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Certificate, and (ii) there is delivered to the Registrar and the Trustee such security, indemnity or bond as may be required by them to save each of them and the Company harmless, then, in the absence of notice to the Registrar or the Trustee that such destroyed, lost or stolen Certificate has been acquired by a protected purchaser (within the meaning of Article 8 of the Uniform Commercial Code in effect in any applicable jurisdiction),

and provided that the requirements of Section 8-405 of the Uniform Commercial Code in effect in any applicable jurisdiction are met, the Trustee shall execute, authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Certificate, a new Certificate or Certificates of like series, in authorized denominations and of like Fractional Undivided Interest and bearing a number not contemporaneously outstanding.

In connection with the issuance of any new Certificate under this Section 3.06, the Trustee shall require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee and the Registrar) connected therewith.

Any duplicate Certificate issued pursuant to this Section 3.06 shall constitute conclusive evidence of the appropriate Fractional Undivided Interest in the related Trust, as if originally issued, whether or not the lost, stolen or destroyed Certificate shall be found at any time.

The provisions of this Section 3.06 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Certificates.

Section 3.07. Persons Deemed Owners. Prior to due presentment of a Certificate for registration of transfer, the Company, the Trustee, the Registrar and any Paying Agent shall deem and treat the Person in whose name any Certificate is registered (as of the day of determination) on the Register as the owner of such Certificate and the Certificateholder for the purpose of receiving distributions pursuant to Article IV and for all other purposes whatsoever, and none of the Company, the Trustee, the Registrar or any Paying Agent shall be affected by any notice to the contrary. All payments or distributions made to any such Person shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable on any such Certificate.

Unless otherwise provided with respect to any Certificates pursuant to Section 2.01(b), the Company, the Parent, any other obligor upon any Certificates and any Affiliate of any thereof may acquire, tender for, purchase, own, hold, become the pledgee of and otherwise deal with any Certificates.

Section 3.08. Cancellation. All Certificates surrendered for payment or transfer or exchange shall, if surrendered to the Trustee or any agent of the Trustee other than the Registrar, be delivered to the Registrar for cancellation and shall promptly be cancelled by it. No Certificates shall be authenticated in lieu of or in exchange for any Certificates cancelled as provided in this Section 3.08, except as expressly permitted by this Agreement. All cancelled Certificates held by the Registrar shall be destroyed and a certification of their destruction delivered to the Trustee.

Section 3.09. Limitation of Liability for Payments. All payments and distributions made to Certificateholders of any series in respect of the Certificates of such series shall be made only from the Trust Property of the related Trust and only to the extent that the Trustee shall have sufficient income or proceeds from such Trust Property to make such payments in

accordance with the terms of Article IV of this Agreement. The Certificates do not represent indebtedness of the related Trusts, and references herein or in any Trust Supplement to interest accruing on any Certificates are intended for purposes of computation only. Each Certificateholder, by its acceptance of a Certificate, agrees that it will look solely to the income and proceeds from the Trust Property of the related Trust for any payment or distribution due to such Certificateholder pursuant to the terms of this Agreement and that it will not have any recourse to the Airlines, the Parent, the Trustee, the Loan Trustees, any Owner Trustee or any Owner Participant except as otherwise expressly provided in this Agreement, in any Note Document or in any related Intercreditor Agreement.

The Airlines are a party to this Agreement solely for purposes of meeting the requirements of the Trust Indenture Act, and therefore shall not have any right, obligation or liability hereunder, or under the terms of any Trust Supplement or any Certificates (except as otherwise expressly provided herein or therein).

Section 3.10. CUSIP Numbers. The Certificates may include "CUSIP" numbers (if then generally in use), and if so, the Trustee may use the CUSIP numbers in notices in respect of the Certificates; provided, however, that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP number printed in the notice or on the Certificates, that reliance may be placed only on the other identification numbers printed on the Certificates, and any such notice shall not be affected by any defect or omission of such CUSIP numbers.

ARTICLE IV

DISTRIBUTIONS; STATEMENTS TO CERTIFICATEHOLDERS

Section 4.01. Certificate Account and Special Payments Account.

(a) The Trustee shall establish and maintain on behalf of the Certificateholders of each series a Certificate Account as one or more non-interest-bearing accounts. The Trustee shall hold such Certificate Account in trust for the benefit of the Certificateholders of such series, and shall make or permit withdrawals therefrom only as provided in this Agreement or any Intercreditor Agreement. On each day when a Scheduled Payment is made to the Trustee or the Subordination Agent, as the case may be, as holder of the Equipment Notes issued under the related Indenture, with respect to the Certificates of any series, the Trustee, upon receipt of the payments to it, shall immediately deposit the aggregate amount of such Scheduled Payment in the applicable Certificate Account.

(b) The Trustee shall establish and maintain on behalf of the Certificateholders of each series a Special Payments Account as one or more accounts, which shall be non-interest bearing except as provided in Section 4.04. The Trustee shall hold the Special Payments Account in trust for the benefit of the Certificateholders of such series and shall make or permit withdrawals therefrom only as provided in this Agreement or any Intercreditor Agreement. On each day when one or more Special Payments are made to the Trustee or the Subordination Agent, as the case may be, as holder of the Equipment Notes issued under the related Indenture or to the Trustee pursuant to the last two paragraphs of Section 2.02(b) with respect to the Certificates of any series, the Trustee, upon receipt of the payments to it, shall immediately deposit the aggregate amount of such Special Payments in the applicable Special Payments Account.

(c) The Trustee shall present (or, if applicable, cause the Subordination Agent to present) to the Loan Trustee to which an Equipment Note relates such Equipment Note on the date of its stated final maturity or, in the case of any Equipment Note which is to be redeemed or purchased in whole pursuant to the related Indenture, on the applicable redemption or purchase date under such Indenture.

Section 4.02. Distributions from Certificate Account and Special Payments Account.

(a) Subject to the provisions of any Intercreditor Agreement, on each Regular Distribution Date with respect to a series of Certificates or as soon thereafter as the Trustee has confirmed receipt of the payment of all or any part of the Scheduled Payments due on the Equipment Notes held in the related Trust on such date, the Trustee shall distribute out of the applicable Certificate Account the entire amount deposited therein pursuant to Section 4.01(a). There shall be so distributed to each Certificateholder of record of such series on the Record Date with respect to such Regular Distribution Date (other than as provided in Section 11.01 concerning the final distribution) by check mailed to such Certificateholder, at the address appearing in the Register, such Certificateholder's pro rata share (based on the aggregate Fractional Undivided Interest in the related Trust held by such Certificateholder) of the total amount in the applicable Certificate Account, except that, with respect to Certificates registered on the Record Date in the name of a Clearing Agency (or its nominee), such distribution shall be made by wire transfer in immediately available funds to the account designated by such Clearing Agency (or such nominee).

(b) Subject to the provisions of any Intercreditor Agreement, on each Special Distribution Date with respect to any Special Payment with respect to a series of Certificates or as soon thereafter as the Trustee has confirmed receipt of any Special Payments due on the Equipment Notes held in the related Trust or realized upon the sale of such Equipment Notes, the Trustee shall distribute out of the applicable Special Payments Account the entire amount of such applicable Special Payment deposited therein pursuant to Section 4.01(b). There shall be so distributed to each Certificateholder of record of such series on the Record Date with respect to such Special Distribution Date (other than as provided in Section 11.01 concerning the final distribution) by check mailed to such Certificateholder, at the address appearing in the Register, such Certificateholder's pro rata share (based on the aggregate Fractional Undivided Interest in the related Trust held by such Certificateholder) of the total amount in the applicable Special Payments Account on account of such Special Payment, except that, with respect to Certificates registered on the Record Date in the name of a Clearing Agency (or its nominee), such distribution shall be made by wire transfer in immediately available funds to the account designated by such Clearing Agency (or such nominee).

(c) The Trustee shall, at the expense of the Company, cause notice of each Special Payment with respect to a series of Certificates to be mailed to each Certificateholder of such series at his address as it appears in the Register. Subject to the provisions of any Intercreditor Agreement: (i) in the event of redemption or purchase of Equipment Notes held in the related Trust, such notice shall be mailed not less than 15 days prior to the Special Distribution Date for

the Special Payment resulting from such redemption or purchase, which Special Distribution Date shall be the date of such redemption or purchase; (ii) in the event that the Trustee receives a notice from the Company pursuant to Section 2.02(b) that Postponed Notes will not be purchased by the Trustee, such notice of Special Payment shall be mailed as soon as practicable after receipt of such notice from the Company and shall state the Special Distribution Date for such Special Payment, which shall occur 15 days after the date of such notice of Special Payment or (if such 15th day is not practicable) as soon as practicable thereafter; (iii) in the event that any Special Payment is to be made pursuant to the last paragraph of Section 2.02(b), such notice of Special Payment shall be mailed on the Cut-off Date (or, if such mailing on the Cut-off Date is not practicable, as soon as practicable after the Cut-off Date) and shall state the Special Distribution Date for such Special Payment, which shall occur 15 days after the date of such notice of Special Payment or (if such 15th day is not practicable) as soon as practicable thereafter; and (iv) in the case of any other Special Payments, such notice of Special Payment shall be mailed as soon as practicable after the Trustee has confirmed that it has received funds for such Special Payment and shall state the Special Distribution Date for such Special Payment, which shall occur 15 days after the date of such notice of Special Payment or (if such 15th day is not practicable) as soon as practicable thereafter. Notices mailed by the Trustee as provided in the paragraphs above shall set forth:

(i) the Special Distribution Date and the Record Date therefor (except as otherwise provided in Section 11.01);

(ii) the amount of the Special Payment (taking into account any payment to be made by the Responsible Party pursuant to Section 2.02(b)) for each \$1,000 face amount Certificate and the amount thereof constituting principal, premium, if any, and interest;

(iii) the reason for the Special Payment; and

(iv) if the Special Distribution Date is the same date as a Regular Distribution Date for the Certificates of such series, the total amount to be received on such date for each \$1,000 face amount Certificate.

If the amount of premium, if any, payable upon the redemption or purchase of an Equipment Note has not been calculated at the time that the Trustee mails notice of a Special Payment, it shall be sufficient if the notice sets forth the other amounts to be distributed and states that any premium received will also be distributed.

If any redemption or purchase of the Equipment Notes held in any Trust is cancelled, the Trustee, as soon as possible after learning thereof, shall cause notice thereof to be mailed to each Certificateholder of the related series at its address as it appears on the Register.

Section 4.03. Statements to Certificateholders.

(a) On each Regular Distribution Date and Special Distribution Date, the Trustee will include with each distribution to Certificateholders of the related series a statement, giving effect to the distribution to be made on such Regular Distribution Date or Special Distribution Date, and, except to the extent otherwise provided in the applicable Trust Supplement, setting forth the following information (per \$1,000 aggregate face amount of Certificate as to (i) and (ii) below):

- (i) the amount of such distribution allocable to principal and the amount allocable to premium, if any;
- (ii) the amount of such distribution allocable to interest; and
- (iii) the Pool Balance and the Pool Factor of the related Trust.

With respect to the Certificates registered in the name of a Clearing Agency or its nominee, on the Record Date prior to each Regular Distribution Date and Special Distribution Date, the Trustee will request from the Clearing Agency a securities position listing setting forth the names of all the Clearing Agency Participants reflected on the Clearing Agency's books as holding interests in the Certificates on such Record Date. On each Regular Distribution Date and Special Distribution Date, the applicable Trustee will mail to each such Clearing Agency Participant the statement described above and will make available additional copies as requested by such Clearing Agency Participants for forwarding to holders of interests in the Certificates.

(b) Within a reasonable period of time after the end of each calendar year but not later than the latest date permitted by law, except to the extent otherwise provided in the applicable Trust Supplement, the Trustee shall furnish to each Person who at any time during such calendar year was a Certificateholder of record a statement containing the sum of the amounts determined pursuant to clauses (a)(i) and (a)(ii) above with respect to the related Trust for such calendar year or, in the event such Person was a Certificateholder of record during a portion of such calendar year, for the applicable portion of such year, and such other items as are readily available to the Trustee and which a Certificateholder may reasonably request as necessary for the purpose of such Certificateholder's preparation of its federal income tax returns. With respect to Certificates registered in the name of a Clearing Agency or its nominee, such statement and such other items shall be prepared on the basis of information supplied to the Trustee by the Clearing Agency Participants and shall be delivered by the Trustee to such Clearing Agency Participants to be available for forwarding by such Clearing Agency Participants to the holders of interests in the Certificates.

Section 4.04. Investment of Special Payment Moneys. Any money received by the Trustee pursuant to Section 4.01(b) representing a Special Payment which is not distributed on the date received shall, to the extent practicable, be invested by the Trustee in Permitted Investments selected by the Company in telephonic (confirmed in writing) or written instructions to the Trustee pending distribution of such Special Payment pursuant to Section 4.02. Any investment made pursuant to this Section 4.04 shall be in such Permitted Investments having maturities not later than the date that such moneys are required to be used to make the payment required under Section 4.02 on the applicable Special Distribution Date and the Trustee shall hold any such Permitted Investments until maturity. Absent receipt of instructions from the Company, such Special Payment shall remain uninvested by the Trustee pending receipt of investment instructions. The Trustee shall have no liability with respect to any investment made pursuant to this Section 4.04, other than by reason of the willful misconduct or negligence of the Trustee. All income and earnings from such investments shall be distributed on such Special Distribution Date as part of such Special Payment.

THE AIRLINES

Section 5.01. Maintenance of Corporate Existence. Each Airline, at its own cost and expense, will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence, rights and franchises, except as otherwise specifically permitted in Section 5.02; provided, however, that such Airline shall not be required to preserve any right or franchise if such Airline shall determine that the preservation thereof is no longer desirable in the conduct of the business of such Airline.

Section 5.02. Consolidation, Merger, Etc.

(a) Each Airline shall not consolidate with or merge into any other Person under circumstances where such Airline is not the surviving Person or convey, transfer or lease substantially all of its assets as an entirety to any Person unless the Person formed by such consolidation or into which such Airline is merged or the Person that acquires by conveyance, transfer or lease substantially all of the assets of such Airline as an entirety shall be organized and validly existing under the laws of the United States of America or any state thereof or the District of Columbia, and such Person shall execute and deliver to the Trustee an agreement in form and substance reasonably satisfactory to the Trustee containing an assumption by such successor Person of the due and punctual performance and observance of each covenant and condition of this Agreement.

(b) Upon any consolidation or merger, or any conveyance, transfer or lease of substantially all of the assets of such Airline as an entirety in accordance with this Section 5.02, the successor Person formed by such consolidation or into which such Airline is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, such Airline under this Agreement with the same effect as if such successor Person had been named as an Airline herein.

(c) The Trustee may receive an Officer's Certificate and an Opinion of Counsel of such Airline as conclusive evidence that any such consolidation, merger, conveyance, transfer or lease, and any such assumption, complies with the provisions of this Section 5.02.

ARTICLE VI

DEFAULT

Section 6.01. Indenture Events of Default and Triggering Events.

(a) If in respect of any Trust, any Indenture Event of Default shall occur and be continuing, then, and in each and every case, so long as such Indenture Event of Default shall be continuing, and subject to the provisions of any Intercreditor Agreement, the Trustee may vote all of the Equipment Notes issued under the related Indenture and held in such Trust, and, upon the Direction of the Certificateholders holding Certificates evidencing Fractional Undivided Interests in such Trust aggregating not less than a majority in interest in such Trust, the Trustee shall vote not less than a corresponding majority in interest of such Equipment Notes in favor of

directing the Loan Trustee under such Indenture to declare the unpaid principal amount of the Equipment Notes then outstanding to which such Indenture Event of Default relates and accrued interest thereon to be due and payable under, and in accordance with the provisions of, the relevant Indenture. In addition, if an Indenture Event of Default shall have occurred and be continuing under any Indenture, subject to the provisions of any Intercreditor Agreement, the Trustee may in accordance with the relevant Indenture vote the Equipment Notes held in the Trust to which such Indenture Event of Default relates to direct the Loan Trustee regarding the exercise of remedies provided in such Indenture.

(b) In addition, after an Indenture Event of Default shall have occurred and be continuing with respect to any Equipment Note, subject to the provisions of any Intercreditor Agreement and the applicable Trust Supplement, the Trustee may in its discretion, and upon the direction of the Certificateholders holding Certificates evidencing Fractional Undivided Interests aggregating not less than a majority in interest in the related Trust shall, by such officer or agent as it may appoint, sell, convey, transfer and deliver such Equipment Note or Equipment Notes, without recourse to or warranty by the Trustee or any Certificateholder, to any Person. In any such case, the Trustee shall sell, assign, contract to sell or otherwise dispose of and deliver such Equipment Note or Equipment Notes in one or more parcels at public or private sale or sales, at any location or locations at the option of the Trustee, all upon such terms and conditions as it may reasonably deem advisable and at such prices as it may reasonably deem advisable, for cash. If the Trustee so decides or is required to sell or otherwise dispose of any Equipment Note pursuant to this Section, the Trustee shall take such of the actions described above as it may reasonably deem most effectual to complete the sale or other disposition of such Equipment Note. Notwithstanding the foregoing, any action taken by the Trustee under this Section shall not, in the reasonable judgment of the Trustee, be adverse to the best interests of the Certificateholders of such series.

(c) If an Intercreditor Agreement is applicable, upon the occurrence and during the continuation of any Indenture Event of Default under any Indenture, the Trustee may, to the extent it is the Controlling Party at such time (as determined pursuant to the related Intercreditor Agreement), direct the exercise of remedies as provided in such related Intercreditor Agreement.

(d) If an Intercreditor Agreement is applicable, by acceptance of its Certificate, each Certificateholder agrees that at any time after the occurrence and during the continuation of a Triggering Event, each Certificateholder of Certificates of certain series (each, a "Potential Purchaser" and, collectively, the "Potential Purchasers") may have certain rights to purchase the Certificates of one or more other series, all as set forth in the Trust Supplement applicable to the Certificates held by such Potential Purchaser. The purchase price with respect to the Certificates of any series, and the procedure for such purchase, shall be specified in such Trust Supplement or the applicable Intercreditor Agreement. By acceptance of its Certificate, each Certificateholder (each, a "Selling Certificateholder" and, collectively, the "Selling Certificateholders") of a series that is subject to purchase by Potential Purchasers, all as set forth in the Trust Supplement applicable to the Certificates held by the Selling Certificateholders, agrees that, at any time after the occurrence and during the continuance of a Triggering Event, it will, upon payment of the applicable purchase price by one or more Potential Purchasers (upon such purchase, a "Purchasing Certificateholder"), forthwith sell, assign, transfer and convey to such Purchasing Certificateholder (without recourse, representation or warranty of any kind

except for its own acts) all of the right, title, interest and obligation of such Selling Certificateholder in this Agreement, any related Intercreditor Agreement, any related Liquidity Facility, the related Note Documents and all Certificates of such series held by such Selling Certificateholder (excluding all right, title and interest under any of the foregoing to the extent such right, title or interest is with respect to an obligation not then due and payable as respects any action or inaction or state of affairs occurring prior to such sale) and the Purchasing Certificateholder shall assume all of such Selling Certificateholder's obligations under this Agreement, any related Intercreditor Agreement, any related Liquidity Facility and the related Note Documents. The Certificates of such series will be deemed to be purchased on the date payment of the purchase price is made notwithstanding the failure of any Selling Certificateholder to deliver any Certificates of such series and, upon such a purchase, (i) the only rights of the Selling Certificateholders will be to deliver the Certificates to the Purchasing Certificateholder and receive the purchase price for such Certificates of such series and (ii) if the Purchasing Certificateholder shall so request, such Selling Certificateholder will comply with all of the provisions of Section 3.04 hereof to enable new Certificates of such series to be issued to the Purchasing Certificateholder in such denominations as it shall request. All charges and expenses in connection with the issuance of any such new Certificates shall be borne by the Purchasing Certificateholder.

Section 6.02. Incidents of Sale of Equipment Notes. Upon any sale of all or any part of the Equipment Notes held in any Trust made either under the power of sale given under this Agreement or otherwise for the enforcement of this Agreement, the following shall be applicable:

- (1) Certificateholders and Trustee May Purchase Equipment Notes. Any Certificateholder, the Trustee in its individual or any other capacity or any other Person may bid for and purchase any of the Equipment Notes held in such Trust, and upon compliance with the terms of sale, may hold, retain, possess and dispose of such Equipment Notes in their own absolute right without further accountability.
- (2) Receipt of Trustee Shall Discharge Purchaser. The receipt of the Trustee making such sale shall be a sufficient discharge to any purchaser for its purchase money, and, after paying such purchase money and receiving such receipt, such purchaser or its personal representative or assigns shall not be obliged to see to the application of such purchase money, or be in any way answerable for any loss, misapplication or non-application thereof.
- (3) Application of Moneys Received Upon Sale. Any moneys collected by the Trustee upon any sale made either under the power of sale given by this Agreement or otherwise for the enforcement of this Agreement shall be applied as provided in Section 4.02. In the event that the proceeds of such sale of Equipment Notes are less than the principal amount of the Certificates of such series Outstanding, the Certificateholders shall have no claim for such shortfall against the Company, the Trustee or any other Person including the related Owner Trustee or related Owner Participant, if any.

Section 6.03. Judicial Proceedings Instituted by Trustee; Trustee May Bring Suit. If there shall be a failure to make payment of the principal of, premium, if any, or interest on any Equipment Note held in the related Trust, or if there shall be any failure to pay Rent (as defined in the relevant Lease) under any Lease when due and payable, then the Trustee, in its own name and as trustee of an express trust, as holder of such Equipment Notes, to the extent permitted by and in accordance with the terms of any related Intercreditor Agreement and any related Note Documents (subject to rights of the applicable Owner Trustee or Owner Participant, if any, to cure any such failure to pay principal of, premium, if any, or interest on any Equipment Note or to pay Rent under any Lease in accordance with the applicable Indenture and to the rights of the Lessee under any applicable Lease), shall be entitled and empowered to institute any suits, actions or proceedings at law, in equity or otherwise, for the collection of the sums so due and unpaid on such Equipment Notes or under such Lease and may prosecute any such claim or proceeding to judgment or final decree with respect to the whole amount of any such sums so due and unpaid.

All rights of action and of asserting claims under this Agreement, or under any of the Certificates, may be prosecuted and enforced by the Trustee without the possession of any of such Certificates or the production thereof in any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Trustee, each predecessor Trustee and their respective agents and attorneys, shall be for the ratable benefit of the Certificateholders of the related series.

In any proceedings brought by the Trustee (and also any proceedings involving the interpretation of any provision of this Agreement, any Trust Supplement, any Intercreditor Agreement or any Liquidity Facility to which the Trustee shall be a party) the Trustee shall be held to represent all the Certificateholders of the related series, and it shall not be necessary to make any such Certificateholders parties to any such proceedings.

Section 6.04. Control by Certificateholders. Subject to Section 6.03 and any related Intercreditor Agreement, the Certificateholders holding Certificates of a series evidencing Fractional Undivided Interests aggregating not less than a majority in interest in the related Trust shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee with respect to such Trust or pursuant to the terms of such Intercreditor Agreement or any Liquidity Facility to which such Trustee is a party, or exercising any trust or power conferred on the Trustee under this Agreement or such Intercreditor Agreement or Liquidity Facility, including any right of the Trustee as Controlling Party under such Intercreditor Agreement or as holder of the Equipment Notes held in the related Trust; provided that:

- (1) such Direction shall not in the opinion of the Trustee be in conflict with any rule of law or with this Agreement, and such Direction would not involve the Trustee in personal liability or expense unless such Certificateholders shall have offered to the Trustee reasonable security or indemnity to it against the cost, expenses and liabilities which might be incurred by it in compliance with such Direction;

- (2) the Trustee shall not determine that the action so directed would be unjustly prejudicial to the Certificateholders of such series not taking part in such Direction;
- (3) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such Direction; and
- (4) if an Indenture Event of Default under a related Indenture shall have occurred and be continuing, such Direction shall not obligate the Trustee to vote more than a corresponding majority in interest of the related Equipment Notes held by the Trustee in favor of directing any action by the related Loan Trustee with respect to such Indenture Event of Default.

Section 6.05. Waiver of Past Defaults. Subject to any related Intercreditor Agreement, the Certificateholders holding Certificates of a series evidencing Fractional Undivided Interests aggregating not less than a majority in interest in the related Trust (i) may on behalf of all of the Certificateholders of such series waive any past default or Event of Default hereunder and its consequences or (ii) if the Trustee is the Controlling Party, may direct the Trustee to instruct the applicable Loan Trustee to waive any past Indenture default, Indenture Event of Default or, if applicable, the corresponding Lease default, under any related Indenture and its consequences, and thereby annul any Direction given by such Certificateholders or the Trustee to such Loan Trustee with respect thereto, except a default:

- (1) in the deposit of any Scheduled Payment or Special Payment under Section 4.01 or in the distribution of any payment under Section 4.02 on the Certificates of a series; or
- (2) in the payment of the principal of, premium, if any, or interest, if any, on the Equipment Notes held in the related Trust; or in respect of a covenant or provision hereof which under Article IX hereof cannot be modified or amended without the consent of each Certificateholder holding an Outstanding Certificate of the series affected thereby.

Upon any such waiver, such default shall cease to exist with respect to the Certificates of such series and any Event of Default arising therefrom shall be deemed to have been cured for every purpose in respect of such series and any direction given by the Trustee on behalf of the Certificateholders of such series to the relevant Loan Trustee shall be annulled with respect thereto; but no such waiver shall extend to any subsequent or other default or Event of Default or impair any right consequent thereon. Upon any such waiver, the Trustee shall vote the Equipment Notes issued under the relevant Indenture to waive the corresponding Indenture Event of Default (and, if applicable, the corresponding Lease default).

Section 6.06. Right of Certificateholders to Receive Payments Not to Be Impaired. Anything in this Agreement (including Section 6.07) to the contrary notwithstanding, but subject to any related Intercreditor Agreement, the right of any Certificateholder to receive distributions of payments required pursuant to Section 4.02 hereof on the applicable Certificates when due, or to institute suit for the enforcement of any such payment on or after the applicable Regular Distribution Date or Special Distribution Date, shall not be impaired or affected without the consent of such Certificateholder.

Section 6.07. Certificateholders May Not Bring Suit Except Under Certain Conditions. A Certificateholder of any series shall not have the right to institute any suit, action or proceeding at law or in equity or otherwise with respect to this Agreement for the appointment of a receiver or for the enforcement of any other remedy under this Agreement, unless:

- (1) such Certificateholder previously shall have given written notice to the Trustee of a continuing Event of Default;
- (2) Certificateholders holding Certificates of such series evidencing Fractional Undivided Interests aggregating not less than 25% of the related Trust shall have requested the Trustee in writing to institute such action, suit or proceeding and shall have offered to the Trustee indemnity as provided in Section 7.03(e);
- (3) the Trustee shall have refused or neglected to institute any such action, suit or proceeding for 60 days after receipt of such notice, request and offer of indemnity; and
- (4) no direction inconsistent with such written request shall have been given to the Trustee during such 60-day period by Certificateholders holding Certificates of such series evidencing Fractional Undivided Interests aggregating not less than a majority in interest in the related Trust.

Except to the extent provided in any applicable Intercreditor Agreement or in any applicable Trust Supplement, it is understood and intended that no one or more of the Certificateholders of any series shall have any right in any manner whatsoever hereunder or under the related Trust Supplement or under the Certificates of such series to (i) surrender, impair, waive, affect, disturb or prejudice any property in the Trust Property of the related Trust, or the lien of any related Indenture on any property subject thereto, or the rights of the Certificateholders of such series or the holders of the related Equipment Notes, (ii) obtain or seek to obtain priority over or preference with respect to any other such Certificateholder of such series or (iii) enforce any right under this Agreement, except in the manner provided in this Agreement and for the equal, ratable and common benefit of all the Certificateholders of such series subject to the provisions of this Agreement.

Section 6.08. Remedies Cumulative. Every right or remedy given hereunder to the Trustee or to any of the Certificateholders of any series shall not be exclusive of any other right or remedy or remedies, and every such right or remedy shall be cumulative and in addition to every other right or remedy given hereunder or now or hereafter given by statute, law, equity or otherwise. No delay or omission by the Trustee or of any such Certificateholder in the exercise of any right, remedy or power or in the pursuance of any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the applicable Owner Trustee, if any, or the Company, as the case may be, or to be an acquiescence therein.

Section 6.09. Discontinuance of Proceedings. If the Trustee or any Certificateholder of any series institutes any proceeding to enforce any right, power or remedy under the related

Trust, and such proceeding is discontinued or abandoned for any reason or is determined adversely to the Trustee or such Certificateholder, then and in every such case the applicable Owner Trustee, if any, and the applicable Loan Trustee, the Trustee, the Certificateholders of such series and the Company shall, subject to any determination in such proceeding, be restored to their former positions and rights under such Trust with respect to the Trust Property and all rights, remedies and powers of the Trustee and such Certificateholders shall continue as if no such proceeding had been instituted.

Section 6.10. Undertaking for Costs. All parties to this Agreement, and each Certificateholder by acceptance of a Certificate, shall be deemed to have agreed that, in any suit for the enforcement of any right or remedy under this Agreement, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court may require any party litigant in such suit to file an undertaking to pay the costs of such suit, and may assess costs against any such party litigant, in the manner and to the extent provided in the Trust Indenture Act or by any other applicable law; provided, however, that neither this Section 6.10 nor the Trust Indenture Act shall be deemed to authorize any court to require such an undertaking or to make such an assessment in any suit instituted by the Company.

ARTICLE VII

THE TRUSTEE

Section 7.01. Certain Duties and Responsibilities.

(a) Except during the continuance of an Event of Default in respect of a Trust, (1) the Trustee undertakes to perform such duties in respect of such Trust as are specifically set forth in this Agreement, the Intercreditor Agreement and the Note Documents, and no implied covenants or obligations shall be read into such agreements against the Trustee; and (2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Agreement; but in the case of any such certificates or opinions that by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Agreement.

(b) In case an Event of Default in respect of a Trust has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Agreement in respect of such Trust, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

(c) No provision of this Agreement shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this Subsection (c) shall not be construed to limit the effect of Subsection (a) of this Section 7.01; and

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer of the Trustee, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

(d) Whether or not herein expressly so provided, every provision of this Agreement relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the provisions of this Section 7.01.

Section 7.02. Notice of Defaults. As promptly as practicable after, and in any event within 90 days after, the occurrence of any default (as such term is defined below) hereunder known to the Trustee, the Trustee shall transmit by mail to the Company, any related Owner Trustees, any related Owner Participants, the related Loan Trustees and the Certificateholders holding Certificates of the related series, in the manner and to the extent provided in Section 313(c) of the Trust Indenture Act, notice of such default unless such default shall have been cured or waived; provided that, in the case of defaults not relating to the payment of money, the Trustee shall not give such notice until the earlier of the time at which such default becomes an Event of Default and the expiration of 60 days from the occurrence of such default; and provided, however, that, except in the case of a default in the payment of the principal, premium, if any, or interest on any Equipment Note, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee or a trust committee of directors and/or Responsible Officers of the Trustee in good faith shall determine that the withholding of such notice is in the interests of the Certificateholders of the related series. For the purpose of this Section 7.02 in respect of any Trust, the term "default" means any event that is, or after notice or lapse of time or both would become, an Event of Default in respect of that Trust or a Triggering Event under any Intercreditor Agreement.

Section 7.03. Certain Rights of Trustee. Subject to the provisions of Section 315 of the Trust Indenture Act:

(a) the Trustee may rely and shall be protected in acting or refraining from acting in reliance upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Request;

(c) whenever in the administration of this Agreement or any Intercreditor Agreement the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer's Certificate of the Company, any related Owner Trustee or any related Loan Trustee;

(d) the Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(e) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement or any Intercreditor Agreement at the Direction of any of the Certificateholders pursuant to this Agreement or any Intercreditor Agreement, unless such Certificateholders shall have offered to the Trustee reasonable security or indemnity against the cost, expenses and liabilities which might be incurred by it in compliance with such Direction;

(f) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document;

(g) the Trustee may execute any of the trusts or powers under this Agreement or any Intercreditor Agreement or perform any duties under this Agreement or any Intercreditor Agreement either directly or by or through agents or attorneys, and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it under this Agreement or any Intercreditor Agreement;

(h) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the Direction of the Certificateholders holding Certificates of any series evidencing Fractional Undivided Interests aggregating not less than a majority in interest in the related Trust relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Agreement or any Intercreditor Agreement; and

(i) the Trustee shall not be required to expend or risk its own funds in the performance of any of its duties under this Agreement, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk is not reasonably assured to it.

Section 7.04. Not Responsible for Recitals or Issuance of Certificates. The recitals contained herein and in the Certificates of each series, except the certificates of authentication, shall not be taken as the statements of the Trustee, and the Trustee assumes no responsibility for their correctness. Subject to Section 7.15, the Trustee makes no representations as to the validity or sufficiency of this Basic Agreement, any Equipment Notes, any Intercreditor Agreement, any Liquidity Facility to which the Trustee may be a party, the Certificates of any series, any Trust Supplement or any Note Documents, except that the Trustee hereby represents and warrants that this Basic Agreement has been, and each Trust Supplement, each Certificate, each Note Purchase Agreement, each Intercreditor Agreement and any such Liquidity Facility of, or relating to, each series will be, executed and delivered by one of its officers who is duly authorized to execute and deliver such document on its behalf.

Section 7.05. May Hold Certificates. The Trustee, any Paying Agent, Registrar or any of their Affiliates or any other agent, in their respective individual or any other capacity, may become the owner or pledgee of Certificates and, subject to Sections 310(b) and 311 of the Trust Indenture Act, if applicable, may otherwise deal with the Company, the Parent, any Owner Trustees, any Owner Participants or the Loan Trustees with the same rights it would have if it were not Trustee, Paying Agent, Registrar or such other agent.

Section 7.06. Money Held in Trust. Money held by the Trustee or the Paying Agent in trust under this Agreement need not be segregated from other funds except to the extent required herein or by law and neither the Trustee nor the Paying Agent shall have any liability for interest upon any such moneys except as provided for herein or in the applicable Trust Supplement.

Section 7.07. Compensation and Reimbursement. The Company agrees:

- (1) to pay, or cause to be paid, to the Trustee from time to time such compensation for all services rendered by it hereunder as the Company and the Trustee may agree in writing from time to time (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust);
- (2) except as otherwise expressly provided herein or in any Trust Supplement, to reimburse, or cause to be reimbursed, the Trustee upon its request for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by the Trustee in accordance with any provision of this Basic Agreement, any Trust Supplement, any Intercreditor Agreement or any Liquidity Facility to which the Trustee may be a party (including the reasonable compensation and the expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to the Trustee's negligence, willful misconduct or bad faith or as may be incurred due to the Trustee's breach of its representations and warranties set forth in Section 7.15; and
- (3) to indemnify, or cause to be indemnified, the Trustee, solely in its individual capacity, for, and to hold it harmless against, any loss, liability, tax (other than any tax referred to in the next paragraph or any tax attributable to the Trustee's compensation for serving as such), cost or expense incurred without negligence, willful misconduct or bad faith on its part, arising out of or in connection with the acceptance or administration of any Trust, including the costs and expenses of (a) defending itself against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder or under any Trust Supplement or (b) contesting the imposition of any such tax, except in each case for any such loss, liability, tax, cost or expense incurred by reason of the Trustee's breach of its representations and warranties set forth in Section 7.15 or in any Trust Supplement or the Trustee's failure to perform any of its obligations hereunder or under any Trust Supplement. The Trustee shall notify the Company promptly of any claim or tax for which it seeks indemnity. The Company shall defend the claim and the Trustee shall cooperate in the defense. The Trustee may have separate counsel with the consent of the Company, and the Company will pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made or any taxes paid, in settlement or otherwise, without its consent.

The Trustee shall be entitled to reimbursement from, and shall have a lien prior to the Certificates of each series upon, all property and funds held or collected by the Trustee in its capacity as Trustee with respect to such series or the related Trust for any tax incurred without

negligence, bad faith or willful misconduct, on its part, arising out of or in connection with the acceptance or administration of such Trust (other than any tax attributable to the Trustee's compensation for serving as such), including any costs and expenses incurred in contesting the imposition of any such tax. The Trustee shall notify the Company of any claim for any tax for which it may seek reimbursement. If the Trustee reimburses itself from the Trust Property of such Trust for any such tax, it will mail a brief report within 30 days setting forth the amount of such tax and the circumstances thereof to all Certificateholders of such series as their names and addresses appear in the Register.

Section 7.08. Corporate Trustee Required; Eligibility. Each Trust shall at all times have a Trustee which shall be a bank, trust company or other financial institution organized and doing business under the laws of the United States or any state thereof, shall be eligible to act as a trustee under Section 310(a) of the Trust Indenture Act and shall have a combined capital and surplus of at least \$100,000,000 (or a combined capital and surplus in excess of \$5,000,000 and the obligations of which, whether now in existence or hereafter incurred, are fully and unconditionally guaranteed by a corporation organized and doing business under the laws of the United States or any state or territory thereof or the District of Columbia and having a combined capital and surplus of at least \$100,000,000). If such bank, trust company or other financial institution or such corporation publishes reports of conditions at least annually, pursuant to law or to the requirements of federal, state, territorial or District of Columbia supervising or examining authority, then for the purposes of this Section 7.08 the combined capital and surplus of such bank, trust company or other financial institution or such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published.

In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section 7.08 to act as Trustee of any Trust, the Trustee shall resign immediately as Trustee of such Trust in the manner and with the effect specified in Section 7.09. If the Trustee has or shall acquire a conflicting interest within the meaning of the Trust Indenture Act, the Trustee shall either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Agreement.

Section 7.09. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Trustee and no appointment of a successor Trustee of any Trust pursuant to this Article VII shall become effective until the acceptance of appointment by the successor Trustee under Section 7.10.

(b) The Trustee may resign at any time as Trustee of any or all Trusts by giving prior written notice thereof to the Company, the Authorized Agents, any related Owner Trustees and the related Loan Trustees. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Company, any related Owner Trustees and the Trustee within 30 days after the giving of such notice of resignation, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(c) The Trustee may be removed at any time as Trustee of any Trust by Direction of the Certificateholders of the related series holding Certificates of such series evidencing Fractional Undivided Interests aggregating not less than a majority in interest in such Trust delivered to the Trustee and to the Company, any related Owner Trustees and the related Loan Trustees.

(d) If at any time in respect of any Trust:

- (1) the Trustee shall fail to comply with Section 310(b) of the Trust Indenture Act, if applicable, after written request therefor by the Company or by any Certificateholder who has been a bona fide Certificateholder for at least six months; or
- (2) the Trustee shall cease to be eligible under Section 7.08 and shall fail to resign after written request therefor by the Company or by any such Certificateholder; or
- (3) the Trustee shall become incapable of acting or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation; then, in any such case, (i) the Company may remove the Trustee or (ii) any Certificateholder of the related series who has been a bona fide Certificateholder for at least six months may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee of such Trust.

(e) If a Responsible Officer of the Trustee shall obtain actual knowledge of an Avoidable Tax (as defined below) in respect of any Trust which has been or is likely to be asserted, the Trustee shall promptly notify the Company and shall, within 30 days of such notification, either relocate the administration of the Trust to another jurisdiction as described in the definition of "Avoidable Tax" or resign as Trustee of such Trust hereunder unless within such 30-day period the Trustee shall have received notice that the Company has agreed to pay such tax. Provided that there is a corporation in a jurisdiction where there are no Avoidable Taxes that is willing to act as Trustee and is eligible under Section 7.08, the Company shall promptly after any such resignation by such Trustee appoint a successor Trustee of such Trust in a jurisdiction where there are no Avoidable Taxes. As used herein, an "Avoidable Tax" in respect of such Trust means a state or local tax: (i) upon (~~w~~) such Trust, (~~x~~) the Trust Property of such Trust, (y) Certificateholders of such Trust or (z) the Trustee for which the Trustee is entitled to seek reimbursement from the Trust Property of such Trust, and (ii) which would be avoided if the Trust were administered in a different jurisdiction in the United States or if the Trustee were located in another state, or jurisdiction within a state, within the United States. A tax shall not be an Avoidable Tax in respect of any Trust if the Company or any Owner Trustee shall agree to pay, and shall pay, such tax.

(f) If the Trustee shall resign, be removed or become incapable of acting as Trustee of any Trust or if a vacancy shall occur in the office of the Trustee of any Trust for any cause, the Company shall promptly appoint a successor Trustee of such Trust. If, within one year after such resignation, removal or incapability, or other occurrence of such vacancy, a successor Trustee of such Trust shall be appointed by Direction of the Certificateholders of the related series holding Certificates of such series evidencing Fractional Undivided Interests aggregating

not less than a majority in interest in such Trust delivered to the Company, any related Owner Trustees, the related Loan Trustee and the retiring Trustee, then the successor Trustee of such Trust so appointed shall, with the approval of the Company of such appointment, which approval shall not be unreasonably withheld, forthwith upon its acceptance of such appointment, become the successor Trustee of such Trust and supersede the successor Trustee of such Trust appointed by the Company as provided above. If no successor Trustee shall have been so appointed by the Company as provided above and accepted appointment in the manner hereinafter provided, the resigning Trustee or any Certificateholder who has been a bona fide Certificateholder of the related series for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Trustee of such Trust.

(g) The successor Trustee of a Trust shall give notice of the resignation and removal of the Trustee and appointment of the successor Trustee by mailing written notice of such event by first-class mail, postage prepaid, to the Certificateholders of the related series as their names and addresses appear in the Register. Each notice shall include the name of such successor Trustee and the address of its Corporate Trust Office.

Section 7.10. Acceptance of Appointment by Successor. Every successor Trustee appointed hereunder shall execute and deliver to the Company and to the retiring Trustee with respect to any or all Trusts an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Trustee with respect to such Trust or Trusts shall become effective and such successor Trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, trusts and duties of the retiring Trustee with respect to such Trust or Trusts; but, on request of the Company or the successor Trustee, such retiring Trustee shall execute and deliver an instrument transferring to such successor Trustee all such rights, powers and trusts of the retiring Trustee and shall duly assign, transfer and deliver to such successor Trustee all Trust Property held by such retiring Trustee in respect of such Trusts hereunder (subject nevertheless to its lien, if any, provided for in Section 7.07) and all books and records, or true, correct and complete copies thereof, held by such retiring Trustee in respect of such Trusts hereunder. Upon request of any such successor Trustee, the Company, the retiring Trustee and such successor Trustee shall execute and deliver any and all instruments containing such provisions as shall be necessary or desirable to transfer and confirm to, and for more fully and certainly vesting in, such successor Trustee all such rights, powers and trusts.

If a successor Trustee is appointed with respect to one or more (but not all) Trusts, the Company, the predecessor Trustee and each successor Trustee with respect to any Trust shall execute and deliver a supplemental agreement hereto which shall contain such provisions as shall be deemed necessary or desirable to confirm that all of the rights, powers, trusts and duties of the predecessor Trustee with respect to the Trusts as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Basic Agreement and the applicable Trust Supplements as shall be necessary to provide for or facilitate the administration of the Trusts hereunder by more than one Trustee, it being understood that nothing herein or in such supplemental agreement shall constitute such Trustees as co-Trustees of the same Trust and that each such Trustee shall be Trustee of separate Trusts.

No institution shall accept its appointment as a successor Trustee hereunder unless at the time of such acceptance such institution shall be qualified and eligible under this Article VII.

Section 7.11. Merger, Conversion, Consolidation or Succession to Business. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided that such corporation shall be otherwise qualified and eligible under this Article VII, without the execution or filing of any paper or any further act on the part of any of the parties hereto. In case any Certificates shall have been executed or authenticated, but not delivered, by the Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Trustee may adopt such execution or authentication and deliver the Certificates so executed or authenticated with the same effect as if such successor Trustee had itself executed or authenticated such Certificates.

Section 7.12. Maintenance of Agencies.

(a) With respect to each series of Certificates, there shall at all times be maintained an office or agency in the location set forth in Section 12.04 or at such other location as may be specified in the applicant Trust Supplement where Certificates of such series may be presented or surrendered for registration of transfer or for exchange, and for payment thereof, and where notices and demands to or upon the Trustee in respect of such Certificates or this Agreement may be served; provided that, if it shall be necessary that the Trustee maintain an office or agency in another location with respect to the Certificates of any series (*e.g.*, the Certificates of such series shall be represented by Definitive Certificates and shall be listed on a national securities exchange), the Trustee will make all reasonable efforts to establish such an office or agency. Written notice of the location of each such other office or agency and of any change of location thereof shall be given by the Trustee to the Company, any Owner Trustees, the Loan Trustees (in the case of any Owner Trustee or Loan Trustee, at its address specified in the Note Documents or such other address as may be notified to the Trustee) and the Certificateholders of such series. In the event that no such office or agency shall be maintained or no such notice of location or of change of location shall be given, presentations and demands may be made and notices may be served at the Corporate Trust Office of the Trustee.

(b) There shall at all times be a Registrar and a Paying Agent hereunder with respect to the Certificates of each series. Each such Authorized Agent shall be a bank, trust company or other financial institution organized and doing business under the laws of the United States or any state thereof, with a combined capital and surplus of at least \$100,000,000 (or combined capital and surplus in excess of \$5,000,000, the obligations of which are fully and unconditionally guaranteed by a corporation organized and doing business under the laws of the United States or any state or territory thereof or the District of Columbia, with a combined capital and surplus of at least \$100,000,000), and shall be authorized under such laws to exercise corporate trust powers, subject to supervision by federal or state authorities. The Trustee shall initially be the Paying Agent and, as provided in Section 3.04, Registrar hereunder with respect to the Certificates of each series. Each Registrar other than the Trustee shall furnish to the Trustee, at stated intervals of not more than six months, and at such other times as the Trustee may request in writing, a copy of the Register maintained by such Registrar.

(c) Any corporation, bank or trust company into which any Authorized Agent may be merged or converted or with which it may be consolidated, or any corporation, bank or trust company resulting from any merger, consolidation or conversion to which any Authorized Agent shall be a party, or any corporation, bank or trust company succeeding to the corporate trust business of any Authorized Agent, shall be the successor of such Authorized Agent, if such successor is otherwise eligible under this Section 7.12, without the execution or filing of any paper or any further act on the part of the parties hereto or such Authorized Agent or such successor.

(d) Any Authorized Agent may at any time resign by giving written notice of resignation to the Trustee, the Company, any related Owner Trustees and the related Loan Trustees. The Company may, and at the request of the Trustee shall, at any time terminate the agency of any Authorized Agent by giving written notice of termination to such Authorized Agent and to the Trustee. Upon the resignation or termination of an Authorized Agent or in case at any time any such Authorized Agent shall cease to be eligible under this Section 7.12 (when, in either case, no other Authorized Agent performing the functions of such Authorized Agent shall have been appointed), the Company shall promptly appoint one or more qualified successor Authorized Agents, reasonably satisfactory to the Trustee, to perform the functions of the Authorized Agent which has resigned or whose agency has been terminated or who shall have ceased to be eligible under this Section 7.12. The Company shall give written notice of any such appointment made by it to the Trustee, any related Owner Trustees and the related Loan Trustees; and in each case the Trustee shall mail notice of such appointment to all Certificateholders of the related series as their names and addresses appear on the Register for such series.

(e) The Company agrees to pay, or cause to be paid, from time to time to each Authorized Agent such compensation for its services as the Company and the Trustee may agree in writing from time to time and to reimburse it for its reasonable expenses to the extent set forth in Section 7.07(2).

Section 7.13. Money for Certificate Payments to Be Held in Trust. All moneys deposited with any Paying Agent for the purpose of any payment on Certificates shall be deposited and held in trust for the benefit of the Certificateholders entitled to such payment, subject to the provisions of this Section 7.13. Moneys so deposited and held in trust shall constitute a separate trust fund for the benefit of the Certificateholders with respect to which such money was deposited.

The Trustee may at any time, for the purpose of obtaining the satisfaction and discharge of this Agreement or for any other purpose, direct any Paying Agent to pay to the Trustee all sums held in trust by such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Section 7.14. Registration of Equipment Notes in Trustee's Name. Subject to the provisions of any Intercreditor Agreement and Section 12.03 hereof, the Trustee agrees that all Equipment Notes to be purchased by any Trust, Specified Investments, if any, to be held by the Trustee on behalf of a Trust and Permitted Investments, if any, to be held by the Trustee on behalf of a Trust shall be issued in the name of the Trustee as trustee for the applicable Trust or its nominee and held by the Trustee in trust for the benefit of the Certificateholders of such series, or, if not so held, the Trustee or its nominee shall be reflected as the owner of such Equipment Notes, Specified Investments or Permitted Investments, as the case may be, in the register of the issuer of such Equipment Notes, Specified Investments or Permitted Investments, as the case may be. In no event shall the Trustee invest in, or hold, Equipment Notes, Specified Investments or Permitted Investments in a manner that would cause the Trustee not to have the ownership interest in (or a securities entitlement with respect to) such Equipment Notes, Specified Investments or Permitted Investments under the applicable provisions of the Uniform Commercial Code in effect where the Trustee holds such Equipment Notes, Specified Investments or Permitted Investments or other applicable law then in effect.

Section 7.15. Representations and Warranties of Trustee. The Trustee hereby represents and warrants that:

- (a) the Trustee is a national banking association duly organized and validly existing in good standing under the laws of the United States;
- (b) the Trustee has full power, authority and legal right to execute, deliver and perform this Agreement, any Intercreditor Agreement, any Liquidity Facility, the Certificates and the Note Purchase Agreements and has taken all necessary action to authorize the execution, delivery and performance by it of this Agreement, any Intercreditor Agreement, any Liquidity Facility, the Certificates and the Note Purchase Agreements;
- (c) the execution, delivery and performance by the Trustee of this Agreement, any Intercreditor Agreement, any Liquidity Facility, the Certificates and the Note Purchase Agreements (i) will not violate any provision of any United States federal law or the law of the state of the United States where such Trustee is located and which governs the banking and trust powers of the Trustee or any order, writ, judgment, or decree of any court, arbitrator or governmental authority applicable to the Trustee or any of its assets, (ii) will not violate any provision of the articles of association or by-laws of the Trustee, and (iii) will not violate any provision of, or constitute, with or without notice or lapse of time or both, a default under, or result in the creation or imposition of any lien on any properties included in the Trust Property pursuant to the provisions of any mortgage, indenture, contract, agreement or other undertaking to which it is a party;
- (d) the execution, delivery and performance by the Trustee of this Agreement, any Intercreditor Agreement, any Liquidity Facility, the Certificates and the Note Purchase Agreements will not require the authorization, consent, or approval of, the giving of notice to, the filing or registration with, or the taking of any other action in respect of, any governmental authority or agency of the United States or the state of the United States where such Trustee is located and regulating the banking and corporate trust activities of the Trustee, other than the filing of a Statement of Eligibility on Form T-1 in connection with any registration of any Certificates;

(e) this Agreement, any Intercreditor Agreement, any Liquidity Facility, the Certificates and the Note Purchase Agreements have been or will be duly executed and delivered by the Trustee and constitute or upon such execution and delivery will constitute the legal, valid and binding agreements of the Trustee, enforceable against it in accordance with their respective terms; provided, however, that enforceability may be limited by (i) applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally, and (ii) general principles of equity; and

(f) the statements made by it in a Statement of Eligibility on Form T-1 supplied or to be supplied to the Company in connection with any registration of any Certificates are and will be true and accurate subject to the qualifications set forth therein; and that such statement complies and will comply in all material respects with the requirements of the Trust Indenture Act and the Securities Act.

The representation and warranties set forth above shall be deemed to be made by the Trustee on each Issuance Date, except as otherwise provided in the applicable Trust Supplement.

Section 7.16. Withholding Taxes; Information Reporting. As to the Certificates of any series, the Trustee, as trustee of the related grantor trust created by this Agreement, shall exclude and withhold from each distribution of principal, premium, if any, and interest and other amounts due under this Agreement or under the Certificates of such series any and all withholding taxes applicable thereto as required by law. The Trustee agrees to act as such withholding agent and, in connection therewith, whenever any present or future taxes or similar charges are required to be withheld with respect to any amounts payable in respect of the Certificates of such series, to withhold such amounts and timely pay the same to the appropriate authority in the name of and on behalf of the Certificateholders of such series, that it will file any necessary withholding tax returns or statements when due, and that, as promptly as possible after the payment thereof, it will deliver to each such Certificateholder of such series appropriate documentation showing the payment thereof, together with such additional documentary evidence as such Certificateholders may reasonably request from time to time. The Trustee agrees to file any other information reports as it may be required to file under United States law.

Section 7.17. Trustee's Liens. The Trustee in its individual capacity agrees that it will, in respect of each Trust created by this Agreement, at its own cost and expense (and without right of indemnity hereunder, including Section 7.07), promptly take any action as may be necessary to duly discharge and satisfy in full any mortgage, pledge, lien, charge, encumbrance, security interest or claim ("Trustee's Liens") on or with respect to the Trust Property of such Trust which is attributable to the Trustee either (i) in its individual capacity and which is unrelated to the transactions contemplated by this Agreement or the related Note Documents or (ii) as Trustee hereunder or in its individual capacity and which arises out of acts or omissions which are not contemplated by this Agreement.

Section 7.18. Preferential Collection of Claims. The Trustee shall comply with Section 311(a) of the Trust Indenture Act, excluding any creditor relationship listed in Section 311(b) of the Trust Indenture Act. If the Trustee shall resign or be removed as Trustee, it shall be subject to Section 311(a) of the Trust Indenture Act to the extent provided therein.

Section 7.19. Capacity in Which Acting. The Trustee acts hereunder and under any Trust not in its individual capacity but solely as trustee except as expressly provided herein or in the related Trust Supplement.

ARTICLE VIII

CERTIFICATEHOLDERS' LISTS AND REPORTS BY TRUSTEE

Section 8.01. The Company to Furnish Trustee with Names and Addresses of Certificateholders. With respect to the Certificates of each series, the Company will furnish (or cause to be furnished) to the Trustee within 15 days after each Record Date with respect to a Scheduled Payment (and, in any case, at intervals of not more than six months), and at such other times as the Trustee may request in writing within 30 days after receipt by the Company of any such request, a list, in such form as the Trustee may reasonably require, of all information in the possession or control of the Company as to the names and addresses of the Certificateholders of such series, in each case as of a date not more than 15 days prior to the time such list is furnished; provided, however, that so long as the Trustee is the sole Registrar for such series, no such list need be furnished; and provided further, that no such list need be furnished for so long as a copy of the Register is being furnished to the Trustee pursuant to Section 7.12.

Section 8.02. Preservation of Information; Communications to Certificateholders. The Trustee shall preserve, in as current a form as is reasonably practicable, the names and addresses of Certificateholders of each series contained in the most recent list furnished to the Trustee as provided in Section 7.12 or Section 8.01, as the case may be, and the names and addresses of Certificateholders of each series received by the Trustee in its capacity as Registrar, if so acting. The Trustee may destroy any list furnished to it as provided in Section 7.12 or Section 8.01, as the case may be, upon receipt of a new list so furnished.

Section 8.03. Reports by Trustee. Within 60 days after May 15 of each year commencing with the first full year following the issuance of any series of Certificates, the Trustee shall transmit to the Certificateholders of such series, as provided in Section 313(c) of the Trust Indenture Act, a brief report dated as of such May 15, if required by and in compliance with Section 313(a) of the Trust Indenture Act. The Trustee shall also transmit to Certificateholders such reports, if any, as may be required pursuant to Section 313(b) of the Trust Indenture Act at the times and in the manner provided pursuant thereto and to Section 313(c) thereof.

Section 8.04. Reports by the Company. The Company shall:

(a) provide (or cause to be provided) to the Trustee, within 30 days after the Parent of the Company is required to file the same with the SEC, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the SEC may from time to time by rules and regulations prescribe) which the Parent or the Company is required to file with the SEC pursuant to section 13 or section 15(d) of the Securities

Exchange Act of 1934, as amended; or, if neither Parent nor the Company is required to file information, documents or reports pursuant to either of such sections, then to file with the Trustee and the SEC, in accordance with rules and regulations prescribed by the SEC, such of the supplementary and periodic information, documents and reports which may be required pursuant to section 13 of the Securities Exchange Act of 1934, as amended, in respect of a security listed and registered on a national securities exchange as may be prescribed in such rules and regulations; provided, that the Company may fulfill the requirements of this Section 8.04(a) by providing (or causing to be provided) the material described herein in an electronic format by electronic mail or access over the internet;

(b) file (or cause to be filed) with the Trustee and the SEC, in accordance with the rules and regulations prescribed by the SEC, such additional information, documents and reports with respect to compliance by the Company with the conditions and covenants of the Company provided for in this Agreement, as may be required by such rules and regulations;

(c) transmit to all Certificateholders, in the manner and to the extent provided in Section 313(c) of the Trust Indenture Act, such summaries of any information, documents and reports required to be filed by the Company or Parent pursuant to subsections (a) and (b) of this Section 8.04 as may be required by rules and regulations prescribed by the SEC; and

(d) furnish to the Trustee, not less often than annually, a brief certificate from the principal executive officer, principal financial officer or principal accounting officer as to his or her knowledge of the Company's compliance with all conditions and covenants of the Company under this Agreement (it being understood that for purposes of this paragraph (d), such compliance shall be determined without regard to any grace period or requirement of notice provided under this Agreement).

ARTICLE IX

SUPPLEMENTAL AGREEMENTS

Section 9.01. Supplemental Agreements Without Consent of Certificateholders. Without the consent of any Certificateholders, the Company may (but will not be required to), and the Trustee (subject to Section 9.03) shall, at the Company's request, at any time and from time to time, enter into one or more agreements supplemental hereto or, if applicable, to an Intercreditor Agreement, a Note Purchase Agreement, a Liquidity Facility, any Intercompany Guarantee or a Parent Guarantee, for any of the following purposes:

- (2) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants of the Company contained in this Agreement or of the Company's obligations under any Intercreditor Agreement,

any Note Purchase Agreement, any Liquidity Facility or any Intercompany Guarantee or, if applicable, to evidence the succession of another Person to the Parent and the assumption by any such successor of the covenants of the Parent contained in this Agreement or of the Parent's obligations under any Parent Guarantee; or

- (3) to add to the covenants of the Company or the Parent for the benefit of the Certificateholders of any series, or to surrender any right or power conferred upon the Company or the Parent in this Agreement, any Note Purchase Agreement, any Intercreditor Agreement, any Liquidity Facility, any Intercompany Guarantee or any Parent Guarantee; or
- (4) to cure any ambiguity or to correct any mistake or inconsistency contained in the Certificates of any series, in this Basic Agreement or in any related Trust Supplement, any Intercreditor Agreement, any Note Purchase Agreement, any Liquidity Facility, any Intercompany Guarantee or any Parent Guarantee; or
- (5) to make or modify any other provision in regard to matters or questions arising under the Certificates of any series, this Basic Agreement or any related Trust Supplement, any Intercreditor Agreement, any Note Purchase Agreement, any Liquidity Facility, any Intercompany Guarantee or any Parent Guarantee as the Company may deem necessary or desirable and that will not materially adversely affect the interests of the related Certificateholders; or
- (6) to comply with any requirement of the SEC, any applicable law, rules or regulations of any exchange or quotation system on which the Certificates of any series are listed or of any regulatory body; or
- (7) to modify, eliminate or add to the provisions of this Agreement, any Intercreditor Agreement, any Liquidity Facility, any Intercompany Guarantee or any Parent Guarantee to such extent as shall be necessary to continue or obtain the qualification of this Agreement (including any supplemental agreement), any Intercreditor Agreement, any Liquidity Facility, any Intercompany Guarantee or any Parent Guarantee under the Trust Indenture Act or under any similar Federal statute hereafter enacted, and to add to this Agreement, any Intercreditor Agreement, any Liquidity Facility, any Intercompany Guarantee or any Parent Guarantee such other provisions as may be expressly permitted by the Trust Indenture Act, excluding, however, the provisions referred to in Section 316(a)(2) of the Trust Indenture Act as in effect at the date as of which this Basic Agreement was executed or any corresponding provision in any similar Federal statute hereafter enacted; or
- (8) to evidence and provide for the acceptance of appointment by a successor Trustee under this Agreement, any Intercreditor Agreement, any Note Purchase Agreement, any Indenture, any Liquidity Facility, any Intercompany Guarantee or any Parent Guarantee with respect to one or more Trusts and to add to or change any of the provisions of this Agreement, any Intercreditor Agreement, any

- (9) to provide the information required under Section 7.12 and Section 12.04 as to the Trustee; or
- (10) to add to or change any of the provisions of the Certificates of any series, this Basic Agreement or any Trust Supplement to such extent as shall be necessary to facilitate the issuance of Certificates of such series in bearer form or to facilitate or provide for the issuance of Certificates of such series in global form in addition to or in place of Certificates in certificated form; or
- (11) to provide for the delivery of agreements supplemental hereto or the Certificates of any series in or by any means of any computerized, electronic or other medium, including without limitation by computer diskette; or to correct or supplement the description of any property constituting property of such Trust; or
- (12) to modify, eliminate or add to the provisions of this Basic Agreement, any Trust Supplement or any applicable Note Purchase Agreement in order to reflect the substitution of a Substitute Aircraft for any aircraft; or
- (13) to comply with any requirement of the SEC in connection with the qualification of this Agreement, any Intercompany Guarantee, any Parent Guarantee or any other agreement or instrument related to the Certificates of any series under the Trust Indenture Act; or
- (14) to make any other amendments or modifications hereto, provided that such amendments or modifications shall only apply to Certificates of one or more series to be thereafter issued;

provided, however, that, except to the extent otherwise provided in the applicable supplemental agreement, unless there shall have been obtained from each Rating Agency written confirmation that such supplemental agreement would not result in a reduction of the rating for any class of Certificates below the then current rating for such class of Certificates or a withdrawal or suspension of the rating of any class of Certificates, the Company shall provide the Trustee with an opinion of counsel (i) if an Event of Default shall have occurred and be continuing, to the effect that such supplemental agreement will not cause the Trust to become an association taxable as a corporation for United States federal income tax purposes or (ii) in other circumstances, to the effect that such supplemental agreement will not cause the Trust to be treated as other than a grantor trust for United States federal income tax purposes.

Section 9.02. Supplemental Agreements with Consent of Certificateholders. With respect to each separate Trust and the series of Certificates relating thereto, with the consent of the Certificateholders holding Certificates of such series (including consents obtained in connection with a consent solicitation, tender offer or exchange offer for the Certificates)

evidencing Fractional Undivided Interests aggregating not less than a majority in interest in such Trust, by Direction of said Certificateholders delivered to the Company and the Trustee, the Company and, if applicable, the Parent, may (with the consent of the Owner Trustees, if any, relating to such Certificates, which consent shall not be unreasonably withheld), but shall not be obligated to, and the Trustee (subject to Section 9.03) shall, enter into an agreement or agreements supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement, any Intercreditor Agreement, any Liquidity Facility, any Intercompany Guarantee or any Parent Guarantee to the extent applicable to such Certificateholders or of modifying in any manner the rights and obligations of such Certificateholders under this Agreement, any Intercreditor Agreement, any Liquidity Facility, any Intercompany Guarantee or any Parent Guarantee; provided, however, that no such agreement shall, without the consent of the Certificateholder of each Outstanding Certificate adversely affected thereby:

- (1) reduce in any manner the amount of, or delay the timing of, any receipt by the Trustee of payments on the Equipment Notes held in such Trust or distributions that are required to be made herein on any Certificate of such series, or change any date of payment on any Certificate of such series, or change the place of payment where, or the coin or currency in which, any Certificate of such series is payable (other than as provided for in such Certificate), or impair the right to institute suit for the enforcement of any such payment or distribution on or after the Regular Distribution Date or Special Distribution Date applicable thereto; or
- (2) except as permitted by this Agreement or the applicable Intercreditor Agreement or Liquidity Facility, permit the disposition of any Equipment Note included in the Trust Property of such Trust or otherwise deprive such Certificateholder of the benefit of the ownership of the Equipment Notes in such Trust; or
- (3) alter the priority of distributions specified in the relevant Intercreditor Agreement, if any, in a manner materially adverse to the interests of the Certificateholders of any series; or
- (4) modify any of the provisions of this Section 9.02 with respect to such series of Certificates, except to increase the specified percentage of the aggregate Fractional Undivided Interests of such Trust that is required for any supplemental agreement as set forth therein, or to provide that certain other provisions of this Agreement cannot be modified or waived without the consent of the Certificateholder of each Certificate of such series affected thereby; or
- (5) cause any Trust to become an association taxable as a corporation for United States federal income tax purposes.

It shall not be necessary for any Direction of such Certificateholders under this Section 9.02 to approve the particular form of any proposed supplemental agreement, but it shall be sufficient if such Direction shall approve the substance thereof.

Section 9.03. Documents Affecting Immunity or Indemnity. If in the opinion of the Trustee any document required to be executed by it pursuant to the terms of Section 9.01 or 9.02 affects any interest, right, duty, immunity or indemnity in favor of the Trustee under this Basic Agreement or any Trust Supplement, the Trustee may in its discretion decline to execute such document.

Section 9.04. Execution of Supplemental Agreements. In executing, or accepting the additional trusts created by, any supplemental agreement permitted by this Article IX or the modifications thereby of the trusts created by this Agreement, the Trustee shall be entitled to receive, and shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental agreement is authorized or permitted by this Agreement.

Section 9.05. Effect of Supplemental Agreements. Upon the execution of any agreement supplemental to this Agreement under this Article IX, this Agreement shall be modified in accordance therewith, and such supplemental agreement shall form a part of this Agreement for all purposes, and every Certificateholder of each series theretofore or thereafter authenticated and delivered hereunder shall be bound thereby to the extent applicable to such series.

Section 9.06. Conformity with Trust Indenture Act. Every supplemental agreement executed pursuant to this Article IX shall conform to the requirements of the Trust Indenture Act as then in effect.

Section 9.07. Reference in Certificates to Supplemental Agreements. Certificates of each series authenticated and delivered after the execution of any supplemental agreement applicable to such series pursuant to this Article IX may bear a notation in form approved by the Trustee as to any matter provided for in such supplemental agreement; and, in such case, suitable notation may be made upon Outstanding Certificates of such series after proper presentation and demand.

ARTICLE X

In the event that the Trustee, as holder (or beneficial owner through the Subordination Agent) of any Equipment Notes (or as a prospective purchaser of any Postponed Notes) in trust for the benefit of the Certificateholders of any series or as Controlling Party under an Intercreditor Agreement, receives (directly or indirectly through the Subordination Agent) a request for a consent to any amendment, modification, waiver or supplement under any Indenture or other Note Document, subject to Section 9.01 hereof, the Trustee shall forthwith send a notice of such proposed amendment, modification, waiver or supplement to each Certificateholder of such series registered on the Register as of the date of such notice. The Trustee shall request from the Certificateholders of such series a Direction as to (a) whether or not to take or refrain from taking (or direct the Subordination Agent

to take or refrain from taking) any action which a holder of (or, with respect to Postponed Notes, a prospective purchaser of) such Equipment Note has the option to direct, (b) whether or not to give or execute (or direct the Subordination Agent to give or execute) any waivers, consents, amendments, modifications or supplements as a holder of (or, with respect to Postponed Notes, a prospective purchaser of) such Equipment Note or a Controlling Party and (c) how to vote (or direct the Subordination Agent to vote) any Equipment Note (or, with respect to a Postponed Note, its commitment to acquire such Postponed Note) if a vote has been called for with respect thereto. Provided such a request for Certificateholder Direction shall have been made, in directing any action or casting any vote or giving any consent as the holder of any Equipment Note (or in directing the Subordination Agent in any of the foregoing), (i) other than as Controlling Party, the Trustee shall vote for or give consent to any such action with respect to such Equipment Note (or Postponed Note) in the same proportion as that of (A) the aggregate face amount of all Certificates actually voted in favor of or for giving consent to such action by such Direction of Certificateholders to (B) the aggregate face amount of all Outstanding Certificates and (ii) as Controlling Party, the Trustee shall vote as directed in such Certificateholder Direction by the Certificateholders of such series evidencing a Fractional Undivided Interest aggregating not less than a majority in interest in the Trust. For purposes of the immediately preceding sentence, a Certificate shall have been "actually voted" if the Holder of such Certificate has delivered to the Trustee an instrument evidencing such Holder's consent to such Direction prior to one Business Day before the Trustee directs such action or casts such vote or gives such consent. Notwithstanding the foregoing, but subject to Section 6.04 and any Intercreditor Agreement, the Trustee may, with respect to the Certificates of any series, in its own discretion and at its own direction, consent and notify the relevant Loan Trustee of such consent (or direct the Subordination Agent to consent and notify the Loan Trustee of such consent) to any amendment, modification, waiver or supplement under any related Indenture or any other related Note Document if an Event of Default hereunder shall have occurred and be continuing or if such amendment, modification, waiver or supplement will not materially adversely affect the interests of the Certificateholders of such series.

ARTICLE XI

TERMINATION OF TRUSTS

Section 11.01. Termination of the Trusts. In respect of each Trust created by the Basic Agreement as supplemented by a related Trust Supplement, the respective obligations and responsibilities of the Company and the Trustee and, if applicable, the Parent with respect to such Trust shall terminate upon the distribution to all Holders of Certificates of the series of such Trust and the Trustee of all amounts required to be distributed to them pursuant to this Agreement and the disposition of all property held as part of the Trust Property of such Trust; provided, however, that in no event shall such Trust continue beyond the final expiration date determined as provided in such Trust Supplement.

Notice of any termination of a Trust, specifying the applicable Regular Distribution Date (or applicable Special Distribution Date, as the case may be) upon which the Certificateholders of any series may surrender their Certificates to the Trustee for payment of the final distribution and cancellation, shall be mailed promptly by the Trustee to Certificateholders of such series not earlier than 60 days and not later than 15 days preceding such final distribution specifying (i) the Regular Distribution Date (or Special Distribution Date, as the case may be) upon which the proposed final payment of the Certificates of such series will be made upon presentation and surrender of Certificates of such series at the office or agency of the Trustee therein specified,

(ii) the amount of any such proposed final payment, and (iii) that the Record Date otherwise applicable to such Regular Distribution Date (or Special Distribution Date, as the case may be) is not applicable, payments being made only upon presentation and surrender of the Certificates of such series at the office or agency of the Trustee therein specified. The Trustee shall give such notice to the Registrar at the time such notice is given to Certificateholders of such series. Upon presentation and surrender of the Certificates of such series in accordance with such notice, the Trustee shall cause to be distributed to Certificateholders of such series amounts distributable on such Regular Distribution Date (or Special Distribution Date, as the case may be) pursuant to Section 4.02.

In the event that all of the Certificateholders of such series shall not surrender their Certificates for cancellation within six months after the date specified in the above-mentioned written notice, the Trustee shall give a second written notice to the remaining Certificateholders of such series to surrender their Certificates for cancellation and receive the final distribution with respect thereto. No additional interest shall accrue on the Certificates of such series after any Regular Distribution Date (or Special Distribution Date, as the case may be) of such series, as specified in the first written notice. In the event that any money held by the Trustee for the payment of distributions on the Certificates of such series shall remain unclaimed for two years (or such lesser time as the Trustee shall be satisfied, after 60 days' notice from the Company, is one month prior to the escheat period provided under applicable law) after the final distribution date with respect thereto, the Trustee shall pay to each Loan Trustee the appropriate amount of money relating to such Loan Trustee for distribution as provided in the applicable Indenture or other Note Documents and shall give written notice thereof to any related Owner Trustees and the Company.

ARTICLE XII

In connection with any transfer of Class A Certificates, each Class A Certificateholder agrees by its acceptance of the Class A Certificates to furnish the Registrar or the Trustee and the Parent and the Airlines such certifications, legal opinions or other information as either of them may reasonably require to confirm that such transfer is being made pursuant to an exemption from, or a transaction not subject to, the registration requirements of the Securities Act and in accordance with the terms and provisions of this Article IV; provided that the Registrar and the Trustee shall not be required to determine the sufficiency of any such certifications, legal opinions or other information and shall be fully protected in relying thereon.

Until such time as no Class A Certificates remain outstanding, the Registrar shall retain copies of all letters, notices and other written communications received pursuant to this Section 4.04. To permit registrations of transfers and exchanges in accordance with the terms, conditions and restrictions hereof, the Trustee shall execute and authenticate Class A Certificates at the Registrar's request. No service charge shall be made to a Class A Certificateholder for any registration of transfer or exchange of Class A Certificates, but the Trustee and the Registrar shall require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Class A Certificates. All Class A Certificates surrendered for registration of transfer or exchange shall be canceled and subsequently destroyed by the Trustee. Notwithstanding anything contained herein or elsewhere to the contrary, neither the Registrar nor the Trustee shall have any duty or obligation with respect to any transfer, exchange or other disposition of an economic interest in a Class A Certificate (other than a transfer of a Class A Certificate itself) or any personal liability to any Person in connection with the same.

Each issue of the Equipment Notes will be secured by, among other things, a security interest in the Aircraft owned by the applicable Airline issuing such Equipment Note.

The Certificates represent Fractional Undivided Interests in the Trust and the Trust Property, and will have no rights, benefits or interest in respect of any other separate trust established pursuant to the terms of the Basic Agreement for any other series of certificates issued pursuant thereto.

Subject to and in accordance with the terms of the Agreement and the Intercreditor Agreement, from funds then available to the Trustee, there will be distributed on each February 15 and each August 15 (each, a “Regular Distribution Date”), commencing on February 15, 2021, to the Person in whose name this Certificate is registered at the close of business on the 15th day preceding the applicable Regular Distribution Date, an amount in respect of the Scheduled Payments on the Series A Equipment Notes due on such Regular Distribution Date, the receipt of which has been confirmed by the Trustee, equal to the product of the percentage interest in the Trust evidenced by this Certificate and an amount equal to the sum of such Scheduled Payments. If a Regular Distribution Date or Special Distribution Date is not a Business Day, distribution shall be made on the immediately following Business Day and no interest shall accrue during the intervening period. The Trustee shall mail (or, in the case of Global Certificates, send electronically in accordance with DTC’s applicable procedures) notice of each Special Payment and the Special Distribution Date therefor to the Certificateholder of this Certificate.

Distributions on this Certificate will be made by the Trustee by check mailed to the Person entitled thereto, without the presentation or surrender of this Certificate or the making of any notation hereon, except that with respect to Certificates registered on the Record Date in the name of a Clearing Agency (or its nominee), such distributions shall be made by wire transfer. Except as otherwise provided in the Agreement and notwithstanding the above, the final distribution on this Certificate will be made after notice mailed (or, in the case of Global Certificates, sent electronically in accordance with DTC’s applicable procedures) by the Trustee of the pendency of such distribution and only upon presentation and surrender of this Certificate at the office or agency of the Trustee specified in such notice.

The Certificates do not represent a direct obligation of, or an obligation guaranteed by, or an interest in, the Airlines, the Parent, the Trustee, the Subordination Agent, any Loan Trustee or any Affiliate of any thereof. The Certificates are limited in right of payment,

all as more specifically set forth on the face hereof and in the Agreement. All payments or distributions made to Certificateholders under the Agreement shall be made only from the Trust Property and only to the extent that the Trustee shall have sufficient income or proceeds from the Trust Property to make such payments in accordance with the terms of the Agreement. Each Certificateholder of this Certificate, by its acceptance hereof, agrees that it will look solely to the income and proceeds from the Trust Property to the extent available for any payment or distribution to such Certificateholder pursuant to the terms of the Agreement and that it will not have any recourse to the Airlines, the Parent, the Trustee, the Loan Trustees or any Affiliate of any thereof except as otherwise expressly provided in the Agreement, in any Note Document or in the Intercreditor Agreement. This Certificate does not purport to summarize the Agreement and reference is made to the Agreement for information with respect to the interests, rights, benefits, obligations, proceeds and duties evidenced hereby. A copy of the Agreement may be examined during normal business hours at the principal office of the Trustee, and at such other places, if any, designated by the Trustee, by any Certificateholder upon request.

The Agreement permits, with certain exceptions therein provided, the amendment thereof, and the modification of the rights and obligations of either Airline, the Parent and the rights of the Certificateholders under the Agreement, at any time by the Parent, either Airline and the Trustee with the consent of the Certificateholders holding Certificates evidencing Fractional Undivided Interests aggregating not less than a majority in interest in the Trust. Any such consent by the Certificateholder of this Certificate shall be conclusive and binding on such Certificateholder and upon all future Certificateholders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent is made upon this Certificate. The Agreement also permits the amendment thereof, in certain limited circumstances, without the consent of the Certificateholders of any of the Certificates.

As provided in the Agreement and subject to certain limitations set forth therein, the transfer of this Certificate is registrable in the Register upon surrender of this Certificate for registration of transfer at the offices or agencies maintained by the Trustee in its capacity as Registrar, or by any successor Registrar, duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Registrar, duly executed by the Certificateholder hereof or such Certificateholder's attorney duly authorized in writing, and thereupon one or more new Certificates of authorized denominations evidencing the same aggregate Fractional Undivided Interest in the Trust will be issued to the designated transferee or transferees.

The Certificates are issuable only as registered Certificates without coupons in minimum denominations of \$2,000 Fractional Undivided Interest (or such other denomination that is the lowest integral multiple of \$1,000 that is, at the time of issuance, equal to at least 1,000 euros) and integral multiples of \$1,000 in excess thereof except that one Certificate may be issued in a different denomination. As provided in the Agreement and subject to certain limitations therein set forth, the Certificates are exchangeable for new Certificates of authorized denominations evidencing the same aggregate Fractional Undivided Interest in the Trust, as requested by the Certificateholder surrendering the same.

Trust Supplement No. 2020-1A
Alaska Air Aircraft EETC

No service charge will be made for any such registration of transfer or exchange, but the Trustee shall require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

The Airlines, the Parent, the Trustee, the Registrar and any Paying Agent shall deem and treat the Person in whose name this Certificate is registered as the owner hereof for all purposes, and none of the Airlines, the Parent, the Trustee, the Registrar or any such agent shall be affected by any notice to the contrary.

Each Certificateholder and Person with a beneficial interest herein, by its acceptance of this Certificate or such interest, agrees to treat the Trust as a grantor trust for all U.S. federal, state and local income tax purposes.

The obligations and responsibilities created by the Agreement and the Trust created thereby shall terminate upon the distribution to Certificateholders of all amounts required to be distributed to them pursuant to the Agreement and the disposition of all property held as part of the Trust Property.

Any Person acquiring or accepting this Certificate or an interest herein will, by such acquisition or acceptance, be deemed to (a) represent and warrant to the Airlines, the Parent, the Loan Trustees and the Trustee that either: (i) no assets of a Plan or any trust established with respect to a Plan have been used to purchase or hold this Certificate or an interest herein or (ii) the purchase and holding of this Certificate or interest herein by such Person are exempt from the prohibited transaction restrictions of ERISA and the Code or provisions of Similar Law pursuant to one or more prohibited transaction statutory or administrative exemptions or similar exemptions under Similar Law; and (b) direct the Trustee to invest the assets held in the Trust pursuant to, and take all other actions contemplated by, the terms and conditions of the Agreement, the Intercreditor Agreement, each Participation Agreement and the Guarantees.

THIS CERTIFICATE AND THE AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

Unless the certificate of authentication hereon has been executed by the Trustee, by manual signature, this Certificate shall not be entitled to any benefit under the Agreement or be valid for any purpose.

SAMPLE OFFERING DOCUMENT LANGUAGE
DESCRIBING BOOK-ENTRY-ONLY ISSUANCE

(Prepared by DTC--bracketed material may be applicable only to certain issues)

1. The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the securities (the “Securities”). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC’s records. The ownership interest of each actual purchaser of each Security (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. [Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]

[6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

6. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

7. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

[9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to [Tender/Remarketing] Agent's DTC account.]

8. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

9. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

10. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

The Trustee, if not the Registrar at such time, shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable written notice to the Registrar.

Section 4.05 Transfer and Exchange. The Registrar shall cause to be kept at the office or agency to be maintained by it in accordance with the provisions of Section 7.12 of the Basic Agreement a register (the “Register”) of the Class B Certificates in which, subject to such reasonable regulations as it may prescribe, the Registrar shall provide for the registration of such Class B Certificates and of transfers and exchanges of such Class B Certificates as herein provided. The Trustee shall initially be the registrar (the “Registrar”) for the purpose of registering such Class B Certificates and transfers and exchanges of such Class B Certificates as herein provided. Promptly upon the Trustee’s request therefor, (a) the Registrar shall provide to the Trustee a true and complete copy of the Register, and (b) the Registrar shall provide to the Trustee such information regarding the Class B Certificates and the Class B Certificateholders as is reasonably available to the Registrar.

All Class B Certificates issued upon any registration of transfer or exchange of Class B Certificates shall be valid obligations of the Class B Trust, evidencing the same interest therein, and entitled to the same benefits under this Agreement, as the Class B Certificates surrendered upon such registration of transfer or exchange.

Upon surrender for registration of transfer of any Class B Certificate at the Corporate Trust Office or such other office or agency designated by the Registrar with the form of transfer notice thereon duly completed and executed, and otherwise complying with the terms of this Agreement, including providing evidence of compliance with any restrictions on transfer, in form satisfactory to the Trustee, the Registrar, the Parent and each Airline, the Trustee shall execute, authenticate and deliver, in the name of the designated transferee or transferees, one or more new Class B Certificates, in authorized denominations of a like aggregate Fractional Undivided Interest. Whenever any Class B Certificates are surrendered for exchange, the Trustee shall execute, authenticate and deliver the Class B Certificates that the Class B Certificateholder making the exchange is entitled to receive. Every Class B Certificate presented or surrendered for registration of transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Registrar duly executed by the Class B Certificateholder thereof or its attorney duly authorized in writing. The Registrar and/or the Trustee may request and shall be entitled to receive as a prerequisite to the registration of transfer of any Class B Certificate signature guarantees or corporate signing authorities and incumbency certificates, each authenticated by an appropriate officer of the transferor satisfactory to it in its reasonable discretion.

The Registrar shall not register the transfer or exchange of any Class B Certificate in the name of any Person unless and until evidence satisfactory to the Parent, each Airline and the Trustee that the conditions to any such transfer or exchange set forth in Sections 4.02 through 4.04 shall have been satisfied is submitted to them and the Parent and each Airline has so notified the Trustee and the Registrar in writing of such satisfaction. The Registrar and the Trustee shall not be liable to any Person for registering any transfer or exchange, or for executing, authenticating or delivering any Class B Certificate based on such certification. The Registrar and the Trustee may treat the Person in whose name any Class B Certificate is registered as the sole owner of the beneficial interest in the Class B Trust evidenced by such Class B Certificate.

To permit registrations of transfers and exchanges in accordance with the terms, conditions and restrictions hereof, the Trustee shall execute and authenticate Class B Certificates at the Registrar's request. No service charge shall be made to a Class B Certificateholder for any registration of transfer or exchange of Class B Certificates, but the Trustee and the Registrar shall require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer or exchange of Class B Certificates. All Class B Certificates surrendered for registration of transfer or exchange shall be canceled and subsequently destroyed by the Trustee. Notwithstanding anything contained herein or elsewhere to the contrary, neither the Registrar nor the Trustee shall have any duty or obligation with respect to any transfer, exchange or other disposition of an economic interest in a Class B Certificate (other than a transfer of a Class B Certificate itself) or any personal liability to any Person in connection with the same.

Except and so far as herein expressly provided, all of the provisions, terms and conditions of the Basic Agreement are in all respects ratified and confirmed; and the Basic Agreement and this Trust Supplement shall be taken, read and construed as one and the same instrument. To the extent that any provisions of the Basic Agreement are superseded by any provisions of this Trust Supplement, any reference to such provisions of the Basic Agreement herein or in the Basic Agreement shall be deemed to be references to such provisions of this Trust Supplement.

Section 9.03 Governing Law. THIS AGREEMENT HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND THIS AGREEMENT AND THE CLASS B CERTIFICATES SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

Section 9.07 Normal Commercial Relations. Anything contained in this Agreement to the contrary notwithstanding, the Trustee and any Class B Certificateholder, or any bank or other affiliate of any such party, may conduct any banking or other financial transactions, and have banking and other commercial relationships, with the Airlines fully to the same extent as if this Agreement were not in effect, including without limitation the making of loans or other extensions of credit to the Airlines for any purpose whatsoever, whether related to any of the transactions contemplated hereby or otherwise.

Section 9.08 Successor and Assigns. All covenants, agreements, representations and warranties in this Agreement by the Trustee and the Airlines shall bind and, to the extent permitted hereby, shall inure to the benefit of and be enforceable by their respective successors and assigns, whether so expressed or not. No past, present or future director, officer, employee, agent, member, manager, trustee or stockholder, as such, of any Airline, the Parent or any successor Person shall have any liability for any obligations of such Airline, the Parent or any successor Person, either directly or through such Airline, the Parent or any successor Person, under the Class B Certificates, this Agreement or any Guarantee or for any claim based on, in respect of or by reason of such obligations or their creation, whether by virtue of any rule of law, statute or constitutional provision of by the enforcement of any assessment or by any legal or equitable proceeding or otherwise. By accepting a Class B Certificate, each Class B Certificateholder agrees to the provisions of this Section 9.08 and waives and releases all such liability. Such waiver and release shall be part of the consideration for the issue of the Class B Certificates.

Section 9.10 Patriot Act. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)), the Trustee is required to obtain, verify and record information that identifies its clients, including the Airlines, which information may include the name and address of its clients, as well as other information that will allow the Trustee to properly identify its clients. Each issue of the Equipment Notes will be secured by, among other things, a security interest in the Aircraft owned by the applicable Airline issuing such Equipment Note.

Alaska Air Aircraft EETC

The Certificates do not represent a direct obligation of, or an obligation guaranteed by, or an interest in, the Airlines, the Parent, the Trustee, the Subordination Agent, any Loan Trustee or any Affiliate of any thereof. The Certificates are limited in right of payment, all as more specifically set forth on the face hereof and in the Agreement. All payments or distributions made to Certificateholders under the Agreement shall be made only from the Trust Property and only to the extent that the Trustee shall have sufficient income or proceeds from the Trust Property to make such payments in accordance with the terms of the Agreement. Each Certificateholder of this Certificate, by its acceptance hereof, agrees that it will look solely to the income and proceeds from the Trust Property to the extent available for any payment or distribution to such Certificateholder pursuant to the terms of the Agreement and that it will not have any recourse to the Airlines, the Parent, the Trustee, the Loan Trustees or any Affiliate of any thereof except as otherwise expressly provided in the Agreement, in any Note Document or in the Intercreditor Agreement. This Certificate does not purport to summarize the Agreement and reference is made to the Agreement for information with respect to the interests, rights, benefits, obligations, proceeds and duties evidenced hereby. A copy of the Agreement may be examined during normal business hours at the principal office of the Trustee, and at such other places, if any, designated by the Trustee, by any Certificateholder upon request.

The Agreement permits, with certain exceptions therein provided, the amendment thereof, and the modification of the rights and obligations of either Airline, the Parent and the rights of the Certificateholders under the Agreement, at any time by the Parent, either Airline and the Trustee with the consent of the Certificateholders holding Certificates evidencing Fractional Undivided Interests aggregating not less than a majority in interest in the Trust. Any such consent by the Certificateholder of this Certificate shall be conclusive and binding on such Certificateholder and upon all future Certificateholders of this Certificate and of any Certificate issued upon the transfer hereof or in exchange hereof or in lieu hereof whether or not notation of such consent is made upon this Certificate. The Agreement also permits the amendment thereof, in certain limited circumstances, without the consent of the Certificateholders of any of the Certificates.

As provided in the Agreement and subject to certain limitations set forth therein, the transfer of this Certificate is registrable in the Register upon surrender of this Certificate for registration of transfer at the offices or agencies maintained by the Trustee in its capacity as Registrar, or by any successor Registrar, duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee and the Registrar, duly executed by the Certificateholder hereof or such Certificateholder's attorney duly authorized in writing, and thereupon one or more new Certificates of authorized denominations evidencing the same aggregate Fractional Undivided Interest in the Trust will be issued to the designated transferee or transferees.

The Certificates are issuable only as registered Certificates without coupons in minimum denominations of \$2,000 Fractional Undivided Interest (or such other denomination that is the lowest integral multiple of \$1,000 that is, at the time of issuance, equal to at least 1,000 euros) and integral multiples of \$1,000 in excess thereof except that one Certificate may be issued in a different denomination. As provided in the Agreement and subject to certain limitations therein set forth, the Certificates are exchangeable for new Certificates of authorized denominations evidencing the same aggregate Fractional Undivided Interest in the Trust, as requested by the Certificateholder surrendering the same.

Trust Supplement No. 2020-1B
Alaska Air Aircraft EETC

No service charge will be made for any such registration of transfer or exchange, but the Trustee shall require payment of a sum sufficient to cover any tax or governmental charge payable in connection therewith.

The Airlines, the Parent, the Trustee, the Registrar and any Paying Agent shall deem and treat the Person in whose name this Certificate is registered as the owner hereof for all purposes, and none of the Airlines, the Parent, the Trustee, the Registrar or any such agent shall be affected by any notice to the contrary.

Each Certificateholder and Person with a beneficial interest herein, by its acceptance of this Certificate or such interest, agrees to treat the Trust as a grantor trust for all U.S. federal, state and local income tax purposes.

The obligations and responsibilities created by the Agreement and the Trust created thereby shall terminate upon the distribution to Certificateholders of all amounts required to be distributed to them pursuant to the Agreement and the disposition of all property held as part of the Trust Property.

Any Person acquiring or accepting this Certificate or an interest herein will, by such acquisition or acceptance, be deemed to (a) represent and warrant to the Airlines, the Parent, the Loan Trustees and the Trustee that either: (i) no assets of a Plan or any trust established with respect to a Plan have been used to purchase or hold this Certificate or an interest herein or (ii) the purchase and holding of this Certificate or interest herein by such Person are exempt from the prohibited transaction restrictions of ERISA and the Code or provisions of Similar Law pursuant to one or more prohibited transaction statutory or administrative exemptions or similar exemptions under Similar Law; and (b) direct the Trustee to invest the assets held in the Trust pursuant to, and take all other actions contemplated by, the terms and conditions of the Agreement, the Intercreditor Agreement, each Participation Agreement and the Guarantees.

THIS CERTIFICATE AND THE AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

Unless the certificate of authentication hereon has been executed by the Trustee, by manual signature, this Certificate shall not be entitled to any benefit under the Agreement or be valid for any purpose.

(DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for [each issue of] the Securities, [each] in the aggregate principal amount of such issue, and will be deposited with DTC. [If, however, the aggregate principal amount of [any] issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal amount of such issue.]

2. DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

3. Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC’s records. The ownership interest of each actual purchaser of each Security (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

Alaska Air Aircraft EETC

4. To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

5. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. [Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.]

[6. Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.]

6. Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

7. Redemption proceeds, distributions, and dividend payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from Issuer or Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, Agent, or Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of Issuer or Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

[9. A Beneficial Owner shall give notice to elect to have its Securities purchased or tendered, through its Participant, to [Tender/Remarketing] Agent, and shall effect delivery of such Securities by causing the Direct Participant to transfer the Participant's interest in the Securities, on DTC's records, to [Tender/Remarketing] Agent. The requirement for physical delivery of Securities in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Securities are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Securities to [Tender/Remarketing] Agent's DTC account.]

8. DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to Issuer or Agent. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered.

9. Issuer may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered to DTC.

10. The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that Issuer believes to be reliable, but Issuer takes no responsibility for the accuracy thereof.

Accordingly, for and in consideration of the premises and of other good and valuable consideration, the Guarantor does hereby covenant and agree with the Beneficiaries from and after the execution of the Guaranteed Participation Agreements as follows:

ARTICLE I

Representations and Warranties of Guarantor

SECTION 1.1. Guarantor Representations and Warranties. The Guarantor does hereby represent and warrant that: it is a corporation duly incorporated and in good standing under the laws of the State of Delaware; it has the power to enter into and perform this Guarantee and to own its corporate property and assets; it has duly authorized the execution and delivery of this Guarantee by proper corporate action; and neither this Guarantee, nor the authorization, execution, delivery and performance hereof, nor the performance of the agreements herein contained nor the consummation of the transactions herein contemplated will violate in any material respect any provision of law, any order of any court or agency of government or any agreement, indenture or other instrument to which the Guarantor is a party or by which it or its property is bound, or in any material respect be in conflict with or result in a breach of or constitute a default under any indenture, agreement or other instrument or any provision of its certificate of incorporation, bylaws or any requirement of law. This Guarantee constitutes the legal, valid and binding obligation of the Guarantor enforceable against the Guarantor in accordance with its terms, except as the enforceability hereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general equitable principles.

ARTICLE II

Guarantee of Obligations

SECTION 2.1. Obligations Guaranteed. The Guarantor hereby unconditionally guarantees to each of the Beneficiaries, as their respective interests may appear, the full and prompt payment by the Company, when and as the same shall become due and payable, whether at the stated payment date thereof, by acceleration, or otherwise, of, and the faithful performance and compliance with, all payment obligations of the Companies under the Guaranteed Company Agreements, the Guaranteed Equipment Notes and the

Pass Through Trust Agreements owed to the Beneficiaries strictly in accordance with the terms thereof, however created, arising or evidenced, whether direct or indirect, primary or secondary, absolute or contingent, joint or several, and whether now or hereafter existing or due or to become due (such payment obligations, the “Guaranteed Obligations”); provided that in no event shall the “Guaranteed Obligations” include any obligation of the Companies with respect to, or determined with respect to, any Refinancing Equipment Notes, Refinancing Certificates, Additional Equipment Notes or Additional Certificates or any liquidity facility with respect to any Refinancing Certificates or Additional Certificates. If for any reason the Company shall fail punctually to pay any such Guaranteed Obligations, the Guarantor hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated payment date thereof, by acceleration, or otherwise. Any failure by the Guarantor to comply with its obligations in the immediately preceding sentence shall constitute an “Event of Default” under this Guarantee. All payments by the Guarantor hereunder shall be paid in lawful money of the United States of America.

SECTION 2.2. Obligations Unconditional. The obligations of the Guarantor under this Guarantee shall be absolute, unconditional and irrevocable and shall constitute a continuing and present guarantee of payment and not of collectability. Such obligations shall remain in full force and effect until the Guaranteed Obligations are finally, indefeasibly and unconditionally paid in full in accordance with the terms of the Guaranteed Company Agreements, the Guaranteed Equipment Notes and the Pass Through Trust Agreements, and, to the maximum extent permitted by applicable law, such obligations shall not be affected, modified, released or impaired by any state of facts or the happening from time to time of any event, including, without limitation, any of the following, whether or not with notice to, or the consent of, the Guarantor:

(a) the waiver, compromise, settlement, release or termination of any or all of the obligations, covenants or agreements of either Company contained in the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements, or of the payment, performance or observance thereof;

(b) the failure to give notice to the Guarantor of the occurrence of any default or an Event of Default under the terms and provisions of the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements;

(c) the assignment or purported assignment of any of the obligations, covenants and agreements contained in this Guarantee;

(d) the extension of the time for payment of any Obligation or of the time for performance of any obligations, covenants or agreements under or arising out of the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements or the extension or the renewal of any thereof;

(e) the modification or amendment (whether material or otherwise) of any obligation, covenant or agreement set forth in the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements, other than any such modification or amendment imposing any obligation with respect to, or determined with respect to, any Refinancing Equipment Notes, Refinancing Certificates, Additional Equipment Notes or Additional Certificates or any liquidity facility with respect to any Refinancing Certificates or Additional Certificates;

(f) the taking or the omission to take any of the actions referred to in this Guarantee or in the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements;

(g) any failure, omission or delay on the part of, or the inability of, the Beneficiaries for any reason to enforce, assert or exercise any right, power or remedy conferred on such Beneficiaries or any other Person in this Guarantee or in the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements;

(h) the voluntary or involuntary liquidation, dissolution, merger, consolidation, sale or other disposition of all or substantially all the assets, marshaling of assets and liabilities, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition with creditors or readjustment of, or other similar proceedings affecting any Company or any or all of its assets, or any allegation or contest of the validity of the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements or the disaffirmance of the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements in any such proceeding; it being specifically understood, consented and agreed to, to the maximum extent permitted by applicable law, that this Guarantee shall remain and continue in full force and effect and shall be enforceable against the Guarantor to the same extent and with the same force and effect as if such proceedings had not been instituted, and it is the intent and purpose of this Guarantee that the Guarantor shall and does hereby waive, to the maximum extent permitted by applicable law, all rights and benefits which might accrue to the Guarantor by reason of any such proceedings;

(i) any event or action that would, in the absence of this clause, result in the release or discharge by operation of law of the Guarantor from the performance or observance of any obligation, covenant or agreement contained in this Guarantee;

- (j) the default or failure of the Guarantor fully to perform any of its obligations set forth in this Guarantee;
- (k) the release, substitution or replacement of any security for the performance or observation of any of the Guaranteed Obligations;
- (l) any assignment, transfer, lease or other arrangement by which any Company transfers possession of or loses control of the use of any Aircraft;
- (m) the disposition by the Guarantor of any or all of its interest in any capital stock of either Company, or any change, restructuring or termination of the corporate structure, ownership, corporate existence or any rights or franchises of either Company; or
- (n) any other circumstances which might otherwise constitute a legal or equitable discharge or defense of a surety or a guarantor.

SECTION 2.3. No Waiver or Set-Off. The Guarantor agrees that, to the maximum extent permitted by law, (a) no act of commission or omission of any kind or at any time on the part of any Beneficiary, or its successors and assigns, in respect of any matter whatsoever shall in any way impair the rights of the Beneficiaries to enforce any right, power or benefit under this Guarantee, and (b) no set-off, counterclaim, reduction, or diminution of any obligation, or any defense of any kind or nature (other than performance), which the Guarantor or any Company has or may have against any Beneficiary or any assignee or successor thereof shall be available hereunder to the Guarantor.

SECTION 2.4. Waiver of Notice; Expenses. The Guarantor hereby expressly waives notice from the Beneficiaries of their acceptance and reliance on this Guarantee. The Guarantor further waives, to the maximum extent permitted by law, any right that it may have (a) to require the Beneficiaries to take action or otherwise proceed against either Company, (b) to require the Beneficiaries to proceed against or exhaust any security granted by either Company or (c) to require the Beneficiaries otherwise to enforce, assert or exercise any other right, power or remedy that may be available to the Beneficiaries. The Guarantor agrees to pay all costs, expenses and fees, including all reasonable attorneys' fees and expenses, that may be incurred by the Beneficiaries in enforcing or attempting to enforce this Guarantee or protecting the rights of the Beneficiaries following any default on the part of the Guarantor hereunder, whether the same shall be enforced by suit or otherwise.

SECTION 2.5. Subrogation of Guarantor; Subordination. Notwithstanding any payment or payments made by the Guarantor, the Guarantor agrees that it will not enforce, by reason of subrogation, contribution, indemnity or otherwise, any rights the Beneficiaries may have against either Company until all of the Guaranteed Obligations

shall have been finally, indefeasibly and unconditionally paid in full. Any claim of the Guarantor against either Company arising from payments made by the Guarantor by reason of this Guarantee shall be in all respects subordinated to the final, indefeasible, unconditional, full and complete payment or discharge of all of the Guaranteed Obligations.

SECTION 2.6. Reinstatement. This Guarantee shall continue to be effective, or be automatically reinstated, as the case may be, if at any time payment, or any part thereof, made by or on behalf of any Company or the Guarantor in respect of any of the Guaranteed Obligations is rescinded or must otherwise be restored or returned by the Beneficiaries for any reason whatsoever, whether upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Company, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for any Company or any substantial part of its properties, or otherwise, all as though such payment had not been made.

SECTION 2.7. Rights to Proceed Against the Guarantor. In the event of a default in any payment of any Obligation owed to any Beneficiaries, notwithstanding anything herein to the contrary, such Beneficiaries shall have the right to institute any proceeding, judicial or otherwise, to enforce their rights under this Guarantee without first instituting a legal proceeding against any Company or any other Person.

ARTICLE III

Covenants of the Guarantor

SECTION 3.1. Consolidation or Merger of the Guarantor. The Guarantor may merge or consolidate with or into any other Person or sell, convey, transfer or otherwise dispose of all or substantially all of its assets to any Person, if: (a) (i) in the case of a merger or consolidation, the Guarantor is the surviving Person or (ii) in the case of a merger or consolidation where the Guarantor is not the surviving Person and in the case of any such sale, conveyance, transfer or other disposition, the resulting, surviving or transferee Person is organized and existing under the laws of the United States or a State thereof and such Person expressly assumes by supplemental agreement all the obligations of the Guarantor under the Pass Through Trust Agreements and this Guarantee; and (b) the Guarantor shall have delivered to the Class A Pass Through Trustee, the Class B Pass Through Trustee and each Loan Trustee under the Guaranteed Indentures an Officer's Certificate, stating that such merger, consolidation, sale, conveyance, transfer or other disposition complies with this Section 3.1 and that all conditions precedent herein provided for relating to such transaction have been complied with. In the event of the assumption by a successor Person of the obligations of the Guarantor as provided in clause (a)(ii) of the immediately preceding sentence, such successor Person shall succeed to and be substituted for the Guarantor hereunder and under the Pass Through Trust Agreements, and all such obligations of the Guarantor shall terminate.

ARTICLE IV

Notices

SECTION 4.1. Notices. All notices required under the terms and conditions of this Guarantee shall be in writing and in English, and any such notice may be given by United States registered or certified mail, return receipt requested, overnight courier service or facsimile, and any such notice shall be effective when received (or, if delivered by facsimile, upon completion of transmission and confirmation by the sender (by a telephone call to a representative of the recipient or by machine confirmation) that such transmission was received), to the Guarantor addressed to it at Alaska Airlines, Inc., 19300 International Boulevard, Seattle, WA 98188, Attention: [***], Telephone: [***]. The Guarantor, by notice to the Beneficiaries, may designate additional or different addresses for subsequent notices or communications.

ARTICLE V

Miscellaneous

SECTION 5.1. Evidence of Compliance with Conditions Precedent. The Guarantor shall provide the Class A Pass Through Trustee and the Class B Pass Through Trustee with such evidence of compliance with such conditions precedent, if any, provided for in this Guarantee that relate to the matters set forth in Section 314(c) of the Trust Indenture Act. Any certificate or opinion required to be given by an officer pursuant to Section 314(c)(1) may be given in the form of an Officer's Certificate.

SECTION 5.2. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Beneficiaries is intended to be exclusive of any other available remedy or remedies, but, to the maximum extent permitted by law, each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Guarantee or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default, omission or failure of performance hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Beneficiaries to exercise any remedy reserved to them in this Guarantee, to the maximum extent permitted by applicable law, it shall not be necessary to give any notice. In the event any provision contained in this Guarantee should be breached, and thereafter duly waived, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. To the maximum extent permitted by applicable law, no waiver, amendment, release or modification of this Guarantee shall be established by conduct, custom or course of dealing, but solely by an instrument in writing duly executed by the parties to this Guarantee.

SECTION 5.3. Amendments; Entire Agreement; Counterparts; Successors and Assigns. Neither this Guarantee nor any of the terms hereof may be terminated, amended, supplemented, waived or modified orally, but only by an instrument in writing signed by the party against which the enforcement of the termination, amendment, supplement, waiver or modification is sought. This Guarantee constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof and may be executed simultaneously in several counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. To the maximum extent permitted by applicable law, this Guarantee shall be binding upon the successors and permitted assigns of the Guarantor and shall inure to the benefit of, and shall be enforceable by, each of the Beneficiaries and its respective successors and permitted assigns.

SECTION 5.4. No Implied Third Party Beneficiaries. This Guarantee shall not be deemed to create any right in any Person except a Beneficiary and shall not be construed in any respect to be a contract in whole or in part for the benefit of any other Person.

SECTION 5.5. Severability. To the maximum extent permitted by applicable law, any provision of this Guarantee which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 5.6. Governing Law. THIS GUARANTEE HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE. This Guarantee is subject to the Trust Indenture Act, and if any provision hereof limits, qualifies or conflicts with a provision of the Trust Indenture Act that is required by the Trust Indenture Act to be a part of and govern this Guarantee, the latter provision shall control. If any provision of this Guarantee modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the latter provision shall be deemed to apply to this Guarantee as so modified, or to be excluded, as the case may be, whether or not such provision of this Guarantee refers expressly to such provision of the Trust Indenture Act.

In order to finance the 19 Embraer ERJ-200LR aircraft owned by Horizon that are included in the Aircraft (the "Company Aircraft"), Horizon will issue the Series A Equipment Notes and Series B Equipment Notes (collectively, the "Company Equipment Notes") under each Indenture relating to a Company Aircraft (collectively, the "Company Indentures") and the related Participation Agreement (collectively, the "Company Participation Agreements"). Each of the Company Equipment Notes, if and only as long as it is held by the Subordination Agent and subject to the Intercreditor Agreement, shall hereinafter be referred to as a "Guaranteed Equipment Note", and collectively, as the "Guaranteed Equipment Notes". Each of the Company Indentures and Company

Participation Agreements under which Guaranteed Equipment Notes are issued and outstanding from time to time shall hereinafter be referred to as a "Guaranteed Company Agreement", and collectively, as the "Guaranteed Company Agreements".

It is a condition precedent to the obligations of the Beneficiaries to consummate the transactions contemplated by the Company Participation Agreements that the Guarantor execute and deliver this Guarantee.

Accordingly, for and in consideration of the premises and of other good and valuable consideration, the Guarantor does hereby covenant and agree with the Beneficiaries from and after the execution of the Company Participation Agreements as follows:

ARTICLE I

Representations and Warranties of Guarantor

SECTION 1.1. Guarantor Representations and Warranties. The Guarantor does hereby represent and warrant that: it is a corporation duly incorporated and in good standing under the laws of the State of Alaska; it has the power to enter into and perform this Guarantee and to own its corporate property and assets; it has duly authorized the execution and delivery of this Guarantee by proper corporate action; and neither this Guarantee, nor the authorization, execution, delivery and performance hereof, nor the performance of the agreements herein contained nor the consummation of the transactions herein contemplated will violate in any material respect any provision of law, any order of any court or agency of government or any agreement, indenture or other instrument to which the Guarantor is a party or by which it or its property is bound, or in any material respect be in conflict with or result in a breach of or constitute a default under any indenture, agreement or other instrument or any provision of its certificate of incorporation, bylaws or any requirement of law. This Guarantee constitutes the legal, valid and binding obligation of the Guarantor enforceable against the Guarantor in accordance with its terms, except as the enforceability hereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general equitable principles.

ARTICLE II

Guarantee of Obligations

SECTION 2.1. Obligations Guaranteed. The Guarantor hereby unconditionally guarantees to each of the Beneficiaries, as their respective interests may appear, the full and prompt payment by the Company, when and as the same shall become due and payable, whether at the stated payment date thereof, by acceleration, or otherwise, of, and the faithful performance and compliance with, all payment obligations of the Company

under the Guaranteed Company Agreements, the Guaranteed Equipment Notes and the Pass Through Trust Agreements owed to the Beneficiaries strictly in accordance with the terms thereof, however created, arising or evidenced, whether direct or indirect, primary or secondary, absolute or contingent, joint or several, and whether now or hereafter existing or due or to become due (such payment obligations, the "Guaranteed Obligations"); provided that in no event shall the "Guaranteed Obligations" include any obligation of the Company with respect to, or determined with respect to, any Refinancing Equipment Notes, Refinancing Certificates, Additional Equipment Notes or Additional Certificates or any liquidity facility with respect to any Refinancing Certificates or Additional Certificates. If for any reason the Company shall fail punctually to pay any such Guaranteed Obligations, the Guarantor hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated payment date thereof, by acceleration, or otherwise. Any failure by the Guarantor to comply with its obligations in the immediately preceding sentence shall constitute an "Event of Default" under this Guarantee. All payments by the Guarantor hereunder shall be paid in lawful money of the United States of America.

SECTION 2.2. Obligations Unconditional. The obligations of the Guarantor under this Guarantee shall be absolute, unconditional and irrevocable and shall constitute a continuing and present guarantee of payment and not of collectability. Such obligations shall remain in full force and effect until the Guaranteed Obligations are finally, indefeasibly and unconditionally paid in full in accordance with the terms of the Guaranteed Company Agreements, the Guaranteed Equipment Notes and the Pass Through Trust Agreements, and, to the maximum extent permitted by applicable law, such obligations shall not be affected, modified, released or impaired by any state of facts or the happening from time to time of any event, including, without limitation, any of the following, whether or not with notice to, or the consent of, the Guarantor:

- (a) the waiver, compromise, settlement, release or termination of any or all of the obligations, covenants or agreements of the Company contained in the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements, or of the payment, performance or observance thereof;
- (b) the failure to give notice to the Guarantor of the occurrence of any default or an Event of Default under the terms and provisions of the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements;
- (c) the assignment or purported assignment of any of the obligations, covenants and agreements contained in this Guarantee;
- (d) the extension of the time for payment of any Obligation or of the time for performance of any obligations, covenants or agreements under or arising

out of the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements or the extension or the renewal of any thereof;

(e) the modification or amendment (whether material or otherwise) of any obligation, covenant or agreement set forth in the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements, other than any such modification or amendment imposing any obligation with respect to, or determined with respect to, any Refinancing Equipment Notes, Refinancing Certificates, Additional Equipment Notes or Additional Certificates or any liquidity facility with respect to any Refinancing Certificates or Additional Certificates;

(f) the taking or the omission to take any of the actions referred to in this Guarantee or in the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements;

(g) any failure, omission or delay on the part of, or the inability of, the Beneficiaries for any reason to enforce, assert or exercise any right, power or remedy conferred on such Beneficiaries or any other Person in this Guarantee or in the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements;

(h) the voluntary or involuntary liquidation, dissolution, merger, consolidation, sale or other disposition of all or substantially all the assets, marshaling of assets and liabilities, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition with creditors or readjustment of, or other similar proceedings affecting the Company or any or all of its assets, or any allegation or contest of the validity of the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements or the disaffirmance of the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements in any such proceeding; it being specifically understood, consented and agreed to, to the maximum extent permitted by applicable law, that this Guarantee shall remain and continue in full force and effect and shall be enforceable against the Guarantor to the same extent and with the same force and effect as if such proceedings had not been instituted, and it is the intent and purpose of this Guarantee that the Guarantor shall and does hereby waive, to the maximum extent permitted by applicable law, all rights and benefits which might accrue to the Guarantor by reason of any such proceedings;

(i) any event or action that would, in the absence of this clause, result in the release or discharge by operation of law of the Guarantor from the performance or observance of any obligation, covenant or agreement contained in this Guarantee;

- (j) the default or failure of the Guarantor fully to perform any of its obligations set forth in this Guarantee;
- (k) the release, substitution or replacement of any security for the performance or observation of any of the Guaranteed Obligations;
- (l) any assignment, transfer, lease or other arrangement by which the Company transfers possession of or loses control of the use of any Company Aircraft; or
- (m) any other circumstances which might otherwise constitute a legal or equitable discharge or defense of a surety or a guarantor.

SECTION 2.3. No Waiver or Set-Off. The Guarantor agrees that, to the maximum extent permitted by law, (a) no act of commission or omission of any kind or at any time on the part of any Beneficiary, or its successors and assigns, in respect of any matter whatsoever shall in any way impair the rights of the Beneficiaries to enforce any right, power or benefit under this Guarantee, and (b) no set-off, counterclaim, reduction, or diminution of any obligation, or any defense of any kind or nature (other than performance), which the Guarantor or the Company has or may have against any Beneficiary or any assignee or successor thereof shall be available hereunder to the Guarantor.

SECTION 2.4. Waiver of Notice; Expenses. The Guarantor hereby expressly waives notice from the Beneficiaries of their acceptance and reliance on this Guarantee. The Guarantor further waives, to the maximum extent permitted by law, any right that it may have (a) to require the Beneficiaries to take action or otherwise proceed against the Company, (b) to require the Beneficiaries to proceed against or exhaust any security granted by the Company or (c) to require the Beneficiaries otherwise to enforce, assert or exercise any other right, power or remedy that may be available to the Beneficiaries. The Guarantor agrees to pay all costs, expenses and fees, including all reasonable attorneys' fees and expenses, that may be incurred by the Beneficiaries in enforcing or attempting to enforce this Guarantee or protecting the rights of the Beneficiaries following any default on the part of the Guarantor hereunder, whether the same shall be enforced by suit or otherwise.

SECTION 2.5. Subrogation of Guarantor; Subordination. Notwithstanding any payment or payments made by the Guarantor, the Guarantor agrees that it will not enforce, by reason of subrogation, contribution, indemnity or otherwise, any rights the Beneficiaries may have against the Company until all of the Guaranteed Obligations shall have been finally, indefeasibly and unconditionally paid in full. Any claim of the

Guarantor against the Company arising from payments made by the Guarantor by reason of this Guarantee shall be in all respects subordinated to the final, indefeasible, unconditional, full and complete payment or discharge of all of the Guaranteed Obligations.

SECTION 2.6. Reinstatement. This Guarantee shall continue to be effective, or be automatically reinstated, as the case may be, if at any time payment, or any part thereof, made by or on behalf of the Company or the Guarantor in respect of any of the Guaranteed Obligations is rescinded or must otherwise be restored or returned by the Beneficiaries for any reason whatsoever, whether upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Company, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for the Company or any substantial part of its properties, or otherwise, all as though such payment had not been made.

SECTION 2.7. Rights to Proceed Against the Guarantor. In the event of a default in any payment of any Obligation owed to any Beneficiaries, notwithstanding anything herein to the contrary, such Beneficiaries shall have the right to institute any proceeding, judicial or otherwise, to enforce their rights under this Guarantee without first instituting a legal proceeding against the Company or any other Person.

ARTICLE III

Covenants of the Guarantor

SECTION 3.1. Consolidation or Merger of the Guarantor. The Guarantor may merge or consolidate with or into any other Person or sell, convey, transfer or otherwise dispose of all or substantially all of its assets to any Person, if: (a) (i) in the case of a merger or consolidation, the Guarantor is the surviving Person or (ii) in the case of a merger or consolidation where the Guarantor is not the surviving Person and in the case of any such sale, conveyance, transfer or other disposition, the resulting, surviving or transferee Person is organized and existing under the laws of the United States or a State thereof and such Person expressly assumes by supplemental agreement all the obligations of the Guarantor under the Pass Through Trust Agreements and this Guarantee; and (b) the Guarantor shall have delivered to the Class A Pass Through Trustee, the Class B Pass Through Trustee and each Loan Trustee under the Company Indentures an Officer's Certificate, stating that such merger, consolidation, sale, conveyance, transfer or other disposition complies with this Section 3.1 and that all conditions precedent herein provided for relating to such transaction have been complied with. In the event of the assumption by a successor Person of the obligations of the Guarantor as provided in clause (a)(ii) of the immediately preceding sentence, such successor Person shall succeed to and be substituted for the Guarantor hereunder and under the Pass Through Trust Agreements, and all such obligations of the Guarantor shall terminate.

ARTICLE IV

Notices

SECTION 4.1. Notices. All notices required under the terms and conditions of this Guarantee shall be in writing and in English, and any such notice may be given by United States registered or certified mail, return receipt requested, overnight courier service or facsimile, and any such notice shall be effective when received (or, if delivered by facsimile, upon completion of transmission and confirmation by the sender (by a telephone call to a representative of the recipient or by machine confirmation) that such transmission was received), to the Guarantor addressed to it at Alaska Airlines, Inc., 19300 International Boulevard, Seattle, WA 98188, Attention: [***], Telephone: [***]. The Guarantor, by notice to the Beneficiaries, may designate additional or different addresses for subsequent notices or communications.

ARTICLE V

Miscellaneous

SECTION 5.1. Evidence of Compliance with Conditions Precedent. The Guarantor shall provide the Class A Pass Through Trustee and the Class B Pass Through Trustee with such evidence of compliance with such conditions precedent, if any, provided for in this Guarantee that relate to the matters set forth in Section 314(c) of the Trust Indenture Act. Any certificate or opinion required to be given by an officer pursuant to Section 314(c)(1) may be given in the form of an Officer's Certificate.

SECTION 5.2. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Beneficiaries is intended to be exclusive of any other available remedy or remedies, but, to the maximum extent permitted by law, each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Guarantee or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default, omission or failure of performance hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Beneficiaries to exercise any remedy reserved to them in this Guarantee, to the maximum extent permitted by applicable law, it shall not be necessary to give any notice. In the event any provision contained in this Guarantee should be breached, and thereafter duly waived, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. To the maximum extent permitted by applicable law, no waiver, amendment, release or modification of this Guarantee shall be established by conduct, custom or course of dealing, but solely by an instrument in writing duly executed by the parties to this Guarantee.

SECTION 5.3. Amendments; Entire Agreement; Counterparts; Successors and Assigns. Neither this Guarantee nor any of the terms hereof may be terminated, amended, supplemented, waived or modified orally, but only by an instrument in writing signed by the party against which the enforcement of the termination, amendment, supplement, waiver or modification is sought. This Guarantee constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof and may be executed simultaneously in several counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. To the maximum extent permitted by applicable law, this Guarantee shall be binding upon the successors and permitted assigns of the Guarantor and shall inure to the benefit of, and shall be enforceable by, each of the Beneficiaries and its respective successors and permitted assigns.

SECTION 5.4. No Implied Third Party Beneficiaries. This Guarantee shall not be deemed to create any right in any Person except a Beneficiary and shall not be construed in any respect to be a contract in whole or in part for the benefit of any other Person.

SECTION 5.5. Severability. To the maximum extent permitted by applicable law, any provision of this Guarantee which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 5.6. Governing Law. THIS GUARANTEE HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE. This Guarantee is subject to the Trust Indenture Act, and if any provision hereof limits, qualifies or conflicts with a provision of the Trust Indenture Act that is required by the Trust Indenture Act to be a part of and govern this Guarantee, the latter provision shall control. If any provision of this Guarantee modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the latter provision shall be deemed to apply to this Guarantee as so modified, or to be excluded, as the case may be, whether or not such provision of this Guarantee refers expressly to such provision of the Trust Indenture Act.

In order to finance the 26 Boeing 737-890 aircraft and 16 737-990ER aircraft owned by Alaska Airlines that are included in the Aircraft (the "Company Aircraft"), Alaska Airlines will issue the Series A Equipment Notes and Series B Equipment Notes (collectively, the "Company Equipment Notes") under each Indenture relating to a Company Aircraft (collectively, the "Company Indentures") and the related Participation Agreement (collectively, the "Company Participation Agreements"). Each of the Company Equipment Notes, if and only as long as it is held by the Subordination Agent and subject to the Intercreditor Agreement, shall hereinafter be referred to as a "Guaranteed Equipment Note", and collectively, as the "Guaranteed Equipment Notes".

It is a condition precedent to the obligations of the Beneficiaries to consummate the transactions contemplated by the Company Participation Agreements that the Guarantor execute and deliver this Guarantee.

Accordingly, for and in consideration of the premises and of other good and valuable consideration, the Guarantor does hereby covenant and agree with the Beneficiaries from and after the execution of the Company Participation Agreements as follows:

ARTICLE I

Representations and Warranties of Guarantor

SECTION 1.1. Guarantor Representations and Warranties. The Guarantor does hereby represent and warrant that: it is a corporation duly incorporated and in good standing under the laws of the State of Washington; it has the power to enter into and perform this Guarantee and to own its corporate property and assets; it has duly authorized the execution and delivery of this Guarantee by proper corporate action; and neither this Guarantee, nor the authorization, execution, delivery and performance hereof, nor the performance of the agreements herein contained nor the consummation of the transactions herein contemplated will violate in any material respect any provision of law, any order of any court or agency of government or any agreement, indenture or other instrument to which the Guarantor is a party or by which it or its property is bound, or in any material respect be in conflict with or result in a breach of or constitute a default under any indenture, agreement or other instrument or any provision of its certificate of incorporation, bylaws or any requirement of law. This Guarantee constitutes the legal, valid and binding obligation of the Guarantor enforceable against the Guarantor in accordance with its terms, except as the enforceability hereof may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting the rights of creditors generally and by general equitable principles.

ARTICLE II

Guarantee of Obligations

SECTION 2.1. Obligations Guaranteed. The Guarantor hereby unconditionally guarantees to each of the Beneficiaries, as their respective interests may appear, the full and prompt payment by the Company, when and as the same shall become due and payable, whether at the stated payment date thereof, by acceleration, or otherwise, of, and

the faithful performance and compliance with, all payment obligations of the Company under the Guaranteed Company Agreements, the Guaranteed Equipment Notes and the Pass Through Trust Agreements owed to the Beneficiaries strictly in accordance with the terms thereof, however created, arising or evidenced, whether direct or indirect, primary or secondary, absolute or contingent, joint or several, and whether now or hereafter existing or due or to become due (such payment obligations, the "Guaranteed Obligations"); provided that in no event shall the "Guaranteed Obligations" include any obligation of the Company with respect to, or determined with respect to, any Refinancing Equipment Notes, Refinancing Certificates, Additional Equipment Notes or Additional Certificates or any liquidity facility with respect to any Refinancing Certificates or Additional Certificates. If for any reason the Company shall fail punctually to pay any such Guaranteed Obligations, the Guarantor hereby agrees to cause any such payment to be made punctually when and as the same shall become due and payable, whether at the stated payment date thereof, by acceleration, or otherwise. Any failure by the Guarantor to comply with its obligations in the immediately preceding sentence shall constitute an "Event of Default" under this Guarantee. All payments by the Guarantor hereunder shall be paid in lawful money of the United States of America.

SECTION 2.2. Obligations Unconditional. The obligations of the Guarantor under this Guarantee shall be absolute, unconditional and irrevocable and shall constitute a continuing and present guarantee of payment and not of collectability. Such obligations shall remain in full force and effect until the Guaranteed Obligations are finally, indefeasibly and unconditionally paid in full in accordance with the terms of the Guaranteed Company Agreements, the Guaranteed Equipment Notes and the Pass Through Trust Agreements, and, to the maximum extent permitted by applicable law, such obligations shall not be affected, modified, released or impaired by any state of facts or the happening from time to time of any event, including, without limitation, any of the following, whether or not with notice to, or the consent of, the Guarantor:

- (a) the waiver, compromise, settlement, release or termination of any or all of the obligations, covenants or agreements of the Company contained in the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements, or of the payment, performance or observance thereof;
- (b) the failure to give notice to the Guarantor of the occurrence of any default or an Event of Default under the terms and provisions of the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements;
- (c) the assignment or purported assignment of any of the obligations, covenants and agreements contained in this Guarantee;

(d) the extension of the time for payment of any Obligation or of the time for performance of any obligations, covenants or agreements under or arising out of the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements or the extension or the renewal of any thereof;

(e) the modification or amendment (whether material or otherwise) of any obligation, covenant or agreement set forth in the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements, other than any such modification or amendment imposing any obligation with respect to, or determined with respect to, any Refinancing Equipment Notes, Refinancing Certificates, Additional Equipment Notes or Additional Certificates or any liquidity facility with respect to any Refinancing Certificates or Additional Certificates;

(f) the taking or the omission to take any of the actions referred to in this Guarantee or in the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements;

(g) any failure, omission or delay on the part of, or the inability of, the Beneficiaries for any reason to enforce, assert or exercise any right, power or remedy conferred on such Beneficiaries or any other Person in this Guarantee or in the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements;

(h) the voluntary or involuntary liquidation, dissolution, merger, consolidation, sale or other disposition of all or substantially all the assets, marshaling of assets and liabilities, receivership, insolvency, bankruptcy, assignment for the benefit of creditors, reorganization, arrangement, composition with creditors or readjustment of, or other similar proceedings affecting the Company or any or all of its assets, or any allegation or contest of the validity of the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements or the disaffirmance of the Guaranteed Company Agreements, the Guaranteed Equipment Notes or the Pass Through Trust Agreements in any such proceeding; it being specifically understood, consented and agreed to, to the maximum extent permitted by applicable law, that this Guarantee shall remain and continue in full force and effect and shall be enforceable against the Guarantor to the same extent and with the same force and effect as if such proceedings had not been instituted, and it is the intent and purpose of this Guarantee that the Guarantor shall and does hereby waive, to the maximum extent permitted by applicable law, all rights and benefits which might accrue to the Guarantor by reason of any such proceedings;

- (i) any event or action that would, in the absence of this clause, result in the release or discharge by operation of law of the Guarantor from the performance or observance of any obligation, covenant or agreement contained in this Guarantee;
- (j) the default or failure of the Guarantor fully to perform any of its obligations set forth in this Guarantee;
- (k) the release, substitution or replacement of any security for the performance or observation of any of the Guaranteed Obligations;
- (l) any assignment, transfer, lease or other arrangement by which the Company transfers possession of or loses control of the use of any Company Aircraft; or
- (m) any other circumstances which might otherwise constitute a legal or equitable discharge or defense of a surety or a guarantor.

SECTION 2.3. No Waiver or Set-Off. The Guarantor agrees that, to the maximum extent permitted by law, (a) no act of commission or omission of any kind or at any time on the part of any Beneficiary, or its successors and assigns, in respect of any matter whatsoever shall in any way impair the rights of the Beneficiaries to enforce any right, power or benefit under this Guarantee, and (b) no set-off, counterclaim, reduction, or diminution of any obligation, or any defense of any kind or nature (other than performance), which the Guarantor or the Company has or may have against any Beneficiary or any assignee or successor thereof shall be available hereunder to the Guarantor.

SECTION 2.4. Waiver of Notice; Expenses. The Guarantor hereby expressly waives notice from the Beneficiaries of their acceptance and reliance on this Guarantee. The Guarantor further waives, to the maximum extent permitted by law, any right that it may have (a) to require the Beneficiaries to take action or otherwise proceed against the Company, (b) to require the Beneficiaries to proceed against or exhaust any security granted by the Company or (c) to require the Beneficiaries otherwise to enforce, assert or exercise any other right, power or remedy that may be available to the Beneficiaries. The Guarantor agrees to pay all costs, expenses and fees, including all reasonable attorneys' fees and expenses, that may be incurred by the Beneficiaries in enforcing or attempting to enforce this Guarantee or protecting the rights of the Beneficiaries following any default on the part of the Guarantor hereunder, whether the same shall be enforced by suit or otherwise.

SECTION 2.5. Subrogation of Guarantor; Subordination. Notwithstanding any payment or payments made by the Guarantor, the Guarantor agrees that it will not enforce, by reason of subrogation, contribution, indemnity or otherwise, any rights the

Beneficiaries may have against the Company until all of the Guaranteed Obligations shall have been finally, indefeasibly and unconditionally paid in full. Any claim of the Guarantor against the Company arising from payments made by the Guarantor by reason of this Guarantee shall be in all respects subordinated to the final, indefeasible, unconditional, full and complete payment or discharge of all of the Guaranteed Obligations.

SECTION 2.6. Reinstatement. This Guarantee shall continue to be effective, or be automatically reinstated, as the case may be, if at any time payment, or any part thereof, made by or on behalf of the Company or the Guarantor in respect of any of the Guaranteed Obligations is rescinded or must otherwise be restored or returned by the Beneficiaries for any reason whatsoever, whether upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Company, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for the Company or any substantial part of its properties, or otherwise, all as though such payment had not been made.

SECTION 2.7. Rights to Proceed Against the Guarantor. In the event of a default in any payment of any Obligation owed to any Beneficiaries, notwithstanding anything herein to the contrary, such Beneficiaries shall have the right to institute any proceeding, judicial or otherwise, to enforce their rights under this Guarantee without first instituting a legal proceeding against the Company or any other Person.

ARTICLE III

Covenants of the Guarantor

SECTION 3.1. Consolidation or Merger of the Guarantor. The Guarantor may merge or consolidate with or into any other Person or sell, convey, transfer or otherwise dispose of all or substantially all of its assets to any Person, if: (a) (i) in the case of a merger or consolidation, the Guarantor is the surviving Person or (ii) in the case of a merger or consolidation where the Guarantor is not the surviving Person and in the case of any such sale, conveyance, transfer or other disposition, the resulting, surviving or transferee Person is organized and existing under the laws of the United States or a State thereof and such Person expressly assumes by supplemental agreement all the obligations of the Guarantor under the Pass Through Trust Agreements and this Guarantee; and (b) the Guarantor shall have delivered to the Class A Pass Through Trustee, the Class B Pass Through Trustee and each Loan Trustee under the Company Indentures an Officer's Certificate, stating that such merger, consolidation, sale, conveyance, transfer or other disposition complies with this Section 3.1 and that all conditions precedent herein provided for relating to such transaction have been complied with. In the event of the assumption by a successor Person of the obligations of the Guarantor as provided in clause (a)(ii) of the immediately preceding sentence, such successor Person shall succeed to and be substituted for the Guarantor hereunder and under the Pass Through Trust Agreements, and all such obligations of the Guarantor shall terminate.

ARTICLE IV

Notices

SECTION 4.1. Notices. All notices required under the terms and conditions of this Guarantee shall be in writing and in English, and any such notice may be given by United States registered or certified mail, return receipt requested, overnight courier service or facsimile, and any such notice shall be effective when received (or, if delivered by facsimile, upon completion of transmission and confirmation by the sender (by a telephone call to a representative of the recipient or by machine confirmation) that such transmission was received), to the Guarantor addressed to it at Horizon Air Industries, Inc., 19300 International Boulevard, Seattle, WA 98188, Attention: [***], Telephone: [***]. The Guarantor, by notice to the Beneficiaries, may designate additional or different addresses for subsequent notices or communications.

ARTICLE V

Miscellaneous

SECTION 5.1. Evidence of Compliance with Conditions Precedent. The Guarantor shall provide the Class A Pass Through Trustee and the Class B Pass Through Trustee with such evidence of compliance with such conditions precedent, if any, provided for in this Guarantee that relate to the matters set forth in Section 314(c) of the Trust Indenture Act. Any certificate or opinion required to be given by an officer pursuant to Section 314(c)(1) may be given in the form of an Officer's Certificate.

SECTION 5.2. Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Beneficiaries is intended to be exclusive of any other available remedy or remedies, but, to the maximum extent permitted by law, each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Guarantee or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default, omission or failure of performance hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Beneficiaries to exercise any remedy reserved to them in this Guarantee, to the maximum extent permitted by applicable law, it shall not be necessary to give any notice. In the event any provision contained in this Guarantee should be breached, and thereafter duly waived, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. To the maximum extent permitted by applicable law, no waiver, amendment, release or modification of this Guarantee shall be established by conduct, custom or course of dealing, but solely by an instrument in writing duly executed by the parties to this Guarantee.

SECTION 5.3. Amendments; Entire Agreement; Counterparts; Successors and Assigns. Neither this Guarantee nor any of the terms hereof may be terminated, amended, supplemented, waived or modified orally, but only by an instrument in writing signed by the party against which the enforcement of the termination, amendment, supplement, waiver or modification is sought. This Guarantee constitutes the entire agreement, and supersedes all prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof and may be executed simultaneously in several counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. To the maximum extent permitted by applicable law, this Guarantee shall be binding upon the successors and permitted assigns of the Guarantor and shall inure to the benefit of, and shall be enforceable by, each of the Beneficiaries and its respective successors and permitted assigns.

SECTION 5.4. No Implied Third Party Beneficiaries. This Guarantee shall not be deemed to create any right in any Person except a Beneficiary and shall not be construed in any respect to be a contract in whole or in part for the benefit of any other Person.

SECTION 5.5. Severability. To the maximum extent permitted by applicable law, any provision of this Guarantee which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

SECTION 5.6. Governing Law. THIS GUARANTEE HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE. This Guarantee is subject to the Trust Indenture Act, and if any provision hereof limits, qualifies or conflicts with a provision of the Trust Indenture Act that is required by the Trust Indenture Act to be a part of and govern this Guarantee, the latter provision shall control. If any provision of this Guarantee modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the latter provision shall be deemed to apply to this Guarantee as so modified, or to be excluded, as the case may be, whether or not such provision of this Guarantee refers expressly to such provision of the Trust Indenture Act.

TRUST ACCOUNTS; CONTROLLING PARTY

Section 2.01 Agreement to Terms of Subordination; Payments from Monies Received Only. (a) Each Trustee hereby (i) acknowledges and agrees to the terms of subordination and distribution set forth in this Agreement in respect of each Class of Certificates and (ii) agrees to enforce such provisions and cause all payments in respect of the Equipment Notes held by the Subordination Agent and the Liquidity Facilities to be applied in accordance with the terms of this Agreement. In addition, each Trustee hereby agrees to cause the Equipment Notes purchased by the related Trust to be registered in the name of the

Intercreditor Agreement (2020-1)

Subordination Agent or its nominee, as agent and trustee for such Trustee, to be held in trust by the Subordination Agent solely for the purpose of facilitating the enforcement of the subordination and other provisions of this Agreement.

(a) Except as otherwise expressly provided in the next succeeding sentence of this Section 2.01(b), all payments to be made by the Subordination Agent hereunder shall be made only from amounts received by it that constitute Scheduled Payments, Special Payments and other payments under the Operative Agreements, including payments under Section 4.02 of the Participation Agreements and Section 2.14 of the Indentures, and only to the extent that the Subordination Agent shall have received sufficient income or proceeds therefrom to enable it to make such payments in accordance with the terms hereof. Each Trustee and the Subordination Agent hereby agrees, and each Certificateholder, by its acceptance of a Certificate, and each Liquidity Provider, by entering into the Liquidity Facility to which it is a party, has agreed to look solely to such amounts to the extent available for distribution to it as provided in this Agreement or the applicable Trust Agreement, as the case may be, and that none of the Trustees, the Loan Trustees or the Subordination Agent is personally liable to any of them for any amounts payable or any liability arising under this Agreement, any Trust Agreement, any Liquidity Facility or such Certificate, except (in the case of the Subordination Agent) as expressly provided herein or (in the case of the Trustees) as expressly provided herein and in each Trust Agreement or (in the case of the Loan Trustees) as expressly provided in any Operative Agreement.

(b) Notwithstanding anything to the contrary in this Agreement and in the other Operative Agreements, the Certificates do not represent indebtedness of the related Trust, and references in this Agreement and the Operative Agreements to accrued interest or principal amounts payable on the Certificates of any Class are included only for computational purposes. For purposes of such computations, the Certificates of any Class shall be deemed to be comprised of interest and principal components, with the principal component deemed to be the Pool Balance, and the interest component deemed to equal interest accruing at the Stated Interest Rate for such Class of Certificates from the later of (1) the date of the issuance thereof and (2) the most recent but preceding Distribution Date to which such interest was distributed to, but excluding, the applicable date of determination, such interest to be considered payable in arrears and to be calculated on the basis of a 360-day year comprised of twelve 30-day months.

(New York City time) on any Business Day may be made on the next succeeding Business Day.

(e) In the event the Subordination Agent shall not receive from any Person any information set forth in paragraph (a) above which is required to enable the Subordination Agent to make a distribution to such Person pursuant to Section 3.02 hereof, the Subordination Agent shall request such information and, failing to receive any such information, the Subordination Agent shall not make such distribution(s) to such Person. In such event, the Subordination Agent shall make distributions pursuant to clauses “first” through “eleventh” of Section 3.02 to the extent it shall have sufficient information to enable it to make such distributions, and shall continue to hold any funds remaining on the terms hereof, including Section 2.02(b), after making such distributions, until the Subordination Agent shall receive all necessary information to enable it to distribute any funds so withheld, and upon receipt of the information necessary to distribute any funds so withheld, the Subordination Agent shall distribute such funds.

(f) On such dates (but not more frequently than monthly) as any Liquidity Provider or any Trustee shall request, but in any event automatically at the end of each calendar quarter, the Subordination Agent shall send to such party a written statement reflecting all amounts on deposit with the Subordination Agent pursuant to Section 3.01(e).

Intercreditor Agreement (2020-1)

The notices required under Section 3.01(a) may be in the form of a schedule or similar document provided to the Subordination Agent by the parties referenced therein or by any one of them, which schedule or similar document may state that, unless there has been a prepayment of the Equipment Notes, such schedule or similar document is to remain in effect until any substitute notice or amendment shall be given to the Subordination Agent by the party providing such notice.

Except as otherwise provided in Sections 2.04, 3.01(e), 3.03, 3.05(b) and 3.05(l), amounts on deposit in the Collection Account (including amounts on deposit in the Special Payments Account) shall be promptly distributed on each Regular Distribution Date (or, in the case of any amount described in Sections 2.04(a) or 2.04(b), on the Special Distribution Date thereof) in the following order of priority and in accordance with the information provided to the Subordination Agent pursuant to Section 3.01(a):

first, such amount as shall be required to reimburse (i) the Subordination Agent for any reasonable out-of-pocket costs and expenses actually incurred by it (to the extent not previously reimbursed) or reasonably expected to be incurred by it for the period ending on the next succeeding Regular Distribution Date (which shall not exceed \$150,000 unless approved in writing by the Controlling Party and accompanied by evidence that such costs are actually expected to be incurred) in the protection of, or the realization of the value of, the Equipment Notes or any Collateral, shall be applied by the Subordination Agent in reimbursement of such costs and expenses, (ii) any Trustee for any amounts of the nature described in clause (i) above actually incurred by it under the applicable Trust Agreement (to the extent not previously reimbursed), shall be distributed to such Trustee, (iii) any Liquidity Provider for any amounts of the nature described in clause (i) above actually incurred by it (to the extent not previously reimbursed), shall be distributed to such Liquidity Provider, and (iv) any Liquidity Provider or any Certificateholder for payments, if any, made by it to the Subordination Agent or any Trustee in respect of amounts described in clause (i) above actually incurred by it (to the extent not previously reimbursed) (collectively, the "Administration Expenses"), shall be distributed to such Liquidity Provider or the applicable Trustee for the account of such Certificateholder, in each such case, pro rata on the basis of all amounts described in clauses (i) through (iv) above;

second, such amount as shall be required to pay all accrued and unpaid Liquidity Expenses owed to each Liquidity Provider (other than amounts distributed pursuant to clause "first" of this Section 3.02) shall be distributed to the Liquidity Providers pro rata on the basis of the amount of Liquidity Expenses owed to each Liquidity Provider;

Intercreditor Agreement (2020-1)

fourth, such amount as shall be required (A) if any Cash Collateral Account had been previously funded as provided in Section 3.05(f), unless (i) on such Distribution Date a Performing Note Deficiency exists and a Liquidity Event of Default shall have occurred and be continuing with respect to the relevant Liquidity Facility or (ii) a Final Drawing shall have occurred with respect to such Liquidity Facility or an Interest Drawing for such Liquidity Facility shall have been converted into a Final Drawing, to fund such Cash Collateral Account up to its Required Amount shall be deposited in such Cash Collateral Account, (B) if any Liquidity Facility shall become a Downgraded Facility or a Non-Extended Facility at a time when unreimbursed Interest Drawings under such Liquidity Facility have reduced the Available Amount thereunder to zero, unless (i) on such Distribution Date a Performing Note Deficiency exists and a Liquidity Event of Default shall have occurred and be continuing with respect to the relevant Liquidity Facility or (ii) a Final Drawing shall have occurred with respect to such Liquidity Facility or an Interest Drawing for such Liquidity Facility shall have been converted into a Final Drawing, to fund such Cash Collateral Account up to its Required Amount shall be deposited in the related Cash Collateral Account, and (C) if, with respect to any particular Liquidity Facility neither subclause (A) nor subclause (B) of this clause “fourth” is applicable, to pay or reimburse the Liquidity Provider in respect of such Liquidity Facility in an amount equal to the outstanding amount of all Liquidity Obligations then due under such Liquidity Facility (other than amounts distributed pursuant to clauses “first”, “second” or “third” of this Section 3.02), pro rata on the basis of the amounts of all such fundings and/or unreimbursed Liquidity Obligations payable to each Liquidity Provider;

fifth, if, with respect to any particular Liquidity Facility, any amounts are to be distributed pursuant to either subclause (A) or (B) of clause “fourth” above, then the Liquidity Provider with respect to such Liquidity Facility shall be paid the excess of (x) the aggregate outstanding amount of unreimbursed Advances (whether or not then due) under such Liquidity Facility over (y) the Required Amount for the relevant Cash Collateral Account without duplication of any amounts distributed pursuant to clauses “first”, “second”, “third”, and “fourth” of this Section 3.02, pro rata on the basis of such amounts in respect of such Liquidity Provider;

sixth, such amount as shall be required to reimburse or pay (i) the Subordination Agent for any Tax (other than Taxes imposed on compensation paid hereunder), expense, fee, charge or other loss incurred by, or any other amount payable to, the Subordination Agent in connection with the transactions contemplated hereby (to the extent not previously reimbursed), shall be applied by the Subordination Agent in reimbursement of such amount, (ii) each Trustee for any Tax (other than Taxes imposed on compensation paid under the applicable Trust Agreement), expense, fee, charge or other loss incurred by, or any other amount payable to, such Trustee under the applicable Trust Agreements (to the extent not previously reimbursed), shall be distributed to such Trustee, and

Intercreditor Agreement (2020-1)

(iii) each Certificateholder for payments, if any, made by it pursuant to Section 5.02 hereof in respect of amounts described in clause (i) above (without duplication of any amounts distributed pursuant to subclause (iv) of clause “first” of this Section 3.02) shall be distributed to the applicable Trustee for the account of such Certificateholder, in each such case, pro rata, without duplication, on the basis of all amounts described in clauses (i) through (iii) above;

seventh, such amount as shall be required to pay in full accrued and unpaid interest at the Stated Interest Rate on the Pool Balance of the Class A Certificates shall be distributed to the Class A Trustee;

eighth, such amount as shall be required to pay unpaid Class B Adjusted Interest to the holders of the Class B Certificates shall be distributed to the Class B Trustee;

ninth, such amount as shall be required to pay in full Expected Distributions to the holders of the Class A Certificates on such Distribution Date shall be distributed to the Class A Trustee;

tenth, such amount as shall be required to pay in full accrued and unpaid interest at the Stated Interest Rate on the Pool Balance of the Class B Certificates which was not previously paid pursuant to clause “eighth” above to the holders of the Class B Certificates shall be distributed to the Class B Trustee;

eleventh, such amount as shall be required to pay in full Expected Distributions to the holders of the Class B Certificates on such Distribution Date shall be distributed to the Class B Trustee; and

twelfth, the balance, if any, of any such amount remaining thereafter shall be held in the Collection Account for later distribution in accordance with this Article III.

With respect to clauses “first” and “sixth” above, no amounts shall be reimbursable to the Subordination Agent, any Trustee, any Liquidity Provider or any Certificateholder for any payments made by any such Person in connection with any Equipment Note that is no longer held by the Subordination Agent (to the extent that such payments relate to periods after such Equipment Note ceases to be held by the Subordination Agent).

Section 3.03 Other Payments. (a) Any payments received by the Subordination Agent for which no provision as to the application thereof is made in this Agreement shall be distributed by the Subordination Agent (i) in the order of priority specified in Section 3.02 hereof and (ii) to the extent received or realized at any time after the Final Distributions for each Class of Certificates have been made, in the manner provided in clause “first” of Section 3.02 hereof.

(a) Notwithstanding the priority of payments specified in Section 3.02, in the event any Investment Earnings on amounts on deposit in any Cash Collateral Account resulting from an Unapplied Provider Advance or an Unapplied Special Termination Advance are deposited in the Collection Account or the Special Payments Account, such Investment Earnings

Intercreditor Agreement (2020-1)

shall be used to pay interest payable in respect of such Unapplied Provider Advance or such Unapplied Special Termination Advance, as the case may be, to the extent of such Investment Earnings.

(b) If the Subordination Agent receives any Scheduled Payment after the Scheduled Payment Date relating thereto, but prior to such payment becoming an Overdue Scheduled Payment, then the Subordination Agent shall deposit such Scheduled Payment in the Collection Account and promptly distribute such Scheduled Payment in accordance with the priority of distributions set forth in Section 3.02; provided that, for the purposes of this Section 3.03(c) only, each reference in clauses “ninth” and “eleventh” of Section 3.02 to “Distribution Date” shall be deemed to refer to such Scheduled Payment Date.

Section 3.04 Payments to the Trustees and the Liquidity Providers. Any amounts distributed hereunder to any Liquidity Provider shall be paid by wire transfer of funds to the account that such Liquidity Provider shall provide to the Subordination Agent. The Subordination Agent shall provide a Written Notice of any such transfer to the applicable Liquidity Provider at the time of such transfer. Any amounts distributed hereunder by the Subordination Agent to any Trustee that is not the same institution as the Subordination Agent shall be paid to such Trustee by wire transfer of funds at the account such Trustee shall provide to the Subordination Agent.

Section 3.05 Liquidity Facilities. (a) Interest Drawings. If on any Distribution Date, after giving effect to the subordination provisions of this Agreement, the Subordination Agent shall not have sufficient funds for the payment of any amounts due and owing in respect of accrued interest on the Class A Certificates or the Class B Certificates (at the Stated Interest Rate for such Class of Certificates), then, prior to 12:30 P.M. (New York City time) on such Distribution Date, (i) the Subordination Agent shall request a drawing (each such drawing, an “Interest Drawing”) under the Liquidity Facility with respect to such Class of Certificates in an amount equal to the lesser of (x) an amount sufficient to pay the amount of such accrued interest shortfall (at the applicable Stated Interest Rate for such Class of Certificates) and (y) the Available Amount under such Liquidity Facility, and (ii) the Subordination Agent shall upon receipt of such amount pay such amount to the Trustee with respect to each such Class of Certificates in payment of such accrued interest shortfall.

(a) Application of Interest Drawings. Notwithstanding anything to the contrary contained in this Agreement, (i) all payments received by the Subordination Agent in respect of an Interest Drawing under the Class A Liquidity Facility and all amounts withdrawn by the Subordination Agent from the Class A Cash Collateral Account, and payable in each case to the Class A Certificateholders or the Class A Trustee, shall be promptly distributed to the Class A Trustee and (ii) all payments received by the Subordination Agent in respect of an Interest Drawing under the Class B Liquidity Facility and all amounts withdrawn by the Subordination Agent from the Class B Cash Collateral Account, and payable in each case to the Class B Certificateholders or the Class B Trustee, shall be promptly distributed to the Class B Trustee.

Intercreditor Agreement (2020-1)

(b) Downgrade Drawings. (i) Each Liquidity Provider will promptly, but in any event within 10 days of the occurrence of a Downgrade Event with respect to it (the date of such occurrence, the “Downgrade Date”), deliver notice to the Subordination Agent and the Airlines of the occurrence of such Downgrade Event and the Downgrade Date therefor. After the occurrence of a Downgrade Event with respect to any Liquidity Provider, each Liquidity Facility provided by such Liquidity Provider shall become a “Downgraded Facility” on the 35th day after the related Downgrade Date, unless, not later than such 35th day (or, if earlier, the expiration date of such Downgraded Facility), the Rating Agency whose downgrading of such Liquidity Provider resulted in such Downgrade Event shall have provided a written confirmation to the effect that the occurrence of such Downgrade Event will not result in the downgrading, withdrawal or suspension of the ratings then issued by such Rating Agency of the related Class of Certificates. Notwithstanding the foregoing, if at any time after the occurrence of such Downgrade Event, such Liquidity Provider notifies the Subordination Agent in writing that no such confirmation will be provided by such Rating Agency, each Liquidity Facility provided by such Liquidity Provider shall become a Downgraded Facility as of the date of such notice to the Subordination Agent.

(ii) If at any time any Liquidity Facility becomes a Downgraded Facility, not later than the 35th day after the related Downgrade Date (or, if earlier, the expiration date of such Downgraded Facility), the Liquidity Provider under such Downgraded Facility (at its own expense, except as provided in the applicable Fee Letter) or the Airlines (at their own expense, except as provided in the applicable Fee Letter) may arrange for a Replacement Liquidity Provider to issue and deliver a Replacement Liquidity Facility to the Subordination Agent in accordance with Section 3.05(e).

(iii) If a Downgraded Facility has not been replaced by a Replacement Liquidity Facility in accordance with Section 3.05(c)(ii), the Subordination Agent shall, on the 35th day referred to in Section 3.05(c)(ii) (or if such 35th day is not a Business Day, on the next succeeding Business Day) (or, if earlier, the expiration date of such Downgraded Facility), request a drawing in accordance with and to the extent permitted by such Downgraded Facility (such drawing, a “Downgrade Drawing”) of the Available Amount thereunder. Amounts drawn pursuant to a Downgrade Drawing shall be maintained and invested as provided in Section 3.05(f) hereof. Subject to Section 3.05(e)(iii), the applicable Liquidity Provider may also arrange for a Replacement Liquidity Provider to issue and deliver a Replacement Liquidity Facility at any time after such Downgrade Drawing so long as such Downgrade Drawing has not been reimbursed in full to such Liquidity Provider.

(iv) For the avoidance of doubt, the provisions of this Section 3.05(c) shall apply to each occurrence of a Downgrade Event with respect to a Liquidity Provider, regardless of whether or not one or more Downgrade Events have occurred prior thereto and whether or not any confirmation by a Rating Agency specified in Section 3.05(c)(i) has been obtained with respect to any prior occurrence of a Downgrade Event.

(v) If, at any time after making a Downgrade Drawing, the applicable Liquidity Provider satisfies the Threshold Rating and delivers written notice to such effect to the Subordination Agent and the Airlines, as of the second Business Day following receipt of such

Intercreditor Agreement (2020-1)

notice, (A) such Downgraded Facility shall cease to be a Downgraded Facility, (B) the Subordination Agent shall withdraw the unapplied amount of such Downgrade Drawing on deposit in the applicable Cash Collateral Account and reimburse such amount to such Liquidity Provider, (C) any applied amount of such Downgrade Drawing shall be deemed to have been converted to an Interest Drawing as of such date in accordance with the applicable Liquidity Facility, (D) the obligations of such Liquidity Provider shall be reinstated in accordance with the applicable Liquidity Facility, and (E) the proviso in the definition of Available Amount shall no longer apply to such Downgrade Drawing.

(c) Non-Extension Drawings. If any Liquidity Facility with respect to any Class of Certificates is scheduled to expire on a date (the "Stated Expiration Date") prior to the date that is 15 days after the Final Legal Distribution Date for such Class of Certificates, then the following provisions shall apply:

(i) In the case of either initial Liquidity Facility or any other Liquidity Facility having extension provisions identical to those set forth in Section 2.10 of either initial Liquidity Facility, then, if before the 60th day prior to any anniversary date of the Closing Date (such 60th day, the "Notice Date"), the Liquidity Provider shall have advised the Subordination Agent and the Airlines that such Liquidity Facility shall not be extended beyond the immediately following anniversary date of the Closing Date and on or before the 25th day prior to such anniversary date such Liquidity Facility shall not have been replaced in accordance with Section 3.05(e), the Subordination Agent shall, on such 25th day (or as soon thereafter as possible but prior to the date of expiration of the expiring Liquidity Facility (a "Non-Extended Facility")), in accordance with the terms of such Non-Extended Facility, request a drawing under such Non-Extended Facility (such drawing, a "Non-Extension Drawing") of the Available Amount thereunder.

(ii) In the case of any other Liquidity Facility, no earlier than the 60th day and no later than the 40th day prior to the then applicable Stated Expiration Date, the Subordination Agent shall request in writing that such Liquidity Provider extend the Stated Expiration Date to the earlier of (i) the date that is 15 days after the Final Legal Distribution Date for such Class of Certificates and (ii) the date that is the day immediately preceding the 364th day after the last day of the Consent Period (unless the obligations of such Liquidity Provider thereunder are earlier terminated in accordance with such Liquidity Facility). Whether or not the applicable Liquidity Provider has received a request from the Subordination Agent, such Liquidity Provider shall by notice (the "Consent Notice") to the Subordination Agent, during the period commencing on the date that is 60 days prior to the then effective Stated Expiration Date (or if earlier, the date of such Liquidity Provider's receipt of such request, if any, from the Subordination Agent) and ending on the date that is 25 days prior to such Stated Expiration Date (the "Consent Period") advise the Subordination Agent whether, in its sole discretion, it agrees to so extend the Stated Expiration Date; provided, that such extension shall not be effective with respect to such Liquidity Provider if, by notice (the "Withdrawal Notice") to the Subordination Agent prior to the end of the Consent Period, such Liquidity Provider revokes its Consent Notice. If a Liquidity Provider advises the Subordination

Intercreditor Agreement (2020-1)

Agent on or before the end of the Consent Period that such Stated Expiration Date shall not be so extended or fails to irrevocably and unconditionally advise the Subordination Agent on or before the end of the Consent Period that such Stated Expiration Date shall be so extended or gives a Withdrawal Notice to the Subordination Agent prior to the end of the Consent Period (and, in each case, if such Liquidity Provider shall not have been replaced in accordance with Section 3.05(e)), the Subordination Agent shall, on the date on which the Consent Period ends (or as soon as possible thereafter but prior to the Stated Expiration Date), in accordance with and to the extent permitted by the terms of the Non-Extended Facility, request a Non-Extension Drawing under such Non-Extended Facility of the Available Amount thereunder.

(iii) Amounts drawn pursuant to a Non-Extension Drawing shall be maintained and invested in accordance with Section 3.05(f).

(d) Issuance of Replacement Liquidity Facility. (i) Subject to Section 3.05(e)(iii) and the agreements, if any, in the applicable Fee Letter, at any time, the Airlines may, at their option and at their own expense, with cause or without cause, arrange for a Replacement Liquidity Facility to replace any Liquidity Facility for any Class of Certificates (including any Replacement Liquidity Facility provided pursuant to Section 3.05(e)(ii)). If such Replacement Liquidity Facility is provided at any time after a Downgrade Drawing, a Non-Extension Drawing or a Special Termination Advance has been made, all funds on deposit in the relevant Cash Collateral Account resulting from such Downgrade Drawing, Non-Extension Drawing or Special Termination Advance will be returned to the Liquidity Provider being replaced.

(ii) If any Liquidity Provider shall determine not to extend its Liquidity Facility in accordance with Section 3.05(d), then such Liquidity Provider may, at its option and its own expense, arrange for a Replacement Liquidity Facility to replace such Liquidity Facility during the period no earlier than 40 days and no later than 25 days prior to the then effective Stated Expiration Date of such Liquidity Facility. At any time after a Non-Extension Drawing has been made under any Liquidity Facility, the Liquidity Provider thereunder may, at its option and its own expense, arrange for a Replacement Liquidity Facility to replace the Liquidity Facility under which such Non-Extension Drawing has been made.

(iii) No Replacement Liquidity Facility arranged by the Airlines or a Liquidity Provider in accordance with clause (i) or (ii) above or pursuant to Section 3.05(c), respectively, shall become effective and no such Replacement Liquidity Facility shall be deemed a "Liquidity Facility" under the Operative Agreements, unless and until (A) each of the conditions referred to in sub-clauses (iv)(x) and (z) below shall have been satisfied, (B) if such Replacement Liquidity Facility shall materially adversely affect the rights, remedies, interests or obligations of the Class A Certificateholders or the Class B Certificateholders under any of the Operative Agreements, the applicable Trustee shall have consented, in writing, to the execution and issuance of such Replacement Liquidity Facility and (C) in the case of a Replacement Liquidity Facility arranged by a Liquidity Provider under Section 3.05(e)(ii) or pursuant to Section 3.05(c), such Replacement Liquidity Facility is reasonably acceptable to the Airlines.

Intercreditor Agreement (2020-1)

(iv) In connection with the issuance of each Replacement Liquidity Facility, the Subordination Agent shall (x) prior to the issuance of such Replacement Liquidity Facility, obtain written confirmation from each Rating Agency to the effect that such Replacement Liquidity Facility will not cause a reduction, withdrawal or suspension of any rating then in effect for the related Class of Certificates by such Rating Agency (without regard to any downgrading of any rating of the Liquidity Provider being replaced pursuant to Section 3.05(c)), (y) pay all Liquidity Obligations then owing to the replaced Liquidity Provider (which payment shall be made first from available funds in the applicable Cash Collateral Account as described in Section 3.05(f), and thereafter from any other available source, including, without limitation, a drawing under the Replacement Liquidity Facility) and (z) cause the issuer of the Replacement Liquidity Facility to deliver the Replacement Liquidity Facility to the Subordination Agent, together with a legal opinion opining that such Replacement Liquidity Facility is an enforceable obligation of such Replacement Liquidity Provider.

(v) Upon satisfaction of the conditions set forth in clauses (iii) and (iv) of this Section 3.05(e) with respect to a Replacement Liquidity Facility, (1) the replaced Liquidity Facility shall terminate, (2) the Subordination Agent shall, if and to the extent so requested by any Airline or the Liquidity Provider being replaced, execute and deliver any certificate or other instrument required in order to terminate the replaced Liquidity Facility, shall surrender the replaced Liquidity Facility to the Liquidity Provider being replaced and shall execute and deliver the Replacement Liquidity Facility and any associated Fee Letter, (3) each of the parties hereto shall enter into any amendments to this Agreement necessary to give effect to (a) the replacement of the applicable Liquidity Provider with the applicable Replacement Liquidity Provider and (b) the replacement of the applicable Liquidity Facility with the applicable Replacement Liquidity Facility, and (4) the applicable Replacement Liquidity Provider shall be deemed to be a Liquidity Provider with the rights and obligations of a Liquidity Provider hereunder and under the other Operative Agreements and such Replacement Liquidity Facility shall be deemed to be a Liquidity Facility hereunder and under the other Operative Agreements.

(e) Cash Collateral Accounts; Withdrawals; Investments. In the event the Subordination Agent shall draw all Available Amounts under the Class A Liquidity Facility or the Class B Liquidity Facility pursuant to Section 3.05(c), 3.05(d), 3.05(i) or 3.05(k), or in the event amounts are to be deposited in the Class A Cash Collateral Account or the Class B Cash Collateral Account pursuant to subclause (A) or (B) of clause “fourth” of Section 3.02, amounts so drawn or to be deposited, as the case may be, shall be deposited by the Subordination Agent in the Class A Cash Collateral Account or the Class B Cash Collateral Account, as applicable. All amounts on deposit in each Cash Collateral Account shall be invested and reinvested in Eligible Investments in accordance with Section 2.02(b).

On each Interest Payment Date (or, in the case of any Special Distribution Date with respect to the distribution of a Special Payment, on such Special Distribution Date), Investment Earnings on amounts on deposit in each Cash Collateral Account with respect to any Liquidity Facility (or in the case of any Special Distribution Date with respect to the distribution of a Special Payment, so long as no Indenture Event of Default shall have occurred and be continuing under any Indenture, a fraction of such Investment Earnings equal to the Section 2.04

Intercreditor Agreement (2020-1)

Fraction) shall be deposited in the Collection Account (or, in the case of any Special Distribution Date with respect to the distribution of a Special Payment, the Special Payments Account) and applied on such Interest Payment Date (or Special Distribution Date, as the case may be) in accordance with Section 3.02 or 3.03 (as applicable). The Subordination Agent shall deliver a written statement to the Airlines and each Liquidity Provider one day prior to each Interest Payment Date and Special Distribution Date setting forth the aggregate amount of Investment Earnings held in the Cash Collateral Accounts as of such date. In addition, from and after the date funds are so deposited, the Subordination Agent shall make withdrawals from such accounts as follows:

(i) on each Distribution Date, the Subordination Agent shall, to the extent it shall not have received funds to pay accrued and unpaid interest due and owing on the Class A Certificates (at the Stated Interest Rate for the Class A Certificates) after giving effect to the subordination provisions of this Agreement, withdraw from the Class A Cash Collateral Account, and pay to the Class A Trustee, an amount equal to the lesser of (x) an amount necessary to pay accrued and unpaid interest (at the Stated Interest Rate for the Class A Certificates) on the Class A Certificates and (y) the amount on deposit in the Class A Cash Collateral Account;

(ii) on each Distribution Date, the Subordination Agent shall, to the extent it shall not have received funds to pay accrued and unpaid interest due and owing on the Class B Certificates (at the Stated Interest Rate for the Class B Certificates) after giving effect to the subordination provisions of this Agreement, withdraw from the Class B Cash Collateral Account, and pay to the Class B Trustee, an amount equal to the lesser of (x) an amount necessary to pay accrued and unpaid interest (at the Stated Interest Rate for the Class B Certificates) on the Class B Certificates and (y) the amount on deposit in the Class B Cash Collateral Account;

(iii) on each date on which the Pool Balance of the Class A Trust shall have been reduced by payments made to the Class A Certificateholders pursuant to Section 3.02 hereof, the Subordination Agent shall withdraw from the Class A Cash Collateral Account such amount as is necessary so that, after giving effect to the reduction of the Pool Balance on such date (and any reduction in the amounts on deposit in the Class A Cash Collateral Account resulting from a prior withdrawal of amounts on deposit in the Class A Cash Collateral Account on such date) and any transfer of Investment Earnings from such Cash Collateral Account to the Collection Account or the Special Payments Account on such date, an amount equal to the sum of the Required Amount (with respect to the Class A Liquidity Facility) plus (if on a Distribution Date not coinciding with an Interest Payment Date) Investment Earnings on deposit in such Cash Collateral Account (after giving effect to any such transfer of Investment Earnings) will remain on deposit in the Class A Cash Collateral Account and shall first, pay such withdrawn amount to the Class A Liquidity Provider until the Class A Liquidity Obligations owing to such Liquidity Provider shall have been paid in full, and second, deposit any remaining withdrawn amount in the Collection Account;

Intercreditor Agreement (2020-1)

(iv) on each date on which the Pool Balance of the Class B Trust shall have been reduced by payments made to the Class B Certificateholders pursuant to Section 3.02 hereof, the Subordination Agent shall withdraw from the Class B Cash Collateral Account such amount as is necessary so that, after giving effect to the reduction of the Pool Balance on such date (and any reduction in the amounts on deposit in the Class B Cash Collateral Account resulting from a prior withdrawal of amounts on deposit in the Class B Cash Collateral Account on such date) and any transfer of Investment Earnings from such Cash Collateral Account to the Collection Account or the Special Payments Account on such date, an amount equal to the sum of the Required Amount (with respect to the Class B Liquidity Facility) plus (if on a Distribution Date not coinciding with an Interest Payment Date) Investment Earnings on deposit in such Cash Collateral Account (after giving effect to any such transfer of Investment Earnings) will remain on deposit in the Class B Cash Collateral Account and shall first, pay such withdrawn amount to the Class B Liquidity Provider until the Class B Liquidity Obligations owing to such Liquidity Provider shall have been paid in full, and second, deposit any remaining withdrawn amount in the Collection Account;

(v) if a Replacement Liquidity Facility for any relevant Class of Certificates shall be delivered to the Subordination Agent following the date on which funds have been deposited into the Cash Collateral Account for such Class of Certificates, the Subordination Agent shall withdraw all amounts remaining on deposit in such Cash Collateral Account and shall pay such amounts to the replaced Liquidity Provider, if any, until all Liquidity Obligations owed to such Person shall have been paid in full, and deposit any remaining amount in the Collection Account;

(vi) if the Liquidity Provider with respect to a Downgraded Facility satisfies the Threshold Rating and delivers written notice to such effect to the Subordination Agent and the Airlines, on the second Business Day following receipt of such notice, the Subordination Agent shall withdraw all amounts remaining on deposit in the applicable Cash Collateral Account constituting the unapplied amount of any Downgrade Drawing and shall pay such amounts to such Liquidity Provider and the obligations of such Liquidity Provider shall be reinstated in accordance with the applicable Liquidity Facility; and

(vii) following (x) the payment of Final Distributions or (y) the Final Legal Distribution Date with respect to any Class of Certificates covered by a Liquidity Facility, on the date on which the Subordination Agent shall have been notified by the Liquidity Provider for such Class of Certificates that the Liquidity Obligations owed to such Liquidity Provider have been paid in full, or, if earlier, the first Business Day after such Final Legal Distribution Date, the Subordination Agent shall withdraw all amounts on deposit in the Cash Collateral Account in respect of such Class of Certificates, if any, and shall deposit such amounts in the Collection Account.

(f) Reinstatement. With respect to any Interest Drawing under the Liquidity Facility for any relevant Trust, upon the reimbursement of the applicable Liquidity Provider for all or any part of the amount of such Interest Drawing, together with any accrued interest

Intercreditor Agreement (2020-1)

thereon, the Available Amount of such Liquidity Facility shall be reinstated by an amount equal to the amount of such Interest Drawing so reimbursed to the applicable Liquidity Provider but not to exceed the Stated Amount for such Liquidity Facility; provided, however, that the Available Amount of such Liquidity Facility shall not be so reinstated in part or in full pursuant to the foregoing provisions of this Section 3.05(g) at any time if (x) both a Performing Note Deficiency exists and a Liquidity Event of Default shall have occurred and be continuing with respect to the relevant Liquidity Facility or (y) a Final Drawing, Downgrade Drawing, Non-Extension Drawing or Special Termination Advance shall have occurred with respect to such Liquidity Facility or an Interest Drawing shall have been converted into a Final Drawing. Notwithstanding anything to the contrary, in the event that, with respect to any particular Liquidity Facility, (i) funds are withdrawn from the related Cash Collateral Account pursuant to clause (i) or (ii) of Section 3.05(f) or (ii) such Liquidity Facility shall become a Downgraded Facility or a Non-Extended Facility at a time when unreimbursed Interest Drawings under such Liquidity Facility have reduced the Available Amount thereunder to zero, then funds received by the Subordination Agent at any time, other than (x) any time when both a Performing Note Deficiency exists and a Liquidity Event of Default shall have occurred and be continuing with respect to such Liquidity Facility or (y) any time after a Final Drawing shall have occurred with respect to such Liquidity Facility or an Interest Drawing for such Liquidity Facility shall have been converted into a Final Drawing, shall be deposited in such Cash Collateral Account as and to the extent provided in clause “fourth” of Section 3.02 and applied in accordance with Section 3.05(f).

(g) Reimbursement. The amount of each drawing under the Liquidity Facilities shall be due and payable, together with interest thereon, on the dates and at the rates, respectively, provided in the Liquidity Facilities.

(h) Final Drawing. Upon receipt from a Liquidity Provider of a Termination Notice with respect to its applicable Liquidity Facility, the Subordination Agent shall, not later than the date specified in such Termination Notice, in accordance with the terms of such Liquidity Facility, request a drawing under such Liquidity Facility of the Available Amount thereunder (a “Final Drawing”). Amounts drawn pursuant to a Final Drawing shall be maintained and invested in accordance with Section 3.05(f).

(i) Adjustments of Stated Amount. Promptly following each date on which the Required Amount of the Liquidity Facility for a relevant Class of Certificates is reduced as a result of a reduction in the Pool Balance with respect to such Certificates or otherwise, the Subordination Agent shall, if any such Liquidity Facility provides for reductions of the Stated Amount of such Liquidity Facility and if such reductions are not automatic, request such Liquidity Provider for such Class of Certificates to reduce such Stated Amount to an amount equal to the Required Amount with respect to such Liquidity Facility (as calculated by the Subordination Agent after giving effect to such payment). Each such request shall be made in accordance with the provisions of the applicable Liquidity Facility.

(j) Special Termination Advance. Upon receipt from a Liquidity Provider of a Special Termination Notice with respect to any Liquidity Facility, the Subordination Agent shall, not later than the date specified in such Special Termination Notice, in accordance with the

Intercreditor Agreement (2020-1)

terms of such Liquidity Facility, request a Special Termination Advance under such Liquidity Facility. Amounts drawn pursuant to a Special Termination Advance shall be maintained and invested in accordance with Section 3.05(f) hereof.

(k) Relation to Subordination Provisions. Interest Drawings under the Liquidity Facilities and withdrawals from the Cash Collateral Accounts, in each case, in respect of interest on the Certificates of any Class, will be distributed to the Trustee for such Class of Certificates, notwithstanding Sections 2.01(b) and 3.02.

(l) Assignment of Liquidity Facility. The Subordination Agent agrees not to consent to the assignment by any Liquidity Provider of any of its rights or obligations under any Liquidity Facility or any interest therein unless (i) each Airline shall have consented to such assignment and (ii) each Rating Agency shall have provided a Ratings Confirmation with respect to each Class of Certificates then rated by such Rating Agency in connection with such assignment; provided, that the Subordination Agent shall consent to such assignment if the conditions in the foregoing clauses (i) and (ii) are satisfied, and the foregoing is not intended to and shall not be construed to limit the rights of any initial Liquidity Provider under Section 3.05(e)(ii).

ARTICLE IV

EXERCISE OF REMEDIES

Section 4.01 Directions from the Controlling Party. (a) (i) Following the occurrence and during the continuation of an Indenture Event of Default under any Indenture, the Controlling Party shall direct the Subordination Agent, as the holder of the Equipment Notes issued under such Indenture, which in turn shall direct the Loan Trustee under such Indenture, in the exercise of remedies available to the holders of such Equipment Notes, including, without limitation, the ability to vote all such Equipment Notes held by the Subordination Agent in favor of Accelerating such Equipment Notes in accordance with the provisions of such Indenture. Subject to Section 4.01(a)(iii), if the Equipment Notes issued pursuant to any Indenture have been Accelerated following an Indenture Event of Default with respect thereto, the Controlling Party may direct the Subordination Agent to sell, assign, contract to sell or otherwise dispose of and deliver all (but not less than all) of such Equipment Notes to any Person at public or private sale, at any location at the option of the Controlling Party, all upon such terms and conditions as the Controlling Party may reasonably deem advisable and in accordance with applicable law.

(i) Following the occurrence and during the continuation of an Indenture Event of Default under any Indenture, in the exercise of remedies pursuant to such Indenture, the Loan Trustee under such Indenture may be directed to lease the related Aircraft to any Person (including an Airline) so long as the Loan Trustee in doing so acts in a “commercially reasonable” manner within the meaning of Article 9 of the Uniform Commercial Code as in effect in any applicable jurisdiction (including Sections 9-610 and 9-627 thereof).

Intercreditor Agreement (2020-1)

(ii) Notwithstanding the foregoing, so long as any Certificates remain Outstanding, during the period ending on the date which is nine months after the earlier of (x) the Acceleration of the Equipment Notes issued pursuant to any Indenture or (y) the occurrence of an Airline Bankruptcy Event, without the consent of each Trustee (other than the Trustee of any Trust all of the Certificates of which are held or beneficially owned by the Airlines and/or their Affiliates), no Aircraft subject to the Lien of such Indenture or such Equipment Notes may be sold if the net proceeds from such sale would be less than the Minimum Sale Price for such Aircraft or such Equipment Notes.

(iii) Upon the occurrence and continuation of an Indenture Event of Default under any Indenture, the Subordination Agent will obtain a desktop appraisal from each of the three Appraisers selected by the Controlling Party setting forth the current market value, current lease rate and distressed value (in each case, as defined by the International Society of Transport Aircraft Trading or any successor organization) of the Aircraft subject to such Indenture (each such appraisal, an “Appraisal” and the current market value appraisals being referred to herein as the “Post-Default Appraisals”). For so long as any Indenture Event of Default shall be continuing under any Indenture, and without limiting the right of the Controlling Party to request more frequent Appraisals, the Subordination Agent will obtain updated Appraisals on the date that is 364 days from the date of the most recent Appraisal (or if an Airline Bankruptcy Event shall have occurred and is continuing, on the date that is 180 days from the date of the most recent Appraisal) and shall (acting on behalf of each Trustee) post such Appraisals on DTC’s Internet bulletin board or make such other commercially reasonable efforts as the Subordination Agent may deem appropriate to make such Appraisals available to all Certificateholders.

(b) Following the occurrence and during the continuance of an Indenture Event of Default under any Indenture, the Controlling Party shall take such actions as it may reasonably deem most effectual to complete the sale or other disposition of the relevant Aircraft or Equipment Notes. In addition, in lieu of any sale, assignment, contract to sell or other disposition, the Controlling Party may maintain or cause the Subordination Agent to maintain possession of such Equipment Notes and continue to apply monies received in respect of such Equipment Notes in accordance with Article III hereof. In addition, in lieu of such sale, assignment, contract to sell or other disposition, or in lieu of such maintenance of possession, the Controlling Party may direct the Subordination Agent to, subject to the terms and conditions of the related Indenture, instruct the Loan Trustee under such Indenture to foreclose on the Lien on the related Aircraft or to take any other remedial action permitted under such Indenture or under any applicable law.

(c) If following an Airline Bankruptcy Event with respect to one or both Airlines and during the pendency thereof, the Controlling Party receives a proposal from or on behalf of any such Airline to restructure the financing of any one or more of the Aircraft, the Controlling Party shall promptly thereafter give the Subordination Agent, each Trustee and each Liquidity Provider that has not made a Final Drawing notice of the material economic terms and conditions of such restructuring proposal whereupon the Subordination Agent acting on behalf of each Trustee shall post such terms and conditions of such restructuring proposal on DTC’s Internet bulletin board or make such other commercially reasonable efforts as the Subordination

Intercreditor Agreement (2020-1)

Agent may deem appropriate to make such terms and conditions available to all Certificateholders. Thereafter, neither the Subordination Agent nor any Trustee, whether acting on instructions of the Controlling Party or otherwise, may, without the consent of each Trustee and each Liquidity Provider that has not made a Final Drawing, enter into any term sheet, stipulation or other agreement (a “Restructuring Arrangement”) (whether in the form of an adequate protection stipulation, an extension under Section 1110(b) of the Bankruptcy Code or otherwise) to effect any such restructuring proposal with or on behalf of such Airline unless and until the material economic terms and conditions of such restructuring proposal shall have been made available to all Certificateholders and each Liquidity Provider that has not made a Final Drawing for a period of not less than 15 days (except that such requirement shall not apply to any such term sheet, stipulation or other agreement that is to be effective on or as of any date occurring during the 60-Day Period and that is initially effective for a period not exceeding three months from the expiry of the 60-Day Period (an “Interim Restructuring Arrangement”). The foregoing provisions of this Section 4.01(c): (i) shall not apply to any extension of a Restructuring Arrangement with respect to which such provisions have been complied with in connection with the original entry thereof if the possibility of such extension has been disclosed in satisfaction of the notification requirements of such provisions and such extension shall not amend or modify any of the other terms and conditions of such Restructuring Arrangement and (ii) shall apply to the initial extension of an Interim Restructuring Arrangement beyond the three months following the expiry of the 60-Day Period but not to any subsequent extension of such Interim Restructuring Arrangement, if the possibility of such subsequent extension has been disclosed in satisfaction of the notification requirements of such provisions and such subsequent extension shall not amend or modify any of the other terms and conditions of such Interim Restructuring Arrangement. In the event that any Certificateholder gives irrevocable notice of the exercise of its right to purchase all (but not less than all) of the Class of Certificates represented by the then Controlling Party pursuant to the applicable Trust Agreement, prior to the expiry of the 15-day notice period specified above, such Controlling Party may not direct the Subordination Agent or any Trustee to enter into any such restructuring proposal with respect to any of the Aircraft, unless and until such Certificateholder shall fail to purchase such Class of Certificates on the date that it is required to make such purchase.

Section 4.02 Remedies Cumulative. To the extent permitted by applicable law, each and every right, power and remedy given to the Trustees, the Liquidity Providers, the Controlling Party or the Subordination Agent specifically or otherwise in this Agreement shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may, subject always to the terms and conditions hereof, be exercised from time to time and as often and in such order as may be deemed expedient by any Trustee, any Liquidity Provider, the Controlling Party or the Subordination Agent, as appropriate, and the exercise or the beginning of the exercise of any right, power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by any Trustee, any Liquidity Provider, the Controlling Party or the Subordination Agent in the exercise of any right, remedy or power or in the pursuit of any remedy shall, to the extent permitted by applicable law, impair any such right, power or remedy or be construed to be a waiver of any default or to be an acquiescence therein.

Intercreditor Agreement (2020-1)

Section 4.03 Discontinuance of Proceedings. In case any party to this Agreement (including the Controlling Party in such capacity) shall have instituted any Proceeding to enforce any right, power or remedy under this Agreement by foreclosure, entry or otherwise, and such Proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Person instituting such Proceeding, then and in every such case each such party shall, subject to any determination in such Proceeding, be restored to its former position and rights hereunder, and all rights, remedies and powers of such party shall continue as if no such Proceeding had been instituted.

Section 4.04 Right of Certificateholders and the Liquidity Providers to Receive Payments Not to Be Impaired. Anything in this Agreement to the contrary notwithstanding but subject to each Trust Agreement, the right of any Certificateholder or any Liquidity Provider, respectively, to receive payments hereunder (including, without limitation, pursuant to Section 3.02) when due, or to institute suit for the enforcement of any such payment on or after the applicable Distribution Date, shall not be impaired or affected without the consent of such Certificateholder or such Liquidity Provider, respectively.

ARTICLE V

DUTIES OF THE SUBORDINATION AGENT; AGREEMENTS OF TRUSTEES, ETC.

Section 5.01 Notice of Indenture Event of Default or Triggering Event. (a) If the Subordination Agent shall have knowledge of an Indenture Event of Default or a Triggering Event, the Subordination Agent shall promptly give notice thereof to the Rating Agencies, the Airlines, the Liquidity Providers and the Trustees by telegram, cable, facsimile or telephone (to be promptly confirmed in writing), unless such Indenture Event of Default or Triggering Event shall have been cured or waived. For all purposes of this Agreement, in the absence of actual knowledge, the Subordination Agent shall not be deemed to have knowledge of any Indenture Event of Default or Triggering Event unless notified in writing by an Airline, one or more Trustees, one or more Liquidity Providers or one or more Certificateholders; and “actual knowledge” (as used in the foregoing clause) of the Subordination Agent shall mean actual knowledge of a Responsible Officer of the Subordination Agent.

(a) Other Notices. The Subordination Agent will furnish to each Liquidity Provider and each Trustee, promptly upon receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates, financial statements and other instruments furnished to the Subordination Agent as registered holder of the Equipment Notes or otherwise in its capacity as Subordination Agent to the extent the same shall not have been otherwise directly distributed to such Liquidity Provider or such Trustee, as applicable, pursuant to any other Operative Agreement.

(b) Securities Position. Upon the occurrence of an Indenture Event of Default, the Subordination Agent shall instruct the Trustees to, and the Trustees shall, request that DTC post on its Internet bulletin board a securities position listing setting forth the names of all the parties reflected on DTC’s books as holding interests in the Certificates.

Intercreditor Agreement (2020-1)

(c) Reports. Promptly after the occurrence of a Triggering Event or an Indenture Event of Default resulting from the failure of an Airline to make payments on any Equipment Note and on every Regular Distribution Date while the Triggering Event or such Indenture Event of Default shall be continuing, the Subordination Agent will provide to the Trustees, the Liquidity Providers, the Rating Agencies and the Airlines a statement setting forth the following information:

(i) after an Airline Bankruptcy Event, with respect to each Aircraft, whether such Aircraft is (A) subject to the 60-Day Period, (B) subject to an election by the applicable Airline under Section 1110(a) of the Bankruptcy Code, (C) covered by an agreement contemplated by Section 1110(b) of the Bankruptcy Code or (D) not subject to any of (A), (B) or (C);

(ii) to the best of the Subordination Agent's knowledge, after requesting such information from the Airlines, (A) whether the Aircraft are currently in service or parked in storage, (B) the maintenance status of the Aircraft and (C) the location of the Engines (as defined in the Indentures);

(ix) the amounts drawn under each Liquidity Facility; and

Agent shall have received indemnification against any risks that may be incurred in connection therewith in form and substance reasonably satisfactory to it, including, without limitation, adequate advances against costs (including fees and expenses) that may be incurred by it in connection therewith. The Subordination Agent shall not be required to take any action under Article IV, nor shall any other provision of this Agreement or any other Operative Agreement be deemed to impose a duty on the Subordination Agent to take any action, if the Subordination Agent shall have been advised by outside counsel that such action is contrary to the terms hereof or is otherwise contrary to law. Under no circumstances shall the Subordination Agent be required to expend or risk its own funds or otherwise incur any financial liability in performing its duties or exercising its rights or powers hereunder if it shall have reasonable grounds for believing that repayment of such funds is not assured to it.

Section 5.03 No Duties Except as Specified in Intercreditor Agreement. The Subordination Agent shall not have any duty or obligation to take or refrain from taking any action under, or in connection with, this Agreement, except as expressly provided by the terms of this Agreement; and no implied duties or obligations shall be read into this Agreement against the Subordination Agent. The Subordination Agent agrees that it will, in its individual capacity and at its own cost and expense (but without any right of indemnity in respect of any such cost or expense) promptly take such action as may be necessary to discharge duly all Liens on any of the Trust Accounts or any monies deposited therein that are attributable to the Subordination Agent in its individual capacity and that are unrelated to the transaction contemplated hereby and by the other Operative Agreements.

Section 5.04 Notice from the Liquidity Providers and Trustees. If any Liquidity Provider or Trustee has notice of an Indenture Event of Default or a Triggering Event, such Person shall promptly give notice thereof to all other Liquidity Providers and Trustees and to the Subordination Agent; provided, however, that no such Person shall have any liability hereunder as a result of its failure to deliver any such notice.

ARTICLE VI

THE SUBORDINATION AGENT

Section 6.01 Authorization; Acceptance of Trusts and Duties. Each Trustee hereby designates and appoints the Subordination Agent as the agent and trustee of such Trustee under the applicable Liquidity Facility (if any) and authorizes the Subordination Agent to enter into the applicable Liquidity Facility as agent and trustee for such Trustee. Each of the Liquidity Providers and the Trustees hereby designates and appoints the Subordination Agent as the Subordination Agent under this Agreement. USB accepts the trusts and duties hereby created and applicable to it and agrees to perform such duties, but only upon the terms of this Agreement and agrees to receive, handle and disburse all monies received by it in accordance with the terms hereof. The Subordination Agent shall have no liability hereunder or any other Operative Agreement except (a) for its own willful misconduct or negligence, (b) as provided in Section 2.02 and the last sentence of Section 5.03, (c) for liabilities that may result from the inaccuracy of any representation or warranty of the Subordination Agent made in its individual capacity in any Operative Agreement and (d) as otherwise expressly provided herein or in the other Operative Agreements.

Section 6.02 Absence of Duties. The Subordination Agent shall have no duty to see to any recording or filing of this Agreement or any other document, or to see to the maintenance of any such recording or filing.

Section 6.03 No Representations or Warranties as to Documents. The Subordination Agent shall not be deemed to have made any representation or warranty as to the validity, legality or enforceability of this Agreement or any other Operative Agreement or as to the correctness of any statement contained herein or therein (other than the representations and warranties of the Subordination Agent made in its individual capacity under any Operative Agreement), except that the Subordination Agent hereby represents and warrants that each of said specified documents to which it is a party has been or will be duly executed and delivered by one of its officers who is and will be duly authorized to execute and deliver such document on its behalf. The Certificateholders, the Trustees and the Liquidity Providers make no representation or warranty hereunder whatsoever.

Section 6.04 No Segregation of Monies; No Interest. Any monies paid to or retained by the Subordination Agent pursuant to any provision hereof and not then required to be distributed to any Trustee or any Liquidity Provider as provided in Articles II and III or deposited into one or more Trust Accounts need not be segregated in any manner except to the extent required by such Articles II and III and by law, and the Subordination Agent shall not (except as otherwise provided in Section 2.02) be liable for any interest thereon; provided, however, that any payments received or applied hereunder by the Subordination Agent shall be accounted for by the Subordination Agent so that any portion thereof paid or applied pursuant hereto shall be identifiable as to the source thereof.

Section 6.05 Reliance; Agents; Advice of Counsel. The Subordination Agent shall not incur any liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. As to the Pool Balance of any Trust as of any date, the Subordination Agent may for all purposes hereof rely on a certificate signed by any Responsible Officer of the applicable Trustee, and such certificate shall constitute full protection to the Subordination Agent for any action taken or omitted to be taken by it in good faith in reliance thereon. As to any fact or matter relating to the Liquidity Providers or the Trustees the manner of ascertainment of which is not specifically described herein, the Subordination Agent may for all purposes hereof rely on a certificate, signed by any Responsible Officer of the applicable Liquidity Provider or Trustee, as the case may be, as to such fact or matter, and such certificate shall constitute full protection to the Subordination Agent for any action taken or omitted to be taken by it in good faith in reliance thereon. In the administration of the trusts hereunder, the Subordination Agent may (a) execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents or attorneys and (b) consult with counsel, accountants and other skilled Persons to be selected and retained by it. accountants or other skilled Persons acting within such counsel's, accountants' or Person's area of competence (so long as the Subordination Agent shall have exercised reasonable care and judgment in selecting such Persons).

Section 6.06 Capacity in Which Acting. The Subordination Agent acts hereunder and under the other Operative Agreements solely as agent or trustee herein and not in its individual capacity, except as otherwise expressly provided herein and in the Operative Agreements.

Section 6.07 Compensation. The Subordination Agent shall be entitled to such compensation, including reasonable expenses and disbursements, for all services rendered hereunder as the Airlines and the Subordination Agent may agree from time to time in writing and shall have a priority claim to the extent set forth in Article III on all monies collected hereunder for the payment of such compensation, to the extent that such compensation shall not be paid by others. The Subordination Agent agrees that it shall have no right against any Trustee or any Liquidity Provider for any fee as compensation for its services as agent under this Agreement. The provisions of this Section 6.07 shall survive the termination of this Agreement.

Section 6.08 May Become Certificateholder. The institution acting as Subordination Agent hereunder may become a Certificateholder and have all rights and benefits of a Certificateholder to the same extent as if it were not the institution acting as the Subordination Agent.

Section 6.09 Subordination Agent Required; Eligibility. There shall at all times be a Subordination Agent hereunder that is a Citizen of the United States, a bank, trust company or other financial institution organized and doing business under the laws of the United States or any state thereof and eligible to act as a trustee under Section 310(a) of the Trust Indenture Act of 1939, as amended, and that has a combined capital and surplus of at least \$75,000,000 (or a combined capital and surplus in excess of \$5,000,000 and the obligations of which, whether now in existence or hereafter incurred, are fully and unconditionally guaranteed by a corporation organized under the laws of the United States or any State or territory thereof or the District of Columbia and having a combined capital and surplus of at least \$75,000,000). If such bank, trust company or other financial institution or such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of federal, state, territorial or District of Columbia supervising or examining authority, then for the purposes of this Section 6.09 the combined capital and surplus of such bank, trust company or other financial institution or such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

In case at any time the Subordination Agent shall cease to be eligible in accordance with the provisions of this Section 6.09, the Subordination Agent shall resign immediately in the manner and with the effect specified in Section 7.01.

Section 6.10 Money to Be Held in Trust. All Equipment Notes, monies and other property deposited with or held by the Subordination Agent pursuant to this Agreement shall be held in trust for the benefit of the parties entitled to such Equipment Notes, monies and other property and the Subordination Agent, in its individual capacity, hereby waives all rights of set-off and counterclaim with respect to all such property.

Intercreditor Agreement (2020-1)

Section 6.11 Notice of Substitution or Replacement of Airframe. If the Subordination Agent, in its capacity as a holder of Equipment Notes issued under an Indenture, receives a notice of substitution of a Substitute Airframe pursuant to Section 7.04(e) of such Indenture or a notice of delivery of a Replacement Airframe pursuant to Section 7.05(a) of such Indenture, the Subordination Agent shall promptly (i) provide a copy of such notice to each Trustee, each Liquidity Provider and each Rating Agency and (ii) direct each Trustee to post such notice on DTC's Internet bulletin board or make such other commercially reasonable efforts as the Subordination Agent may deem appropriate to make the contents of such notice available to all Certificateholders.

ARTICLE VII

SUCCESSOR SUBORDINATION AGENT

Section 7.01 Replacement of Subordination Agent; Appointment of Successor. (a) The Subordination Agent or any successor thereto must resign if at any time it fails to comply with Section 6.09 and may resign at any time without cause by giving 60 days' prior written notice to the Airlines, the Trustees and the Liquidity Providers. The Controlling Party or the Airlines (only so long as no Indenture Event of Default has occurred or is continuing) may remove the Subordination Agent for cause by so notifying the Subordination Agent and may appoint a successor Subordination Agent. The Controlling Party (or the party that would be the Controlling Party if an Indenture Event of Default had occurred) shall remove the Subordination Agent if:

- (1) the Subordination Agent fails to comply with Section 6.09;
- (2) the Subordination Agent is adjudged bankrupt or insolvent or files a bankruptcy petition;
- (3) a receiver of the Subordination Agent shall be appointed or any public officer shall take charge or control of the Subordination Agent or its property or affairs for the purpose of rehabilitation, conservation or liquidation; or
- (4) the Subordination Agent otherwise becomes incapable of acting.

If the Subordination Agent resigns or is removed or if a vacancy exists in the office of Subordination Agent for any reason (the Subordination Agent in such event being referred to herein as the retiring Subordination Agent), the Controlling Party (or the party that would be the Controlling Party if an Indenture Event of Default had occurred) shall promptly appoint a successor Subordination Agent. If a successor Subordination Agent shall not have been appointed within 60 days after such notice of resignation or removal, the retiring Subordination Agent, one or more of the Trustees or one or more of the Liquidity Providers may petition any court of competent jurisdiction for the appointment of a successor Subordination Agent to act until such time, if any, as a successor shall have been appointed as provided above.

Intercreditor Agreement (2020-1)

A successor Subordination Agent shall deliver (x) a written acceptance of its appointment as Subordination Agent hereunder to the retiring Subordination Agent and (y) a written assumption of its obligations hereunder and under each Liquidity Facility to each party hereto, upon which the resignation or removal of the retiring Subordination Agent shall become effective, and the successor Subordination Agent shall have all the rights, powers and duties of the Subordination Agent under this Agreement. The successor Subordination Agent shall mail a notice of its succession to the Airlines, the Liquidity Providers and the Trustees. The retiring Subordination Agent shall promptly transfer its rights under each of the Liquidity Facilities and all of the property and all books and records, or true, complete and correct copies thereof, held by it as Subordination Agent to the successor Subordination Agent.

If the Subordination Agent fails to comply with Section 6.09 (to the extent applicable), one or more of the Trustees or one or more of the Liquidity Providers may petition a court of competent jurisdiction for the removal of the Subordination Agent and the appointment of a successor Subordination Agent.

Notwithstanding the foregoing, no resignation or removal of the Subordination Agent shall be effective unless and until a successor has been appointed. No appointment of a successor Subordination Agent shall be effective unless and until the Rating Agencies shall have delivered a Ratings Confirmation with respect to each Class of Certificates then rated by the Rating Agencies.

(b) Any corporation, bank, trust company or other financial institution into which the Subordination Agent may be merged or converted or with which it may be consolidated, or any corporation, bank, trust company or other financial institution resulting from any merger, conversion or consolidation to which the Subordination Agent shall be a party, or any corporation, bank, trust company or other financial institution succeeding to all or substantially all of the corporate trust business of the Subordination Agent, shall be the successor of the Subordination Agent hereunder, provided that such corporation, bank, trust company or other financial institution shall be otherwise qualified and eligible under Section 6.09, without the execution or filing of any paper or any further act on the part of any of the parties hereto, except that such corporation, bank, trust company or other financial institution shall give prompt notice of such transaction to the Liquidity Providers and the Airlines.

ARTICLE VIII

SUPPLEMENTS AND AMENDMENTS

Section 8.01 Amendments, Waivers, Etc. (a) This Agreement may not be supplemented, amended or modified without the consent of each Trustee (acting, except in the case of any amendment pursuant to Section 3.05(e)(v) or any amendment contemplated by the last sentence of this Section 8.01(a), with the consent of holders of Outstanding Certificates of the related Class evidencing Fractional Undivided Interests in the related Trust aggregating not

Intercreditor Agreement (2020-1)

less than a majority in interest in such Trust or as otherwise authorized pursuant to the relevant Trust Agreement (including, without limitation, without the consent of the Certificateholders to the extent permitted thereby, Section 9.01 thereof)), the Subordination Agent and each Liquidity Provider; provided, however, that this Agreement may be supplemented, amended or modified by a written agreement of the Airlines and the Subordination Agent (which will execute such agreement as directed by the Airlines, to the extent such amendment is in accordance with this Section 8.01(a)) without the consent of any Trustee or any Liquidity Provider (i) in order to cure any ambiguity or omission or to correct any mistake, (ii) in order to make any other provision in regard to matters or questions arising hereunder that will not materially adversely affect the interests of any Trustee or the holders of the related Class of Certificates or any Liquidity Provider (provided, that the consent of any Trustee or Liquidity Provider shall be required only if such Trustee's interests (or the interests of the holders of the related Class of Certificates) or such Liquidity Provider's interests, respectively, will be materially adversely affected), (iii) in order to give effect to substitution of any Aircraft pursuant to Section 7.04(f) of the related Indenture and other matters incidental thereto or (iv) if such supplement, amendment or modification is in accordance with Section 8.01(c) or 8.01(d); provided further, however, that, if such supplement, amendment or modification (x) would directly or indirectly amend, modify or supersede, or otherwise conflict with, Section 2.02(b), 3.05(c), 3.05(e), 3.05(f), 3.05(m), 4.01(a)(ii) or 4.01(c), this proviso of Section 8.01(a), the last sentence of Section 8.01(a) or Section 8.01(c), 8.01(d) or 9.06 (collectively, the "Airline Provisions"), (y) would otherwise adversely affect the interests of any potential Replacement Liquidity Provider or of an Airline with respect to its ability to replace any Liquidity Facility or with respect to an Airline's payment obligations under any Operative Agreement or (z) is made pursuant to the last sentence of this Section 8.01(a) or pursuant to Section 8.01(c) or pursuant to Section 8.01(d), then such supplement, amendment or modification shall not be effective without the additional written consent of each affected Airline. Notwithstanding the foregoing, without the consent of each Certificateholder affected thereby and each Liquidity Provider, no supplement, amendment or modification of this Agreement may (i) reduce the percentage of the interest in any Trust evidenced by the Certificates issued by such Trust necessary to consent to modify or amend any provision of this Agreement or to waive compliance therewith or (ii) except as provided in the last sentence of this Section 8.01(a) or Section 8.01(c) or Section 8.01(d), modify Section 2.04, 3.02 or 3.03 hereof relating to the distribution of monies received by the Subordination Agent hereunder from the Equipment Notes or pursuant to the Liquidity Facilities. Nothing contained in this Section 8.01(a) shall require the consent of a Trustee at any time following the payment of Final Distributions with respect to the related Class of Certificates. If the Replacement Liquidity Facility for any Liquidity Facility is to be comprised of more than one instrument as contemplated by the definition of the term "Replacement Liquidity Facility", then each party hereto agrees to amend this Agreement and the other Operative Agreements to incorporate appropriate mechanics for multiple instruments for such Replacement Liquidity Facility for a single Trust (including without limitation clauses (i) and (ii) of Section 2.04(a) and clauses "first" through "fifth" of Section 3.02, in each case, with respect to the Replacement Liquidity Provider of such Replacement Liquidity Facility).

(a) In the event that the Subordination Agent, as the registered holder of any Equipment Notes, receives a request for the giving of notice or its consent to any amendment,

supplement, modification, approval, consent or waiver under such Equipment Notes, the Indenture pursuant to which such Equipment Notes were issued, the related Participation Agreement, any Guarantee or other related document, (i) if no Indenture Event of Default shall have occurred and be continuing with respect to such Indenture, the Subordination Agent shall request directions with respect to each series of such Equipment Notes from the Trustee of the Trust which holds such Equipment Notes and shall vote or consent in accordance with the directions of such Trustee and (ii) if any Indenture Event of Default shall have occurred and be continuing with respect to such Indenture, the Subordination Agent will exercise its voting rights as directed by the Controlling Party, subject to Sections 4.01 and 4.04. Notwithstanding the foregoing, without the consent of each Liquidity Provider and each affected Certificateholder holding Certificates representing a Fractional Undivided Interest in the Equipment Notes under the applicable Indenture held by the Subordination Agent, no such amendment, supplement, modification, approval, consent or waiver shall (i) reduce the principal amount of, Premium, if any, or interest on, any such Equipment Note under such Indenture (other than any change in the principal amount of any such Equipment Note in connection with any substitution pursuant to Section 7.04(f) of such Indenture); (ii) change the date on which any principal amount of, Premium, if any, or interest on any such Equipment Note under such Indenture, is due or payable; (iii) create any Lien with respect to the Collateral subject to such Indenture prior to or pari passu with the Lien thereon under such Indenture except such as are permitted by such Indenture; provided that, without the consent of each Certificateholder, no such amendment, supplement, modification, approval, consent or waiver shall modify Section 3.03 or Section 9.02(a)(3) of such Indenture or deprive any Certificateholder of the benefit of the Lien of such Indenture on such Collateral, except as provided in connection with the exercise of remedies under Article IV of such Indenture or as otherwise permitted by such Indenture; (iii) reduce the percentage of the outstanding principal amount of the Equipment Notes under such Indenture the consent of whose holders is required for any supplemental agreement, or the consent of whose holders is required for any waiver of compliance with certain provisions of such Indenture or of certain defaults thereunder or their consequences provided for in such Indenture; or (v) make any change in Section 4.05 or Section 9.02 of such Indenture, except to provide that certain other provisions of such Indenture cannot be modified or waived without the consent of each holder of an Equipment Note under such Indenture affected thereby.

(b) If (x) the Series B Equipment Notes (or any series of Additional Equipment Notes), with respect to all of the Aircraft for which Series B Equipment Notes (or such series of Additional Equipment Notes) are at the time outstanding, are redeemed and new Equipment Notes of a corresponding series are to be issued with respect to any or all of the Aircraft under the applicable Indentures or (y) at any time following the payment in full at maturity or otherwise of the Series B Equipment Notes (or any series of Additional Equipment Notes) with respect to all of the Aircraft for which Series B Equipment Notes (or such series of Additional Equipment Notes) are at the time outstanding and new Equipment Notes of a corresponding series are to be issued with respect to any or all of the Aircraft under the applicable Indentures, in each case in accordance with the terms of Section 2.02 of each such Indenture, such series of new Equipment Notes in each case (the “Refinancing Equipment Notes”) shall be issued to a new pass through trust (a “Refinancing Trust”) that issues a class of pass through certificates (the “Refinancing Certificates”) to certificateholders (each, a

Intercreditor Agreement (2020-1)

“Refinancing Certificateholder”) pursuant to a pass through trust agreement (a “Refinancing Trust Agreement”) with a trustee (a “Refinancing Trustee”). A Refinancing Trust, a Refinancing Trustee and the Refinancing Certificates shall be subject to all of the provisions of this Agreement in the same manner as the Trust, the Trustee and the Certificates of the Class corresponding to the series of the refinanced Equipment Notes, including, the subordination of the Refinancing Certificates to the extent provided herein to (A) in the case of any Refinancing Certificates issued in respect of Class B Certificates, the Administration Expenses, the Liquidity Obligations and the Class A Certificates and (B) in the case of any Refinancing Certificates issued in respect of any Additional Certificates, the Administration Expenses, the Liquidity Obligations, the Class A Certificates, the Class B Certificates, and, if applicable, any other class of Additional Certificates that rank senior, in priority of payment of “Expected Distributions” under this Agreement, to such Refinancing Certificates. Such issuance of Refinancing Equipment Notes and Refinancing Certificates and the amendment of this Agreement as provided below shall require Ratings Confirmation with respect to each Class of Certificates then rated by the Rating Agencies and shall not materially adversely affect any of the Trustees in their individual capacities or any of the Liquidity Providers. This Agreement shall be amended by written agreement of the Airlines and the Subordination Agent to give effect to the issuance of any Refinancing Certificates subject to the following terms and conditions:

(i) the Refinancing Trustee shall be added as a party to this Agreement;

(ii) the definitions of “Certificate”, “Class”, “Class B Certificates”, “Final Legal Distribution Date”, “Trust”, “Trust Agreement” and “Controlling Party” (and such other applicable definitions) shall be revised, as appropriate, to reflect such issuance (and the subordination, as applicable, of the Refinancing Certificates and the Refinancing Equipment Notes);

(iii) the Refinancing Certificates may have the benefit of credit support similar to the Liquidity Facilities or different therefrom and claims for fees, interest, expenses, reimbursement of advances and other obligations arising from such credit support (A) in the case of any Refinancing Certificates issued in respect of the Class B Certificates, may rank *pari passu* with similar claims in respect of the Class A Liquidity Facility and (B) in the case of any Refinancing Certificates issued in respect of any class of Additional Certificates shall be subordinated to the Administration Expenses and the Liquidity Obligations relating to each of the Class A Certificates, the Class B Certificates and any more senior, in priority of “Expected Distributions” under this Agreement, class of Additional Certificates; provided that, (x) in each case, Ratings Confirmation with respect to each Class of Certificates then rated by the Rating Agencies shall have been obtained and (y) in the case of clause (A) the prior written consent of the Class A Liquidity Provider shall have been obtained;

(iv) the Refinancing Certificates cannot be issued to an Airline but may be issued to any of an Airline’s Affiliates (other than the Parent or the other Airline) so long as such Affiliate shall have bankruptcy remote and special purpose provisions in its certificate of incorporation or other organizational documents and any subsequent transfer of such Refinancing Certificates from such Affiliate to any other Affiliate of an Airline shall be similarly restricted; and

Intercreditor Agreement (2020-1)

(v) the scheduled payment dates on the Refinancing Equipment Notes shall be the Regular Distribution Dates.

The issuance of the Refinancing Certificates in compliance with all of the foregoing terms in clauses (i) to (v) of this Section 8.01(c), and any amendment of any Guarantee described in Section 9.03 of the Indentures, shall be deemed to not materially adversely affect any of the Trustee's rights and obligations and shall not require the consent of any of the Trustees or the holders of any Class of Certificates. Each of the Liquidity Providers hereby agrees and confirms that it shall be deemed to consent to any issuance and amendment in accordance with this Section 8.01(c) (without prejudice to the consent rights of the Liquidity Providers described in the proviso to clause (iii) thereof) and that any such issuance and amendment shall not affect any of its respective obligations under the applicable Liquidity Facility, provided that a condition to the issuance of any Refinancing Certificates issued in respect of a Class of Certificates with a Liquidity Facility shall be the payment in full of all amounts owed to the Liquidity Provider under such Liquidity Facility and the termination of such Liquidity Facility upon the issuance of such Refinancing Certificates. The Subordination Agent shall deliver to each Trustee and each Liquidity Provider (other than the Liquidity Provider of such terminated Liquidity Facility) a copy of the amendments made to this Agreement and all opinions, certificates and other documents delivered in connection with the issuance of any Refinancing Certificates.

(c) Pursuant to the terms of Section 2.02 of each applicable Indenture, one or more additional series of Equipment Notes (the "Additional Equipment Notes"), which shall be subordinated in right of payment to the Series A Equipment Notes, the Series B Equipment Notes and, if applicable, one or more series of Additional Equipment Notes under such Indenture, may be issued at any time and from time to time with respect to any or all of the Aircraft. If any series of Additional Equipment Notes are issued under any Indenture, each such series of Additional Equipment Notes shall be issued to a new pass through trust (an "Additional Trust") that issues a class of pass through certificates (the "Additional Certificates") to certificateholders (each, an "Additional Certificateholder") pursuant to a pass through trust agreement (an "Additional Trust Agreement") with a trustee (an "Additional Trustee"). In such case, this Agreement, including without limitation Sections 2.04, 3.01 and 3.02 hereof, shall be amended by written agreement of the Airlines and the Subordination Agent to provide for the subordination of such class of Additional Certificates to, and to provide for distributions on the Additional Certificates after payment of, the Administration Expenses, the Liquidity Obligations, the Class A Certificates, the Class B Certificates and, if applicable, any other Additional Certificates that rank senior, in priority of payment of "Expected Distributions" under this Agreement, to such Additional Certificates (subject to clause (iii) below). Such issuance, and the amendment of this Agreement as provided below shall require Ratings Confirmation with respect to each Class of Certificates then rated by the Rating Agencies and shall not materially adversely affect any of the Trustees in their individual capacities or any of the Liquidity Providers. This Agreement shall be amended by written agreement of the Airlines and the Subordination Agent

Intercreditor Agreement (2020-1)

to give effect to the issuance of any Additional Certificates subject to the following terms and conditions:

(i) the Additional Trustee shall be added as a party to this Agreement;

(ii) the definitions of "Certificate", "Class", "Equipment Notes", "Final Legal Distribution Date", "Trust", "Trust Agreement", and "Controlling Party" (and such other applicable definitions) shall be revised, as appropriate, to reflect the issuance of the Additional Certificates (and the subordination thereof);

(iii) Section 3.02 may be revised, with respect to any class of Additional Certificates, to provide for the distribution of "Adjusted Interest" for such class of Additional Certificates (calculated in a manner substantially similar to the calculation of Class B Adjusted Interest) after the Class B Adjusted Interest (and, if applicable, after any "Adjusted Interest" for any Additional Certificates that rank senior, in priority of payment of "Expected Distributions" under this Agreement, to such Additional Certificates) but before Expected Distributions on the Class A Certificates;

(iv) the Additional Certificates may have the benefit of credit support similar to the Liquidity Facilities or different therefrom, provided that (A) claims for fees, interest, expenses, reimbursement of advances and other obligations arising from such credit support shall be subordinated to the Administration Expenses and the Liquidity Obligations relating to each of the Class A Certificates, Class B Certificates and any more senior, in priority of "Expected Distributions" under this Agreement, class of Additional Certificates, and (B) Ratings Confirmation with respect to each Class of Certificates then rated by the Rating Agencies shall have been obtained;

(v) the Additional Certificates may be rated by the Rating Agencies;

(vi) the Additional Certificates cannot be issued to an Airline but may be issued to any of an Airline's Affiliates (other than the Parent or the other Airline) so long as such Affiliate shall have bankruptcy remote and special purpose provisions in its certificate of incorporation or other organizational documents and any subsequent transfer of such Additional Certificates from such Affiliate to any other Affiliate of an Airline shall be similarly restricted; and

(vii) the scheduled payment dates on such series of Additional Equipment Notes shall fall on a Regular Distribution Date.

The issuance of the Additional Certificates in compliance with all of the foregoing terms in clauses (i) to (vii) of this Section 8.01(d), and any amendment of any Guarantee described in Section 9.03 of the Indentures, shall be deemed to not materially adversely affect any of the Trustee's rights and obligations and shall not require the consent of any of the Trustees or the holders of any Class of Certificates. Each of the Liquidity Providers hereby agrees and confirms that it shall be deemed to consent to any issuance and amendment in accordance with this Section 8.01(d) (without prejudice to the consent right of the Liquidity

Providers described in clause (iv)(1) thereof) and that any such issuance and amendment shall not affect any of its respective obligations under the applicable Liquidity Facility. The Subordination Agent shall deliver to each Trustee and each Liquidity Provider a copy of the amendments made to this Agreement and all opinions, certificates and other documents delivered in connection with the issuance of any Additional Certificates.

Section 8.02 Subordination Agent Protected. If, in the reasonable opinion of the institution acting as the Subordination Agent hereunder, any document required to be executed by it pursuant to the terms of Section 8.01 adversely affects any right, duty, immunity or indemnity with respect to such institution under this Agreement or any Liquidity Facility, the Subordination Agent may in its discretion decline to execute such document.

Section 8.03 Effect of Supplemental Agreements. Upon the execution of any amendment, consent or supplement hereto pursuant to the provisions hereof, this Agreement shall be and shall be deemed to be modified and amended in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Agreement of the parties hereto and beneficiaries hereof shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental agreement shall be and be deemed to be part of the terms and conditions of this Agreement for any and all purposes. In executing or accepting any supplemental agreement permitted by this Article VIII, the Subordination Agent shall be entitled to receive, and shall be fully protected in relying upon, an opinion of counsel stating that the execution of such supplemental agreement is authorized or permitted by this Agreement.

Section 8.04 Notice to Rating Agencies. Promptly following its receipt of each amendment, consent, modification, supplement or waiver contemplated by this Article VIII, the Subordination Agent shall send a copy thereof to each Rating Agency.

Each of the Airlines and the Liquidity Facility Providers agrees to assume all risks arising out of their use of digital signatures and electronic methods to submit communications to the Subordination Agent and any Trustee, including without limitation the risk of the Subordination Agent or such Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 9.04 Severability. To the extent permitted by applicable law, any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 9.05 No Oral Modifications or Continuing Waivers. No terms or provisions of this Agreement may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party or other Person against whom enforcement of the change, waiver, discharge or termination is sought and any other party or other Person whose consent is required pursuant to this Agreement and any waiver of the terms hereof shall be effective only in the specific instance and for the specific purpose given.

Section 9.06 Successors and Assigns. All covenants and agreements contained herein shall bind and inure to the benefit of, and be enforceable by, each of the parties hereto and the successors and permitted assigns of each, all as herein provided. In addition, the Airline Provisions shall inure to the benefit of the Airlines and their respective successors and permitted assigns, and (without limitation of the foregoing) each Airline is hereby constituted, and agreed to be, an express third party beneficiary of the Airline Provisions.

Section 9.08 Counterparts. This Agreement may be executed in any number of counterparts (and each party shall not be required to execute the same counterpart). Each counterpart of this Agreement including a signature page or pages executed by each of the parties hereto shall be an original counterpart of this Agreement, but all of such counterparts together constitute one instrument. The parties intend that faxed signatures hereto and electronically imaged signatures such as .pdf files shall constitute original signatures and are binding on all parties. The parties' original signatures hereto shall be promptly delivered, if requested.

Intercreditor Agreement (2020-1)

Section 9.09 Subordination. (a) As between the Liquidity Providers (and any additional liquidity providers in respect of any class of Refinancing Certificates or any Additional Certificates), on the one hand, and the Trustees (and any Refinancing Trustees or any Additional Trustees) and the Certificateholders (and any Refinancing Certificateholders or any Additional Certificateholders), on the other hand, and as among the Trustees (and any Refinancing Trustees or any Additional Trustee) and the related Certificateholders (and any Refinancing Certificateholders or any Additional Certificateholders) this Agreement shall be a subordination agreement for purposes of Section 510 of the Bankruptcy Code.

(a) Notwithstanding the provisions of this Agreement, if prior to the payment in full to the Liquidity Providers of all Liquidity Obligations then due and payable any party hereto shall have received any payment or distribution in respect of Equipment Notes or any other amount under the Indentures or other Operative Agreements which, had the subordination provisions of this Agreement been properly applied to such payment, distribution or other amount, would not have been distributed to such Person, then such payment, distribution or other amount shall be received and held in trust by such Person and paid over or delivered to the Subordination Agent for application as provided herein.

(b) If any Trustee, any Liquidity Provider or the Subordination Agent receives any payment in respect of any obligations owing or amounts distributable hereunder (or, in the case of the Liquidity Providers, in respect of the Liquidity Obligations), which is subsequently invalidated, declared preferential, set aside and/or required to be repaid to a trustee, receiver or other party, then, to the extent of such payment, such obligations or amounts (or, in the case of the Liquidity Providers, such Liquidity Obligations) intended to be satisfied shall be revived and continue in full force and effect as if such payment had not been received.

(c) The Trustees (on behalf of themselves and the holders of Certificates), the Liquidity Providers and the Subordination Agent expressly confirm and agree that the payment priorities and subordination specified in Articles II and III shall apply in all circumstances, notwithstanding (x) the fact that the obligations owed to the Trustees are secured by certain assets and the Liquidity Obligations may not be so secured or (y) the occurrence of an Airline Bankruptcy Event or any similar event or occurrence relating to any other Person (it being expressly agreed that the payment priorities and subordination specified in Articles II and III shall apply whether or not a claim for post-petition or post-filing interest is allowed in the proceedings resulting from such Airline Bankruptcy Event or other event or occurrence). The Trustees expressly agree (on behalf of themselves and the holders of Certificates) not to assert priority over the holders of Liquidity Obligations (except as specifically set forth in Section 3.02) due to their status as secured creditors in any bankruptcy, insolvency or other legal proceeding.

Intercreditor Agreement (2020-1)

(d) Each of the Trustees (on behalf of themselves and the holders of Certificates), the Liquidity Providers and the Subordination Agent may take any of the following actions without impairing its rights under this Agreement:

- (i) obtain a Lien on any property to secure any amounts owing to it hereunder, including, in the case of the Liquidity Providers, the Liquidity Obligations;
- (ii) obtain the primary or secondary obligation of any other obligor with respect to any amounts owing to it hereunder, including, in the case of the Liquidity Providers, any of the Liquidity Obligations;
- (iii) renew, extend, increase, alter or exchange any amounts owing to it hereunder, including, in the case of the Liquidity Providers, any of the Liquidity Obligations, or release or compromise any obligation of any obligor with respect thereto;
- (iv) refrain from exercising any right or remedy, or delay in exercising any right or remedy, which it may have; or
- (v) take any other action which might discharge a subordinated party or a surety under applicable law;

provided, however, that the taking of any such actions by any of the Trustees, the Liquidity Providers or the Subordination Agent shall not prejudice the rights or adversely affect the obligations of any other party under this Agreement.

Section 9.10 Governing Law. **THIS AGREEMENT HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.**

Section 9.11 Submission to Jurisdiction; Waiver of Jury Trial; Waiver of Immunity. (a) Each of the parties hereto, to the extent it may do so under applicable law, for purposes hereof and of all other Operative Agreements hereby (i) irrevocably submits itself to the non-exclusive jurisdiction of the courts of the State of New York sitting in the City of New York and to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York, for the purposes of any suit, action or other proceeding arising out of this Agreement, the subject matter hereof or any of the transactions contemplated hereby brought by any party or parties hereto or thereto, or their successors or permitted assigns, (ii) waives, and agrees not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter hereof or any of the transactions contemplated hereby may not be enforced in or by such courts, and (iii) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

(a) EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT AND

Intercreditor Agreement (2020-1)

THE RELATIONSHIP THAT IS BEING ESTABLISHED, including, without limitation, contract claims, tort claims, breach of duty claims and all other common law and statutory claims. Each of the parties warrants and represents that it has reviewed this waiver with its legal counsel, and that it knowingly and voluntarily waives its jury trial rights following consultation with such legal counsel. **TO THE EXTENT PERMITTED BY APPLICABLE LAW, THIS WAIVER IS IRREVOCABLE AND CANNOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT.**

(b) To the extent that any Liquidity Provider or any of its properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, and whether under the United States Foreign Sovereign Immunities Act of 1976 (or any successor legislation) or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon this Agreement, including, without limitation, immunity from suit or service of process, immunity from jurisdiction or judgment of any court or tribunal or execution of a judgment, or immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, each of the Class A Liquidity Provider and the Class B Liquidity Provider, hereby irrevocably and expressly waives any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere.

Section 9.12 Non-Petition. Each Liquidity Provider covenants that until one year and one day after the Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing any Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against such Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of such Trust or any substantial part of its property or ordering the winding up or liquidation of the affairs of such Trust.

Section 9.13 U.S.A. Patriot Act. The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Subordination Agent, like all financial institutions, in order to help fight the funding of terrorism and money laundering, is required to obtain, verify and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Subordination Agent. Each party to this Agreement agrees for itself that it will provide the Subordination Agent with such information relating to such party as it may reasonably request in order for the Subordination Agent to satisfy the requirements of the U.S.A. Patriot Act.

ARTICLE II

AMOUNT AND TERMS OF THE COMMITMENT

Section 2.01 **The Advances.** The Liquidity Provider hereby irrevocably agrees, on the terms and conditions hereinafter set forth, to make Advances to the Borrower from time to time on any Business Day during the period from the Effective Date until 12:00 noon (New York City time) on the Expiry Date (unless the obligations of the Liquidity Provider shall be earlier terminated in accordance with the terms of Section 2.04(b)) in an aggregate amount at any time outstanding not to exceed the Maximum Commitment.

Section 2.02 **Making of Advances.** (a) Each Interest Advance shall be made by the Liquidity Provider upon delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of **Annex I**, signed by a Responsible Officer of the Borrower, such Interest Advance to be in an amount not exceeding the Maximum Available Commitment at such time and used solely for the payment when due of interest with respect to the Class A Certificates at the Stated Interest Rate therefor in accordance with Section 3.05(a) and 3.05(b) of the Intercreditor Agreement. Each Interest Advance made hereunder shall automatically reduce the Maximum Available Commitment and the amount available to be borrowed hereunder by subsequent Advances by the amount of such Interest Advance (subject to reinstatement as provided in the next sentence). Upon repayment to the Liquidity Provider in full or in part of the amount of any Interest Advance made pursuant to this Section 2.02(a), together with accrued interest thereon (as provided herein), the Maximum Available Commitment shall be reinstated by an amount equal to the amount of such Interest Advance so repaid, but not to exceed the Maximum Commitment; provided, however, that the Maximum Available Commitment shall not be so reinstated at any time if (x) both a Performing Note Deficiency exists and a Liquidity Event of Default shall have occurred and be continuing or (y) a Final Advance, a Downgrade Advance, a Non-Extension Advance or a Special Termination Advance shall have occurred, except as provided in Section 2.06(d) with respect to a Downgrade Drawing.

(a) (i) A Non-Extension Advance shall be made by the Liquidity Provider in a single Borrowing if this Agreement is not extended in accordance with Section 3.05(d) of the Intercreditor Agreement unless a Replacement Liquidity Facility to replace this Agreement shall have been previously delivered to the Borrower in accordance with said Section 3.05(d), upon delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of **Annex II**, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the Class A Cash Collateral Account in accordance with Sections 3.05(d) and 3.05(f) of the Intercreditor Agreement.

(ii) A Downgrade Advance shall be made by the Liquidity Provider in a single Borrowing upon this Liquidity Facility becoming a Downgraded Facility (as provided for in Section 3.05(c) of the Intercreditor Agreement) unless a Replacement Liquidity Facility to replace this Agreement shall have been previously delivered to the Borrower in accordance with said Section 3.05(c), upon delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of **Annex III**, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the Class A Cash Collateral Account in accordance with Sections 3.05(c) and 3.05(f) of the Intercreditor Agreement.

(b) A Final Advance shall be made by the Liquidity Provider in a single Borrowing following the receipt by the Borrower of a Termination Notice from the Liquidity Provider pursuant to Section 6.01(a) upon delivery to the Liquidity Provider of a written and

completed Notice of Borrowing in substantially the form of **Annex IV**, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the Class A Cash Collateral Account in accordance with Sections 3.05(f) and 3.05(i) of the Intercreditor Agreement.

(c) A Special Termination Advance shall be made in a single Borrowing upon the receipt by the Borrower of a Special Termination Notice from the Liquidity Provider pursuant to Section 6.01(b), by delivery to the Liquidity Provider of a written and completed Notice of Borrowing in substantially the form of **Annex V**, signed by a Responsible Officer of the Borrower, in an amount equal to the Maximum Available Commitment at such time, and shall be used to fund the Class A Cash Collateral Account in accordance with Section 3.05(f) and Section 3.05(k) of the Intercreditor Agreement.

(d) Each Borrowing shall be made by notice in writing (a "**Notice of Borrowing**") in substantially the form required by Section 2.02(a), 2.02(b), 2.02(c) or 2.02(d), as the case may be, given by the Borrower to the Liquidity Provider. If a Notice of Borrowing is delivered by the Borrower in respect of any Borrowing no later than 12:30 p.m. (New York City time) on a Business Day, upon satisfaction of the conditions precedent set forth in Section 4.02 with respect to such requested Borrowing, the Liquidity Provider shall make available to the Borrower, in accordance with its payment instructions, the amount of such Borrowing in Dollars and immediately available funds, before 4:00 p.m. (New York City time) on such Business Day or before 12:30 p.m. (New York City time) on such later Business Day specified in such Notice of Borrowing. If a Notice of Borrowing is delivered by the Borrower in respect of any Borrowing after 12:30 p.m. (New York City time) on a Business Day, upon satisfaction of the conditions precedent set forth in Section 4.02 with respect to such requested Borrowing, the Liquidity Provider shall make available to the Borrower, in accordance with its payment instructions, the amount of such Borrowing in Dollars and immediately available funds, before 1:00 p.m. (New York City time) on the first Business Day next following the day of receipt of such Notice of Borrowing or on such later Business Day specified by the Borrower in such Notice of Borrowing. Payments of proceeds of a Borrowing shall be made by wire transfer of immediately available funds to the Borrower in accordance with such wire transfer instructions as the Borrower shall furnish from time to time to the Liquidity Provider for such purpose. Each Notice of Borrowing shall be irrevocable and binding on the Borrower. Each Notice of Borrowing shall be effective upon delivery of a copy thereof to the Liquidity Provider at the address and in the manner specified in Section 7.02 hereof.

(e) Upon the making of any Advance requested pursuant to a Notice of Borrowing in accordance with the Borrower's payment instructions, the Liquidity Provider shall be fully discharged of its obligation hereunder with respect to such Notice of Borrowing, and the Liquidity Provider shall not thereafter be obligated to make any further Advances hereunder in respect of such Notice of Borrowing to the Borrower or to any other Person (including the Class A Trustee or any Class A Certificateholder). If the Liquidity Provider makes an Advance requested pursuant to a Notice of Borrowing before 12:00 noon (New York City time) on the second Business Day after the date of payment specified in Section 2.02(e), the Liquidity Provider shall have fully discharged its obligations hereunder with respect to such Advance and an event of default shall not have occurred hereunder. Following the making of any Advance

pursuant to Section 2.02(b), 2.02(c) or 2.02(d) to fund the Class A Cash Collateral Account, the Liquidity Provider shall have no interest in or rights to the Class A Cash Collateral Account, such Advance or any other amounts from time to time on deposit in the Class A Cash Collateral Account; provided that the foregoing shall not affect or impair the obligations of the Subordination Agent to make the distributions contemplated by Section 3.05(c)(v), 3.05(e) or 3.05(f) of the Intercreditor Agreement and provided, further, that the foregoing shall not affect or impair the rights of the Liquidity Provider to provide written instructions with respect to the investment and reinvestment of amounts in the Class A Cash Collateral Account to the extent the Liquidity Provider is entitled to do so pursuant to Section 2.2(b) of the Intercreditor Agreement. By paying to the Borrower proceeds of Advances requested by the Borrower in accordance with the provisions of this Agreement, the Liquidity Provider makes no representation as to, and assumes no responsibility for, the correctness or sufficiency for any purpose of the amount of the Advances so made and requested.

Section 2.03 Fees. The Borrower agrees to pay to the Liquidity Provider the fees set forth in the Fee Letter.

Section 2.04 Reduction or Termination of the Maximum Commitment. (a) Automatic Reduction. Promptly following each date on which the Required Amount is reduced as a result of a reduction in the Pool Balance of the Class A Certificates, the Maximum Commitment shall automatically be reduced to an amount equal to such reduced Required Amount (as calculated by the Borrower). The Borrower shall give notice of any such automatic reduction of the Maximum Commitment to the Liquidity Provider and the Airlines within two Business Days thereof. The failure by the Borrower to furnish any such notice shall not affect any such automatic reduction of the Maximum Commitment.

(a) Termination. Upon the making of any Provider Advance or Special Termination Advance or the making of or conversion to a Final Advance hereunder or the occurrence of the Termination Date, the obligation of the Liquidity Provider to make further Advances hereunder shall automatically and irrevocably terminate, and the Borrower shall not be entitled to request any further Borrowing hereunder, except in the case of a Downgrade Advance, as provided in Section 2.06(d).

Section 2.05 Repayments of Interest Advances, the Special Termination Advance or the Final Advance. Subject to Sections 2.06, 2.07 and 2.09 hereof, the Borrower hereby agrees, without notice of an Advance or demand for repayment from the Liquidity Provider (which notice and demand are hereby waived by the Borrower), to pay, or to cause to be paid, to the Liquidity Provider (a) on each date on which the Liquidity Provider shall make an Interest Advance, the Special Termination Advance or the Final Advance, an amount equal to the amount of such Advance (any such Advance, until repaid, is referred to herein as an "**Unpaid Advance**"), plus (b) interest on the amount of each such Unpaid Advance in the amounts and on the dates determined as provided in Section 3.07; provided that if (i) the Liquidity Provider shall make a Provider Advance at any time after making one or more Interest Advances which shall not have been repaid in accordance with this Section 2.05 or (ii) this Liquidity Facility shall become a Downgraded Facility or Non-Extended Facility at any time when unreimbursed Interest Advances have reduced the Maximum Available Commitment to zero, then such Interest

Advances shall cease to constitute Unpaid Advances and shall be deemed to have been changed into an Applied Downgrade Advance or an Applied Non-Extension Advance, as the case may be, for all purposes of this Agreement (including, without limitation, for the purpose of determining when such Interest Advance is required to be repaid to the Liquidity Provider in accordance with Section 2.06 and for the purposes of Section 2.06(b)); provided, further, that amounts in respect of a Special Termination Advance withdrawn from the Class A Cash Collateral Account for the purpose of paying interest on the Class A Certificates in accordance with Section 3.05(f) of the Intercreditor Agreement (the portion of the outstanding Special Termination Advance equal to the amount of any such withdrawal, but not in excess of the outstanding Special Termination Advance, being an “**Applied Special Termination Advance**”) shall thereafter (subject to Section 2.06(b)) be treated as an Interest Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon; provided, further, that if, following the making of a Special Termination Advance, the Liquidity Provider delivers a Termination Notice to the Borrower pursuant to Section 6.01(a), such Special Termination Advance (including any portion thereof that is an Applied Special Termination Advance) shall thereafter be treated as a Final Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon; and, provided, further, that if, after making a Provider Advance, the Liquidity Provider delivers a Special Termination Notice to the Borrower pursuant to Section 6.01(b), any Unapplied Provider Advance shall be converted to and treated as a Special Termination Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon and the obligation for repayment thereof under the Intercreditor Agreement. The Borrower and the Liquidity Provider agree that the repayment in full of each Interest Advance, Special Termination Advance and Final Advance on the date such Advance is made is intended to be a contemporaneous exchange for new value given to the Borrower by the Liquidity Provider. For the avoidance of doubt, interest payable on an Interest Advance, Special Termination Advance or the Final Advance shall not be regarded as overdue unless such interest is not paid when due under Section 3.07.

Section 2.06 Repayments of Provider Advances. (a) Amounts advanced hereunder in respect of a Provider Advance shall be deposited in the Class A Cash Collateral Account and invested and withdrawn from the Class A Cash Collateral Account as set forth in Sections 3.05(c), 3.05(d), 3.05(e) and 3.05(f) of the Intercreditor Agreement. Subject to Sections 2.07 and 2.09, the Borrower agrees to pay to the Liquidity Provider, on each Regular Distribution Date, commencing on the first Regular Distribution Date after the making of a Provider Advance, interest on the principal amount of any such Provider Advance, in the amounts determined as provided in Section 3.07; provided, however, that amounts in respect of a Provider Advance withdrawn from the Class A Cash Collateral Account for the purpose of paying interest on the Class A Certificates in accordance with Section 3.05(f) of the Intercreditor Agreement (the amount of any such withdrawal being (y), in the case of a Downgrade Advance, an “**Applied Downgrade Advance**” and (z) in the case of a Non-Extension Advance, an “**Applied Non-Extension Advance**” and together with an Applied Downgrade Advance, an “**Applied Provider Advance**”) shall thereafter (subject to Section 2.06(b)) be treated as an Interest Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon; provided, further, however, that if, following the making of a Provider Advance, the Liquidity Provider delivers a Termination Notice to the Borrower pursuant to Section 6.01(a), such Provider Advance shall thereafter be treated as a Final Advance under this Agreement for

purposes of determining the Applicable Liquidity Rate for interest payable thereon. Subject to Sections 2.07 and 2.09, immediately upon the withdrawal of any amounts from the Class A Cash Collateral Account on account of a reduction in the Required Amount, the Borrower shall repay to the Liquidity Provider a portion of the Provider Advances in a principal amount equal to such reduction, plus interest on the principal amount so repaid as provided in Section 3.07.

(a) At any time when an Applied Provider Advance or Applied Special Termination Advance (or any portion thereof) is outstanding, upon the deposit in the Class A Cash Collateral Account of any amount pursuant to clause "fourth" of Section 3.02 of the Intercreditor Agreement (any such amount being a "**Replenishment Amount**") for the purpose of replenishing or increasing the balance thereof up to the Required Amount at such time, (i) the aggregate outstanding principal amount of all Applied Provider Advances and Applied Special Termination Advances (and of Provider Advances and Special Termination Advances treated as Interest Advances for purposes of determining the Applicable Liquidity Rate for interest payable thereon) shall be automatically reduced by the amount of such Replenishment Amount, and (ii) the aggregate outstanding principal amount of all Unapplied Provider Advances shall be automatically increased by the amount of such Replenishment Amount.

(b) Upon the provision of a Replacement Liquidity Facility in replacement of this Agreement in accordance with Section 3.05(e) of the Intercreditor Agreement, as provided in Section 3.05(f) of the Intercreditor Agreement, amounts remaining on deposit in the Class A Cash Collateral Account after giving effect to any Applied Provider Advance or Applied Special Termination Advance on the date of such replacement shall be reimbursed to the Liquidity Provider, but only to the extent such amounts are necessary to repay in full to the Liquidity Provider all amounts owing to it hereunder.

(c) If, at any time after making a Downgrade Advance, the Liquidity Provider satisfies the Threshold Rating and delivers written notice to that effect to the Borrower and the Airlines, as of the second Business Day following receipt of such notice, (i) this Liquidity Facility shall cease to be a Downgraded Facility, (ii) any Unapplied Downgrade Advance shall be withdrawn from the Class A Cash Collateral Account and reimbursed to the Liquidity Provider, (iii) any Applied Downgrade Advance shall be converted to an Interest Advance, (iv) the Maximum Available Commitment shall be reinstated by an amount equal to the amount of such Unapplied Downgrade Advance so reimbursed, but not to exceed the Maximum Commitment, and the obligation of the Liquidity Provider to make Advances shall be reinstated in an equal amount, (v) the Borrower shall be entitled to request Borrowings and (vi) the proviso in the definition of Maximum Available Commitment and clause (y) of the proviso in the final sentence of Section 2.02(a) shall, in each case, no longer apply to such Downgrade Advance.

Section 2.07 Payments to the Liquidity Provider Under the Intercreditor Agreement. In order to provide for payment or repayment to the Liquidity Provider of any amounts hereunder, the Intercreditor Agreement provides that amounts available and referred to in Articles II and III of the Intercreditor Agreement, to the extent payable to the Liquidity Provider pursuant to the terms of the Intercreditor Agreement (including, without limitation, Section 3.05(f) of the Intercreditor Agreement), shall be paid to the Liquidity Provider in accordance with the terms thereof (but, for the avoidance of doubt, without duplication of or increase in any amounts

payable hereunder). Amounts so paid to the Liquidity Provider shall be applied by the Liquidity Provider in the order of priority required by the applicable provisions of Articles II and III of the Intercreditor Agreement and shall discharge in full the corresponding obligations of the Borrower hereunder.

Section 2.08 Book Entries. The Liquidity Provider shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower resulting from Advances made from time to time and the amounts of principal and interest payable hereunder and paid from time to time in respect thereof; provided, however, that the failure by the Liquidity Provider to maintain such account or accounts shall not affect the obligations of the Borrower in respect of Advances.

Section 2.09 Payments from Available Funds Only. All payments to be made by the Borrower under this Agreement shall be made only from the amounts that constitute Scheduled Payments, Special Payments and other payments under the Operative Agreements, including payment under Section 4.02 of the Participation Agreements and payments under Section 2.14 of the Indentures, and only to the extent that the Borrower shall have sufficient income or proceeds therefrom to enable the Borrower to make payments in accordance with the terms hereof after giving effect to the priority of payments provisions set forth in the Intercreditor Agreement. The Liquidity Provider agrees that it will look solely to such amounts to the extent available for distribution to it as provided in the Intercreditor Agreement and this Agreement and that the Borrower, in its individual capacity, is not personally liable to it for any amounts payable or liability under this Agreement except as expressly provided in this Agreement, the Intercreditor Agreement or any Participation Agreement. Amounts on deposit in the Class A Cash Collateral Account shall be available to the Borrower to make payments under this Agreement only to the extent and for the purposes expressly contemplated in Section 3.05(f) of the Intercreditor Agreement.

Section 2.10 Extension of the Expiry Date; Non-Extension Advance. If the Liquidity Provider notifies the Borrower and the Airlines in writing before the 60th day prior to any anniversary date of the Closing Date that occurs prior to the 15th day after the Final Legal Distribution Date for the Class A Certificates (such notice, a “**Non-Extension Notice**”) that its obligations to make Advances hereunder shall not be extended beyond the immediately following anniversary date of the Closing Date (and if the Liquidity Provider shall not have been replaced in accordance with Section 3.05(e) of the Intercreditor Agreement), the Borrower shall be entitled on and after the 25th day prior to such anniversary date (but prior to such anniversary date and in any event prior to the then applicable Expiry Date) to request a Non-Extension Advance in accordance with Section 2.02(b)(i) hereof and Section 3.05(d) of the Intercreditor Agreement.

ARTICLE III

OBLIGATIONS OF THE BORROWER

Section 3.01 Increased Costs. Without duplication of any rights created by Section 3.03, if as a result of any Regulatory Change there shall be any increase by an amount reasonably

deemed by the Liquidity Provider to be material in the actual cost to the Liquidity Provider of making, funding or maintaining any Advances or its obligation to make any such Advances or there shall be any reduction by an amount reasonably deemed by the Liquidity Provider to be material in the amount receivable by the Liquidity Provider under this Agreement or the Intercreditor Agreement in respect thereof, and in case of either such an increase or reduction, such event does not arise from the gross negligence or willful misconduct of the Liquidity Provider, from its breach of any of its representations, warranties, covenants or agreements contained herein or in the Intercreditor Agreement or from its failure to comply with any such Regulatory Change (any such increase or reduction being referred to herein as an “**Increased Cost**”), then, subject to Sections 2.07 and 2.09, the Borrower shall from time to time pay to the Liquidity Provider an amount equal to such Increased Cost within 10 Business Days after delivery to the Borrower and the Airlines of a certificate of an officer of the Liquidity Provider describing in reasonable detail the event by reason of which it claims such Increased Cost and the basis for the determination of the amount of such Increased Cost; provided that the Borrower shall be obligated to pay amounts only with respect to any Increased Costs accruing from the date 120 days prior to the date of delivery of such certificate. Such certificate, in the absence of manifest error, shall be considered prima facie evidence of the amount of the Increased Costs for purposes of this Agreement; provided that any determinations and allocations by the Liquidity Provider of the effect of any Regulatory Change on the costs of maintaining the Advances or the obligation to make Advances are made on a reasonable basis. For the avoidance of doubt, the Liquidity Provider shall not be entitled to assert any claim under this Section 3.01 in respect of or attributable to Excluded Taxes. The Liquidity Provider will notify the Borrower and the Airlines as promptly as practicable of any event occurring after the date of this Agreement that will entitle the Liquidity Provider to compensation under this Section 3.01. The Liquidity Provider agrees to investigate all commercially reasonable alternatives for reducing any Increased Costs and to use all commercially reasonable efforts to avoid or minimize, to the greatest extent possible, any claim in respect of Increased Costs, including, without limitation, by designating a different Lending Office, if such designation or other action would avoid the need for, or reduce the amount of, any such claim; provided that the foregoing shall not obligate the Liquidity Provider to take any action that would, in its reasonable judgment, cause the Liquidity Provider to take any action that is not materially consistent with its internal policies or is otherwise materially disadvantageous to the Liquidity Provider or that would cause the Liquidity Provider to incur any material loss or cost, unless the Borrower or the Airlines agree to reimburse or indemnify the Liquidity Provider therefor. If no such designation or other action is effected, or, if effected, such notice fails to avoid the need for any claim in respect of Increased Costs, the Airlines may arrange for a Replacement Liquidity Facility in accordance with Section 3.05(e) of the Intercreditor Agreement.

Notwithstanding the foregoing provisions, in no event shall the Borrower be required to make payments under this Section 3.01: (a) in respect of any Regulatory Change proposed by any applicable governmental authority (including any branch of a legislature), central bank or comparable agency of the United States or the Liquidity Provider’s jurisdiction of organization or in which its Lending Office is located and pending as of the date of this Agreement (it being agreed that the Regulatory Changes contemplated by (i) the frameworks published by the Basel Committee on Banking Supervision entitled “Basel III: A global regulatory framework for more resilient banks and banking systems” dated December 2010 (revised June 2011) and “Basel III:

The Liquidity Coverage Ratio and liquidity risk monitoring tools,” dated January 2013 and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith, shall not be considered to have been proposed or pending as of the date of this Agreement); (b) if a claim hereunder in respect of an Increased Cost arises through circumstances peculiar to the Liquidity Provider and that do not affect similarly organized commercial banking institutions in the same jurisdiction generally that are in compliance with the law, rule, regulation or interpretation giving rise to the Regulatory Change relating to such Increased Cost; (c) if the Liquidity Provider shall fail to comply with its obligations under this Section 3.01 or (d) if the Liquidity Provider is not also seeking payment for similar increased costs in other similarly situated transactions related to the airline industry.

Section 3.02 Reserved.

Section 3.03 Withholding Taxes. (a) All payments made by the Borrower under this Agreement shall be made without deduction or withholding for or on account of any Taxes, unless such deduction or withholding is required by law. If any Taxes are so required to be withheld or deducted from any amounts payable to the Liquidity Provider under this Agreement, then, subject to Sections 2.07 and 2.09, the Borrower shall pay to the relevant authorities the full amount so required to be deducted or withheld and, without duplication of any rights created by Section 3.01, if such Taxes are Covered Taxes, pay to the Liquidity Provider such additional amounts as shall be necessary to ensure that the net amount actually received by the Liquidity Provider (after deduction or withholding of all Covered Taxes) shall be equal to the full amount that would have been received by the Liquidity Provider had no withholding or deduction of Covered Taxes been required. If any Covered Taxes for which the Borrower is obligated to pay any additional amounts to the Liquidity Provider pursuant to the immediately preceding sentence were required by law to be withheld and were not withheld and deposited with the relevant authorities on a timely basis, the Borrower shall, after written demand from the Liquidity Provider therefor describing in reasonable detail the subject of such demand, promptly pay to the Liquidity Provider such additional amounts equal to the amount of any such Covered Taxes asserted directly against the Liquidity Provider as a result of such failure to withhold, together with any related penalties and interest. Within 30 days after the date of any such payment by the Borrower to the relevant authorities, the Borrower shall furnish to the Liquidity Provider the original or a certified copy of (or other documentary evidence of) the payment of the Taxes applicable to such payment. The Liquidity Provider agrees to use commercially reasonable efforts (consistent with applicable legal and regulatory restrictions) to change the jurisdiction of its Lending Office if making such change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the reasonable judgment of the Liquidity Provider, be otherwise materially disadvantageous to the Liquidity Provider.

If the Liquidity Provider receives a refund of any Taxes for which additional amounts were paid by the Borrower pursuant to this Section 3.03, the Liquidity Provider shall pay to the Borrower (for deposit into the Collection Account) the amount of such refund (and any interest thereon), net of all related out-of-pocket expenses. The Borrower, upon the request of the Liquidity Provider, shall repay to the Liquidity Provider the amount paid over pursuant to this paragraph (plus any penalties, interest or other charges imposed by the relevant governmental or

taxing authority) in the event that the Liquidity Provider is required to repay such refund to such governmental or taxing authority. Notwithstanding anything to the contrary in this paragraph, in no event will the Liquidity Provider be required to pay any amount to the Borrower pursuant to this paragraph the payment of which would place the Liquidity Provider in a less favorable net after-Tax position than the Liquidity Provider would have been in if the Tax subject to payment of additional amounts and giving rise to such refund had not been deducted, withheld or otherwise imposed and the additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require the Liquidity Provider to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

The Liquidity Provider will (i) provide (on its behalf and on behalf of any participant holding a Participation pursuant to Section 7.08) to the Borrower (x) on or prior to the Effective Date two valid completed and executed copies of Internal Revenue Service Form W-9, W-8BEN-E or W-8ECI (whichever is applicable), including thereon a valid U.S. taxpayer identification number (or, with respect to any such participant, such other form or documentation as may be applicable) covering all amounts receivable by it in connection with the transactions contemplated by the Operative Agreements and (y) thereafter from time to time such additional forms or documentation as may be necessary to establish an available exemption from withholding of United States Tax on payments hereunder so that such forms or documentation are effective for all periods during which it is the Liquidity Provider and (ii) provide timely notice to the Borrower if any such form or documentation is or becomes inaccurate. The Liquidity Provider shall deliver to the Borrower such other forms or documents as may be reasonably requested by the Borrower or required by applicable law to establish that payments hereunder are exempt from or entitled to a reduced rate of Covered Taxes.

(a) All payments (including, without limitation, Advances) made by the Liquidity Provider under this Agreement shall be made free and clear of, and without reduction for or on account of, any Taxes. If any Taxes are required to be withheld or deducted from any amounts payable to the Borrower under this Agreement, the Liquidity Provider shall (i) within the time prescribed therefor by applicable law pay to the appropriate governmental or taxing authority the full amount of any such Taxes (and any additional Taxes in respect of the additional amounts payable under clause (ii) hereof) and make such reports or returns in connection therewith at the time or times and in the manner prescribed by applicable law, and (ii) pay to the Borrower an additional amount which (after deduction of all such Taxes) will be sufficient to yield to the Borrower the full amount which would have been received by it had no such withholding or deduction been made. Within 30 days after the date of each payment hereunder, the Liquidity Provider shall furnish to the Borrower the original or a certified copy of (or other documentary evidence of) the payment of the Taxes applicable to such payment.

On or before the Closing Date, the Borrower shall provide the Liquidity Provider with its fully executed Internal Revenue Service Form W-9, evidencing a complete exemption from U.S. federal withholding tax and backup withholding. If any exemption from, or reduction in the rate of, any Taxes required to be borne by the Liquidity Provider under this Section 3.03(b) is reasonably available to the Borrower without providing any information regarding the holders or beneficial owners of the Certificates, the Borrower shall deliver the Liquidity Provider such form

or forms and such other evidence of the eligibility of the Borrower for such exemption or reductions (but without any requirement to provide any information regarding the holders or beneficial owners of the Certificates) as the Liquidity Provider may reasonably identify to the Borrower as being required as a condition to exemption from, or reduction in the rate of, such Taxes.

(b) If a payment made hereunder to the Liquidity Provider would be subject to U.S. federal withholding Tax imposed by FATCA if the Liquidity Provider were to fail to comply with the applicable reporting requirement of FATCA (including without limitation those contained in Section 1471(b) or 1472(b) of the Code, as applicable), the Liquidity Provider shall deliver to the Borrower at the time or times prescribed by law and at such time or times reasonably requested by the Borrower such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower as may be necessary for the Borrower to comply with the Borrower's obligations under FATCA and to determine whether the Liquidity Provider has complied with the Liquidity Provider's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Section 3.04 Payments. Subject to Sections 2.07 and 2.09, the Borrower shall make or cause to be made each payment to the Liquidity Provider under this Agreement so as to cause the same to be received by the Liquidity Provider not later than 1:00 p.m. (New York City time) on the day when due. The Borrower shall make all such payments in Dollars, to the Liquidity Provider in immediately available funds, by wire transfer to the account of Crédit Agricole Corporate and Investment Bank, acting through its New York Branch, at Crédit Agricole Corporate and Investment Bank, N.A., ABA [***], Account No.: [***], Account Name: [***], Attention: [***], Reference to: Alaska 2020-1A EETC; or to such other U.S. bank account as the Liquidity Provider may from time to time direct the Subordination Agent.

Section 3.05 Computations. All computations of interest based on the Base Rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and all computations of interest based on the LIBOR Rate shall be made on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable.

Section 3.06 Payment on Non-Business Days. Whenever any payment to be made hereunder shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and no additional interest shall be due as a result (and if so made, shall be deemed to have been made when due). If any payment in respect of interest on an Advance is so deferred to the next succeeding Business Day, such deferral shall not delay the commencement of the next Interest Period for such Advance (if such Advance is a LIBOR Advance) or reduce the number of days for which interest will be payable on such Advance on the next Interest Payment Date for such Advance.

Section 3.07 **Interest.** (a) Subject to Sections 2.07 and 2.09, the Borrower shall pay, or shall cause to be paid, without duplication, interest on (i) the unpaid principal amount of each Advance from and including the date of such Advance (or, in the case of an Applied Provider Advance or Applied Special Termination Advance, from and including the date on which the amount thereof was withdrawn from the Class A Cash Collateral Account to pay interest on the Class A Certificates) to but excluding the date such principal amount shall be paid in full (or, in the case of an Applied Provider Advance or Applied Special Termination Advance, the date on which the Class A Cash Collateral Account is fully replenished in respect of such Advance) and (ii), to the extent permitted by law, any other amount due hereunder (whether fees, commissions, expenses or other amounts or installments of interest on Advances or any such other amount) that is not paid when due (whether at stated maturity, by acceleration or otherwise) from and including the due date thereof to but excluding the date such amount is paid in full, in each such case, at the interest rate per annum for each day that such amount remains overdue and unpaid equal to the Applicable Liquidity Rate for such Advance or such other amount, as the case may be, as in effect for such day, but in no event in any case referred to in clause (i) or (ii) above at a rate per annum greater than the maximum rate permitted by applicable law; provided, however, that, if at any time the otherwise applicable interest rate as set forth in this Section 3.07 shall exceed the maximum rate permitted by applicable law, then to the maximum extent permitted by applicable law any subsequent reduction in such interest rate will not reduce the rate of interest payable pursuant to this Section 3.07 below the maximum rate permitted by applicable law until the total amount of interest accrued equals the absolute amount of interest that would have accrued (without additional interest thereon) if such otherwise applicable interest rate as set forth in this Section 3.07 had at all relevant times been in effect.

(a) Each Advance (other than a Provider Advance or a Special Termination Advance) will be a Base Rate Advance for the period from the date of its Borrowing to (but excluding) the third Business Day following the Liquidity Provider's receipt of the Notice of Borrowing for such Advance. Thereafter, such Advance shall be a LIBOR Advance, and an Applied Provider Advance and an Applied Special Termination Advance shall be a LIBOR Advance from the date of its withdrawal from the Class A Cash Collateral Account unless the Borrower elects otherwise.

(b) Each LIBOR Advance shall bear interest during each Interest Period at a rate per annum equal to the LIBOR Rate for such Interest Period plus the Applicable Margin for such LIBOR Advance, payable in arrears on the last day of such Interest Period and, in the event of the payment of principal of such LIBOR Advance on a day other than such last day, on the date of such payment (to the extent of interest accrued on the amount of principal repaid).

(c) Each Base Rate Advance shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin for such Base Rate Advance, payable in arrears on each Regular Distribution Date and, in the event of the payment of principal of such Base Rate Advance on a day other than a Regular Distribution Date, on the date of such payment (to the extent of interest accrued on the amount of principal repaid).

(d) Each outstanding Unapplied Non-Extension Advance, Unapplied Downgrade Advance or Unapplied Special Termination Advance (each, an "**Unapplied**

Advance”), as the case may be, shall bear interest, payable in arrears on each Regular Distribution Date, in an amount equal to (i) the Investment Earnings on the amounts on deposit in the Class A Cash Collateral Account on account of such Unapplied Advance during the period beginning on the later of the date of deposit of such Unapplied Advance and the preceding Regular Distribution Date and ending on the last day prior to such Regular Distribution Date, plus (ii) an amount equal to interest at the Applicable Margin on the amount of such Unapplied Advance during such period.

(e) Each amount not paid when due hereunder (whether fees, commissions, expenses or other amounts or installments of interest on Advances but excluding Advances) shall bear interest, to the extent permitted by applicable law, at a rate per annum equal to the Base Rate plus 2.0% per annum until paid.

(f) If at any time, the Liquidity Provider shall have determined (which determination shall be conclusive and binding upon the Borrower, absent manifest error) that, by reason of circumstances affecting the relevant interbank lending market generally (other than a Benchmark Replacement Event), the LIBOR Rate determined or to be determined for the next succeeding Interest Period will not adequately and fairly reflect the cost to the Liquidity Provider (as conclusively certified by the Liquidity Provider, absent manifest error) of making or maintaining Advances, the Liquidity Provider shall give facsimile or telephonic notice thereof (a **“Rate Determination Notice”**) to the Borrower and the Airlines. If such notice is given, then the outstanding principal amount of the LIBOR Advances shall be converted to Base Rate Advances effective from the date of the Rate Determination Notice; provided that the Applicable Liquidity Rate in respect of such Base Rate Advances shall be increased by one percent (1.00%). The Liquidity Provider shall withdraw a Rate Determination Notice given hereunder when the Liquidity Provider determines that the circumstances giving rise to such Rate Determination Notice no longer apply to the Liquidity Provider, and the Base Rate Advances shall be converted to LIBOR Advances effective as of the first day of the next succeeding Interest Period after the date of such withdrawal.

(g) Each change in the Base Rate shall become effective immediately. The rates of interest specified in this Section 3.07 with respect to any Advance or other amount shall be referred to as the **“Applicable Liquidity Rate”**.

Section 3.08 **Replacement of Borrower**. Subject to Section 5.02, from time to time and subject to the successor Borrower’s meeting the eligibility requirements set forth in Section 6.09 of the Intercreditor Agreement applicable to the Subordination Agent, upon the effective date and time specified in a written and completed Notice of Replacement Subordination Agent in substantially the form of **Annex VIII** (a **“Notice of Replacement Subordination Agent”**) delivered to the Liquidity Provider by the then Borrower, the successor Borrower designated therein shall become the Borrower for all purposes hereunder.

Section 3.09 **Funding Loss Indemnification**. The Borrower shall pay to the Liquidity Provider, upon the request of the Liquidity Provider, such amount or amounts as shall be sufficient (in the reasonable opinion of the Liquidity Provider) to compensate it for any loss, cost or expense incurred by reason of the liquidation or redeployment of deposits or other funds acquired by the Liquidity Provider to fund or maintain any LIBOR Advance (but excluding loss of the Applicable Margin or anticipated profits) incurred as a result of:

- (1) Any repayment of a LIBOR Advance on a date other than the last day of the Interest Period for such Advance; or

(2) Any failure by the Borrower to borrow a LIBOR Advance on the date for borrowing specified in the relevant notice under Section 2.02.

Section 3.10 Illegality. Notwithstanding any other provision in this Agreement, if any change in any law, rule or regulation applicable to or binding on the Liquidity Provider, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Liquidity Provider with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for the Liquidity Provider to maintain or fund its LIBOR Advances, then upon notice to the Borrower and the Airlines by the Liquidity Provider, the outstanding principal amount of the LIBOR Advances shall be converted to Base Rate Advances (a) immediately upon demand of the Liquidity Provider, if such change or compliance with such request, in the reasonable judgment of the Liquidity Provider, requires immediate conversion; or (b) at the expiration of the last Interest Period to expire before the effective date of any such change or request. The Liquidity Provider will notify the Borrower and the Airlines as promptly as practicable of any event that will or to its knowledge is reasonably likely to lead to the conversion of LIBOR Advances to Base Rate Advances under this Section 3.10; provided that a failure by the Liquidity Provider to notify the Borrower or the Airlines of an event that is reasonably likely to lead to such a conversion prior to the time that it is determined that such event will lead to such a conversion shall not prejudice the rights of the Liquidity Provider under this Section 3.10. The Liquidity Provider agrees to investigate all commercially reasonable alternatives for avoiding the need for such conversion, including, without limitation, designating a different Lending Office, if such designation or other action would avoid the need to convert such LIBOR Advances to Base Rate Advances; provided that the foregoing shall not obligate the Liquidity Provider to take any action that would, in its reasonable judgment, cause the Liquidity Provider to incur any material loss or cost, unless the Borrower or the Airlines agree to reimburse or indemnify the Liquidity Provider therefor. If no such designation or other action is effected, or, if effected, fails to avoid the need for conversion of the LIBOR Advances to Base Rate Advances, the Airlines may arrange for a Replacement Liquidity Facility in accordance with Section 3.05(e) of the Intercreditor Agreement.

ARTICLE IV

CONDITIONS PRECEDENT

Section 4.01 Conditions Precedent to Effectiveness of Section 2.01. Section 2.01 of this Agreement shall become effective on and as of the first date (the “**Effective Date**”) on which the following conditions precedent have been satisfied (or waived by the appropriate party or parties):

(a) The Liquidity Provider shall have received on or before the Closing Date each of the following, and in the case of each document delivered pursuant to paragraphs (i), (ii) and (iii), each in form and substance satisfactory to the Liquidity Provider:

(vi) An executed copy of each document, instrument, certificate and opinion delivered on or before the Closing Date pursuant to the Class A Trust Agreement, the Intercreditor Agreement and the other Operative Agreements (in the case of each such opinion, either addressed to the Liquidity Provider or accompanied by a letter from the counsel rendering such opinion to the effect that the Liquidity Provider is entitled to rely on such opinion as of its date as if it were addressed to the Liquidity Provider);

(vii) An agreement from the Airlines, pursuant to which (x) each Airline agrees to provide copies of the Parent's quarterly financial statements and audited annual financial statements to the Liquidity Provider (which such Airline may provide in an electronic format by electronic mail or making the same available over the internet) and (y) each Airline agrees to allow the Liquidity Provider to discuss the transactions contemplated by the Operative Agreements with officers and employees of such Airline; and

(viii) Such documentation as the Liquidity Provider may reasonably request five (5) or more Business Days prior to the Closing Date in order to satisfy its "know your customer" policies.

(b) On and as of the Effective Date no event shall have occurred and be continuing, or would result from the entering into of this Agreement or the making of any Advance, which constitutes a Liquidity Event of Default.

(c) The Liquidity Provider shall have received payment in full of the fees and other sums required to be paid to or for the account of the Liquidity Provider on or prior to the Effective Date pursuant to the Fee Letter.

(d) All conditions precedent to the issuance of the Certificates under the Trust Agreements shall have been satisfied or waived, all conditions precedent to the effectiveness of the other Liquidity Facilities shall have been satisfied or waived, and all conditions precedent to the purchase of the Class A Certificates by the Certificate Purchasers under the Certificate Purchase Agreement shall have been satisfied (unless any of such conditions precedent under the Certificate Purchase Agreement shall have been waived by the Initial Purchasers).

(e) The Borrower and the Airlines shall have received a certificate, dated the Effective Date signed by a duly authorized representative of the Liquidity Provider, certifying that the Effective Date has occurred.

Section 4.02 Conditions Precedent to Borrowing. The obligation of the Liquidity Provider to make an Advance on the occasion of each Borrowing shall be subject to the conditions precedent that the Effective Date shall have occurred and, prior to the time of such Borrowing, the Borrower shall have delivered a Notice of Borrowing which conforms to the terms and conditions of this Agreement.

Section 4.03 Representations and Warranties. The representations and warranties of the Borrower as Subordination Agent in Sections 5.01(a), (b), (c), and (d) of the Participation Agreements shall be deemed to be incorporated into this Agreement as if set out in full herein and as if such representations and warranties were made by the Borrower to the Liquidity Provider.

ARTICLE V

COVENANTS

Section 5.01 Affirmative Covenants of the Borrower. So long as any Advance shall remain unpaid or the Liquidity Provider shall have any Maximum Available Commitment hereunder or the Borrower shall have any obligation to pay any amount to the Liquidity Provider hereunder, the Borrower will, unless the Liquidity Provider shall otherwise consent in writing:

(a) Performance of Agreements. Subject to Sections 2.07 and 2.09, punctually pay or cause to be paid all amounts payable by it under this Agreement and the Intercreditor Agreement and observe and perform in all material respects the conditions, covenants and requirements applicable to it contained in this Agreement and the Intercreditor Agreement;

(b) Reporting Requirements. Furnish to the Liquidity Provider with reasonable promptness, such other information and data with respect to the transactions contemplated by the Operative Agreements as from time to time may be reasonably requested by the Liquidity Provider; and permit the Liquidity Provider, upon reasonable notice, to inspect the Borrower's books and records with respect to such transactions and to meet with officers and employees of the Borrower to discuss such transactions; and

(c) Certain Operative Agreements. Furnish to the Liquidity Provider, with reasonable promptness, copies of such Operative Agreements entered into after the date hereof as from time to time may be reasonably requested by the Liquidity Provider.

Section 5.02 Negative Covenants of the Borrower. Subject to the first and fourth paragraphs of Section 7.01(a) of the Intercreditor Agreement and Section 7.01(b) of the Intercreditor Agreement, so long as any Advance shall remain unpaid or the Liquidity Provider shall have any Maximum Available Commitment hereunder or the Borrower shall have any obligation to pay any amount to the Liquidity Provider hereunder, the Borrower will not appoint or permit or suffer to be appointed any successor Borrower without the prior written consent of the Liquidity Provider, which consent shall not be unreasonably withheld or delayed.

ARTICLE VI

LIQUIDITY EVENTS OF DEFAULT AND SPECIAL TERMINATION

Section 6.01 Liquidity Events of Default. (a) If any Liquidity Event of Default has occurred and is continuing and there is a Performing Note Deficiency, the Liquidity Provider may, in its discretion, deliver to the Borrower and the Airlines a Termination Notice, the effect of which shall be to cause (i) the Termination Date to occur at the close of business on the fifth Business Day after the date on which such Termination Notice is received by the Borrower and the Airlines, (ii) the Borrower to promptly request, and the Liquidity Provider to promptly make, a Final Advance in accordance with Section 2.02(c) hereof and Section 3.05(i) of the Intercreditor Agreement, (iii) all other outstanding Advances to be automatically converted into Final Advances for purposes of determining the Applicable Liquidity Rate for interest payable thereon and (iv) subject to Sections 2.07 and 2.09, all Advances, any accrued interest thereon and any other amounts outstanding hereunder to become immediately due and payable to the Liquidity Provider.

(a) If the aggregate Pool Balance of the Class A Certificates is greater than the aggregate outstanding principal amount of the Series A Equipment Notes (other than any Series A Equipment Notes previously sold by the Borrower or with respect to which the Aircraft related to such Series A Equipment Notes has been disposed of by the Loan Trustee) at any time during the 18-month period ending on August 15, 2027, the Liquidity Provider may, in its discretion, deliver to the Borrower and the Airlines a Special Termination Notice, the effect of which shall be to cause (i) the Termination Date to occur at the close of business on the fifth Business Day after the date on which such Special Termination Notice is received by the Borrower and the Airlines, (ii) the Borrower to promptly request, and the Liquidity Provider to promptly make, a Special Termination Advance in accordance with Section 2.02(d) hereof and

Section 3.05(k) of the Intercreditor Agreement, and (iii) subject to Sections 2.07 and 2.09, all Advances (including, without limitation, any Unapplied Provider Advance), to be automatically treated as Special Termination Advances, subject to Section 6.01(a).

ARTICLE VII

MISCELLANEOUS

Section 7.01 No Oral Modifications or Continuing Waivers. No terms or provisions of this Agreement may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the Borrower and the Liquidity Provider and any other Person whose consent is required pursuant to this Agreement; provided that no such change or other action shall affect the payment obligations of any Airline or the rights of any Airline without such Airline's prior written consent; and any waiver of the terms hereof shall be effective only in the specific instance and for the specific purpose given.

Section 7.02 Notices. Unless otherwise expressly specified or permitted by the terms hereof, all notices, requests, demands, authorizations, directions, consents, waivers or documents required or permitted under the terms and provisions of this Agreement shall be in English and in writing, and given by United States registered or certified mail, courier service or facsimile, and any such notice shall be effective when delivered (or, if delivered by facsimile, upon completion of transmission and confirmation by the sender (by a telephone call to a representative of the recipient or by machine confirmation) that such transmission was received) addressed as follows:

Any party, by notice to the other party hereto, may designate additional or different addresses for subsequent notices or communications. Whenever the words “notice” or “notify” or similar words are used herein, they mean the provision of formal notice as set forth in this Section 7.02.

Section 7.03 No Waiver; Remedies. No failure on the part of the Liquidity Provider to exercise, and no delay in exercising, any right under this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right under this Agreement preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 7.04 Further Assurances. The Borrower agrees to do such further acts and things and to execute and deliver to the Liquidity Provider such additional assignments, agreements, powers and instruments as the Liquidity Provider may reasonably require or deem advisable to carry into effect the purposes of this Agreement and the other Operative Agreements or to better assure and confirm unto the Liquidity Provider its rights, powers and remedies hereunder and under the other Operative Agreements.

Section 7.05 Indemnification; Survival of Certain Provisions. The Liquidity Provider shall be indemnified hereunder to the extent and in the manner described in Section 4.02 of the Participation Agreements. In addition, the Borrower agrees to indemnify, protect, defend and hold harmless each Liquidity Indemnitee from and against all Expenses of any kind or nature whatsoever (other than any Expenses of the nature described in Sections 3.01, 3.03, 3.09 or 7.07 or in the Fee Letter (regardless of whether indemnified against pursuant to said Sections or in such Fee Letter)), that may be imposed on or incurred by such Liquidity Indemnitee, in any way relating to, resulting from, or arising out of or in connection with, any action, suit or proceeding by any third party against such Liquidity Indemnitee and relating to this Agreement, the Fee Letter, the Intercreditor Agreement or any Participation Agreement; provided, however, that the Borrower shall not be required to indemnify, protect, defend and hold harmless any Liquidity Indemnitee in respect of any Expense of such Liquidity Indemnitee to the extent such Expense is (i) attributable to the gross negligence or willful misconduct of such Liquidity Indemnitee or any other Liquidity Indemnitee, (ii) an ordinary and usual operating overhead expense, (iii) attributable to the failure by such Liquidity Indemnitee or any other Liquidity Indemnitee to perform or observe any agreement, covenant or condition on its part to be performed or observed in this Agreement, the Intercreditor Agreement, the Fee Letter or any other Operative Agreement to which it is a party or (iv) otherwise excluded from the indemnification provisions contained in Section 4.02 of the Participation Agreements. The provisions of Sections 3.01, 3.03, 3.09, 7.05 and 7.07 and the indemnities contained in Section 4.02 of the Participation Agreements shall survive the termination of this Agreement.

Section 7.06 Liability of the Liquidity Provider. (a) Neither the Liquidity Provider nor any of its officers, employees or directors shall be liable or responsible for: (i) the use which may be made of the Advances or any acts or omissions of the Borrower or any beneficiary or

transferee in connection therewith; (ii) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; or (iii) the making of Advances by the Liquidity Provider against delivery of a Notice of Borrowing and other documents which do not comply with the terms hereof; provided, however, that the Borrower shall have a claim against the Liquidity Provider, and the Liquidity Provider shall be liable to the Borrower, to the extent of any damages suffered by the Borrower that were the result of (A) the Liquidity Provider's willful misconduct or gross negligence in determining whether documents presented hereunder comply with the terms hereof or (B) any breach by the Liquidity Provider of any of the terms of this Agreement or the Intercreditor Agreement, including, but not limited to, the Liquidity Provider's failure to make lawful payment hereunder after the delivery to it by the Borrower of a Notice of Borrowing complying with the terms and conditions hereof. In no event, however, shall the Liquidity Provider be liable on any theory of liability for any special, indirect, consequential or punitive damages (including, without limitation, loss of profits, business or anticipated savings).

(a) Neither the Liquidity Provider nor any of its officers, employees or directors or affiliates shall be liable or responsible in any respect for (i) any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with this Agreement or any Notice of Borrowing delivered hereunder or (ii) any action, inaction or omission which may be taken by it in good faith, absent willful misconduct or gross negligence (in which event the extent of the Liquidity Provider's potential liability to the Borrower shall be limited as set forth in the immediately preceding paragraph), in connection with this Agreement or any Notice of Borrowing.

Section 7.07 Certain Costs and Expenses. The Borrower agrees promptly to pay, or cause to be paid, (a) the reasonable fees, expenses and disbursements of Milbank LLP, special counsel for the Liquidity Provider, in connection with the preparation, negotiation, execution, delivery, filing and recording of the Operative Agreements, any waiver or consent thereunder or any amendment thereof, (b) if a Liquidity Event of Default occurs, all out-of-pocket expenses incurred by the Liquidity Provider, including reasonable fees and disbursements of counsel, in connection with such Liquidity Event of Default and any collection, bankruptcy, insolvency and other enforcement proceedings in connection therewith and (c) on demand, all reasonable costs and expenses (including reasonable fees and disbursements of counsel) incurred by the Liquidity Provider in connection with any modification or amendment of, or supplement to, this Agreement or any other Operative Agreement (or such other documents which may be delivered in connection herewith or therewith) (whether or not any of the same shall become effective) requested by the Airlines, unless such costs or expenses arise as a result of the negligence of the Liquidity Provider or any breach by the Liquidity Provider of its obligations under this Agreement or any other Operative Agreement. In addition, the Borrower shall pay any and all recording, stamp and other similar Taxes and fees payable or determined to be payable in the United States in connection with the execution, delivery, filing and recording of this Agreement, any other Operative Agreement and such other documents, and agrees to save the Liquidity Provider harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such Taxes or fees.

Section 7.08 **Binding Effect; Participations.** (a) This Agreement shall be binding upon and inure to the benefit of the Borrower and the Liquidity Provider and their respective successors and permitted assigns, except that neither the Liquidity Provider (except as otherwise provided in this Section 7.08) nor (except as contemplated by Section 3.08) the Borrower shall have the right to assign, pledge or otherwise transfer its rights or obligations hereunder or any interest herein, subject to the Liquidity Provider's right to grant Participations pursuant to Section 7.08(b).

(a) The Liquidity Provider agrees that it will not grant any participation (including, without limitation, a "risk participation") (any such participation, a "**Participation**") in or to all or a portion of its rights and obligations hereunder or under the other Operative Agreements, unless all of the following conditions are satisfied: (i) such Participation is to a Permitted Transferee, (ii) such Participation is made in accordance with all applicable laws, including, without limitation, the Securities Act of 1933, as amended, the Trust Indenture Act of 1939, as amended, any laws or regulations imposing U.S. economic sanctions measures or any orders or licenses issued thereunder and any other applicable laws relating to the transfer of similar interests and (iii) such Participation shall not be made under circumstances that require registration under the Securities Act of 1933, as amended, or qualification of any indenture under the Trust Indenture Act of 1939, as amended. Notwithstanding any such Participation, the Liquidity Provider agrees that (1) the Liquidity Provider's obligations under the Operative Agreements shall remain unchanged, and such participant shall have no rights or benefits as against the Parent, the Airlines or the Borrower or under any Operative Agreement, (2) the Liquidity Provider shall remain solely responsible to the other parties to the Operative Agreements for the performance of such obligations, (3) the Liquidity Provider shall remain the maker of any Advances, and the other parties to the Operative Agreements shall continue to deal solely and directly with the Liquidity Provider in connection with the Advances and the Liquidity Provider's rights and obligations under the Operative Agreements, (4) the Liquidity Provider shall be solely responsible for any withholding Taxes or any filing or reporting requirements relating to such Participation and shall hold the Borrower, the Parent and the Airlines and their respective successors, permitted assigns, affiliates, agents and servants harmless against the same and (5) none of the Parent, the Airlines or the Borrower shall be required to pay to the Liquidity Provider any amount under Section 3.01 or Section 3.03 greater than it would have been required to pay had there not been any grant of a Participation by the Liquidity Provider. The Liquidity Provider may, in connection with any Participation or proposed Participation pursuant to this Section 7.08(b), disclose to the participant or proposed participant any information relating to the Operative Agreements or to the parties thereto furnished to the Liquidity Provider thereunder or in connection therewith and permitted to be disclosed by the Liquidity Provider; provided, however, that prior to any such disclosure, the participant or proposed participant shall agree in writing for the express benefit of the Borrower and the Airlines to preserve the confidentiality of any confidential information included therein (subject to customary exceptions).

The Borrower acknowledges and agrees that the Liquidity Provider's source of funds may derive in part from its participants. Accordingly, in determining amounts due by the Borrower to the Liquidity Provider pursuant to Section 3.01 and Section 3.03 of this Agreement, references in this Agreement to determinations, reserve, liquidity and capital adequacy

requirements, increased costs, reduced receipts, additional amounts due pursuant to Section 3.03 as they pertain to the Liquidity Provider shall be deemed also to include those of each of its participants that are commercial banking institutions and of whose participation the Borrower has been notified, in each case up to the maximum amount that would have been incurred by or attributable to the Liquidity Provider directly had there not been any grant of a Participation by the Liquidity Provider, and references to the Liquidity Provider therein and in related definitions shall be treated as references to such participants where applicable; provided that in any event, none of the Parent, the Airlines or the Borrower shall be required to pay any amount under Section 3.01 or Section 3.03 greater than it would have been required to pay had there not been any grant of a Participation by the Liquidity Provider.

The Liquidity Provider shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest under this Agreement (the "**Participant Register**"); *provided* that the Liquidity Provider shall not have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any commitments, loans or its other obligations) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and the Liquidity Provider shall treat each Person whose name is recorded in the Participant Register as the owner of such Participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(b) Notwithstanding the other provisions of this Section 7.08, the Liquidity Provider may assign and pledge all or any portion of the Advances owing to it to any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank; provided that any payment in respect of such assigned Advances made by the Borrower to the Liquidity Provider in accordance with the terms of this Agreement shall satisfy the Borrower's obligations hereunder in respect of such assigned Advance to the extent of such payment. No such assignment shall release the Liquidity Provider from its obligations hereunder.

Section 7.09 Severability. To the extent permitted by applicable law, any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 7.10 Governing Law. THIS AGREEMENT HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

Section 7.11 Submission to Jurisdiction; Waiver of Jury Trial; Waiver of Immunity. (a) Each of the parties hereto, to the extent it may do so under applicable law, for purposes hereof hereby (i) irrevocably submits itself to the non-exclusive jurisdiction of the courts of the State of New York sitting in the City of New York and to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York for the purposes of any suit, action or other proceeding arising out of this Agreement, the subject matter hereof or any of the transactions contemplated hereby brought by any party or parties hereto or thereto, or their successors or permitted assigns, (ii) waives, and agrees not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter hereof or any of the transactions contemplated hereby may not be enforced in or by such courts, (iii) agrees that service of process in any such suit, action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to each party hereto at its address set forth in Section 7.02 hereof, or at such other address of which each party shall have been notified pursuant thereto and (iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law.

(a) THE BORROWER AND THE LIQUIDITY PROVIDER EACH HEREBY AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT AND THE RELATIONSHIP THAT IS BEING ESTABLISHED, including, without limitation, contract claims, tort claims, breach of duty claims and all other common law and statutory claims. The Borrower and the Liquidity Provider each warrant and represent that it has reviewed this waiver with its legal counsel, and that it knowingly and voluntarily waives its jury trial rights following consultation with such legal counsel. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THIS WAIVER IS IRREVOCABLE, AND CANNOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT.

(b) To the extent that the Liquidity Provider or any of its properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, and whether under the United States Foreign Sovereign Immunities Act of 1976 (or any successor legislation) or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon this Agreement, including, without limitation, immunity from suit or service of process, immunity from jurisdiction or judgment of any court or tribunal or execution of a judgment, or immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, the Liquidity Provider hereby irrevocably and expressly waives any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere.

Section 7.12 Counterparts. This Agreement may be executed in any number of counterparts (and each party shall not be required to execute the same counterpart). Each counterpart of this Agreement including a signature page or pages executed by each of the parties hereto shall be an original counterpart of this Agreement, but all of such counterparts together shall constitute one instrument.

Section 7.13 Entirety. This Agreement and the Intercreditor Agreement constitute the entire agreement of the parties hereto with respect to the subject matter hereof and supersede all prior understandings and agreements of such parties.

Section 7.14 Headings. The headings of the various Articles and Sections herein and in the Table of Contents hereto are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

Section 7.15 Liquidity Provider's Obligation to Make Advances. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, THE OBLIGATIONS OF THE LIQUIDITY PROVIDER TO MAKE ADVANCES HEREUNDER, AND THE BORROWER'S RIGHTS TO DELIVER NOTICES OF BORROWING REQUESTING THE MAKING OF ADVANCES HEREUNDER, SHALL BE ABSOLUTE, UNCONDITIONAL AND IRREVOCABLE, AND SHALL BE PAID OR PERFORMED, IN EACH CASE STRICTLY IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT.

Section 7.16 Patriot Act. The Liquidity Provider hereby notifies the Borrower that pursuant to the requirements of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 ("USA PATRIOT Act") it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow the Liquidity Provider to identify the Borrower in accordance with such Act.

Section 7.17 Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in this Agreement or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under this Agreement, to the extent such liability is unsecured, may be subject to Write-Down and Conversion Powers and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement; or

(iii) the variation of the terms of such liability in connection with the exercise of Write-Down and Conversion Powers.

Section 7.18 Head Office Obligations. The Liquidity Provider is Crédit Agricole Corporate and Investment Bank, acting through its New York Branch. The Liquidity Provider hereby agrees that, notwithstanding the place of booking or its jurisdiction of incorporation or organization, the obligations of the Liquidity Provider hereunder are also the obligations of the head office of Crédit Agricole Corporate and Investment Bank in Paris, France (the “Head Office”). Accordingly, any beneficiary of this Agreement will be able to proceed directly against the Head Office, if the Liquidity Provider defaults in its obligations to such beneficiary under this Agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first set forth above.

If the Liquidity Provider makes an Advance requested pursuant to a Notice of Borrowing before 12:00 noon (New York City time) on the second Business Day after the date of payment specified in Section 2.02(e), the Liquidity Provider shall have fully discharged its obligations hereunder with respect to such Advance and an event of default shall not have occurred hereunder. Following the making of any Advance

pursuant to Section 2.02(b), 2.02(c) or 2.02(d) to fund the Class B Cash Collateral Account, the Liquidity Provider shall have no interest in or rights to the Class B Cash Collateral Account, such Advance or any other amounts from time to time on deposit in the Class B Cash Collateral Account; provided that the foregoing shall not affect or impair the obligations of the Subordination Agent to make the distributions contemplated by Section 3.05(c)(v), 3.05(e) or 3.05(f) of the Intercreditor Agreement and provided, further, that the foregoing shall not affect or impair the rights of the Liquidity Provider to provide written instructions with respect to the investment and reinvestment of amounts in the Class B Cash Collateral Account to the extent the Liquidity Provider is entitled to do so pursuant to Section 2.2(b) of the Intercreditor Agreement. By paying to the Borrower proceeds of Advances requested by the Borrower in accordance with the provisions of this Agreement, the Liquidity Provider makes no representation as to, and assumes no responsibility for, the correctness or sufficiency for any purpose of the amount of the Advances so made and requested.

Section 2.03 Fees. The Borrower agrees to pay to the Liquidity Provider the fees set forth in the Fee Letter.

Section 2.04 Reduction or Termination of the Maximum Commitment. (a) Automatic Reduction. Promptly following each date on which the Required Amount is reduced as a result of a reduction in the Pool Balance of the Class B Certificates, the Maximum Commitment shall automatically be reduced to an amount equal to such reduced Required Amount (as calculated by the Borrower). The Borrower shall give notice of any such automatic reduction of the Maximum Commitment to the Liquidity Provider and the Airlines within two Business Days thereof. The failure by the Borrower to furnish any such notice shall not affect any such automatic reduction of the Maximum Commitment.

(a) Termination. Upon the making of any Provider Advance or Special Termination Advance or the making of or conversion to a Final Advance hereunder or the occurrence of the Termination Date, the obligation of the Liquidity Provider to make further Advances hereunder shall automatically and irrevocably terminate, and the Borrower shall not be entitled to request any further Borrowing hereunder, except in the case of a Downgrade Advance, as provided in Section 2.06(d).

Section 2.05 Repayments of Interest Advances, the Special Termination Advance or the Final Advance. Subject to Sections 2.06, 2.07 and 2.09 hereof, the Borrower hereby agrees, without notice of an Advance or demand for repayment from the Liquidity Provider (which notice and demand are hereby waived by the Borrower), to pay, or to cause to be paid, to the Liquidity Provider (a) on each date on which the Liquidity Provider shall make an Interest Advance, the Special Termination Advance or the Final Advance, an amount equal to the amount of such Advance (any such Advance, until repaid, is referred to herein as an "**Unpaid Advance**"), plus (b) interest on the amount of each such Unpaid Advance in the amounts and on the dates determined as provided in Section 3.07; provided that if (i) the Liquidity Provider shall make a Provider Advance at any time after making one or more Interest Advances which shall not have been repaid in accordance with this Section 2.05 or (ii) this Liquidity Facility shall become a Downgraded Facility or Non-Extended Facility at any time when unreimbursed Interest Advances have reduced the Maximum Available Commitment to zero, then such Interest

Advances shall cease to constitute Unpaid Advances and shall be deemed to have been changed into an Applied Downgrade Advance or an Applied Non-Extension Advance, as the case may be, for all purposes of this Agreement (including, without limitation, for the purpose of determining when such Interest Advance is required to be repaid to the Liquidity Provider in accordance with Section 2.06 and for the purposes of Section 2.06(b)); provided, further, that amounts in respect of a Special Termination Advance withdrawn from the Class B Cash Collateral Account for the purpose of paying interest on the Class B Certificates in accordance with Section 3.05(f) of the Intercreditor Agreement (the portion of the outstanding Special Termination Advance equal to the amount of any such withdrawal, but not in excess of the outstanding Special Termination Advance, being an “**Applied Special Termination Advance**”) shall thereafter (subject to Section 2.06(b)) be treated as an Interest Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon; provided, further, that if, following the making of a Special Termination Advance, the Liquidity Provider delivers a Termination Notice to the Borrower pursuant to Section 6.01(a), such Special Termination Advance (including any portion thereof that is an Applied Special Termination Advance) shall thereafter be treated as a Final Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon; and, provided, further, that if, after making a Provider Advance, the Liquidity Provider delivers a Special Termination Notice to the Borrower pursuant to Section 6.01(b), any Unapplied Provider Advance shall be converted to and treated as a Special Termination Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon and the obligation for repayment thereof under the Intercreditor Agreement. The Borrower and the Liquidity Provider agree that the repayment in full of each Interest Advance, Special Termination Advance and Final Advance on the date such Advance is made is intended to be a contemporaneous exchange for new value given to the Borrower by the Liquidity Provider. For the avoidance of doubt, interest payable on an Interest Advance, Special Termination Advance or the Final Advance shall not be regarded as overdue unless such interest is not paid when due under Section 3.07.

Section 2.06 Repayments of Provider Advances. (a) Amounts advanced hereunder in respect of a Provider Advance shall be deposited in the Class B Cash Collateral Account and invested and withdrawn from the Class B Cash Collateral Account as set forth in Sections 3.05(c), 3.05(d), 3.05(e) and 3.05(f) of the Intercreditor Agreement. Subject to Sections 2.07 and 2.09, the Borrower agrees to pay to the Liquidity Provider, on each Regular Distribution Date, commencing on the first Regular Distribution Date after the making of a Provider Advance, interest on the principal amount of any such Provider Advance, in the amounts determined as provided in Section 3.07; provided, however, that amounts in respect of a Provider Advance withdrawn from the Class B Cash Collateral Account for the purpose of paying interest on the Class B Certificates in accordance with Section 3.05(f) of the Intercreditor Agreement (the amount of any such withdrawal being (y), in the case of a Downgrade Advance, an “**Applied Downgrade Advance**” and (z) in the case of a Non-Extension Advance, an “**Applied Non-Extension Advance**” and together with an Applied Downgrade Advance, an “**Applied Provider Advance**”) shall thereafter (subject to Section 2.06(b)) be treated as an Interest Advance under this Agreement for purposes of determining the Applicable Liquidity Rate for interest payable thereon; provided, further, however, that if, following the making of a Provider Advance, the Liquidity Provider delivers a Termination Notice to the Borrower pursuant to Section 6.01(a), such Provider Advance shall thereafter be treated as a Final Advance under this Agreement for

purposes of determining the Applicable Liquidity Rate for interest payable thereon. Subject to Sections 2.07 and 2.09, immediately upon the withdrawal of any amounts from the Class B Cash Collateral Account on account of a reduction in the Required Amount, the Borrower shall repay to the Liquidity Provider a portion of the Provider Advances in a principal amount equal to such reduction, plus interest on the principal amount so repaid as provided in Section 3.07.

(a) At any time when an Applied Provider Advance or Applied Special Termination Advance (or any portion thereof) is outstanding, upon the deposit in the Class B Cash Collateral Account of any amount pursuant to clause "fourth" of Section 3.02 of the Intercreditor Agreement (any such amount being a "**Replenishment Amount**") for the purpose of replenishing or increasing the balance thereof up to the Required Amount at such time, (i) the aggregate outstanding principal amount of all Applied Provider Advances and Applied Special Termination Advances (and of Provider Advances and Special Termination Advances treated as Interest Advances for purposes of determining the Applicable Liquidity Rate for interest payable thereon) shall be automatically reduced by the amount of such Replenishment Amount, and (ii) the aggregate outstanding principal amount of all Unapplied Provider Advances shall be automatically increased by the amount of such Replenishment Amount.

(b) Upon the provision of a Replacement Liquidity Facility in replacement of this Agreement in accordance with Section 3.05(e) of the Intercreditor Agreement, as provided in Section 3.05(f) of the Intercreditor Agreement, amounts remaining on deposit in the Class B Cash Collateral Account after giving effect to any Applied Provider Advance or Applied Special Termination Advance on the date of such replacement shall be reimbursed to the Liquidity Provider, but only to the extent such amounts are necessary to repay in full to the Liquidity Provider all amounts owing to it hereunder.

(c) If, at any time after making a Downgrade Advance, the Liquidity Provider satisfies the Threshold Rating and delivers written notice to that effect to the Borrower and the Airlines, as of the second Business Day following receipt of such notice, (i) this Liquidity Facility shall cease to be a Downgraded Facility, (ii) any Unapplied Downgrade Advance shall be withdrawn from the Class B Cash Collateral Account and reimbursed to the Liquidity Provider, (iii) any Applied Downgrade Advance shall be converted to an Interest Advance, (iv) the Maximum Available Commitment shall be reinstated by an amount equal to the amount of such Unapplied Downgrade Advance so reimbursed, but not to exceed the Maximum Commitment, and the obligation of the Liquidity Provider to make Advances shall be reinstated in an equal amount, (v) the Borrower shall be entitled to request Borrowings and (vi) the proviso in the definition of Maximum Available Commitment and clause (y) of the proviso in the final sentence of Section 2.02(a) shall, in each case, no longer apply to such Downgrade Advance.

Section 2.07 Payments to the Liquidity Provider Under the Intercreditor Agreement. In order to provide for payment or repayment to the Liquidity Provider of any amounts hereunder, the Intercreditor Agreement provides that amounts available and referred to in Articles II and III of the Intercreditor Agreement, to the extent payable to the Liquidity Provider pursuant to the terms of the Intercreditor Agreement (including, without limitation, Section 3.05(f) of the Intercreditor Agreement), shall be paid to the Liquidity Provider in accordance with the terms thereof (but, for the avoidance of doubt, without duplication of or increase in any amounts

payable hereunder). Amounts so paid to the Liquidity Provider shall be applied by the Liquidity Provider in the order of priority required by the applicable provisions of Articles II and III of the Intercreditor Agreement and shall discharge in full the corresponding obligations of the Borrower hereunder.

Section 2.08 Book Entries. The Liquidity Provider shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrower resulting from Advances made from time to time and the amounts of principal and interest payable hereunder and paid from time to time in respect thereof; provided, however, that the failure by the Liquidity Provider to maintain such account or accounts shall not affect the obligations of the Borrower in respect of Advances.

Section 2.09 Payments from Available Funds Only. All payments to be made by the Borrower under this Agreement shall be made only from the amounts that constitute Scheduled Payments, Special Payments and other payments under the Operative Agreements, including payment under Section 4.02 of the Participation Agreements and payments under Section 2.14 of the Indentures, and only to the extent that the Borrower shall have sufficient income or proceeds therefrom to enable the Borrower to make payments in accordance with the terms hereof after giving effect to the priority of payments provisions set forth in the Intercreditor Agreement. The Liquidity Provider agrees that it will look solely to such amounts to the extent available for distribution to it as provided in the Intercreditor Agreement and this Agreement and that the Borrower, in its individual capacity, is not personally liable to it for any amounts payable or liability under this Agreement except as expressly provided in this Agreement, the Intercreditor Agreement or any Participation Agreement. Amounts on deposit in the Class B Cash Collateral Account shall be available to the Borrower to make payments under this Agreement only to the extent and for the purposes expressly contemplated in Section 3.05(f) of the Intercreditor Agreement.

Section 2.10 Extension of the Expiry Date; Non-Extension Advance. If the Liquidity Provider notifies the Borrower and the Airlines in writing before the 60th day prior to any anniversary date of the Closing Date that occurs prior to the 15th day after the Final Legal Distribution Date for the Class B Certificates (such notice, a “**Non-Extension Notice**”) that its obligations to make Advances hereunder shall not be extended beyond the immediately following anniversary date of the Closing Date (and if the Liquidity Provider shall not have been replaced in accordance with Section 3.05(e) of the

Intercreditor Agreement), the Borrower shall be entitled on and after the 25th day prior to such anniversary date (but prior to such anniversary date and in any event prior to the then applicable Expiry Date) to request a Non-Extension Advance in accordance with Section 2.02(b)(i) hereof and Section 3.05(d) of the Intercreditor Agreement.

ARTICLE III

OBLIGATIONS OF THE BORROWER

Section 3.01 Increased Costs. Without duplication of any rights created by Section 3.03, if as a result of any Regulatory Change there shall be any increase by an amount reasonably

deemed by the Liquidity Provider to be material in the actual cost to the Liquidity Provider of making, funding or maintaining any Advances or its obligation to make any such Advances or there shall be any reduction by an amount reasonably deemed by the Liquidity Provider to be material in the amount receivable by the Liquidity Provider under this Agreement or the Intercreditor Agreement in respect thereof, and in case of either such an increase or reduction, such event does not arise from the gross negligence or willful misconduct of the Liquidity Provider, from its breach of any of its representations, warranties, covenants or agreements contained herein or in the Intercreditor Agreement or from its failure to comply with any such Regulatory Change (any such increase or reduction being referred to herein as an “**Increased Cost**”), then, subject to Sections 2.07 and 2.09, the Borrower shall from time to time pay to the Liquidity Provider an amount equal to such Increased Cost within 10 Business Days after delivery to the Borrower and the Airlines of a certificate of an officer of the Liquidity Provider describing in reasonable detail the event by reason of which it claims such Increased Cost and the basis for the determination of the amount of such Increased Cost; provided that the Borrower shall be obligated to pay amounts only with respect to any Increased Costs accruing from the date 120 days prior to the date of delivery of such certificate. Such certificate, in the absence of manifest error, shall be considered prima facie evidence of the amount of the Increased Costs for purposes of this Agreement; provided that any determinations and allocations by the Liquidity Provider of the effect of any Regulatory Change on the costs of maintaining the Advances or the obligation to make Advances are made on a reasonable basis. For the avoidance of doubt, the Liquidity Provider shall not be entitled to assert any claim under this Section 3.01 in respect of or attributable to Excluded Taxes. The Liquidity Provider will notify the Borrower and the Airlines as promptly as practicable of any event occurring after the date of this Agreement that will entitle the Liquidity Provider to compensation under this Section 3.01. The Liquidity Provider agrees to investigate all commercially reasonable alternatives for reducing any Increased Costs and to use all commercially reasonable efforts to avoid or minimize, to the greatest extent possible, any claim in respect of Increased Costs, including, without limitation, by designating a different Lending Office, if such designation or other action would avoid the need for, or reduce the amount of, any such claim; provided that the foregoing shall not obligate the Liquidity Provider to take any action that would, in its reasonable judgment, cause the Liquidity Provider to take any action that is not materially consistent with its internal policies or is otherwise materially disadvantageous to the Liquidity Provider or that would cause the Liquidity Provider to incur any material loss or cost, unless the Borrower or the Airlines agree to reimburse or indemnify the Liquidity Provider therefor. If no such designation or other action is effected, or, if effected, such notice fails to avoid the need for any claim in respect of Increased Costs, the Airlines may arrange for a Replacement Liquidity Facility in accordance with Section 3.05(e) of the Intercreditor Agreement.

Notwithstanding the foregoing provisions, in no event shall the Borrower be required to make payments under this Section 3.01: (a) in respect of any Regulatory Change proposed by any applicable governmental authority (including any branch of a legislature), central bank or comparable agency of the United States or the Liquidity Provider’s jurisdiction of organization or in which its Lending Office is located and pending as of the date of this Agreement (it being agreed that the Regulatory Changes contemplated by (i) the frameworks published by the Basel Committee on Banking Supervision entitled “Basel III: A global regulatory framework for more resilient banks and banking systems” dated December 2010 (revised June 2011) and “Basel III:

The Liquidity Coverage Ratio and liquidity risk monitoring tools,” dated January 2013 and (ii) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith, shall not be considered to have been proposed or pending as of the date of this Agreement); (b) if a claim hereunder in respect of an Increased Cost arises through circumstances peculiar to the Liquidity Provider and that do not affect similarly organized commercial banking institutions in the same jurisdiction generally that are in compliance with the law, rule, regulation or interpretation giving rise to the Regulatory Change relating to such Increased Cost; (c) if the Liquidity Provider shall fail to comply with its obligations under this Section 3.01 or (d) if the Liquidity Provider is not also seeking payment for similar increased costs in other similarly situated transactions related to the airline industry.

Section 3.02 Reserved.

Section 3.03 Withholding Taxes. (a) All payments made by the Borrower under this Agreement shall be made without deduction or withholding for or on account of any Taxes, unless such deduction or withholding is required by law. If any Taxes are so required to be withheld or deducted from any amounts payable to the Liquidity Provider under this Agreement, then, subject to Sections 2.07 and 2.09, the Borrower shall pay to the relevant authorities the full amount so required to be deducted or withheld and, without duplication of any rights created by Section 3.01, if such Taxes are Covered Taxes, pay to the Liquidity Provider such additional amounts as shall be necessary to ensure that the net amount actually received by the Liquidity Provider (after deduction or withholding of all Covered Taxes) shall be equal to the full amount that would have been received by the Liquidity Provider had no withholding or deduction of Covered Taxes been required. If any Covered Taxes for which the Borrower is obligated to pay any additional amounts to the Liquidity Provider pursuant to the immediately preceding sentence were required by law to be withheld and were not withheld and deposited with the relevant authorities on a timely basis, the Borrower shall, after written demand from the Liquidity Provider therefor describing in reasonable detail the subject of such demand, promptly pay to the Liquidity Provider such additional amounts equal to the amount of any such Covered Taxes asserted directly against the Liquidity Provider as a result of such failure to withhold, together with any related penalties and interest. Within 30 days after the date of any such payment by the Borrower to the relevant authorities, the Borrower shall furnish to the Liquidity Provider the original or a certified copy of (or other documentary evidence of) the payment of the Taxes applicable to such payment. The Liquidity Provider agrees to use commercially reasonable efforts (consistent with applicable legal and regulatory restrictions) to change the jurisdiction of its Lending Office if making such change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the reasonable judgment of the Liquidity Provider, be otherwise materially disadvantageous to the Liquidity Provider.

If the Liquidity Provider receives a refund of any Taxes for which additional amounts were paid by the Borrower pursuant to this Section 3.03, the Liquidity Provider shall pay to the Borrower (for deposit into the Collection Account) the amount of such refund (and any interest thereon), net of all related out-of-pocket expenses. The Borrower, upon the request of the Liquidity Provider, shall repay to the Liquidity Provider the amount paid over pursuant to this paragraph (plus any penalties, interest or other charges imposed by the relevant governmental or

taxing authority) in the event that the Liquidity Provider is required to repay such refund to such governmental or taxing authority. Notwithstanding anything to the contrary in this paragraph, in no event will the Liquidity Provider be required to pay any amount to the Borrower pursuant to this paragraph the payment of which would place the Liquidity Provider in a less favorable net after-Tax position than the Liquidity Provider would have been in if the Tax subject to payment of additional amounts and giving rise to such refund had not been deducted, withheld or otherwise imposed and the additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require the Liquidity Provider to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrower or any other Person.

The Liquidity Provider will (i) provide (on its behalf and on behalf of any participant holding a Participation pursuant to Section 7.08) to the Borrower (x) on or prior to the Effective Date two valid completed and executed copies of Internal Revenue Service Form W-9, W-8BEN-E or W-8ECI (whichever is applicable), including thereon a valid U.S. taxpayer identification number (or, with respect to any such participant, such other form or documentation as may be applicable) covering all amounts receivable by it in connection with the transactions contemplated by the Operative Agreements and (y) thereafter from time to time such additional forms or documentation as may be necessary to establish an available exemption from withholding of United States Tax on payments hereunder so that such forms or documentation are effective for all periods during which it is the Liquidity Provider and (ii) provide timely notice to the Borrower if any such form or documentation is or becomes inaccurate. The Liquidity Provider shall deliver to the Borrower such other forms or documents as may be reasonably requested by the Borrower or required by applicable law to establish that payments hereunder are exempt from or entitled to a reduced rate of Covered Taxes.

(a) All payments (including, without limitation, Advances) made by the Liquidity Provider under this Agreement shall be made free and clear of, and without reduction for or on account of, any Taxes. If any Taxes are required to be withheld or deducted from any amounts payable to the Borrower under this Agreement, the Liquidity Provider shall (i) within the time prescribed therefor by applicable law pay to the appropriate governmental or taxing authority the full amount of any such Taxes (and any additional Taxes in respect of the additional amounts payable under clause (ii) hereof) and make such reports or returns in connection therewith at the time or times and in the manner prescribed by applicable law, and (ii) pay to the Borrower an additional amount which (after deduction of all such Taxes) will be sufficient to yield to the Borrower the full amount which would have been received by it had no such withholding or deduction been made. Within 30 days after the date of each payment hereunder, the Liquidity Provider shall furnish to the Borrower the original or a certified copy of (or other documentary evidence of) the payment of the Taxes applicable to such payment.

On or before the Closing Date, the Borrower shall provide the Liquidity Provider with its fully executed Internal Revenue Service Form W-9, evidencing a complete exemption from U.S. federal withholding tax and backup withholding. If any exemption from, or reduction in the rate of, any Taxes required to be borne by the Liquidity Provider under this Section 3.03(b) is reasonably available to the Borrower without providing any information regarding the holders or beneficial owners of the Certificates, the Borrower shall deliver the Liquidity Provider such form

or forms and such other evidence of the eligibility of the Borrower for such exemption or reductions (but without any requirement to provide any information regarding the holders or beneficial owners of the Certificates) as the Liquidity Provider may reasonably identify to the Borrower as being required as a condition to exemption from, or reduction in the rate of, such Taxes.

(b) If a payment made hereunder to the Liquidity Provider would be subject to U.S. federal withholding Tax imposed by FATCA if the Liquidity Provider were to fail to comply with the applicable reporting requirement of FATCA (including without limitation those contained in Section 1471(b) or 1472(b) of the Code, as applicable), the Liquidity Provider shall deliver to the Borrower at the time or times prescribed by law and at such time or times reasonably requested by the Borrower such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower as may be necessary for the Borrower to comply with the Borrower's obligations under FATCA and to determine whether the Liquidity Provider has complied with the Liquidity Provider's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Section 3.04 Payments. Subject to Sections 2.07 and 2.09, the Borrower shall make or cause to be made each payment to the Liquidity Provider under this Agreement so as to cause the same to be received by the Liquidity Provider not later than 1:00 p.m. (New York City time) on the day when due. The Borrower shall make all such payments in Dollars, to the Liquidity Provider in immediately available funds, by wire transfer to the account of Crédit Agricole Corporate and Investment Bank, acting through its New York Branch, at Crédit Agricole Corporate and Investment Bank, N.A., ABA [***], Account No.: [***], Account Name: [***], Attention: [***], Reference to: Alaska 2020-1B EETC; or to such other U.S. bank account as the Liquidity Provider may from time to time direct the Subordination Agent.

Section 3.05 Computations. All computations of interest based on the Base Rate shall be made on the basis of a year of 365 or 366 days, as the case may be, and all computations of interest based on the LIBOR Rate shall be made on the basis of a year of 360 days, in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable.

Section 3.06 Payment on Non-Business Days. Whenever any payment to be made hereunder shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day and no additional interest shall be due as a result (and if so made, shall be deemed to have been made when due). If any payment in respect of interest on an Advance is so deferred to the next succeeding Business Day, such deferral shall not delay the commencement of the next Interest Period for such Advance (if such Advance is a LIBOR Advance) or reduce the number of days for which interest will be payable on such Advance on the next Interest Payment Date for such Advance.

Section 3.07 **Interest.** (a) Subject to Sections 2.07 and 2.09, the Borrower shall pay, or shall cause to be paid, without duplication, interest on (i) the unpaid principal amount of each Advance from and including the date of such Advance (or, in the case of an Applied Provider Advance or Applied Special Termination Advance, from and including the date on which the amount thereof was withdrawn from the Class B Cash Collateral Account to pay interest on the Class B Certificates) to but excluding the date such principal amount shall be paid in full (or, in the case of an Applied Provider Advance or Applied Special Termination Advance, the date on which the Class B Cash Collateral Account is fully replenished in respect of such Advance) and (ii), to the extent permitted by law, any other amount due hereunder (whether fees, commissions, expenses or other amounts or installments of interest on Advances or any such other amount) that is not paid when due (whether at stated maturity, by acceleration or otherwise) from and including the due date thereof to but excluding the date such amount is paid in full, in each such case, at the interest rate per annum for each day that such amount remains overdue and unpaid equal to the Applicable Liquidity Rate for such Advance or such other amount, as the case may be, as in effect for such day, but in no event in any case referred to in clause (i) or (ii) above at a rate per annum greater than the maximum rate permitted by applicable law; provided, however, that, if at any time the otherwise applicable interest rate as set forth in this Section 3.07 shall exceed the maximum rate permitted by applicable law, then to the maximum extent permitted by applicable law any subsequent reduction in such interest rate will not reduce the rate of interest payable pursuant to this Section 3.07 below the maximum rate permitted by applicable law until the total amount of interest accrued equals the absolute amount of interest that would have accrued (without additional interest thereon) if such otherwise applicable interest rate as set forth in this Section 3.07 had at all relevant times been in effect.

(a) Each Advance (other than a Provider Advance or a Special Termination Advance) will be a Base Rate Advance for the period from the date of its Borrowing to (but excluding) the third Business Day following the Liquidity Provider's receipt of the Notice of Borrowing for such Advance. Thereafter, such Advance shall be a LIBOR Advance, and an Applied Provider Advance and an Applied Special Termination Advance shall be a LIBOR Advance from the date of its withdrawal from the Class B Cash Collateral Account unless the Borrower elects otherwise.

(b) Each LIBOR Advance shall bear interest during each Interest Period at a rate per annum equal to the LIBOR Rate for such Interest Period plus the Applicable Margin for such LIBOR Advance, payable in arrears on the last day of such Interest Period and, in the event of the payment of principal of such LIBOR Advance on a day other than such last day, on the date of such payment (to the extent of interest accrued on the amount of principal repaid).

(c) Each Base Rate Advance shall bear interest at a rate per annum equal to the Base Rate plus the Applicable Margin for such Base Rate Advance, payable in arrears on each Regular Distribution Date and, in the event of the payment of principal of such Base Rate Advance on a day other than a Regular Distribution Date, on the date of such payment (to the extent of interest accrued on the amount of principal repaid).

(d) Each outstanding Unapplied Non-Extension Advance, Unapplied Downgrade Advance or Unapplied Special Termination Advance (each, an "**Unapplied**

Advance”), as the case may be, shall bear interest, payable in arrears on each Regular Distribution Date, in an amount equal to (i) the Investment Earnings on the amounts on deposit in the Class B Cash Collateral Account on account of such Unapplied Advance during the period beginning on the later of the date of deposit of such Unapplied Advance and the preceding Regular Distribution Date and ending on the last day prior to such Regular Distribution Date, plus (ii) an amount equal to interest at the Applicable Margin on the amount of such Unapplied Advance during such period.

(e) Each amount not paid when due hereunder (whether fees, commissions, expenses or other amounts or installments of interest on Advances but excluding Advances) shall bear interest, to the extent permitted by applicable law, at a rate per annum equal to the Base Rate plus 2.0% per annum until paid.

(f) If at any time, the Liquidity Provider shall have determined (which determination shall be conclusive and binding upon the Borrower, absent manifest error) that, by reason of circumstances affecting the relevant interbank lending market generally (other than a Benchmark Replacement Event), the LIBOR Rate determined or to be determined for the next succeeding Interest Period will not adequately and fairly reflect the cost to the Liquidity Provider (as conclusively certified by the Liquidity Provider, absent manifest error) of making or maintaining Advances, the Liquidity Provider shall give facsimile or telephonic notice thereof (a **“Rate Determination Notice”**) to the Borrower and the Airlines. If such notice is given, then the outstanding principal amount of the LIBOR Advances shall be converted to Base Rate Advances effective from the date of the Rate Determination Notice; provided that the Applicable Liquidity Rate in respect of such Base Rate Advances shall be increased by one percent (1.00%). The Liquidity Provider shall withdraw a Rate Determination Notice given hereunder when the Liquidity Provider determines that the circumstances giving rise to such Rate Determination Notice no longer apply to the Liquidity Provider, and the Base Rate Advances shall be converted to LIBOR Advances effective as of the first day of the next succeeding Interest Period after the date of such withdrawal.

(g) Each change in the Base Rate shall become effective immediately. The rates of interest specified in this Section 3.07 with respect to any Advance or other amount shall be referred to as the **“Applicable Liquidity Rate”**.

Section 3.08 **Replacement of Borrower**. Subject to Section 5.02, from time to time and subject to the successor Borrower’s meeting the eligibility requirements set forth in Section 6.09 of the Intercreditor Agreement applicable to the Subordination Agent, upon the effective date and time specified in a written and completed Notice of Replacement Subordination Agent in substantially the form of **Annex VIII** (a **“Notice of Replacement Subordination Agent”**) delivered to the Liquidity Provider by the then Borrower, the successor Borrower designated therein shall become the Borrower for all purposes hereunder.

Section 3.09 **Funding Loss Indemnification**. The Borrower shall pay to the Liquidity Provider, upon the request of the Liquidity Provider, such amount or amounts as shall be sufficient (in the reasonable opinion of the Liquidity Provider) to compensate it for any loss, cost or expense incurred by reason of the liquidation or redeployment of deposits or other funds

acquired by the Liquidity Provider to fund or maintain any LIBOR Advance (but excluding loss of the Applicable Margin or anticipated profits) incurred as a result of:

- (1) Any repayment of a LIBOR Advance on a date other than the last day of the Interest Period for such Advance; or
- (2) Any failure by the Borrower to borrow a LIBOR Advance on the date for borrowing specified in the relevant notice under Section 2.02.

Section 3.10 Illegality. Notwithstanding any other provision in this Agreement, if any change in any law, rule or regulation applicable to or binding on the Liquidity Provider, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Liquidity Provider with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency shall make it unlawful or impossible for the Liquidity Provider to maintain or fund its LIBOR Advances, then upon notice to the Borrower and the Airlines by the Liquidity Provider, the outstanding principal amount of the LIBOR Advances shall be converted to Base Rate Advances (a) immediately upon demand of the Liquidity Provider, if such change or compliance with such request, in the reasonable judgment of the Liquidity Provider, requires immediate conversion; or (b) at the expiration of the last Interest Period to expire before the effective date of any such change or request. The Liquidity Provider will notify the Borrower and the Airlines as promptly as practicable of any event that will or to its knowledge is reasonably likely to lead to the conversion of LIBOR Advances to Base Rate Advances under this Section 3.10; provided that a failure by the Liquidity Provider to notify the Borrower or the Airlines of an event that is reasonably likely to lead to such a conversion prior to the time that it is determined that such event will lead to such a conversion shall not prejudice the rights of the Liquidity Provider under this Section 3.10. The Liquidity Provider agrees to investigate all commercially reasonable alternatives for avoiding the need for such conversion, including, without limitation, designating a different Lending Office, if such designation or other action would avoid the need to convert such LIBOR Advances to Base Rate Advances; provided that the foregoing shall not obligate the Liquidity Provider to take any action that would, in its reasonable judgment, cause the Liquidity Provider to incur any material loss or cost, unless the Borrower or the Airlines agree to reimburse or indemnify the Liquidity Provider therefor. If no such designation or other action is effected, or, if effected, fails to avoid the need for conversion of the LIBOR Advances to Base Rate Advances, the Airlines may arrange for a Replacement Liquidity Facility in accordance with Section 3.05(e) of the Intercreditor Agreement.

ARTICLE IV

Section 4.02 Conditions Precedent to Borrowing. The obligation of the Liquidity Provider to make an Advance on the occasion of each Borrowing shall be subject to the conditions precedent that the Effective Date shall have occurred and, prior to the time of such Borrowing, the Borrower shall have delivered a Notice of Borrowing which conforms to the terms and conditions of this Agreement.

Section 4.03 Representations and Warranties. The representations and warranties of the Borrower as Subordination Agent in Sections 5.01(a), (b), (c), and (d) of the Participation Agreements shall be deemed to be incorporated into this Agreement as if set out in full herein and as if such representations and warranties were made by the Borrower to the Liquidity Provider.

ARTICLE V

COVENANTS

Section 5.01 Affirmative Covenants of the Borrower. So long as any Advance shall remain unpaid or the Liquidity Provider shall have any Maximum Available Commitment hereunder or the Borrower shall have any obligation to pay any amount to the Liquidity Provider hereunder, the Borrower will, unless the Liquidity Provider shall otherwise consent in writing:

(a) Performance of Agreements. Subject to Sections 2.07 and 2.09, punctually pay or cause to be paid all amounts payable by it under this Agreement and the Intercreditor Agreement and observe and perform in all material respects the conditions, covenants and requirements applicable to it contained in this Agreement and the Intercreditor Agreement;

(b) Reporting Requirements. Furnish to the Liquidity Provider with reasonable promptness, such other information and data with respect to the transactions contemplated by the Operative Agreements as from time to time may be reasonably requested by the Liquidity Provider; and permit the Liquidity Provider, upon reasonable notice, to inspect the Borrower's books and records with respect to such transactions and to meet with officers and employees of the Borrower to discuss such transactions; and

(c) Certain Operative Agreements. Furnish to the Liquidity Provider, with reasonable promptness, copies of such Operative Agreements entered into after the date hereof as from time to time may be reasonably requested by the Liquidity Provider.

Section 5.02 Negative Covenants of the Borrower. Subject to the first and fourth paragraphs of Section 7.01(a) of the Intercreditor Agreement and Section 7.01(b) of the Intercreditor Agreement, so long as any Advance shall remain unpaid or the Liquidity Provider shall have any Maximum Available Commitment hereunder or the Borrower shall have any obligation to pay any amount to the Liquidity Provider hereunder, the Borrower will not appoint or permit or suffer to be appointed any successor Borrower without the prior written consent of the Liquidity Provider, which consent shall not be unreasonably withheld or delayed.

ARTICLE VI

LIQUIDITY EVENTS OF DEFAULT AND SPECIAL TERMINATION

Section 6.01 Liquidity Events of Default. (a) If any Liquidity Event of Default has occurred and is continuing and there is a Performing Note Deficiency, the Liquidity Provider may, in its discretion, deliver to the Borrower and the Airlines a Termination Notice, the effect of which shall be to cause (i) the Termination Date to occur at the close of business on the fifth Business Day after the date on which such Termination Notice is received by the Borrower and the Airlines, (ii) the Borrower to promptly request, and the Liquidity Provider to promptly make, a Final Advance in accordance with Section 2.02(c) hereof and Section 3.05(i) of the Intercreditor Agreement, (iii) all other outstanding Advances to be automatically converted into Final Advances for purposes of determining the Applicable Liquidity Rate for interest payable thereon and (iv) subject to Sections 2.07 and 2.09, all Advances, any accrued interest thereon and any other amounts outstanding hereunder to become immediately due and payable to the Liquidity Provider.

ARTICLE VII

Section 7.01 No Oral Modifications or Continuing Waivers. No terms or provisions of this Agreement may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the Borrower and the Liquidity Provider and any other Person whose consent is required pursuant to this Agreement; provided that no such change or other action shall affect the payment obligations of any Airline or the rights of any Airline without such Airline's prior written consent; and any waiver of the terms hereof shall be effective only in the specific instance and for the specific purpose given.

Any party, by notice to the other party hereto, may designate additional or different addresses for subsequent notices or communications. Whenever the words “notice” or “notify” or similar words are used herein, they mean the provision of formal notice as set forth in this Section 7.02.

Section 7.03 No Waiver; Remedies. No failure on the part of the Liquidity Provider to exercise, and no delay in exercising, any right under this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right under this Agreement preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

Section 7.04 Further Assurances. The Borrower agrees to do such further acts and things and to execute and deliver to the Liquidity Provider such additional assignments, agreements, powers and instruments as the Liquidity Provider may reasonably require or deem advisable to carry into effect the purposes of this Agreement and the other Operative Agreements or to better assure and confirm unto the Liquidity Provider its rights, powers and remedies hereunder and under the other Operative Agreements.

Section 7.05 Indemnification; Survival of Certain Provisions. The Liquidity Provider shall be indemnified hereunder to the extent and in the manner described in Section 4.02 of the Participation Agreements. In addition, the Borrower agrees to indemnify, protect, defend and hold harmless each Liquidity Indemnitee from and against all Expenses of any kind or nature whatsoever (other than any Expenses of the nature described in Sections 3.01, 3.03, 3.09 or 7.07 or in the Fee Letter (regardless of whether indemnified against pursuant to said Sections or in such Fee Letter)), that may be imposed on or incurred by such Liquidity Indemnitee, in any way relating to, resulting from, or arising out of or in connection with, any action, suit or proceeding by any third party against such Liquidity Indemnitee and relating to this Agreement, the Fee Letter, the Intercreditor Agreement or any Participation Agreement; provided, however, that the Borrower shall not be required to indemnify, protect, defend and hold harmless any Liquidity Indemnitee in respect of any Expense of such Liquidity Indemnitee to the extent such Expense is (i) attributable to the gross negligence or willful misconduct of such Liquidity Indemnitee or any other Liquidity Indemnitee, (ii) an ordinary and usual operating overhead expense, (iii) attributable to the failure by such Liquidity Indemnitee or any other Liquidity Indemnitee to perform or observe any agreement, covenant or condition on its part to be performed or observed in this Agreement, the Intercreditor Agreement, the Fee Letter or any other Operative Agreement to which it is a party or (iv) otherwise excluded from the indemnification provisions contained in Section 4.02 of the Participation Agreements. The provisions of Sections 3.01, 3.03, 3.09, 7.05 and 7.07 and the indemnities contained in Section 4.02 of the Participation Agreements shall survive the termination of this Agreement.

Section 7.06 Liability of the Liquidity Provider. (a) Neither the Liquidity Provider nor any of its officers, employees or directors shall be liable or responsible for: (i) the use which may be made of the Advances or any acts or omissions of the Borrower or any beneficiary or

transferee in connection therewith; (ii) the validity, sufficiency or genuineness of documents, or of any endorsement thereon, even if such documents should prove to be in any or all respects invalid, insufficient, fraudulent or forged; or (iii) the making of Advances by the Liquidity Provider against delivery of a Notice of Borrowing and other documents which do not comply with the terms hereof; provided, however, that the Borrower shall have a claim against the Liquidity Provider, and the Liquidity Provider shall be liable to the Borrower, to the extent of any damages suffered by the Borrower that were the result of (A) the Liquidity Provider's willful misconduct or gross negligence in determining whether documents presented hereunder comply with the terms hereof or (B) any breach by the Liquidity Provider of any of the terms of this Agreement or the Intercreditor Agreement, including, but not limited to, the Liquidity Provider's failure to make lawful payment hereunder after the delivery to it by the Borrower of a Notice of Borrowing complying with the terms and conditions hereof. In no event, however, shall the Liquidity Provider be liable on any theory of liability for any special, indirect, consequential or punitive damages (including, without limitation, loss of profits, business or anticipated savings).

(a) Neither the Liquidity Provider nor any of its officers, employees or directors or affiliates shall be liable or responsible in any respect for (i) any error, omission, interruption or delay in transmission, dispatch or delivery of any message or advice, however transmitted, in connection with this Agreement or any Notice of Borrowing delivered hereunder or (ii) any action, inaction or omission which may be taken by it in good faith, absent willful misconduct or gross negligence (in which event the extent of the Liquidity Provider's potential liability to the Borrower shall be limited as set forth in the immediately preceding paragraph), in connection with this Agreement or any Notice of Borrowing.

Section 7.07 Certain Costs and Expenses. The Borrower agrees promptly to pay, or cause to be paid, (a) the reasonable fees, expenses and disbursements of Milbank LLP, special counsel for the Liquidity Provider, in connection with the preparation, negotiation, execution, delivery, filing and recording of the Operative Agreements, any waiver or consent thereunder or any amendment thereof, (b) if a Liquidity Event of Default occurs, all out-of-pocket expenses incurred by the Liquidity Provider, including reasonable fees and disbursements of counsel, in connection with such Liquidity Event of Default and any collection, bankruptcy, insolvency and other enforcement proceedings in connection therewith and (c) on demand, all reasonable costs and expenses (including reasonable fees and disbursements of counsel) incurred by the Liquidity Provider in connection with any modification or amendment of, or supplement to, this Agreement or any other Operative Agreement (or such other documents which may be delivered in connection herewith or therewith) (whether or not any of the same shall become effective) requested by the Airlines, unless such costs or expenses arise as a result of the negligence of the Liquidity Provider or any breach by the Liquidity Provider of its obligations under this Agreement or any other Operative Agreement. In addition, the Borrower shall pay any and all recording, stamp and other similar Taxes and fees payable or determined to be payable in the United States in connection with the execution, delivery, filing and recording of this Agreement, any other Operative Agreement and such other documents, and agrees to save the Liquidity Provider harmless from and against any and all liabilities with respect to or resulting from any delay in paying or omission to pay such Taxes or fees.

Section 7.08 **Binding Effect; Participations.** (a) This Agreement shall be binding upon and inure to the benefit of the Borrower and the Liquidity Provider and their respective successors and permitted assigns, except that neither the Liquidity Provider (except as otherwise provided in this Section 7.08) nor (except as contemplated by Section 3.08) the Borrower shall have the right to assign, pledge or otherwise transfer its rights or obligations hereunder or any interest herein, subject to the Liquidity Provider's right to grant Participations pursuant to Section 7.08(b).

(a) The Liquidity Provider agrees that it will not grant any participation (including, without limitation, a "risk participation") (any such participation, a "**Participation**") in or to all or a portion of its rights and obligations hereunder or under the other Operative Agreements, unless all of the following conditions are satisfied: (i) such Participation is to a Permitted Transferee, (ii) such Participation is made in accordance with all applicable laws, including, without limitation, the Securities Act of 1933, as amended, the Trust Indenture Act of 1939, as amended, any laws or regulations imposing U.S. economic sanctions measures or any orders or licenses issued thereunder and any other applicable laws relating to the transfer of similar interests and (iii) such Participation shall not be made under circumstances that require registration under the Securities Act of 1933, as amended, or qualification of any indenture under the Trust Indenture Act of 1939, as amended. Notwithstanding any such Participation, the Liquidity Provider agrees that (1) the Liquidity Provider's obligations under the Operative Agreements shall remain unchanged, and such participant shall have no rights or benefits as against the Parent, the Airlines or the Borrower or under any Operative Agreement, (2) the Liquidity Provider shall remain solely responsible to the other parties to the Operative Agreements for the performance of such obligations, (3) the Liquidity Provider shall remain the maker of any Advances, and the other parties to the Operative Agreements shall continue to deal solely and directly with the Liquidity Provider in connection with the Advances and the Liquidity Provider's rights and obligations under the Operative Agreements, (4) the Liquidity Provider shall be solely responsible for any withholding Taxes or any filing or reporting requirements relating to such Participation and shall hold the Borrower, the Parent and the Airlines and their respective successors, permitted assigns, affiliates, agents and servants harmless against the same and (5) none of the Parent, the Airlines or the Borrower shall be required to pay to the Liquidity Provider any amount under Section 3.01 or Section 3.03 greater than it would have been required to pay had there not been any grant of a Participation by the Liquidity Provider. The Liquidity Provider may, in connection with any Participation or proposed Participation pursuant to this Section 7.08(b), disclose to the participant or proposed participant any information relating to the Operative Agreements or to the parties thereto furnished to the Liquidity Provider thereunder or in connection therewith and permitted to be disclosed by the Liquidity Provider; provided, however, that prior to any such disclosure, the participant or proposed participant shall agree in writing for the express benefit of the Borrower and the Airlines to preserve the confidentiality of any confidential information included therein (subject to customary exceptions).

The Borrower acknowledges and agrees that the Liquidity Provider's source of funds may derive in part from its participants. Accordingly, in determining amounts due by the Borrower to the Liquidity Provider pursuant to Section 3.01 and Section 3.03 of this Agreement, references in this Agreement to determinations, reserve, liquidity and capital adequacy

requirements, increased costs, reduced receipts, additional amounts due pursuant to Section 3.03 as they pertain to the Liquidity Provider shall be deemed also to include those of each of its participants that are commercial banking institutions and of whose participation the Borrower has been notified, in each case up to the maximum amount that would have been incurred by or attributable to the Liquidity Provider directly had there not been any grant of a Participation by the Liquidity Provider, and references to the Liquidity Provider therein and in related definitions shall be treated as references to such participants where applicable; provided that in any event, none of the Parent, the Airlines or the Borrower shall be required to pay any amount under Section 3.01 or Section 3.03 greater than it would have been required to pay had there not been any grant of a Participation by the Liquidity Provider.

The Liquidity Provider shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each participant and the principal amounts (and stated interest) of each participant's interest under this Agreement (the "**Participant Register**"); *provided* that the Liquidity Provider shall not have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a participant's interest in any commitments, loans or its other obligations) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and the Liquidity Provider shall treat each Person whose name is recorded in the Participant Register as the owner of such Participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(b) Notwithstanding the other provisions of this Section 7.08, the Liquidity Provider may assign and pledge all or any portion of the Advances owing to it to any Federal Reserve Bank or the United States Treasury as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any Operating Circular issued by such Federal Reserve Bank; provided that any payment in respect of such assigned Advances made by the Borrower to the Liquidity Provider in accordance with the terms of this Agreement shall satisfy the Borrower's obligations hereunder in respect of such assigned Advance to the extent of such payment. No such assignment shall release the Liquidity Provider from its obligations hereunder.

Section 7.09 Severability. To the extent permitted by applicable law, any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 7.10 Governing Law. THIS AGREEMENT HAS BEEN DELIVERED IN THE STATE OF NEW YORK AND THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF NEW YORK, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE.

Section 7.11 Submission to Jurisdiction; Waiver of Jury Trial; Waiver of Immunity. (a) Each of the parties hereto, to the extent it may do so under applicable law, for purposes hereof hereby (i) irrevocably submits itself to the non-exclusive jurisdiction of the courts of the State of New York sitting in the City of New York and to the non-exclusive jurisdiction of the United States District Court for the Southern District of New York for the purposes of any suit, action or other proceeding arising out of this Agreement, the subject matter hereof or any of the transactions contemplated hereby brought by any party or parties hereto or thereto, or their successors or permitted assigns, (ii) waives, and agrees not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter hereof or any of the transactions contemplated hereby may not be enforced in or by such courts, (iii) agrees that service of process in any such suit, action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to each party hereto at its address set forth in Section 7.02 hereof, or at such other address of which each party shall have been notified pursuant thereto and (iv) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law.

(a) THE BORROWER AND THE LIQUIDITY PROVIDER EACH HEREBY AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS AGREEMENT AND THE RELATIONSHIP THAT IS BEING ESTABLISHED, including, without limitation, contract claims, tort claims, breach of duty claims and all other common law and statutory claims. The Borrower and the Liquidity Provider each warrant and represent that it has reviewed this waiver with its legal counsel, and that it knowingly and voluntarily waives its jury trial rights following consultation with such legal counsel. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THIS WAIVER IS IRREVOCABLE, AND CANNOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT.

(b) To the extent that the Liquidity Provider or any of its properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, and whether under the United States Foreign Sovereign Immunities Act of 1976 (or any successor legislation) or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon this Agreement, including, without limitation, immunity from suit or service of process, immunity from jurisdiction or judgment of any court or tribunal or execution of a judgment, or immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, the Liquidity Provider hereby irrevocably and expressly waives any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere.

Section 7.12 Counterparts. This Agreement may be executed in any number of counterparts (and each party shall not be required to execute the same counterpart). Each counterpart of this Agreement including a signature page or pages executed by each of the parties hereto shall be an original counterpart of this Agreement, but all of such counterparts together shall constitute one instrument.

Section 7.13 Entirety. This Agreement and the Intercreditor Agreement constitute the entire agreement of the parties hereto with respect to the subject matter hereof and supersede all prior understandings and agreements of such parties.

Section 7.14 Headings. The headings of the various Articles and Sections herein and in the Table of Contents hereto are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

Section 7.15 Liquidity Provider's Obligation to Make Advances. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, THE OBLIGATIONS OF THE LIQUIDITY PROVIDER TO MAKE ADVANCES HEREUNDER, AND THE BORROWER'S RIGHTS TO DELIVER NOTICES OF BORROWING REQUESTING THE MAKING OF ADVANCES HEREUNDER, SHALL BE ABSOLUTE, UNCONDITIONAL AND IRREVOCABLE, AND SHALL BE PAID OR PERFORMED, IN EACH CASE STRICTLY IN ACCORDANCE WITH THE TERMS OF THIS AGREEMENT.

Section 7.16 Patriot Act. The Liquidity Provider hereby notifies the Borrower that pursuant to the requirements of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 ("USA PATRIOT Act") it is required to obtain, verify and record information that identifies the Borrower, which information includes the name and address of the Borrower and other information that will allow the Liquidity Provider to identify the Borrower in accordance with such Act.

Section 7.17 Acknowledgment and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in this Agreement or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under this Agreement, to the extent such liability is unsecured, may be subject to Write-Down and Conversion Powers and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement; or

(iii) the variation of the terms of such liability in connection with the exercise of Write-Down and Conversion Powers.

Section 7.18 Head Office Obligations. The Liquidity Provider is Crédit Agricole Corporate and Investment Bank, acting through its New York Branch. The Liquidity Provider hereby agrees that, notwithstanding the place of booking or its jurisdiction of incorporation or organization, the obligations of the Liquidity Provider hereunder are also the obligations of the head office of Crédit Agricole Corporate and Investment Bank in Paris, France (the “Head Office”). Accordingly, any beneficiary of this Agreement will be able to proceed directly against the Head Office, if the Liquidity Provider defaults in its obligations to such beneficiary under this Agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first set forth above.

ARTICLE 4

REPRESENTATIONS, WARRANTIES AND INDEMNITIES OF COMPANY

Section 4.01. Representations and Warranties of Company. Company represents and warrants that:

(a) Organization; Authority; Qualification. Company is a corporation duly incorporated and validly existing in good standing under the laws of the State of Alaska, is a Certificated Air Carrier, is a Citizen of the United States, has the corporate power and authority to own its properties or hold them under lease and to enter into and perform its obligations under the Operative Documents to which it is a party and is duly qualified to do business as a foreign corporation in good standing in each other jurisdiction in which the failure to so qualify would have a material adverse effect on the consolidated financial condition of Company and its subsidiaries, considered as a whole, and its jurisdiction of organization (as such term is used in Article 9 of the Uniform Commercial Code as in effect in the State of Alaska) is Alaska.

(b) Corporate Action and Authorization; No Violations. The execution, delivery and performance by Company of this Agreement and the other Operative Documents to which Company is a party have been duly authorized by all necessary corporate action on the part of Company, do not require any

stockholder approval or approval or consent of any trustee or holder of any indebtedness or obligations of Company, except such as have been duly obtained and are in full force and effect, and do not contravene any law, governmental rule, regulation, judgment or order binding on Company or the certificate of incorporation or by-laws of Company or contravene or result in a breach of, or constitute a default under, or result in the creation of any Lien (other than as permitted under the Indenture) upon the property of Company under, any material indenture, mortgage, contract or other agreement to which Company is a party or by which it or any of its properties may be bound or affected.

(c) Governmental Approvals. Neither the execution and delivery by Company of this Agreement and the other Operative Documents to which it is a party, nor the consummation by Company of any of the transactions contemplated hereby or thereby, requires the authorization, consent or approval of, the giving of notice to, the filing or registration with or the taking of any other action in respect of, the Department of Transportation, the FAA or any other federal or state governmental authority or agency, or the International Registry, except for (i) the registration of the issuance and sale of the Pass Through Certificates under the Securities Act and under the securities laws of any state or other jurisdiction in which the Pass Through Certificates may be offered for sale if the laws of such state or other jurisdiction require such action, (ii) the qualification of the Pass Through Trust Agreements under the Trust Indenture Act, (iii) the orders, permits, waivers, exemptions, authorizations and approvals of the regulatory authorities having jurisdiction over Company's ownership or operation of the Aircraft required to be obtained on or prior to the Closing Date, which orders, permits, waivers, exemptions, authorizations and approvals have been duly obtained and are, or on the Closing Date will be, in full force and effect, (iv) the filings and registrations referred to in Section 4.01(e), (v) authorizations, consents, approvals, notices and filings required to be obtained, taken, given or made under securities or Blue Sky or similar laws of the various states and foreign jurisdictions and (vi) consents, approvals, notices, registrations and other actions required to be obtained, given, made or taken only after the date hereof.

(d) Valid and Binding Agreements. This Agreement and each other Operative Document to which Company is a party have been duly executed and delivered by Company and constitute the legal, valid and binding obligations of Company enforceable against Company in accordance with their terms, except as the same may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the rights of creditors generally and by general principles of equity and except, in the case of the Indenture, as limited by applicable laws that may affect the remedies provided in the Indenture, which laws, however, do not make the remedies provided in the Indenture inadequate for the practical realization of the rights and benefits intended to be provided thereby.

(e) Filings and Recordation. Except for (i) the filing for recordation pursuant to the Transportation Code of the Indenture (with the Indenture Supplement covering the Aircraft attached), (ii) with respect to the security interests created by such documents, the filing of financing statements (and continuation statements at periodic intervals) under the Uniform Commercial Code of Alaska, and (iii) the registration on the International Registry of the International Interests (or Prospective International Interests) created under the Indenture (as supplemented by the Indenture Supplement covering the Aircraft), no further filing or recording of any document is necessary under the laws of the United States or any state thereof as of the Closing Date in order to establish and perfect the security interest in the Aircraft created under the Indenture in favor of Loan Trustee as against Company and any third parties in any applicable jurisdiction in the United States.

(f) Investment Company Act. Company is not required to be registered as an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

(g) Title. As of the Closing Date, (i) Company has good title to the Aircraft, free and clear of Liens other than Permitted Liens, (ii) the Aircraft has been duly certified (or shall be in the process of being so duly certified) by the FAA (subject only to Company’s receipt of the applicable certificate from FAA) as to type and airworthiness in accordance with the terms of the Indenture, (iii) the Indenture (with the Indenture Supplement covering the Aircraft attached) has been duly filed for recordation (or shall be in the process of being so duly filed for recordation) with the FAA pursuant to the Transportation Code, (iv) the Aircraft is duly registered (or shall be in the process of being so duly registered) with the FAA in the name of Company, and (v) the registration of the International Interests (or Prospective International Interests) created under the Indenture (as supplemented by the Indenture Supplement with respect to the Aircraft) shall have been effected (or shall be in the process of being so effected) on the International Registry in accordance with the Cape Town Treaty.

(h) Section 1110. Loan Trustee is entitled to the benefits of Section 1110 with respect to the Aircraft being subjected to the Lien of the Indenture on the Closing Date.

(i) Security Interest. The Indenture creates in favor of Loan Trustee, for the benefit of Noteholders, Indenture Indemnitees, Related Indenture Indemnitees and the Company Guarantee Beneficiary, a valid and (subject to the filings and registrations referred to in Section 4.01(e)) perfected Lien on the Aircraft purported to be subjected to the Lien of the Indenture on the Closing Date, subject to no equal or prior Lien, except Permitted Liens.

(j) Licenses, Permits and Franchises. Company holds all licenses, permits and franchises from the appropriate government entities necessary to authorize Company lawfully to engage in air transportation and to carry on scheduled commercial passenger service as currently conducted, except where the failure to so hold any such license, permit or franchise would not have a material adverse effect on the financial condition or operations of Company and its consolidated subsidiaries, taken as a whole.

Section 4.02. General Indemnity. (a) Claims Defined. For the purposes of this Section 4.02, “Claims” means any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs or expenses of whatsoever kind and nature (whether or not on the basis of negligence, strict or absolute liability or liability in tort) that may be imposed on, incurred by, suffered by or asserted against an Indemnitee, as defined below, and, except as otherwise expressly provided in this Section 4.02, includes all reasonable out-of-pocket costs, disbursements and expenses (including reasonable out-of-pocket legal fees and expenses) actually incurred by an Indemnitee in connection therewith or related thereto.

(b) Indemnitee Defined. For the purposes of this Section 4.02, “Indemnitee” means (i) U.S. Bank and Loan Trustee, (ii) each separate or additional trustee appointed pursuant to Section 8.02 of the Indenture, (iii) so long as it holds any Equipment Notes as agent and trustee of any Pass Through Trustee, Subordination Agent (iv) so long as it is the holder of any Equipment Notes, each Pass Through Trustee, (v) each Liquidity Provider, (vi) any Related Noteholder, (vii) the Company Guarantee Beneficiary and (viii) each of their respective successors and permitted assigns in such capacities, agents, servants, officers, employees and directors (the respective agents, servants, officers, employees and directors of each of the foregoing Indemnitees, as applicable, together with such Indemnitee, collectively the “Related Indemnitee Group” of such Indemnitee); provided that such Persons, to the extent they are not signatories to this Agreement, have expressly agreed in writing to be bound by the terms of this Section 4.02 prior to, or concurrently with, the making of a Claim. If any Indemnitee fails to comply with any duty or obligation under this Section 4.02 with respect to any Claim, such Indemnitee shall not be entitled to any indemnity with respect to such Claim under this Section 4.02 to the extent such failure was prejudicial to Company. No holder of a Pass Through Certificate in its capacity as such holder shall be an Indemnitee.

(c) Claims Indemnified. Subject to the exclusions stated in Section 4.02(d), Company agrees to indemnify, protect, defend and hold harmless on an After-Tax Basis each Indemnitee against Claims resulting from or arising out of the sale, purchase, acceptance, non-acceptance or rejection of the Aircraft under the Purchase Agreement or the ownership, possession, use, non-use, substitution, airworthiness, control, maintenance, repair, operation, registration, re-registration,

condition, sale, lease, sublease, storage, modification, alteration, return, transfer or other disposition of the Aircraft, the Airframe, any Engine or any Part (including, without limitation, latent or other defects, whether or not discoverable, and any claim for patent, trademark or copyright infringement) by Company, any Permitted Lessee or any other Person. Without limiting the foregoing and subject to, and without duplication of, the provisions of Section 6.01(a), Company agrees to pay the reasonable ongoing fees, and the reasonable out-of-pocket costs and expenses actually incurred (including, without limitation, reasonable attorney's fees and disbursements actually incurred and, to the extent payable as provided in the Indenture, reasonable compensation and expenses of Loan Trustee's agents actually incurred), of Loan Trustee in connection with the transactions contemplated hereby.

(d) Claims Excluded. The following are excluded from Company's agreement to indemnify an Indemnitee under this Section 4.02:

(i) any Claim to the extent such Claim is attributable to acts or events occurring after (A) the Lien of the Indenture has been discharged, or (B) the transfer of possession of the Aircraft pursuant to Article IV of the Indenture except to the extent that such Claim is attributable to acts occurring in connection with the exercise of remedies pursuant to Section 4.02 of the Indenture following the occurrence and continuance of an Event of Default;

(ii) any Claim to the extent such Claim is, or is attributable to, a Tax (or loss of any Tax benefit), except with respect to paying indemnity amounts on an After-Tax Basis;

(iii) any Claim to the extent such Claim is attributable to the negligence or willful misconduct of such Indemnitee or such Indemnitee's Related Indemnitee Group;

(iv) any Claim to the extent such Claim is attributable to the noncompliance by such Indemnitee or such Indemnitee's Related Indemnitee Group with any of the terms of, or any misrepresentation by an Indemnitee or its Related Indemnitee Group contained in, this Agreement, any other Operative Document or any Pass Through Document to which such Indemnitee or any of such Related Indemnitee Group is a party or any agreement relating hereto or thereto;

(v) any Claim to the extent such Claim constitutes a Lien attributable to such Indemnitee;

(vi) any Claim to the extent such Claim is attributable to the offer, sale, assignment, transfer, participation or other disposition (whether voluntary or involuntary) by or on behalf of such Indemnitee or its Related Indemnitee Group (other than during the occurrence and continuance of an Event of Default; provided that any such offer, sale, assignment, transfer, participation or other disposition during the occurrence and continuation of an Event of Default shall not be subject to indemnification unless it is made in accordance with the Indenture and applicable law) of any Equipment Note or interest therein or Pass Through Certificate, all or any part of such Indemnitee's interest in the Operative Documents or the Pass Through Documents, or any interest in the Collateral or any similar security;

(vii) any Claim to the extent such Claim is attributable to (A) a failure on the part of Loan Trustee to distribute in accordance with this Agreement or any other Operative Document any amounts received and distributable by it hereunder or thereunder, (B) a failure on the part of Subordination Agent to distribute in accordance with the Intercreditor Agreement any amounts received and distributable by it thereunder or (C) a failure on the part of any Pass Through Trustee to distribute in accordance with the Pass Through Trust Agreement to which it is a party any amounts received and distributable by it thereunder;

(viii) any Claim to the extent such Claim is attributable to the authorization or giving or withholding of any future amendments, supplements, waivers or consents with respect to any Operative Document or any Pass Through Document, other than such as have been requested by Company or that occur as the result of an Event of Default, or such as are expressly required or contemplated by the provisions of the Operative Documents or the Pass Through Documents;

(ix) any Claim to the extent such Claim is payable or borne by (A) Company pursuant to any indemnification, compensation or reimbursement provision of any other Operative Document or any Pass Through Document or (B) a Person other than Company pursuant to any provision of any Operative Document or any Pass Through Document;

(x) any Claim to the extent such Claim is an ordinary and usual operating or overhead expense or not an out-of-pocket expense actually incurred;

(xi) any Claim to the extent such Claim is incurred on account of or asserted as a result of (A) any "prohibited transaction" within the meaning of Section 406 of ERISA or Section 4975 of the Code or any foreign, federal, state or local law which is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code ("Similar Law") or (B) any breach of fiduciary duty under ERISA;

(xii) any Claim to the extent such Claim is attributable to one or more of the other aircraft financed through the offering of Pass Through Certificates (in the event of doubt, any Claim shall be allocated between the Aircraft and such other aircraft in the same proportion that the then outstanding Equipment Notes bear to the then outstanding equipment notes issued with respect to the other aircraft and held by Pass Through Trustees);

(xiii) any Claim to the extent such Claim is attributable to any amount which any Indemnitee expressly agrees shall not be paid by, borne by, or reimbursed by Company;

(xiv) any Claim by an Indemnitee related to the status of such Indemnitee as a passenger or shipper on any of Company's aircraft or as a party to a marketing or promotional or other commercial agreement with Company unrelated to the transactions contemplated by the Operative Documents; and

(xv) any Claim to the extent such Claim is attributable to the offer or sale by an Indemnitee (or any member of such Indemnitee's Related Indemnitee Group) of any interest in the Aircraft, the Equipment Notes, the Pass Through Certificates, or any similar interest, in violation of the Securities Act or other applicable federal, state or foreign securities laws (other than any thereof caused by acts or omissions of Company or any of its affiliates).

(e) Insured Claims. In the case of any Claim indemnified by Company hereunder that is covered by a policy of insurance maintained by Company, each Indemnitee agrees to cooperate, at Company's expense, with the insurers in the exercise of their rights to investigate, defend and compromise such Claim.

(f) Claims Procedure. An Indemnitee shall promptly notify Company of any Claim as to which indemnification is sought. The failure to provide such prompt notice shall not release Company from any of its obligations to indemnify hereunder except to the extent that Company is prejudiced by such failure or Company's indemnification obligations are increased as a result of such failure (in which event Company shall not be responsible for such additional indemnification obligations). Such Indemnitee shall promptly submit to Company

all additional information in such Indemnitee's possession to substantiate such Claim as Company reasonably requests. Subject to the rights of Company's insurers, Company may, at its sole cost and expense, investigate any Claim, and may in its sole discretion defend or compromise any Claim. At Company's expense, any Indemnitee shall cooperate with all reasonable requests of Company in connection therewith. Such Indemnitee shall not enter into a settlement or other compromise with respect to any Claim without the prior written consent of Company, which consent shall not be unreasonably withheld or delayed, unless such Indemnitee waives its right to be indemnified with respect to such Claim. Where Company or its insurers undertake the defense of an Indemnitee with respect to a Claim, no additional legal fees or expenses of such Indemnitee in connection with the defense of such Claim shall be indemnified hereunder unless such fees or expenses were incurred at the written request of Company or such insurers. Subject to the requirements of any policy of insurance, an Indemnitee may participate at its own expense in any judicial proceeding controlled by Company pursuant to the preceding provisions; provided that such party's participation does not, in the opinion of outside counsel appointed by Company or its insurers to conduct such proceedings, interfere with such control. Such participation shall not constitute a waiver of the indemnification provided in this Section 4.02. Notwithstanding anything to the contrary contained herein, Company shall not under any circumstances be liable for the fees and expenses of more than one counsel for all Indemnitees with respect to any one Claim. Notwithstanding anything to the contrary contained herein, an Indemnitee shall not under any circumstances be required or deemed to be required to contest any Claim or to assume responsibility for or control of any judicial proceeding with respect thereto. Company will provide the relevant Indemnitee with such information not within the control of such Indemnitee, as is in Company's control or is reasonably available to Company, which such Indemnitee may reasonably request and will otherwise cooperate with such Indemnitee so as to enable such Indemnitee to fulfill its obligations under this Section. If an Indemnitee is not a party to this Agreement, Company may require such Indemnitee to agree in writing to the terms of this Section 4.02 and Section 7.10 of this Agreement prior to making any payment to such Indemnitee under this Section 4.02.

(g) Subrogation. To the extent that a Claim is in fact paid in full by Company or its insurer, Company or such insurer (as the case may be) shall, without any further action, be subrogated to the rights and remedies of the Indemnitee on whose behalf such Claim was paid with respect to the transaction or event giving rise to such Claim. Such Indemnitee shall give such further assurances or agreements and shall cooperate with Company or such insurer, as the case may be, to permit Company or such insurer to pursue such rights and remedies, if any, to the extent reasonably requested by Company. So long as no Event of Default has occurred and is continuing, if an Indemnitee receives any

payment, in whole or in part, from any party other than Company or its insurers with respect to any Claim paid by Company or its insurers, it shall promptly pay over to Company the amount received (but not an amount in excess of the amount Company or any of its insurers has paid in respect of such Claim). Any amount referred to in the preceding sentence that is payable to Company shall not be paid to Company, or, if it has been previously paid directly to Company, shall not be retained by Company, if at the time of such payment an Event of Default has occurred and is continuing, but shall be paid to and held by Loan Trustee as security for the obligations of Company under the Operative Documents. If Company agrees, such amount payable shall be applied against Company's obligations thereunder when and as they become due and payable. At such time as such Event of Default is no longer continuing, such amount, to the extent not previously so applied against Company's obligations, shall be paid to Company.

(h) No Guaranty. Nothing set forth in this Section 4.02 constitutes a guarantee by Company that the Aircraft at any time will have any particular value, useful life or residual value.

(i) Payments; Interest. Any amount payable to any Indemnitee on account of a Claim shall be paid within 30 days after receipt by Company of a written demand therefor from such Indemnitee accompanied by a written statement describing in reasonable detail the Claims that are the subject of and basis for such indemnity and the computation of the amount payable. Any payments made pursuant to this Section 4.02 directly to an Indemnitee or to Company, as the case may be, shall be made in immediately available funds at such bank or to such account as is specified by the payee in written directions to the payor or, if no such directions are given, by check of the payor payable to the order of the payee and mailed to the payee by certified mail, return receipt requested, postage prepaid to its address referred to in Section 7.01. To the extent permitted by applicable law, interest at the Past Due Rate shall be paid, on demand, on any amount or indemnity not paid when due pursuant to this Section 4.02 until the same is paid. Such interest shall be paid in the same manner as the unpaid amount in respect of which such interest is due.

(j) Tax Deduction or Credit. If, by reason of any payment made to or for the account of any Indemnitee by Company, or by reason of any Claim of any Indemnitee paid or indemnified against by Company, in each case pursuant to Section 4.02, such Indemnitee realizes a Tax deduction or credit not previously taken into account in computing such payment, such Indemnitee shall promptly pay to Company an amount equal to the sum of (i) the actual reduction in Taxes realized by such Indemnitee which is attributable to such deduction or credit, and (ii) the actual reduction in Taxes realized by such Indemnitee as a result of any payment made by such Indemnitee pursuant to this sentence; provided that the amount payable by such Indemnitee pursuant to this sentence shall not exceed the

sum of all amounts previously paid by Company to such Indemnitee pursuant to this Section 4.02; provided, further, that any such excess shall be carried forward and applied to reduce *pro tanto* any subsequent obligations of Company to make payments to such Indemnitee pursuant to Section 4.02. If such Tax deduction or credit is subsequently disallowed or lost, upon written notice from the Indemnitee Company shall promptly repay all amounts paid to it pursuant to this Section 4.02(j) in respect of such disallowed or lost deduction or credit. If, at the time an amount would otherwise be payable to Company under this Section 4.02(j), any Event of Default shall have occurred and be continuing, such amount shall be held by the relevant Indemnitee as security for the obligations of Company under the Operative Documents. At such time as no Event of Default is continuing, such amount or portion thereof shall be applied to offset Company's outstanding obligations under the Operative Documents and any remaining amount after such application shall be paid to Company.

ARTICLE 5

(e) No Loan Trustee Liens or Other Party Liens. It unconditionally agrees with and for the benefit of the parties to this Agreement that it will not directly or indirectly create, incur, assume or suffer to exist any Loan Trustee Lien or Other Party Lien attributable to it, and it agrees that it will, at its own cost and expense, promptly take such action as may be necessary to discharge and satisfy in full any such Lien.

(b) Continuing Registration and Re-Registration. Loan Trustee, Noteholders, Subordination Agent and each Pass Through Trustee agree to execute and deliver, at Company's expense, all such documents and consents as Company reasonably requests for the purpose of continuing the registration of the Aircraft at the FAA in Company's name or for the purpose of registering or maintaining any registration on the International Registry in respect of the Aircraft. In addition, each of Loan Trustee, Subordination Agent, each Pass Through Trustee and any other Noteholder agrees, for the benefit of Company, to cooperate with Company in effecting any foreign registration of the Aircraft pursuant to Section 7.02(e) of the Indenture; provided that prior to any such change in the country of registry of the Aircraft the conditions set forth in Section 7.02(e) of the Indenture are met to the reasonable satisfaction of, or waived by, Loan Trustee.

(c) Quiet Enjoyment. Each of U.S. Bank, Loan Trustee, Subordination Agent, each Pass Through Trustee, any other Noteholder, Class A Liquidity Provider (by having entered into the Class A Liquidity Facility) and Class B Liquidity Provider (by having entered into the Class B Liquidity Facility) agrees that, unless an Event of Default shall have occurred and be continuing, it shall not (and shall not permit any Affiliate or other Person claiming by, through or under it to) take any action contrary to, or otherwise in any way interfere with or disturb (and then only in accordance with the Indenture), the quiet enjoyment of the use and possession of the Aircraft, the Airframe, any Engine or any Part by Company or any transferee of any interest in any thereof permitted under the Indenture.

(d) No Noteholder Liens. (e) Agreement to be Bound; Transfer. By its acceptance of its Equipment Notes, each Noteholder unconditionally agrees for the benefit of Company and Loan Trustee: (i) to be bound by and to perform and comply with all of the terms of such Equipment Notes, the Indenture and this Agreement applicable to such Noteholder and (ii) that it will not transfer any Equipment Note (or any part thereof) to any entity unless such transfer complies with and does not violate the Transportation Code, the Securities Act (or require registration under such Act) or any other law (including, without limitation, ERISA, the Code and Similar Law), and does not create a relationship that would be in violation thereof, or result in a “prohibited transaction” under Section 406 of ERISA, Section 4975 of the Code or Similar Law or require qualification of an indenture under the Trust Indenture Act.

(f) Tax Returns. Each Pass Through Trustee shall file any Tax returns required to be filed by the related Pass Through Trust and Company shall pay the Applicable Portion of any expenses relating thereto. Company shall be responsible for the Applicable Portion of any interest or penalties related to any Pass Through Trustee’s failure to file any such Tax returns required to be filed by the relevant Pass Through Trust, except to the extent that such failure is attributable to the gross negligence or willful misconduct of such Pass Through Trustee. For purposes of this Section 6.01(f), the “Applicable Portion” of any amount shall equal such amount multiplied by a fraction, the numerator of which shall be the sum of the then outstanding aggregate principal amount of the Equipment Notes held by the relevant Pass Through Trustee, and the denominator of which shall be the sum of the outstanding aggregate principal amount of all “Equipment Notes” issued under each of the “Indentures” (in each case as defined in the Intercreditor Agreement) held by such Pass Through Trustee.

(g) No Petition. Each of Company, Loan Trustee, each Pass Through Trustee, Subordination Agent and any other Noteholder covenants that (i) until one year and one day after the Series A Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing the Class A Pass Through Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against the Class A Pass Through Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Class A Pass Through Trust or any substantial part of its property or ordering the winding-up or liquidation of the affairs of the Class A Pass Through Trust, (ii) if any Series B Equipment Notes shall have been issued, until one year and one day after

such Series B Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing the Class B Pass Through Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against such Class B Pass Through Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of such Class B Pass Through Trust or any substantial part of its property or ordering the winding-up or liquidation of the affairs of such Class B Pass Through Trust, and (iii) if any Additional Series Equipment Notes of any Series shall have been issued, until one year and one day after such Additional Series Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing the related Additional Series Pass Through Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against such Additional Series Pass Through Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of such Additional Series Pass Through Trust or any substantial part of its property or ordering the winding-up or liquidation of the affairs of such Additional Series Pass Through Trust.

Section 6.02. Certain Covenants of Company. Company covenants and agrees with Loan Trustee as follows:

(a) Further Assurances. On and after the Closing, Company will cause to be done, executed, acknowledged and delivered such further acts, conveyances and assurances as Loan Trustee reasonably requests for accomplishing the purposes of this Agreement and the other Operative Documents; provided that any instrument or other document so executed by Company will not expand any obligations or limit any rights of Company in respect of the transactions contemplated by the Operative Documents.

(b) Filing and Recordation of the Indenture; Registration of International Interests. Company, at its expense, will cause the Indenture (with the Indenture Supplement covering the Aircraft attached) to be promptly filed and recorded, or filed for recording, with the FAA to the extent permitted under the Transportation Code and the rules and regulations of the FAA thereunder. In addition, on or prior to the Closing Date, Company will cause the registration of the International Interests (or Prospective International Interests) created under the Indenture (as supplemented by the Indenture Supplement with respect to the Aircraft) to be effected (or shall be in the process of being so effected) on the International Registry in accordance with the Cape Town Treaty, and shall, as and to the extent applicable, consent to such registration upon the issuance of a request for such consent by the International Registry.

(c) Maintenance of Filings. Company, at its expense, will take, or cause to be taken, such action with respect to the recording, filing, re-recording and refiling of the Indenture and any financing statements or other instruments as are necessary to maintain, so long as the Indenture is in effect, the perfection of the security interests created by the Indenture or will furnish Loan Trustee timely notice of the necessity of such action, together with such instruments, in execution form, and such other information as may be required to enable Loan Trustee to take such action. In addition, Company will pay any and all recording, stamp and other similar Taxes payable in the United States, and in any other jurisdiction where the Aircraft is registered, in connection with the execution, delivery, recording, filing, re-recording and refiling of the Indenture or any such financing statements or other instruments. Company will notify Loan Trustee of any change in its jurisdiction of organization (as such term is used in Article 9 of the Uniform Commercial Code as in effect in the State of Alaska) promptly after making such change or in any event within the period of time necessary under applicable law to prevent the lapse of perfection (absent refiling) of financing statements filed under the Operative Documents.

(d) Maintenance of Corporate Existence. Company shall at all times maintain its corporate existence except as permitted by Section 6.02(e).

(e) Merger; Consolidation; Transfer of Substantially All Assets. Company shall not consolidate with or merge into any other Person or convey, transfer or lease substantially all of its assets as an entirety to any Person, unless:

(i) the successor or transferee entity shall, if and to the extent required under Section 1110 in order that Loan Trustee continues to be entitled to any benefits of Section 1110 with respect to the Aircraft, be a Citizen of the United States and a Certificated Air Carrier and shall execute and deliver to Loan Trustee an agreement containing the express assumption by such successor or transferee entity of the due and punctual performance and observance of each covenant and condition of the Operative Documents to which Company is a party to be performed or observed by Company;

(ii) if the Aircraft is, at the time, registered with the FAA or such Person is located in a “Contracting State” (as such term is used in the Cape Town Treaty), such Person makes such filings and recordings with the FAA pursuant to the Transportation Code and registration under the Cape Town Treaty, or if the Aircraft is, at the time, not registered with the FAA, such Person makes such filings and recordings with the applicable aviation authority, as are necessary to evidence such consolidation, merger, conveyance, transfer or lease;

(iii) immediately after giving effect to such transaction, no Event of Default shall have occurred and be continuing; and

(iv) Company shall deliver to Loan Trustee and each Liquidity Provider a certificate signed by a Responsible Officer of Company stating that such consolidation, merger, conveyance, transfer or lease and the assumption agreement mentioned in clause (i) above comply with this Section 6.02(e) and that all conditions precedent herein relating to such transaction have been complied with.

Upon any consolidation or merger, or any conveyance, transfer or lease of substantially all of the assets of Company as an entirety in accordance with this Section 6.02(e), the successor Person formed by such consolidation or into which Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, Company under this Agreement and the other Operative Documents with the same effect as if such successor Person had been named as Company herein.

(f) Section 1110. Company shall remain a Certificated Air Carrier for as long as and to the extent required under Section 1110 in order that Loan Trustee shall be entitled to any of the benefits of Section 1110 with respect to the Aircraft.

(g) Additional Information. Promptly after the occurrence of a Triggering Event or an Indenture Event of Default resulting from the failure of Company to make payments on any Equipment Note and on every Regular Distribution Date while the Triggering Event or such Indenture Event of Default shall be continuing, Company will, at the Subordination Agent's request from time to time but in any event no more frequently than once every three months, provide to the Subordination Agent a statement setting forth the following information with respect to the Aircraft if then subject to the lien of the Indenture: (A) whether the Aircraft is currently in service or parked in storage, (B) the maintenance status of the Aircraft, and (C) the location of the Engines. As used in this Section 6.02(g), the terms "Triggering Event", "Indenture Event of Default" and "Regular Distribution Date" shall have the respective meanings set forth in the Intercreditor Agreement.

Section 7.08. Benefits of Agreement. Subject to the next sentence, nothing in this Agreement, express or implied, gives to any Person, other than the parties hereto and their successors hereunder, any benefit or any legal or equitable right, remedy or claim under this Agreement, except as expressly provided herein. Company agrees and acknowledges that each Liquidity Provider, and each separate or additional trustee appointed pursuant to Section 8.02 of the Indenture shall be third party beneficiaries of the covenants and agreements of Company with respect to the indemnities contained in Section 4.02 and may rely on the covenants and agreements of Company with respect to such indemnities to the same extent as if the covenants and agreements of Company with respect to such indemnities were made to such Liquidity Provider or such trustee, as the case may be, directly. For purposes hereof, the term “Indenture” means the Indenture and Security Agreement (N568AS), dated as of July 2, 2020, between Company and U.S. Bank Trust National Association, as Loan Trustee (“Loan Trustee”), as the same may be amended, supplemented or otherwise modified from time to time in accordance with its terms. All capitalized terms used in this Equipment Note and not defined herein, unless the context otherwise requires, shall have the respective meanings set forth or incorporated by reference, and shall be construed and interpreted in the manner described, in the Indenture.

This Equipment Note shall bear interest, payable on demand, at the Past Due Rate (and not the Debt Rate) (calculated on the basis of a year of 360 days comprised of twelve 30-day months) on any principal amount and (to the extent permitted by applicable law) Make-Whole Amount, if any, interest, and any other amounts payable hereunder not paid when due for any period during which the same is overdue, in each case for the period the same is overdue. Amounts shall be overdue if not paid in the manner provided herein or in the Indenture when due (whether at stated maturity, by acceleration or otherwise).

There shall be maintained an Equipment Note Register for the purpose of registering transfers and exchanges of Equipment Notes at the Corporate Trust Office of Loan Trustee, or at the office of any successor trustee, in the manner provided in Section 2.07 of the Indenture.

The principal amount and interest and other amounts due hereunder shall be payable in Dollars in immediately available funds at the Corporate Trust Office of Loan Trustee, or as otherwise provided in the Indenture. Company shall not have any responsibility for the distribution of any such payment to Noteholder of this Equipment Note. Each such payment shall be made on the date such payment is due and without any presentment or surrender of this Equipment Note, except that in the case of any final payment with respect to this Equipment Note, this Equipment Note shall be surrendered to Loan Trustee for cancellation.

The holder hereof, by its acceptance of this Equipment Note, agrees that, except as provided in the Indenture, including the subordination provisions referred to below, each payment of an installment of principal amount, Make-Whole Amount, if any, and interest received by it hereunder shall be applied: first, to the payment of accrued interest on this Equipment Note (as well as any interest on (i) any overdue principal amount, and (ii) to the extent permitted by applicable law, any overdue Make-Whole Amount, if any, any overdue interest and any other overdue amounts hereunder) to the date of such payment; second, to the payment of Make-Whole Amount, if any, with respect to this

Equipment Note; third, to the payment of the principal amount of this Equipment Note (or portion thereof) then due hereunder, if any; and fourth, the balance, if any, remaining thereafter to the payment of installments of the principal amount of this Equipment Note (or portion thereof) remaining unpaid in the inverse order of their maturity.

This Equipment Note is one of the Equipment Notes referred to in the Indenture which have been or are to be issued by Company pursuant to the terms of the Indenture. The Collateral is held by Loan Trustee as security, in part, for the Equipment Notes. The provisions of this Equipment Note are subject to the Indenture, the Related Indentures, the Participation Agreement, the Company Guarantee, the other Operative Documents and the Pass Through Documents. Reference is hereby made to the Indenture, the Related Indentures, the Participation Agreement, the Company Guarantee, the other Operative Documents and the Pass Through Documents for a complete statement of the rights and obligations of the holder of, and the nature and extent of the security for, this Equipment Note (including as a “Related Equipment Note” under each Related Indenture) and the rights and obligations of the holders of, and the nature and extent of the security for, any other Equipment Notes executed and delivered under the Indenture, to all of which terms and conditions in the Indenture, the Related Indentures, the Participation Agreement, the Company Guarantee, the other Operative Documents and the Pass Through Documents each holder hereof agrees by its acceptance of this Equipment Note.

As provided in the Indenture and subject to certain limitations therein set forth, this Equipment Note is exchangeable for an equal aggregate principal amount of Equipment Notes of the same Series of different authorized denominations, as requested by the holder surrendering the same. Prior to the due presentment for registration of transfer of this Equipment Note, Company and Loan Trustee shall deem and treat the Person in whose name this Equipment Note is registered on the Equipment Note Register as the absolute owner and holder hereof for the purpose of receiving all amounts payable with respect to this Equipment Note and for all purposes, and neither Company nor Loan Trustee shall be affected by notice to the contrary.

This Equipment Note is subject to certain restrictions set forth in Sections 4.01(a)(ii) and 4.01(a)(iii) of the Intercreditor Agreement, as further specified in Section 2.07 of the Indenture, to all of which terms and conditions in the Intercreditor Agreement each holder hereof agrees by its acceptance of this Equipment Note.

The holder hereof, by its acceptance of this Equipment Note, agrees that no payment or distribution shall be made on or in respect of the Secured Obligations (as defined in the Indenture), the Secured Obligations (as defined in any Related Indenture) or any other Related Secured Obligations owed to such holder, including, without limitation, any payment or distribution of cash, property or securities after the occurrence of any of the events referred to in Section 4.01(f) of the Indenture or after the commencement of any proceedings of the type referred to in Section 4.01 (g), (h) or (i) of the Indenture, except, in each case, as expressly provided in Article III of the Indenture, Article III of the applicable Related Indenture or the Company Guarantee, as appropriate.

Section 2.02 Issuance and Terms of Equipment Notes. The Equipment Notes shall be dated the date of issuance thereof, shall be issued in (a) separate Series consisting of Series A Equipment Notes, Series B Equipment Notes (if issued) and one or more Additional Series Equipment Notes (if issued) and (b) the maturities and principal amounts and shall bear interest at the applicable Debt Rates specified in Schedule I hereto (as, in the case of any Series B Equipment Notes or any Additional Series Equipment Notes issued after the Closing Date, such Schedule I may be amended in connection with such issuance). On the Closing Date, each Series A Equipment Note and Series B Equipment Note (if issued) shall be issued to Subordination Agent on behalf of Pass Through Trustee for the Pass Through Trusts then in existence created under the Pass Through Trust Agreements referred to in Schedule II. If no Series B Equipment Notes are issued on the Closing Date, then, subject to compliance with the conditions set forth in Section 2.02 of the Participation Agreement and Section 8.01(d) of the Intercreditor Agreement, as applicable, Company shall have the option to issue Series B Equipment Notes at any time after the Closing Date. Any Series B Equipment Notes issued after the

¹⁰ To be inserted in installment Equipment Notes.

Closing Date pursuant to the immediately preceding sentence shall have such maturities, principal amounts and interest rate as specified in Schedule I hereto in respect of Series B Equipment Notes, as such Schedule I may be amended in connection with any such issuance. Subject to compliance with the conditions set forth in Section 2.02 of the Participation Agreement and Section 8.01(c) or 8.01(d) of the Intercreditor Agreement, as applicable, Company shall have the option after the Closing Date, at any time and from time to time (i) to issue one or more Series of Additional Series Equipment Notes under this Indenture (including, for the avoidance of doubt, multiple issuances at the same or different times resulting in more than one Series of Additional Series Equipment Notes being outstanding at any time), (ii) to redeem all but not less than all of the Series B Equipment Notes (whether issued on or after the Closing Date) (or all but not less than all of any Series of Additional Series Equipment Notes) pursuant to, and in accordance with, the provisions of Section 2.11(b) and to issue under this Indenture new Equipment Notes with the same Series designation as, but with terms that may be the same as or different from those of, the redeemed Equipment Notes, and (iii) following the payment in full at maturity or otherwise of all but not less than all of the Series B Equipment Notes (whether issued on or after the Closing Date) (or all but not less than all of any Series of Additional Series Equipment Notes), to issue new Equipment Notes with the same Series designation as, but with terms that may be the same as or different from those of, such Equipment Notes that have been paid in full. If new Series B Equipment Notes or Additional Series Equipment Notes of any Series or new Additional Series Equipment Notes of any Series are issued after the Closing Date in accordance with the immediately preceding sentence, such Equipment Notes shall be dated the date of original issuance thereof and shall have such maturities, principal amounts and interest rate as specified in an amendment to this Indenture. The Equipment Notes shall be issued in registered form only. The Equipment Notes shall be issued in denominations of \$1,000 and integral multiples thereof, except that one Equipment Note of each Series may be in an amount that is not an integral multiple of \$1,000. For the avoidance of doubt, if new "Series B Equipment Notes" or "Additional Series Equipment Notes" of any Series or new "Additional Series Equipment Note" of any Series are issued, in each case under any Related Indenture, Company may, but shall not be required to, issue, as the case may be, new Series B Equipment Notes or Additional Series Equipment Notes of the same Series or new Additional Series Equipment Notes of the same Series, in each case under this Indenture.

Each Equipment Note shall bear interest at the Debt Rate specified for the applicable Series (calculated on the basis of a year of 360 days comprised of twelve 30-day months), payable in arrears on each Payment Date on the unpaid principal amount thereof from time to time outstanding from the most recent Payment Date to which interest has been paid or duly provided for (or, if no interest has been so paid or provided for, from the date of issuance of such Equipment Note) until such principal amount is paid in full, as further provided in the form of Equipment Note set forth in Section 2.01.

The principal amount of each Series A Equipment Note and, if issued, each Series B Equipment Note shall be payable in installments or in a single payment on the Payment Dates set forth in such Equipment Note, each such installment, if any, to be in an amount computed by multiplying the original principal amount of such Equipment Note by the corresponding percentage set forth in Schedule I hereto (as, in the case of any Series B Equipment Notes issued after the Closing Date, such Schedule I may be amended in connection with such issuance) applicable to such Series, the applicable portion of which shall be attached as Schedule I to such Equipment Note, opposite the Payment Date on which such installment is due. Each Additional Series Equipment Note, if issued, shall be payable in installments or in a single payment as set forth in an amendment to this Indenture, and if payable in installments, such installments shall be calculated as set forth in the preceding sentence. Notwithstanding the foregoing, the final payment made under each Equipment Note shall be in an amount sufficient to discharge in full the unpaid principal amount and all accrued and unpaid interest on, and any other amounts due under, such Equipment Note. Each Equipment Note shall bear interest, payable on demand, at the Past Due Rate (and not at the Debt Rate) (calculated on the basis of a year of 360 days comprised of twelve 30-day months) on any principal amount and (to the extent permitted by applicable law) Make-Whole Amount, if any, interest and any other amounts payable thereunder not paid when due for any period during which the same is overdue, in each case for the period the same is overdue. Amounts shall be overdue under an Equipment Note if not paid in the manner provided therein or in this Indenture when due (whether at stated maturity, by acceleration or otherwise). Notwithstanding anything to the contrary contained herein, if any date on which a payment hereunder or under any Equipment Note becomes due and payable is not a Business Day, then such payment shall not be made on such scheduled date but shall be made on the next succeeding Business Day with the same force and effect as if made on such scheduled date, and if such payment is made on such next succeeding Business Day, no interest shall accrue on the amount of such payment from and after such scheduled date.

The Equipment Notes shall be executed on behalf of Company by the manual or facsimile signature of one of its authorized officers. Equipment Notes bearing the signatures of individuals who were at the time of execution the proper officers of Company shall bind Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Equipment Notes or did not hold such offices at the respective dates of such Equipment Notes. No Equipment Note shall be secured by or entitled to any benefit under this Indenture or be valid or obligatory for any purposes unless there appears on such Equipment Note a certificate of authentication in the form provided herein executed by Loan Trustee by the manual signature of one of its authorized officers, and such certificate upon any Equipment Notes shall be conclusive evidence, and the only evidence, that such Equipment Note has been duly authenticated and delivered hereunder.

Section 2.03 Method of Payment. The principal amount of, interest on, Make-Whole Amount, if any, and, except to the extent expressly provided herein, all other amounts due under each Equipment Note or otherwise payable hereunder shall be payable by Company in Dollars by wire transfer of immediately available funds not later than 10:00 a.m. (New York City time) on the due date of payment to Loan Trustee at the Corporate Trust Office for distribution among Noteholders in the manner provided herein, and payment of such amount by Company to Loan Trustee shall be deemed to satisfy Company's obligation to make such payment. Company shall not have any responsibility for the distribution of such payment to any Noteholder. Notwithstanding the foregoing or any provision in any Equipment Note to the contrary, Loan Trustee will use reasonable efforts to pay or cause to be paid, if so directed in writing by any Noteholder (with a copy to Company), all amounts paid by Company hereunder and under such Noteholder's Equipment Note or Equipment Notes to such Noteholder or a nominee therefor (including all amounts distributed pursuant to Article III) by transferring, or causing to be transferred, by wire transfer of immediately available funds in Dollars, prior to 12:00 noon (New York City time) on the due date of payment, to an account maintained by such Noteholder with a bank located in the continental United States the amount to be distributed to such Noteholder, for credit to the account of such Noteholder maintained at such bank; provided that, in the event the Equipment Notes are not held by Subordination Agent on behalf of Pass Through Trustees, Loan Trustee shall, unless instructed by Company to use another method, pay such amounts by check mailed to Noteholder's address as it appears on the Equipment Note Register. If, after its receipt of funds at the place and prior to the time specified above in the immediately preceding sentence, Loan Trustee fails (other than as a result of a failure of Noteholder to provide it with wire transfer instructions) to make any such payment required to be paid by wire transfer as provided in the immediately preceding sentence on the Business Day it receives such funds, Loan Trustee, in its individual capacity and not as trustee, agrees to compensate such Noteholders for loss of use of funds at the Federal Funds Rate until such payment is made and Loan Trustee shall be entitled to any interest earned on such funds until such payment is made. Any payment made hereunder shall be made without any presentment or surrender of any Equipment Note, except that, in the case of the final payment in respect of any Equipment Note, such Equipment Note shall be surrendered to Loan Trustee for cancellation. Notwithstanding any other provision of this Indenture to the contrary, Loan Trustee shall not be required to make, or cause to be made, wire transfers as aforesaid prior to the first Business Day on which it is practicable for Loan Trustee to do so in view of the time of day when the funds to be so transferred were received by it if such funds were received after 1:00 p.m. (New York City time) at the place of payment, in which case Loan Trustee shall make such required payment on the next succeeding Business Day. So long as any signatory to the Participation Agreement or nominee thereof shall be a registered Noteholder, all payments to it shall be made to the account of such Noteholder specified in Schedule I to the Participation Agreement or otherwise in the manner provided in or pursuant to the Participation Agreement unless it shall have specified some other account or manner of payment by notice to Loan Trustee consistent with this Section 2.03.

Section 2.04 Withholding Taxes. Loan Trustee shall exclude and withhold at the appropriate rate from each payment of principal, interest, Make-Whole Amount, if any, and other amounts due hereunder or under each Equipment Note (which exclusion and withholding shall constitute payment of such amounts payable hereunder or in respect of such Equipment Notes, as applicable) any and all withholding Taxes applicable thereto as required by applicable law. Loan Trustee agrees to act as such withholding agent and whenever any present or future Taxes or similar charges are required to be withheld with respect to any amounts payable hereunder or in respect of the Equipment Notes, to withhold such amounts (which withholding shall constitute payment of such amounts payable hereunder or in respect of such Equipment Notes, as applicable) and timely pay the same to the appropriate authority in the name of and on behalf of Noteholders, that it will file any necessary withholding Tax returns or statements when due, and that as promptly as possible after the payment thereof it will deliver to each Noteholder (with a copy to Company) appropriate documentation showing the payment thereof, together with such additional documentary evidence as any such Noteholder may reasonably request from time to time. Loan Trustee agrees to file any other information reports it is required to file under United States law.

Section 2.05 Application of Payments. Subject always to Section 2.13 and except as otherwise provided in Article III, in the case of each Equipment Note, each payment of an installment of principal amount, Make-Whole Amount, if any, and interest paid thereon shall be applied:

first, to the payment of accrued interest on such Equipment Note (as well as any interest on (i) any overdue principal amount, and (ii) to the extent permitted by applicable law, any overdue Make-Whole Amount, if any, any overdue interest and any other overdue amounts thereunder) to the date of such payment;

second, to the payment of Make-Whole Amount, if any, with respect to such Equipment Note;

third, to the payment of the principal amount of such Equipment Note (or portion thereof) then due thereunder, if any; and

fourth, the balance, if any, remaining thereafter, to the payment of installments of the principal amount of such Equipment Note (or portion thereof) remaining unpaid in the inverse order of their maturity.

Section 2.06 Termination of Interest in Collateral. No Noteholder or Indenture Indemnitee shall, as such, have any further interest in, or other right with respect to, the Collateral when and if the principal amount of, Make-Whole Amount, if any, and interest (including, to the extent permitted by applicable law, post-petition interest and interest on any overdue amounts) on and all other amounts due under all Equipment Notes held by such Noteholder and all other sums then due and payable to such Noteholder or Indenture Indemnitee, as the case may be, hereunder (including, without limitation, under Section 2.14) and under the Participation Agreement by Company (the "Secured Obligations") have been paid in full.

Subject to Section 10.01 hereof, neither the Company Guarantee Beneficiary nor any Related Indenture Indemnitee shall, as such, have any further interest in, or other right with respect to, the Collateral when and if all Related Secured Obligations have been paid in full.

Section 2.07 Registration, Transfer and Exchange of Equipment Notes. Loan Trustee shall keep a register or registers (the "Equipment Note Register") in which Loan Trustee shall provide for the registration of Equipment Notes, the registration of transfers of Equipment Notes and a record of the dates and payments made with respect to the Equipment Notes. No such transfer shall be given effect unless and until registration hereunder shall have occurred. The Equipment Note Register shall be kept at the Corporate Trust Office of Loan Trustee. Loan Trustee is hereby appointed "Equipment Note Registrar" for the purpose of registering Equipment Notes and transfers of Equipment Notes as herein provided. A holder of any Equipment Note intending to exchange or transfer such Equipment Note shall surrender such Equipment Note to Loan Trustee at the Corporate Trust Office, together with a written request from the registered holder thereof for the issuance of a new Equipment Note of the same Series, specifying, in the case of a surrender for transfer, the name and address of the new holder or holders. Upon surrender for registration of transfer of any Equipment Note and subject to satisfaction of Section 2.09, Company shall execute, and Loan Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Equipment Notes of an equal aggregate principal amount and of the same Series. At the option of Noteholder, Equipment Notes may be exchanged for other Equipment Notes of the same Series of any authorized denominations of an equal aggregate principal amount, upon surrender of the Equipment Notes to be exchanged to Loan Trustee at the Corporate Trust Office. Whenever any Equipment Notes are so surrendered for exchange, Company shall execute, and Loan Trustee shall authenticate and deliver, the Equipment

Notes which Noteholder making the exchange is entitled to receive. All Equipment Notes issued upon any registration of transfer or exchange of Equipment Notes (whether under this Section 2.07 or under Section 2.08 or otherwise under this Indenture) shall be the valid obligations of Company evidencing the same respective obligations, and entitled to the same security and benefits under this Indenture, as the Equipment Notes surrendered upon such registration of transfer or exchange. Every Equipment Note presented or surrendered for registration of transfer shall (if so required by Company or Loan Trustee) be duly endorsed or be accompanied by a written instrument of transfer in form satisfactory to Loan Trustee, duly executed by Noteholder or such Noteholder's attorney duly authorized in writing, and Company and Loan Trustee shall require evidence satisfactory to Company as to the compliance of any such transfer with the Securities Act and the securities laws of any applicable state or jurisdiction. Loan Trustee shall make a notation on each new Equipment Note of the amount of all payments of principal amount previously made on the old Equipment Note or Equipment Notes with respect to which such new Equipment Note is issued and the date to which interest on such old Equipment Note or Equipment Notes has been paid. Principal, interest and all other amounts shall be deemed to have been paid on such new Equipment Note to the date on which such amounts have been paid on such old Equipment Note. Company and Equipment Note Registrar shall not be required to exchange any surrendered Equipment Notes as provided above (a) during the ten-day period preceding the due date of any payment on such Equipment Note or (b) that has been called for redemption. Company and Loan Trustee shall in all cases deem and treat the Person in whose name any Equipment Note has been issued and registered on the Equipment Note Register as the absolute owner and Noteholder of such Equipment Note for the purpose of receiving payment of all amounts payable with respect to such Equipment Note and for all other purposes, and neither Company nor Loan Trustee shall be affected by any notice to the contrary. Loan Trustee will promptly notify Company of each registration of a transfer of an Equipment Note. Any such transferee of an Equipment Note, by its acceptance of an Equipment Note, agrees to the provisions of this Indenture, the Related Indentures, the Participation Agreement, the Company Guarantee, the other Operative Documents and the Pass Through Documents applicable to Noteholders or, in the case of each Related Indenture, Related Noteholders, and the Company Guarantee Beneficiary, and, without limiting the generality of the foregoing, any such transferee of an Equipment Note, by its acceptance of an Equipment Note: (i) agrees to the applicable provisions of Sections 6.01, 7.10 and 7.11 of the Participation Agreement, and shall be deemed to have represented, warranted and covenanted to the parties to the Participation Agreement as to the matters represented, warranted and covenanted by Noteholders, including Pass Through Trustees, in the Participation Agreement and (ii) agrees to the restrictions set forth in Sections 4.01(a)(ii) and 4.01(a)(iii) of the Intercreditor Agreement, and shall be deemed to have covenanted to the parties to the Intercreditor Agreement not to give any direction to, or otherwise authorize, Loan Trustee to take any action that would violate Section 4.01(a)(ii) or 4.01(a)(iii) of the Intercreditor Agreement. Subject to compliance by Noteholder and any transferee of the requirements set forth in this Section 2.07 and in Section 2.09, Loan Trustee and Company shall use all reasonable efforts to issue new Equipment Notes upon transfer or exchange within ten Business Days of the date an Equipment Note is surrendered for transfer or exchange.

Section 2.08 Mutilated, Destroyed, Lost or Stolen Equipment Notes. If any Equipment Note becomes mutilated, destroyed, lost or stolen, Company shall, upon the written request of the holder of such Equipment Note and subject to satisfaction of this Section 2.08 and of Section 2.09, execute and Loan Trustee shall authenticate and deliver in replacement thereof a new Equipment Note of the same Series, payable in the same principal amount, dated the same date and captioned as issued in connection with the Aircraft. If the Equipment Note being replaced has become mutilated, such Equipment Note shall be surrendered to Loan Trustee, and a photocopy thereof shall be furnished to Company. If the Equipment Note being replaced has been destroyed, lost or stolen, the holder of such Equipment Note shall furnish to Company and Loan Trustee such security or indemnity as may be required by them to save Company and Loan Trustee harmless and evidence satisfactory to Company and Loan Trustee of the destruction, loss or theft of such Equipment Note and of the ownership thereof.

Section 2.09 Payment of Expenses on Transfer; Cancellation.

(a) No service charge shall be made to a Noteholder for any registration of transfer or exchange of Equipment Notes, but Loan Trustee, as Equipment Note Registrar, may require payment of a sum sufficient to cover any Tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Equipment Notes.

(b) Loan Trustee shall cancel all Equipment Notes surrendered for replacement, redemption, transfer, exchange, payment or cancellation, shall keep a copy of such canceled Equipment Notes, and shall send the original canceled Equipment Notes marked "canceled" to Company.

Section 2.10 Mandatory Redemption of Equipment Notes. Company shall redeem the Equipment Notes in whole in connection with an Event of Loss in respect of the Airframe or the Airframe and the Engines installed thereon (unless Company has performed the option set forth in Section 7.05(a) (i) with respect thereto) on or before the Loss Payment Date at a redemption price equal to 100% of the unpaid principal amount thereof, together with all accrued and unpaid interest thereon to (but excluding) the date of redemption and all other Secured Obligations owed or then due and payable to Noteholders, but without any Make-Whole Amount.

Section 2.11 Voluntary Redemption of Equipment Notes.

(viii) after giving effect to paragraph (vii) above (and except as otherwise provided in amendments to the applicable Related Indentures pursuant to paragraph (xiii) or (xiv) of Section 9.01 thereof), so much of such payments or amounts remaining as is required to pay in full the aggregate amount of the payment or payments of principal amount and interest (as well as any interest on any overdue principal amount and, to the extent permitted by applicable law, on any overdue interest and any other overdue amounts) then due under all Related Additional Series

Equipment Notes of a specified Series, if any, issued under any Defaulted Operative Indenture (whether payable by Company pursuant to any such Defaulted Operative Indenture or pursuant to the Company Guarantee), shall be distributed to the Related Loan Trustee under each respective Defaulted Operative Indenture under which any Related Additional Series Equipment Notes of such Series are outstanding, and in case the aggregate amount so to be distributed shall be insufficient to pay in full as aforesaid, then ratably, without priority of one over the other, in the proportion that (x) the amount of such payment or payments then due under all Related Additional Series Equipment Notes of such Series issued under each Defaulted Operative Indenture bears to (y) the aggregate amount of the payments then due under all Related Additional Series Equipment Notes of such Series issued under all Defaulted Operative Indentures, provided that this paragraph (viii) shall apply to each Series of Additional Series Equipment Notes in order of priority of payment; and

(ix) after giving effect to paragraph (viii) above, if any Related Equipment Note is outstanding, any of such payments or amounts remaining and any invested Permitted Investments shall be held by Loan Trustee in an Eligible Account in accordance with the provisions of Section 3.07 (and invested as provided in Section 5.06) as additional security for the Related Secured Obligations, and such amounts (and any investment earnings thereon) shall be distributed from time to time in accordance with the foregoing provisions of this clause “third” as and to the extent any such Related Secured Obligation shall at any time and from time to time become due and remain unpaid after the giving of any required notice and the expiration of any applicable grace period; and, upon the payment in full of all such Related Secured Obligations the balance, if any, of any such remaining amounts and investment earnings thereon shall be applied as provided in clause “fourth” of this Section 3.03; and

fourth, the balance, if any, of such payments or amounts remaining thereafter shall be distributed to Company.

No Make-Whole Amount shall be payable on the Equipment Notes as a consequence of or in connection with an Event of Default or the acceleration of the Equipment Notes.

Section 3.04 Certain Payments.

(a) Any payments received by Loan Trustee for which provision as to the application thereof is made in this Indenture other than in this Article III shall be applied as provided in those provisions. Without limiting the foregoing, any payments received by Loan Trustee which are payable to Company pursuant to any of the provisions of this Indenture other than those set forth in this Article III (including Sections 5.06, 7.05 and 7.06) shall be so paid to Company. Any payments received by Loan Trustee for which no provision as to the application thereof is made in this Indenture and for which such provision is made in any other Operative Document shall be applied forthwith to the purpose for which such payment was made in accordance with the terms of such other Operative Document.

(b) Notwithstanding anything to the contrary contained in this Article III, Loan Trustee will distribute promptly upon receipt any indemnity payment received by it from Company pursuant to Section 4.02 of the Participation Agreement payable to (i) U.S. Bank and Loan Trustee, (ii) Subordination Agent, (iii) any separate or additional trustee appointed pursuant to Section 8.02, (iv) Pass Through Trustees, (v) any Liquidity Provider or (vi) any other Indenture Indemnatee, in each case, directly to the Person entitled thereto. Any payment received by Loan Trustee from Company under Section 2.14 shall be distributed to Subordination Agent to be distributed in accordance with Section 2.04(c) of the Intercreditor Agreement.

(c) Any payments received by Loan Trustee not constituting part of the Collateral or otherwise for which no provision as to the application thereof is made in any Operative Document shall be distributed by Loan Trustee to Company. Further, and except as otherwise provided in Sections 3.02 and 3.03, all payments received and amounts realized by Loan Trustee with respect to the Aircraft, to the extent received or realized at any time after payment in full of all Secured Obligations, as well as any amounts remaining as part of the Collateral after the occurrence of such payment in full, shall be distributed by Loan Trustee to Company.

Section 3.05 Payments to Company. Any amounts distributed hereunder by Loan Trustee to Company shall be paid to Company (within the time limits contemplated by Section 2.03) by wire transfer of funds of the type received by Loan Trustee at such office and to such account or accounts of such entity or entities as shall be designated by notice from Company to Loan Trustee from time to time.

Section 3.06 Cooperation. Prior to making any distribution under this Article III, Loan Trustee shall consult with Related Loan Trustees and the Company Guarantee Beneficiary to determine amounts payable with respect to the Related Secured Obligations. Loan Trustee shall cooperate with Related Loan Trustees and shall provide such information as shall be reasonably requested by each Related Loan Trustee to enable such Related Loan Trustee to determine amounts distributable under Article III of its Related Indenture.

Section 3.07 Securities Account. In furtherance of the provisions of Section 3.03, U.S. Bank agrees to act as an Eligible Institution under this Indenture in accordance with the provisions of this Indenture (in such capacity, the "Securities Intermediary"). Except in its capacity as Loan Trustee, U.S. Bank waives any claim or lien against any Eligible Account it may have, by operation of law or otherwise, for any amount owed to it by Company. The Securities Intermediary hereby agrees that, notwithstanding anything to the contrary in this Indenture, (i) any amounts to be held by Loan Trustee pursuant to paragraph (ix) of clause "third" of Section 3.03 and any investment earnings thereon or other Permitted Investments in which such amounts are invested will be credited to an Eligible Account (the "Securities Account") for which it is a "securities intermediary" (as defined in Section 8-102(a)(14) of the NY UCC) and Loan Trustee is the "entitlement holder" (as defined in Section 8-102(a)(7) of the NY UCC) of the "security entitlement" (as defined in Section 8-102(a)(17) of the NY UCC) with respect to each "financial asset" (as defined in Section 8-102(a)(9) of the NY UCC) credited to such Eligible Account, (ii) all such amounts, Permitted Investments and all other property acquired with cash credited to the Securities Account will be credited to the Securities Account, (iii) all items of property (whether cash, investment property, Permitted Investments, other investments, securities, instruments or other property) credited to the Securities Account will be treated as a "financial asset" under Article 8 of the NY UCC, (iv) its "securities intermediary's jurisdiction" (as defined in Section 8-110(e) of the NY UCC) with respect to the Securities Account is the State of New York, and (v) all securities, instruments and other property in order or registered form and credited to the Securities Account shall be payable to or to the order of, or registered in the name of, the Securities Intermediary or shall be indorsed to the Securities Intermediary or in blank, and in no case whatsoever shall any financial asset credited to the Securities Account be registered in the name of Company, payable to or to the order of Company or specially indorsed to Company except to the extent the foregoing have been specially endorsed by Company to the Securities Intermediary or in blank. Loan Trustee agrees that it will hold (and will indicate clearly in its books and records that it holds) its "security entitlements" to the "financial assets" credited to the Securities Account in trust for the benefit of Noteholders, each Indenture Indemnitee, each Related Indenture Indemnitee and the Company Guarantee Beneficiary as set forth in this Indenture. Company acknowledges that, by reason of Loan Trustee being the "entitlement holder" in respect of the Securities Account as provided above, Loan Trustee shall have the sole right and discretion, subject

only to the terms of this Indenture, to give all “entitlement orders” (as defined in Section 8-102(a)(8) of the NY UCC) with respect to the Securities Account and any and all financial assets and other property credited thereto to the exclusion of Company. If any Person asserts any Lien (including, without limitation, any writ, garnishment, judgment, warrant of attachment, execution or similar process) against the Securities Account or any financial asset carried therein, the Securities Intermediary will promptly notify Loan Trustee and Company thereof.

(b) Company fails to make payment when the same is due of any amount (other than amounts referred to in Section 4.01(a)) due hereunder, under any Equipment Note or under any other Operative Document, and such failure continues unremedied for 30 days after the receipt by Company of written notice thereof from Loan Trustee or any Noteholder;

(c) Company fails to carry and maintain (or cause to be maintained) insurance or indemnity on or with respect to the Aircraft in accordance with the provisions of Section 7.06; provided that no such failure to carry and maintain insurance shall constitute an Event of Default until the earlier of (i) the date such failure has continued unremedied for a period of 30 days after receipt by Loan Trustee of the notice of cancellation referred to in Section 7.06 or (ii) the date such insurance is not in effect as to Loan Trustee;

(d) Company fails to perform or observe in any material respect any other covenant, condition or agreement to be performed or observed by it under any Operative Document, and such failure continues unremedied for a period of 60 days after receipt by Company of written notice thereof from Loan Trustee or any Noteholder; provided that, if such failure is capable of being remedied, no such failure shall constitute an Event of Default for a period of one year after such notice is received by Company so long as Company is diligently proceeding to remedy such failure;

(e) any representation or warranty made by Company in any Operative Document was incorrect in any material respect at the time made, and such incorrectness continues to be material to the transactions contemplated hereby and continues unremedied for a period of 60 days after receipt by Company of written notice thereof from Loan Trustee; provided that, if such incorrectness is capable of being remedied, no such incorrectness shall constitute an Event of Default for a period of one year after such notice is received by Company so long as Company is diligently proceeding to remedy such incorrectness;

(f) Company consents to the appointment of or the taking of possession by a receiver, trustee or liquidator in respect of a substantial part of its property, admits in writing its inability to pay its debts generally as they come due or makes a general assignment for the benefit of its creditors;

(i) a petition against Company as a debtor in a case under the federal bankruptcy laws or other insolvency laws (as in effect at such time) is filed and not withdrawn or dismissed within 90 days thereafter, or if, under the provisions of any law providing for reorganization or winding-up of corporations that may apply to Company, any court of competent jurisdiction assumes jurisdiction, custody or control of Company or of any substantial part of its property and such jurisdiction, custody or control remains in force unrelinquished, unstayed or unterminated for a period of 90 days;

(j) an “Event of Default” (as defined in any Related Indenture) shall have occurred and be continuing; or

(k) so long as all Equipment Notes issued under this Indenture are held by the Subordination Agent under the Intercreditor Agreement, an “Event of Default” (as defined in the Company Guarantee) shall have occurred and be continuing.

provided that notwithstanding anything to the contrary contained in this Section 4.01, any failure of Company to perform or observe any covenant, condition or agreement shall not constitute an Event of Default if such failure arises by reason of an event referred to in the definition of “Event of Loss” so long as Company is continuing to comply with all of the terms of Section 7.05.

Section 4.02 Remedies.

(a) If an Event of Default has occurred and is continuing and so long as the same shall continue unremedied, then and in every such case Loan Trustee may, and upon the written instructions of a Majority in Interest of Noteholders, Loan Trustee shall (subject to Section 5.03), do one or more of the following to the extent permitted by, and subject to compliance with the requirements of, applicable law then in effect (provided that during any period the Airframe or any Engine is subject to the CRAF Program and is in possession of or being operated under the direction of the United States government or an agency or instrumentality of the United States, Loan Trustee shall not, on account of any Event of Default, be entitled to exercise or pursue any of the powers, rights or remedies described in this Section 4.02 in such manner as to limit Company’s control under this Indenture (or any Permitted Lessee’s control under any Lease) of the Airframe or such Engine, unless at least 60 days’ (or such lesser period as may then be applicable under the CRAF Program of the United States government) prior written notice of default hereunder has been given by Loan Trustee by registered or certified mail to Company (and any such Permitted Lessee) with a copy addressed to the Contracting Office Representative or other appropriate person for the Air Mobility Command of the United States Air Force under any contract with Company (or such Permitted Lessee) relating to the Aircraft):

(i) declare by written notice to Company all the Equipment Notes to be due and payable, whereupon the aggregate unpaid principal amount of all Equipment Notes then outstanding, together with accrued but unpaid interest thereon, and other amounts due thereunder (but without Make-Whole Amount), shall immediately become due and payable without presentment, demand, protest or other notice, all of which are hereby waived; provided that if an Event of Default referred to in Section 4.01(f), (g), (h) or (i) has occurred and is continuing, then and in every such case the unpaid principal amount of the Equipment Notes then outstanding, together with accrued but unpaid interest thereon, and all other amounts due thereunder (but without Make-Whole Amount) shall immediately and without further act become due and payable without presentment, demand, protest or notice, all of which are hereby waived; and, following such declaration or deemed declaration:

(ii) (A) cause Company, upon the demand by notice of Loan Trustee, at Company's expense, to deliver promptly, and Company shall deliver promptly, all or such part of the Airframe or any Engine as Loan Trustee so demands to Loan Trustee or its order, or, if Company has failed to so deliver the Airframe or any Engine after such demand, Loan Trustee, at its option, may enter upon the premises where all or any part of the Airframe or any Engine are located and take immediate possession of and remove the same together with any engine which is not an Engine but which is installed on the Airframe, subject to all of the rights of the owner, lessor, lienor or secured party of such engine; provided that the Airframe with an engine (which is not an Engine) installed thereon may be flown or returned only to a location within the continental United States, and such engine shall be held at the expense of Company for the account of any such owner, lessor, lienor, secured party or, if such engine is owned by Company, may at the option of Company with the consent of Loan Trustee (which will not be unreasonably withheld) or at the option of Loan Trustee with the consent of Company (which will not be unreasonably withheld), be exchanged with Company for an Engine in accordance with the provisions of Section 7.05(b); (B) sell all or any part of the Airframe and any Engine at public or private sale, whether or not Loan Trustee at the time has possession thereof, as Loan Trustee may determine, or otherwise dispose of, hold, use, operate, lease to others or keep idle all or any part of the Airframe or such Engine as Loan Trustee, in its sole discretion, determines, all free and clear of any rights or claims of Company, and the proceeds of such sale or disposition shall be applied as set forth in Section

3.03; or (C) exercise any other remedy of a secured party under the NY UCC (whether or not in effect in the jurisdiction in which enforcement is sought); provided that, notwithstanding anything to the contrary set forth herein or in any other Operative Document, (i) as permitted by Article 15 of the Cape Town Convention, the provisions of Chapter III of the Cape Town Convention are hereby excluded and made inapplicable to this Indenture and the other Operative Documents, except for those provisions of such Chapter III that cannot be derogated from; and (ii) as permitted by Article IV(3) of the Aircraft Protocol, the provisions of Chapter II of the Aircraft Protocol are hereby excluded and made inapplicable to this Indenture and the other Operative Documents, except for (x) Article XVI of the Aircraft Protocol and (y) those provisions of such Chapter II that cannot be derogated from. In furtherance of the foregoing, the parties hereto agree that the exercise of remedies hereunder and the other Operative Documents is subject to other applicable law, including without limitation, the NY UCC and the Bankruptcy Code, and that nothing herein derogates from the rights of Company or Loan Trustee under or pursuant to such other applicable law, including without limitation, the NY UCC or the Bankruptcy Code.

Upon every such taking of possession of Collateral under this Section 4.02, Loan Trustee may, from time to time, at the expense of the Collateral, make all such expenditures for maintenance, insurance, repairs, alterations, additions and improvements to and of the Collateral as it deems necessary to cause the Collateral to be in such condition as required by the provisions of this Indenture. In each such case, Loan Trustee may maintain, use, operate, store, insure, lease, control, manage or dispose of the Collateral and may exercise all rights and powers of Company relating to the Collateral as Loan Trustee reasonably deems best, including the right to enter into any and all such agreements with respect to the maintenance, use, operation, storage, insurance, leasing, control, management or disposition of the Collateral or any part thereof as Loan Trustee may reasonably determine; and Loan Trustee shall be entitled to collect and receive directly all tolls, rents, revenues, issues, income, products and profits of the Collateral and every part thereof without prejudice, however, to the rights of Loan Trustee under any provision of this Indenture to collect and receive all cash held by, or required to be deposited with Loan Trustee hereunder. Such tolls, rents, revenues, issues, income, products and profits shall be applied to pay the expenses of the use, operation, storage, insurance, leasing, control, management or disposition of the Collateral, and of all maintenance, repairs, replacements, alterations, additions and improvements, and to make all payments that Loan Trustee is required or elects to make, if any, for Taxes, insurance or other proper charges assessed against or otherwise imposed upon the Collateral or any part thereof, and all other payments which Loan Trustee is required or expressly authorized to make under any provision of this Indenture, as well as just and reasonable compensation for the services of Loan Trustee, and shall otherwise be applied in accordance with Article III. If an Event of Default has occurred and is continuing and the

Equipment Notes either have been accelerated pursuant to this Section 4.02 or have become due at maturity and Loan Trustee is entitled to exercise rights hereunder, at the request of Loan Trustee, Company shall promptly execute and deliver to Loan Trustee such instruments of title and other documents as Loan Trustee reasonably deems necessary or advisable to enable Loan Trustee or an agent or representative designated by Loan Trustee, at such time or times and place or places as Loan Trustee specifies, to obtain possession of all or any part of the Collateral to which Loan Trustee at the time is entitled hereunder. If Company for any reason fails to execute and deliver such instruments and documents after such request by Loan Trustee, Loan Trustee may seek a judgment conferring on Loan Trustee the right to immediate possession and requiring Company to execute and deliver such instruments and documents to Loan Trustee, to the entry of which judgment Company hereby specifically consents to the fullest extent it may lawfully do so. All actual and reasonable expenses of obtaining such judgment or of pursuing, searching for and taking such property shall, until paid, be secured by the Lien of this Indenture.

(b) Loan Trustee shall give Company at least 30 days' prior written notice of any public sale or of the date on or after which any private sale will be held, which notice Company hereby agrees to the extent permitted by applicable law is reasonable notice. Any Noteholder or Noteholders shall be entitled to bid for and become the purchaser of any Collateral offered for sale pursuant to this Section 4.02 and to credit against the purchase price bid at such sale by such Noteholders all or any part of the unpaid amounts owing to such Noteholders under the Operative Documents and secured by the Lien of this Indenture (but only to the extent that such purchase price would have been paid to such Noteholders pursuant to Article III if such purchase price were paid in cash and the foregoing provision of this Section 4.02(b) were not given effect). Loan Trustee may exercise such right without possession or production of the Equipment Notes or proof of ownership thereof, and as a representative of Noteholders may exercise such right without notice to Noteholders as party to any suit or proceeding relating to the foreclosure of any Collateral. Company may also bid for and become the purchaser of any Collateral offered for sale pursuant to this Section 4.02.

(c) To the extent permitted by applicable law, while an Event of Default has occurred and is continuing, Company irrevocably appoints Loan Trustee the true and lawful attorney-in-fact of Company (which appointment is coupled with an interest) in its name and stead and on its behalf, for the purpose of effectuating any sale, assignment, transfer or delivery for the enforcement of the Lien of this Indenture, whether pursuant to foreclosure or power of sale, or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as may be necessary or appropriate, with full power of substitution, Company hereby ratifying and confirming all that such attorney or any substitute does by virtue hereof in accordance with applicable law; provided that if so requested by Loan Trustee or any purchaser, Company shall ratify and confirm any such sale, assignment or transfer of delivery, by executing and delivering to Loan Trustee or such purchaser all bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may reasonably be designated in any such request.

(d) At any time after Loan Trustee has declared the unpaid principal amount of all Equipment Notes then outstanding to be due and payable, or all Equipment Notes shall have become due and payable as provided in the proviso to Section 4.02(a)(i), and, in either case, prior to the sale of any part of the Collateral pursuant to this Article IV, a Majority in Interest of Noteholders, by written notice to Company and Loan Trustee, may rescind and annul such declaration, whether made by Loan Trustee on its own accord or as directed or deemed declaration, and its consequences if: (i) there has been paid to or deposited with Loan Trustee an amount sufficient to pay all overdue installments of principal amount of, and interest on, the Equipment Notes, and all other amounts owing under the Operative Documents, that have become due otherwise than by such declaration of acceleration and (ii) all other Events of Default, other than nonpayment of principal amount or interest on the Equipment Notes that have become due solely because of such acceleration, have been either cured or waived; provided that no such rescission or annulment shall extend to or affect any subsequent default or Event of Default or impair any right consequent thereon.

(e) Notwithstanding anything contained herein, (i) so long as Pass Through Trustee under any Pass Through Trust Agreement or Subordination Agent on its behalf is a Noteholder, Loan Trustee will not be authorized or empowered to acquire title to any Collateral or take any action with respect to any Collateral so acquired by it if such acquisition or action would cause any Pass Through Trust to fail to qualify as a "grantor trust" for U.S. federal income tax purposes, and (ii) Loan Trustee will not take any action that would violate Section 4.01(a)(ii) or 4.01(a)(iii) of the Intercreditor Agreement.

Section 4.03 Remedies Cumulative. To the extent permitted under applicable law, each and every right, power and remedy specifically given to Loan Trustee herein or otherwise in this Indenture shall be cumulative and shall be in addition to every other right, power and remedy specifically given herein or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically given herein or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by Loan Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by Loan Trustee in the exercise of any right, remedy or power or in the pursuance of any remedy shall, to the extent permitted by applicable law, impair any such right, power or remedy or be construed to be a waiver of any default on the part of Company or to be an acquiescence therein.

Section 4.04 Discontinuance of Proceedings. In case Loan Trustee has instituted any proceedings to enforce any right, power or remedy under this Indenture by foreclosure, entry or otherwise, and such proceedings have been discontinued or abandoned for any reason or have been determined adversely to Loan Trustee, then and in every such case Company and Loan Trustee shall, subject to any determination in such proceedings, be restored to their former positions and rights hereunder with respect to the Collateral, and all rights, remedies and powers of Loan Trustee shall continue as if no such proceedings had been undertaken (but otherwise without prejudice).

Section 4.05 Waiver of Past Defaults. Subject to Section 5.03, upon written instruction from a Majority in Interest of Noteholders, Loan Trustee shall waive any past default hereunder and its consequences, and upon any such waiver such default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture and the other Operative Documents, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon; provided that in the absence of written instructions from each of the affected Noteholders, Loan Trustee shall not waive any default (i) in the payment of the principal amount, Make-Whole Amount, if any, or interest due under any Equipment Note then outstanding (other than with the consent of the holder thereof), or (ii) in respect of a covenant or provision hereof which, under Article IX, cannot be modified or amended without the consent of each such affected Noteholder.

Section 4.06 Noteholders May Not Bring Suit Except Under Certain Conditions. A Noteholder of any Series shall not have the right to institute any suit, action or proceeding at law or in equity or otherwise with respect to this Indenture or the Equipment Notes or otherwise, or for the appointment of a receiver or for the enforcement of any other remedy under this Indenture or the Equipment Notes or otherwise, unless:

(1) such Noteholder previously shall have given written notice to Loan Trustee of a continuing Event of Default;

(2) a Majority in Interest of Noteholders shall have requested Loan Trustee in writing to institute such action, suit or proceeding and shall have offered to Loan Trustee indemnity as provided in Section 5.03;

(3) Loan Trustee shall have refused or neglected to institute any such action, suit or proceeding for 60 days after receipt of such notice, request and offer of indemnity; and

(4) no direction inconsistent with such written request shall have been given to Loan Trustee during such 60-day period by a Majority in Interest of Noteholders.

Except to the extent provided in the Intercreditor Agreement or herein, it is understood and intended that no one or more of Noteholders of any Series shall have any right in any manner whatsoever hereunder or under the Equipment Notes of such Series to (i) surrender, impair, waive, affect, disturb or prejudice any Collateral, or the Lien of this Indenture on any Collateral, or the rights of Noteholders of such Series, (ii) obtain or seek to obtain priority over or preference with respect to any other such Noteholder of such Series or (iii) enforce any right under this Indenture or the Equipment Notes of such Series, except in the manner provided in this Indenture and for the equal, ratable and common benefit of all Noteholders of such Series subject to the provisions of this Indenture.

Section 4.07 Appointment of a Receiver. To the extent permitted by applicable law, if an Event of Default shall have occurred and be continuing, and the Equipment Notes either shall have been accelerated pursuant to Section 4.02 or have become due at maturity, Loan Trustee shall, as a matter of right, be entitled to the appointment of a receiver (who may be Loan Trustee or any successor or nominee thereof) for all or any part of the Collateral, whether such receivership be incidental to a proposed sale of the Collateral or the taking of possession thereof or otherwise, and, to the extent permitted by applicable law, Company hereby consents to the appointment of such a receiver and will not oppose any such appointment. Any receiver appointed for all or any part of the Collateral shall be entitled to exercise all the rights and powers of Loan Trustee with respect to the Collateral.

ARTICLE V

Duties of Loan Trustee

Section 5.01 Notice of Event of Default. If Loan Trustee has actual knowledge of an Event of Default or of a default arising from a failure by Company to pay when due any payment of principal amount, interest on, or Make-Whole Amount, if any, due and payable under any Equipment Note, Loan Trustee shall promptly give notice thereof to

Company, each Liquidity Provider and each Noteholder. Subject to the terms of Sections 4.02, 4.05, 5.02 and 5.03, Loan Trustee shall take such action, or refrain from taking such action, with respect to such default or Event of Default (including with respect to the exercise of any rights or remedies hereunder) as Loan Trustee is instructed in writing by a Majority in Interest of Noteholders. Subject to the provisions of Section 5.03, if Loan Trustee does not receive instructions as above provided within 20 Business Days after giving notice of such default or Event of Default to Noteholders, Loan Trustee may, subject to instructions thereafter received pursuant to the preceding provisions of this Section 5.01, take such action, or refrain from taking such action with respect to such default or Event of Default as it reasonably determines to be advisable in the best interests of Noteholders, but shall be under no duty to take or refrain from taking any action. In acting pursuant to the immediately preceding sentence, Loan Trustee shall use the same degree of care and skill in connection therewith as a prudent person would use under the circumstances in the conduct of his or her own affairs. Loan Trustee may not sell the Airframe or any Engine without the consent of a Majority in Interest of Noteholders.

For all purposes of this Indenture, in the absence of actual knowledge, Loan Trustee shall not be deemed to have knowledge of a default or an Event of Default unless notified in writing by Company or one or more Noteholders; and “actual knowledge” (as used in the foregoing clause) of Loan Trustee shall mean actual knowledge of a Trust Officer of Loan Trustee; provided that Loan Trustee is deemed to have actual knowledge of (i) the failure of Company to pay any principal amount of, or interest on, the Equipment Notes directly to Loan Trustee when the same shall become due or (ii) the failure of Company to maintain insurance as required under Section 7.06 if Loan Trustee receives written notice thereof from an insurer or insurance broker.

Section 5.02 Action upon Instructions; Certain Rights and Limitations. Subject to the terms of Article IV and this Article V, upon the written instructions at any time of a Majority in Interest of Noteholders, Loan Trustee shall promptly (i) give such notice, direction, consent, waiver or approval or exercise such right, remedy or power hereunder in respect of all or any part of the Collateral or (ii) take such other action permitted hereunder, in each case, as is specified in such instructions.

Loan Trustee will cooperate with Company in connection with the recording, filing, re-recording and refiling of this Indenture and any supplements to it and any financing statements or other documents as is necessary to maintain the perfection hereof or otherwise protect the security interests created hereby. Loan Trustee shall furnish to Company upon request such information and copies of such documents as Loan Trustee may have and as are necessary for Company to perform its duties under Article II.

Section 5.03 Indemnification. Loan Trustee shall not be required to take any action or refrain from taking any action under Section 5.01 (other than the first sentence thereof) or 5.02 or Article IV unless it shall have received indemnification against any risks incurred in connection therewith in form and substance reasonably satisfactory to it, including, without limitation, adequate advances against costs that may be actually incurred by it in connection therewith. Loan Trustee shall not be required to take any action under Section 5.01 (other than the first sentence thereof) or 5.02 or Article IV, nor shall any other provision of any Operative Document be deemed to impose a duty on Loan Trustee to take any action, if Loan Trustee shall have been advised by outside counsel that such action is contrary to the terms hereof or is otherwise contrary to applicable law.

Section 5.04 No Duties Except as Specified in Indenture or Instructions. Loan Trustee shall not have any duty or obligation to manage, control, lease, use, sell, operate, store, dispose of or otherwise deal with the Aircraft or any other part of the Collateral, or to otherwise take or refrain from taking any action under, or in connection with, this Indenture, except as expressly provided by the terms of this Indenture or the Participation Agreement or as expressly provided in written instructions received pursuant to the terms of Section 5.01 or 5.02; and no implied duties or obligations shall be read into this Indenture against Loan Trustee.

Section 5.05 No Action Except under Indenture or Instructions. Loan Trustee will not manage, control, use, sell, lease, operate, store, dispose of or otherwise deal with the Aircraft or any other part of the Collateral except in accordance with the powers granted to, or the authority conferred upon, Loan Trustee pursuant to this Indenture and in accordance with the express terms hereof.

Section 5.06 Investment of Amounts Held by Loan Trustee. Any monies (including for the purpose of this Section 5.06 any amounts held by Loan Trustee pursuant to Section 3.02, 3.03 or 3.07 or pursuant to any provision of any other Operative Document providing for amounts to be held by Loan Trustee which are not distributed pursuant to the other provisions of Article III, or any cash received by Loan Trustee pursuant to Section 7.05(c) or 7.06(d) or otherwise, or Permitted Investments purchased by the use of such cash pursuant to this Section 5.06 or any cash constituting the proceeds of the maturity, sale or other disposition of any Permitted Investments) held by Loan Trustee hereunder as part of the Collateral, until paid out by Loan Trustee as herein provided, (i) subject to clause (ii) below and Section 3.07, may be carried by Loan Trustee on deposit with itself or on deposit to its account with any bank, trust company or national banking association incorporated or doing business under the laws of the United States or one of the states thereof having combined capital and surplus and retained earnings of at least \$100,000,000, and Loan Trustee shall not have any liability for

interest upon any such monies except as otherwise agreed in writing with Company, or (ii) at any time and from time to time, so long as no Event of Default shall have occurred and be continuing, at the request of Company, shall be invested and reinvested in Permitted Investments as specified in such request (if such investments are reasonably available for purchase) and sold, in any case at such prices, including accrued interest or its equivalent, as are set forth in such request, and, as provided in Section 3.07, such Permitted Investments shall be held by Loan Trustee in trust as part of the Collateral until so sold; provided that Company shall upon demand pay to Loan Trustee the amount of any loss realized upon maturity, sale or other disposition of any such Permitted Investment and, so long as no Event of Default or Payment Default shall have occurred and be continuing, Company shall be entitled to receive from Loan Trustee, and Loan Trustee shall promptly pay to Company, any profit, income, interest, dividend or gain realized upon maturity, sale or other disposition of any Permitted Investment. All Permitted Investments held by Loan Trustee pursuant to this Section 5.06 shall be held pursuant to Section 3.07. If an Event of Default or Payment Default shall have occurred and be continuing, any net income, profit, interest, dividend or gain realized upon maturity, sale or other disposition of any Permitted Investment shall be held as part of the Collateral and shall be applied by Loan Trustee at the same time, on the same conditions and in the same manner as the amounts in respect of which such income, profit, interest, dividend or gain was realized are required to be distributed in accordance with the provisions hereof pursuant to which such amounts were required to be held. Subject to Section 3.03, at such time as there shall not be continuing any such Event of Default or Payment Default, such income, profit, interest, dividend or gain shall be paid to Company. In addition, subject to Section 3.03, if any moneys or investments are held by Loan Trustee solely because an Event of Default or Payment Default has occurred and is continuing, at such time as there shall not be continuing any such Event of Default or Payment Default, such moneys and investments shall be paid to Company. Loan Trustee shall not be responsible for any losses on any investments or sales of Permitted Investments made pursuant to the procedure specified in this Section 5.06 other than by reason of its willful misconduct or negligence.

ARTICLE VI

Loan Trustee

Section 6.01 Acceptance of Trusts and Duties. U.S. Bank accepts the trusts and duties hereby created and applicable to it and agrees to perform such duties, but only upon the terms of this Indenture and agrees to receive, handle and disburse all monies received by it as Loan Trustee constituting part of the Collateral in accordance with such terms. U.S. Bank shall have no liability hereunder except (a) for its own willful misconduct or negligence, (b) as provided in the fourth sentence of Section 2.03 and the last sentence of Section 5.06, (c) for liabilities that may result from the inaccuracy of any representation or warranty of U.S. Bank in the Participation Agreement or expressly made hereunder and (d) as otherwise expressly provided in the Operative Documents.

For the avoidance of doubt, Loan Trustee shall also be accountable in its capacity as Securities Intermediary with respect to the Security Account, as set forth in Section 3.07.

Section 6.02 Absence of Certain Duties. Except in accordance with written instructions furnished pursuant to Section 5.01, 5.02 or 6.06, and except as provided in, and without limiting the generality of, Sections 5.02, 5.03 and 5.04, Loan Trustee shall have no duty (a) to see to any registration of the Aircraft or any recording or filing of this Indenture or any other document, or to see to the maintenance of any such registration, recording or filing, (b) to see to any insurance on the Aircraft or to effect or maintain any such insurance, whether or not Company is in default with respect thereto, (c) to confirm, verify or inquire into the failure to receive any financial statements of Company or (d) to inspect the Aircraft at any time or ascertain or inquire as to the performance or observance of any of Company's covenants hereunder with respect to the Aircraft.

Section 6.03 No Representations or Warranties as to the Documents. Except as provided in Article V of the Participation Agreement, Loan Trustee shall not be deemed to have made any representation or warranty as to the validity, legality or enforceability of any Operative Document or any other document or instrument, or as to the correctness of any statement (other than a statement by Loan Trustee) contained herein or therein, except that Loan Trustee hereby represents and warrants that each of said specified documents to which it is a party has been or will be duly executed and delivered by one of its officers who is and will be duly authorized to execute and deliver such document on its behalf.

Section 6.04 No Segregation of Monies; No Interest. Subject to Section 5.06 and except as provided in Section 3.07, all moneys received by Loan Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by mandatory provisions of applicable law, and neither Loan Trustee nor any agent of Loan Trustee shall be under any liability for interest on any moneys received by it hereunder; provided that any payments received, or applied hereunder, by Loan Trustee shall be accounted for by Loan Trustee so that any portion thereof paid or applied pursuant hereto shall be identifiable as to the source thereof.

Section 6.05 Reliance; Agents; Advice of Counsel. Loan Trustee shall not incur any liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper reasonably believed by it to be genuine and reasonably believed by it to be signed by the proper party or parties. Loan Trustee may accept a copy of a resolution of the Board of Directors of any party to the Participation Agreement, certified by the Secretary or an Assistant Secretary of such party as duly adopted and in full force and effect, as conclusive evidence that such resolution has been duly adopted and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically described herein, Loan Trustee may for all purposes hereof rely on a certificate, signed by a duly authorized officer of Company, as to such fact or matter, and such certificate shall constitute full protection to Loan Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon. In the administration of the trusts hereunder, Loan Trustee may (a) execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents (including paying agents or registrars) or attorneys, and (b) at the expense of the Collateral, consult with counsel, accountants and other skilled Persons to be selected and retained by it; provided that, prior to retaining agents (including paying agents or registrars), counsel, accountants or other skilled Persons, so long as no Event of Default exists, Loan Trustee shall obtain Company's consent (such consent not to be unreasonably withheld). Loan Trustee shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled Persons acting within such counsel's, accountants' or Person's area of competence (so long as Loan Trustee shall have exercised reasonable care and judgment in selecting such Persons).

Section 6.06 Instructions from Noteholders. In the administration of the trusts created hereunder, Loan Trustee shall have the right to seek instructions from a Majority in Interest of Noteholders should any provision of this Indenture appear to conflict with any other provision herein or any other Operative Document or Pass Through Document or should Loan Trustee's duties or obligations hereunder be unclear, and Loan Trustee shall incur no liability in refraining from acting until it receives such instructions. Loan Trustee shall be fully protected for acting in accordance with any instructions received under this Section 6.06.

ARTICLE VII

(b) the rights of others under agreements or arrangements to the extent expressly permitted by this Indenture;

(c) Loan Trustee Liens, Noteholder Liens and Other Party Liens;

(f) Liens arising out of any judgment or award, so long as such judgment or award is, within 60 days after the entry thereof, discharged, vacated or reversed, or execution thereof stayed pending appeal or other judicial review or is discharged, vacated or reversed within 60 days after the expiration of such stay;

Company shall promptly, at its own expense, take (or cause to be taken) such action as may be necessary duly to discharge (by bonding or otherwise) any Lien other than a Permitted Lien arising at any time with respect to the Aircraft, its title thereto or any of its interest therein.

Section 7.02 Possession, Operation and Use, Maintenance and Registration.

(a) Possession. Without the prior written consent of Loan Trustee, Company shall not lease or otherwise in any manner deliver, transfer or relinquish possession of the Aircraft, the Airframe or any Engine or install any Engine, or permit any Engine to be installed, on any airframe other than the Airframe; provided that Company (or, except with respect to clauses (viii) and (ix) below, any Permitted Lessee) may without the prior written consent of Loan Trustee:

(i) subject the Airframe to interchange agreements or subject any Engine to interchange, pooling, borrowing or other similar agreements or arrangements, in each case entered into by Company (or any Permitted Lessee) in the ordinary course of its business; provided that (A) no such agreement or arrangement contemplates or requires the transfer of title to the Airframe and (B) if Company’s title to any such Engine is divested under any such agreement or arrangement, such divestiture shall be deemed to be an Event of Loss with respect to such Engine, and Company shall (or shall cause any Permitted Lessee to) comply with Section 7.05(b) in respect thereof;

(ii) deliver possession of the Airframe or any Engine to (x) any Person for testing, service, repair, restoration, storage, maintenance or other similar purposes or for alterations, modifications or additions to the Airframe or such Engine to the extent required or permitted by the terms hereof or (y) to any Person for purposes of transport to a Person referred to in the preceding clause (x);

(iii) transfer or permit the transfer of possession of the Airframe or any Engine to any Government pursuant to a lease, contract or other instrument;

(iv) subject the Airframe or any Engine to the CRAF Program or transfer possession of the Airframe or any Engine to the United States government in accordance with applicable laws, rulings, regulations or orders (including, without limitation, any transfer of possession pursuant to the CRAF Program); provided that Company (or any Permitted Lessee) (A) shall promptly notify Loan Trustee upon transferring possession of the Airframe or any Engine pursuant to this clause (iv) and (B) in the case of a transfer of possession pursuant to the CRAF Program, shall notify Loan Trustee of the name and address of the responsible Contracting Office Representative for the Air Mobility Command of the United States Air Force or other appropriate Person to whom notices must be given and to whom requests or claims must be made to the extent applicable under the CRAF Program;

(v) install an Engine on an airframe owned by Company (or any Permitted Lessee) free and clear of all Liens, except (A) Permitted Liens and Liens that apply only to the engines (other than Engines), appliances, parts, instruments, appurtenances, accessories, furnishings and other equipment (other than Parts) installed on such airframe (but not to the airframe as an entirety) and (B) the rights of third parties under interchange, pooling, borrowing or other similar agreements or arrangements that would be permitted under clause (i) above;

(vi) install an Engine on an airframe leased to Company (or any Permitted Lessee) or purchased or owned by Company (or any Permitted Lessee) subject to a lease, conditional sale or other security agreement; provided that: (A) such airframe is free and clear of all Liens except (1) the rights of the parties to the lease or conditional sale or other security agreement covering such airframe, or their successors and assigns, and (2) Liens of the type permitted by clause (v) of this Section 7.02(a); and (B) either: (1) Company has obtained from the lessor, conditional vendor or secured party of such airframe a written agreement (which may be a copy of the lease, conditional sale or other security agreement covering such airframe), in form satisfactory to Loan Trustee (an agreement from such lessor, conditional vendor or secured party substantially in the form of the penultimate paragraph of this Section 7.02(a) being deemed to be

satisfactory to Loan Trustee), whereby such lessor, conditional vendor or secured party expressly agrees that neither it nor its successors or assigns will acquire or claim any right, title or interest in any Engine by reason of such Engine being installed on such airframe at any time while such Engine is subject to the Lien of this Indenture, or (2) such lease, conditional sale or other security agreement provides that such Engine shall not become subject to the Lien of such lease, conditional sale or other security agreement at any time while such Engine is subject to the Lien of this Indenture, notwithstanding its installation on such airframe;

(vii) install an Engine on an airframe owned by Company (or any Permitted Lessee), leased to Company (or any Permitted Lessee) or purchased by Company (or any Permitted Lessee) subject to a conditional sale or other security agreement under circumstances where neither clause (v) nor clause (vi) of this Section 7.02(a) is applicable; provided that such installation shall be deemed an Event of Loss with respect to such Engine, and Company shall comply with Section 7.05(b) in respect thereof, if such installation adversely affects Loan Trustee's security interest in such Engine, Loan Trustee not intending hereby to waive any right or interest it may have to or in such Engine under applicable law until compliance by Company with Section 7.05(b);

(viii) lease any Engine, the Airframe or the Airframe and Engines to any United States air carrier as to which there is in force a certificate issued pursuant to the Transportation Code (49 U.S.C. Sections 41101-41112) or successor provision that gives like authority; provided that no Event of Default exists at the time such lease is entered into; and

(ix) lease any Engine, the Airframe or the Airframe and Engines to (A) any foreign air carrier that is at the inception of the lease based in and a domiciliary of a country listed in Exhibit B hereto, (B) the manufacturer of the Airframe or any Engine (either directly or through an affiliate) and (C) any foreign air carrier consented to in writing by Loan Trustee with the consent of a Majority in Interest of Noteholders; provided that (w) no Event of Default exists at the time such lease is entered into, (x) in the case of a lease to any foreign air carrier (other than a foreign air carrier principally based in Taiwan), the United States maintains normal diplomatic relations with the country in which such foreign air carrier is based at the time such lease is entered into and in the case of a lease to a foreign air carrier principally based in Taiwan, the United States maintains diplomatic relations with Taiwan at least as good as those on the Closing Date, (y) in the case of a lease to any foreign air carrier, Company furnishes Loan Trustee with a certificate from a Responsible Officer of Company

certifying that there exist no possessory rights in favor of such lessee under the laws of such lessee's country which would, upon bankruptcy or insolvency of or other default by Company, and assuming at such time such lessee is not insolvent or bankrupt, prevent the taking of possession of any such Engine or the Airframe and any such Engine by Loan Trustee in accordance with and when permitted by the terms of Section 4.02 upon the exercise by Loan Trustee of its remedies under Section 4.02, and (z) in the case of any lease to a foreign air carrier, such carrier is not then subject to any bankruptcy, insolvency, liquidation, reorganization, dissolution or similar proceeding and shall not have substantially all of its property in the possession of any liquidator, trustee, receiver or similar person;

provided that the rights of any lessee or other transferee who receives possession of the Aircraft, the Airframe or any Engine by reason of a transfer permitted by this Section 7.02(a) (other than the transfer of an Engine which is deemed an Event of Loss) shall be subject and subordinate to, and any permitted lease shall be made expressly subject and subordinate to, all the terms of this Indenture, including Loan Trustee's rights to repossess pursuant to Section 4.02 and to avoid such lease upon such repossession, and Company shall remain primarily liable hereunder for the performance and observance of all of the terms and conditions of this Indenture to the same extent as if such lease or transfer had not occurred, any such lease shall include appropriate provisions for the maintenance and insurance of the Aircraft, the Airframe or such Engine, and no lease or transfer of possession otherwise in compliance with this Section shall (x) result in any registration or re-registration of the Aircraft except to the extent permitted in Section 7.02(e) or the maintenance, operation or use thereof that does not comply with Sections 7.02(b) and (c) or (y) permit any action not permitted to be taken by Company with respect to the Aircraft hereunder. Company shall promptly notify Loan Trustee and the Rating Agencies of the existence of any such lease with a term in excess of one year.

Loan Trustee, the Company Guarantee Beneficiary by its entry into the Company Guarantee, each Noteholder by acceptance of an Equipment Note, and each Related Noteholder by acceptance of a Related Equipment Note agrees, for the benefit of Company (and any Permitted Lessee) and for the benefit of the lessor, conditional vendor or secured party of any airframe or engine leased to Company (or any Permitted Lessee) or leased to or purchased or owned by Company (or any Permitted Lessee) subject to a conditional sale or other security agreement, that Loan Trustee, the Company Guarantee Beneficiary, Noteholders and Related Noteholders will not acquire or claim, as against Company (or any Permitted Lessee) or such lessor, conditional vendor or secured party, any right, title or interest in: (A) any engine or engines owned by Company (or any Permitted Lessee) or by the lessor under such lease or subject to a security interest in favor of the conditional vendor or secured party under any conditional sale or other security agreement as the result of such engine or engines being installed on the Airframe at any time while such engine or engines are subject to such lease or conditional sale or

other security agreement, or (B) any airframe owned by Company (or any Permitted Lessee) or by the lessor under such lease or subject to a security interest in favor of the conditional vendor or secured party under any conditional sale or other security agreement as the result of any Engine being installed on such airframe at any time while such airframe is subject to such lease or conditional sale or other security agreement.

Loan Trustee acknowledges that any “wet lease” or other similar arrangement under which Company (or any Permitted Lessee) maintains operational control of the Aircraft does not constitute a delivery, transfer or relinquishment of possession for purposes of this Section 7.02(a).

(b) Operation and Use. Company agrees that the Aircraft will not be used or operated in violation of any law, rule or regulation of any government of any country having jurisdiction over the Aircraft or in violation of any airworthiness certificate, license or registration relating to the Aircraft issued by any such government, except (i) immaterial or non-recurring violations with respect to which corrective measures are taken promptly by Company or a Permitted Lessee, as the case may be, upon discovery thereof or (ii) to the extent Company (or, if a Lease is then in effect, any Permitted Lessee) is contesting in good faith the validity or application of any such law, rule or regulation or airworthiness certificate, license or registration in any manner that does not involve any material risk of sale, forfeiture or loss of the Aircraft or impair the Lien of this Indenture; provided that Company shall not be in default under, or required to take any action set forth in, this sentence if it is not possible for it (or any Permitted Lessee) to comply with the laws of a jurisdiction other than the United States (or other than any jurisdiction in which the Aircraft is then registered) because of a conflict with the applicable laws of the United States (or such jurisdiction in which the Aircraft is then registered). Company shall also have the right to operate the Aircraft without having on board the original registration certificate or airworthiness certificate in the event that either or both such certificates disappear from the Aircraft, but only to the extent permitted by Exemption No. 5318 of the regulations of the FAA or other similar exemption. Company will not operate the Aircraft, or permit the Aircraft to be operated or located, (i) in any area excluded from coverage by any insurance required by the terms of Section 7.06 or (ii) in any war zone or recognized or, in Company’s judgment, threatened areas of hostilities unless covered by war risk insurance in accordance with Section 7.06, unless in the case of either clause (i) or (ii), (x) government indemnification complying with Sections 7.06(a) and (b) has been provided or (y) the Aircraft is only temporarily located in such area as a result of an isolated occurrence or isolated series of occurrences attributable to a hijacking, medical emergency, equipment malfunction, weather conditions, navigational error or other similar circumstances or any other circumstances beyond the reasonable control of Company (or any Permitted Lessee) and Company (or any Permitted Lessee) is using its good faith efforts to remove the Aircraft from such area as promptly as practicable.

(c) Maintenance. Company shall maintain, service, repair and overhaul the Aircraft (or cause the same to be done) in accordance with a maintenance program for aircraft of same manufacturer and model as the Aircraft approved by the FAA or, if the Aircraft is not registered in the United States, (1) the EASA, (2) the civil aviation authority of Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Ireland, Italy, Japan, the Netherlands, New Zealand, Norway, Spain, Switzerland or the United Kingdom, or (3) the central aviation authority of any country with aircraft maintenance standards that are substantially similar to those of the United States or any of the foregoing authorities or countries, (i) so as to keep the Aircraft in the condition and repair required to be maintained by the terms hereof and in such condition as may be necessary to enable the airworthiness certification of the Aircraft to be maintained in good standing at all times (other than (v) during temporary periods of storage, during maintenance, testing or modification permitted hereunder, (w) during periods of grounding by applicable governmental authorities, (x) during periods when the FAA or such other aviation authority has revoked or suspended the airworthiness certificates for aircraft of the same manufacturer and model as the Aircraft, (y) with respect to immaterial or non-recurring violations with respect to which corrective measures are taken promptly upon discovery thereof and (z) to the extent Company or any Permitted Lessee is promptly contesting in good faith the validity or application of any law or requirement relating to any such certification in any manner which does not create a material risk of sale, loss or forfeiture of the Aircraft, the Airframe or any Engine or the interest of Loan Trustee therein or any material risk of criminal liability or material civil penalty against Loan Trustee) under the Transportation Code, during such periods in which the Aircraft is registered under the laws of the United States, or, if the Aircraft is registered under the laws of any other jurisdiction, the applicable laws of such jurisdiction and (ii) using the same standards as Company (or a Permitted Lessee, if a Lease is in effect) uses with respect to similar aircraft operated by Company (or such Permitted Lessee) in similar circumstances (it being understood that the obligations pursuant to this clause (ii) do not limit Company's obligations under the preceding clause (i)). Company shall maintain or cause to be maintained all records, logs and other documents required to be maintained in respect of the Aircraft by appropriate authorities in the jurisdiction in which the Aircraft is registered.

(d) Identification of Loan Trustee's Interest. If not prevented by applicable law or regulations or by any government, Company agrees to affix as promptly as practicable after the Closing Date and thereafter to maintain in the flight deck of the Aircraft, in a clearly visible location, and on each Engine, a nameplate bearing the inscription "MORTGAGED TO U.S. BANK TRUST NATIONAL ASSOCIATION, AS LOAN TRUSTEE" (such nameplate to be replaced, if necessary, with a nameplate reflecting the name of any successor Loan Trustee). Such placards may be removed temporarily, if necessary, in the course of maintenance of the Airframe or Engines.

(e) Registration. Company shall cause the Aircraft to remain duly registered, under the laws of the United States, in the name of Company except as otherwise required by the Transportation Code; provided that Loan Trustee shall, at Company's expense, execute and deliver all such documents as Company may reasonably request for the purpose of continuing such registration. Notwithstanding the preceding sentence, Company, at its own expense, may cause or allow the Aircraft to be duly registered under the laws of any foreign jurisdiction in which a Permitted Lessee could be principally based, in the name of Company or of any nominee of Company, or, if required by applicable law, in the name of any other Person (and, following any such foreign registration, may cause the Aircraft to be re-registered under the laws of the United States); provided that in the case of jurisdictions other than those approved by Loan Trustee with the consent of a Majority in Interest of Noteholders (i) if such jurisdiction is at the time of registration listed on Exhibit B, Loan Trustee shall have received at the time of such registration an opinion of counsel to Company to the effect that (A) this Indenture and Loan Trustee's right to repossession hereunder is valid and enforceable under the laws of such country, (B) after giving effect to such change in registration, the Lien of this Indenture shall continue as a valid Lien and shall be duly perfected in the new jurisdiction of registration and that all filing, recording or other action necessary to perfect and protect the Lien of this Indenture has been accomplished (or if such opinion cannot be given at such time, (x) the opinion shall detail what filing, recording or other action is necessary and (y) Loan Trustee shall have received a certificate from a Responsible Officer of Company that all possible preparations to accomplish such filing, recording and other action shall have been done, and such filing, recording and other action shall be accomplished and a supplemental opinion to that effect shall be promptly delivered to Loan Trustee subsequent to the effective date of such change in registration), (C) the obligations of Company under this Indenture shall remain valid, binding and (subject to customary bankruptcy and equitable remedies exceptions and to other exceptions customary in foreign opinions generally) enforceable under the laws of such jurisdiction (or the laws of the jurisdiction to which the laws of such jurisdiction would refer as the applicable governing law), (D) all approvals or consents of any government in such jurisdiction having jurisdiction required for such change in registration shall have been duly obtained and shall be in full force and effect and (E) (unless Company shall have agreed to provide insurance covering the risk of requisition of use or title of the Aircraft by the government of such jurisdiction so long as the Aircraft is registered under the laws of such jurisdiction) the laws of such jurisdiction require fair compensation by the government of such jurisdiction payable in currency freely convertible into Dollars for the loss of use or title of the Aircraft in the event of requisition by such government of such use or title, and (ii) if such jurisdiction is at the time of registration not listed on Exhibit B, Loan Trustee shall have received (in addition to the opinions set forth in clause (i) above) at the time of such registration an opinion of counsel to Company to the effect that (A) the terms of this Indenture are legal, valid, binding and enforceable in such jurisdiction (subject to exceptions customary in such jurisdiction; provided that, subject to exceptions relating to bankruptcy, insolvency, reorganization, moratorium or similar

laws affecting the rights of creditors generally and exceptions relating to general principles of equity, such counsel shall opine that any applicable laws limiting the remedies provided in Section 4.02 do not in the opinion of such counsel make the remedies provided in Section 4.02 inadequate for the practical realization of the rights and benefits provided thereby), (B) it is not necessary for Loan Trustee to register or qualify to do business in such jurisdiction and (C) there is no tort liability of the lender of an aircraft not in possession thereof under the laws of such jurisdiction other than tort liability that might have been imposed on such lender under the laws of the United States or any state thereof (it being understood that such opinion shall be waived if insurance reasonably satisfactory to Loan Trustee is provided, at Company's expense, to cover such risk). Loan Trustee will cooperate with Company in effecting such foreign registration. Notwithstanding the foregoing, prior to any such change in the country of registry of the Aircraft, the following conditions shall be met (or waived as provided in Section 6.01(b) of the Participation Agreement):

(i) no Event of Default shall have occurred and be continuing at the effective date of the change in registration; provided that it shall not be necessary to comply with this condition if the change in registration results in the registration of the Aircraft under the laws of the United States or if a Majority in Interest of Noteholders consents to such change in registration;

(ii) Loan Trustee shall have received evidence of compliance with the insurance provisions contained herein after giving effect to such change in registration;

(iii) other than in the case of a change in registration to Taiwan, the proposed change in registration is made to a country with which the United States then maintains normal diplomatic relations, and in the case of a change in registration to Taiwan, the United States maintains diplomatic relations with Taiwan at least as good as those on the Closing Date; and

(iv) Company shall have paid or made provision reasonably satisfactory to Loan Trustee for the payment of all reasonable expenses (including reasonable attorneys' fees) of Loan Trustee and Noteholders in connection with such change in registration.

Company shall (i) from time to time, take such actions as may be required to be taken by Company so that any International Interest arising in relation to this Indenture, the Aircraft, any Replacement Aircraft, any Engine or Replacement Engine may be duly registered (and any such registration may be assigned, amended, extended or discharged) at the International Registry, and (ii) obtain from the International Registry all approvals as may be required duly and timely to perform Company's obligations under this Indenture with respect to the registration of any such International Interest. Loan Trustee shall take all actions necessary with respect to the International Registry to consent to Company's initiation of any registrations required under this Indenture to enable Company to complete such registrations, including, without limitation, appointing Crowe and Dunlevy, P.C. (or another qualified FAA counsel), as its "professional user entity" (as defined in the Cape Town Treaty) to consent to any registrations on the International Registry with respect to the Airframe or any Engine.

Section 7.03 Inspection; Financial Information.

(a) Inspection. At all reasonable times, but upon at least 15 Business Days' prior written notice to Company, Loan Trustee or its authorized representatives may, subject to the other conditions of this Section 7.03(a), inspect the Aircraft and may inspect the books and records of Company relating to the maintenance of the Aircraft required to be maintained by the FAA or the government of another jurisdiction in which the Aircraft is then registered; provided that (i) Loan Trustee or its representatives, as the case may be, shall be fully insured at no cost to Company or any Permitted Lessee in a manner satisfactory to Company and such Permitted Lessee with respect to any risks incurred in connection with any such inspection or shall provide to Company and such Permitted Lessee a written release satisfactory to Company and such Permitted Lessee with respect to such risks, (ii) any such inspection shall be during Company's or Permitted Lessee's, as the case may be, normal business hours and subject to the safety, security and workplace rules applicable at the location where such inspection is conducted and any applicable governmental rules or regulations, (iii) any such inspection of the Aircraft shall be a visual, walk-around inspection of the interior and exterior of the Aircraft and shall not include opening any panels, bays or the like without Company's express consent, which consent Company may in its sole discretion withhold, and (iv) no exercise of such inspection right shall interfere with the use, operation or maintenance of the Aircraft by, or the business of, Company or any Permitted Lessee and Company and any Permitted Lessee shall not be required to undertake or incur any additional liabilities in connection therewith. All information obtained in connection with any such inspection of the Aircraft and of such books and records shall be Confidential Information and shall be treated by Loan Trustee and its representatives in accordance with the provisions of Section 10.16. Any inspection pursuant to this Section 7.03(a) shall be at the sole risk (including, without limitation, any risk of personal injury or death) and expense of Loan Trustee (or its representatives) making such inspection. Except during the continuance of an Event of Default, all inspections by Loan Trustee and its representatives provided for under this Section 7.03(a) shall be limited to one inspection of any kind contemplated by this Section 7.03(a) during any consecutive twelve month period.

(b) **Financial Information.** So long as any of the Secured Obligations remain unpaid, Company agrees to furnish to Loan Trustee: (i) within 60 days after the end of each of the first three quarterly periods in each fiscal year of Company, either (x) a consolidated balance sheet of Company and its consolidated subsidiaries prepared by it as of the close of such period, together with the related consolidated statements of income for such period or (y) a report of Company on Form 10-Q in respect of such period in the form filed with the Securities and Exchange Commission and (ii) within 120 days after the close of each fiscal year of Company, either (x) a consolidated balance sheet of Company and its consolidated subsidiaries as of the close of such fiscal year, together with the related consolidated statements of income for such fiscal year, certified by independent public accountants, or (y) a report of Company on Form 10-K in respect of such year in the form filed with the Securities and Exchange Commission. The items required to be furnished pursuant to clause (i) and clause (ii) above shall be deemed to have been furnished on the date on which such item is posted on the Securities and Exchange Commission's website at www.sec.gov, and such posting shall be deemed to satisfy the requirements of clause (i) and clause (ii); provided that Company will deliver a paper copy of any item referred to in clause (i) and clause (ii) above if Loan Trustee so requests.

Section 7.04 Replacement and Pooling of Parts; Alterations, Modifications and Additions; Substitution of Airframe and Engines.

(a) **Replacement of Parts.** Company shall (or shall cause a Permitted Lessee to) promptly replace or cause to be replaced all Parts incorporated or installed in or attached to the Airframe or any Engine and that become worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or rendered permanently unfit for use for any reason, except as otherwise provided in Section 7.04(c) or if the Airframe or an Engine to which a Part relates has suffered an Event of Loss. In addition, Company (or any Permitted Lessee) may remove (or cause to be removed) in the ordinary course of maintenance, service, repair, overhaul or testing, any Parts, whether or not worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or rendered permanently unfit for use; provided that Company (or any Permitted Lessee), except as otherwise provided in Section 7.04(c), will replace such Parts as promptly as practicable. All replacement Parts shall be free and clear of all Liens (except for Permitted Liens and except in the case of replacement property temporarily installed on an emergency basis) and shall be in good operating condition. Except as otherwise provided in Section 7.04(c), any Part removed from the Airframe or any Engine shall remain subject to the Lien of this Indenture no matter where located until it is replaced by a part incorporated or installed in or attached to the Airframe or such Engine that meets the requirements for replacement Parts specified above. Immediately upon any replacement Part becoming incorporated or installed in or attached to the Airframe or any Engine as above provided (except in the case of replacement property temporarily installed on an emergency basis),

without further act, (i) the replaced Part shall thereupon be free and clear of all rights of Loan Trustee and of the Lien of this Indenture and shall no longer be deemed a Part hereunder, and (ii) such replacement Part shall become subject to the Lien of this Indenture and be deemed a Part of the Airframe or such Engine for all purposes to the same extent as the Parts originally incorporated or installed in or attached to the Airframe or such Engine. Upon request of Company from time to time, Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company confirming the release of any such replaced Part from the Lien of this Indenture.

(b) Pooling of Parts. Any Part removed from the Airframe or any Engine as provided in Section 7.04(a) may be subjected by Company or a Person permitted to be in possession of the Airframe or such Engine to a pooling arrangement entered into in the ordinary course of Company's or such Person's business; provided that the part replacing such removed Part shall be incorporated or installed in or attached to the Airframe or such Engine in accordance with Section 7.04(a) as promptly as practicable after the removal of such removed Part. In addition, any replacement Part when incorporated or installed in or attached to the Airframe or any Engine may be owned by any third party subject to such a pooling arrangement; provided that Company, at its expense, as promptly thereafter as practicable either (i) causes title to such replacement Part to vest in Company free and clear of all Liens (except Permitted Liens), or (ii) replaces (or causes to be replaced) such replacement Part by incorporating or installing in or attaching to the Airframe or such Engine a further replacement Part in the manner contemplated by Section 7.04(a).

(c) Alterations, Modifications and Additions. Company will, or will cause a Permitted Lessee to, make (or cause to be made) such alterations and modifications in and additions to the Airframe and the Engines as are required from time to time to meet the applicable requirements of the FAA or any applicable government of any other jurisdiction in which the Aircraft is then registered; except for (i) immaterial and non-recurring violations with respect to which corrective measures are being taken promptly by Company (or, if a Lease is then in effect, any Permitted Lessee) upon discovery thereof and (ii) any law, rule, regulation or order the validity or application of which is being contested in good faith by Company (or, if a Lease is then in effect, any Permitted Lessee) in any manner which does not involve any material risk of sale, loss or forfeiture of the Aircraft and does not materially adversely affect Loan Trustee's interest in the Aircraft. In addition, Company (or any Permitted Lessee), at its own expense, may from time to time add further parts or accessories and make or cause to be made such alterations and modifications in and additions to the Airframe or any Engine as Company (or any Permitted Lessee) deems desirable in the proper conduct of its business, including, without limitation, removal (without replacement) of Parts; provided that no such alteration, modification or addition shall materially diminish the value or utility of the Airframe or such Engine below its value or utility immediately prior to such

alteration, modification or addition, assuming that the Airframe or such Engine was then in the condition required to be maintained by the terms of this Indenture, except that the value (but not the utility) of the Airframe or any Engine may be reduced by the value of any such Parts that are removed that Company (or such Permitted Lessee) deems obsolete or no longer suitable or appropriate for use on the Airframe or any Engine. For the avoidance of doubt, Company may make alterations in the passenger configuration of the Aircraft and such alterations shall not be subject to the immediately preceding sentence. All Parts incorporated or installed in or attached or added to the Airframe or any Engine as the result of such alteration, modification or addition shall, without further act, be subject to the Lien of this Indenture. Notwithstanding the foregoing, Company (or any Permitted Lessee) may, at any time, remove any Part from the Airframe or any Engine if such Part: (i) is in addition to, and not in replacement of or substitution for, any Part originally incorporated or installed in or attached to the Airframe or such Engine at the time of delivery thereof to Company or any Part in replacement of, or substitution for, any such Part, (ii) is not required to be incorporated or installed in or attached or added to the Airframe or such Engine pursuant to the first sentence of this Section 7.04(c) and (iii) can be removed from the Airframe or such Engine without materially diminishing the value or utility required to be maintained by the terms of this Indenture that the Airframe or such Engine would have had had such Part never been installed on the Airframe or such Engine. Upon the removal by Company (or any Permitted Lessee) of any Part as permitted by this Section 7.04(c), such removed Part shall, without further act, be free and clear of all rights and interests of Loan Trustee and the Lien of this Indenture and shall no longer be deemed a Part hereunder. Upon request of Company from time to time, Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company confirming the release of any such removed Part from the Lien of this Indenture. Loan Trustee acknowledges that it has no interest in the Excluded Equipment. Notwithstanding the provisions of this Section 7.04(c) or any other term or condition of this Indenture, Company (or any Permitted Lessee) may from time to time install on, and remove from, the Aircraft equipment that is owned by, leased to or conditionally sold to Company (or any Permitted Lessee) (and title to such equipment shall remain vested in Company, such Permitted Lessee, or the lessor or the conditional vendor thereof) if (1) such equipment is Excluded Equipment and (2) the location affected by any such removal, if damaged, is repaired prior to return, in a workmanlike manner, to a condition suitable for commercial passenger service; provided that all costs of installation, removal and replacement shall be the responsibility of Company.

(d) Substitution of Engines. Company shall have the right at its option at any time and from time to time, on at least 30 days' prior written notice to Loan Trustee, to substitute a Replacement Engine for any Engine. In such event, and prior to the date of such substitution, Company shall replace such Engine by complying with the terms of Section 7.05(b) to the same extent as if an Event of Loss had occurred with respect to such Engine.

(e) Substitution of Airframe. Company shall have the right at its option at any time and from time to time, on at least 10 Business Days' prior written notice to Loan Trustee, to substitute a Substitute Airframe, free and clear of all Liens (other than Permitted Liens), for the Airframe so long as (i) no Event of Default shall have occurred and be continuing at the time of substitution, (ii) the Substitute Airframe has a date of manufacture no earlier than one year prior to the date of manufacture of the Airframe subject to the Lien of this Indenture on the Closing Date (each such date of manufacture, in each case, to be deemed to be the date of original delivery of the applicable airframe to a customer by the Manufacturer) and (iii) the Substitute Airframe has a MCMV (as defined below) at least equal to the MCMV of the Airframe being replaced by the Substitute Airframe (assuming that the Airframe had been maintained in accordance with this Indenture), in each case as determined by a desktop appraisal dated as of a date within the 60-day period prior to the substitution performed by an Appraiser selected by Company. "MCMV" is the "current market value" (as defined by the International Society of Transport Aircraft Trading or any successor organization) adjusted for the maintenance status of the Substitute Airframe and the Airframe being replaced by the Substitute Airframe, as applicable, such maintenance status to be based upon maintenance data provided by Company to the applicable Appraiser with respect to the Substitute Airframe and such Airframe as of the same date within the 60-day period prior to the substitution for both the Substitute Airframe and such Airframe.

Prior to or at the time of any substitution under this Section 7.04(e), Company will (A) cause an Indenture Supplement covering such Substitute Airframe to be delivered to Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Transportation Code or the applicable laws of any other jurisdiction in which the Aircraft may then be registered, (B) cause the sale of such Substitute Airframe to Company (if occurring after February 28, 2006 and if the seller of such Substitute Airframe is "situated in" a country that has ratified the Cape Town Convention) and the International Interest created pursuant to the Indenture Supplement in favor of Loan Trustee with respect to such Substitute Airframe to be registered on the International Registry as a sale or an International Interest, respectively; provided that if the seller of such Substitute Airframe is not situated in a country that has ratified the Cape Town Convention, Company will use its reasonable efforts to cause the seller to register the contract of sale on the International Registry, (C) cause a financing statement or statements with respect to such Substitute Airframe or other requisite documents or instruments to be filed in such place or places as necessary in order to perfect Loan Trustee's interest therein in the United States, or in any other jurisdiction in which the Aircraft may then be registered, (D) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) addressed to Loan Trustee to the effect that upon such substitution, such Substitute Airframe will be subject to the Lien of this Indenture and addressing the matters set forth in clauses (A), (B) and (C), (E) furnish Loan Trustee with evidence of compliance with the insurance provisions of Section 7.06

with respect to such Substitute Airframe, (E) furnish Loan Trustee with a copy of the original bill of sale in respect of such Substitute Airframe and (G) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) in form reasonably satisfactory to Loan Trustee to the effect that Loan Trustee will be entitled to the benefits of Section 1110 with respect to the Substitute Airframe; provided that (i) such opinion need not be delivered to the extent that the benefits of Section 1110 were not, by reason of a change in law or governmental or judicial interpretation thereof, available to Loan Trustee with respect to the Aircraft immediately prior to such substitution and (ii) such opinion may contain qualifications and assumptions of the tenor contained in the opinion of counsel to Company delivered pursuant to Section 3.01 of the Participation Agreement on the Closing Date and such other qualifications and assumptions as shall at the time be customary in opinions rendered in comparable circumstances.

In the case of the Substitute Airframe subjected to the Lien of this Indenture under this Section 7.04(e), promptly upon the recordation of the Indenture Supplement covering such Substitute Airframe pursuant to the Transportation Code (or pursuant to the applicable law of such other jurisdiction in which such Substitute Airframe is registered), Company will cause to be delivered to Loan Trustee a favorable opinion of aviation law counsel to Company (which may be internal counsel of Company) addressed to Loan Trustee as to the due registration of the aircraft to which the Substitute Airframe is part and the due recordation of such Indenture Supplement or such other requisite documents or instruments, the registration with the International Registry of the sale of such Substitute Airframe to Company (if occurring after February 28, 2006 and if the seller of such Substitute Airframe is "situated in" a country that has ratified the Cape Town Convention) and of the International Interests created pursuant to the Indenture Supplement with respect to such Substitute Airframe and the validity and perfection of the security interest in the Substitute Airframe granted to Loan Trustee under this Indenture.

For all purposes hereof, upon the attachment of the Lien of this Indenture thereto, the Substitute Airframe shall become part of the Collateral and shall be deemed an "Airframe" as defined herein. Upon compliance with clauses (A) through (G) of the second preceding paragraph, Loan Trustee shall execute and deliver to Company an appropriate instrument releasing the replaced Airframe, all proceeds (including, without limitation, insurance proceeds, if any), the Warranty Rights in respect of such replaced Airframe and all rights relating to the foregoing, from the Lien of this Indenture, and will take such actions as may be required to be taken by Loan Trustee to cancel or release any International Interest of Loan Trustee registered with the International Registry in relation to such replaced Airframe.

Section 7.05 Loss, Destruction or Requisition.

(a) Event of Loss with Respect to the Airframe. Upon the occurrence of an Event of Loss with respect to the Airframe or the Airframe and the Engines then installed thereon, Company shall as soon as practicable (and, in any event, within 30 days after an Event of Loss has occurred) notify Loan Trustee of such Event of Loss, and, within 90 days after such Event of Loss, Company shall give Loan Trustee written notice of its election to perform one of the following options (it being agreed that if Company has not given such notice of election within such 90-day period, Company shall be deemed to have elected to perform the option set forth in the following clause (ii)). Company may elect either to:

(i) substitute, on or before the Loss Payment Date (as defined below), as replacement for the Airframe or Airframe and Engines with respect to which an Event of Loss has occurred, a Replacement Airframe (together with a number of Replacement Engines equal to the number of Engines, if any, with respect to which the Event of Loss occurred), such Replacement Airframe and Replacement Engines to be owned by Company free and clear of all Liens (other than Permitted Liens); provided that if Company has not performed such obligation on or prior to the Loss Payment Date, then Company shall on the Loss Payment Date redeem the Equipment Notes in full in accordance with Section 2.10; or

(ii) redeem, on or before the Loss Payment Date, the Equipment Notes in full in accordance with Section 2.10. Company shall give Loan Trustee 20 days' prior written notice if it elects to redeem the Equipment Notes on any day prior to the Loss Payment Date.

The "Loss Payment Date" with respect to an Event of Loss means the Business Day next succeeding the 120th day following the date of occurrence of such Event of Loss.

If Company elects to substitute a Replacement Airframe (or a Replacement Airframe and one or more Replacement Engines, as the case may be) Company shall, at its sole expense, not later than the Loss Payment Date, (A) cause an Indenture Supplement for such Replacement Airframe and Replacement Engines, if any, to be delivered to Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Transportation Code or the applicable laws of such other jurisdiction in which the Aircraft is then registered, (B) cause the sale of such Replacement Airframe and Replacement Engines, if any, to Company (if occurring after

February 28, 2006 and if the seller of such Replacement Airframe and Replacement Engines, if any, is “situated in” a country that has ratified the Cape Town Convention) and the International Interest created pursuant to the Indenture Supplement in favor of Loan Trustee with respect to such Replacement Airframe and Replacement Engines, if any, each to be registered on the International Registry as a sale or an International Interest, respectively; provided that if the seller of such Replacement Airframe and Replacement Engines, if any, is not situated in a country that has ratified the Cape Town Convention, Company will use its reasonable efforts to cause the seller to register the contract of sale on the International Registry, (C) cause a financing statement or statements with respect to the Replacement Airframe and Replacement Engines, if any, or other requisite documents or instruments to be filed in such place or places as necessary in order to perfect Loan Trustee’s interest therein in the United States, or in any other jurisdiction in which the Aircraft is then registered, (D) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) addressed to Loan Trustee to the effect that upon such replacement, such Replacement Airframe and Replacement Engines, if any, will be subject to the Lien of this Indenture and addressing the matters set forth in clauses (A), (B) and (C), (E) furnish Loan Trustee with a certificate of an independent aircraft engineer or appraiser, certifying that the Replacement Airframe and Replacement Engines, if any, have a value and utility at least equal to (but in any event without regard to component modification status or the number of hours or cycles, in either case since new, since a maintenance task of any kind, or remaining (or expected to remain) until a future maintenance task of any kind) the Airframe and Engines, if any, so replaced, assuming the Airframe and such Engines were in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss, (F) furnish Loan Trustee with evidence of compliance with the insurance provisions of Section 7.06 with respect to such Replacement Airframe and Replacement Engines, if any, (G) furnish Loan Trustee with a copy of the original bill of sale in respect of such Replacement Airframe and a copy of the original bill of sale or, if the bill of sale is unavailable, other evidence of ownership in form reasonably satisfactory to Loan Trustee (which may be a copy of an invoice or purchase order) in respect of such Replacement Engines, if any, and (H) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) in form reasonably satisfactory to Loan Trustee to the effect that Loan Trustee will be entitled to the benefits of Section 1110 with respect to the Replacement Airframe; provided that (i) such opinion need not be delivered to the extent that the benefits of Section 1110 were not, by reason of a change in law or governmental or judicial interpretation thereof, available to Loan Trustee with respect to the Aircraft immediately prior to such substitution and (ii) such opinion may contain qualifications and assumptions of the tenor contained in the Section 1110 opinion of counsel to Company delivered pursuant to Section 3.01 of the Participation Agreement on the Closing Date and such other qualifications and assumptions as are at the time customary in opinions rendered in comparable circumstances.

In the case of each Replacement Airframe or Replacement Airframe and one or more Replacement Engines subjected to the Lien of this Indenture under this Section 7.05(a), promptly upon the recordation of the Indenture Supplement covering any such Replacement Airframe and Replacement Engines, if any, pursuant to the Transportation Code (or pursuant to the applicable law of such other jurisdiction in which such Replacement Airframe and Replacement Engines, if any, are registered), Company will cause to be delivered to Loan Trustee a favorable opinion of FAA counsel selected by Company if at the time of the Event of Loss the Aircraft was registered under the laws of the United States (or, if at the time of the Event of Loss the Aircraft was registered under the laws of another jurisdiction, counsel qualified to opine on matters of registration in such jurisdiction selected by Company, which counsel shall be reasonably satisfactory to Loan Trustee) addressed to Loan Trustee as to the due registration of such Replacement Aircraft and the due recordation of such Indenture Supplement or such other requisite documents or instruments, the registration with the International Registry of the sale of such Replacement Airframe and Replacement Engines, if any, to Company (if occurring after February 28, 2006 and if the seller of such Replacement Airframe and Replacement Engines, if any, is “situated in” a country that has ratified the Cape Town Convention) and of the International Interests created pursuant to the Indenture Supplement with respect to such Replacement Airframe and Replacement Engines, if any, and the validity and perfection of the security interest in the Replacement Aircraft granted to Loan Trustee under this Indenture.

For all purposes hereof, upon the attachment of the Lien of this Indenture thereto, the Replacement Aircraft and Replacement Engines, if any, shall become part of the Collateral, the Replacement Airframe shall be deemed an “Airframe” as defined herein, and each such Replacement Engine shall be deemed an “Engine” as defined herein. Upon compliance with clauses (A) through (H) of the third paragraph of this Section 7.05(a), Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company releasing such replaced Airframe and Engines (if any) installed thereon at the time such Event of Loss occurred, all proceeds (including, without limitation, insurance proceeds), the Warranty Rights in respect of such replaced Airframe and Engines (if any) and all rights relating to the foregoing, from the Lien of this Indenture, and assigning to Company all claims against third Persons for damage to or loss of the Airframe and Engines arising from the Event of Loss, and will take such actions as may be required to be taken by Loan Trustee to cancel or release any International Interest of Loan Trustee registered with the International Registry in relation to the replaced Airframe and replaced Engines, if any.

If, after an Event of Loss, Company performs the option set forth in clause (ii) of the first paragraph of this Section 7.05(a), Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company releasing the Aircraft, all proceeds (including, without limitation, insurance proceeds), the Warranty Rights in respect of the Aircraft and all rights relating to the foregoing from the Lien of this Indenture, and assigning to Company all claims against third Persons for damage to or loss of the Aircraft arising from the Event of Loss, and will take such actions as may be required to be taken by Loan Trustee to cancel or release any International Interest of Loan Trustee registered with the International Registry in relation to the Airframe and Engines, if any, with respect to which such Event of Loss occurred.

(b) Event of Loss with Respect to an Engine. As soon as practicable following the occurrence of an Event of Loss with respect to an Engine under circumstances in which there has not occurred an Event of Loss with respect to the Airframe, Company shall give Loan Trustee prompt written notice thereof and shall, within 120 days after the occurrence of such Event of Loss, cause to be subjected to the Lien of this Indenture, as replacement for the Engine with respect to which such Event of Loss occurred, a Replacement Engine free and clear of all Liens (other than Permitted Liens).

Prior to or at the time of any replacement under this Section 7.05(b), Company will (i) cause an Indenture Supplement covering such Replacement Engine to be delivered to Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Transportation Code or the applicable laws of any other jurisdiction in which the Aircraft is then registered, (ii) furnish Loan Trustee with a copy of the original bill of sale or, if the bill of sale is unavailable, other evidence of ownership in form reasonably satisfactory to Loan Trustee (which may be a copy of an invoice or purchase order) in respect of such Replacement Engine, which in the case of any such conveyance to which the Cape Town Convention is applicable shall be in such form as will qualify as “contract of sale” pursuant to Article V of the Aircraft Protocol, and all documents required under the Operative Documents to establish, continue, confirm, register and/or perfect the interests of Loan Trustee in such Replacement Engine, (iii) cause the sale of such Replacement Engine to Company (if occurring after February 28, 2006 and if the seller of such Replacement Engine is “situated in” a country that has ratified the Cape Town Convention) and the International Interest created pursuant to the Indenture Supplement in favor of Loan Trustee with respect to such Replacement Engine, each to be registered on the International Registry as a sale or an International Interest, respectively; provided that if the seller of such Replacement Engine is not situated in a country that has ratified the Cape Town Convention, Company will use its reasonable efforts to cause the seller to register the contract of sale on the International Registry, (iv) cause a financing statement or statements with respect to such Replacement Engine or other requisite documents or instruments to be filed in such place or places as necessary in order to perfect Loan Trustee’s interest therein in the United States, or in such other jurisdiction in which the Engine is then registered, (v) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) addressed to Loan Trustee to the effect that, upon such replacement, the Replacement

Engine will be subject to the Lien of this Indenture, (vi) furnish Loan Trustee with a certificate of an aircraft engineer (who may be an employee of Company) or appraiser certifying that such Replacement Engine has a value and utility at least equal to (but in any event without regard to component modification status or the number of hours or cycles, in either case since new, since a maintenance task of any kind, or remaining (or expected to remain) until a future maintenance task of any kind) the Engine so replaced assuming such Engine was in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss and (vii) furnish Loan Trustee with evidence of compliance with the insurance provisions of Section 7.06 with respect to such Replacement Engine. In the case of each Replacement Engine subjected to the Lien of this Indenture under this Section 7.05(b), promptly upon the recordation of the Indenture Supplement covering such Replacement Engine pursuant to the Transportation Code (or pursuant to the applicable law of such other jurisdiction in which the Aircraft is registered), Company will cause to be delivered to Loan Trustee an opinion of FAA counsel selected by Company if at the time of the Event of Loss the Aircraft was registered under the laws of the United States (or, if at the time of the Event of Loss the Aircraft was registered under the laws of another jurisdiction, counsel qualified to opine on matters of registration in such jurisdiction selected by Company, which counsel shall be reasonably satisfactory to Loan Trustee) addressed to Loan Trustee as to the due recordation of such Indenture Supplement or such other requisite documents or instruments, the registration with the International Registry of the sale of such Replacement Engine to Company (if occurring after February 28, 2006 and if the seller of such Replacement Engine is "situated in" a country that has ratified the Cape Town Convention) and of the International Interest created pursuant to the Indenture Supplement with respect to such Replacement Engine and the validity and perfection of the security interest in the Replacement Engine granted to Loan Trustee under this Indenture. For all purposes hereof, upon the attachment of the Lien of this Indenture thereto, the Replacement Engine shall become part of the Collateral and shall be deemed an "Engine" as defined herein. Upon compliance with clauses (i) through (vii) of the first sentence of this paragraph, Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company releasing such replaced Engine, any proceeds (including, without limitation, insurance proceeds) and all rights relating to any of the foregoing from the Lien of this Indenture and assigning to Company all claims against third Persons for damage to or loss of such Engine arising from the Event of Loss, and will take such actions as may be required to be taken by Loan Trustee to cancel or release any International Interest of Loan Trustee registered with the International Registry in relation to the Engines with respect to which such Event of Loss occurred.

(c) Application of Payments for Event of Loss from Requisition of Title or Use. Any payments other than insurance proceeds (the application of which is provided for in Section 7.06) received at any time by Company or by Loan Trustee from any government or other Person with respect to an Event of Loss to the Airframe or any Engine, will be applied as follows:

(i) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has been or is being replaced by Company pursuant to Section 7.05(a), such payments shall be paid over to, or retained by, Loan Trustee and upon completion of such replacement shall be paid over to, or retained by, Company;

(ii) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has not been and will not be replaced pursuant to Section 7.05(a), so much of such payments remaining after reimbursement of Loan Trustee for its actual and reasonable out-of-pocket costs and expenses that shall not exceed the amounts required to be paid by Company to Noteholders pursuant to Section 2.10 shall be applied in reduction of Company's obligation to pay such amounts, if not already paid by Company, or, if already paid by Company, shall be applied to reimburse Company for its payment of such amount and the balance, if any, of such payment remaining thereafter will be paid over to, or retained by, Company; and

(iii) if such payments are received with respect to an Engine with regard to which an Event of Loss has occurred, so much of such payments remaining after reimbursement of Loan Trustee for its actual and reasonable out-of-pocket costs and expenses shall be paid over to, or retained by, Company; provided that Company has fully performed its obligations under Section 7.05(b) with respect to the Event of Loss for which such payments are made.

(d) Requisition for Use by the Government of the Airframe and the Engines Installed Thereon. In the event of the requisition for use or hire by any government (it being acknowledged that the use of the Airframe or any Engine pursuant to the CRAF Program does not constitute such a requisition or hire) of the Airframe and the Engines or engines installed on the Airframe that does not constitute an Event of Loss, all of Company's rights and obligations under this Indenture with respect to the Airframe and such Engines shall continue to the same extent as if such requisition or hire had not occurred; provided that, notwithstanding the foregoing, Company's obligations other than payment obligations shall only continue to the extent feasible. All payments received by Company or Loan Trustee from such government for such requisition of the Airframe and Engines or engines shall be paid over to, or retained by, Company.

(e) Requisition for Use by the Government of an Engine not Installed on the Airframe. If any government requisitions the use or hire (it being acknowledged that the use of the Airframe or any Engine pursuant to the CRAF Program does not constitute such a requisition), for a period in excess of sixty (60) days, of any Engine not then installed on the Airframe, Company will replace such Engine by complying with the terms of Section 7.05(b) to the same extent as if an Event of Loss had occurred with respect to such Engine. Upon such replacement, any payments received by Company or Loan Trustee from such government with respect to such requisition shall be paid over to, or retained by, Company.

(f) Application of Payments During Existence of Event of Default. Any amount referred to in Section 7.05 that is payable to or retainable by Company shall not be paid to or retained by Company if at the time of such payment or retention an Event of Default or Payment Default has occurred and is continuing, but shall be held by or paid over to Loan Trustee as security for the obligations of Company under this Indenture and the Participation Agreement. When any such Event of Default or Payment Default ceases, such amount shall be paid to Company.

Section 7.06 Insurance.

(a) Aircraft Liability Insurance.

(i) Except as provided in clause (ii) of this subsection (a), and subject to the rights of Company to establish and maintain self-insurance in the manner and to the extent specified in Section 7.06(c), Company will carry, or cause to be carried, at no expense to Loan Trustee, aircraft liability insurance (including, but not limited to, bodily injury, personal injury and property damage liability, exclusive of manufacturer's product liability insurance) and contractual liability insurance with respect to the Aircraft (A) in amounts per occurrence that are not less than the aircraft liability insurance applicable to similar aircraft and engines in Company's fleet on which Company carries insurance (or, in the case of a lease to a Permitted Lessee, in such Permitted Lessee's fleet on which such Permitted Lessee carries insurance); provided that such liability insurance (including self-insurance specified in Section 7.06(c)) shall not be less than the amount (the Minimum Insurance Amount) certified in the insurance report delivered to Loan Trustee and each Liquidity Provider on the Closing Date, (B) of the type usually carried by corporations engaged in the same or similar business, similarly situated with Company or such Permitted Lessee, as the case may be, and owning or operating similar aircraft and engines and covering risks of the kind customarily insured against by Company or such Permitted Lessee, as the case may be, and (C) that is maintained in effect with insurers of recognized responsibility;

provided that Company will carry, or cause to be carried, at no expense to Loan Trustee, aircraft liability war risk and allied perils insurance if and to the extent the same is maintained by Company or such Permitted Lessee, as the case may be, with respect to other similar aircraft operated by Company or such Permitted Lessee, as the case may be, on the same or similar routes. Any policies of insurance carried in accordance with this Section 7.06(a) and any policies taken out in substitution or replacement for any of such policies shall (A) name Loan Trustee, Subordination Agent, each Pass Through Trustee and each Liquidity Provider as their Interests (as defined below in this Section 7.06) may appear, as additional insureds (the “Additional Insureds”), (B) subject to the conditions of clause (C) below, provide that, in respect of the interests of the Additional Insureds in such policies, the insurance shall not be invalidated by any action or inaction of Company (or any Permitted Lessee) and shall insure the Additional Insureds’ Interests as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by Company (or any Permitted Lessee), (C) provide that, except to the extent not provided for by the war risk and allied perils insurance provider (in which case the last sentence of this Section 7.06(a)(i) applies), if such insurance is canceled for any reason whatsoever, or if any change is made in the policy that materially reduces the amount of insurance or the coverage certified in the insurance report delivered on the Closing Date to Loan Trustee and each Liquidity Provider, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to any Additional Insured for 30 days (seven days, or such other period as is customarily available in the industry, in the case of any war risk or allied perils coverage) after receipt by such Additional Insured of written notice from such insurers of such cancellation, change or lapse, (D) provide that the Additional Insureds shall have no obligation or liability for premiums, commissions, assessments or calls in connection with such insurance, (E) provide that the insurers shall waive any rights of (1) set-off, counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of the Additional Insureds to the extent of any moneys due to the Additional Insureds and (2) subrogation against the Additional Insureds to the extent that Company or, if applicable, such Permitted Lessee has waived its rights by its agreements to indemnify the Additional Insureds pursuant to the Operative Documents or, if applicable, pursuant to the lease to such Permitted Lessee, (F) be primary without right of contribution from any other insurance that may be carried by each Additional Insured with respect to its Interests as such in the Aircraft and (G) expressly provide that all of the provisions thereof, except the limits of liability, shall operate in the same manner as if there were a separate policy covering each insured. “Interests” as used in this Section 7.06(a) and in Section 7.06(b) with respect to any Person means the interests of such Person in the transactions contemplated by the Operative Documents. In the case of a lease or contract with any government in respect of the Aircraft, the Airframe or any

Engine, or in the case of any requisition for use of the Aircraft, the Airframe or any Engine by any government, a valid agreement by such government to indemnify Company, or an insurance policy issued by such government, against any of the risks that Company is required hereunder to insure against shall be considered adequate insurance for purposes of this Section 7.06(a) to the extent of the risks (and in the amounts) that are the subject of such indemnification or insurance. To the extent that the war risk and allied perils insurance provider does not provide for provision of direct notice to each Additional Insured of cancellation, change or lapse in the insurance required hereunder, Company hereby agrees that upon receipt of notice of any thereof from such insurance provider it shall give each Additional Insured immediate notice of each cancellation or lapse of, or material change to, such insurance.

(ii) During any period that the Airframe or an Engine, as the case may be, is on the ground and not in operation, Company may carry or cause to be carried as to such non-operating Airframe or Engine, in lieu of the insurance required by clause (i) above, and subject to self-insurance to the extent permitted by Section 7.06(c), insurance otherwise conforming with the provisions of said clause (i) except that: (A) the amounts of coverage shall not be required to exceed the amounts of airline liability insurance from time to time applicable to airframes or engines owned or leased by Company (or, in the case of a lease to a Permitted Lessee, such Permitted Lessee) of the same type as such non-operating Airframe or Engine and that are on the ground and not in operation and (B) the scope of the risks covered and the type of insurance shall be the same as from time to time shall be applicable to airframes or engines owned or leased by Company (or such Permitted Lessee) of the same type as such non-operating Airframe or Engine and that are on the ground and not in operation.

(b) Insurance Against Loss or Damage to Aircraft.

(i) Except as provided in clause (ii) of this subsection (b), and subject to the rights of Company to establish and maintain self-insurance in the manner and to the extent specified in Section 7.06(c), Company shall maintain, or cause to be maintained, in effect with insurers of recognized responsibility, at no expense to Loan Trustee, all-risk aircraft hull insurance covering the Aircraft and all-risk coverage with respect to any Engines or Parts while removed from the Aircraft (including, without limitation, war risk and allied perils insurance if and to the extent the same is maintained by Company (or, in the case of a lease to a Permitted Lessee, such Permitted Lessee) with respect to other aircraft operated by Company or such Permitted Lessee, as the case may be, on the same or similar routes) that is of the type usually carried by corporations engaged in the same or similar business and similarly situated with Company or such Permitted Lessee, as the case may be; provided that (A) such insurance (including the permitted

self-insurance) shall at all times while the Aircraft is subject to this Indenture be for an amount not less than 110% of the aggregate outstanding principal amount of the Equipment Notes from time to time and (B) such insurance need not cover an Engine while attached to an airframe not owned, leased or operated by Company, provided that such Engine is covered by a separate policy of insurance. Any policies carried in accordance with this Section 7.06(b) and any policies taken out in substitution or replacement for any such policies shall (A) provide that (I) any insurance proceeds up to an amount equal to the outstanding principal amount of the Equipment Notes, together with accrued but unpaid interest thereon, plus an amount equal to the interest that would accrue on the outstanding principal amount of the Equipment Notes at the Debt Rate in effect on the date of payment of such insurance proceeds to Loan Trustee (as provided for in this sentence) during the period commencing on the day following the date of such payment to Loan Trustee and ending on the Loss Payment Date (the sum of such three amounts being the "Loan Amount"), payable for any loss or damage constituting an Event of Loss with respect to the Aircraft, and (II) any insurance proceeds in excess of the Insurance Threshold up to the amount of the Loan Amount for any loss or damage to the Aircraft (or Engines) not constituting an Event of Loss with respect to the Aircraft (or Engines), shall be paid to Loan Trustee as long as this Indenture shall not have been discharged, and that all other amounts shall be payable to Company or such Permitted Lessee, unless the insurer shall have received notice that an Event of Default exists, in which case all insurance proceeds for any loss or damage to the Aircraft (or Engines) up to the amount of the Loan Amount shall be payable to Loan Trustee, (B) subject to the conditions of clause (C) below, provide that, in respect of the interests of the Additional Insureds in such policies, the insurance shall not be invalidated by any action or inaction of Company (or any Permitted Lessee) and shall insure the Additional Insureds' Interests as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by Company (or any Permitted Lessee), (C) provide that, except to the extent not provided by the war risk and allied perils insurance provider, if such insurance is canceled for any reason whatsoever, or if any change is made in the policy that materially reduces the amount of such insurance or the coverage certified in the insurance report delivered on the Closing Date to Loan Trustee and each Liquidity Provider, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to the Additional Insureds for 30 days (seven days, or such other period as is customarily available in the industry, in the case of war risk or allied perils coverage) after receipt by the Additional Insureds of written notice from such insurers of such cancellation, change or lapse, (D) provide that the Additional Insureds shall have no obligation or liability for premiums, commissions, assessments or calls in connection with such insurance, (E) provide that the insurers shall waive rights of (1) set-off, counterclaim or any other deduction, whether by attachment or otherwise, in

respect of any liability of the Additional Insureds to the extent of any moneys due to the Additional Insureds and (2) subrogation against the Additional Insureds to the extent Company or, if applicable, such Permitted Lessee has waived its rights by its agreement to indemnify the Additional Insureds pursuant to the Operative Documents or, if applicable, pursuant to the lease to such Permitted Lessee, and (E) be primary without right of contribution from any other insurance that may be carried by any Additional Insured with respect to its Interests as such in the Aircraft. In the case of a lease or contract with any government in respect of the Aircraft, the Airframe or any Engine, or in the case of any requisition for use of the Aircraft, the Airframe or any Engine by any government, a valid agreement by such government to indemnify Company, or an insurance policy issued by such government, against any risks which Company is required hereunder to insure against shall be considered adequate insurance for purposes of this Section 7.06(b) to the extent of the risks (and in the amounts) that are the subject of such indemnification or insurance. To the extent that the war risk and allied perils insurance provider does not provide for provision of direct notice to each Additional Insured of cancellation, change or lapse in the insurance required hereunder, Company hereby agrees that upon receipt of notice of any thereof from such insurance provider it shall give each Additional Insured immediate notice of each cancellation or lapse of, or material change to, such insurance.

(ii) During any period that the Airframe or an Engine is on the ground and not in operation, Company may carry or cause to be carried as to such non-operating Airframe or Engine, in lieu of the insurance required by clause (i) above, and subject to self-insurance to the extent permitted by Section 7.06(c), insurance otherwise conforming with the provisions of said clause (i) except that the scope of the risks covered and the type of insurance shall be the same as from time to time applicable to airframes or engines owned or leased by Company (or, if a lease to a Permitted Lessee is then in effect, by such Permitted Lessee) of the same type as such non-operating Airframe or Engine and that are on the ground and not in operation; provided that, subject to self-insurance to the extent permitted by Section 7.06(c), Company (or such Permitted Lessee) shall maintain insurance against risk of loss or damage to such non-operating Airframe in an amount at least equal to 110% of the aggregate outstanding principal amount of the Equipment Notes during such period that such Airframe is on the ground and not in operation.

(c) Self-Insurance. Company may from time to time self-insure, by way of deductible, self-insured retention, premium adjustment or franchise or otherwise (including, with respect to insurance maintained pursuant to Section 7.06(a) or Section 7.06(b), insuring for a maximum amount that is less than the amounts set forth in Section 7.06(a) and Section 7.06(b)), the risks required to be insured against pursuant to Section 7.06(a) and Section 7.06(b), but in no case shall the self-insurance with respect to

all of the aircraft and engines in the combined fleet of Company and its Affiliates (including, without limitation, the Aircraft) exceed for any 12-month policy year 1% of the average aggregate insurable value (for the preceding policy year) of all aircraft (including, without limitation, the Aircraft) on which Company and its Affiliates carry insurance, unless Company's independent insurance broker shall certify that the standard among major United States airlines is a higher level of self-insurance, in which case Company may self-insure the Aircraft to such higher level. In addition to the foregoing right to self-insure, Company may self-insure to the extent of (1) any deductible per occurrence that, in the case of the Aircraft, is not in excess of the amount customarily allowed as a deductible in the industry or is required to facilitate claims handling or (2) any applicable mandatory minimum per aircraft (or if applicable per annum or other period) hull or liability insurance deductibles customarily imposed by the aircraft or hull liability insurers in the airline industry. Notwithstanding any provision of this Section 7.06 requiring insurance, in lieu of insurance against any risk with respect to the Aircraft, indemnification from, or insurance provided by, the United States government, or any agency or instrumentality thereof, against such risk in an amount which, when added to the amount of insurance maintained against such risk by Company (or, if a Lease is then in effect, by the Permitted Lessee), shall be at least equal to the amount of insurance against such risk otherwise required by this Section 7.06 (taking into account self-insurance permitted by this Section 7.06(c)) shall be considered adequate insurance for purposes of this Section 7.06.

(d) Application of Insurance Payments. All losses will be adjusted by Company with the insurers. As between Loan Trustee and Company, it is agreed that all insurance payments received under policies required to be maintained by Company hereunder, exclusive of any payments received in excess of the Loan Amount, as the result of the occurrence of an Event of Loss with respect to the Airframe or an Engine will be applied as follows:

(i) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has been or is being replaced by Company pursuant to Section 7.05(a), such payments shall be paid over to, or retained by, Loan Trustee and upon completion of such replacement shall be paid over to, or retained by, Company;

(ii) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has not been and will not be replaced as contemplated by Section 7.05(a), so much of such payments remaining after reimbursement of Loan Trustee for its costs and expenses as shall not exceed the amounts required to be paid by Company pursuant to Section 2.10 hereof shall be applied (A) in reduction of Company's obligation to pay such amounts, if not already paid by Company, or, if already paid by Company, shall be applied to reimburse Company for its payment of such amounts and (B) the balance, if any, of such payment remaining thereafter will be paid over to, or retained by, Company or its designee; and

(iii) if such payments are received with respect to an Engine with regard to which an Event of Loss contemplated by Section 7.05(b) has occurred, so much of such payments remaining after reimbursement of Loan Trustee for its costs and expenses shall be paid over to, or retained by, Company or its designee; provided that Company shall have performed its obligations under Section 7.05(b) with respect to the Event of Loss for which such payments are made.

In all events, (x) the insurance payment of any property damage or loss with respect to property other than the Airframe or any Engine received under policies maintained by Company (or, if a lease to a Permitted Lessee is then in effect, by such Permitted Lessee), and (y) the insurance payment for any loss or damage to the Aircraft in excess of the Loan Amount, shall be paid to Company (or such Permitted Lessee) or its designee.

The insurance payments for any loss or damage to the Airframe or an Engine not constituting an Event of Loss with respect to the Airframe or such Engine will be applied in payment (or to reimburse Company or, if a lease to a Permitted Lessee is then in effect, such Permitted Lessee) for repairs or for replacement property in accordance with the terms of Section 7.02 and Section 7.04, and any balance remaining after compliance with such Sections with respect to such loss or damage shall be paid to Company (or such Permitted Lessee) or its designee. Any amount referred to in the preceding sentence or in clause (i) or (iii) of the second preceding paragraph that is payable to Company shall not be paid to Company (or, if it has been previously paid directly to Company, shall not be retained by Company) if at the time of such payment or retention an Event of Default or Payment Default shall have occurred and be continuing, but, subject to Section 5.06, shall be paid over to or held by Loan Trustee as security for the obligations of Company under this Indenture and the other Operative Documents and shall be invested pursuant to Section 5.06 unless and until such amount is applied, at the option of Loan Trustee, to Company's obligations under this Indenture and the other Operative Documents as and when due, it being understood that any such application shall be made to such obligations of Company as Loan Trustee may determine in its sole discretion. Loan Trustee shall give Company prompt written notice of any such application, but the failure to so notify Company shall not in any way affect the rights of Loan Trustee hereunder. At such time as there shall not be continuing any such Event of Default or Payment Default, such amount shall be paid to Company to the extent not previously applied in accordance with this Section 7.06(d).

(e) Reports, Etc. On or before the Closing Date and annually upon renewal of Company's insurance coverage, Company will furnish (or cause to be furnished) to Loan Trustee and each Liquidity Provider one or more reports signed by a firm of independent aircraft insurance brokers appointed by or with the consent of Company (which firm may be in the regular employ of Company), stating the opinion of such firm that the commercial hull and liability insurance then carried and maintained on the Aircraft complies with the terms hereof; provided that all information contained in such report shall be Confidential Information and shall be treated by Loan Trustee, each Liquidity Provider and each of their affiliates and officers, directors, agents and employees in accordance with the provisions of Section 10.16. Company will use commercially reasonable efforts to cause such firm to agree to advise Loan Trustee and each Liquidity Provider in writing of any act or omission on the part of Company of which such firm has knowledge that might invalidate or render unenforceable, in whole or in part, any insurance on the Aircraft. Company will also use commercially reasonable efforts to cause such firm to advise Loan Trustee and each Liquidity Provider in writing as promptly as practicable after such firm acquires knowledge that an interruption of any insurance carried and maintained on the Aircraft pursuant to this Section 7.06 will occur. Such information may only be provided to other Persons in accordance with Section 10.16.

(f) Salvage Rights. All salvage rights to the Airframe and each Engine shall remain with Company's insurers or the applicable Permitted Lessee's insurers, as the case may be, at all times, and any insurance policies of Loan Trustee insuring the Airframe or any Engine shall provide for a release to Company or such Permitted Lessee, as the case may be, of any and all salvage rights in and to the Airframe or any Engine.

(g) Right to Pay Premium. In the event of cancellation of any insurance required to be maintained hereunder due to the nonpayment of premiums, Loan Trustee shall have the option, in its sole discretion, to pay any such premium in respect to the Aircraft that is due in respect of the coverage pursuant to this Indenture and to maintain such coverage, as Loan Trustee may require, until the scheduled expiry date of such insurance and, in such event, Company shall, upon demand, reimburse Loan Trustee for amounts so paid by it.

(h) Insurance for Own Account. Nothing in this Section 7.06 shall limit or prohibit (i) Company from maintaining the policies of insurance required pursuant to this Section 7.06 with higher limits than those specified herein or (ii) Loan Trustee or Company from obtaining insurance for its own account, and at its sole expense, with respect to the Airframe or any Engine (and any proceeds payable under such insurance shall be payable as provided in the insurance policy relating thereto); provided that no such insurance may be obtained which would limit or otherwise adversely affect the

coverage or amounts payable under, or increase the premiums for, any insurance required to be maintained pursuant to this Section 7.06 or any other insurance maintained by Company (or any Permitted Lessee) with respect to the Aircraft or any other aircraft in Company's (or such Permitted Lessee's) fleet.

ARTICLE VIII

Successor and Additional Trustees

Section 8.01 Resignation or Removal; Appointment of Successor.

(a) The resignation or removal of Loan Trustee and the appointment of a successor Loan Trustee shall become effective only upon the successor Loan Trustee's acceptance of appointment as provided in this Section 8.01. Loan Trustee or any successor thereto must resign if at any time it ceases to be eligible in accordance with the provisions of Section 8.01(c) and may resign at any time without cause by giving at least 60 days' prior written notice to Company and each Noteholder. In addition, either Company (so long as no Event of Default or Payment Default shall have occurred and be continuing) or a Majority in Interest of Noteholders (but only with the consent of Company so long as no Event of Default or Payment Default shall have occurred and be continuing), may at any time remove Loan Trustee without cause by an instrument in writing delivered to Loan Trustee and each Noteholder, and, in case of a removal by a Majority in Interest of Noteholders, to Company. In the case of the resignation or removal of Loan Trustee, Company shall promptly appoint a successor Loan Trustee. If a successor Loan Trustee has not been appointed within 60 days after such notice of resignation or removal, Loan Trustee, Company or any Noteholder may apply to any court of competent jurisdiction to appoint a successor Loan Trustee to act until such time, if any, as a successor is appointed as above provided. The successor Loan Trustee so appointed by such court shall immediately and without further act be superseded by any successor Loan Trustee appointed as above provided.

(b) Any successor Loan Trustee, however appointed, shall execute and deliver to the predecessor Loan Trustee and Company an instrument accepting such appointment and assuming the obligations of Loan Trustee arising from and after the time of such appointment, and thereupon such successor Loan Trustee, without further act, shall become vested with all the estates, properties, rights, powers and duties of the predecessor Loan Trustee in the trust hereunder applicable to it with like effect as if originally named Loan Trustee herein; but nevertheless upon the written request of such successor Loan Trustee, such predecessor Loan Trustee shall execute and deliver an

instrument transferring to such successor Loan Trustee all the estates, properties, rights and powers of such predecessor Loan Trustee, and such predecessor Loan Trustee shall duly assign, transfer, deliver and pay over to such successor Loan Trustee all monies or other property and all other books and records, or true, correct and complete copies thereof, then held by such predecessor Loan Trustee.

(c) This Indenture shall at all times have a Loan Trustee, however appointed, that is a Citizen of the United States (without the use of a voting trust) and a bank or trust company having a combined capital and surplus of at least \$100,000,000 (or a combined capital and surplus in excess of \$5,000,000 and the obligations of which, whether now in existence or hereafter incurred, are fully and unconditionally guaranteed by a corporation organized and doing business under the laws of the United States or any state or territory thereof or the District of Columbia and having a combined capital and surplus of at least \$100,000,000) or a corporation with a net worth of at least \$100,000,000, if there be such an institution willing, able and legally qualified to perform the duties of Loan Trustee upon reasonable or customary terms. If such bank, trust company or corporation publishes reports of conditions at least annually, pursuant to law or to the requirements of federal, state, territorial or District of Columbia supervising or examining authority, then for the purposes of this Section 8.01(c) the combined capital and surplus of such bank, trust company or corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In case at any time Loan Trustee ceases to be eligible in accordance with the provisions of this Section 8.01(c), Loan Trustee shall resign immediately in the manner and with the effect specified in Section 8.01(a).

(d) Any bank, trust company or corporation into which Loan Trustee may be merged or converted or with which it may be consolidated, or any bank, trust company or corporation resulting from any merger, conversion or consolidation to which Loan Trustee is a party, or any bank, trust company or corporation to which substantially all the corporate trust business of Loan Trustee may be transferred, shall, subject to the terms of Section 8.01(c), be a successor Loan Trustee under this Indenture without further act.

Section 8.02 Appointment of Additional and Separate Trustees.

(a) Whenever (i) Company or Loan Trustee deems it necessary or desirable in order to conform to any law of any jurisdiction in which all or any part of the Collateral is situated or to make any claim or bring any suit with respect to or in connection with the Collateral, any Operative Document or any of the transactions contemplated by the Operative Documents, (ii) Loan Trustee shall be advised by counsel satisfactory to it that it is necessary or prudent in the interests of Noteholders (and Loan Trustee shall so advise

Company) or (iii) Loan Trustee has been requested to do so by a Majority in Interest of Noteholders, then in any such case, Loan Trustee and, upon the written request of Loan Trustee, Company, shall execute and deliver an indenture supplemental hereto and such other, instruments as from time to time are necessary or advisable either (1) to constitute one or more banks or trust companies or corporations meeting the requirements of Section 8.01(c) and approved by Loan Trustee, either to act jointly with Loan Trustee as additional trustee or trustees of all or any part of the Collateral or to act as separate trustee or trustees of all or any part of the Collateral, in each case with such rights, powers, duties and obligations consistent with this Indenture as is provided in such supplemental indenture or other instruments as Loan Trustee or a Majority in Interest of Noteholders deems necessary or advisable, or (2) to clarify, add to or subtract from the rights, powers, duties and obligations theretofore granted any such additional or separate trustee, subject in each case to the remaining provisions of this Section 8.02. If no Event of Default has occurred and is continuing, no additional or supplemental trustee shall be appointed without Company's consent. If an Event of Default shall have occurred and be continuing, Loan Trustee may act under the foregoing provisions of this Section 8.02(a) without the concurrence of Company, and, to the extent permitted by applicable law, Company hereby irrevocably appoints (which appointment is coupled with an interest) Loan Trustee as its agent and attorney-in-fact to act for it under the foregoing provisions of this Section 8.02(a). Loan Trustee may, in such capacity, execute, deliver and perform any such supplemental indenture, or any such instrument, as may be required for the appointment of any such additional or separate trustee or for the clarification of, addition to or subtraction from the rights, powers, duties or obligations theretofore granted to any such additional or separate trustee, subject in each case to the remaining provisions of this Section 8.02. In case any additional or separate trustee appointed under this Section 8.02(a) becomes incapable of acting, resigns or is removed, all the assets, property, rights, powers, trusts, duties and obligations of such additional or separate trustee shall revert to Loan Trustee until a successor additional or separate trustee is appointed as provided in this Section 8.02(a).

(b) No additional or separate trustee shall be entitled to exercise any of the rights, powers, duties and obligations conferred upon Loan Trustee in respect of the custody, investment and payment of monies and all monies received by any such additional or separate trustee from or constituting part of the Collateral or otherwise payable under any Operative Documents to Loan Trustee shall be promptly paid over by it to Loan Trustee. All other rights, powers, duties and obligations conferred or imposed upon any additional or separate trustee shall be exercised or performed by Loan Trustee and such additional or separate trustee jointly except to the extent that applicable law of any jurisdiction in which any particular act is to be performed renders Loan Trustee incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations (including the holding of title to all or part of the Collateral in any such jurisdiction) shall be exercised and performed by such additional or separate trustee.

No additional or separate trustee shall take any discretionary action except on the instructions of Loan Trustee or a Majority in Interest of Noteholders. No trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder, except that Loan Trustee shall be liable for the consequences of its lack of reasonable care in selecting, and Loan Trustee's own actions in acting with, any additional or separate trustee. Each additional or separate trustee appointed pursuant to this Section 8.02 shall be subject to, and shall have the benefit of Articles IV, V, VI, VIII, IX and X insofar as they apply to Loan Trustee. The powers of any additional or separate trustee appointed pursuant to this Section 8.02 shall not in any case exceed those of Loan Trustee.

(c) If at any time Loan Trustee deems it no longer necessary or desirable or in the event that Loan Trustee has been requested to do so in writing by a Majority in Interest of Noteholders, Loan Trustee and, upon the written request of Loan Trustee, Company, shall execute and deliver an indenture supplemental hereto and all other instruments and agreements necessary or proper to remove any additional or separate trustee. Loan Trustee may act on behalf of Company under this Section 8.02(c) when and to the extent it could so act under Section 8.02(a). In any case, Company may remove an additional or separate trustee in the manner set forth in Section 8.01.

ARTICLE IX

Amendments and Waivers

Section 9.01 Amendments to this Indenture without Consent of Holders. At any time after the date hereof, Company may and Loan Trustee shall, at Company's request, enter into one or more agreements supplemental hereto and amend the Equipment Notes without notice to or consent of any Noteholder, Indenture Indemnitee, Related Indenture Indemnitee or the Company Guarantee Beneficiary for any of the following purposes: (i) to evidence the succession of another Person to Company and the assumption by any such successor of the covenants of Company contained in any Operative Documents pursuant to Section 6.02(e) of the Participation Agreement; (ii) to cure any defect or inconsistency herein or in the Equipment Notes, or to make any change not inconsistent with the provisions hereof (provided that such change does not adversely affect the interests of any Noteholder, any Indenture Indemnitee, any Related Indenture Indemnitee or the Company Guarantee Beneficiary in its capacity solely as Noteholder, Indenture Indemnitee, Related Indenture Indemnitee or the Company Guarantee Beneficiary, as the case may be); (iii) to cure any ambiguity or correct any mistake; (iv) to evidence the succession of a new trustee hereunder pursuant hereto or the removal of the trustee hereunder or to provide for or facilitate the appointment of an additional or separate

Section 9.02 Amendments to this Indenture with Consent of Holders.

(a) With the written consent of a Majority in Interest of Noteholders, Company may, and Loan Trustee shall, subject to Section 9.06, at any time and from time to time, enter into such supplemental agreements to add any provisions to or to change or eliminate any provisions of this Indenture or of any such supplemental agreements or to modify in any manner the rights and obligations of Company, Loan Trustee and Noteholders under this Indenture; provided that, without the consent of each Noteholder affected thereby, an amendment under this Section 9.02 may not:

- (1) reduce the principal amount of, Make-Whole Amount, if any, or interest on, any Equipment Note;
- (2) change the date on which any principal amount of, Make-Whole Amount, if any, or interest on any Equipment Note, is due or payable;

(3) create any Lien with respect to the Collateral prior to or *pari passu* with the Lien thereon under this Indenture except such as are permitted by this Indenture, or deprive any Noteholder of the benefit of the Lien on the Collateral created by this Indenture, except as provided in connection with the exercise of remedies under Article IV; provided that, without the consent of each holder of an affected Related Equipment Note then outstanding and the Company Guarantee Beneficiary, no such amendment, waiver or modification of terms of, or consent under, any thereof shall modify Section 3.03 or this clause (3) or deprive any Related Noteholder or the Company Guarantee Beneficiary of the benefit of the Lien of this Indenture on the Collateral, except as provided in connection with the exercise of remedies under Article IV;

(4) reduce the percentage of the outstanding principal amount of the Equipment Notes the consent of whose holders is required for any such supplemental agreement, or the consent of whose holders is required for any waiver of compliance with certain provisions of this Indenture or of certain defaults hereunder or their consequences provided for in this Indenture; or

(5) make any change in Section 4.05 or this Section 9.02, except to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of each Noteholder affected thereby.

Notwithstanding the foregoing, neither Company nor Loan Trustee shall enter into any amendment, waiver or modification of, or supplement or consent to, this Indenture or any other Operative Document other than the Participation Agreement (which is addressed in Section 9.03) which shall reduce, modify or amend any indemnities in favor of any Liquidity Provider without the consent of such Liquidity Provider that is subject to such reduction, modification or amendment.

(b) It is not necessary under this Section 9.02 for Noteholders to consent to the particular form of any proposed supplemental agreement, but it is sufficient if they consent to the substance thereof.

(c) Promptly after the execution by Company and Loan Trustee of any supplemental agreement pursuant to the provisions of this Section 9.02, Loan Trustee shall transmit by first-class mail or by hand delivery a notice, setting forth in general terms the substance of such supplemental agreement, to all Noteholders, as the names and addresses of such Noteholders appear on the Equipment Note Register. Any failure of Loan Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental agreement.

Section 9.03 Amendments, Waivers, Etc. of the Participation Agreement or any Guarantee. Without the consent of a Majority in Interest of Noteholders, the respective parties to the Participation Agreement may not modify, amend or supplement such agreement, or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder; provided that, without the consent of Loan Trustee, any Noteholder, any other Indenture Indemnitee, any Related Indenture Indemnitee or the Company Guarantee Beneficiary, the Participation Agreement and/or any Guarantee may be modified, amended or supplemented in order (i) to cure any defect or inconsistency therein or to cure any ambiguity or correct any mistake, (ii) to amend, modify or supplement any provision thereof or make any other provision with respect to matters or questions arising thereunder or under this Indenture (provided that the making of any such other provision shall not materially adversely affect the interests of Noteholders), (iii) to make any other change, or reflect any other matter, of the kind referred to in clauses (i) through (xiv) of Section 9.01 or (iv) in the case of any Guarantee (other than the Company Guarantee), to add Company's payment obligations under Series B Equipment Notes (and Related Series B Equipment Notes), if issued after the Closing Date, or Additional Series Equipment Notes (and Related Additional Series Equipment Notes), if any, to the "Guaranteed Obligations" under such Guarantee. Notwithstanding the foregoing, without the consent of any Liquidity Provider, Company shall not enter into any amendment, waiver or modification of or supplement or consent to the Participation Agreement which shall reduce, modify or amend any indemnities in favor of such Liquidity Provider contained therein.

Section 9.04 Revocation and Effect of Consents. Until an amendment or waiver becomes effective, a consent to it by a Noteholder is a continuing consent by Noteholder and every subsequent Noteholder, even if notation of the consent is not made on any Equipment Note.

Section 9.05 Notation on or Exchange of Equipment Notes. Loan Trustee may place an appropriate notation about an amendment or waiver on any Equipment Note thereafter executed. Loan Trustee in exchange for such Equipment Notes may execute new Equipment Notes that reflect the amendment or waiver.

Section 9.06 Trustee Protected. If, in the reasonable opinion of the institution acting as Loan Trustee, any document required to be executed by it pursuant to the terms of Section 9.01 or 9.02 adversely affects any right, duty, immunity or indemnity with respect to such institution under this Indenture, such institution may in its discretion decline to execute such document.

Section 9.07 No Consent of Individual Indenture Indemnites Required. Notwithstanding anything in this Indenture or any other Operative Document to the contrary, when any provision hereof or thereof would otherwise require a consent of an Indenture Indemnatee, such provision shall always be construed to require only the consent of an Indenture Indemnatee other than any Indenture Indemnatee covered by clause (vii) of the definition of “Indenture Indemnites”.

REPRESENTATIONS, WARRANTIES AND INDEMNITIES OF COMPANY

Section 4.01. Representations and Warranties of Company. Company represents and warrants that:

(a) Organization; Authority; Qualification. Company is a corporation duly incorporated and validly existing in good standing under the laws of the State of Alaska, is a Certificated Air Carrier, is a Citizen of the United States, has the corporate power and authority to own its properties or hold them under lease and to enter into and perform its obligations under the Operative Documents to which it is a party and is duly qualified to do business as a foreign corporation in good standing in each other jurisdiction in which the failure to so qualify would have a material adverse effect on the consolidated financial condition of Company and its subsidiaries, considered as a whole, and its jurisdiction of organization (as such term is used in Article 9 of the Uniform Commercial Code as in effect in the State of Alaska) is Alaska.

(b) Corporate Action and Authorization; No Violations. The execution, delivery and performance by Company of this Agreement and the other Operative Documents to which Company is a party have been duly authorized by all necessary corporate action on the part of Company, do not require any stockholder approval or approval or consent of any trustee or holder of any indebtedness or obligations of Company, except such as have been duly obtained and are in full force and effect, and do not contravene any law, governmental rule, regulation, judgment or order binding on Company or the certificate of incorporation or by-laws of Company or contravene or result in a breach of, or constitute a default under, or result in the creation of any Lien (other than as permitted under the Indenture) upon the property of Company under, any material indenture, mortgage, contract or other agreement to which Company is a party or by which it or any of its properties may be bound or affected.

(c) Governmental Approvals. Neither the execution and delivery by Company of this Agreement and the other Operative Documents to which it is a party, nor the consummation by Company of any of the transactions contemplated hereby or thereby, requires the authorization, consent or approval of, the giving of notice to, the filing or registration with or the taking of any other action in respect of, the Department of Transportation, the FAA or any other federal or state governmental authority or agency, or the International Registry, except for (i) the registration of the issuance and sale of the Pass Through Certificates under the Securities Act and under the securities laws of any state or other jurisdiction in which the Pass Through Certificates may be offered for sale if the laws of such state or other jurisdiction require such action, (ii) the qualification of the Pass Through Trust Agreements under the Trust Indenture Act, (iii) the orders, permits, waivers, exemptions, authorizations and approvals of the regulatory authorities having jurisdiction over Company's ownership or operation of the Aircraft required to be obtained on or prior to the Closing Date, which orders, permits, waivers, exemptions, authorizations and approvals have been duly obtained and are, or on the Closing Date will be, in full force and effect, (iv) the filings and registrations referred to in Section 4.01(e), (v) authorizations, consents, approvals, notices and filings required to be obtained, taken, given or made under securities or Blue Sky or similar laws of the various states and foreign jurisdictions and (vi) consents, approvals, notices, registrations and other actions required to be obtained, given, made or taken only after the date hereof.

(d) Valid and Binding Agreements. This Agreement and each other Operative Document to which Company is a party have been duly executed and delivered by Company and constitute the legal, valid and binding obligations of Company enforceable against Company in accordance with their terms, except as the same may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the rights of creditors generally and by general principles of equity and except, in the case of the Indenture, as limited by applicable laws that may affect the remedies provided in the Indenture, which laws, however, do not make the remedies provided in the Indenture inadequate for the practical realization of the rights and benefits intended to be provided thereby.

(e) Filings and Recordation. Except for (i) the filing for recordation pursuant to the Transportation Code of the Indenture (with the Indenture Supplement covering the Aircraft attached), (ii) with respect to the security interests created by such documents, the filing of financing statements (and continuation statements at periodic intervals) under the Uniform Commercial Code of Alaska, and (iii) the registration on the International Registry of the International Interests (or Prospective International Interests) created under the Indenture (as supplemented by the Indenture Supplement covering the Aircraft), no further filing or recording of any document is necessary under the laws of the United States or any state thereof as of the Closing Date in order to establish and perfect the security interest in the Aircraft created under the Indenture in favor of Loan Trustee as against Company and any third parties in any applicable jurisdiction in the United States.

(f) Investment Company Act. Company is not required to be registered as an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

(g) Title. As of the Closing Date, (i) Company has good title to the Aircraft, free and clear of Liens other than Permitted Liens, (ii) the Aircraft has been duly certified (or shall be in the process of being so duly certified) by the FAA (subject only to Company’s receipt of the applicable certificate from FAA) as to type and airworthiness in accordance with the terms of the Indenture, (iii) the Indenture (with the Indenture Supplement covering the Aircraft attached) has been duly filed for recordation (or shall be in the process of being so duly filed for recordation) with the FAA pursuant to the Transportation Code, (iv) the Aircraft is duly registered (or shall be in the process of being so duly registered) with the FAA in the name of Company, and (v) the registration of the International Interests (or Prospective International Interests) created under the Indenture (as supplemented by the Indenture Supplement with respect to the Aircraft) shall have been effected (or shall be in the process of being so effected) on the International Registry in accordance with the Cape Town Treaty.

(h) Section 1110. Loan Trustee is entitled to the benefits of Section 1110 with respect to the Aircraft being subjected to the Lien of the Indenture on the Closing Date.

(i) Security Interest. The Indenture creates in favor of Loan Trustee, for the benefit of Noteholders, Indenture Indemnitees, Related Indenture Indemnitees and the Company Guarantee Beneficiary, a valid and (subject to the filings and registrations referred to in Section 4.01(e)) perfected Lien on the Aircraft purported to be subjected to the Lien of the Indenture on the Closing Date, subject to no equal or prior Lien, except Permitted Liens.

(j) Licenses, Permits and Franchises. Company holds all licenses, permits and franchises from the appropriate government entities necessary to authorize Company lawfully to engage in air transportation and to carry on scheduled commercial passenger service as currently conducted, except where the failure to so hold any such license, permit or franchise would not have a material adverse effect on the financial condition or operations of Company and its consolidated subsidiaries, taken as a whole.

Section 4.02. General Indemnity. (a) Claims Defined. For the purposes of this Section 4.02, “Claims” means any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs or expenses of whatsoever kind and nature (whether or not on the basis of negligence, strict or absolute liability or liability in tort) that may be imposed on, incurred by, suffered by or asserted against an Indemnitee, as defined below, and, except as otherwise expressly provided in this Section 4.02, includes all reasonable out-of-pocket costs, disbursements and expenses (including reasonable out-of-pocket legal fees and expenses) actually incurred by an Indemnitee in connection therewith or related thereto.

(b) Indemnitee Defined. For the purposes of this Section 4.02, “Indemnitee” means (i) U.S. Bank and Loan Trustee, (ii) each separate or additional trustee appointed pursuant to Section 8.02 of the Indenture, (iii) so long as it holds any Equipment Notes as agent and trustee of any Pass Through Trustee, Subordination Agent (iv) so long as it is the holder of any Equipment Notes, each Pass Through Trustee, (v) each Liquidity Provider, (vi) any Related Noteholder, (vii) the Company Guarantee Beneficiary and (viii) each of their respective successors and permitted assigns in such capacities, agents, servants, officers, employees and directors (the respective agents, servants, officers, employees and directors of each of the foregoing Indemnitees, as applicable, together with such Indemnitee, collectively the “Related Indemnitee Group” of such Indemnitee); provided that such Persons, to the extent they are not signatories to this Agreement, have expressly agreed in writing to be bound by the terms of this Section 4.02 prior to, or concurrently with, the making of a Claim. If any Indemnitee fails to comply with any duty or obligation under this Section 4.02 with respect to any Claim, such Indemnitee shall not be entitled to any indemnity with respect to such Claim under this Section 4.02 to the extent such failure was prejudicial to Company. No holder of a Pass Through Certificate in its capacity as such holder shall be an Indemnitee.

(c) Claims Indemnified. Subject to the exclusions stated in Section 4.02(d), Company agrees to indemnify, protect, defend and hold harmless on an After-Tax Basis each Indemnitee against Claims resulting from or arising out of the sale, purchase, acceptance, non-acceptance or rejection of the Aircraft under the Purchase Agreement or the ownership, possession, use, non-use, substitution, airworthiness, control, maintenance, repair, operation, registration, re-registration, condition, sale, lease, sublease, storage, modification, alteration, return, transfer or other disposition of the Aircraft, the Airframe, any Engine or any Part (including, without limitation, latent or other defects, whether or not discoverable, and any claim for patent, trademark or copyright infringement) by Company, any Permitted Lessee or any other Person. Without limiting the foregoing and subject to, and without duplication of, the provisions of Section 6.01(a), Company agrees to pay the reasonable ongoing fees, and the reasonable out-of-pocket costs and expenses actually incurred (including, without limitation, reasonable attorney's fees and disbursements actually incurred and, to the extent payable as provided in the Indenture, reasonable compensation and expenses of Loan Trustee's agents actually incurred), of Loan Trustee in connection with the transactions contemplated hereby.

(d) Claims Excluded. The following are excluded from Company's agreement to indemnify an Indemnitee under this Section 4.02:

(i) any Claim to the extent such Claim is attributable to acts or events occurring after (A) the Lien of the Indenture has been discharged, or (B) the transfer of possession of the Aircraft pursuant to Article IV of the Indenture except to the extent that such Claim is attributable to acts occurring in connection with the exercise of remedies pursuant to Section 4.02 of the Indenture following the occurrence and continuance of an Event of Default;

(ii) any Claim to the extent such Claim is, or is attributable to, a Tax (or loss of any Tax benefit), except with respect to paying indemnity amounts on an After-Tax Basis;

(iii) any Claim to the extent such Claim is attributable to the negligence or willful misconduct of such Indemnitee or such Indemnitee's Related Indemnitee Group;

(iv) any Claim to the extent such Claim is attributable to the noncompliance by such Indemnitee or such Indemnitee's Related Indemnitee Group with any of the terms of, or any misrepresentation by an Indemnitee or its Related Indemnitee Group contained in, this Agreement, any other Operative Document or any Pass Through Document to which such Indemnitee or any of such Related Indemnitee Group is a party or any agreement relating hereto or thereto;

(v) any Claim to the extent such Claim constitutes a Lien attributable to such Indemnitee;

(vi) any Claim to the extent such Claim is attributable to the offer, sale, assignment, transfer, participation or other disposition (whether voluntary or involuntary) by or on behalf of such Indemnitee or its Related Indemnitee Group (other than during the occurrence and continuance of an Event of Default; provided that any such offer, sale, assignment, transfer, participation or other disposition during the occurrence and continuation of an Event of Default shall not be subject to indemnification unless it is made in accordance with the Indenture and applicable law) of any Equipment Note or interest therein or Pass Through Certificate, all or any part of such Indemnitee's interest in the Operative Documents or the Pass Through Documents, or any interest in the Collateral or any similar security;

(vii) any Claim to the extent such Claim is attributable to (A) a failure on the part of Loan Trustee to distribute in accordance with this Agreement or any other Operative Document any amounts received and distributable by it hereunder or thereunder, (B) a failure on the part of Subordination Agent to distribute in accordance with the Intercreditor Agreement any amounts received and distributable by it thereunder or (C) a failure on the part of any Pass Through Trustee to distribute in accordance with the Pass Through Trust Agreement to which it is a party any amounts received and distributable by it thereunder;

(viii) any Claim to the extent such Claim is attributable to the authorization or giving or withholding of any future amendments, supplements, waivers or consents with respect to any Operative Document or any Pass Through Document, other than such as have been requested by Company or that occur as the result of an Event of Default, or such as are expressly required or contemplated by the provisions of the Operative Documents or the Pass Through Documents;

(ix) any Claim to the extent such Claim is payable or borne by (A) Company pursuant to any indemnification, compensation or reimbursement provision of any other Operative Document or any Pass Through Document or (B) a Person other than Company pursuant to any provision of any Operative Document or any Pass Through Document;

(x) any Claim to the extent such Claim is an ordinary and usual operating or overhead expense or not an out-of-pocket expense actually incurred;

(xi) any Claim to the extent such Claim is incurred on account of or asserted as a result of (A) any “prohibited transaction” within the meaning of Section 406 of ERISA or Section 4975 of the Code or any foreign, federal, state or local law which is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code (“Similar Law”) or (B) any breach of fiduciary duty under ERISA;

(xii) any Claim to the extent such Claim is attributable to one or more of the other aircraft financed through the offering of Pass Through Certificates (in the event of doubt, any Claim shall be allocated between the Aircraft and such other aircraft in the same proportion that the then outstanding Equipment Notes bear to the then outstanding equipment notes issued with respect to the other aircraft and held by Pass Through Trustees);

(xiii) any Claim to the extent such Claim is attributable to any amount which any Indemnitee expressly agrees shall not be paid by, borne by, or reimbursed by Company;

(xiv) any Claim by an Indemnitee related to the status of such Indemnitee as a passenger or shipper on any of Company’s aircraft or as a party to a marketing or promotional or other commercial agreement with Company unrelated to the transactions contemplated by the Operative Documents; and

(xv) any Claim to the extent such Claim is attributable to the offer or sale by an Indemnitee (or any member of such Indemnitee’s Related Indemnitee Group) of any interest in the Aircraft, the Equipment Notes, the Pass Through Certificates, or any similar interest, in violation of the Securities Act or other applicable federal, state or foreign securities laws (other than any thereof caused by acts or omissions of Company or any of its affiliates).

(e) Insured Claims. In the case of any Claim indemnified by Company hereunder that is covered by a policy of insurance maintained by Company, each Indemnitee agrees to cooperate, at Company’s expense, with the insurers in the exercise of their rights to investigate, defend and compromise such Claim.

(f) **Claims Procedure.** An Indemnitee shall promptly notify Company of any Claim as to which indemnification is sought. The failure to provide such prompt notice shall not release Company from any of its obligations to indemnify hereunder except to the extent that Company is prejudiced by such failure or Company's indemnification obligations are increased as a result of such failure (in which event Company shall not be responsible for such additional indemnification obligations). Such Indemnitee shall promptly submit to Company all additional information in such Indemnitee's possession to substantiate such Claim as Company reasonably requests. Subject to the rights of Company's insurers, Company may, at its sole cost and expense, investigate any Claim, and may in its sole discretion defend or compromise any Claim. At Company's expense, any Indemnitee shall cooperate with all reasonable requests of Company in connection therewith. Such Indemnitee shall not enter into a settlement or other compromise with respect to any Claim without the prior written consent of Company, which consent shall not be unreasonably withheld or delayed, unless such Indemnitee waives its right to be indemnified with respect to such Claim. Where Company or its insurers undertake the defense of an Indemnitee with respect to a Claim, no additional legal fees or expenses of such Indemnitee in connection with the defense of such Claim shall be indemnified hereunder unless such fees or expenses were incurred at the written request of Company or such insurers. Subject to the requirements of any policy of insurance, an Indemnitee may participate at its own expense in any judicial proceeding controlled by Company pursuant to the preceding provisions; provided that such party's participation does not, in the opinion of outside counsel appointed by Company or its insurers to conduct such proceedings, interfere with such control. Such participation shall not constitute a waiver of the indemnification provided in this Section 4.02. Notwithstanding anything to the contrary contained herein, Company shall not under any circumstances be liable for the fees and expenses of more than one counsel for all Indemnitees with respect to any one Claim. Notwithstanding anything to the contrary contained herein, an Indemnitee shall not under any circumstances be required or deemed to be required to contest any Claim or to assume responsibility for or control of any judicial proceeding with respect thereto. Company will provide the relevant Indemnitee with such information not within the control of such Indemnitee, as is in Company's control or is reasonably available to Company, which such Indemnitee may reasonably request and will otherwise cooperate with such Indemnitee so as to enable such Indemnitee to fulfill its obligations under this Section. If an Indemnitee is not a party to this Agreement, Company may require such Indemnitee to agree in writing to the terms of this Section 4.02 and Section 7.10 of this Agreement prior to making any payment to such Indemnitee under this Section 4.02.

(g) Subrogation. To the extent that a Claim is in fact paid in full by Company or its insurer, Company or such insurer (as the case may be) shall, without any further action, be subrogated to the rights and remedies of the Indemnatee on whose behalf such Claim was paid with respect to the transaction or event giving rise to such Claim. Such Indemnatee shall give such further assurances or agreements and shall cooperate with Company or such insurer, as the case may be, to permit Company or such insurer to pursue such rights and remedies, if any, to the extent reasonably requested by Company. So long as no Event of Default has occurred and is continuing, if an Indemnatee receives any payment, in whole or in part, from any party other than Company or its insurers with respect to any Claim paid by Company or its insurers, it shall promptly pay over to Company the amount received (but not an amount in excess of the amount Company or any of its insurers has paid in respect of such Claim). Any amount referred to in the preceding sentence that is payable to Company shall not be paid to Company, or, if it has been previously paid directly to Company, shall not be retained by Company, if at the time of such payment an Event of Default has occurred and is continuing, but shall be paid to and held by Loan Trustee as security for the obligations of Company under the Operative Documents. If Company agrees, such amount payable shall be applied against Company's obligations thereunder when and as they become due and payable. At such time as such Event of Default is no longer continuing, such amount, to the extent not previously so applied against Company's obligations, shall be paid to Company.

(h) No Guaranty. Nothing set forth in this Section 4.02 constitutes a guarantee by Company that the Aircraft at any time will have any particular value, useful life or residual value.

(i) Payments; Interest. Any amount payable to any Indemnatee on account of a Claim shall be paid within 30 days after receipt by Company of a written demand therefor from such Indemnatee accompanied by a written statement describing in reasonable detail the Claims that are the subject of and basis for such indemnity and the computation of the amount payable. Any payments made pursuant to this Section 4.02 directly to an Indemnatee or to Company, as the case may be, shall be made in immediately available funds at such bank or to such account as is specified by the payee in written directions to the payor or, if no such directions are given, by check of the payor payable to the order of the payee and mailed to the payee by certified mail, return receipt requested, postage prepaid to its address referred to in Section 7.01. To the extent permitted by applicable law, interest at the Past Due Rate shall be paid, on demand, on any amount or indemnity not paid when due pursuant to this Section 4.02 until the same is paid. Such interest shall be paid in the same manner as the unpaid amount in respect of which such interest is due.

(j) Tax Deduction or Credit. If, by reason of any payment made to or for the account of any Indemnitee by Company, or by reason of any Claim of any Indemnitee paid or indemnified against by Company, in each case pursuant to Section 4.02, such Indemnitee realizes a Tax deduction or credit not previously taken into account in computing such payment, such Indemnitee shall promptly pay to Company an amount equal to the sum of (i) the actual reduction in Taxes realized by such Indemnitee which is attributable to such deduction or credit, and (ii) the actual reduction in Taxes realized by such Indemnitee as a result of any payment made by such Indemnitee pursuant to this sentence; provided that the amount payable by such Indemnitee pursuant to this sentence shall not exceed the sum of all amounts previously paid by Company to such Indemnitee pursuant to this Section 4.02; provided, further, that any such excess shall be carried forward and applied to reduce *pro tanto* any subsequent obligations of Company to make payments to such Indemnitee pursuant to Section 4.02. If such Tax deduction or credit is subsequently disallowed or lost, upon written notice from the Indemnitee Company shall promptly repay all amounts paid to it pursuant to this Section 4.02(j) in respect of such disallowed or lost deduction or credit. If, at the time an amount would otherwise be payable to Company under this Section 4.02(j), any Event of Default shall have occurred and be continuing, such amount shall be held by the relevant Indemnitee as security for the obligations of Company under the Operative Documents. At such time as no Event of Default is continuing, such amount or portion thereof shall be applied to offset Company's outstanding obligations under the Operative Documents and any remaining amount after such application shall be paid to Company.

(e) No Loan Trustee Liens or Other Party Liens. It unconditionally agrees with and for the benefit of the parties to this Agreement that it will not directly or indirectly create, incur, assume or suffer to exist any Loan Trustee Lien or Other Party Lien attributable to it, and it agrees that it will, at its own cost and expense, promptly take such action as may be necessary to discharge and satisfy in full any such Lien.

(ii) all reasonable expenses actually incurred in connection with printing and document production or reproduction expenses, and in connection with the filing of Uniform Commercial Code financing statements.

(b) Continuing Registration and Re-Registration. Loan Trustee, Noteholders, Subordination Agent and each Pass Through Trustee agree to execute and deliver, at Company's expense, all such documents and consents as Company reasonably requests for the purpose of continuing the registration of the Aircraft at the FAA in Company's name or for the purpose of registering or maintaining any registration on the International Registry in respect of the Aircraft. In addition, each of Loan Trustee, Subordination Agent, each Pass Through Trustee and any other Noteholder agrees, for the benefit of Company, to cooperate with Company in effecting any foreign registration of the Aircraft pursuant to Section 7.02(e) of the Indenture; provided that prior to any such change in the country of registry of the Aircraft the conditions set forth in Section 7.02(e) of the Indenture are met to the reasonable satisfaction of, or waived by, Loan Trustee.

(c) Quiet Enjoyment. Each of U.S. Bank, Loan Trustee, Subordination Agent, each Pass Through Trustee, any other Noteholder, Class A Liquidity Provider (by having entered into the Class A Liquidity Facility) and Class B Liquidity Provider (by having entered into the Class B Liquidity Facility) agrees that, unless an Event of Default shall have occurred and be continuing, it shall not (and shall not permit any Affiliate or other Person claiming by, through or under it to) take any action contrary to, or otherwise in any way interfere with or disturb (and then only in accordance with the Indenture), the quiet enjoyment of the use and possession of the Aircraft, the Airframe, any Engine or any Part by Company or any transferee of any interest in any thereof permitted under the Indenture.

(d) No Noteholder Liens. Each Noteholder, including, without limitation, Subordination Agent and each Pass Through Trustee, unconditionally agrees with and for the benefit of the parties to this Agreement that it will not directly or indirectly create, incur, assume or suffer to exist any Noteholder Liens, and such Noteholder agrees that it will, at its own cost and expense, promptly take such action as may be necessary to discharge and satisfy in full any such Noteholder Lien; and each Noteholder hereby agrees to indemnify, protect, defend and hold harmless each Indemnitee and Company against claims in any way resulting from or arising out of a breach by it of its obligations under this Section 6.01(d).

(e) Agreement to be Bound; Transfer. By its acceptance of its Equipment Notes, each Noteholder unconditionally agrees for the benefit of Company and Loan Trustee: (i) to be bound by and to perform and comply with all of the terms of such Equipment Notes, the Indenture and this Agreement applicable to such Noteholder and (ii) that it will not transfer any Equipment Note (or any part thereof) to any entity unless such transfer complies with and does not violate the Transportation Code, the Securities Act (or require registration under such Act) or any other law (including, without limitation, ERISA, the Code and Similar Law), and does not create a relationship that would be in violation thereof, or result in a “prohibited transaction” under Section 406 of ERISA, Section 4975 of the Code or Similar Law or require qualification of an indenture under the Trust Indenture Act.

(f) Tax Returns. Each Pass Through Trustee shall file any Tax returns required to be filed by the related Pass Through Trust and Company shall pay the Applicable Portion of any expenses relating thereto. Company shall be responsible for the Applicable Portion of any interest or penalties related to any Pass Through Trustee’s failure to file any such Tax returns required to be filed by the relevant Pass Through Trust, except to the extent that such failure is attributable to the gross negligence or willful misconduct of such Pass Through Trustee. For purposes of this Section 6.01(f), the “Applicable Portion” of any amount shall equal such amount multiplied by a fraction, the numerator of which shall be the sum of the then outstanding aggregate principal amount of the Equipment Notes held by the relevant Pass Through Trustee, and the denominator of which shall be the sum of the outstanding aggregate principal amount of all “Equipment Notes” issued under each of the “Indentures” (in each case as defined in the Intercreditor Agreement) held by such Pass Through Trustee.

(g) No Petition. Each of Company, Loan Trustee, each Pass Through Trustee, Subordination Agent and any other Noteholder covenants that (i) until one year and one day after the Series A Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing the Class A Pass Through Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against the Class A Pass Through Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of the Class A Pass Through Trust or any substantial part of its property or ordering the winding-up or liquidation of the affairs of the Class A Pass Through Trust, (ii) if any Series B Equipment Notes shall have been issued, until one year and one day after such Series B Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing the Class B Pass Through Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against such Class B Pass Through Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of such Class B Pass Through Trust or any substantial part of its property or ordering the winding-up or liquidation of the affairs of such Class B Pass Through Trust, and (iii) if any Additional Series Equipment Notes of any Series shall have been issued, until one year and one day after such Additional Series Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing the related Additional Series Pass Through Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against such Additional Series Pass Through Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of such Additional Series Pass Through Trust or any substantial part of its property or ordering the winding-up or liquidation of the affairs of such Additional Series Pass Through Trust.

Section 6.02. Certain Covenants of Company. Company covenants and agrees with Loan Trustee as follows:

(a) Further Assurances. On and after the Closing, Company will cause to be done, executed, acknowledged and delivered such further acts, conveyances and assurances as Loan Trustee reasonably requests for accomplishing the purposes of this Agreement and the other Operative Documents; provided that any instrument or other document so executed by Company will not expand any obligations or limit any rights of Company in respect of the transactions contemplated by the Operative Documents.

(b) Filing and Recordation of the Indenture; Registration of International Interests. Company, at its expense, will cause the Indenture (with the Indenture Supplement covering the Aircraft attached) to be promptly filed and recorded, or filed for recording, with the FAA to the extent permitted under the Transportation Code and the rules and regulations of the FAA thereunder. In addition, on or prior to the Closing Date, Company will cause the registration of the International Interests (or Prospective International Interests) created under the Indenture (as supplemented by the Indenture Supplement with respect to the Aircraft) to be effected (or shall be in the process of being so effected) on the International Registry in accordance with the Cape Town Treaty, and shall, as and to the extent applicable, consent to such registration upon the issuance of a request for such consent by the International Registry.

(c) Maintenance of Filings. Company, at its expense, will take, or cause to be taken, such action with respect to the recording, filing, re-recording and refiling of the Indenture and any financing statements or other instruments as are necessary to maintain, so long as the Indenture is in effect, the perfection of the security interests created by the Indenture or will furnish Loan Trustee timely notice of the necessity of such action, together with such instruments, in execution form, and such other information as may be required to enable Loan Trustee to take such action. In addition, Company will pay any and all recording, stamp and other similar Taxes payable in the United States, and in any other jurisdiction where the Aircraft is registered, in connection with the execution, delivery, recording, filing, re-recording and refiling of the Indenture or any such financing statements or other instruments. Company will notify Loan Trustee of any change in its jurisdiction of organization (as such term is used in Article 9 of the Uniform Commercial Code as in effect in the State of Alaska) promptly after making such change or in any event within the period of time necessary under applicable law to prevent the lapse of perfection (absent refiling) of financing statements filed under the Operative Documents.

(d) Maintenance of Corporate Existence. Company shall at all times maintain its corporate existence except as permitted by Section 6.02(e).

(e) Merger; Consolidation; Transfer of Substantially All Assets. Company shall not consolidate with or merge into any other Person or convey, transfer or lease substantially all of its assets as an entirety to any Person, unless:

(i) the successor or transferee entity shall, if and to the extent required under Section 1110 in order that Loan Trustee continues to be entitled to any benefits of Section 1110 with respect to the Aircraft, be a Citizen of the United States and a Certificated Air Carrier and shall execute and deliver to Loan Trustee an agreement containing the express assumption by such successor or transferee entity of the due and punctual performance and observance of each covenant and condition of the Operative Documents to which Company is a party to be performed or observed by Company;

(ii) if the Aircraft is, at the time, registered with the FAA or such Person is located in a “Contracting State” (as such term is used in the Cape Town Treaty), such Person makes such filings and recordings with the FAA pursuant to the Transportation Code and registration under the Cape Town Treaty, or if the Aircraft is, at the time, not registered with the FAA, such Person makes such filings and recordings with the applicable aviation authority, as are necessary to evidence such consolidation, merger, conveyance, transfer or lease;

(iii) immediately after giving effect to such transaction, no Event of Default shall have occurred and be continuing; and

(iv) Company shall deliver to Loan Trustee and each Liquidity Provider a certificate signed by a Responsible Officer of Company stating that such consolidation, merger, conveyance, transfer or lease and the assumption agreement mentioned in clause (i) above comply with this Section 6.02(e) and that all conditions precedent herein relating to such transaction have been complied with.

Upon any consolidation or merger, or any conveyance, transfer or lease of substantially all of the assets of Company as an entirety in accordance with this Section 6.02(e), the successor Person formed by such consolidation or into which Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, Company under this Agreement and the other Operative Documents with the same effect as if such successor Person had been named as Company herein.

(f) Section 1110. Company shall remain a Certificated Air Carrier for as long as and to the extent required under Section 1110 in order that Loan Trustee shall be entitled to any of the benefits of Section 1110 with respect to the Aircraft.

(g) Additional Information. Promptly after the occurrence of a Triggering Event or an Indenture Event of Default resulting from the failure of Company to make payments on any Equipment Note and on every Regular Distribution Date while the Triggering Event or such Indenture Event of Default shall be continuing, Company will, at the Subordination Agent's request from time to time but in any event no more frequently than once every three months, provide to the Subordination Agent a statement setting forth the following information with respect to the Aircraft if then subject to the lien of the Indenture: (A) whether the Aircraft is currently in service or parked in storage, (B) the maintenance status of the Aircraft, and (C) the location of the Engines. As used in this Section 6.02(g), the terms "Triggering Event", "Indenture Event of Default" and "Regular Distribution Date" shall have the respective meanings set forth in the Intercreditor Agreement.

Section 7.07. Successors and Assigns. All covenants, agreements, representations and warranties in this Agreement by Company, by U.S. Bank, individually or as Loan Trustee, Subordination Agent or Pass Through Trustee, or by any Noteholder, shall bind and inure to the benefit of and be enforceable by Company, and subject to the terms of Section 6.02(e), its successors and permitted assigns, each Pass Through Trustee and any successor or other trustee under the Pass Through Trust Agreement to which it is a party, Subordination Agent and its successor under the Intercreditor Agreement and Loan Trustee and its successor under the Indenture, whether so expressed or not.

Section 7.08. Benefits of Agreement. Subject to the next sentence, nothing in this Agreement, express or implied, gives to any Person, other than the parties hereto and their successors hereunder, any benefit or any legal or equitable right, remedy or claim under this Agreement, except as expressly provided herein. Company agrees and acknowledges that each Liquidity Provider, and each separate or additional trustee appointed pursuant to Section 8.02 of the Indenture shall be third party beneficiaries of the covenants and agreements of Company with respect to the indemnities contained in Section 4.02 and may rely on the covenants and agreements of Company with respect to such indemnities to the same extent as if the covenants and agreements of Company with respect to such indemnities were made to such Liquidity Provider or such trustee, as the case may be, directly. U.S. Bank generally, and each of the Loan Trustee, the Subordination Agent and each Pass Through Trustee, insofar as relating to each such Person, agrees and acknowledges that each Liquidity Provider is a third party beneficiary of the representations and warranties set forth in Section 5.01, and that such Liquidity Provider may rely on such representations and warranties to the same extent as if such representations and warranties were made to such Liquidity Provider directly.

Company agrees that, promptly upon receipt thereof, to the extent required by the Operative Documents, it will transfer to Loan Trustee any and all monies from time to time received by Company constituting part of the Collateral, for distribution by Loan Trustee pursuant to this Indenture.

Company does hereby warrant and represent that it has not sold, assigned or pledged, and hereby covenants and agrees that it will not sell, assign or pledge, so long as this Indenture shall remain in effect and the Lien hereof shall not have been released pursuant to the provisions hereof, any of its estate, right, title or interest hereby assigned, to any Person other than Loan Trustee, except as otherwise provided in or permitted by any Operative Document.

Company agrees that at any time and from time to time, upon the written request of Loan Trustee, Company shall promptly and duly execute and deliver or cause to be duly executed and delivered any and all such further instruments and documents as Loan Trustee may reasonably deem necessary to perfect, preserve or protect the mortgage, security interests and assignments created or intended to be created hereby or to obtain for Loan Trustee the full benefit of the assignment hereunder and of the rights and powers herein granted; provided that any instrument or other document so executed by Company will not expand any obligations or limit any rights of Company in respect of the transactions contemplated by the Operative Documents.

For purposes hereof, the term “Indenture” means the Indenture and Security Agreement (N494AS), dated as of July 2, 2020, between Company and U.S. Bank Trust National Association, as Loan Trustee (“Loan Trustee”), as the same may be amended, supplemented or otherwise modified from time to time in accordance with its terms. All capitalized terms used in this Equipment Note and not defined herein, unless the context otherwise requires, shall have the respective meanings set forth or incorporated by reference, and shall be construed and interpreted in the manner described, in the Indenture.

This Equipment Note shall bear interest, payable on demand, at the Past Due Rate (and not the Debt Rate) (calculated on the basis of a year of 360 days comprised of twelve 30-day months) on any principal amount and (to the extent permitted by applicable law) Make-Whole Amount, if any, interest, and any other amounts payable hereunder not paid when due for any period during which the same is overdue, in each case for the period the same is overdue. Amounts shall be overdue if not paid in the manner provided herein or in the Indenture when due (whether at stated maturity, by acceleration or otherwise).

There shall be maintained an Equipment Note Register for the purpose of registering transfers and exchanges of Equipment Notes at the Corporate Trust Office of Loan Trustee, or at the office of any successor trustee, in the manner provided in Section 2.07 of the Indenture.

The principal amount and interest and other amounts due hereunder shall be payable in Dollars in immediately available funds at the Corporate Trust Office of Loan Trustee, or as otherwise provided in the Indenture. Company shall not have any responsibility for the distribution of any such payment to Noteholder of this Equipment Note. Each such payment shall be made on the date such payment is due and without any presentment or surrender of this Equipment Note, except that in the case of any final payment with respect to this Equipment Note, this Equipment Note shall be surrendered to Loan Trustee for cancellation.

The holder hereof, by its acceptance of this Equipment Note, agrees that, except as provided in the Indenture, including the subordination provisions referred to below, each payment of an installment of principal amount, Make-Whole Amount, if any, and interest received by it hereunder shall be applied: first, to the payment of accrued interest on this Equipment Note (as well as any interest on (i) any overdue principal amount, and (ii) to the extent permitted by applicable law, any overdue Make-Whole Amount, if any, any overdue interest and any other overdue amounts hereunder) to the date of such payment; second, to the payment of Make-Whole Amount, if any, with respect to this Equipment Note; third, to the payment of the principal amount of this Equipment Note (or portion thereof) then due hereunder, if any; and fourth, the balance, if any, remaining thereafter to the payment of installments of the principal amount of this Equipment Note (or portion thereof) remaining unpaid in the inverse order of their maturity.

This Equipment Note is one of the Equipment Notes referred to in the Indenture which have been or are to be issued by Company pursuant to the terms of the Indenture. The Collateral is held by Loan Trustee as security, in part, for the Equipment Notes. The provisions of this Equipment Note are subject to the Indenture, the Related Indentures, the Participation Agreement, the Company Guarantee, the other Operative Documents and the Pass Through Documents. Reference is hereby made to the Indenture, the Related Indentures, the Participation Agreement, the Company Guarantee, the other Operative Documents and the Pass Through Documents for a complete statement of the rights and obligations of the holder of, and the nature and extent of the security for, this Equipment Note (including as a “Related Equipment Note” under each Related Indenture) and the rights and obligations of the holders of, and the nature and extent of the security for, any other Equipment Notes executed and delivered under the Indenture, to all of which terms and conditions in the Indenture, the Related Indentures, the Participation Agreement, the Company Guarantee, the other Operative Documents and the Pass Through Documents each holder hereof agrees by its acceptance of this Equipment Note.

As provided in the Indenture and subject to certain limitations therein set forth, this Equipment Note is exchangeable for an equal aggregate principal amount of Equipment Notes of the same Series of different authorized denominations, as requested by the holder surrendering the same. Prior to the due presentment for registration of transfer of this Equipment Note, Company and Loan Trustee shall deem and treat the Person in whose name this Equipment Note is registered on the Equipment Note Register as the absolute owner and holder hereof for the purpose of receiving all amounts payable with respect to this Equipment Note and for all purposes, and neither Company nor Loan Trustee shall be affected by notice to the contrary.

This Equipment Note is subject to redemption as provided in Sections 2.10, 2.11 and 2.12 of the Indenture but not otherwise. In addition, this Equipment Note may be accelerated as provided in Section 4.02 of the Indenture.

This Equipment Note is subject to certain restrictions set forth in Sections 4.01(a)(ii) and 4.01(a)(iii) of the Intercreditor Agreement, as further specified in Section 2.07 of the Indenture, to all of which terms and conditions in the Intercreditor Agreement each holder hereof agrees by its acceptance of this Equipment Note.

The holder hereof, by its acceptance of this Equipment Note, agrees that no payment or distribution shall be made on or in respect of the Secured Obligations (as defined in the Indenture), the Secured Obligations (as defined in any Related Indenture) or any other Related Secured Obligations owed to such holder, including, without limitation, any payment or distribution of cash, property or securities after the occurrence of any of the events referred to in Section 4.01(f) of the Indenture or after the commencement of any proceedings of the type referred to in Section 4.01 (g), (h) or (i) of the Indenture, except, in each case, as expressly provided in Article III of the Indenture, Article III of the applicable Related Indenture or the Company Guarantee, as appropriate.

The indebtedness evidenced by this Equipment Note is[,]⁴ (i) to the extent and in the manner provided in the Indenture, subordinate and subject in right of payment to the prior payment in full of the Secured Obligations in respect of [Series A Equipment Notes]⁵ [Series A Equipment Notes and Series B Equipment Notes]⁶ [Series A Equipment Notes, Series B Equipment Notes and []]⁷, and certain other Secured Obligations, and (ii)⁹ to the extent and in the manner provided in each Related Indenture, subordinate and subject in right of payment to the prior payment in full under such Related Indenture of the “Secured Obligations” in respect of the “Equipment Notes” issued under such Related Indenture, and this Equipment Note is issued subject to such provisions. The Noteholder of this Equipment Note, by accepting the same, (a) agrees to and shall be bound by such provisions, (b) authorizes and directs Loan Trustee, the Related Loan Trustee under the applicable Related Indenture or the Company Guarantee Beneficiary, as appropriate, on such Noteholder’s behalf to take any action necessary or appropriate to effectuate the subordination as provided in the Indenture or the applicable Related Indenture, and (c) appoints Loan Trustee, the Related Loan Trustee under the applicable Related Indenture or the Company Guarantee Beneficiary, as appropriate, as such Noteholder’s attorney-in-fact for such purpose.

⁹ To be inserted in the case of a Series B Equipment Note or an Additional Series Equipment Note.

Without limiting the foregoing, the holder hereof, by its acceptance of this Equipment Note, agrees that if such holder, in its capacity as a Noteholder, receives any payment or distribution on any Secured Obligation in respect of this Equipment Note that it is not entitled to receive under Section 2.13 or Article III of the Indenture, it shall hold any amount so received in trust for Loan Trustee and forthwith turn over such amount to Loan Trustee in the form received to be applied as provided in Article III of the Indenture.

Unless the certificate of authentication hereon has been executed by or on behalf of Loan Trustee by manual signature, this Equipment Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose.

Section 2.02 Issuance and Terms of Equipment Notes. The Equipment Notes shall be dated the date of issuance thereof, shall be issued in (a) separate Series consisting of Series A Equipment Notes, Series B Equipment Notes (if issued) and one or more Additional Series Equipment Notes (if issued) and (b) the maturities and principal amounts and shall bear interest at the applicable Debt Rates specified in Schedule I hereto (as, in the case of any Series B Equipment Notes or any Additional Series Equipment Notes issued after the Closing Date, such Schedule I may be amended in connection with such issuance). On the Closing Date, each Series A Equipment Note and Series B Equipment Note (if issued) shall be issued to Subordination Agent on behalf of Pass Through Trustee for the Pass Through Trusts then in existence created under the Pass Through Trust Agreements referred to in Schedule II. If no Series B Equipment Notes are issued on the Closing Date, then, subject to compliance with the conditions set forth in Section 2.02 of the Participation Agreement and Section 8.01(d) of the Intercreditor Agreement, as applicable, Company shall have the option to issue Series B Equipment Notes at any time after the Closing Date. Any Series B Equipment Notes issued after the

Closing Date pursuant to the immediately preceding sentence shall have such maturities, principal amounts and interest rate as specified in Schedule I hereto in respect of Series B Equipment Notes, as such Schedule I may be amended in connection with any such issuance. Subject to compliance with the conditions set forth in Section 2.02 of the Participation Agreement and Section 8.01(c) or 8.01(d) of the Intercreditor Agreement, as applicable, Company shall have the option after the Closing Date, at any time and from time to time (i) to issue one or more Series of Additional Series Equipment Notes under this Indenture (including, for the avoidance of doubt, multiple issuances at the same or different times resulting in more than one Series of Additional Series Equipment Notes being outstanding at any time), (ii) to redeem all but not less than all of the Series B Equipment Notes (whether issued on or after the Closing Date) (or all but not less than all of any Series of Additional Series Equipment Notes) pursuant to, and in accordance with, the provisions of Section 2.11(b) and to issue under this Indenture new Equipment Notes with the same Series designation as, but with terms that may be the same as or different from those of, the redeemed Equipment Notes, and (iii) following the payment in full at maturity or otherwise of all but not less than all of the Series B Equipment Notes (whether issued on or after the Closing Date) (or all but not less than all of any Series of Additional Series Equipment Notes), to issue new Equipment Notes with the same Series designation as, but with terms that may be the same as or different from those of, such Equipment Notes that have been paid in full. If new Series B Equipment Notes or Additional Series Equipment Notes of any Series or new Additional Series Equipment Notes of any Series are issued after the Closing Date in accordance with the immediately preceding sentence, such Equipment Notes shall be dated the date of original issuance thereof and shall have such maturities, principal amounts and interest rate as specified in an amendment to this Indenture. The Equipment Notes shall be issued in registered form only. The Equipment Notes shall be issued in denominations of \$1,000 and integral multiples thereof, except that one Equipment Note of each Series may be in an amount that is not an integral multiple of \$1,000. For the avoidance of doubt, if new "Series B Equipment Notes" or "Additional Series Equipment Notes" of any Series or new "Additional Series Equipment Note" of any Series are issued, in each case under any Related Indenture, Company may, but shall not be required to, issue, as the case may be, new Series B Equipment Notes or Additional Series Equipment Notes of the same Series or new Additional Series Equipment Notes of the same Series, in each case under this Indenture.

Each Equipment Note shall bear interest at the Debt Rate specified for the applicable Series (calculated on the basis of a year of 360 days comprised of twelve 30-day months), payable in arrears on each Payment Date on the unpaid principal amount thereof from time to time outstanding from the most recent Payment Date to which interest has been paid or duly provided for (or, if no interest has been so paid or provided for, from the date of issuance of such Equipment Note) until such principal amount is paid in full, as further provided in the form of Equipment Note set forth in Section 2.01.

The principal amount of each Series A Equipment Note and, if issued, each Series B Equipment Note shall be payable in installments or in a single payment on the Payment Dates set forth in such Equipment Note, each such installment, if any, to be in an amount computed by multiplying the original principal amount of such Equipment Note by the corresponding percentage set forth in Schedule I hereto (as, in the case of any Series B Equipment Notes issued after the Closing Date, such Schedule I may be amended in connection with such issuance) applicable to such Series, the applicable portion of which shall be attached as Schedule I to such Equipment Note, opposite the Payment Date on which such installment is due. Each Additional Series Equipment Note, if issued, shall be payable in installments or in a single payment as set forth in an amendment to this Indenture, and if payable in installments, such installments shall be calculated as set forth in the preceding sentence. Notwithstanding the foregoing, the final payment made under each Equipment Note shall be in an amount sufficient to discharge in full the unpaid principal amount and all accrued and unpaid interest on, and any other amounts due under, such Equipment Note. Each Equipment Note shall bear interest, payable on demand, at the Past Due Rate (and not at the Debt Rate) (calculated on the basis of a year of 360 days comprised of twelve 30-day months) on any principal amount and (to the extent permitted by applicable law) Make-Whole Amount, if any, interest and any other amounts payable thereunder not paid when due for any period during which the same is overdue, in each case for the period the same is overdue. Amounts shall be overdue under an Equipment Note if not paid in the manner provided therein or in this Indenture when due (whether at stated maturity, by acceleration or otherwise). Notwithstanding anything to the contrary contained herein, if any date on which a payment hereunder or under any Equipment Note becomes due and payable is not a Business Day, then such payment shall not be made on such scheduled date but shall be made on the next succeeding Business Day with the same force and effect as if made on such scheduled date, and if such payment is made on such next succeeding Business Day, no interest shall accrue on the amount of such payment from and after such scheduled date.

The Equipment Notes shall be executed on behalf of Company by the manual or facsimile signature of one of its authorized officers. Equipment Notes bearing the signatures of individuals who were at the time of execution the proper officers of Company shall bind Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Equipment Notes or did not hold such offices at the respective dates of such Equipment Notes. No Equipment Note shall be secured by or entitled to any benefit under this Indenture or be valid or obligatory for any purposes unless there appears on such Equipment Note a certificate of authentication in the form provided herein executed by Loan Trustee by the manual signature of one of its authorized officers, and such certificate upon any Equipment Notes shall be conclusive evidence, and the only evidence, that such Equipment Note has been duly authenticated and delivered hereunder.

Section 2.03 Method of Payment. The principal amount of, interest on, Make-Whole Amount, if any, and, except to the extent expressly provided herein, all other amounts due under each Equipment Note or otherwise payable hereunder shall be payable by Company in Dollars by wire transfer of immediately available funds not later than 10:00 a.m. (New York City time) on the due date of payment to Loan Trustee at the Corporate Trust Office for distribution among Noteholders in the manner provided herein, and payment of such amount by Company to Loan Trustee shall be deemed to satisfy Company's obligation to make such payment. Company shall not have any responsibility for the distribution of such payment to any Noteholder. Notwithstanding the foregoing or any provision in any Equipment Note to the contrary, Loan Trustee will use reasonable efforts to pay or cause to be paid, if so directed in writing by any Noteholder (with a copy to Company), all amounts paid by Company hereunder and under such Noteholder's Equipment Note or Equipment Notes to such Noteholder or a nominee therefor (including all amounts distributed pursuant to Article III) by transferring, or causing to be transferred, by wire transfer of immediately available funds in Dollars, prior to 12:00 noon (New York City time) on the due date of payment, to an account maintained by such Noteholder with a bank located in the continental United States the amount to be distributed to such Noteholder, for credit to the account of such Noteholder maintained at such bank; provided that, in the event the Equipment Notes are not held by Subordination Agent on behalf of Pass Through Trustees, Loan Trustee shall, unless instructed by Company to use another method, pay such amounts by check mailed to Noteholder's address as it appears on the Equipment Note Register. If, after its receipt of funds at the place and prior to the time specified above in the immediately preceding sentence, Loan Trustee fails (other than as a result of a failure of Noteholder to provide it with wire transfer instructions) to make any such payment required to be paid by wire transfer as provided in the immediately preceding sentence on the Business Day it receives such funds, Loan Trustee, in its individual capacity and not as trustee, agrees to compensate such Noteholders for loss of use of funds at the Federal Funds Rate until such payment is made and Loan Trustee shall be entitled to any interest earned on such funds until such payment is made. Any payment made hereunder shall be made without any presentment or surrender of any Equipment Note, except that, in the case of the final payment in respect of any Equipment Note, such Equipment Note shall be surrendered to Loan Trustee for cancellation. Notwithstanding any other provision of this Indenture to the contrary, Loan Trustee shall not be required to make, or cause to be made, wire transfers as aforesaid prior to the first Business Day on which it is practicable for Loan Trustee to do so in view of the time of day when the funds to be so transferred were received by it if such funds were received after 1:00 p.m. (New York City time) at the place of payment, in which case Loan Trustee shall make such required payment on the next succeeding Business Day. So long as any signatory to the Participation Agreement or nominee thereof shall be a registered Noteholder, all payments to it shall be made to the account of such Noteholder specified in Schedule I to the Participation Agreement or otherwise in the manner provided in or pursuant to the Participation Agreement unless it shall have specified some other account or manner of payment by notice to Loan Trustee consistent with this Section 2.03.

Section 2.04 Withholding Taxes. Loan Trustee shall exclude and withhold at the appropriate rate from each payment of principal, interest, Make-Whole Amount, if any, and other amounts due hereunder or under each Equipment Note (which exclusion and withholding shall constitute payment of such amounts payable hereunder or in respect of such Equipment Notes, as applicable) any and all withholding Taxes applicable thereto as required by applicable law. Loan Trustee agrees to act as such withholding agent and whenever any present or future Taxes or similar charges are required to be withheld with respect to any amounts payable hereunder or in respect of the Equipment Notes, to withhold such amounts (which withholding shall constitute payment of such amounts payable hereunder or in respect of such Equipment Notes, as applicable) and timely pay the same to the appropriate authority in the name of and on behalf of Noteholders, that it will file any necessary withholding Tax returns or statements when due, and that as promptly as possible after the payment thereof it will deliver to each Noteholder (with a copy to Company) appropriate documentation showing the payment thereof, together with such additional documentary evidence as any such Noteholder may reasonably request from time to time. Loan Trustee agrees to file any other information reports it is required to file under United States law.

Section 2.05 Application of Payments. Subject always to Section 2.13 and except as otherwise provided in Article III, in the case of each Equipment Note, each payment of an installment of principal amount, Make-Whole Amount, if any, and interest paid thereon shall be applied:

first, to the payment of accrued interest on such Equipment Note (as well as any interest on (i) any overdue principal amount, and (ii) to the extent permitted by applicable law, any overdue Make-Whole Amount, if any, any overdue interest and any other overdue amounts thereunder) to the date of such payment;

second, to the payment of Make-Whole Amount, if any, with respect to such Equipment Note;

third, to the payment of the principal amount of such Equipment Note (or portion thereof) then due thereunder, if any; and

fourth, the balance, if any, remaining thereafter, to the payment of installments of the principal amount of such Equipment Note (or portion thereof) remaining unpaid in the inverse order of their maturity.

Section 2.06 Termination of Interest in Collateral. No Noteholder or Indenture Indemnitee shall, as such, have any further interest in, or other right with respect to, the Collateral when and if the principal amount of, Make-Whole Amount, if any, and interest (including, to the extent permitted by applicable law, post-petition interest and interest on any overdue amounts) on and all other amounts due under all Equipment Notes held by such Noteholder and all other sums then due and payable to such Noteholder or Indenture Indemnitee, as the case may be, hereunder (including, without limitation, under Section 2.14) and under the Participation Agreement by Company (the "Secured Obligations") have been paid in full.

Subject to Section 10.01 hereof, neither the Company Guarantee Beneficiary nor any Related Indenture Indemnitee shall, as such, have any further interest in, or other right with respect to, the Collateral when and if all Related Secured Obligations have been paid in full.

Section 2.07 Registration, Transfer and Exchange of Equipment Notes. Loan Trustee shall keep a register or registers (the "Equipment Note Register") in which Loan Trustee shall provide for the registration of Equipment Notes, the registration of transfers of Equipment Notes and a record of the dates and payments made with respect to the Equipment Notes. No such transfer shall be given effect unless and until registration hereunder shall have occurred. The Equipment Note Register shall be kept at the Corporate Trust Office of Loan Trustee. Loan Trustee is hereby appointed "Equipment Note Registrar" for the purpose of registering Equipment Notes and transfers of Equipment Notes as herein provided. A holder of any Equipment Note intending to exchange or transfer such Equipment Note shall surrender such Equipment Note to Loan Trustee at the Corporate Trust Office, together with a written request from the registered holder thereof for the issuance of a new Equipment Note of the same Series, specifying, in the case of a surrender for transfer, the name and address of the new holder or holders. Upon surrender for registration of transfer of any Equipment Note and subject to satisfaction of Section 2.09, Company shall execute, and Loan Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Equipment Notes of an equal aggregate principal amount and of the same Series. At the option of Noteholder, Equipment Notes may be exchanged for other Equipment Notes of the same Series of any authorized denominations of an equal aggregate principal amount, upon surrender of the Equipment Notes to be exchanged to Loan Trustee at the Corporate Trust Office. Whenever any Equipment Notes are so surrendered for exchange, Company shall execute, and Loan Trustee shall authenticate and deliver, the Equipment

Notes which Noteholder making the exchange is entitled to receive. All Equipment Notes issued upon any registration of transfer or exchange of Equipment Notes (whether under this Section 2.07 or under Section 2.08 or otherwise under this Indenture) shall be the valid obligations of Company evidencing the same respective obligations, and entitled to the same security and benefits under this Indenture, as the Equipment Notes surrendered upon such registration of transfer or exchange. Every Equipment Note presented or surrendered for registration of transfer shall (if so required by Company or Loan Trustee) be duly endorsed or be accompanied by a written instrument of transfer in form satisfactory to Loan Trustee, duly executed by Noteholder or such Noteholder's attorney duly authorized in writing, and Company and Loan Trustee shall require evidence satisfactory to Company as to the compliance of any such transfer with the Securities Act and the securities laws of any applicable state or jurisdiction. Loan Trustee shall make a notation on each new Equipment Note of the amount of all payments of principal amount previously made on the old Equipment Note or Equipment Notes with respect to which such new Equipment Note is issued and the date to which interest on such old Equipment Note or Equipment Notes has been paid. Principal, interest and all other amounts shall be deemed to have been paid on such new Equipment Note to the date on which such amounts have been paid on such old Equipment Note. Company and Equipment Note Registrar shall not be required to exchange any surrendered Equipment Notes as provided above (a) during the ten-day period preceding the due date of any payment on such Equipment Note or (b) that has been called for redemption. Company and Loan Trustee shall in all cases deem and treat the Person in whose name any Equipment Note has been issued and registered on the Equipment Note Register as the absolute owner and Noteholder of such Equipment Note for the purpose of receiving payment of all amounts payable with respect to such Equipment Note and for all other purposes, and neither Company nor Loan Trustee shall be affected by any notice to the contrary. Loan Trustee will promptly notify Company of each registration of a transfer of an Equipment Note. Any such transferee of an Equipment Note, by its acceptance of an Equipment Note, agrees to the provisions of this Indenture, the Related Indentures, the Participation Agreement, the Company Guarantee, the other Operative Documents and the Pass Through Documents applicable to Noteholders or, in the case of each Related Indenture, Related Noteholders, and the Company Guarantee Beneficiary, and, without limiting the generality of the foregoing, any such transferee of an Equipment Note, by its acceptance of an Equipment Note: (i) agrees to the applicable provisions of Sections 6.01, 7.10 and 7.11 of the Participation Agreement, and shall be deemed to have represented, warranted and covenanted to the parties to the Participation Agreement as to the matters represented, warranted and covenanted by Noteholders, including Pass Through Trustees, in the Participation Agreement and (ii) agrees to the restrictions set forth in Sections 4.01(a)(ii) and 4.01(a)(iii) of the Intercreditor Agreement, and shall be deemed to have covenanted to the parties to the Intercreditor Agreement not to give any direction to, or otherwise authorize, Loan Trustee to take any action that would violate Section 4.01(a)(ii) or 4.01(a)(iii) of the Intercreditor Agreement. Subject to compliance by Noteholder and any transferee of the requirements set forth in this Section 2.07 and in Section 2.09, Loan Trustee and Company shall use all reasonable efforts to issue new Equipment Notes upon transfer or exchange within ten Business Days of the date an Equipment Note is surrendered for transfer or exchange.

Section 2.08 Mutilated, Destroyed, Lost or Stolen Equipment Notes. If any Equipment Note becomes mutilated, destroyed, lost or stolen, Company shall, upon the written request of the holder of such Equipment Note and subject to satisfaction of this Section 2.08 and of Section 2.09, execute and Loan Trustee shall authenticate and deliver in replacement thereof a new Equipment Note of the same Series, payable in the same principal amount, dated the same date and captioned as issued in connection with the Aircraft. If the Equipment Note being replaced has become mutilated, such Equipment Note shall be surrendered to Loan Trustee, and a photocopy thereof shall be furnished to Company. If the Equipment Note being replaced has been destroyed, lost or stolen, the holder of such Equipment Note shall furnish to Company and Loan Trustee such security or indemnity as may be required by them to save Company and Loan Trustee harmless and evidence satisfactory to Company and Loan Trustee of the destruction, loss or theft of such Equipment Note and of the ownership thereof.

Section 2.09 Payment of Expenses on Transfer; Cancellation.

(a) No service charge shall be made to a Noteholder for any registration of transfer or exchange of Equipment Notes, but Loan Trustee, as Equipment Note Registrar, may require payment of a sum sufficient to cover any Tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Equipment Notes.

(b) Loan Trustee shall cancel all Equipment Notes surrendered for replacement, redemption, transfer, exchange, payment or cancellation, shall keep a copy of such canceled Equipment Notes, and shall send the original canceled Equipment Notes marked "canceled" to Company.

Section 2.10 Mandatory Redemption of Equipment Notes. (viii) after giving effect to paragraph (vii) above (and except as otherwise provided in amendments to the applicable Related Indentures pursuant to paragraph (xiii) or (xiv) of Section 9.01 thereof), so much of such payments or amounts remaining as is required to pay in full the aggregate amount of the payment or payments of principal amount and interest (as well as any interest on any overdue principal amount and, to the extent permitted by applicable law, on any overdue interest and any other overdue amounts) then due under all Related Additional Series

Equipment Notes of a specified Series, if any, issued under any Defaulted Operative Indenture (whether payable by Company pursuant to any such Defaulted Operative Indenture or pursuant to the Company Guarantee), shall be distributed to the Related Loan Trustee under each respective Defaulted Operative Indenture under which any Related Additional Series Equipment Notes of such Series are outstanding, and in case the aggregate amount so to be distributed shall be insufficient to pay in full as aforesaid, then ratably, without priority of one over the other, in the proportion that (x) the amount of such payment or payments then due under all Related Additional Series Equipment Notes of such Series issued under each Defaulted Operative Indenture bears to (y) the aggregate amount of the payments then due under all Related Additional Series Equipment Notes of such Series issued under all Defaulted Operative Indentures, provided that this paragraph (viii) shall apply to each Series of Additional Series Equipment Notes in order of priority of payment; and

(ix) after giving effect to paragraph (viii) above, if any Related Equipment Note is outstanding, any of such payments or amounts remaining and any invested Permitted Investments shall be held by Loan Trustee in an Eligible Account in accordance with the provisions of Section 3.07 (and invested as provided in Section 5.06) as additional security for the Related Secured Obligations, and such amounts (and any investment earnings thereon) shall be distributed from time to time in accordance with the foregoing provisions of this clause “third” as and to the extent any such Related Secured Obligation shall at any time and from time to time become due and remain unpaid after the giving of any required notice and the expiration of any applicable grace period; and, upon the payment in full of all such Related Secured Obligations the balance, if any, of any such remaining amounts and investment earnings thereon shall be applied as provided in clause “fourth” of this Section 3.03; and

fourth, the balance, if any, of such payments or amounts remaining thereafter shall be distributed to Company.

No Make-Whole Amount shall be payable on the Equipment Notes as a consequence of or in connection with an Event of Default or the acceleration of the Equipment Notes.

Section 3.04 Certain Payments.

(a) Any payments received by Loan Trustee for which provision as to the application thereof is made in this Indenture other than in this Article III shall be applied as provided in those provisions. Without limiting the foregoing, any payments received by Loan Trustee which are payable to Company pursuant to any of the provisions of this Indenture other than those set forth in this Article III (including Sections 5.06, 7.05 and 7.06) shall be so paid to Company. Any payments received by Loan Trustee for which no provision as to the application thereof is made in this Indenture and for which such provision is made in any other Operative Document shall be applied forthwith to the purpose for which such payment was made in accordance with the terms of such other Operative Document.

(b) Notwithstanding anything to the contrary contained in this Article III, Loan Trustee will distribute promptly upon receipt any indemnity payment received by it from Company pursuant to Section 4.02 of the Participation Agreement payable to (i) U.S. Bank and Loan Trustee, (ii) Subordination Agent, (iii) any separate or additional trustee appointed pursuant to Section 8.02, (iv) Pass Through Trustees, (v) any Liquidity Provider or (vi) any other Indenture Indemnatee, in each case, directly to the Person entitled thereto. Any payment received by Loan Trustee from Company under Section 2.14 shall be distributed to Subordination Agent to be distributed in accordance with Section 2.04(c) of the Intercreditor Agreement.

(c) Any payments received by Loan Trustee not constituting part of the Collateral or otherwise for which no provision as to the application thereof is made in any Operative Document shall be distributed by Loan Trustee to Company. Further, and except as otherwise provided in Sections 3.02 and 3.03, all payments received and amounts realized by Loan Trustee with respect to the Aircraft, to the extent received or realized at any time after payment in full of all Secured Obligations, as well as any amounts remaining as part of the Collateral after the occurrence of such payment in full, shall be distributed by Loan Trustee to Company.

Section 3.05 Payments to Company. Any amounts distributed hereunder by Loan Trustee to Company shall be paid to Company (within the time limits contemplated by Section 2.03) by wire transfer of funds of the type received by Loan Trustee at such office and to such account or accounts of such entity or entities as shall be designated by notice from Company to Loan Trustee from time to time.

Section 3.06 Cooperation. Prior to making any distribution under this Article III, Loan Trustee shall consult with Related Loan Trustees and the Company Guarantee Beneficiary to determine amounts payable with respect to the Related Secured Obligations. Loan Trustee shall cooperate with Related Loan Trustees and shall provide such information as shall be reasonably requested by each Related Loan Trustee to enable such Related Loan Trustee to determine amounts distributable under Article III of its Related Indenture.

Section 3.07 Securities Account. In furtherance of the provisions of Section 3.03, U.S. Bank agrees to act as an Eligible Institution under this Indenture in accordance with the provisions of this Indenture (in such capacity, the "Securities Intermediary"). Except in its capacity as Loan Trustee, U.S. Bank waives any claim or lien against any Eligible Account it may have, by operation of law or otherwise, for any amount owed to it by Company. The Securities Intermediary hereby agrees that, notwithstanding anything to the contrary in this Indenture, (i) any amounts to be held by Loan Trustee pursuant to paragraph (ix) of clause "third" of Section 3.03 and any investment earnings thereon or other Permitted Investments in which such amounts are invested will be credited to an Eligible Account (the "Securities Account") for which it is a "securities intermediary" (as defined in Section 8-102(a)(14) of the NY UCC) and Loan Trustee is the "entitlement holder" (as defined in Section 8-102(a)(7) of the NY UCC) of the "security entitlement" (as defined in Section 8-102(a)(17) of the NY UCC) with respect to each "financial asset" (as defined in Section 8-102(a)(9) of the NY UCC) credited to such Eligible Account, (ii) all such amounts, Permitted Investments and all other property acquired with cash credited to the Securities Account will be credited to the Securities Account, (iii) all items of property (whether cash, investment property, Permitted Investments, other investments, securities, instruments or other property) credited to the Securities Account will be treated as a "financial asset" under Article 8 of the NY UCC, (iv) its "securities intermediary's jurisdiction" (as defined in Section 8-110(e) of the NY UCC) with respect to the Securities Account is the State of New York, and (v) all securities, instruments and other property in order or registered form and credited to the Securities Account shall be payable to or to the order of, or registered in the name of, the Securities Intermediary or shall be indorsed to the Securities Intermediary or in blank, and in no case whatsoever shall any financial asset credited to the Securities Account be registered in the name of Company, payable to or to the order of Company or specially indorsed to Company except to the extent the foregoing have been specially endorsed by Company to the Securities Intermediary or in blank. Loan Trustee agrees that it will hold (and will indicate clearly in its books and records that it holds) its "security entitlements" to the "financial assets" credited to the Securities Account in trust for the benefit of Noteholders, each Indenture Indemnitee, each Related Indenture Indemnitee and the Company Guarantee Beneficiary as set forth in this Indenture. Company acknowledges that, by reason of Loan Trustee being the "entitlement holder" in respect of the Securities Account as provided above, Loan Trustee shall have the sole right and discretion, subject

only to the terms of this Indenture, to give all “entitlement orders” (as defined in Section 8-102(a)(8) of the NY UCC) with respect to the Securities Account and any and all financial assets and other property credited thereto to the exclusion of Company. If any Person asserts any Lien (including, without limitation, any writ, garnishment, judgment, warrant of attachment, execution or similar process) against the Securities Account or any financial asset carried therein, the Securities Intermediary will promptly notify Loan Trustee and Company thereof.

(b) Company fails to make payment when the same is due of any amount (other than amounts referred to in Section 4.01(a)) due hereunder, under any Equipment Note or under any other Operative Document, and such failure continues unremedied for 30 days after the receipt by Company of written notice thereof from Loan Trustee or any Noteholder;

(c) Company fails to carry and maintain (or cause to be maintained) insurance or indemnity on or with respect to the Aircraft in accordance with the provisions of Section 7.06; provided that no such failure to carry and maintain insurance shall constitute an Event of Default until the earlier of (i) the date such failure has continued unremedied for a period of 30 days after receipt by Loan Trustee of the notice of cancellation referred to in Section 7.06 or (ii) the date such insurance is not in effect as to Loan Trustee;

(d) Company fails to perform or observe in any material respect any other covenant, condition or agreement to be performed or observed by it under any Operative Document, and such failure continues unremedied for a period of 60 days after receipt by Company of written notice thereof from Loan Trustee or any Noteholder; provided that, if such failure is capable of being remedied, no such failure shall constitute an Event of Default for a period of one year after such notice is received by Company so long as Company is diligently proceeding to remedy such failure;

(e) any representation or warranty made by Company in any Operative Document was incorrect in any material respect at the time made, and such incorrectness continues to be material to the transactions contemplated hereby and continues unremedied for a period of 60 days after receipt by Company of written notice thereof from Loan Trustee; provided that, if such incorrectness is capable of being remedied, no such incorrectness shall constitute an Event of Default for a period of one year after such notice is received by Company so long as Company is diligently proceeding to remedy such incorrectness;

(f) Company consents to the appointment of or the taking of possession by a receiver, trustee or liquidator in respect of a substantial part of its property, admits in writing its inability to pay its debts generally as they come due or makes a general assignment for the benefit of its creditors;

(i) a petition against Company as a debtor in a case under the federal bankruptcy laws or other insolvency laws (as in effect at such time) is filed and not withdrawn or dismissed within 90 days thereafter, or if, under the provisions of any law providing for reorganization or winding-up of corporations that may apply to Company, any court of competent jurisdiction assumes jurisdiction, custody or control of Company or of any substantial part of its property and such jurisdiction, custody or control remains in force unrelinquished, unstayed or unterminated for a period of 90 days;

(j) an “Event of Default” (as defined in any Related Indenture) shall have occurred and be continuing; or

(k) so long as all Equipment Notes issued under this Indenture are held by the Subordination Agent under the Intercreditor Agreement, an “Event of Default” (as defined in the Company Guarantee) shall have occurred and be continuing.

provided that notwithstanding anything to the contrary contained in this Section 4.01, any failure of Company to perform or observe any covenant, condition or agreement shall not constitute an Event of Default if such failure arises by reason of an event referred to in the definition of “Event of Loss” so long as Company is continuing to comply with all of the terms of Section 7.05.

Section 4.02 Remedies.

(a) If an Event of Default has occurred and is continuing and so long as the same shall continue unremedied, then and in every such case Loan Trustee may, and upon the written instructions of a Majority in Interest of Noteholders, Loan Trustee shall (subject to Section 5.03), do one or more of the following to the extent permitted by, and subject to compliance with the requirements of, applicable law then in effect (provided that during any period the Airframe or any Engine is subject to the CRAF Program and is in possession of or being operated under the direction of the United States government or an agency or instrumentality of the United States, Loan Trustee shall not, on account of any Event of Default, be entitled to exercise or pursue any of the powers, rights or remedies described in this Section 4.02 in such manner as to limit Company’s control under this Indenture (or any Permitted Lessee’s control under any Lease) of the Airframe or such Engine, unless at least 60 days’ (or such lesser period as may then be applicable under the CRAF Program of the United States government) prior written notice of default hereunder has been given by Loan Trustee by registered or certified mail to Company (and any such Permitted Lessee) with a copy addressed to the Contracting Office Representative or other appropriate person for the Air Mobility Command of the United States Air Force under any contract with Company (or such Permitted Lessee) relating to the Aircraft):

(i) declare by written notice to Company all the Equipment Notes to be due and payable, whereupon the aggregate unpaid principal amount of all Equipment Notes then outstanding, together with accrued but unpaid interest thereon, and other amounts due thereunder (but without Make-Whole Amount), shall immediately become due and payable without presentment, demand, protest or other notice, all of which are hereby waived; provided that if an Event of Default referred to in Section 4.01(f), (g), (h) or (i) has occurred and is continuing, then and in every such case the unpaid principal amount of the Equipment Notes then outstanding, together with accrued but unpaid interest thereon, and all other amounts due thereunder (but without Make-Whole Amount) shall immediately and without further act become due and payable without presentment, demand, protest or notice, all of which are hereby waived; and, following such declaration or deemed declaration:

(ii) (A) cause Company, upon the demand by notice of Loan Trustee, at Company's expense, to deliver promptly, and Company shall deliver promptly, all or such part of the Airframe or any Engine as Loan Trustee so demands to Loan Trustee or its order, or, if Company has failed to so deliver the Airframe or any Engine after such demand, Loan Trustee, at its option, may enter upon the premises where all or any part of the Airframe or any Engine are located and take immediate possession of and remove the same together with any engine which is not an Engine but which is installed on the Airframe, subject to all of the rights of the owner, lessor, lienor or secured party of such engine; provided that the Airframe with an engine (which is not an Engine) installed thereon may be flown or returned only to a location within the continental United States, and such engine shall be held at the expense of Company for the account of any such owner, lessor, lienor, secured party or, if such engine is owned by Company, may at the option of Company with the consent of Loan Trustee (which will not be unreasonably withheld) or at the option of Loan Trustee with the consent of Company (which will not be unreasonably withheld), be exchanged with Company for an Engine in accordance with the provisions of Section 7.05(b); (B) sell all or any part of the Airframe and any Engine at public or private sale, whether or not Loan Trustee at the time has possession thereof, as Loan Trustee may determine, or otherwise dispose of, hold, use, operate, lease to others or keep idle all or any part of the Airframe or such Engine as Loan Trustee, in its sole discretion, determines, all free and clear of any rights or claims of Company, and the proceeds of such sale or disposition shall be applied as set forth in Section

3.03; or (C) exercise any other remedy of a secured party under the NY UCC (whether or not in effect in the jurisdiction in which enforcement is sought); provided that, notwithstanding anything to the contrary set forth herein or in any other Operative Document, (i) as permitted by Article 15 of the Cape Town Convention, the provisions of Chapter III of the Cape Town Convention are hereby excluded and made inapplicable to this Indenture and the other Operative Documents, except for those provisions of such Chapter III that cannot be derogated from; and (ii) as permitted by Article IV(3) of the Aircraft Protocol, the provisions of Chapter II of the Aircraft Protocol are hereby excluded and made inapplicable to this Indenture and the other Operative Documents, except for (x) Article XVI of the Aircraft Protocol and (y) those provisions of such Chapter II that cannot be derogated from. In furtherance of the foregoing, the parties hereto agree that the exercise of remedies hereunder and the other Operative Documents is subject to other applicable law, including without limitation, the NY UCC and the Bankruptcy Code, and that nothing herein derogates from the rights of Company or Loan Trustee under or pursuant to such other applicable law, including without limitation, the NY UCC or the Bankruptcy Code.

Upon every such taking of possession of Collateral under this Section 4.02, Loan Trustee may, from time to time, at the expense of the Collateral, make all such expenditures for maintenance, insurance, repairs, alterations, additions and improvements to and of the Collateral as it deems necessary to cause the Collateral to be in such condition as required by the provisions of this Indenture. In each such case, Loan Trustee may maintain, use, operate, store, insure, lease, control, manage or dispose of the Collateral and may exercise all rights and powers of Company relating to the Collateral as Loan Trustee reasonably deems best, including the right to enter into any and all such agreements with respect to the maintenance, use, operation, storage, insurance, leasing, control, management or disposition of the Collateral or any part thereof as Loan Trustee may reasonably determine; and Loan Trustee shall be entitled to collect and receive directly all tolls, rents, revenues, issues, income, products and profits of the Collateral and every part thereof without prejudice, however, to the rights of Loan Trustee under any provision of this Indenture to collect and receive all cash held by, or required to be deposited with Loan Trustee hereunder. Such tolls, rents, revenues, issues, income, products and profits shall be applied to pay the expenses of the use, operation, storage, insurance, leasing, control, management or disposition of the Collateral, and of all maintenance, repairs, replacements, alterations, additions and improvements, and to make all payments that Loan Trustee is required or elects to make, if any, for Taxes, insurance or other proper charges assessed against or otherwise imposed upon the Collateral or any part thereof, and all other payments which Loan Trustee is required or expressly authorized to make under any provision of this Indenture, as well as just and reasonable compensation for the services of Loan Trustee, and shall otherwise be applied in accordance with Article III. If an Event of Default has occurred and is continuing and the

Equipment Notes either have been accelerated pursuant to this Section 4.02 or have become due at maturity and Loan Trustee is entitled to exercise rights hereunder, at the request of Loan Trustee, Company shall promptly execute and deliver to Loan Trustee such instruments of title and other documents as Loan Trustee reasonably deems necessary or advisable to enable Loan Trustee or an agent or representative designated by Loan Trustee, at such time or times and place or places as Loan Trustee specifies, to obtain possession of all or any part of the Collateral to which Loan Trustee at the time is entitled hereunder. If Company for any reason fails to execute and deliver such instruments and documents after such request by Loan Trustee, Loan Trustee may seek a judgment conferring on Loan Trustee the right to immediate possession and requiring Company to execute and deliver such instruments and documents to Loan Trustee, to the entry of which judgment Company hereby specifically consents to the fullest extent it may lawfully do so. All actual and reasonable expenses of obtaining such judgment or of pursuing, searching for and taking such property shall, until paid, be secured by the Lien of this Indenture.

(b) Loan Trustee shall give Company at least 30 days' prior written notice of any public sale or of the date on or after which any private sale will be held, which notice Company hereby agrees to the extent permitted by applicable law is reasonable notice. Any Noteholder or Noteholders shall be entitled to bid for and become the purchaser of any Collateral offered for sale pursuant to this Section 4.02 and to credit against the purchase price bid at such sale by such Noteholders all or any part of the unpaid amounts owing to such Noteholders under the Operative Documents and secured by the Lien of this Indenture (but only to the extent that such purchase price would have been paid to such Noteholders pursuant to Article III if such purchase price were paid in cash and the foregoing provision of this Section 4.02(b) were not given effect). Loan Trustee may exercise such right without possession or production of the Equipment Notes or proof of ownership thereof, and as a representative of Noteholders may exercise such right without notice to Noteholders as party to any suit or proceeding relating to the foreclosure of any Collateral. Company may also bid for and become the purchaser of any Collateral offered for sale pursuant to this Section 4.02.

(c) To the extent permitted by applicable law, while an Event of Default has occurred and is continuing, Company irrevocably appoints Loan Trustee the true and lawful attorney-in-fact of Company (which appointment is coupled with an interest) in its name and stead and on its behalf, for the purpose of effectuating any sale, assignment, transfer or delivery for the enforcement of the Lien of this Indenture, whether pursuant to foreclosure or power of sale, or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as may be necessary or appropriate, with full power of substitution, Company hereby ratifying and confirming all that such attorney or any substitute does by virtue hereof in accordance with applicable law; provided that if so requested by Loan Trustee or any purchaser, Company shall ratify and confirm any such sale, assignment or transfer of delivery, by executing and delivering to Loan Trustee or such purchaser all bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may reasonably be designated in any such request.

(d) At any time after Loan Trustee has declared the unpaid principal amount of all Equipment Notes then outstanding to be due and payable, or all Equipment Notes shall have become due and payable as provided in the proviso to Section 4.02(a)(i), and, in either case, prior to the sale of any part of the Collateral pursuant to this Article IV, a Majority in Interest of Noteholders, by written notice to Company and Loan Trustee, may rescind and annul such declaration, whether made by Loan Trustee on its own accord or as directed or deemed declaration, and its consequences if: (i) there has been paid to or deposited with Loan Trustee an amount sufficient to pay all overdue installments of principal amount of, and interest on, the Equipment Notes, and all other amounts owing under the Operative Documents, that have become due otherwise than by such declaration of acceleration and (ii) all other Events of Default, other than nonpayment of principal amount or interest on the Equipment Notes that have become due solely because of such acceleration, have been either cured or waived; provided that no such rescission or annulment shall extend to or affect any subsequent default or Event of Default or impair any right consequent thereon.

(e) Notwithstanding anything contained herein, (i) so long as Pass Through Trustee under any Pass Through Trust Agreement or Subordination Agent on its behalf is a Noteholder, Loan Trustee will not be authorized or empowered to acquire title to any Collateral or take any action with respect to any Collateral so acquired by it if such acquisition or action would cause any Pass Through Trust to fail to qualify as a "grantor trust" for U.S. federal income tax purposes, and (ii) Loan Trustee will not take any action that would violate Section 4.01(a)(ii) or 4.01(a)(iii) of the Intercreditor Agreement.

Section 4.03 Remedies Cumulative. To the extent permitted under applicable law, each and every right, power and remedy specifically given to Loan Trustee herein or otherwise in this Indenture shall be cumulative and shall be in addition to every other right, power and remedy specifically given herein or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically given herein or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by Loan Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by Loan Trustee in the exercise of any right, remedy or power or in the pursuance of any remedy shall, to the extent permitted by applicable law, impair any such right, power or remedy or be construed to be a waiver of any default on the part of Company or to be an acquiescence therein.

Section 4.04 Discontinuance of Proceedings. In case Loan Trustee has instituted any proceedings to enforce any right, power or remedy under this Indenture by foreclosure, entry or otherwise, and such proceedings have been discontinued or abandoned for any reason or have been determined adversely to Loan Trustee, then and in every such case Company and Loan Trustee shall, subject to any determination in such proceedings, be restored to their former positions and rights hereunder with respect to the Collateral, and all rights, remedies and powers of Loan Trustee shall continue as if no such proceedings had been undertaken (but otherwise without prejudice).

Section 4.05 Waiver of Past Defaults. Subject to Section 5.03, upon written instruction from a Majority in Interest of Noteholders, Loan Trustee shall waive any past default hereunder and its consequences, and upon any such waiver such default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture and the other Operative Documents, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon; provided that in the absence of written instructions from each of the affected Noteholders, Loan Trustee shall not waive any default (i) in the payment of the principal amount, Make-Whole Amount, if any, or interest due under any Equipment Note then outstanding (other than with the consent of the holder thereof), or (ii) in respect of a covenant or provision hereof which, under Article IX, cannot be modified or amended without the consent of each such affected Noteholder.

Section 4.06 Noteholders May Not Bring Suit Except Under Certain Conditions. A Noteholder of any Series shall not have the right to institute any suit, action or proceeding at law or in equity or otherwise with respect to this Indenture or the Equipment Notes or otherwise, or for the appointment of a receiver or for the enforcement of any other remedy under this Indenture or the Equipment Notes or otherwise, unless:

(1) such Noteholder previously shall have given written notice to Loan Trustee of a continuing Event of Default;

(2) a Majority in Interest of Noteholders shall have requested Loan Trustee in writing to institute such action, suit or proceeding and shall have offered to Loan Trustee indemnity as provided in Section 5.03;

(3) Loan Trustee shall have refused or neglected to institute any such action, suit or proceeding for 60 days after receipt of such notice, request and offer of indemnity; and

(4) no direction inconsistent with such written request shall have been given to Loan Trustee during such 60-day period by a Majority in Interest of Noteholders.

Except to the extent provided in the Intercreditor Agreement or herein, it is understood and intended that no one or more of Noteholders of any Series shall have any right in any manner whatsoever hereunder or under the Equipment Notes of such Series to (i) surrender, impair, waive, affect, disturb or prejudice any Collateral, or the Lien of this Indenture on any Collateral, or the rights of Noteholders of such Series, (ii) obtain or seek to obtain priority over or preference with respect to any other such Noteholder of such Series or (iii) enforce any right under this Indenture or the Equipment Notes of such Series, except in the manner provided in this Indenture and for the equal, ratable and common benefit of all Noteholders of such Series subject to the provisions of this Indenture.

Section 4.07 Appointment of a Receiver. To the extent permitted by applicable law, if an Event of Default shall have occurred and be continuing, and the Equipment Notes either shall have been accelerated pursuant to Section 4.02 or have become due at maturity, Loan Trustee shall, as a matter of right, be entitled to the appointment of a receiver (who may be Loan Trustee or any successor or nominee thereof) for all or any part of the Collateral, whether such receivership be incidental to a proposed sale of the Collateral or the taking of possession thereof or otherwise, and, to the extent permitted by applicable law, Company hereby consents to the appointment of such a receiver and will not oppose any such appointment. Any receiver appointed for all or any part of the Collateral shall be entitled to exercise all the rights and powers of Loan Trustee with respect to the Collateral.

ARTICLE V

Duties of Loan Trustee

Section 5.01 Notice of Event of Default. If Loan Trustee has actual knowledge of an Event of Default or of a default arising from a failure by Company to pay when due any payment of principal amount, interest on, or Make-Whole Amount, if any, due and payable under any Equipment Note, Loan Trustee shall promptly give notice thereof to

Company, each Liquidity Provider and each Noteholder. Subject to the terms of Sections 4.02, 4.05, 5.02 and 5.03, Loan Trustee shall take such action, or refrain from taking such action, with respect to such default or Event of Default (including with respect to the exercise of any rights or remedies hereunder) as Loan Trustee is instructed in writing by a Majority in Interest of Noteholders. Subject to the provisions of Section 5.03, if Loan Trustee does not receive instructions as above provided within 20 Business Days after giving notice of such default or Event of Default to Noteholders, Loan Trustee may, subject to instructions thereafter received pursuant to the preceding provisions of this Section 5.01, take such action, or refrain from taking such action with respect to such default or Event of Default as it reasonably determines to be advisable in the best interests of Noteholders, but shall be under no duty to take or refrain from taking any action. In acting pursuant to the immediately preceding sentence, Loan Trustee shall use the same degree of care and skill in connection therewith as a prudent person would use under the circumstances in the conduct of his or her own affairs. Loan Trustee may not sell the Airframe or any Engine without the consent of a Majority in Interest of Noteholders.

For all purposes of this Indenture, in the absence of actual knowledge, Loan Trustee shall not be deemed to have knowledge of a default or an Event of Default unless notified in writing by Company or one or more Noteholders; and “actual knowledge” (as used in the foregoing clause) of Loan Trustee shall mean actual knowledge of a Trust Officer of Loan Trustee; provided that Loan Trustee is deemed to have actual knowledge of (i) the failure of Company to pay any principal amount of, or interest on, the Equipment Notes directly to Loan Trustee when the same shall become due or (ii) the failure of Company to maintain insurance as required under Section 7.06 if Loan Trustee receives written notice thereof from an insurer or insurance broker.

Section 5.02 Action upon Instructions; Certain Rights and Limitations. Subject to the terms of Article IV and this Article V, upon the written instructions at any time of a Majority in Interest of Noteholders, Loan Trustee shall promptly (i) give such notice, direction, consent, waiver or approval or exercise such right, remedy or power hereunder in respect of all or any part of the Collateral or (ii) take such other action permitted hereunder, in each case, as is specified in such instructions.

Loan Trustee will cooperate with Company in connection with the recording, filing, re-recording and refiling of this Indenture and any supplements to it and any financing statements or other documents as is necessary to maintain the perfection hereof or otherwise protect the security interests created hereby. Loan Trustee shall furnish to Company upon request such information and copies of such documents as Loan Trustee may have and as are necessary for Company to perform its duties under Article II.

Section 5.03 Indemnification. Loan Trustee shall not be required to take any action or refrain from taking any action under Section 5.01 (other than the first sentence thereof) or 5.02 or Article IV unless it shall have received indemnification against any risks incurred in connection therewith in form and substance reasonably satisfactory to it, including, without limitation, adequate advances against costs that may be actually incurred by it in connection therewith. Loan Trustee shall not be required to take any action under Section 5.01 (other than the first sentence thereof) or 5.02 or Article IV, nor shall any other provision of any Operative Document be deemed to impose a duty on Loan Trustee to take any action, if Loan Trustee shall have been advised by outside counsel that such action is contrary to the terms hereof or is otherwise contrary to applicable law.

Section 5.04 No Duties Except as Specified in Indenture or Instructions. Loan Trustee shall not have any duty or obligation to manage, control, lease, use, sell, operate, store, dispose of or otherwise deal with the Aircraft or any other part of the Collateral, or to otherwise take or refrain from taking any action under, or in connection with, this Indenture, except as expressly provided by the terms of this Indenture or the Participation Agreement or as expressly provided in written instructions received pursuant to the terms of Section 5.01 or 5.02; and no implied duties or obligations shall be read into this Indenture against Loan Trustee.

Section 5.05 No Action Except under Indenture or Instructions. Loan Trustee will not manage, control, use, sell, lease, operate, store, dispose of or otherwise deal with the Aircraft or any other part of the Collateral except in accordance with the powers granted to, or the authority conferred upon, Loan Trustee pursuant to this Indenture and in accordance with the express terms hereof.

Section 5.06 Investment of Amounts Held by Loan Trustee. Any monies (including for the purpose of this Section 5.06 any amounts held by Loan Trustee pursuant to Section 3.02, 3.03 or 3.07 or pursuant to any provision of any other Operative Document providing for amounts to be held by Loan Trustee which are not distributed pursuant to the other provisions of Article III, or any cash received by Loan Trustee pursuant to Section 7.05(c) or 7.06(d) or otherwise, or Permitted Investments purchased by the use of such cash pursuant to this Section 5.06 or any cash constituting the proceeds of the maturity, sale or other disposition of any Permitted Investments) held by Loan Trustee hereunder as part of the Collateral, until paid out by Loan Trustee as herein provided, (i) subject to clause (ii) below and Section 3.07, may be carried by Loan Trustee on deposit with itself or on deposit to its account with any bank, trust company or national banking association incorporated or doing business under the laws of the United States or one of the states thereof having combined capital and surplus and retained earnings of at least \$100,000,000, and Loan Trustee shall not have any liability for

interest upon any such monies except as otherwise agreed in writing with Company, or (ii) at any time and from time to time, so long as no Event of Default shall have occurred and be continuing, at the request of Company, shall be invested and reinvested in Permitted Investments as specified in such request (if such investments are reasonably available for purchase) and sold, in any case at such prices, including accrued interest or its equivalent, as are set forth in such request, and, as provided in Section 3.07, such Permitted Investments shall be held by Loan Trustee in trust as part of the Collateral until so sold; provided that Company shall upon demand pay to Loan Trustee the amount of any loss realized upon maturity, sale or other disposition of any such Permitted Investment and, so long as no Event of Default or Payment Default shall have occurred and be continuing, Company shall be entitled to receive from Loan Trustee, and Loan Trustee shall promptly pay to Company, any profit, income, interest, dividend or gain realized upon maturity, sale or other disposition of any Permitted Investment. All Permitted Investments held by Loan Trustee pursuant to this Section 5.06 shall be held pursuant to Section 3.07. If an Event of Default or Payment Default shall have occurred and be continuing, any net income, profit, interest, dividend or gain realized upon maturity, sale or other disposition of any Permitted Investment shall be held as part of the Collateral and shall be applied by Loan Trustee at the same time, on the same conditions and in the same manner as the amounts in respect of which such income, profit, interest, dividend or gain was realized are required to be distributed in accordance with the provisions hereof pursuant to which such amounts were required to be held. Subject to Section 3.03, at such time as there shall not be continuing any such Event of Default or Payment Default, such income, profit, interest, dividend or gain shall be paid to Company. In addition, subject to Section 3.03, if any moneys or investments are held by Loan Trustee solely because an Event of Default or Payment Default has occurred and is continuing, at such time as there shall not be continuing any such Event of Default or Payment Default, such moneys and investments shall be paid to Company. Loan Trustee shall not be responsible for any losses on any investments or sales of Permitted Investments made pursuant to the procedure specified in this Section 5.06 other than by reason of its willful misconduct or negligence.

ARTICLE VI

Loan Trustee

Section 6.01 Acceptance of Trusts and Duties. U.S. Bank accepts the trusts and duties hereby created and applicable to it and agrees to perform such duties, but only upon the terms of this Indenture and agrees to receive, handle and disburse all monies received by it as Loan Trustee constituting part of the Collateral in accordance with such terms. U.S. Bank shall have no liability hereunder except (a) for its own willful misconduct or negligence, (b) as provided in the fourth sentence of Section 2.03 and the last sentence of Section 5.06, (c) for liabilities that may result from the inaccuracy of any representation or warranty of U.S. Bank in the Participation Agreement or expressly made hereunder and (d) as otherwise expressly provided in the Operative Documents.

For the avoidance of doubt, Loan Trustee shall also be accountable in its capacity as Securities Intermediary with respect to the Security Account, as set forth in Section 3.07.

Section 6.02 Absence of Certain Duties. Except in accordance with written instructions furnished pursuant to Section 5.01, 5.02 or 6.06, and except as provided in, and without limiting the generality of, Sections 5.02, 5.03 and 5.04, Loan Trustee shall have no duty (a) to see to any registration of the Aircraft or any recording or filing of this Indenture or any other document, or to see to the maintenance of any such registration, recording or filing, (b) to see to any insurance on the Aircraft or to effect or maintain any such insurance, whether or not Company is in default with respect thereto, (c) to confirm, verify or inquire into the failure to receive any financial statements of Company or (d) to inspect the Aircraft at any time or ascertain or inquire as to the performance or observance of any of Company's covenants hereunder with respect to the Aircraft.

Section 6.03 No Representations or Warranties as to the Documents. Except as provided in Article V of the Participation Agreement, Loan Trustee shall not be deemed to have made any representation or warranty as to the validity, legality or enforceability of any Operative Document or any other document or instrument, or as to the correctness of any statement (other than a statement by Loan Trustee) contained herein or therein, except that Loan Trustee hereby represents and warrants that each of said specified documents to which it is a party has been or will be duly executed and delivered by one of its officers who is and will be duly authorized to execute and deliver such document on its behalf.

Section 6.04 No Segregation of Monies; No Interest. Subject to Section 5.06 and except as provided in Section 3.07, all moneys received by Loan Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated from other funds except to the extent required by mandatory provisions of applicable law, and neither Loan Trustee nor any agent of Loan Trustee shall be under any liability for interest on any moneys received by it hereunder; provided that any payments received, or applied hereunder, by Loan Trustee shall be accounted for by Loan Trustee so that any portion thereof paid or applied pursuant hereto shall be identifiable as to the source thereof.

Section 6.05 Reliance; Agents; Advice of Counsel. Loan Trustee shall not incur any liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper reasonably believed by it to be genuine and reasonably believed by it to be signed by the proper party or parties. Loan Trustee may accept a copy of a resolution of the Board of Directors of any party to the Participation Agreement, certified by the Secretary or an Assistant Secretary of such party as duly adopted and in full force and effect, as conclusive evidence that such resolution has been duly adopted and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically described herein, Loan Trustee may for all purposes hereof rely on a certificate, signed by a duly authorized officer of Company, as to such fact or matter, and such certificate shall constitute full protection to Loan Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon. In the administration of the trusts hereunder, Loan Trustee may (a) execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents (including paying agents or registrars) or attorneys, and (b) at the expense of the Collateral, consult with counsel, accountants and other skilled Persons to be selected and retained by it; provided that, prior to retaining agents (including paying agents or registrars), counsel, accountants or other skilled Persons, so long as no Event of Default exists, Loan Trustee shall obtain Company's consent (such consent not to be unreasonably withheld). Loan Trustee shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled Persons acting within such counsel's, accountants' or Person's area of competence (so long as Loan Trustee shall have exercised reasonable care and judgment in selecting such Persons).

Section 6.06 Instructions from Noteholders. In the administration of the trusts created hereunder, Loan Trustee shall have the right to seek instructions from a Majority in Interest of Noteholders should any provision of this Indenture appear to conflict with any other provision herein or any other Operative Document or Pass Through Document or should Loan Trustee's duties or obligations hereunder be unclear, and Loan Trustee shall incur no liability in refraining from acting until it receives such instructions. Loan Trustee shall be fully protected for acting in accordance with any instructions received under this Section 6.06.

ARTICLE VII

(b) the rights of others under agreements or arrangements to the extent expressly permitted by this Indenture;

(c) Loan Trustee Liens, Noteholder Liens and Other Party Liens;

(f) Liens arising out of any judgment or award, so long as such judgment or award is, within 60 days after the entry thereof, discharged, vacated or reversed, or execution thereof stayed pending appeal or other judicial review or is discharged, vacated or reversed within 60 days after the expiration of such stay;

Section 7.02 Possession, Operation and Use, Maintenance and Registration.

(a) Possession. Without the prior written consent of Loan Trustee, Company shall not lease or otherwise in any manner deliver, transfer or relinquish possession of the Aircraft, the Airframe or any Engine or install any Engine, or permit any Engine to be installed, on any airframe other than the Airframe; provided that Company (or, except with respect to clauses (viii) and (ix) below, any Permitted Lessee) may without the prior written consent of Loan Trustee:

(i) subject the Airframe to interchange agreements or subject any Engine to interchange, pooling, borrowing or other similar agreements or arrangements, in each case entered into by Company (or any Permitted Lessee) in the ordinary course of its business; provided that (A) no such agreement or arrangement contemplates or requires the transfer of title to the Airframe and (B) if Company's title to any such Engine is divested under any such agreement or arrangement, such divestiture shall be deemed to be an Event of Loss with respect to such Engine, and Company shall (or shall cause any Permitted Lessee to) comply with Section 7.05(b) in respect thereof;

(ii) deliver possession of the Airframe or any Engine to (x) any Person for testing, service, repair, restoration, storage, maintenance or other similar purposes or for alterations, modifications or additions to the Airframe or such Engine to the extent required or permitted by the terms hereof or (y) to any Person for purposes of transport to a Person referred to in the preceding clause (x);

(iii) transfer or permit the transfer of possession of the Airframe or any Engine to any Government pursuant to a lease, contract or other instrument;

(iv) subject the Airframe or any Engine to the CRAF Program or transfer possession of the Airframe or any Engine to the United States government in accordance with applicable laws, rulings, regulations or orders (including, without limitation, any transfer of possession pursuant to the CRAF Program); provided that Company (or any Permitted Lessee) (A) shall promptly notify Loan Trustee upon transferring possession of the Airframe or any Engine pursuant to this clause (iv) and (B) in the case of a transfer of possession pursuant to the CRAF Program, shall notify Loan Trustee of the name and address of the responsible Contracting Office Representative for the Air Mobility Command of the United States Air Force or other appropriate Person to whom notices must be given and to whom requests or claims must be made to the extent applicable under the CRAF Program;

(v) install an Engine on an airframe owned by Company (or any Permitted Lessee) free and clear of all Liens, except (A) Permitted Liens and Liens that apply only to the engines (other than Engines), appliances, parts, instruments, appurtenances, accessories, furnishings and other equipment (other than Parts) installed on such airframe (but not to the airframe as an entirety) and (B) the rights of third parties under interchange, pooling, borrowing or other similar agreements or arrangements that would be permitted under clause (i) above;

(vi) install an Engine on an airframe leased to Company (or any Permitted Lessee) or purchased or owned by Company (or any Permitted Lessee) subject to a lease, conditional sale or other security agreement; provided that: (A) such airframe is free and clear of all Liens except (1) the rights of the parties to the lease or conditional sale or other security agreement covering such airframe, or their successors and assigns, and (2) Liens of the type permitted by clause (v) of this Section 7.02(a); and (B) either: (1) Company has obtained from the lessor, conditional vendor or secured party of such airframe a written agreement (which may be a copy of the lease, conditional sale or other security agreement covering such airframe), in form satisfactory to Loan Trustee (an agreement from such lessor, conditional vendor or secured party substantially in the form of the penultimate paragraph of this Section 7.02(a) being deemed to be

satisfactory to Loan Trustee), whereby such lessor, conditional vendor or secured party expressly agrees that neither it nor its successors or assigns will acquire or claim any right, title or interest in any Engine by reason of such Engine being installed on such airframe at any time while such Engine is subject to the Lien of this Indenture, or (2) such lease, conditional sale or other security agreement provides that such Engine shall not become subject to the Lien of such lease, conditional sale or other security agreement at any time while such Engine is subject to the Lien of this Indenture, notwithstanding its installation on such airframe;

(vii) install an Engine on an airframe owned by Company (or any Permitted Lessee), leased to Company (or any Permitted Lessee) or purchased by Company (or any Permitted Lessee) subject to a conditional sale or other security agreement under circumstances where neither clause (v) nor clause (vi) of this Section 7.02(a) is applicable; provided that such installation shall be deemed an Event of Loss with respect to such Engine, and Company shall comply with Section 7.05(b) in respect thereof, if such installation adversely affects Loan Trustee's security interest in such Engine, Loan Trustee not intending hereby to waive any right or interest it may have to or in such Engine under applicable law until compliance by Company with Section 7.05(b);

(viii) lease any Engine, the Airframe or the Airframe and Engines to any United States air carrier as to which there is in force a certificate issued pursuant to the Transportation Code (49 U.S.C. Sections 41101-41112) or successor provision that gives like authority; provided that no Event of Default exists at the time such lease is entered into; and

(ix) lease any Engine, the Airframe or the Airframe and Engines to (A) any foreign air carrier that is at the inception of the lease based in and a domiciliary of a country listed in Exhibit B hereto, (B) the manufacturer of the Airframe or any Engine (either directly or through an affiliate) and (C) any foreign air carrier consented to in writing by Loan Trustee with the consent of a Majority in Interest of Noteholders; provided that (w) no Event of Default exists at the time such lease is entered into, (x) in the case of a lease to any foreign air carrier (other than a foreign air carrier principally based in Taiwan), the United States maintains normal diplomatic relations with the country in which such foreign air carrier is based at the time such lease is entered into and in the case of a lease to a foreign air carrier principally based in Taiwan, the United States maintains diplomatic relations with Taiwan at least as good as those on the Closing Date, (y) in the case of a lease to any foreign air carrier, Company furnishes Loan Trustee with a certificate from a Responsible Officer of Company

certifying that there exist no possessory rights in favor of such lessee under the laws of such lessee's country which would, upon bankruptcy or insolvency of or other default by Company, and assuming at such time such lessee is not insolvent or bankrupt, prevent the taking of possession of any such Engine or the Airframe and any such Engine by Loan Trustee in accordance with and when permitted by the terms of Section 4.02 upon the exercise by Loan Trustee of its remedies under Section 4.02, and (z) in the case of any lease to a foreign air carrier, such carrier is not then subject to any bankruptcy, insolvency, liquidation, reorganization, dissolution or similar proceeding and shall not have substantially all of its property in the possession of any liquidator, trustee, receiver or similar person;

provided that the rights of any lessee or other transferee who receives possession of the Aircraft, the Airframe or any Engine by reason of a transfer permitted by this Section 7.02(a) (other than the transfer of an Engine which is deemed an Event of Loss) shall be subject and subordinate to, and any permitted lease shall be made expressly subject and subordinate to, all the terms of this Indenture, including Loan Trustee's rights to repossess pursuant to Section 4.02 and to avoid such lease upon such repossession, and Company shall remain primarily liable hereunder for the performance and observance of all of the terms and conditions of this Indenture to the same extent as if such lease or transfer had not occurred, any such lease shall include appropriate provisions for the maintenance and insurance of the Aircraft, the Airframe or such Engine, and no lease or transfer of possession otherwise in compliance with this Section shall (x) result in any registration or re-registration of the Aircraft except to the extent permitted in Section 7.02(e) or the maintenance, operation or use thereof that does not comply with Sections 7.02(b) and (c) or (y) permit any action not permitted to be taken by Company with respect to the Aircraft hereunder. Company shall promptly notify Loan Trustee and the Rating Agencies of the existence of any such lease with a term in excess of one year.

Loan Trustee, the Company Guarantee Beneficiary by its entry into the Company Guarantee, each Noteholder by acceptance of an Equipment Note, and each Related Noteholder by acceptance of a Related Equipment Note agrees, for the benefit of Company (and any Permitted Lessee) and for the benefit of the lessor, conditional vendor or secured party of any airframe or engine leased to Company (or any Permitted Lessee) or leased to or purchased or owned by Company (or any Permitted Lessee) subject to a conditional sale or other security agreement, that Loan Trustee, the Company Guarantee Beneficiary, Noteholders and Related Noteholders will not acquire or claim, as against Company (or any Permitted Lessee) or such lessor, conditional vendor or secured party, any right, title or interest in: (A) any engine or engines owned by Company (or any Permitted Lessee) or by the lessor under such lease or subject to a security interest in favor of the conditional vendor or secured party under any conditional sale or other security agreement as the result of such engine or engines being installed on the Airframe at any time while such engine or engines are subject to such lease or conditional sale or

other security agreement, or (B) any airframe owned by Company (or any Permitted Lessee) or by the lessor under such lease or subject to a security interest in favor of the conditional vendor or secured party under any conditional sale or other security agreement as the result of any Engine being installed on such airframe at any time while such airframe is subject to such lease or conditional sale or other security agreement.

Loan Trustee acknowledges that any “wet lease” or other similar arrangement under which Company (or any Permitted Lessee) maintains operational control of the Aircraft does not constitute a delivery, transfer or relinquishment of possession for purposes of this Section 7.02(a).

(b) Operation and Use. Company agrees that the Aircraft will not be used or operated in violation of any law, rule or regulation of any government of any country having jurisdiction over the Aircraft or in violation of any airworthiness certificate, license or registration relating to the Aircraft issued by any such government, except (i) immaterial or non-recurring violations with respect to which corrective measures are taken promptly by Company or a Permitted Lessee, as the case may be, upon discovery thereof or (ii) to the extent Company (or, if a Lease is then in effect, any Permitted Lessee) is contesting in good faith the validity or application of any such law, rule or regulation or airworthiness certificate, license or registration in any manner that does not involve any material risk of sale, forfeiture or loss of the Aircraft or impair the Lien of this Indenture; provided that Company shall not be in default under, or required to take any action set forth in, this sentence if it is not possible for it (or any Permitted Lessee) to comply with the laws of a jurisdiction other than the United States (or other than any jurisdiction in which the Aircraft is then registered) because of a conflict with the applicable laws of the United States (or such jurisdiction in which the Aircraft is then registered). Company shall also have the right to operate the Aircraft without having on board the original registration certificate or airworthiness certificate in the event that either or both such certificates disappear from the Aircraft, but only to the extent permitted by Exemption No. 5318 of the regulations of the FAA or other similar exemption. Company will not operate the Aircraft, or permit the Aircraft to be operated or located, (i) in any area excluded from coverage by any insurance required by the terms of Section 7.06 or (ii) in any war zone or recognized or, in Company’s judgment, threatened areas of hostilities unless covered by war risk insurance in accordance with Section 7.06, unless in the case of either clause (i) or (ii), (x) government indemnification complying with Sections 7.06(a) and (b) has been provided or (y) the Aircraft is only temporarily located in such area as a result of an isolated occurrence or isolated series of occurrences attributable to a hijacking, medical emergency, equipment malfunction, weather conditions, navigational error or other similar circumstances or any other circumstances beyond the reasonable control of Company (or any Permitted Lessee) and Company (or any Permitted Lessee) is using its good faith efforts to remove the Aircraft from such area as promptly as practicable.

(c) Maintenance. Company shall maintain, service, repair and overhaul the Aircraft (or cause the same to be done) in accordance with a maintenance program for aircraft of same manufacturer and model as the Aircraft approved by the FAA or, if the Aircraft is not registered in the United States, (1) the EASA, (2) the civil aviation authority of Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Ireland, Italy, Japan, the Netherlands, New Zealand, Norway, Spain, Switzerland or the United Kingdom, or (3) the central aviation authority of any country with aircraft maintenance standards that are substantially similar to those of the United States or any of the foregoing authorities or countries, (i) so as to keep the Aircraft in the condition and repair required to be maintained by the terms hereof and in such condition as may be necessary to enable the airworthiness certification of the Aircraft to be maintained in good standing at all times (other than (v) during temporary periods of storage, during maintenance, testing or modification permitted hereunder, (w) during periods of grounding by applicable governmental authorities, (x) during periods when the FAA or such other aviation authority has revoked or suspended the airworthiness certificates for aircraft of the same manufacturer and model as the Aircraft, (y) with respect to immaterial or non-recurring violations with respect to which corrective measures are taken promptly upon discovery thereof and (z) to the extent Company or any Permitted Lessee is promptly contesting in good faith the validity or application of any law or requirement relating to any such certification in any manner which does not create a material risk of sale, loss or forfeiture of the Aircraft, the Airframe or any Engine or the interest of Loan Trustee therein or any material risk of criminal liability or material civil penalty against Loan Trustee) under the Transportation Code, during such periods in which the Aircraft is registered under the laws of the United States, or, if the Aircraft is registered under the laws of any other jurisdiction, the applicable laws of such jurisdiction and (ii) using the same standards as Company (or a Permitted Lessee, if a Lease is in effect) uses with respect to similar aircraft operated by Company (or such Permitted Lessee) in similar circumstances (it being understood that the obligations pursuant to this clause (ii) do not limit Company's obligations under the preceding clause (i)). Company shall maintain or cause to be maintained all records, logs and other documents required to be maintained in respect of the Aircraft by appropriate authorities in the jurisdiction in which the Aircraft is registered.

(d) Identification of Loan Trustee's Interest. If not prevented by applicable law or regulations or by any government, Company agrees to affix as promptly as practicable after the Closing Date and thereafter to maintain in the flight deck of the Aircraft, in a clearly visible location, and on each Engine, a nameplate bearing the inscription "MORTGAGED TO U.S. BANK TRUST NATIONAL ASSOCIATION, AS LOAN TRUSTEE" (such nameplate to be replaced, if necessary, with a nameplate reflecting the name of any successor Loan Trustee). Such placards may be removed temporarily, if necessary, in the course of maintenance of the Airframe or Engines.

(e) Registration. Company shall cause the Aircraft to remain duly registered, under the laws of the United States, in the name of Company except as otherwise required by the Transportation Code; provided that Loan Trustee shall, at Company's expense, execute and deliver all such documents as Company may reasonably request for the purpose of continuing such registration. Notwithstanding the preceding sentence, Company, at its own expense, may cause or allow the Aircraft to be duly registered under the laws of any foreign jurisdiction in which a Permitted Lessee could be principally based, in the name of Company or of any nominee of Company, or, if required by applicable law, in the name of any other Person (and, following any such foreign registration, may cause the Aircraft to be re-registered under the laws of the United States); provided that in the case of jurisdictions other than those approved by Loan Trustee with the consent of a Majority in Interest of Noteholders (i) if such jurisdiction is at the time of registration listed on Exhibit B, Loan Trustee shall have received at the time of such registration an opinion of counsel to Company to the effect that (A) this Indenture and Loan Trustee's right to repossession hereunder is valid and enforceable under the laws of such country, (B) after giving effect to such change in registration, the Lien of this Indenture shall continue as a valid Lien and shall be duly perfected in the new jurisdiction of registration and that all filing, recording or other action necessary to perfect and protect the Lien of this Indenture has been accomplished (or if such opinion cannot be given at such time, (x) the opinion shall detail what filing, recording or other action is necessary and (y) Loan Trustee shall have received a certificate from a Responsible Officer of Company that all possible preparations to accomplish such filing, recording and other action shall have been done, and such filing, recording and other action shall be accomplished and a supplemental opinion to that effect shall be promptly delivered to Loan Trustee subsequent to the effective date of such change in registration), (C) the obligations of Company under this Indenture shall remain valid, binding and (subject to customary bankruptcy and equitable remedies exceptions and to other exceptions customary in foreign opinions generally) enforceable under the laws of such jurisdiction (or the laws of the jurisdiction to which the laws of such jurisdiction would refer as the applicable governing law), (D) all approvals or consents of any government in such jurisdiction having jurisdiction required for such change in registration shall have been duly obtained and shall be in full force and effect and (E) (unless Company shall have agreed to provide insurance covering the risk of requisition of use or title of the Aircraft by the government of such jurisdiction so long as the Aircraft is registered under the laws of such jurisdiction) the laws of such jurisdiction require fair compensation by the government of such jurisdiction payable in currency freely convertible into Dollars for the loss of use or title of the Aircraft in the event of requisition by such government of such use or title, and (ii) if such jurisdiction is at the time of registration not listed on Exhibit B, Loan Trustee shall have received (in addition to the opinions set forth in clause (i) above) at the time of such registration an opinion of counsel to Company to the effect that (A) the terms of this Indenture are legal, valid, binding and enforceable in such jurisdiction (subject to exceptions customary in such jurisdiction; provided that, subject to exceptions relating to bankruptcy, insolvency, reorganization, moratorium or similar

laws affecting the rights of creditors generally and exceptions relating to general principles of equity, such counsel shall opine that any applicable laws limiting the remedies provided in Section 4.02 do not in the opinion of such counsel make the remedies provided in Section 4.02 inadequate for the practical realization of the rights and benefits provided thereby), (B) it is not necessary for Loan Trustee to register or qualify to do business in such jurisdiction and (C) there is no tort liability of the lender of an aircraft not in possession thereof under the laws of such jurisdiction other than tort liability that might have been imposed on such lender under the laws of the United States or any state thereof (it being understood that such opinion shall be waived if insurance reasonably satisfactory to Loan Trustee is provided, at Company's expense, to cover such risk). Loan Trustee will cooperate with Company in effecting such foreign registration. Notwithstanding the foregoing, prior to any such change in the country of registry of the Aircraft, the following conditions shall be met (or waived as provided in Section 6.01(b) of the Participation Agreement):

(i) no Event of Default shall have occurred and be continuing at the effective date of the change in registration; provided that it shall not be necessary to comply with this condition if the change in registration results in the registration of the Aircraft under the laws of the United States or if a Majority in Interest of Noteholders consents to such change in registration;

(ii) Loan Trustee shall have received evidence of compliance with the insurance provisions contained herein after giving effect to such change in registration;

(iii) other than in the case of a change in registration to Taiwan, the proposed change in registration is made to a country with which the United States then maintains normal diplomatic relations, and in the case of a change in registration to Taiwan, the United States maintains diplomatic relations with Taiwan at least as good as those on the Closing Date; and

(iv) Company shall have paid or made provision reasonably satisfactory to Loan Trustee for the payment of all reasonable expenses (including reasonable attorneys' fees) of Loan Trustee and Noteholders in connection with such change in registration.

Company shall (i) from time to time, take such actions as may be required to be taken by Company so that any International Interest arising in relation to this Indenture, the Aircraft, any Replacement Aircraft, any Engine or Replacement Engine may be duly registered (and any such registration may be assigned, amended, extended or discharged) at the International Registry, and (ii) obtain from the International Registry all approvals as may be required duly and timely to perform Company's obligations under this Indenture with respect to the registration of any such International Interest. Loan Trustee shall take all actions necessary with respect to the International Registry to consent to Company's initiation of any registrations required under this Indenture to enable Company to complete such registrations, including, without limitation, appointing Crowe and Dunlevy, P.C. (or another qualified FAA counsel), as its "professional user entity" (as defined in the Cape Town Treaty) to consent to any registrations on the International Registry with respect to the Airframe or any Engine.

Section 7.03 Inspection; Financial Information.

(a) **Inspection.** At all reasonable times, but upon at least 15 Business Days' prior written notice to Company, Loan Trustee or its authorized representatives may, subject to the other conditions of this Section 7.03(a), inspect the Aircraft and may inspect the books and records of Company relating to the maintenance of the Aircraft required to be maintained by the FAA or the government of another jurisdiction in which the Aircraft is then registered; provided that (i) Loan Trustee or its representatives, as the case may be, shall be fully insured at no cost to Company or any Permitted Lessee in a manner satisfactory to Company and such Permitted Lessee with respect to any risks incurred in connection with any such inspection or shall provide to Company and such Permitted Lessee a written release satisfactory to Company and such Permitted Lessee with respect to such risks, (ii) any such inspection shall be during Company's or Permitted Lessee's, as the case may be, normal business hours and subject to the safety, security and workplace rules applicable at the location where such inspection is conducted and any applicable governmental rules or regulations, (iii) any such inspection of the Aircraft shall be a visual, walk-around inspection of the interior and exterior of the Aircraft and shall not include opening any panels, bays or the like without Company's express consent, which consent Company may in its sole discretion withhold, and (iv) no exercise of such inspection right shall interfere with the use, operation or maintenance of the Aircraft by, or the business of, Company or any Permitted Lessee and Company and any Permitted Lessee shall not be required to undertake or incur any additional liabilities in connection therewith. All information obtained in connection with any such inspection of the Aircraft and of such books and records shall be Confidential Information and shall be treated by Loan Trustee and its representatives in accordance with the provisions of Section 10.16. Any inspection pursuant to this Section 7.03(a) shall be at the sole risk (including, without limitation, any risk of personal injury or death) and expense of Loan Trustee (or its representatives) making such inspection. Except during the continuance of an Event of Default, all inspections by Loan Trustee and its representatives provided for under this Section 7.03(a) shall be limited to one inspection of any kind contemplated by this Section 7.03(a) during any consecutive twelve month period.

(b) **Financial Information.** So long as any of the Secured Obligations remain unpaid, Company agrees to furnish to Loan Trustee: (i) within 60 days after the end of each of the first three quarterly periods in each fiscal year of Company, either (x) a consolidated balance sheet of Company and its consolidated subsidiaries prepared by it as of the close of such period, together with the related consolidated statements of income for such period or (y) a report of Company on Form 10-Q in respect of such period in the form filed with the Securities and Exchange Commission and (ii) within 120 days after the close of each fiscal year of Company, either (x) a consolidated balance sheet of Company and its consolidated subsidiaries as of the close of such fiscal year, together with the related consolidated statements of income for such fiscal year, certified by independent public accountants, or (y) a report of Company on Form 10-K in respect of such year in the form filed with the Securities and Exchange Commission. The items required to be furnished pursuant to clause (i) and clause (ii) above shall be deemed to have been furnished on the date on which such item is posted on the Securities and Exchange Commission's website at www.sec.gov, and such posting shall be deemed to satisfy the requirements of clause (i) and clause (ii); provided that Company will deliver a paper copy of any item referred to in clause (i) and clause (ii) above if Loan Trustee so requests.

Section 7.04 Replacement and Pooling of Parts; Alterations, Modifications and Additions; Substitution of Airframe and Engines.

(a) **Replacement of Parts.** Company shall (or shall cause a Permitted Lessee to) promptly replace or cause to be replaced all Parts incorporated or installed in or attached to the Airframe or any Engine and that become worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or rendered permanently unfit for use for any reason, except as otherwise provided in Section 7.04(c) or if the Airframe or an Engine to which a Part relates has suffered an Event of Loss. In addition, Company (or any Permitted Lessee) may remove (or cause to be removed) in the ordinary course of maintenance, service, repair, overhaul or testing, any Parts, whether or not worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or rendered permanently unfit for use; provided that Company (or any Permitted Lessee), except as otherwise provided in Section 7.04(c), will replace such Parts as promptly as practicable. All replacement Parts shall be free and clear of all Liens (except for Permitted Liens and except in the case of replacement property temporarily installed on an emergency basis) and shall be in good operating condition. Except as otherwise provided in Section 7.04(c), any Part removed from the Airframe or any Engine shall remain subject to the Lien of this Indenture no matter where located until it is replaced by a part incorporated or installed in or attached to the Airframe or such Engine that meets the requirements for replacement Parts specified above. Immediately upon any replacement Part becoming incorporated or installed in or attached to the Airframe or any Engine as above provided (except in the case of replacement property temporarily installed on an emergency basis),

without further act, (i) the replaced Part shall thereupon be free and clear of all rights of Loan Trustee and of the Lien of this Indenture and shall no longer be deemed a Part hereunder, and (ii) such replacement Part shall become subject to the Lien of this Indenture and be deemed a Part of the Airframe or such Engine for all purposes to the same extent as the Parts originally incorporated or installed in or attached to the Airframe or such Engine. Upon request of Company from time to time, Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company confirming the release of any such replaced Part from the Lien of this Indenture.

(b) Pooling of Parts. Any Part removed from the Airframe or any Engine as provided in Section 7.04(a) may be subjected by Company or a Person permitted to be in possession of the Airframe or such Engine to a pooling arrangement entered into in the ordinary course of Company's or such Person's business; provided that the part replacing such removed Part shall be incorporated or installed in or attached to the Airframe or such Engine in accordance with Section 7.04(a) as promptly as practicable after the removal of such removed Part. In addition, any replacement Part when incorporated or installed in or attached to the Airframe or any Engine may be owned by any third party subject to such a pooling arrangement; provided that Company, at its expense, as promptly thereafter as practicable either (i) causes title to such replacement Part to vest in Company free and clear of all Liens (except Permitted Liens), or (ii) replaces (or causes to be replaced) such replacement Part by incorporating or installing in or attaching to the Airframe or such Engine a further replacement Part in the manner contemplated by Section 7.04(a).

(c) Alterations, Modifications and Additions. Company will, or will cause a Permitted Lessee to, make (or cause to be made) such alterations and modifications in and additions to the Airframe and the Engines as are required from time to time to meet the applicable requirements of the FAA or any applicable government of any other jurisdiction in which the Aircraft is then registered; except for (i) immaterial and non-recurring violations with respect to which corrective measures are being taken promptly by Company (or, if a Lease is then in effect, any Permitted Lessee) upon discovery thereof and (ii) any law, rule, regulation or order the validity or application of which is being contested in good faith by Company (or, if a Lease is then in effect, any Permitted Lessee) in any manner which does not involve any material risk of sale, loss or forfeiture of the Aircraft and does not materially adversely affect Loan Trustee's interest in the Aircraft. In addition, Company (or any Permitted Lessee), at its own expense, may from time to time add further parts or accessories and make or cause to be made such alterations and modifications in and additions to the Airframe or any Engine as Company (or any Permitted Lessee) deems desirable in the proper conduct of its business, including, without limitation, removal (without replacement) of Parts; provided that no such alteration, modification or addition shall materially diminish the value or utility of the Airframe or such Engine below its value or utility immediately prior to such

alteration, modification or addition, assuming that the Airframe or such Engine was then in the condition required to be maintained by the terms of this Indenture, except that the value (but not the utility) of the Airframe or any Engine may be reduced by the value of any such Parts that are removed that Company (or such Permitted Lessee) deems obsolete or no longer suitable or appropriate for use on the Airframe or any Engine. For the avoidance of doubt, Company may make alterations in the passenger configuration of the Aircraft and such alterations shall not be subject to the immediately preceding sentence. All Parts incorporated or installed in or attached or added to the Airframe or any Engine as the result of such alteration, modification or addition shall, without further act, be subject to the Lien of this Indenture. Notwithstanding the foregoing, Company (or any Permitted Lessee) may, at any time, remove any Part from the Airframe or any Engine if such Part: (i) is in addition to, and not in replacement of or substitution for, any Part originally incorporated or installed in or attached to the Airframe or such Engine at the time of delivery thereof to Company or any Part in replacement of, or substitution for, any such Part, (ii) is not required to be incorporated or installed in or attached or added to the Airframe or such Engine pursuant to the first sentence of this Section 7.04(c) and (iii) can be removed from the Airframe or such Engine without materially diminishing the value or utility required to be maintained by the terms of this Indenture that the Airframe or such Engine would have had had such Part never been installed on the Airframe or such Engine. Upon the removal by Company (or any Permitted Lessee) of any Part as permitted by this Section 7.04(c), such removed Part shall, without further act, be free and clear of all rights and interests of Loan Trustee and the Lien of this Indenture and shall no longer be deemed a Part hereunder. Upon request of Company from time to time, Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company confirming the release of any such removed Part from the Lien of this Indenture. Loan Trustee acknowledges that it has no interest in the Excluded Equipment. Notwithstanding the provisions of this Section 7.04(c) or any other term or condition of this Indenture, Company (or any Permitted Lessee) may from time to time install on, and remove from, the Aircraft equipment that is owned by, leased to or conditionally sold to Company (or any Permitted Lessee) (and title to such equipment shall remain vested in Company, such Permitted Lessee, or the lessor or the conditional vendor thereof) if (1) such equipment is Excluded Equipment and (2) the location affected by any such removal, if damaged, is repaired prior to return, in a workmanlike manner, to a condition suitable for commercial passenger service; provided that all costs of installation, removal and replacement shall be the responsibility of Company.

(d) Substitution of Engines. Company shall have the right at its option at any time and from time to time, on at least 30 days' prior written notice to Loan Trustee, to substitute a Replacement Engine for any Engine. In such event, and prior to the date of such substitution, Company shall replace such Engine by complying with the terms of Section 7.05(b) to the same extent as if an Event of Loss had occurred with respect to such Engine.

(e) Substitution of Airframe. Company shall have the right at its option at any time and from time to time, on at least 10 Business Days' prior written notice to Loan Trustee, to substitute a Substitute Airframe, free and clear of all Liens (other than Permitted Liens), for the Airframe so long as (i) no Event of Default shall have occurred and be continuing at the time of substitution, (ii) the Substitute Airframe has a date of manufacture no earlier than one year prior to the date of manufacture of the Airframe subject to the Lien of this Indenture on the Closing Date (each such date of manufacture, in each case, to be deemed to be the date of original delivery of the applicable airframe to a customer by the Manufacturer) and (iii) the Substitute Airframe has a MCMV (as defined below) at least equal to the MCMV of the Airframe being replaced by the Substitute Airframe (assuming that the Airframe had been maintained in accordance with this Indenture), in each case as determined by a desktop appraisal dated as of a date within the 60-day period prior to the substitution performed by an Appraiser selected by Company. "MCMV" is the "current market value" (as defined by the International Society of Transport Aircraft Trading or any successor organization) adjusted for the maintenance status of the Substitute Airframe and the Airframe being replaced by the Substitute Airframe, as applicable, such maintenance status to be based upon maintenance data provided by Company to the applicable Appraiser with respect to the Substitute Airframe and such Airframe as of the same date within the 60-day period prior to the substitution for both the Substitute Airframe and such Airframe.

Prior to or at the time of any substitution under this Section 7.04(e), Company will (A) cause an Indenture Supplement covering such Substitute Airframe to be delivered to Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Transportation Code or the applicable laws of any other jurisdiction in which the Aircraft may then be registered, (B) cause the sale of such Substitute Airframe to Company (if occurring after February 28, 2006 and if the seller of such Substitute Airframe is "situated in" a country that has ratified the Cape Town Convention) and the International Interest created pursuant to the Indenture Supplement in favor of Loan Trustee with respect to such Substitute Airframe to be registered on the International Registry as a sale or an International Interest, respectively; provided that if the seller of such Substitute Airframe is not situated in a country that has ratified the Cape Town Convention, Company will use its reasonable efforts to cause the seller to register the contract of sale on the International Registry, (C) cause a financing statement or statements with respect to such Substitute Airframe or other requisite documents or instruments to be filed in such place or places as necessary in order to perfect Loan Trustee's interest therein in the United States, or in any other jurisdiction in which the Aircraft may then be registered, (D) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) addressed to Loan Trustee to the effect that upon such substitution, such Substitute Airframe will be subject to the Lien of this Indenture and addressing the matters set forth in clauses (A), (B) and (C), (E) furnish Loan Trustee with evidence of compliance with the insurance provisions of Section 7.06

with respect to such Substitute Airframe, (E) furnish Loan Trustee with a copy of the original bill of sale in respect of such Substitute Airframe and (G) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) in form reasonably satisfactory to Loan Trustee to the effect that Loan Trustee will be entitled to the benefits of Section 1110 with respect to the Substitute Airframe; provided that (i) such opinion need not be delivered to the extent that the benefits of Section 1110 were not, by reason of a change in law or governmental or judicial interpretation thereof, available to Loan Trustee with respect to the Aircraft immediately prior to such substitution and (ii) such opinion may contain qualifications and assumptions of the tenor contained in the opinion of counsel to Company delivered pursuant to Section 3.01 of the Participation Agreement on the Closing Date and such other qualifications and assumptions as shall at the time be customary in opinions rendered in comparable circumstances.

In the case of the Substitute Airframe subjected to the Lien of this Indenture under this Section 7.04(e), promptly upon the recordation of the Indenture Supplement covering such Substitute Airframe pursuant to the Transportation Code (or pursuant to the applicable law of such other jurisdiction in which such Substitute Airframe is registered), Company will cause to be delivered to Loan Trustee a favorable opinion of aviation law counsel to Company (which may be internal counsel of Company) addressed to Loan Trustee as to the due registration of the aircraft to which the Substitute Airframe is part and the due recordation of such Indenture Supplement or such other requisite documents or instruments, the registration with the International Registry of the sale of such Substitute Airframe to Company (if occurring after February 28, 2006 and if the seller of such Substitute Airframe is "situated in" a country that has ratified the Cape Town Convention) and of the International Interests created pursuant to the Indenture Supplement with respect to such Substitute Airframe and the validity and perfection of the security interest in the Substitute Airframe granted to Loan Trustee under this Indenture.

For all purposes hereof, upon the attachment of the Lien of this Indenture thereto, the Substitute Airframe shall become part of the Collateral and shall be deemed an "Airframe" as defined herein. Upon compliance with clauses (A) through (G) of the second preceding paragraph, Loan Trustee shall execute and deliver to Company an appropriate instrument releasing the replaced Airframe, all proceeds (including, without limitation, insurance proceeds, if any), the Warranty Rights in respect of such replaced Airframe and all rights relating to the foregoing, from the Lien of this Indenture, and will take such actions as may be required to be taken by Loan Trustee to cancel or release any International Interest of Loan Trustee registered with the International Registry in relation to such replaced Airframe.

Section 7.05 Loss, Destruction or Requisition.

(a) Event of Loss with Respect to the Airframe. Upon the occurrence of an Event of Loss with respect to the Airframe or the Airframe and the Engines then installed thereon, Company shall as soon as practicable (and, in any event, within 30 days after an Event of Loss has occurred) notify Loan Trustee of such Event of Loss, and, within 90 days after such Event of Loss, Company shall give Loan Trustee written notice of its election to perform one of the following options (it being agreed that if Company has not given such notice of election within such 90-day period, Company shall be deemed to have elected to perform the option set forth in the following clause (ii)). Company may elect either to:

(i) substitute, on or before the Loss Payment Date (as defined below), as replacement for the Airframe or Airframe and Engines with respect to which an Event of Loss has occurred, a Replacement Airframe (together with a number of Replacement Engines equal to the number of Engines, if any, with respect to which the Event of Loss occurred), such Replacement Airframe and Replacement Engines to be owned by Company free and clear of all Liens (other than Permitted Liens); provided that if Company has not performed such obligation on or prior to the Loss Payment Date, then Company shall on the Loss Payment Date redeem the Equipment Notes in full in accordance with Section 2.10; or

(ii) redeem, on or before the Loss Payment Date, the Equipment Notes in full in accordance with Section 2.10. Company shall give Loan Trustee 20 days' prior written notice if it elects to redeem the Equipment Notes on any day prior to the Loss Payment Date.

The "Loss Payment Date" with respect to an Event of Loss means the Business Day next succeeding the 120th day following the date of occurrence of such Event of Loss.

If Company elects to substitute a Replacement Airframe (or a Replacement Airframe and one or more Replacement Engines, as the case may be) Company shall, at its sole expense, not later than the Loss Payment Date, (A) cause an Indenture Supplement for such Replacement Airframe and Replacement Engines, if any, to be delivered to Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Transportation Code or the applicable laws of such other jurisdiction in which the Aircraft is then registered, (B) cause the sale of such Replacement Airframe and Replacement Engines, if any, to Company (if occurring after

February 28, 2006 and if the seller of such Replacement Airframe and Replacement Engines, if any, is “situated in” a country that has ratified the Cape Town Convention) and the International Interest created pursuant to the Indenture Supplement in favor of Loan Trustee with respect to such Replacement Airframe and Replacement Engines, if any, each to be registered on the International Registry as a sale or an International Interest, respectively; provided that if the seller of such Replacement Airframe and Replacement Engines, if any, is not situated in a country that has ratified the Cape Town Convention, Company will use its reasonable efforts to cause the seller to register the contract of sale on the International Registry, (C) cause a financing statement or statements with respect to the Replacement Airframe and Replacement Engines, if any, or other requisite documents or instruments to be filed in such place or places as necessary in order to perfect Loan Trustee’s interest therein in the United States, or in any other jurisdiction in which the Aircraft is then registered, (D) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) addressed to Loan Trustee to the effect that upon such replacement, such Replacement Airframe and Replacement Engines, if any, will be subject to the Lien of this Indenture and addressing the matters set forth in clauses (A), (B) and (C), (E) furnish Loan Trustee with a certificate of an independent aircraft engineer or appraiser, certifying that the Replacement Airframe and Replacement Engines, if any, have a value and utility at least equal to (but in any event without regard to component modification status or the number of hours or cycles, in either case since new, since a maintenance task of any kind, or remaining (or expected to remain) until a future maintenance task of any kind) the Airframe and Engines, if any, so replaced, assuming the Airframe and such Engines were in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss, (F) furnish Loan Trustee with evidence of compliance with the insurance provisions of Section 7.06 with respect to such Replacement Airframe and Replacement Engines, if any, (G) furnish Loan Trustee with a copy of the original bill of sale in respect of such Replacement Airframe and a copy of the original bill of sale or, if the bill of sale is unavailable, other evidence of ownership in form reasonably satisfactory to Loan Trustee (which may be a copy of an invoice or purchase order) in respect of such Replacement Engines, if any, and (H) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) in form reasonably satisfactory to Loan Trustee to the effect that Loan Trustee will be entitled to the benefits of Section 1110 with respect to the Replacement Airframe; provided that (i) such opinion need not be delivered to the extent that the benefits of Section 1110 were not, by reason of a change in law or governmental or judicial interpretation thereof, available to Loan Trustee with respect to the Aircraft immediately prior to such substitution and (ii) such opinion may contain qualifications and assumptions of the tenor contained in the Section 1110 opinion of counsel to Company delivered pursuant to Section 3.01 of the Participation Agreement on the Closing Date and such other qualifications and assumptions as are at the time customary in opinions rendered in comparable circumstances.

In the case of each Replacement Airframe or Replacement Airframe and one or more Replacement Engines subjected to the Lien of this Indenture under this Section 7.05(a), promptly upon the recordation of the Indenture Supplement covering any such Replacement Airframe and Replacement Engines, if any, pursuant to the Transportation Code (or pursuant to the applicable law of such other jurisdiction in which such Replacement Airframe and Replacement Engines, if any, are registered), Company will cause to be delivered to Loan Trustee a favorable opinion of FAA counsel selected by Company if at the time of the Event of Loss the Aircraft was registered under the laws of the United States (or, if at the time of the Event of Loss the Aircraft was registered under the laws of another jurisdiction, counsel qualified to opine on matters of registration in such jurisdiction selected by Company, which counsel shall be reasonably satisfactory to Loan Trustee) addressed to Loan Trustee as to the due registration of such Replacement Aircraft and the due recordation of such Indenture Supplement or such other requisite documents or instruments, the registration with the International Registry of the sale of such Replacement Airframe and Replacement Engines, if any, to Company (if occurring after February 28, 2006 and if the seller of such Replacement Airframe and Replacement Engines, if any, is “situated in” a country that has ratified the Cape Town Convention) and of the International Interests created pursuant to the Indenture Supplement with respect to such Replacement Airframe and Replacement Engines, if any, and the validity and perfection of the security interest in the Replacement Aircraft granted to Loan Trustee under this Indenture.

For all purposes hereof, upon the attachment of the Lien of this Indenture thereto, the Replacement Aircraft and Replacement Engines, if any, shall become part of the Collateral, the Replacement Airframe shall be deemed an “Airframe” as defined herein, and each such Replacement Engine shall be deemed an “Engine” as defined herein. Upon compliance with clauses (A) through (H) of the third paragraph of this Section 7.05(a), Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company releasing such replaced Airframe and Engines (if any) installed thereon at the time such Event of Loss occurred, all proceeds (including, without limitation, insurance proceeds), the Warranty Rights in respect of such replaced Airframe and Engines (if any) and all rights relating to the foregoing, from the Lien of this Indenture, and assigning to Company all claims against third Persons for damage to or loss of the Airframe and Engines arising from the Event of Loss, and will take such actions as may be required to be taken by Loan Trustee to cancel or release any International Interest of Loan Trustee registered with the International Registry in relation to the replaced Airframe and replaced Engines, if any.

If, after an Event of Loss, Company performs the option set forth in clause (ii) of the first paragraph of this Section 7.05(a), Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company releasing the Aircraft, all proceeds (including, without limitation, insurance proceeds), the Warranty Rights in respect of the Aircraft and all rights relating to the foregoing from the Lien of this Indenture, and assigning to Company all claims against third Persons for damage to or loss of the Aircraft arising from the Event of Loss, and will take such actions as may be required to be taken by Loan Trustee to cancel or release any International Interest of Loan Trustee registered with the International Registry in relation to the Airframe and Engines, if any, with respect to which such Event of Loss occurred.

(b) Event of Loss with Respect to an Engine. As soon as practicable following the occurrence of an Event of Loss with respect to an Engine under circumstances in which there has not occurred an Event of Loss with respect to the Airframe, Company shall give Loan Trustee prompt written notice thereof and shall, within 120 days after the occurrence of such Event of Loss, cause to be subjected to the Lien of this Indenture, as replacement for the Engine with respect to which such Event of Loss occurred, a Replacement Engine free and clear of all Liens (other than Permitted Liens).

Prior to or at the time of any replacement under this Section 7.05(b), Company will (i) cause an Indenture Supplement covering such Replacement Engine to be delivered to Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Transportation Code or the applicable laws of any other jurisdiction in which the Aircraft is then registered, (ii) furnish Loan Trustee with a copy of the original bill of sale or, if the bill of sale is unavailable, other evidence of ownership in form reasonably satisfactory to Loan Trustee (which may be a copy of an invoice or purchase order) in respect of such Replacement Engine, which in the case of any such conveyance to which the Cape Town Convention is applicable shall be in such form as will qualify as “contract of sale” pursuant to Article V of the Aircraft Protocol, and all documents required under the Operative Documents to establish, continue, confirm, register and/or perfect the interests of Loan Trustee in such Replacement Engine, (iii) cause the sale of such Replacement Engine to Company (if occurring after February 28, 2006 and if the seller of such Replacement Engine is “situated in” a country that has ratified the Cape Town Convention) and the International Interest created pursuant to the Indenture Supplement in favor of Loan Trustee with respect to such Replacement Engine, each to be registered on the International Registry as a sale or an International Interest, respectively; provided that if the seller of such Replacement Engine is not situated in a country that has ratified the Cape Town Convention, Company will use its reasonable efforts to cause the seller to register the contract of sale on the International Registry, (iv) cause a financing statement or statements with respect to such Replacement Engine or other requisite documents or instruments to be filed in such place or places as necessary in order to perfect Loan Trustee’s interest therein in the United States, or in such other jurisdiction in which the Engine is then registered, (v) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) addressed to Loan Trustee to the effect that, upon such replacement, the Replacement

Engine will be subject to the Lien of this Indenture, (vi) furnish Loan Trustee with a certificate of an aircraft engineer (who may be an employee of Company) or appraiser certifying that such Replacement Engine has a value and utility at least equal to (but in any event without regard to component modification status or the number of hours or cycles, in either case since new, since a maintenance task of any kind, or remaining (or expected to remain) until a future maintenance task of any kind) the Engine so replaced assuming such Engine was in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss and (vii) furnish Loan Trustee with evidence of compliance with the insurance provisions of Section 7.06 with respect to such Replacement Engine. In the case of each Replacement Engine subjected to the Lien of this Indenture under this Section 7.05(b), promptly upon the recordation of the Indenture Supplement covering such Replacement Engine pursuant to the Transportation Code (or pursuant to the applicable law of such other jurisdiction in which the Aircraft is registered), Company will cause to be delivered to Loan Trustee an opinion of FAA counsel selected by Company if at the time of the Event of Loss the Aircraft was registered under the laws of the United States (or, if at the time of the Event of Loss the Aircraft was registered under the laws of another jurisdiction, counsel qualified to opine on matters of registration in such jurisdiction selected by Company, which counsel shall be reasonably satisfactory to Loan Trustee) addressed to Loan Trustee as to the due recordation of such Indenture Supplement or such other requisite documents or instruments, the registration with the International Registry of the sale of such Replacement Engine to Company (if occurring after February 28, 2006 and if the seller of such Replacement Engine is "situated in" a country that has ratified the Cape Town Convention) and of the International Interest created pursuant to the Indenture Supplement with respect to such Replacement Engine and the validity and perfection of the security interest in the Replacement Engine granted to Loan Trustee under this Indenture. For all purposes hereof, upon the attachment of the Lien of this Indenture thereto, the Replacement Engine shall become part of the Collateral and shall be deemed an "Engine" as defined herein. Upon compliance with clauses (i) through (vii) of the first sentence of this paragraph, Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company releasing such replaced Engine, any proceeds (including, without limitation, insurance proceeds) and all rights relating to any of the foregoing from the Lien of this Indenture and assigning to Company all claims against third Persons for damage to or loss of such Engine arising from the Event of Loss, and will take such actions as may be required to be taken by Loan Trustee to cancel or release any International Interest of Loan Trustee registered with the International Registry in relation to the Engines with respect to which such Event of Loss occurred.

(c) Application of Payments for Event of Loss from Requisition of Title or Use. Any payments other than insurance proceeds (the application of which is provided for in Section 7.06) received at any time by Company or by Loan Trustee from any government or other Person with respect to an Event of Loss to the Airframe or any Engine, will be applied as follows:

(i) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has been or is being replaced by Company pursuant to Section 7.05(a), such payments shall be paid over to, or retained by, Loan Trustee and upon completion of such replacement shall be paid over to, or retained by, Company;

(ii) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has not been and will not be replaced pursuant to Section 7.05(a), so much of such payments remaining after reimbursement of Loan Trustee for its actual and reasonable out-of-pocket costs and expenses that shall not exceed the amounts required to be paid by Company to Noteholders pursuant to Section 2.10 shall be applied in reduction of Company's obligation to pay such amounts, if not already paid by Company, or, if already paid by Company, shall be applied to reimburse Company for its payment of such amount and the balance, if any, of such payment remaining thereafter will be paid over to, or retained by, Company; and

(iii) if such payments are received with respect to an Engine with regard to which an Event of Loss has occurred, so much of such payments remaining after reimbursement of Loan Trustee for its actual and reasonable out-of-pocket costs and expenses shall be paid over to, or retained by, Company; provided that Company has fully performed its obligations under Section 7.05(b) with respect to the Event of Loss for which such payments are made.

(d) Requisition for Use by the Government of the Airframe and the Engines Installed Thereon. In the event of the requisition for use or hire by any government (it being acknowledged that the use of the Airframe or any Engine pursuant to the CRAF Program does not constitute such a requisition or hire) of the Airframe and the Engines or engines installed on the Airframe that does not constitute an Event of Loss, all of Company's rights and obligations under this Indenture with respect to the Airframe and such Engines shall continue to the same extent as if such requisition or hire had not occurred; provided that, notwithstanding the foregoing, Company's obligations other than payment obligations shall only continue to the extent feasible. All payments received by Company or Loan Trustee from such government for such requisition of the Airframe and Engines or engines shall be paid over to, or retained by, Company.

(e) Requisition for Use by the Government of an Engine not Installed on the Airframe. If any government requisitions the use or hire (it being acknowledged that the use of the Airframe or any Engine pursuant to the CRAF Program does not constitute such a requisition), for a period in excess of sixty (60) days, of any Engine not then installed on the Airframe, Company will replace such Engine by complying with the terms of Section 7.05(b) to the same extent as if an Event of Loss had occurred with respect to such Engine. Upon such replacement, any payments received by Company or Loan Trustee from such government with respect to such requisition shall be paid over to, or retained by, Company.

(f) Application of Payments During Existence of Event of Default. Any amount referred to in Section 7.05 that is payable to or retainable by Company shall not be paid to or retained by Company if at the time of such payment or retention an Event of Default or Payment Default has occurred and is continuing, but shall be held by or paid over to Loan Trustee as security for the obligations of Company under this Indenture and the Participation Agreement. When any such Event of Default or Payment Default ceases, such amount shall be paid to Company.

Section 7.06 Insurance.

(a) Aircraft Liability Insurance.

(i) Except as provided in clause (ii) of this subsection (a), and subject to the rights of Company to establish and maintain self-insurance in the manner and to the extent specified in Section 7.06(c), Company will carry, or cause to be carried, at no expense to Loan Trustee, aircraft liability insurance (including, but not limited to, bodily injury, personal injury and property damage liability, exclusive of manufacturer's product liability insurance) and contractual liability insurance with respect to the Aircraft (A) in amounts per occurrence that are not less than the aircraft liability insurance applicable to similar aircraft and engines in Company's fleet on which Company carries insurance (or, in the case of a lease to a Permitted Lessee, in such Permitted Lessee's fleet on which such Permitted Lessee carries insurance); provided that such liability insurance (including self-insurance specified in Section 7.06(c)) shall not be less than the amount (the Minimum Insurance Amount) certified in the insurance report delivered to Loan Trustee and each Liquidity Provider on the Closing Date, (B) of the type usually carried by corporations engaged in the same or similar business, similarly situated with Company or such Permitted Lessee, as the case may be, and owning or operating similar aircraft and engines and covering risks of the kind customarily insured against by Company or such Permitted Lessee, as the case may be, and (C) that is maintained in effect with insurers of recognized responsibility;

provided that Company will carry, or cause to be carried, at no expense to Loan Trustee, aircraft liability war risk and allied perils insurance if and to the extent the same is maintained by Company or such Permitted Lessee, as the case may be, with respect to other similar aircraft operated by Company or such Permitted Lessee, as the case may be, on the same or similar routes. Any policies of insurance carried in accordance with this Section 7.06(a) and any policies taken out in substitution or replacement for any of such policies shall (A) name Loan Trustee, Subordination Agent, each Pass Through Trustee and each Liquidity Provider as their Interests (as defined below in this Section 7.06) may appear, as additional insureds (the “Additional Insureds”), (B) subject to the conditions of clause (C) below, provide that, in respect of the interests of the Additional Insureds in such policies, the insurance shall not be invalidated by any action or inaction of Company (or any Permitted Lessee) and shall insure the Additional Insureds’ Interests as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by Company (or any Permitted Lessee), (C) provide that, except to the extent not provided for by the war risk and allied perils insurance provider (in which case the last sentence of this Section 7.06(a)(i) applies), if such insurance is canceled for any reason whatsoever, or if any change is made in the policy that materially reduces the amount of insurance or the coverage certified in the insurance report delivered on the Closing Date to Loan Trustee and each Liquidity Provider, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to any Additional Insured for 30 days (seven days, or such other period as is customarily available in the industry, in the case of any war risk or allied perils coverage) after receipt by such Additional Insured of written notice from such insurers of such cancellation, change or lapse, (D) provide that the Additional Insureds shall have no obligation or liability for premiums, commissions, assessments or calls in connection with such insurance, (E) provide that the insurers shall waive any rights of (1) set-off, counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of the Additional Insureds to the extent of any moneys due to the Additional Insureds and (2) subrogation against the Additional Insureds to the extent that Company or, if applicable, such Permitted Lessee has waived its rights by its agreements to indemnify the Additional Insureds pursuant to the Operative Documents or, if applicable, pursuant to the lease to such Permitted Lessee, (F) be primary without right of contribution from any other insurance that may be carried by each Additional Insured with respect to its Interests as such in the Aircraft and (G) expressly provide that all of the provisions thereof, except the limits of liability, shall operate in the same manner as if there were a separate policy covering each insured. “Interests” as used in this Section 7.06(a) and in Section 7.06(b) with respect to any Person means the interests of such Person in the transactions contemplated by the Operative Documents. In the case of a lease or contract with any government in respect of the Aircraft, the Airframe or any

Engine, or in the case of any requisition for use of the Aircraft, the Airframe or any Engine by any government, a valid agreement by such government to indemnify Company, or an insurance policy issued by such government, against any of the risks that Company is required hereunder to insure against shall be considered adequate insurance for purposes of this Section 7.06(a) to the extent of the risks (and in the amounts) that are the subject of such indemnification or insurance. To the extent that the war risk and allied perils insurance provider does not provide for provision of direct notice to each Additional Insured of cancellation, change or lapse in the insurance required hereunder, Company hereby agrees that upon receipt of notice of any thereof from such insurance provider it shall give each Additional Insured immediate notice of each cancellation or lapse of, or material change to, such insurance.

(ii) During any period that the Airframe or an Engine, as the case may be, is on the ground and not in operation, Company may carry or cause to be carried as to such non-operating Airframe or Engine, in lieu of the insurance required by clause (i) above, and subject to self-insurance to the extent permitted by Section 7.06(c), insurance otherwise conforming with the provisions of said clause (i) except that: (A) the amounts of coverage shall not be required to exceed the amounts of airline liability insurance from time to time applicable to airframes or engines owned or leased by Company (or, in the case of a lease to a Permitted Lessee, such Permitted Lessee) of the same type as such non-operating Airframe or Engine and that are on the ground and not in operation and (B) the scope of the risks covered and the type of insurance shall be the same as from time to time shall be applicable to airframes or engines owned or leased by Company (or such Permitted Lessee) of the same type as such non-operating Airframe or Engine and that are on the ground and not in operation.

(b) Insurance Against Loss or Damage to Aircraft.

(i) Except as provided in clause (ii) of this subsection (b), and subject to the rights of Company to establish and maintain self-insurance in the manner and to the extent specified in Section 7.06(c), Company shall maintain, or cause to be maintained, in effect with insurers of recognized responsibility, at no expense to Loan Trustee, all-risk aircraft hull insurance covering the Aircraft and all-risk coverage with respect to any Engines or Parts while removed from the Aircraft (including, without limitation, war risk and allied perils insurance if and to the extent the same is maintained by Company (or, in the case of a lease to a Permitted Lessee, such Permitted Lessee) with respect to other aircraft operated by Company or such Permitted Lessee, as the case may be, on the same or similar routes) that is of the type usually carried by corporations engaged in the same or similar business and similarly situated with Company or such Permitted Lessee, as the case may be; provided that (A) such insurance (including the permitted

self-insurance) shall at all times while the Aircraft is subject to this Indenture be for an amount not less than 110% of the aggregate outstanding principal amount of the Equipment Notes from time to time and (B) such insurance need not cover an Engine while attached to an airframe not owned, leased or operated by Company, provided that such Engine is covered by a separate policy of insurance. Any policies carried in accordance with this Section 7.06(b) and any policies taken out in substitution or replacement for any such policies shall (A) provide that (I) any insurance proceeds up to an amount equal to the outstanding principal amount of the Equipment Notes, together with accrued but unpaid interest thereon, plus an amount equal to the interest that would accrue on the outstanding principal amount of the Equipment Notes at the Debt Rate in effect on the date of payment of such insurance proceeds to Loan Trustee (as provided for in this sentence) during the period commencing on the day following the date of such payment to Loan Trustee and ending on the Loss Payment Date (the sum of such three amounts being the "Loan Amount"), payable for any loss or damage constituting an Event of Loss with respect to the Aircraft, and (II) any insurance proceeds in excess of the Insurance Threshold up to the amount of the Loan Amount for any loss or damage to the Aircraft (or Engines) not constituting an Event of Loss with respect to the Aircraft (or Engines), shall be paid to Loan Trustee as long as this Indenture shall not have been discharged, and that all other amounts shall be payable to Company or such Permitted Lessee, unless the insurer shall have received notice that an Event of Default exists, in which case all insurance proceeds for any loss or damage to the Aircraft (or Engines) up to the amount of the Loan Amount shall be payable to Loan Trustee, (B) subject to the conditions of clause (C) below, provide that, in respect of the interests of the Additional Insureds in such policies, the insurance shall not be invalidated by any action or inaction of Company (or any Permitted Lessee) and shall insure the Additional Insureds' Interests as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by Company (or any Permitted Lessee), (C) provide that, except to the extent not provided by the war risk and allied perils insurance provider, if such insurance is canceled for any reason whatsoever, or if any change is made in the policy that materially reduces the amount of such insurance or the coverage certified in the insurance report delivered on the Closing Date to Loan Trustee and each Liquidity Provider, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to the Additional Insureds for 30 days (seven days, or such other period as is customarily available in the industry, in the case of war risk or allied perils coverage) after receipt by the Additional Insureds of written notice from such insurers of such cancellation, change or lapse, (D) provide that the Additional Insureds shall have no obligation or liability for premiums, commissions, assessments or calls in connection with such insurance, (E) provide that the insurers shall waive rights of (1) set-off, counterclaim or any other deduction, whether by attachment or otherwise, in

respect of any liability of the Additional Insureds to the extent of any moneys due to the Additional Insureds and (2) subrogation against the Additional Insureds to the extent Company or, if applicable, such Permitted Lessee has waived its rights by its agreement to indemnify the Additional Insureds pursuant to the Operative Documents or, if applicable, pursuant to the lease to such Permitted Lessee, and (E) be primary without right of contribution from any other insurance that may be carried by any Additional Insured with respect to its Interests as such in the Aircraft. In the case of a lease or contract with any government in respect of the Aircraft, the Airframe or any Engine, or in the case of any requisition for use of the Aircraft, the Airframe or any Engine by any government, a valid agreement by such government to indemnify Company, or an insurance policy issued by such government, against any risks which Company is required hereunder to insure against shall be considered adequate insurance for purposes of this Section 7.06(b) to the extent of the risks (and in the amounts) that are the subject of such indemnification or insurance. To the extent that the war risk and allied perils insurance provider does not provide for provision of direct notice to each Additional Insured of cancellation, change or lapse in the insurance required hereunder, Company hereby agrees that upon receipt of notice of any thereof from such insurance provider it shall give each Additional Insured immediate notice of each cancellation or lapse of, or material change to, such insurance.

(ii) During any period that the Airframe or an Engine is on the ground and not in operation, Company may carry or cause to be carried as to such non-operating Airframe or Engine, in lieu of the insurance required by clause (i) above, and subject to self-insurance to the extent permitted by Section 7.06(c), insurance otherwise conforming with the provisions of said clause (i) except that the scope of the risks covered and the type of insurance shall be the same as from time to time applicable to airframes or engines owned or leased by Company (or, if a lease to a Permitted Lessee is then in effect, by such Permitted Lessee) of the same type as such non-operating Airframe or Engine and that are on the ground and not in operation; provided that, subject to self-insurance to the extent permitted by Section 7.06(c), Company (or such Permitted Lessee) shall maintain insurance against risk of loss or damage to such non-operating Airframe in an amount at least equal to 110% of the aggregate outstanding principal amount of the Equipment Notes during such period that such Airframe is on the ground and not in operation.

(c) Self-Insurance. Company may from time to time self-insure, by way of deductible, self-insured retention, premium adjustment or franchise or otherwise (including, with respect to insurance maintained pursuant to Section 7.06(a) or Section 7.06(b), insuring for a maximum amount that is less than the amounts set forth in Section 7.06(a) and Section 7.06(b)), the risks required to be insured against pursuant to

Section 7.06(a) and Section 7.06(b), but in no case shall the self-insurance with respect to all of the aircraft and engines in the combined fleet of Company and its Affiliates (including, without limitation, the Aircraft) exceed for any 12-month policy year 1% of the average aggregate insurable value (for the preceding policy year) of all aircraft (including, without limitation, the Aircraft) on which Company and its Affiliates carry insurance, unless Company's independent insurance broker shall certify that the standard among major United States airlines is a higher level of self-insurance, in which case Company may self-insure the Aircraft to such higher level. In addition to the foregoing right to self-insure, Company may self-insure to the extent of (1) any deductible per occurrence that, in the case of the Aircraft, is not in excess of the amount customarily allowed as a deductible in the industry or is required to facilitate claims handling or (2) any applicable mandatory minimum per aircraft (or if applicable per annum or other period) hull or liability insurance deductibles customarily imposed by the aircraft or hull liability insurers in the airline industry. Notwithstanding any provision of this Section 7.06 requiring insurance, in lieu of insurance against any risk with respect to the Aircraft, indemnification from, or insurance provided by, the United States government, or any agency or instrumentality thereof, against such risk in an amount which, when added to the amount of insurance maintained against such risk by Company (or, if a Lease is then in effect, by the Permitted Lessee), shall be at least equal to the amount of insurance against such risk otherwise required by this Section 7.06 (taking into account self-insurance permitted by this Section 7.06(c)) shall be considered adequate insurance for purposes of this Section 7.06.

(d) Application of Insurance Payments. All losses will be adjusted by Company with the insurers. As between Loan Trustee and Company, it is agreed that all insurance payments received under policies required to be maintained by Company hereunder, exclusive of any payments received in excess of the Loan Amount, as the result of the occurrence of an Event of Loss with respect to the Airframe or an Engine will be applied as follows:

(i) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has been or is being replaced by Company pursuant to Section 7.05(a), such payments shall be paid over to, or retained by, Loan Trustee and upon completion of such replacement shall be paid over to, or retained by, Company;

(ii) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has not been and will not be replaced as contemplated by Section 7.05(a), so much of such payments remaining after reimbursement of Loan Trustee for its costs and expenses as shall not exceed the amounts required to be paid by Company pursuant to Section 2.10 hereof shall be applied (A) in reduction of Company's obligation to pay such amounts, if not already paid by Company, or, if already paid by Company, shall be applied to reimburse Company for its payment of such amounts and (B) the balance, if any, of such payment remaining thereafter will be paid over to, or retained by, Company or its designee; and

(iii) if such payments are received with respect to an Engine with regard to which an Event of Loss contemplated by Section 7.05(b) has occurred, so much of such payments remaining after reimbursement of Loan Trustee for its costs and expenses shall be paid over to, or retained by, Company or its designee; provided that Company shall have performed its obligations under Section 7.05(b) with respect to the Event of Loss for which such payments are made.

In all events, (x) the insurance payment of any property damage or loss with respect to property other than the Airframe or any Engine received under policies maintained by Company (or, if a lease to a Permitted Lessee is then in effect, by such Permitted Lessee), and (y) the insurance payment for any loss or damage to the Aircraft in excess of the Loan Amount, shall be paid to Company (or such Permitted Lessee) or its designee.

The insurance payments for any loss or damage to the Airframe or an Engine not constituting an Event of Loss with respect to the Airframe or such Engine will be applied in payment (or to reimburse Company or, if a lease to a Permitted Lessee is then in effect, such Permitted Lessee) for repairs or for replacement property in accordance with the terms of Section 7.02 and Section 7.04, and any balance remaining after compliance with such Sections with respect to such loss or damage shall be paid to Company (or such Permitted Lessee) or its designee. Any amount referred to in the preceding sentence or in clause (i) or (iii) of the second preceding paragraph that is payable to Company shall not be paid to Company (or, if it has been previously paid directly to Company, shall not be retained by Company) if at the time of such payment or retention an Event of Default or Payment Default shall have occurred and be continuing, but, subject to Section 5.06, shall be paid over to or held by Loan Trustee as security for the obligations of Company under this Indenture and the other Operative Documents and shall be invested pursuant to Section 5.06 unless and until such amount is applied, at the option of Loan Trustee, to Company's obligations under this Indenture and the other Operative Documents as and when due, it being understood that any such application shall be made to such obligations of Company as Loan Trustee may determine in its sole discretion. Loan Trustee shall give Company prompt written notice of any such application, but the failure to so notify Company shall not in any way affect the rights of Loan Trustee hereunder. At such time as there shall not be continuing any such Event of Default or Payment Default, such amount shall be paid to Company to the extent not previously applied in accordance with this Section 7.06(d).

(e) Reports, Etc. On or before the Closing Date and annually upon renewal of Company's insurance coverage, Company will furnish (or cause to be furnished) to Loan Trustee and each Liquidity Provider one or more reports signed by a firm of independent aircraft insurance brokers appointed by or with the consent of Company (which firm may be in the regular employ of Company), stating the opinion of such firm that the commercial hull and liability insurance then carried and maintained on the Aircraft complies with the terms hereof; provided that all information contained in such report shall be Confidential Information and shall be treated by Loan Trustee, each Liquidity Provider and each of their affiliates and officers, directors, agents and employees in accordance with the provisions of Section 10.16. Company will use commercially reasonable efforts to cause such firm to agree to advise Loan Trustee and each Liquidity Provider in writing of any act or omission on the part of Company of which such firm has knowledge that might invalidate or render unenforceable, in whole or in part, any insurance on the Aircraft. Company will also use commercially reasonable efforts to cause such firm to advise Loan Trustee and each Liquidity Provider in writing as promptly as practicable after such firm acquires knowledge that an interruption of any insurance carried and maintained on the Aircraft pursuant to this Section 7.06 will occur. Such information may only be provided to other Persons in accordance with Section 10.16.

(f) Salvage Rights. All salvage rights to the Airframe and each Engine shall remain with Company's insurers or the applicable Permitted Lessee's insurers, as the case may be, at all times, and any insurance policies of Loan Trustee insuring the Airframe or any Engine shall provide for a release to Company or such Permitted Lessee, as the case may be, of any and all salvage rights in and to the Airframe or any Engine.

(g) Right to Pay Premium. In the event of cancellation of any insurance required to be maintained hereunder due to the nonpayment of premiums, Loan Trustee shall have the option, in its sole discretion, to pay any such premium in respect to the Aircraft that is due in respect of the coverage pursuant to this Indenture and to maintain such coverage, as Loan Trustee may require, until the scheduled expiry date of such insurance and, in such event, Company shall, upon demand, reimburse Loan Trustee for amounts so paid by it.

(h) Insurance for Own Account. Nothing in this Section 7.06 shall limit or prohibit (i) Company from maintaining the policies of insurance required pursuant to this Section 7.06 with higher limits than those specified herein or (ii) Loan Trustee or Company from obtaining insurance for its own account, and at its sole expense, with respect to the Airframe or any Engine (and any proceeds payable under such insurance shall be payable as provided in the insurance policy relating thereto); provided that no such insurance may be obtained which would limit or otherwise adversely affect the coverage or amounts payable under, or increase the premiums for, any insurance required to be maintained pursuant to this Section 7.06 or any other insurance maintained by Company (or any Permitted Lessee) with respect to the Aircraft or any other aircraft in Company's (or such Permitted Lessee's) fleet.

Successor and Additional Trustees

Section 8.01 Resignation or Removal; Appointment of Successor.

(a) The resignation or removal of Loan Trustee and the appointment of a successor Loan Trustee shall become effective only upon the successor Loan Trustee's acceptance of appointment as provided in this Section 8.01. Loan Trustee or any successor thereto must resign if at any time it ceases to be eligible in accordance with the provisions of Section 8.01(c) and may resign at any time without cause by giving at least 60 days' prior written notice to Company and each Noteholder. In addition, either Company (so long as no Event of Default or Payment Default shall have occurred and be continuing) or a Majority in Interest of Noteholders (but only with the consent of Company so long as no Event of Default or Payment Default shall have occurred and be continuing), may at any time remove Loan Trustee without cause by an instrument in writing delivered to Loan Trustee and each Noteholder, and, in case of a removal by a Majority in Interest of Noteholders, to Company. In the case of the resignation or removal of Loan Trustee, Company shall promptly appoint a successor Loan Trustee. If a successor Loan Trustee has not been appointed within 60 days after such notice of resignation or removal, Loan Trustee, Company or any Noteholder may apply to any court of competent jurisdiction to appoint a successor Loan Trustee to act until such time, if any, as a successor is appointed as above provided. The successor Loan Trustee so appointed by such court shall immediately and without further act be superseded by any successor Loan Trustee appointed as above provided.

(b) Any successor Loan Trustee, however appointed, shall execute and deliver to the predecessor Loan Trustee and Company an instrument accepting such appointment and assuming the obligations of Loan Trustee arising from and after the time of such appointment, and thereupon such successor Loan Trustee, without further act, shall become vested with all the estates, properties, rights, powers and duties of the predecessor Loan Trustee in the trust hereunder applicable to it with like effect as if originally named Loan Trustee herein; but nevertheless upon the written request of such successor Loan Trustee, such predecessor Loan Trustee shall execute and deliver an

instrument transferring to such successor Loan Trustee all the estates, properties, rights and powers of such predecessor Loan Trustee, and such predecessor Loan Trustee shall duly assign, transfer, deliver and pay over to such successor Loan Trustee all monies or other property and all other books and records, or true, correct and complete copies thereof, then held by such predecessor Loan Trustee.

(c) This Indenture shall at all times have a Loan Trustee, however appointed, that is a Citizen of the United States (without the use of a voting trust) and a bank or trust company having a combined capital and surplus of at least \$100,000,000 (or a combined capital and surplus in excess of \$5,000,000 and the obligations of which, whether now in existence or hereafter incurred, are fully and unconditionally guaranteed by a corporation organized and doing business under the laws of the United States or any state or territory thereof or the District of Columbia and having a combined capital and surplus of at least \$100,000,000) or a corporation with a net worth of at least \$100,000,000, if there be such an institution willing, able and legally qualified to perform the duties of Loan Trustee upon reasonable or customary terms. If such bank, trust company or corporation publishes reports of conditions at least annually, pursuant to law or to the requirements of federal, state, territorial or District of Columbia supervising or examining authority, then for the purposes of this Section 8.01(c) the combined capital and surplus of such bank, trust company or corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In case at any time Loan Trustee ceases to be eligible in accordance with the provisions of this Section 8.01(c), Loan Trustee shall resign immediately in the manner and with the effect specified in Section 8.01(a).

(d) Any bank, trust company or corporation into which Loan Trustee may be merged or converted or with which it may be consolidated, or any bank, trust company or corporation resulting from any merger, conversion or consolidation to which Loan Trustee is a party, or any bank, trust company or corporation to which substantially all the corporate trust business of Loan Trustee may be transferred, shall, subject to the terms of Section 8.01(c), be a successor Loan Trustee under this Indenture without further act.

Section 8.02 Appointment of Additional and Separate Trustees.

(a) Whenever (i) Company or Loan Trustee deems it necessary or desirable in order to conform to any law of any jurisdiction in which all or any part of the Collateral is situated or to make any claim or bring any suit with respect to or in connection with the Collateral, any Operative Document or any of the transactions contemplated by the Operative Documents, (ii) Loan Trustee shall be advised by counsel satisfactory to it that it is necessary or prudent in the interests of Noteholders (and Loan Trustee shall so advise

Company) or (iii) Loan Trustee has been requested to do so by a Majority in Interest of Noteholders, then in any such case, Loan Trustee and, upon the written request of Loan Trustee, Company, shall execute and deliver an indenture supplemental hereto and such other, instruments as from time to time are necessary or advisable either (1) to constitute one or more banks or trust companies or corporations meeting the requirements of Section 8.01(c) and approved by Loan Trustee, either to act jointly with Loan Trustee as additional trustee or trustees of all or any part of the Collateral or to act as separate trustee or trustees of all or any part of the Collateral, in each case with such rights, powers, duties and obligations consistent with this Indenture as is provided in such supplemental indenture or other instruments as Loan Trustee or a Majority in Interest of Noteholders deems necessary or advisable, or (2) to clarify, add to or subtract from the rights, powers, duties and obligations theretofore granted any such additional or separate trustee, subject in each case to the remaining provisions of this Section 8.02. If no Event of Default has occurred and is continuing, no additional or supplemental trustee shall be appointed without Company's consent. If an Event of Default shall have occurred and be continuing, Loan Trustee may act under the foregoing provisions of this Section 8.02(a) without the concurrence of Company, and, to the extent permitted by applicable law, Company hereby irrevocably appoints (which appointment is coupled with an interest) Loan Trustee as its agent and attorney-in-fact to act for it under the foregoing provisions of this Section 8.02(a). Loan Trustee may, in such capacity, execute, deliver and perform any such supplemental indenture, or any such instrument, as may be required for the appointment of any such additional or separate trustee or for the clarification of, addition to or subtraction from the rights, powers, duties or obligations theretofore granted to any such additional or separate trustee, subject in each case to the remaining provisions of this Section 8.02. In case any additional or separate trustee appointed under this Section 8.02(a) becomes incapable of acting, resigns or is removed, all the assets, property, rights, powers, trusts, duties and obligations of such additional or separate trustee shall revert to Loan Trustee until a successor additional or separate trustee is appointed as provided in this Section 8.02(a).

(b) No additional or separate trustee shall be entitled to exercise any of the rights, powers, duties and obligations conferred upon Loan Trustee in respect of the custody, investment and payment of monies and all monies received by any such additional or separate trustee from or constituting part of the Collateral or otherwise payable under any Operative Documents to Loan Trustee shall be promptly paid over by it to Loan Trustee. All other rights, powers, duties and obligations conferred or imposed upon any additional or separate trustee shall be exercised or performed by Loan Trustee and such additional or separate trustee jointly except to the extent that applicable law of any jurisdiction in which any particular act is to be performed renders Loan Trustee incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations (including the holding of title to all or part of the Collateral in any such jurisdiction) shall be exercised and performed by such additional or separate trustee.

No additional or separate trustee shall take any discretionary action except on the instructions of Loan Trustee or a Majority in Interest of Noteholders. No trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder, except that Loan Trustee shall be liable for the consequences of its lack of reasonable care in selecting, and Loan Trustee's own actions in acting with, any additional or separate trustee. Each additional or separate trustee appointed pursuant to this Section 8.02 shall be subject to, and shall have the benefit of Articles IV, V, VI, VIII, IX and X insofar as they apply to Loan Trustee. The powers of any additional or separate trustee appointed pursuant to this Section 8.02 shall not in any case exceed those of Loan Trustee.

(c) If at any time Loan Trustee deems it no longer necessary or desirable or in the event that Loan Trustee has been requested to do so in writing by a Majority in Interest of Noteholders, Loan Trustee and, upon the written request of Loan Trustee, Company, shall execute and deliver an indenture supplemental hereto and all other instruments and agreements necessary or proper to remove any additional or separate trustee. Loan Trustee may act on behalf of Company under this Section 8.02(c) when and to the extent it could so act under Section 8.02(a). In any case, Company may remove an additional or separate trustee in the manner set forth in Section 8.01.

ARTICLE IX

Amendments and Waivers

Section 9.01 Amendments to this Indenture without Consent of Holders. At any time after the date hereof, Company may and Loan Trustee shall, at Company's request, enter into one or more agreements supplemental hereto and amend the Equipment Notes without notice to or consent of any Noteholder, Indenture Indemnitee, Related Indenture Indemnitee or the Company Guarantee Beneficiary for any of the following purposes: (i) to evidence the succession of another Person to Company and the assumption by any such successor of the covenants of Company contained in any Operative Documents pursuant to Section 6.02(e) of the Participation Agreement; (ii) to cure any defect or inconsistency herein or in the Equipment Notes, or to make any change not inconsistent with the provisions hereof (provided that such change does not adversely affect the interests of any Noteholder, any Indenture Indemnitee, any Related Indenture Indemnitee or the Company Guarantee Beneficiary in its capacity solely as Noteholder, Indenture Indemnitee, Related Indenture Indemnitee or the Company Guarantee Beneficiary, as the case may be); (iii) to cure any ambiguity or correct any mistake; (iv) to evidence the succession of a new trustee hereunder pursuant hereto or the removal of the trustee hereunder or to provide for or facilitate the appointment of an additional or separate

Section 9.02 Amendments to this Indenture with Consent of Holders.

(a) With the written consent of a Majority in Interest of Noteholders, Company may, and Loan Trustee shall, subject to Section 9.06, at any time and from time to time, enter into such supplemental agreements to add any provisions to or to change or eliminate any provisions of this Indenture or of any such supplemental agreements or to modify in any manner the rights and obligations of Company, Loan Trustee and Noteholders under this Indenture; provided that, without the consent of each Noteholder affected thereby, an amendment under this Section 9.02 may not:

- (1) reduce the principal amount of, Make-Whole Amount, if any, or interest on, any Equipment Note;
- (2) change the date on which any principal amount of, Make-Whole Amount, if any, or interest on any Equipment Note, is due or payable;

(3) create any Lien with respect to the Collateral prior to or *pari passu* with the Lien thereon under this Indenture except such as are permitted by this Indenture, or deprive any Noteholder of the benefit of the Lien on the Collateral created by this Indenture, except as provided in connection with the exercise of remedies under Article IV; provided that, without the consent of each holder of an affected Related Equipment Note then outstanding and the Company Guarantee Beneficiary, no such amendment, waiver or modification of terms of, or consent under, any thereof shall modify Section 3.03 or this clause (3) or deprive any Related Noteholder or the Company Guarantee Beneficiary of the benefit of the Lien of this Indenture on the Collateral, except as provided in connection with the exercise of remedies under Article IV;

(4) reduce the percentage of the outstanding principal amount of the Equipment Notes the consent of whose holders is required for any such supplemental agreement, or the consent of whose holders is required for any waiver of compliance with certain provisions of this Indenture or of certain defaults hereunder or their consequences provided for in this Indenture; or

(5) make any change in Section 4.05 or this Section 9.02, except to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of each Noteholder affected thereby.

Notwithstanding the foregoing, neither Company nor Loan Trustee shall enter into any amendment, waiver or modification of, or supplement or consent to, this Indenture or any other Operative Document other than the Participation Agreement (which is addressed in Section 9.03) which shall reduce, modify or amend any indemnities in favor of any Liquidity Provider without the consent of such Liquidity Provider that is subject to such reduction, modification or amendment.

(b) It is not necessary under this Section 9.02 for Noteholders to consent to the particular form of any proposed supplemental agreement, but it is sufficient if they consent to the substance thereof.

(c) Promptly after the execution by Company and Loan Trustee of any supplemental agreement pursuant to the provisions of this Section 9.02, Loan Trustee shall transmit by first-class mail or by hand delivery a notice, setting forth in general terms the substance of such supplemental agreement, to all Noteholders, as the names and addresses of such Noteholders appear on the Equipment Note Register. Any failure of Loan Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental agreement.

Section 9.03 Amendments, Waivers, Etc. of the Participation Agreement or any Guarantee. Without the consent of a Majority in Interest of Noteholders, the respective parties to the Participation Agreement may not modify, amend or supplement such agreement, or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder; provided that, without the consent of Loan Trustee, any Noteholder, any other Indenture Indemnitee, any Related Indenture Indemnitee or the Company Guarantee Beneficiary, the Participation Agreement and/or any Guarantee may be modified, amended or supplemented in order (i) to cure any defect or inconsistency therein or to cure any ambiguity or correct any mistake, (ii) to amend, modify or supplement any provision thereof or make any other provision with respect to matters or questions arising thereunder or under this Indenture (provided that the making of any such other provision shall not materially adversely affect the interests of Noteholders), (iii) to make any other change, or reflect any other matter, of the kind referred to in clauses (i) through (xiv) of Section 9.01 or (iv) in the case of any Guarantee (other than the Company Guarantee), to add Company's payment obligations under Series B Equipment Notes (and Related Series B Equipment Notes), if issued after the Closing Date, or Additional Series Equipment Notes (and Related Additional Series Equipment Notes), if any, to the "Guaranteed Obligations" under such Guarantee. Notwithstanding the foregoing, without the consent of any Liquidity Provider, Company shall not enter into any amendment, waiver or modification of or supplement or consent to the Participation Agreement which shall reduce, modify or amend any indemnities in favor of such Liquidity Provider contained therein.

Section 9.04 Revocation and Effect of Consents. Until an amendment or waiver becomes effective, a consent to it by a Noteholder is a continuing consent by Noteholder and every subsequent Noteholder, even if notation of the consent is not made on any Equipment Note.

Section 9.05 Notation on or Exchange of Equipment Notes. Loan Trustee may place an appropriate notation about an amendment or waiver on any Equipment Note thereafter executed. Loan Trustee in exchange for such Equipment Notes may execute new Equipment Notes that reflect the amendment or waiver.

Section 9.06 Trustee Protected. If, in the reasonable opinion of the institution acting as Loan Trustee, any document required to be executed by it pursuant to the terms of Section 9.01 or 9.02 adversely affects any right, duty, immunity or indemnity with respect to such institution under this Indenture, such institution may in its discretion decline to execute such document.

Section 9.07 No Consent of Individual Indenture Indemnites Required. Notwithstanding anything in this Indenture or any other Operative Document to the contrary, when any provision hereof or thereof would otherwise require a consent of an Indenture Indemnatee, such provision shall always be construed to require only the consent of an Indenture Indemnatee other than any Indenture Indemnatee covered by clause (vii) of the definition of “Indenture Indemnites”.

Section 10.13 Company's Performance and Rights. Any obligation imposed on Company herein shall require only that Company perform or cause to be performed such obligation, even if stated as a direct obligation, and the performance of any such obligation by any permitted assignee, lessee or transferee under an assignment, lease or transfer agreement then in effect and in accordance with the provisions of the Operative Documents shall constitute performance by Company and, to the extent of such performance, discharge such obligation by Company. Except as otherwise expressly provided herein, any right granted to Company in this Indenture shall grant Company the right to permit such right to be exercised by any such assignee, lessee or transferee, and, in the case of a lessee, as if the terms hereof were applicable to such lessee were such lessee Company hereunder. The inclusion of specific references to obligations or rights of any such assignee, lessee or transferee in certain provisions of this Indenture shall not in any way prevent or diminish the application of the provisions of the two sentences immediately preceding with respect to obligations or rights in respect of which specific reference to any such assignee, lessee or transferee has not been made in this Indenture.

REPRESENTATIONS, WARRANTIES AND INDEMNITIES OF COMPANY

Section 4.01. Representations and Warranties of Company. Company represents and warrants that:

(a) Organization; Authority; Qualification. Company is a corporation duly incorporated and validly existing in good standing under the laws of the State of Washington, is a Certificated Air Carrier, is a Citizen of the United States, has the corporate power and authority to own its properties or hold them under lease and to enter into and perform its obligations under the Operative Documents to which it is a party and is duly qualified to do business as a foreign corporation in good standing in each other jurisdiction in which the failure to so qualify would have a material adverse effect on the consolidated financial condition of Company and its subsidiaries, considered as a whole, and its jurisdiction of organization (as such term is used in Article 9 of the Uniform Commercial Code as in effect in the State of Washington) is Washington.

(b) Corporate Action and Authorization; No Violations. The execution, delivery and performance by Company of this Agreement and the other Operative Documents to which Company is a party have been duly authorized by all necessary corporate action on the part of Company, do not require any stockholder approval or approval or consent of any trustee or holder of any indebtedness or obligations of Company, except such as have been duly obtained and are in full force and effect, and do not contravene any law, governmental rule, regulation, judgment or order binding on Company or the certificate of incorporation or by-laws of Company or contravene or result in a breach of, or constitute a default under, or result in the creation of any Lien (other than as permitted under the Indenture) upon the property of Company under, any material indenture, mortgage, contract or other agreement to which Company is a party or by which it or any of its properties may be bound or affected.

(c) Governmental Approvals. Neither the execution and delivery by Company of this Agreement and the other Operative Documents to which it is a party, nor the consummation by Company of any of the transactions contemplated hereby or thereby, requires the authorization, consent or approval of, the giving of notice to, the filing or registration with or the taking of any other action in respect of, the Department of Transportation, the FAA or any other federal or state governmental authority or agency, or the International Registry, except for (i) the registration of the issuance and sale of the Pass Through Certificates under the Securities Act and under the securities laws of any state or other jurisdiction in which the Pass Through Certificates may be offered for sale if the laws of such state or other jurisdiction require such action, (ii) the qualification of the Pass Through Trust Agreements under the Trust Indenture Act, (iii) the orders, permits, waivers, exemptions, authorizations and approvals of the regulatory authorities having jurisdiction over Company's ownership or operation of the Aircraft required to be obtained on or prior to the Closing Date, which orders, permits, waivers, exemptions, authorizations and approvals have been duly obtained and are, or on the Closing Date will be, in full force and effect, (iv) the filings and registrations referred to in Section 4.01(e), (v) authorizations, consents, approvals, notices and filings required to be obtained, taken, given or made under securities or Blue Sky or similar laws of the various states and foreign jurisdictions and (vi) consents, approvals, notices, registrations and other actions required to be obtained, given, made or taken only after the date hereof.

(d) Valid and Binding Agreements. This Agreement and each other Operative Document to which Company is a party have been duly executed and delivered by Company and constitute the legal, valid and binding obligations of Company enforceable against Company in accordance with their terms, except as the same may be limited by bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the rights of creditors generally and by general principles of equity and except, in the case of the Indenture, as limited by applicable laws that may affect the remedies provided in the Indenture, which laws, however, do not make the remedies provided in the Indenture inadequate for the practical realization of the rights and benefits intended to be provided thereby.

(e) Filings and Recordation. Except for (i) the filing for recordation pursuant to the Transportation Code of the Indenture (with the Indenture Supplement covering the Aircraft attached), (ii) with respect to the security interests created by such documents, the filing of financing statements (and continuation statements at periodic intervals) under the Uniform Commercial Code of Washington, and (iii) the registration on the International Registry of the International Interests (or Prospective International Interests) created under the Indenture (as supplemented by the Indenture Supplement covering the Aircraft), no further filing or recording of any document is necessary under the laws of the United States or any state thereof as of the Closing Date in order to establish and perfect the security interest in the Aircraft created under the Indenture in favor of Loan Trustee as against Company and any third parties in any applicable jurisdiction in the United States.

(f) Investment Company Act. Company is not required to be registered as an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

(g) Title. As of the Closing Date, (i) Company has good title to the Aircraft, free and clear of Liens other than Permitted Liens, (ii) the Aircraft has been duly certified (or shall be in the process of being so duly certified) by the FAA (subject only to Company’s receipt of the applicable certificate from FAA) as to type and airworthiness in accordance with the terms of the Indenture, (iii) the Indenture (with the Indenture Supplement covering the Aircraft attached) has been duly filed for recordation (or shall be in the process of being so duly filed for recordation) with the FAA pursuant to the Transportation Code, (iv) the Aircraft is duly registered (or shall be in the process of being so duly registered) with the FAA in the name of Company, and (v) the registration of the International Interests (or Prospective International Interests) created under the Indenture (as supplemented by the Indenture Supplement with respect to the Aircraft) shall have been effected (or shall be in the process of being so effected) on the International Registry in accordance with the Cape Town Treaty.

(h) Section 1110. Loan Trustee is entitled to the benefits of Section 1110 with respect to the Aircraft being subjected to the Lien of the Indenture on the Closing Date.

(i) Security Interest. The Indenture creates in favor of Loan Trustee, for the benefit of Noteholders, Indenture Indemnitees, Related Indenture Indemnitees and the Company Guarantee Beneficiary, a valid and (subject to the filings and registrations referred to in Section 4.01(e)) perfected Lien on the Aircraft purported to be subjected to the Lien of the Indenture on the Closing Date, subject to no equal or prior Lien, except Permitted Liens.

(j) Licenses, Permits and Franchises. Company holds all licenses, permits and franchises from the appropriate government entities necessary to authorize Company lawfully to engage in air transportation and to carry on scheduled commercial passenger service as currently conducted, except where the failure to so hold any such license, permit or franchise would not have a material adverse effect on the financial condition or operations of Company and its consolidated subsidiaries, taken as a whole.

Section 4.02. General Indemnity. (a) Claims Defined. For the purposes of this Section 4.02, “Claims” means any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs or expenses of whatsoever kind and nature (whether or not on the basis of negligence, strict or absolute liability or liability in tort) that may be imposed on, incurred by, suffered by or asserted against an Indemnitee, as defined below, and, except as otherwise expressly provided in this Section 4.02, includes all reasonable out-of-pocket costs, disbursements and expenses (including reasonable out-of-pocket legal fees and expenses) actually incurred by an Indemnitee in connection therewith or related thereto.

(b) Indemnitee Defined. For the purposes of this Section 4.02, “Indemnitee” means (i) U.S. Bank and Loan Trustee, (ii) each separate or additional trustee appointed pursuant to Section 8.02 of the Indenture, (iii) so long as it holds any Equipment Notes as agent and trustee of any Pass Through Trustee, Subordination Agent (iv) so long as it is the holder of any Equipment Notes, each Pass Through Trustee, (v) each Liquidity Provider, (vi) any Related Noteholder, (vii) the Company Guarantee Beneficiary and (viii) each of their respective successors and permitted assigns in such capacities, agents, servants, officers, employees and directors (the respective agents, servants, officers, employees and directors of each of the foregoing Indemnitees, as applicable, together with such Indemnitee, collectively the “Related Indemnitee Group” of such Indemnitee); provided that such Persons, to the extent they are not signatories to this Agreement, have expressly agreed in writing to be bound by the terms of this Section 4.02 prior to, or concurrently with, the making of a Claim. If any Indemnitee fails to comply with any duty or obligation under this Section 4.02 with respect to any Claim, such Indemnitee shall not be entitled to any indemnity with respect to such Claim under this Section 4.02 to the extent such failure was prejudicial to Company. No holder of a Pass Through Certificate in its capacity as such holder shall be an Indemnitee.

(c) Claims Indemnified. Subject to the exclusions stated in Section 4.02(d), Company agrees to indemnify, protect, defend and hold harmless on an After-Tax Basis each Indemnitee against Claims resulting from or arising out of the sale, purchase, acceptance, non-acceptance or rejection of the Aircraft under the Purchase Agreement or the ownership, possession, use, non-use, substitution, airworthiness, control, maintenance, repair, operation, registration, re-registration,

condition, sale, lease, sublease, storage, modification, alteration, return, transfer or other disposition of the Aircraft, the Airframe, any Engine or any Part (including, without limitation, latent or other defects, whether or not discoverable, and any claim for patent, trademark or copyright infringement) by Company, any Permitted Lessee or any other Person. Without limiting the foregoing and subject to, and without duplication of, the provisions of Section 6.01(a), Company agrees to pay the reasonable ongoing fees, and the reasonable out-of-pocket costs and expenses actually incurred (including, without limitation, reasonable attorney's fees and disbursements actually incurred and, to the extent payable as provided in the Indenture, reasonable compensation and expenses of Loan Trustee's agents actually incurred), of Loan Trustee in connection with the transactions contemplated hereby.

(d) Claims Excluded. The following are excluded from Company's agreement to indemnify an Indemnitee under this Section 4.02:

(i) any Claim to the extent such Claim is attributable to acts or events occurring after (A) the Lien of the Indenture has been discharged, or (B) the transfer of possession of the Aircraft pursuant to Article IV of the Indenture except to the extent that such Claim is attributable to acts occurring in connection with the exercise of remedies pursuant to Section 4.02 of the Indenture following the occurrence and continuance of an Event of Default;

(ii) any Claim to the extent such Claim is, or is attributable to, a Tax (or loss of any Tax benefit), except with respect to paying indemnity amounts on an After-Tax Basis;

(iii) any Claim to the extent such Claim is attributable to the negligence or willful misconduct of such Indemnitee or such Indemnitee's Related Indemnitee Group;

(iv) any Claim to the extent such Claim is attributable to the noncompliance by such Indemnitee or such Indemnitee's Related Indemnitee Group with any of the terms of, or any misrepresentation by an Indemnitee or its Related Indemnitee Group contained in, this Agreement, any other Operative Document or any Pass Through Document to which such Indemnitee or any of such Related Indemnitee Group is a party or any agreement relating hereto or thereto;

(v) any Claim to the extent such Claim constitutes a Lien attributable to such Indemnitee;

(vi) any Claim to the extent such Claim is attributable to the offer, sale, assignment, transfer, participation or other disposition (whether voluntary or involuntary) by or on behalf of such Indemnitee or its Related Indemnitee Group (other than during the occurrence and continuance of an Event of Default; provided that any such offer, sale, assignment, transfer, participation or other disposition during the occurrence and continuation of an Event of Default shall not be subject to indemnification unless it is made in accordance with the Indenture and applicable law) of any Equipment Note or interest therein or Pass Through Certificate, all or any part of such Indemnitee's interest in the Operative Documents or the Pass Through Documents, or any interest in the Collateral or any similar security;

(vii) any Claim to the extent such Claim is attributable to (A) a failure on the part of Loan Trustee to distribute in accordance with this Agreement or any other Operative Document any amounts received and distributable by it hereunder or thereunder, (B) a failure on the part of Subordination Agent to distribute in accordance with the Intercreditor Agreement any amounts received and distributable by it thereunder or (C) a failure on the part of any Pass Through Trustee to distribute in accordance with the Pass Through Trust Agreement to which it is a party any amounts received and distributable by it thereunder;

(viii) any Claim to the extent such Claim is attributable to the authorization or giving or withholding of any future amendments, supplements, waivers or consents with respect to any Operative Document or any Pass Through Document, other than such as have been requested by Company or that occur as the result of an Event of Default, or such as are expressly required or contemplated by the provisions of the Operative Documents or the Pass Through Documents;

(ix) any Claim to the extent such Claim is payable or borne by (A) Company pursuant to any indemnification, compensation or reimbursement provision of any other Operative Document or any Pass Through Document or (B) a Person other than Company pursuant to any provision of any Operative Document or any Pass Through Document;

(x) any Claim to the extent such Claim is an ordinary and usual operating or overhead expense or not an out-of-pocket expense actually incurred;

(xi) any Claim to the extent such Claim is incurred on account of or asserted as a result of (A) any “prohibited transaction” within the meaning of Section 406 of ERISA or Section 4975 of the Code or any foreign, federal, state or local law which is substantially similar to the prohibited transaction provisions of Section 406 of ERISA or Section 4975 of the Code (“Similar Law”) or (B) any breach of fiduciary duty under ERISA;

(xii) any Claim to the extent such Claim is attributable to one or more of the other aircraft financed through the offering of Pass Through Certificates (in the event of doubt, any Claim shall be allocated between the Aircraft and such other aircraft in the same proportion that the then outstanding Equipment Notes bear to the then outstanding equipment notes issued with respect to the other aircraft and held by Pass Through Trustees);

(xiii) any Claim to the extent such Claim is attributable to any amount which any Indemnitee expressly agrees shall not be paid by, borne by, or reimbursed by Company;

(xiv) any Claim by an Indemnitee related to the status of such Indemnitee as a passenger or shipper on any of Company’s aircraft or as a party to a marketing or promotional or other commercial agreement with Company unrelated to the transactions contemplated by the Operative Documents; and

(xv) any Claim to the extent such Claim is attributable to the offer or sale by an Indemnitee (or any member of such Indemnitee’s Related Indemnitee Group) of any interest in the Aircraft, the Equipment Notes, the Pass Through Certificates, or any similar interest, in violation of the Securities Act or other applicable federal, state or foreign securities laws (other than any thereof caused by acts or omissions of Company or any of its affiliates).

(e) Insured Claims. In the case of any Claim indemnified by Company hereunder that is covered by a policy of insurance maintained by Company, each Indemnitee agrees to cooperate, at Company’s expense, with the insurers in the exercise of their rights to investigate, defend and compromise such Claim.

(f) Claims Procedure. An Indemnitee shall promptly notify Company of any Claim as to which indemnification is sought. The failure to provide such prompt notice shall not release Company from any of its obligations to indemnify hereunder except to the extent that Company is prejudiced by such failure or

Company's indemnification obligations are increased as a result of such failure (in which event Company shall not be responsible for such additional indemnification obligations). Such Indemnitee shall promptly submit to Company all additional information in such Indemnitee's possession to substantiate such Claim as Company reasonably requests. Subject to the rights of Company's insurers, Company may, at its sole cost and expense, investigate any Claim, and may in its sole discretion defend or compromise any Claim. At Company's expense, any Indemnitee shall cooperate with all reasonable requests of Company in connection therewith. Such Indemnitee shall not enter into a settlement or other compromise with respect to any Claim without the prior written consent of Company, which consent shall not be unreasonably withheld or delayed, unless such Indemnitee waives its right to be indemnified with respect to such Claim. Where Company or its insurers undertake the defense of an Indemnitee with respect to a Claim, no additional legal fees or expenses of such Indemnitee in connection with the defense of such Claim shall be indemnified hereunder unless such fees or expenses were incurred at the written request of Company or such insurers. Subject to the requirements of any policy of insurance, an Indemnitee may participate at its own expense in any judicial proceeding controlled by Company pursuant to the preceding provisions; provided that such party's participation does not, in the opinion of outside counsel appointed by Company or its insurers to conduct such proceedings, interfere with such control. Such participation shall not constitute a waiver of the indemnification provided in this Section 4.02. Notwithstanding anything to the contrary contained herein, Company shall not under any circumstances be liable for the fees and expenses of more than one counsel for all Indemnitees with respect to any one Claim. Notwithstanding anything to the contrary contained herein, an Indemnitee shall not under any circumstances be required or deemed to be required to contest any Claim or to assume responsibility for or control of any judicial proceeding with respect thereto. Company will provide the relevant Indemnitee with such information not within the control of such Indemnitee, as is in Company's control or is reasonably available to Company, which such Indemnitee may reasonably request and will otherwise cooperate with such Indemnitee so as to enable such Indemnitee to fulfill its obligations under this Section. If an Indemnitee is not a party to this Agreement, Company may require such Indemnitee to agree in writing to the terms of this Section 4.02 and Section 7.10 of this Agreement prior to making any payment to such Indemnitee under this Section 4.02.

(g) Subrogation. To the extent that a Claim is in fact paid in full by Company or its insurer, Company or such insurer (as the case may be) shall, without any further action, be subrogated to the rights and remedies of the Indemnitee on whose behalf such Claim was paid with respect to the transaction or event giving rise to such Claim. Such Indemnitee shall give such further assurances or agreements and shall cooperate with Company or such insurer, as

the case may be, to permit Company or such insurer to pursue such rights and remedies, if any, to the extent reasonably requested by Company. So long as no Event of Default has occurred and is continuing, if an Indemnitee receives any payment, in whole or in part, from any party other than Company or its insurers with respect to any Claim paid by Company or its insurers, it shall promptly pay over to Company the amount received (but not an amount in excess of the amount Company or any of its insurers has paid in respect of such Claim). Any amount referred to in the preceding sentence that is payable to Company shall not be paid to Company, or, if it has been previously paid directly to Company, shall not be retained by Company, if at the time of such payment an Event of Default has occurred and is continuing, but shall be paid to and held by Loan Trustee as security for the obligations of Company under the Operative Documents. If Company agrees, such amount payable shall be applied against Company's obligations thereunder when and as they become due and payable. At such time as such Event of Default is no longer continuing, such amount, to the extent not previously so applied against Company's obligations, shall be paid to Company.

(h) No Guaranty. Nothing set forth in this Section 4.02 constitutes a guarantee by Company that the Aircraft at any time will have any particular value, useful life or residual value.

(i) Payments; Interest. Any amount payable to any Indemnitee on account of a Claim shall be paid within 30 days after receipt by Company of a written demand therefor from such Indemnitee accompanied by a written statement describing in reasonable detail the Claims that are the subject of and basis for such indemnity and the computation of the amount payable. Any payments made pursuant to this Section 4.02 directly to an Indemnitee or to Company, as the case may be, shall be made in immediately available funds at such bank or to such account as is specified by the payee in written directions to the payor or, if no such directions are given, by check of the payor payable to the order of the payee and mailed to the payee by certified mail, return receipt requested, postage prepaid to its address referred to in Section 7.01. To the extent permitted by applicable law, interest at the Past Due Rate shall be paid, on demand, on any amount or indemnity not paid when due pursuant to this Section 4.02 until the same is paid. Such interest shall be paid in the same manner as the unpaid amount in respect of which such interest is due.

(j) Tax Deduction or Credit. If, by reason of any payment made to or for the account of any Indemnitee by Company, or by reason of any Claim of any Indemnitee paid or indemnified against by Company, in each case pursuant to Section 4.02, such Indemnitee realizes a Tax deduction or credit not previously taken into account in computing such payment, such Indemnitee shall promptly pay to Company an amount equal to the sum of (i) the actual reduction in Taxes realized by such Indemnitee which is attributable to such deduction or credit, and

(ii) the actual reduction in Taxes realized by such Indemnitee as a result of any payment made by such Indemnitee pursuant to this sentence; provided that the amount payable by such Indemnitee pursuant to this sentence shall not exceed the sum of all amounts previously paid by Company to such Indemnitee pursuant to this Section 4.02; provided, further, that any such excess shall be carried forward and applied to reduce *pro tanto* any subsequent obligations of Company to make payments to such Indemnitee pursuant to Section 4.02. If such Tax deduction or credit is subsequently disallowed or lost, upon written notice from the Indemnitee Company shall promptly repay all amounts paid to it pursuant to this Section 4.02(j) in respect of such disallowed or lost deduction or credit. If, at the time an amount would otherwise be payable to Company under this Section 4.02(j), any Event of Default shall have occurred and be continuing, such amount shall be held by the relevant Indemnitee as security for the obligations of Company under the Operative Documents. At such time as no Event of Default is continuing, such amount or portion thereof shall be applied to offset Company's outstanding obligations under the Operative Documents and any remaining amount after such application shall be paid to Company.

ARTICLE 5

(b) Continuing Registration and Re-Registration. Loan Trustee, Noteholders, Subordination Agent and each Pass Through Trustee agree to execute and deliver, at Company's expense, all such documents and consents as Company reasonably requests for the purpose of continuing the registration of the Aircraft at the FAA in Company's name or for the purpose of registering or maintaining any registration on the International Registry in respect of the Aircraft. In addition, each of Loan Trustee, Subordination Agent, each Pass Through Trustee and any other Noteholder agrees, for the benefit of Company, to cooperate with Company in effecting any foreign registration of the Aircraft pursuant to Section 7.02(e) of the Indenture; provided that prior to any such change in the country of registry of the Aircraft the conditions set forth in Section 7.02(e) of the Indenture are met to the reasonable satisfaction of, or waived by, Loan Trustee.

(c) Quiet Enjoyment. Each of U.S. Bank, Loan Trustee, Subordination Agent, each Pass Through Trustee, any other Noteholder, Class A Liquidity Provider (by having entered into the Class A Liquidity Facility) and Class B Liquidity Provider (by having entered into the Class B Liquidity Facility) agrees that, unless an Event of Default shall have occurred and be continuing, it shall not (and shall not permit any Affiliate or other Person claiming by, through or under it to) take any action contrary to, or otherwise in any way interfere with or disturb (and then only in accordance with the Indenture), the quiet enjoyment of the use and possession of the Aircraft, the Airframe, any Engine or any Part by Company or any transferee of any interest in any thereof permitted under the Indenture.

(d) No Noteholder Liens. (e) Agreement to be Bound; Transfer. By its acceptance of its Equipment Notes, each Noteholder unconditionally agrees for the benefit of Company and Loan Trustee: (i) to be bound by and to perform and comply with all of the terms of such Equipment Notes, the Indenture and this Agreement applicable to such Noteholder and (ii) that it will not transfer any Equipment Note (or any part thereof) to any entity unless such transfer complies with and does not violate the Transportation Code, the Securities Act (or require registration under such Act) or any other law (including, without limitation, ERISA, the Code and Similar Law), and does not create a relationship that would be in violation thereof, or result in a “prohibited transaction” under Section 406 of ERISA, Section 4975 of the Code or Similar Law or require qualification of an indenture under the Trust Indenture Act.

(f) Tax Returns. Each Pass Through Trustee shall file any Tax returns required to be filed by the related Pass Through Trust and Company shall pay the Applicable Portion of any expenses relating thereto. Company shall be responsible for the Applicable Portion of any interest or penalties related to any Pass Through Trustee’s failure to file any such Tax returns required to be filed by the relevant Pass Through Trust, except to the extent that such failure is attributable to the gross negligence or willful misconduct of such Pass Through Trustee. For purposes of this Section 6.01(f), the “Applicable Portion” of any amount shall equal such amount multiplied by a fraction, the numerator of which shall be the sum of the then outstanding aggregate principal amount of the Equipment Notes held by the relevant Pass Through Trustee, and the denominator of which shall be the sum of the outstanding aggregate principal amount of all “Equipment Notes” issued under each of the “Indentures” (in each case as defined in the Intercreditor Agreement) held by such Pass Through Trustee.

(g) No Petition. Each of Company, Loan Trustee, each Pass Through Trustee, Subordination Agent and any other Noteholder covenants that (i) until one year and one day after the Series A Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing the Class A Pass Through Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against the Class A Pass Through Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator,

assignee, trustee, custodian, sequestrator or other similar official of the Class A Pass Through Trust or any substantial part of its property or ordering the winding-up or liquidation of the affairs of the Class A Pass Through Trust, (ii) if any Series B Equipment Notes shall have been issued, until one year and one day after such Series B Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing the Class B Pass Through Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against such Class B Pass Through Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of such Class B Pass Through Trust or any substantial part of its property or ordering the winding-up or liquidation of the affairs of such Class B Pass Through Trust, and (iii) if any Additional Series Equipment Notes of any Series shall have been issued, until one year and one day after such Additional Series Equipment Notes have been paid in full, it shall not acquiesce, petition or otherwise invoke or cause or join in invoking or causing the related Additional Series Pass Through Trust or any other Person to invoke the process of any governmental authority for the purpose of commencing or sustaining a case (whether voluntary or not) against such Additional Series Pass Through Trust under any bankruptcy, insolvency or similar law or appointing a receiver, liquidator, assignee, trustee, custodian, sequestrator or other similar official of such Additional Series Pass Through Trust or any substantial part of its property or ordering the winding-up or liquidation of the affairs of such Additional Series Pass Through Trust.

Section 6.02. Certain Covenants of Company. Company covenants and agrees with Loan Trustee as follows:

(a) Further Assurances. On and after the Closing, Company will cause to be done, executed, acknowledged and delivered such further acts, conveyances and assurances as Loan Trustee reasonably requests for accomplishing the purposes of this Agreement and the other Operative Documents; provided that any instrument or other document so executed by Company will not expand any obligations or limit any rights of Company in respect of the transactions contemplated by the Operative Documents.

(b) Filing and Recordation of the Indenture; Registration of International Interests. Company, at its expense, will cause the Indenture (with the Indenture Supplement covering the Aircraft attached) to be promptly filed and recorded, or filed for recording, with the FAA to the extent permitted under the Transportation Code and the rules and regulations of the FAA thereunder. In addition, on or prior to the Closing Date, Company will cause the registration of the International Interests (or Prospective International Interests) created under the Indenture (as supplemented by the Indenture Supplement with respect to the Aircraft) to be effected (or shall be in the process of being so effected) on the International Registry in accordance with the Cape Town Treaty, and shall, as and to the extent applicable, consent to such registration upon the issuance of a request for such consent by the International Registry.

(c) Maintenance of Filings. Company, at its expense, will take, or cause to be taken, such action with respect to the recording, filing, re-recording and refiling of the Indenture and any financing statements or other instruments as are necessary to maintain, so long as the Indenture is in effect, the perfection of the security interests created by the Indenture or will furnish Loan Trustee timely notice of the necessity of such action, together with such instruments, in execution form, and such other information as may be required to enable Loan Trustee to take such action. In addition, Company will pay any and all recording, stamp and other similar Taxes payable in the United States, and in any other jurisdiction where the Aircraft is registered, in connection with the execution, delivery, recording, filing, re-recording and refiling of the Indenture or any such financing statements or other instruments. Company will notify Loan Trustee of any change in its jurisdiction of organization (as such term is used in Article 9 of the Uniform Commercial Code as in effect in the State of Washington) promptly after making such change or in any event within the period of time necessary under applicable law to prevent the lapse of perfection (absent refiling) of financing statements filed under the Operative Documents.

(d) Maintenance of Corporate Existence. Company shall at all times maintain its corporate existence except as permitted by Section 6.02(e).

(e) Merger; Consolidation; Transfer of Substantially All Assets. Company shall not consolidate with or merge into any other Person or convey, transfer or lease substantially all of its assets as an entirety to any Person, unless:

(i) the successor or transferee entity shall, if and to the extent required under Section 1110 in order that Loan Trustee continues to be entitled to any benefits of Section 1110 with respect to the Aircraft, be a Citizen of the United States and a Certificated Air Carrier and shall execute and deliver to Loan Trustee an agreement containing the express assumption by such successor or transferee entity of the due and punctual performance and observance of each covenant and condition of the Operative Documents to which Company is a party to be performed or observed by Company;

(ii) if the Aircraft is, at the time, registered with the FAA or such Person is located in a “Contracting State” (as such term is used in the Cape Town Treaty), such Person makes such filings and recordings with the FAA pursuant to the Transportation Code and registration under the Cape Town Treaty, or if the Aircraft is, at the time, not registered with the FAA, such Person makes such filings and recordings with the applicable aviation authority, as are necessary to evidence such consolidation, merger, conveyance, transfer or lease;

(iii) immediately after giving effect to such transaction, no Event of Default shall have occurred and be continuing; and

(iv) Company shall deliver to Loan Trustee and each Liquidity Provider a certificate signed by a Responsible Officer of Company stating that such consolidation, merger, conveyance, transfer or lease and the assumption agreement mentioned in clause (i) above comply with this Section 6.02(e) and that all conditions precedent herein relating to such transaction have been complied with.

Upon any consolidation or merger, or any conveyance, transfer or lease of substantially all of the assets of Company as an entirety in accordance with this Section 6.02(e), the successor Person formed by such consolidation or into which Company is merged or to which such conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, Company under this Agreement and the other Operative Documents with the same effect as if such successor Person had been named as Company herein.

(f) Section 1110. Company shall remain a Certificated Air Carrier for as long as and to the extent required under Section 1110 in order that Loan Trustee shall be entitled to any of the benefits of Section 1110 with respect to the Aircraft.

(g) Additional Information. Promptly after the occurrence of a Triggering Event or an Indenture Event of Default resulting from the failure of Company to make payments on any Equipment Note and on every Regular Distribution Date while the Triggering Event or such Indenture Event of Default shall be continuing, Company will, at the Subordination Agent's request from time to time but in any event no more frequently than once every three months, provide to the Subordination Agent a statement setting forth the following information with respect to the Aircraft if then subject to the lien of the Indenture: (A) whether the Aircraft is currently in service or parked in storage, (B) the maintenance status of the Aircraft, and (C) the location of the Engines. As used in this Section 6.02(g), the terms "Triggering Event", "Indenture Event of Default" and "Regular Distribution Date" shall have the respective meanings set forth in the Intercreditor Agreement.

Any party, by notice to the other parties hereto, may designate different addresses for subsequent notices or communications. Whenever the words “notice” or “notify” or similar words are used herein, they mean the provision of formal notice as set forth in this Section 7.01.

Section 7.02. Survival of Representations, Warranties, Indemnities, Covenants and Agreements. The indemnities set forth in Section 4.02 of this Agreement and the confidentiality obligations set forth in Section 5.01(h) of this Agreement shall survive the making of the loans, the transfer of any interest by any Noteholder of its Equipment Note and the expiration or termination of any Operative Documents (in the case of the indemnities, to the extent arising out of acts or events occurring prior to such expiration or termination).

Section 7.07. Successors and Assigns. All covenants, agreements, representations and warranties in this Agreement by Company, by U.S. Bank, individually or as Loan Trustee, Subordination Agent or Pass Through Trustee, or by any Noteholder, shall bind and inure to the benefit of and be enforceable by Company, and subject to the terms of Section 6.02(e), its successors and permitted assigns, each Pass Through Trustee and any successor or other trustee under the Pass Through Trust Agreement to which it is a party, Subordination Agent and its successor under the Intercreditor Agreement and Loan Trustee and its successor under the Indenture, whether so expressed or not.

Section 7.08. Benefits of Agreement. Subject to the next sentence, nothing in this Agreement, express or implied, gives to any Person, other than the parties hereto and their successors hereunder, any benefit or any legal or equitable right, remedy or claim under this Agreement, except as expressly provided herein. Company agrees and acknowledges that each Liquidity Provider, and each separate or additional trustee appointed pursuant to Section 8.02 of the Indenture shall be third party beneficiaries of the covenants and agreements of Company with respect to the indemnities contained in Section 4.02 and may rely on the covenants and agreements of Company with respect to such indemnities to the same extent as if the covenants and agreements of Company with respect to such indemnities were made to such Liquidity Provider or such trustee, as the case may be, directly. U.S. Bank generally, and each of the Loan Trustee, the Subordination Agent and each Pass Through Trustee, insofar as relating to each such Person, agrees and acknowledges that each Liquidity Provider is a third party beneficiary of the representations and warranties set forth in Section 5.01, and that such Liquidity Provider may rely on such representations and warranties to the same extent as if such representations and warranties were made to such Liquidity Provider directly.

Indenture and Security Agreement (2020-1 EETC)
N626QX

For purposes hereof, the term “Indenture” means the Indenture and Security Agreement (N626QX), dated as of July 2, 2020, between Company and U.S. Bank Trust National Association, as Loan Trustee (“Loan Trustee”), as the same may be amended, supplemented or otherwise modified from time to time in accordance with its terms. All capitalized terms used in this Equipment Note and not defined herein, unless the context otherwise requires, shall have the respective meanings set forth or incorporated by reference, and shall be construed and interpreted in the manner described, in the Indenture.

This Equipment Note shall bear interest, payable on demand, at the Past Due Rate (and not the Debt Rate) (calculated on the basis of a year of 360 days comprised of twelve 30-day months) on any principal amount and (to the extent permitted by applicable law) Make-Whole Amount, if any, interest, and any other amounts payable hereunder not paid when due for any period during which the same is overdue, in each case for the period the same is overdue. Amounts shall be overdue if not paid in the manner provided herein or in the Indenture when due (whether at stated maturity, by acceleration or otherwise).

There shall be maintained an Equipment Note Register for the purpose of registering transfers and exchanges of Equipment Notes at the Corporate Trust Office of Loan Trustee, or at the office of any successor trustee, in the manner provided in Section 2.07 of the Indenture.

The principal amount and interest and other amounts due hereunder shall be payable in Dollars in immediately available funds at the Corporate Trust Office of Loan Trustee, or as otherwise provided in the Indenture. Company shall not have any responsibility for the distribution of any such payment to Noteholder of this Equipment Note. Each such payment shall be made on the date such payment is due and without any presentment or surrender of this Equipment Note, except that in the case of any final payment with respect to this Equipment Note, this Equipment Note shall be surrendered to Loan Trustee for cancellation.

The holder hereof, by its acceptance of this Equipment Note, agrees that, except as provided in the Indenture, including the subordination provisions referred to below, each payment of an installment of principal amount, Make-Whole Amount, if any, and interest received by it hereunder shall be applied: first, to the payment of accrued interest on this Equipment Note (as well as any interest on (i) any overdue principal amount, and (ii) to the extent permitted by applicable law, any overdue Make-Whole Amount, if any, any overdue interest and any other overdue amounts hereunder) to the date of such payment; second, to the payment of Make-Whole Amount, if any, with respect to this Equipment Note; third, to the payment of the principal amount of this Equipment Note (or portion thereof) then due hereunder, if any; and fourth, the balance, if any, remaining thereafter to the payment of installments of the principal amount of this Equipment Note (or portion thereof) remaining unpaid in the inverse order of their maturity.

Section 2.02 Issuance and Terms of Equipment Notes. The Equipment Notes shall be dated the date of issuance thereof, shall be issued in (a) separate Series consisting of Series A Equipment Notes, Series B Equipment Notes (if issued) and one or more Additional Series Equipment Notes (if issued) and (b) the maturities and principal amounts and shall bear interest at the applicable Debt Rates specified in Schedule I hereto (as, in the case of any Series B Equipment Notes or any Additional Series Equipment Notes issued after the Closing Date, such Schedule I may be amended in connection with such issuance). On the Closing Date, each Series A Equipment Note and Series B Equipment Note (if issued) shall be issued to Subordination Agent on behalf of Pass Through Trustee for the Pass Through Trusts then in existence created under the Pass Through Trust Agreements referred to in Schedule II. If no Series B Equipment Notes are issued on the Closing Date, then, subject to compliance with the conditions set forth in Section 2.02 of the Participation Agreement and Section 8.01(d) of the Intercreditor Agreement, as applicable, Company shall have the option to issue Series B Equipment Notes at any time after the Closing Date. Any Series B Equipment Notes issued after the

Indenture and Security Agreement (2020-1 EETC)
N626QX

Closing Date pursuant to the immediately preceding sentence shall have such maturities, principal amounts and interest rate as specified in Schedule I hereto in respect of Series B Equipment Notes, as such Schedule I may be amended in connection with any such issuance. Subject to compliance with the conditions set forth in Section 2.02 of the Participation Agreement and Section 8.01(c) or 8.01(d) of the Intercreditor Agreement, as applicable, Company shall have the option after the Closing Date, at any time and from time to time (i) to issue one or more Series of Additional Series Equipment Notes under this Indenture (including, for the avoidance of doubt, multiple issuances at the same or different times resulting in more than one Series of Additional Series Equipment Notes being outstanding at any time), (ii) to redeem all but not less than all of the Series B Equipment Notes (whether issued on or after the Closing Date) (or all but not less than all of any Series of Additional Series Equipment Notes) pursuant to, and in accordance with, the provisions of Section 2.11(b) and to issue under this Indenture new Equipment Notes with the same Series designation as, but with terms that may be the same as or different from those of, the redeemed Equipment Notes, and (iii) following the payment in full at maturity or otherwise of all but not less than all of the Series B Equipment Notes (whether issued on or after the Closing Date) (or all but not less than all of any Series of Additional Series Equipment Notes), to issue new Equipment Notes with the same Series designation as, but with terms that may be the same as or different from those of, such Equipment Notes that have been paid in full. If new Series B Equipment Notes or Additional Series Equipment Notes of any Series or new Additional Series Equipment Notes of any Series are issued after the Closing Date in accordance with the immediately preceding sentence, such Equipment Notes shall be dated the date of original issuance thereof and shall have such maturities, principal amounts and interest rate as specified in an amendment to this Indenture. The Equipment Notes shall be issued in registered form only. The Equipment Notes shall be issued in denominations of \$1,000 and integral multiples thereof, except that one Equipment Note of each Series may be in an amount that is not an integral multiple of \$1,000. For the avoidance of doubt, if new "Series B Equipment Notes" or "Additional Series Equipment Notes" of any Series or new "Additional Series Equipment Note" of any Series are issued, in each case under any Related Indenture, Company may, but shall not be required to, issue, as the case may be, new Series B Equipment Notes or Additional Series Equipment Notes of the same Series or new Additional Series Equipment Notes of the same Series, in each case under this Indenture.

Each Equipment Note shall bear interest at the Debt Rate specified for the applicable Series (calculated on the basis of a year of 360 days comprised of twelve 30-day months), payable in arrears on each Payment Date on the unpaid principal amount thereof from time to time outstanding from the most recent Payment Date to which interest has been paid or duly provided for (or, if no interest has been so paid or provided for, from the date of issuance of such Equipment Note) until such principal amount is paid in full, as further provided in the form of Equipment Note set forth in Section 2.01.

¹⁰ To be inserted in installment Equipment Notes.

The principal amount of each Series A Equipment Note and, if issued, each Series B Equipment Note shall be payable in installments or in a single payment on the Payment Dates set forth in such Equipment Note, each such installment, if any, to be in an amount computed by multiplying the original principal amount of such Equipment Note by the corresponding percentage set forth in Schedule I hereto (as, in the case of any Series B Equipment Notes issued after the Closing Date, such Schedule I may be amended in connection with such issuance) applicable to such Series, the applicable portion of which shall be attached as Schedule I to such Equipment Note, opposite the Payment Date on which such installment is due. Each Additional Series Equipment Note, if issued, shall be payable in installments or in a single payment as set forth in an amendment to this Indenture, and if payable in installments, such installments shall be calculated as set forth in the preceding sentence. Notwithstanding the foregoing, the final payment made under each Equipment Note shall be in an amount sufficient to discharge in full the unpaid principal amount and all accrued and unpaid interest on, and any other amounts due under, such Equipment Note. Each Equipment Note shall bear interest, payable on demand, at the Past Due Rate (and not at the Debt Rate) (calculated on the basis of a year of 360 days comprised of twelve 30-day months) on any principal amount and (to the extent permitted by applicable law) Make-Whole Amount, if any, interest and any other amounts payable thereunder not paid when due for any period during which the same is overdue, in each case for the period the same is overdue. Amounts shall be overdue under an Equipment Note if not paid in the manner provided therein or in this Indenture when due (whether at stated maturity, by acceleration or otherwise). Notwithstanding anything to the contrary contained herein, if any date on which a payment hereunder or under any Equipment Note becomes due and payable is not a Business Day, then such payment shall not be made on such scheduled date but shall be made on the next succeeding Business Day with the same force and effect as if made on such scheduled date, and if such payment is made on such next succeeding Business Day, no interest shall accrue on the amount of such payment from and after such scheduled date.

The Equipment Notes shall be executed on behalf of Company by the manual or facsimile signature of one of its authorized officers. Equipment Notes bearing the signatures of individuals who were at the time of execution the proper officers of Company shall bind Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Equipment Notes or did not hold such offices at the respective dates of such Equipment Notes. No Equipment Note shall be secured by or entitled to any benefit under this Indenture or be valid or obligatory for any purposes unless there appears on such Equipment Note a certificate of authentication in the form provided herein executed by Loan Trustee by the manual signature of one of its authorized officers, and such certificate upon any Equipment Notes shall be conclusive evidence, and the only evidence, that such Equipment Note has been duly authenticated and delivered hereunder.

Section 2.03 Method of Payment. The principal amount of, interest on, Make-Whole Amount, if any, and, except to the extent expressly provided herein, all other amounts due under each Equipment Note or otherwise payable hereunder shall be payable by Company in Dollars by wire transfer of immediately available funds not later than 10:00 a.m. (New York City time) on the due date of payment to Loan Trustee at the Corporate Trust Office for distribution among Noteholders in the manner provided herein, and payment of such amount by Company to Loan Trustee shall be deemed to satisfy Company's obligation to make such payment. Company shall not have any responsibility for the distribution of such payment to any Noteholder. Notwithstanding the foregoing or any provision in any Equipment Note to the contrary, Loan Trustee will use reasonable efforts to pay or cause to be paid, if so directed in writing by any Noteholder (with a copy to Company), all amounts paid by Company hereunder and under such Noteholder's Equipment Note or Equipment Notes to such Noteholder or a nominee therefor (including all amounts distributed pursuant to Article III) by transferring, or causing to be transferred, by wire transfer of immediately available funds in Dollars, prior to 12:00 noon (New York City time) on the due date of payment, to an account maintained by such Noteholder with a bank located in the continental United States the amount to be distributed to such Noteholder, for credit to the account of such Noteholder maintained at such bank; provided that, in the event the Equipment Notes are not held by Subordination Agent on behalf of Pass Through Trustees, Loan Trustee shall, unless instructed by Company to use another method, pay such amounts by check mailed to Noteholder's address as it appears on the Equipment Note Register. If, after its receipt of funds at the place and prior to the time specified above in the immediately preceding sentence, Loan Trustee fails (other than as a result of a failure of Noteholder to provide it with wire transfer instructions) to make any such payment required to be paid by wire transfer as provided in the immediately preceding sentence on the Business Day it receives such funds, Loan Trustee, in its individual capacity and not as trustee, agrees to compensate such Noteholders for loss of use of funds at the Federal Funds Rate until such payment is made and Loan Trustee shall be entitled to any interest earned on such funds until such payment is made. Any payment made hereunder shall be made without any presentment or surrender of any Equipment Note, except that, in the case of the final payment in respect of any Equipment Note, such Equipment Note shall be surrendered to Loan Trustee for cancellation. Notwithstanding any other provision of this Indenture to the contrary, Loan Trustee shall not be required to make, or cause to be made, wire transfers as aforesaid prior to the first Business Day on which it is practicable for Loan Trustee to do so in view of the time of day when the funds to be so transferred were received by it if such funds were received after 1:00 p.m. (New York City time) at the place of payment, in which case Loan Trustee shall make such required payment on the next succeeding Business Day. So long as any signatory to the Participation Agreement or nominee thereof shall be a registered Noteholder, all payments to it shall be made to the account of such Noteholder specified in Schedule I to the Participation Agreement or otherwise in the manner provided in or pursuant to the Participation Agreement unless it shall have specified some other account or manner of payment by notice to Loan Trustee consistent with this Section 2.03.

Section 2.04 Withholding Taxes. Loan Trustee shall exclude and withhold at the appropriate rate from each payment of principal, interest, Make-Whole Amount, if any, and other amounts due hereunder or under each Equipment Note (which exclusion and withholding shall constitute payment of such amounts payable hereunder or in respect of such Equipment Notes, as applicable) any and all withholding Taxes applicable thereto as required by applicable law. Loan Trustee agrees to act as such withholding agent and whenever any present or future Taxes or similar charges are required to be withheld with respect to any amounts payable hereunder or in respect of the Equipment Notes, to withhold such amounts (which withholding shall constitute payment of such amounts payable hereunder or in respect of such Equipment Notes, as applicable) and timely pay the same to the appropriate authority in the name of and on behalf of Noteholders, that it will file any necessary withholding Tax returns or statements when due, and that as promptly as possible after the payment thereof it will deliver to each Noteholder (with a copy to Company) appropriate documentation showing the payment thereof, together with such additional documentary evidence as any such Noteholder may reasonably request from time to time. Loan Trustee agrees to file any other information reports it is required to file under United States law.

Section 2.05 Application of Payments. Subject always to Section 2.13 and except as otherwise provided in Article III, in the case of each Equipment Note, each payment of an installment of principal amount, Make-Whole Amount, if any, and interest paid thereon shall be applied:

first, to the payment of accrued interest on such Equipment Note (as well as any interest on (i) any overdue principal amount, and (ii) to the extent permitted by applicable law, any overdue Make-Whole Amount, if any, any overdue interest and any other overdue amounts thereunder) to the date of such payment;

second, to the payment of Make-Whole Amount, if any, with respect to such Equipment Note;

third, to the payment of the principal amount of such Equipment Note (or portion thereof) then due thereunder, if any; and

fourth, the balance, if any, remaining thereafter, to the payment of installments of the principal amount of such Equipment Note (or portion thereof) remaining unpaid in the inverse order of their maturity.

Section 2.06 Termination of Interest in Collateral. No Noteholder or Indenture Indemnitee shall, as such, have any further interest in, or other right with respect to, the Collateral when and if the principal amount of, Make-Whole Amount, if any, and interest (including, to the extent permitted by applicable law, post-petition interest and interest on any overdue amounts) on and all other amounts due under all Equipment Notes held by such Noteholder and all other sums then due and payable to such Noteholder or Indenture Indemnitee, as the case may be, hereunder (including, without limitation, under Section 2.14) and under the Participation Agreement by Company (the “Secured Obligations”) have been paid in full.

Subject to Section 10.01 hereof, neither the Company Guarantee Beneficiary nor any Related Indenture Indemnitee shall, as such, have any further interest in, or other right with respect to, the Collateral when and if all Related Secured Obligations have been paid in full.

Section 2.07 Registration, Transfer and Exchange of Equipment Notes. Loan Trustee shall keep a register or registers (the “Equipment Note Register”) in which Loan Trustee shall provide for the registration of Equipment Notes, the registration of transfers of Equipment Notes and a record of the dates and payments made with respect to the Equipment Notes. No such transfer shall be given effect unless and until registration hereunder shall have occurred. The Equipment Note Register shall be kept at the Corporate Trust Office of Loan Trustee. Loan Trustee is hereby appointed “Equipment Note Registrar” for the purpose of registering Equipment Notes and transfers of Equipment Notes as herein provided. A holder of any Equipment Note intending to exchange or transfer such Equipment Note shall surrender such Equipment Note to Loan Trustee at the Corporate Trust Office, together with a written request from the registered holder thereof for the issuance of a new Equipment Note of the same Series, specifying, in the case of a surrender for transfer, the name and address of the new holder or holders. Upon surrender for registration of transfer of any Equipment Note and subject to satisfaction of Section 2.09, Company shall execute, and Loan Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Equipment Notes of an equal aggregate principal amount and of the same Series. At the option of Noteholder, Equipment Notes may be exchanged for other Equipment Notes of the same Series of any authorized denominations of an equal aggregate principal amount, upon surrender of the Equipment Notes to be exchanged to Loan Trustee at the Corporate Trust Office. Whenever any Equipment Notes are so surrendered for exchange, Company shall execute, and Loan Trustee shall authenticate and deliver, the Equipment

Notes which Noteholder making the exchange is entitled to receive. All Equipment Notes issued upon any registration of transfer or exchange of Equipment Notes (whether under this Section 2.07 or under Section 2.08 or otherwise under this Indenture) shall be the valid obligations of Company evidencing the same respective obligations, and entitled to the same security and benefits under this Indenture, as the Equipment Notes surrendered upon such registration of transfer or exchange. Every Equipment Note presented or surrendered for registration of transfer shall (if so required by Company or Loan Trustee) be duly endorsed or be accompanied by a written instrument of transfer in form satisfactory to Loan Trustee, duly executed by Noteholder or such Noteholder's attorney duly authorized in writing, and Company and Loan Trustee shall require evidence satisfactory to Company as to the compliance of any such transfer with the Securities Act and the securities laws of any applicable state or jurisdiction. Loan Trustee shall make a notation on each new Equipment Note of the amount of all payments of principal amount previously made on the old Equipment Note or Equipment Notes with respect to which such new Equipment Note is issued and the date to which interest on such old Equipment Note or Equipment Notes has been paid. Principal, interest and all other amounts shall be deemed to have been paid on such new Equipment Note to the date on which such amounts have been paid on such old Equipment Note. Company and Equipment Note Registrar shall not be required to exchange any surrendered Equipment Notes as provided above (a) during the ten-day period preceding the due date of any payment on such Equipment Note or (b) that has been called for redemption. Company and Loan Trustee shall in all cases deem and treat the Person in whose name any Equipment Note has been issued and registered on the Equipment Note Register as the absolute owner and Noteholder of such Equipment Note for the purpose of receiving payment of all amounts payable with respect to such Equipment Note and for all other purposes, and neither Company nor Loan Trustee shall be affected by any notice to the contrary. Loan Trustee will promptly notify Company of each registration of a transfer of an Equipment Note. Any such transferee of an Equipment Note, by its acceptance of an Equipment Note, agrees to the provisions of this Indenture, the Related Indentures, the Participation Agreement, the Company Guarantee, the other Operative Documents and the Pass Through Documents applicable to Noteholders or, in the case of each Related Indenture, Related Noteholders, and the Company Guarantee Beneficiary, and, without limiting the generality of the foregoing, any such transferee of an Equipment Note, by its acceptance of an Equipment Note: (i) agrees to the applicable provisions of Sections 6.01, 7.10 and 7.11 of the Participation Agreement, and shall be deemed to have represented, warranted and covenanted to the parties to the Participation Agreement as to the matters represented, warranted and covenanted by Noteholders, including Pass Through Trustees, in the Participation Agreement and (ii) agrees to the restrictions set forth in Sections 4.01(a)(ii) and 4.01(a)(iii) of the Intercreditor Agreement, and shall be deemed to have covenanted to the parties to the Intercreditor Agreement not to give any direction to, or otherwise authorize, Loan Trustee to take any action that would violate Section 4.01(a)(ii) or 4.01(a)(iii) of the Intercreditor Agreement. or (C) exercise any other remedy of a secured party under the NY UCC (whether or not in effect in the jurisdiction in which enforcement is sought); provided that, notwithstanding anything to the contrary set forth herein or in any other Operative Document, (i) as permitted by Article 15 of the Cape Town Convention, the provisions of Chapter III of the Cape Town Convention are hereby excluded and made inapplicable to this Indenture and the other Operative Documents, except for those provisions of such Chapter III that cannot be derogated from; and (ii) as permitted by Article IV(3) of the Aircraft Protocol, the provisions of Chapter II of the Aircraft Protocol are hereby excluded and made inapplicable to this Indenture and the other Operative Documents, except for (x) Article XVI of the Aircraft Protocol and (y) those provisions of such Chapter II that cannot be derogated from. Upon every such taking of possession of Collateral under this Section 4.02, Loan Trustee may, from time to time, at the expense of the Collateral, make all such expenditures for maintenance, insurance, repairs, alterations, additions and improvements to and of the Collateral as it deems necessary to cause the Collateral to be in such condition as required by the provisions of this Indenture. In each such case, Loan Trustee may maintain, use, operate, store, insure, lease, control, manage or dispose of the Collateral and may exercise all rights and powers of Company relating to the Collateral as Loan Trustee reasonably deems best, including the right to enter into any and all such agreements with respect to the maintenance, use, operation, storage, insurance, leasing, control, management or disposition of the Collateral or any part thereof as Loan Trustee may reasonably determine; and Loan Trustee shall be entitled to collect and receive directly all tolls, rents, revenues, issues, income, products and profits of the Collateral and every part thereof without prejudice, however, to the rights of Loan Trustee under any provision of this Indenture to collect and receive all cash held by, or required to be deposited with Loan Trustee hereunder. Equipment Notes either have been accelerated pursuant to this Section 4.02 or have become due at maturity and Loan Trustee is entitled to exercise rights hereunder, at the request of Loan Trustee, Company shall promptly execute and deliver to Loan Trustee such instruments of title and other documents as Loan Trustee reasonably deems necessary or advisable to enable Loan Trustee or an agent or representative designated by Loan Trustee, at such time or times and place or places as Loan Trustee specifies, to obtain possession of all or any part of the Collateral to which Loan Trustee at the time is entitled hereunder. If Company for any reason fails to execute and deliver such instruments and documents after such request by Loan Trustee, Loan Trustee may seek a judgment conferring on Loan Trustee the right to immediate possession and requiring Company to execute and deliver such instruments and documents to Loan Trustee, to the entry of which judgment Company hereby specifically consents to the fullest extent it may lawfully do so. All actual and reasonable expenses of obtaining such judgment or of pursuing, searching for and taking such property shall, until paid, be secured by the Lien of this Indenture.

(b) Loan Trustee shall give Company at least 30 days' prior written notice of any public sale or of the date on or after which any private sale will be held, which notice Company hereby agrees to the extent permitted by applicable law is reasonable notice. Any Noteholder or Noteholders shall be entitled to bid for and become the purchaser of any Collateral offered for sale pursuant to this Section 4.02 and to credit against the purchase price bid at such sale by such Noteholders all or any part of the unpaid amounts owing to such Noteholders under the Operative Documents and secured by the Lien of this Indenture (but only to the extent that such purchase price would have been paid to such Noteholders pursuant to Article III if such purchase price were paid in cash and the foregoing provision of this Section 4.02(b) were not given effect). Loan Trustee may exercise such right without possession or production of the Equipment Notes or proof of ownership thereof, and as a representative of Noteholders may exercise such right without notice to Noteholders as party to any suit or proceeding relating to the foreclosure of any Collateral. Company may also bid for and become the purchaser of any Collateral offered for sale pursuant to this Section 4.02.

(c) To the extent permitted by applicable law, while an Event of Default has occurred and is continuing, Company irrevocably appoints Loan Trustee the true and lawful attorney-in-fact of Company (which appointment is coupled with an interest) in its name and stead and on its behalf, for the purpose of effectuating any sale, assignment, transfer or delivery for the enforcement of the Lien of this Indenture, whether pursuant to foreclosure or power of sale, or otherwise, to execute and deliver all such bills of sale, assignments and other instruments as may be necessary or appropriate, with full power of substitution, Company hereby ratifying and confirming all that such attorney or any substitute does by virtue hereof in accordance with applicable law; provided that if so requested by Loan Trustee or any purchaser, Company shall ratify and confirm any such sale, assignment or transfer of delivery, by executing and delivering to Loan Trustee or such purchaser all bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may reasonably be designated in any such request.

(d) At any time after Loan Trustee has declared the unpaid principal amount of all Equipment Notes then outstanding to be due and payable, or all Equipment Notes shall have become due and payable as provided in the proviso to Section 4.02(a)(i), and, in either case, prior to the sale of any part of the Collateral pursuant to this Article IV, a Majority in Interest of Noteholders, by written notice to Company and Loan Trustee, may rescind and annul such declaration, whether made by Loan Trustee on its own accord or as directed or deemed declaration, and its consequences if: (i) there has been paid to or deposited with Loan Trustee an amount sufficient to pay all overdue installments of principal amount of, and interest on, the Equipment Notes, and all other amounts owing under the Operative Documents, that have become due otherwise than by such declaration of acceleration and (ii) all other Events of Default, other than nonpayment of principal amount or interest on the Equipment Notes that have become due solely because of such acceleration, have been either cured or waived; provided that no such rescission or annulment shall extend to or affect any subsequent default or Event of Default or impair any right consequent thereon.

(e) Notwithstanding anything contained herein, (i) so long as Pass Through Trustee under any Pass Through Trust Agreement or Subordination Agent on its behalf is a Noteholder, Loan Trustee will not be authorized or empowered to acquire title to any Collateral or take any action with respect to any Collateral so acquired by it if such acquisition or action would cause any Pass Through Trust to fail to qualify as a "grantor trust" for U.S. federal income tax purposes, and (ii) Loan Trustee will not take any action that would violate Section 4.01(a)(ii) or 4.01(a)(iii) of the Intercreditor Agreement.

Section 4.03 Remedies Cumulative. To the extent permitted under applicable law, each and every right, power and remedy specifically given to Loan Trustee herein or otherwise in this Indenture shall be cumulative and shall be in addition to every other right, power and remedy specifically given herein or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically given herein or otherwise existing may be exercised from time to time and as often and in such order as may be deemed expedient by Loan Trustee, and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by Loan Trustee in the exercise of any right, remedy or power or in the pursuance of any remedy shall, to the extent permitted by applicable law, impair any such right, power or remedy or be construed to be a waiver of any default on the part of Company or to be an acquiescence therein.

Section 4.04 Discontinuance of Proceedings. In case Loan Trustee has instituted any proceedings to enforce any right, power or remedy under this Indenture by foreclosure, entry or otherwise, and such proceedings have been discontinued or abandoned for any reason or have been determined adversely to Loan Trustee, then and in every such case Company and Loan Trustee shall, subject to any determination in such proceedings, be restored to their former positions and rights hereunder with respect to the Collateral, and all rights, remedies and powers of Loan Trustee shall continue as if no such proceedings had been undertaken (but otherwise without prejudice).

Section 4.05 Waiver of Past Defaults. Subject to Section 5.03, upon written instruction from a Majority in Interest of Noteholders, Loan Trustee shall waive any past default hereunder and its consequences, and upon any such waiver such default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture and the other Operative Documents, but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon; provided that in the absence of written instructions from each of the affected Noteholders, Loan Trustee shall not waive any default (i) in the payment of the principal amount, Make-Whole Amount, if any, or interest due under any Equipment Note then outstanding (other than with the consent of the holder thereof), or (ii) in respect of a covenant or provision hereof which, under Article IX, cannot be modified or amended without the consent of each such affected Noteholder.

Section 4.06 Noteholders May Not Bring Suit Except Under Certain Conditions. A Noteholder of any Series shall not have the right to institute any suit, action or proceeding at law or in equity or otherwise with respect to this Indenture or the Equipment Notes or otherwise, or for the appointment of a receiver or for the enforcement of any other remedy under this Indenture or the Equipment Notes or otherwise, unless:

(1) such Noteholder previously shall have given written notice to Loan Trustee of a continuing Event of Default;

(2) a Majority in Interest of Noteholders shall have requested Loan Trustee in writing to institute such action, suit or proceeding and shall have offered to Loan Trustee indemnity as provided in Section 5.03;

(4) no direction inconsistent with such written request shall have been given to Loan Trustee during such 60-day period by a Majority in Interest of Noteholders.

Except to the extent provided in the Intercreditor Agreement or herein, it is understood and intended that no one or more of Noteholders of any Series shall have any right in any manner whatsoever hereunder or under the Equipment Notes of such Series to (i) surrender, impair, waive, affect, disturb or prejudice any Collateral, or the Lien of this Indenture on any Collateral, or the rights of Noteholders of such Series, (ii) obtain or seek to obtain priority over or preference with respect to any other such Noteholder of such Series or (iii) enforce any right under this Indenture or the Equipment Notes of such Series, except in the manner provided in this Indenture and for the equal, ratable and common benefit of all Noteholders of such Series subject to the provisions of this Indenture.

Section 4.07 Appointment of a Receiver. To the extent permitted by applicable law, if an Event of Default shall have occurred and be continuing, and the Equipment Notes either shall have been accelerated pursuant to Section 4.02 or have become due at maturity, Loan Trustee shall, as a matter of right, be entitled to the appointment of a receiver (who may be Loan Trustee or any successor or nominee thereof) for all or any part of the Collateral, whether such receivership be incidental to a proposed sale of the Collateral or the taking of possession thereof or otherwise, and, to the extent permitted by applicable law, Company hereby consents to the appointment of such a receiver and will not oppose any such appointment. Any receiver appointed for all or any part of the Collateral shall be entitled to exercise all the rights and powers of Loan Trustee with respect to the Collateral.

Company, each Liquidity Provider and each Noteholder. Subject to the terms of Sections 4.02, 4.05, 5.02 and 5.03, Loan Trustee shall take such action, or refrain from taking such action, with respect to such default or Event of Default (including with respect to the exercise of any rights or remedies hereunder) as Loan Trustee is instructed in writing by a Majority in Interest of Noteholders. Subject to the provisions of Section 5.03, if Loan Trustee does not receive instructions as above provided within 20 Business Days after giving notice of such default or Event of Default to Noteholders, Loan Trustee may, subject to instructions thereafter received pursuant to the preceding provisions of this Section 5.01, take such action, or refrain from taking such action with respect to such default or Event of Default as it reasonably determines to be advisable in the best interests of Noteholders, but shall be under no duty to take or refrain from taking any action. In acting pursuant to the immediately preceding sentence, Loan Trustee shall use the same degree of care and skill in connection therewith as a prudent person would use under the circumstances in the conduct of his or her own affairs. Loan Trustee may not sell the Airframe or any Engine without the consent of a Majority in Interest of Noteholders.

For all purposes of this Indenture, in the absence of actual knowledge, Loan Trustee shall not be deemed to have knowledge of a default or an Event of Default unless notified in writing by Company or one or more Noteholders; and “actual knowledge” (as used in the foregoing clause) of Loan Trustee shall mean actual knowledge of a Trust Officer of Loan Trustee; provided that Loan Trustee is deemed to have actual knowledge of (i) the failure of Company to pay any principal amount of, or interest on, the Equipment Notes directly to Loan Trustee when the same shall become due or (ii) the failure of Company to maintain insurance as required under Section 7.06 if Loan Trustee receives written notice thereof from an insurer or insurance broker.

Section 5.02 Action upon Instructions; Certain Rights and Limitations. Subject to the terms of Article IV and this Article V, upon the written instructions at any time of a Majority in Interest of Noteholders, Loan Trustee shall promptly (i) give such notice, direction, consent, waiver or approval or exercise such right, remedy or power hereunder in respect of all or any part of the Collateral or (ii) take such other action permitted hereunder, in each case, as is specified in such instructions.

Loan Trustee will cooperate with Company in connection with the recording, filing, re-recording and refiling of this Indenture and any supplements to it and any financing statements or other documents as is necessary to maintain the perfection hereof or otherwise protect the security interests created hereby. Loan Trustee shall furnish to Company upon request such information and copies of such documents as Loan Trustee may have and as are necessary for Company to perform its duties under Article II.

Section 5.03 Indemnification. Loan Trustee shall not be required to take any action or refrain from taking any action under Section 5.01 (other than the first sentence thereof) or 5.02 or Article IV unless it shall have received indemnification against any risks incurred in connection therewith in form and substance reasonably satisfactory to it, including, without limitation, adequate advances against costs that may be actually incurred by it in connection therewith. Loan Trustee shall not be required to take any action under Section 5.01 (other than the first sentence thereof) or 5.02 or Article IV, nor shall any other provision of any Operative Document be deemed to impose a duty on Loan Trustee to take any action, if Loan Trustee shall have been advised by outside counsel that such action is contrary to the terms hereof or is otherwise contrary to applicable law.

Section 5.04 No Duties Except as Specified in Indenture or Instructions. Loan Trustee shall not have any duty or obligation to manage, control, lease, use, sell, operate, store, dispose of or otherwise deal with the Aircraft or any other part of the Collateral, or to otherwise take or refrain from taking any action under, or in connection with, this Indenture, except as expressly provided by the terms of this Indenture or the Participation Agreement or as expressly provided in written instructions received pursuant to the terms of Section 5.01 or 5.02; and no implied duties or obligations shall be read into this Indenture against Loan Trustee.

Section 5.05 No Action Except under Indenture or Instructions. Loan Trustee will not manage, control, use, sell, lease, operate, store, dispose of or otherwise deal with the Aircraft or any other part of the Collateral except in accordance with the powers granted to, or the authority conferred upon, Loan Trustee pursuant to this Indenture and in accordance with the express terms hereof.

Section 5.06 Investment of Amounts Held by Loan Trustee. Any monies (including for the purpose of this Section 5.06 any amounts held by Loan Trustee pursuant to Section 3.02, 3.03 or 3.07 or pursuant to any provision of any other Operative Document providing for amounts to be held by Loan Trustee which are not distributed pursuant to the other provisions of Article III, or any cash received by Loan Trustee pursuant to Section 7.05(c) or 7.06(d) or otherwise, or Permitted Investments purchased by the use of such cash pursuant to this Section 5.06 or any cash constituting the proceeds of the maturity, sale or other disposition of any Permitted Investments) held by Loan Trustee hereunder as part of the Collateral, until paid out by Loan Trustee as herein provided, (i) subject to clause (ii) below and Section 3.07, may be carried by Loan Trustee on deposit with itself or on deposit to its account with any bank, trust company or national banking association incorporated or doing business under the laws of the United States or one of the states thereof having combined capital and surplus and retained earnings of at least \$100,000,000, and Loan Trustee shall not have any liability for

interest upon any such monies except as otherwise agreed in writing with Company, or (ii) at any time and from time to time, so long as no Event of Default shall have occurred and be continuing, at the request of Company, shall be invested and reinvested in Permitted Investments as specified in such request (if such investments are reasonably available for purchase) and sold, in any case at such prices, including accrued interest or its equivalent, as are set forth in such request, and, as provided in Section 3.07, such Permitted Investments shall be held by Loan Trustee in trust as part of the Collateral until so sold; provided that Company shall upon demand pay to Loan Trustee the amount of any loss realized upon maturity, sale or other disposition of any such Permitted Investment and, so long as no Event of Default or Payment Default shall have occurred and be continuing, Company shall be entitled to receive from Loan Trustee, and Loan Trustee shall promptly pay to Company, any profit, income, interest, dividend or gain realized upon maturity, sale or other disposition of any Permitted Investment. All Permitted Investments held by Loan Trustee pursuant to this Section 5.06 shall be held pursuant to Section 3.07. If an Event of Default or Payment Default shall have occurred and be continuing, any net income, profit, interest, dividend or gain realized upon maturity, sale or other disposition of any Permitted Investment shall be held as part of the Collateral and shall be applied by Loan Trustee at the same time, on the same conditions and in the same manner as the amounts in respect of which such income, profit, interest, dividend or gain was realized are required to be distributed in accordance with the provisions hereof pursuant to which such amounts were required to be held. Subject to Section 3.03, at such time as there shall not be continuing any such Event of Default or Payment Default, such income, profit, interest, dividend or gain shall be paid to Company. In addition, subject to Section 3.03, if any moneys or investments are held by Loan Trustee solely because an Event of Default or Payment Default has occurred and is continuing, at such time as there shall not be continuing any such Event of Default or Payment Default, such moneys and investments shall be paid to Company. Loan Trustee shall not be responsible for any losses on any investments or sales of Permitted Investments made pursuant to the procedure specified in this Section 5.06 other than by reason of its willful misconduct or negligence.

ARTICLE VI

For the avoidance of doubt, Loan Trustee shall also be accountable in its capacity as Securities Intermediary with respect to the Security Account, as set forth in Section 3.07.

Section 6.02 Absence of Certain Duties. Except in accordance with written instructions furnished pursuant to Section 5.01, 5.02 or 6.06, and except as provided in, and without limiting the generality of, Sections 5.02, 5.03 and 5.04, Loan Trustee shall have no duty (a) to see to any registration of the Aircraft or any recording or filing of this Indenture or any other document, or to see to the maintenance of any such registration, recording or filing, (b) to see to any insurance on the Aircraft or to effect or maintain any such insurance, whether or not Company is in default with respect thereto, (c) to confirm, verify or inquire into the failure to receive any financial statements of Company or (d) to inspect the Aircraft at any time or ascertain or inquire as to the performance or observance of any of Company's covenants hereunder with respect to the Aircraft.

Section 6.03 No Representations or Warranties as to the Documents. Except as provided in Article V of the Participation Agreement, Loan Trustee shall not be deemed to have made any representation or warranty as to the validity, legality or enforceability of any Operative Document or any other document or instrument, or as to the correctness of any statement (other than a statement by Loan Trustee) contained herein or therein, except that Loan Trustee hereby represents and warrants that each of said specified documents to which it is a party has been or will be duly executed and delivered by one of its officers who is and will be duly authorized to execute and deliver such document on its behalf.

Section 6.05 Reliance; Agents; Advice of Counsel. Loan Trustee shall not incur any liability to anyone in acting upon any signature, instrument, notice, resolution, request, consent, order, certificate, report, opinion, bond or other document or paper reasonably believed by it to be genuine and reasonably believed by it to be signed by the proper party or parties. Loan Trustee may accept a copy of a resolution of the Board of Directors of any party to the Participation Agreement, certified by the Secretary or an Assistant Secretary of such party as duly adopted and in full force and effect, as conclusive evidence that such resolution has been duly adopted and that the same is in full force and effect. As to any fact or matter the manner of ascertainment of which is not specifically described herein, Loan Trustee may for all purposes hereof rely on a certificate, signed by a duly authorized officer of Company, as to such fact or matter, and such certificate shall constitute full protection to Loan Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon. In the administration of the trusts hereunder, Loan Trustee may (a) execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents (including paying agents or registrars) or attorneys, and (b) at the expense of the Collateral, consult with counsel, accountants and other skilled Persons to be selected and retained by it; provided that, prior to retaining agents (including paying agents or registrars), counsel, accountants or other skilled Persons, so long as no Event of Default exists, Loan Trustee shall obtain Company's consent (such consent not to be unreasonably withheld). Loan Trustee shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled Persons acting within such counsel's, accountants' or Person's area of competence (so long as Loan Trustee shall have exercised reasonable care and judgment in selecting such Persons).

Section 6.06 Instructions from Noteholders. In the administration of the trusts created hereunder, Loan Trustee shall have the right to seek instructions from a Majority in Interest of Noteholders should any provision of this Indenture appear to conflict with any other provision herein or any other Operative Document or Pass Through Document or should Loan Trustee's duties or obligations hereunder be unclear, and Loan Trustee shall incur no liability in refraining from acting until it receives such instructions. Loan Trustee shall be fully protected for acting in accordance with any instructions received under this Section 6.06.

ARTICLE VII

(b) the rights of others under agreements or arrangements to the extent expressly permitted by this Indenture;

(c) Loan Trustee Liens, Noteholder Liens and Other Party Liens;

(f) Liens arising out of any judgment or award, so long as such judgment or award is, within 60 days after the entry thereof, discharged, vacated or reversed, or execution thereof stayed pending appeal or other judicial review or is discharged, vacated or reversed within 60 days after the expiration of such stay;

Section 7.02 Possession, Operation and Use, Maintenance and Registration.

(a) Possession. Without the prior written consent of Loan Trustee, Company shall not lease or otherwise in any manner deliver, transfer or relinquish possession of the Aircraft, the Airframe or any Engine or install any Engine, or permit any Engine to be installed, on any airframe other than the Airframe; provided that Company (or, except with respect to clauses (viii) and (ix) below, any Permitted Lessee) may without the prior written consent of Loan Trustee:

(i) subject the Airframe to interchange agreements or subject any Engine to interchange, pooling, borrowing or other similar agreements or arrangements, in each case entered into by Company (or any Permitted Lessee) in the ordinary course of its business; provided that (A) no such agreement or arrangement contemplates or requires the transfer of title to the Airframe and (B) if Company’s title to any such Engine is divested under any such agreement or arrangement, such divestiture shall be deemed to be an Event of Loss with respect to such Engine, and Company shall (or shall cause any Permitted Lessee to) comply with Section 7.05(b) in respect thereof;

(ii) deliver possession of the Airframe or any Engine to (x) any Person for testing, service, repair, restoration, storage, maintenance or other similar purposes or for alterations, modifications or additions to the Airframe or such Engine to the extent required or permitted by the terms hereof or (y) to any Person for purposes of transport to a Person referred to in the preceding clause (x);

(iii) transfer or permit the transfer of possession of the Airframe or any Engine to any Government pursuant to a lease, contract or other instrument;

(iv) subject the Airframe or any Engine to the CRAF Program or transfer possession of the Airframe or any Engine to the United States government in accordance with applicable laws, rulings, regulations or orders (including, without limitation, any transfer of possession pursuant to the CRAF Program); provided that Company (or any Permitted Lessee) (A) shall promptly notify Loan Trustee upon transferring possession of the Airframe or any Engine pursuant to this clause (iv) and (B) in the case of a transfer of possession pursuant to the CRAF Program, shall notify Loan Trustee of the name and address of the responsible Contracting Office Representative for the Air Mobility Command of the United States Air Force or other appropriate Person to whom notices must be given and to whom requests or claims must be made to the extent applicable under the CRAF Program;

(v) install an Engine on an airframe owned by Company (or any Permitted Lessee) free and clear of all Liens, except (A) Permitted Liens and Liens that apply only to the engines (other than Engines), appliances, parts, instruments, appurtenances, accessories, furnishings and other equipment (other than Parts) installed on such airframe (but not to the airframe as an entirety) and (B) the rights of third parties under interchange, pooling, borrowing or other similar agreements or arrangements that would be permitted under clause (i) above;

(vi) install an Engine on an airframe leased to Company (or any Permitted Lessee) or purchased or owned by Company (or any Permitted Lessee) subject to a lease, conditional sale or other security agreement; provided that: (A) such airframe is free and clear of all Liens except (1) the rights of the parties to the lease or conditional sale or other security agreement covering such airframe, or their successors and assigns, and (2) Liens of the type permitted by clause (v) of this Section 7.02(a); and (B) either: (1) Company has obtained from the lessor, conditional vendor or secured party of such airframe a written agreement (which may be a copy of the lease, conditional sale or other security agreement covering such airframe), in form satisfactory to Loan Trustee (an agreement from such lessor, conditional vendor or secured party substantially in the form of the penultimate paragraph of this Section 7.02(a) being deemed to be

satisfactory to Loan Trustee), whereby such lessor, conditional vendor or secured party expressly agrees that neither it nor its successors or assigns will acquire or claim any right, title or interest in any Engine by reason of such Engine being installed on such airframe at any time while such Engine is subject to the Lien of this Indenture, or (2) such lease, conditional sale or other security agreement provides that such Engine shall not become subject to the Lien of such lease, conditional sale or other security agreement at any time while such Engine is subject to the Lien of this Indenture, notwithstanding its installation on such airframe;

(vii) install an Engine on an airframe owned by Company (or any Permitted Lessee), leased to Company (or any Permitted Lessee) or purchased by Company (or any Permitted Lessee) subject to a conditional sale or other security agreement under circumstances where neither clause (v) nor clause (vi) of this Section 7.02(a) is applicable; provided that such installation shall be deemed an Event of Loss with respect to such Engine, and Company shall comply with Section 7.05(b) in respect thereof, if such installation adversely affects Loan Trustee's security interest in such Engine, Loan Trustee not intending hereby to waive any right or interest it may have to or in such Engine under applicable law until compliance by Company with Section 7.05(b);

(viii) lease any Engine, the Airframe or the Airframe and Engines to any United States air carrier as to which there is in force a certificate issued pursuant to the Transportation Code (49 U.S.C. Sections 41101-41112) or successor provision that gives like authority; provided that no Event of Default exists at the time such lease is entered into; and

(ix) lease any Engine, the Airframe or the Airframe and Engines to (A) any foreign air carrier that is at the inception of the lease based in and a domiciliary of a country listed in Exhibit B hereto, (B) the manufacturer of the Airframe or any Engine (either directly or through an affiliate) and (C) any foreign air carrier consented to in writing by Loan Trustee with the consent of a Majority in Interest of Noteholders; provided that (w) no Event of Default exists at the time such lease is entered into, (x) in the case of a lease to any foreign air carrier (other than a foreign air carrier principally based in Taiwan), the United States maintains normal diplomatic relations with the country in which such foreign air carrier is based at the time such lease is entered into and in the case of a lease to a foreign air carrier principally based in Taiwan, the United States maintains diplomatic relations with Taiwan at least as good as those on the Closing Date, (y) in the case of a lease to any foreign air carrier, Company furnishes Loan Trustee with a certificate from a Responsible Officer of Company

certifying that there exist no possessory rights in favor of such lessee under the laws of such lessee's country which would, upon bankruptcy or insolvency of or other default by Company, and assuming at such time such lessee is not insolvent or bankrupt, prevent the taking of possession of any such Engine or the Airframe and any such Engine by Loan Trustee in accordance with and when permitted by the terms of Section 4.02 upon the exercise by Loan Trustee of its remedies under Section 4.02, and (z) in the case of any lease to a foreign air carrier, such carrier is not then subject to any bankruptcy, insolvency, liquidation, reorganization, dissolution or similar proceeding and shall not have substantially all of its property in the possession of any liquidator, trustee, receiver or similar person;

provided that the rights of any lessee or other transferee who receives possession of the Aircraft, the Airframe or any Engine by reason of a transfer permitted by this Section 7.02(a) (other than the transfer of an Engine which is deemed an Event of Loss) shall be subject and subordinate to, and any permitted lease shall be made expressly subject and subordinate to, all the terms of this Indenture, including Loan Trustee's rights to repossess pursuant to Section 4.02 and to avoid such lease upon such repossession, and Company shall remain primarily liable hereunder for the performance and observance of all of the terms and conditions of this Indenture to the same extent as if such lease or transfer had not occurred, any such lease shall include appropriate provisions for the maintenance and insurance of the Aircraft, the Airframe or such Engine, and no lease or transfer of possession otherwise in compliance with this Section shall (x) result in any registration or re-registration of the Aircraft except to the extent permitted in Section 7.02(e) or the maintenance, operation or use thereof that does not comply with Sections 7.02(b) and (c) or (y) permit any action not permitted to be taken by Company with respect to the Aircraft hereunder. Company shall promptly notify Loan Trustee and the Rating Agencies of the existence of any such lease with a term in excess of one year.

Loan Trustee, the Company Guarantee Beneficiary by its entry into the Company Guarantee, each Noteholder by acceptance of an Equipment Note, and each Related Noteholder by acceptance of a Related Equipment Note agrees, for the benefit of Company (and any Permitted Lessee) and for the benefit of the lessor, conditional vendor or secured party of any airframe or engine leased to Company (or any Permitted Lessee) or leased to or purchased or owned by Company (or any Permitted Lessee) subject to a conditional sale or other security agreement, that Loan Trustee, the Company Guarantee Beneficiary, Noteholders and Related Noteholders will not acquire or claim, as against Company (or any Permitted Lessee) or such lessor, conditional vendor or secured party, any right, title or interest in: (A) any engine or engines owned by Company (or any Permitted Lessee) or by the lessor under such lease or subject to a security interest in favor of the conditional vendor or secured party under any conditional sale or other security agreement as the result of such engine or engines being installed on the Airframe at any time while such engine or engines are subject to such lease or conditional sale or other security agreement, or (B) any airframe owned by Company (or any Permitted Lessee) or by the lessor under such lease or subject to a security interest in favor of the conditional vendor or secured party under any conditional sale or other security agreement as the result of any Engine being installed on such airframe at any time while such airframe is subject to such lease or conditional sale or other security agreement.

Loan Trustee acknowledges that any “wet lease” or other similar arrangement under which Company (or any Permitted Lessee) maintains operational control of the Aircraft does not constitute a delivery, transfer or relinquishment of possession for purposes of this Section 7.02(a).

(b) Operation and Use. Company agrees that the Aircraft will not be used or operated in violation of any law, rule or regulation of any government of any country having jurisdiction over the Aircraft or in violation of any airworthiness certificate, license or registration relating to the Aircraft issued by any such government, except (i) immaterial or non-recurring violations with respect to which corrective measures are taken promptly by Company or a Permitted Lessee, as the case may be, upon discovery thereof or (ii) to the extent Company (or, if a Lease is then in effect, any Permitted Lessee) is contesting in good faith the validity or application of any such law, rule or regulation or airworthiness certificate, license or registration in any manner that does not involve any material risk of sale, forfeiture or loss of the Aircraft or impair the Lien of this Indenture; provided that Company shall not be in default under, or required to take any action set forth in, this sentence if it is not possible for it (or any Permitted Lessee) to comply with the laws of a jurisdiction other than the United States (or other than any jurisdiction in which the Aircraft is then registered) because of a conflict with the applicable laws of the United States (or such jurisdiction in which the Aircraft is then registered). Company shall also have the right to operate the Aircraft without having on board the original registration certificate or airworthiness certificate in the event that either or both such certificates disappear from the Aircraft, but only to the extent permitted by Exemption No. 5318 of the regulations of the FAA or other similar exemption. Company will not operate the Aircraft, or permit the Aircraft to be operated or located, (i) in any area excluded from coverage by any insurance required by the terms of Section 7.06 or (ii) in any war zone or recognized or, in Company’s judgment, threatened areas of hostilities unless covered by war risk insurance in accordance with Section 7.06, unless in the case of either clause (i) or (ii), (x) government indemnification complying with Sections 7.06(a) and (b) has been provided or (y) the Aircraft is only temporarily located in such area as a result of an isolated occurrence or isolated series of occurrences attributable to a hijacking, medical emergency, equipment malfunction, weather conditions, navigational error or other similar circumstances or any other circumstances beyond the reasonable control of Company (or any Permitted Lessee) and Company (or any Permitted Lessee) is using its good faith efforts to remove the Aircraft from such area as promptly as practicable.

(c) Maintenance. Company shall maintain, service, repair and overhaul the Aircraft (or cause the same to be done) in accordance with a maintenance program for aircraft of same manufacturer and model as the Aircraft approved by the FAA or, if the Aircraft is not registered in the United States, (1) the EASA, (2) the civil aviation authority of Australia, Austria, Belgium, Canada, Denmark, Finland, France, Germany, Ireland, Italy, Japan, the Netherlands, New Zealand, Norway, Spain, Switzerland or the United Kingdom, or (3) the central aviation authority of any country with aircraft maintenance standards that are substantially similar to those of the United States or any of the foregoing authorities or countries, (i) so as to keep the Aircraft in the condition and repair required to be maintained by the terms hereof and in such condition as may be necessary to enable the airworthiness certification of the Aircraft to be maintained in good standing at all times (other than (v) during temporary periods of storage, during maintenance, testing or modification permitted hereunder, (w) during periods of grounding by applicable governmental authorities, (x) during periods when the FAA or such other aviation authority has revoked or suspended the airworthiness certificates for aircraft of the same manufacturer and model as the Aircraft, (y) with respect to immaterial or non-recurring violations with respect to which corrective measures are taken promptly upon discovery thereof and (z) to the extent Company or any Permitted Lessee is promptly contesting in good faith the validity or application of any law or requirement relating to any such certification in any manner which does not create a material risk of sale, loss or forfeiture of the Aircraft, the Airframe or any Engine or the interest of Loan Trustee therein or any material risk of criminal liability or material civil penalty against Loan Trustee) under the Transportation Code, during such periods in which the Aircraft is registered under the laws of the United States, or, if the Aircraft is registered under the laws of any other jurisdiction, the applicable laws of such jurisdiction and (ii) using the same standards as Company (or a Permitted Lessee, if a Lease is in effect) uses with respect to similar aircraft operated by Company (or such Permitted Lessee) in similar circumstances (it being understood that the obligations pursuant to this clause (ii) do not limit Company's obligations under the preceding clause (i)). Company shall maintain or cause to be maintained all records, logs and other documents required to be maintained in respect of the Aircraft by appropriate authorities in the jurisdiction in which the Aircraft is registered.

(d) Identification of Loan Trustee's Interest. If not prevented by applicable law or regulations or by any government, Company agrees to affix as promptly as practicable after the Closing Date and thereafter to maintain in the flight deck of the Aircraft, in a clearly visible location, and on each Engine, a nameplate bearing the inscription "MORTGAGED TO U.S. BANK TRUST NATIONAL ASSOCIATION, AS LOAN TRUSTEE" (such nameplate to be replaced, if necessary, with a nameplate reflecting the name of any successor Loan Trustee). Such placards may be removed temporarily, if necessary, in the course of maintenance of the Airframe or Engines.

(e) Registration. Company shall cause the Aircraft to remain duly registered, under the laws of the United States, in the name of Company except as otherwise required by the Transportation Code; provided that Loan Trustee shall, at Company's expense, execute and deliver all such documents as Company may reasonably request for the purpose of continuing such registration. Notwithstanding the preceding sentence, Company, at its own expense, may cause or allow the Aircraft to be duly registered under the laws of any foreign jurisdiction in which a Permitted Lessee could be principally based, in the name of Company or of any nominee of Company, or, if required by applicable law, in the name of any other Person (and, following any such foreign registration, may cause the Aircraft to be re-registered under the laws of the United States); provided that in the case of jurisdictions other than those approved by Loan Trustee with the consent of a Majority in Interest of Noteholders (i) if such jurisdiction is at the time of registration listed on Exhibit B, Loan Trustee shall have received at the time of such registration an opinion of counsel to Company to the effect that (A) this Indenture and Loan Trustee's right to repossession hereunder is valid and enforceable under the laws of such country, (B) after giving effect to such change in registration, the Lien of this Indenture shall continue as a valid Lien and shall be duly perfected in the new jurisdiction of registration and that all filing, recording or other action necessary to perfect and protect the Lien of this Indenture has been accomplished (or if such opinion cannot be given at such time, (x) the opinion shall detail what filing, recording or other action is necessary and (y) Loan Trustee shall have received a certificate from a Responsible Officer of Company that all possible preparations to accomplish such filing, recording and other action shall have been done, and such filing, recording and other action shall be accomplished and a supplemental opinion to that effect shall be promptly delivered to Loan Trustee subsequent to the effective date of such change in registration), (C) the obligations of Company under this Indenture shall remain valid, binding and (subject to customary bankruptcy and equitable remedies exceptions and to other exceptions customary in foreign opinions generally) enforceable under the laws of such jurisdiction (or the laws of the jurisdiction to which the laws of such jurisdiction would refer as the applicable governing law), (D) all approvals or consents of any government in such jurisdiction having jurisdiction required for such change in registration shall have been duly obtained and shall be in full force and effect and (E) (unless Company shall have agreed to provide insurance covering the risk of requisition of use or title of the Aircraft by the government of such jurisdiction so long as the Aircraft is registered under the laws of such jurisdiction) the laws of such jurisdiction require fair compensation by the government of such jurisdiction payable in currency freely convertible into Dollars for the loss of use or title of the Aircraft in the event of requisition by such government of such use or title, and (ii) if such jurisdiction is at the time of registration not listed on Exhibit B, Loan Trustee shall have received (in addition to the opinions set forth in clause (i) above) at the time of such registration an opinion of counsel to Company to the effect that (A) the terms of this Indenture are legal, valid, binding and enforceable in such jurisdiction (subject to exceptions customary in such jurisdiction; provided that, subject to exceptions relating to bankruptcy, insolvency, reorganization, moratorium or similar

laws affecting the rights of creditors generally and exceptions relating to general principles of equity, such counsel shall opine that any applicable laws limiting the remedies provided in Section 4.02 do not in the opinion of such counsel make the remedies provided in Section 4.02 inadequate for the practical realization of the rights and benefits provided thereby), (B) it is not necessary for Loan Trustee to register or qualify to do business in such jurisdiction and (C) there is no tort liability of the lender of an aircraft not in possession thereof under the laws of such jurisdiction other than tort liability that might have been imposed on such lender under the laws of the United States or any state thereof (it being understood that such opinion shall be waived if insurance reasonably satisfactory to Loan Trustee is provided, at Company's expense, to cover such risk). Loan Trustee will cooperate with Company in effecting such foreign registration. Notwithstanding the foregoing, prior to any such change in the country of registry of the Aircraft, the following conditions shall be met (or waived as provided in Section 6.01(b) of the Participation Agreement):

(i) no Event of Default shall have occurred and be continuing at the effective date of the change in registration; provided that it shall not be necessary to comply with this condition if the change in registration results in the registration of the Aircraft under the laws of the United States or if a Majority in Interest of Noteholders consents to such change in registration;

(ii) Loan Trustee shall have received evidence of compliance with the insurance provisions contained herein after giving effect to such change in registration;

(iii) other than in the case of a change in registration to Taiwan, the proposed change in registration is made to a country with which the United States then maintains normal diplomatic relations, and in the case of a change in registration to Taiwan, the United States maintains diplomatic relations with Taiwan at least as good as those on the Closing Date; and

(iv) Company shall have paid or made provision reasonably satisfactory to Loan Trustee for the payment of all reasonable expenses (including reasonable attorneys' fees) of Loan Trustee and Noteholders in connection with such change in registration.

Company shall (i) from time to time, take such actions as may be required to be taken by Company so that any International Interest arising in relation to this Indenture, the Aircraft, any Replacement Aircraft, any Engine or Replacement Engine may be duly registered (and any such registration may be assigned, amended, extended or discharged) at the International Registry, and (ii) obtain from the International Registry all approvals as may be required duly and timely to perform Company's obligations under this Indenture with respect to the registration of any such International Interest. Loan Trustee shall take all actions necessary with respect to the International Registry to consent to Company's initiation of any registrations required under this Indenture to enable Company to complete such registrations, including, without limitation, appointing Crowe and Dunlevy, P.C. (or another qualified FAA counsel), as its "professional user entity" (as defined in the Cape Town Treaty) to consent to any registrations on the International Registry with respect to the Airframe or any Engine.

Section 7.03 Inspection; Financial Information.

(a) **Inspection.** At all reasonable times, but upon at least 15 Business Days' prior written notice to Company, Loan Trustee or its authorized representatives may, subject to the other conditions of this Section 7.03(a), inspect the Aircraft and may inspect the books and records of Company relating to the maintenance of the Aircraft required to be maintained by the FAA or the government of another jurisdiction in which the Aircraft is then registered; provided that (i) Loan Trustee or its representatives, as the case may be, shall be fully insured at no cost to Company or any Permitted Lessee in a manner satisfactory to Company and such Permitted Lessee with respect to any risks incurred in connection with any such inspection or shall provide to Company and such Permitted Lessee a written release satisfactory to Company and such Permitted Lessee with respect to such risks, (ii) any such inspection shall be during Company's or Permitted Lessee's, as the case may be, normal business hours and subject to the safety, security and workplace rules applicable at the location where such inspection is conducted and any applicable governmental rules or regulations, (iii) any such inspection of the Aircraft shall be a visual, walk-around inspection of the interior and exterior of the Aircraft and shall not include opening any panels, bays or the like without Company's express consent, which consent Company may in its sole discretion withhold, and (iv) no exercise of such inspection right shall interfere with the use, operation or maintenance of the Aircraft by, or the business of, Company or any Permitted Lessee and Company and any Permitted Lessee shall not be required to undertake or incur any additional liabilities in connection therewith. All information obtained in connection with any such inspection of the Aircraft and of such books and records shall be Confidential Information and shall be treated by Loan Trustee and its representatives in accordance with the provisions of Section 10.16. Any inspection pursuant to this Section 7.03(a) shall be at the sole risk (including, without limitation, any risk of personal injury or death) and expense of Loan Trustee (or its representatives) making such inspection. Except during the continuance of an Event of Default, all inspections by Loan Trustee and its representatives provided for under this Section 7.03(a) shall be limited to one inspection of any kind contemplated by this Section 7.03(a) during any consecutive twelve month period.

(b) **Financial Information.** So long as any of the Secured Obligations remain unpaid, Company agrees to furnish to Loan Trustee: (i) within 60 days after the end of each of the first three quarterly periods in each fiscal year of Company, either (x) a consolidated balance sheet of Company and its consolidated subsidiaries prepared by it as of the close of such period, together with the related consolidated statements of income for such period or (y) a report of Company on Form 10-Q in respect of such period in the form filed with the Securities and Exchange Commission and (ii) within 120 days after the close of each fiscal year of Company, either (x) a consolidated balance sheet of Company and its consolidated subsidiaries as of the close of such fiscal year, together with the related consolidated statements of income for such fiscal year, certified by independent public accountants, or (y) a report of Company on Form 10-K in respect of such year in the form filed with the Securities and Exchange Commission. The items required to be furnished pursuant to clause (i) and clause (ii) above shall be deemed to have been furnished on the date on which such item is posted on the Securities and Exchange Commission's website at www.sec.gov, and such posting shall be deemed to satisfy the requirements of clause (i) and clause (ii); provided that Company will deliver a paper copy of any item referred to in clause (i) and clause (ii) above if Loan Trustee so requests.

Section 7.04 Replacement and Pooling of Parts; Alterations, Modifications and Additions; Substitution of Airframe and Engines.

(a) **Replacement of Parts.** Company shall (or shall cause a Permitted Lessee to) promptly replace or cause to be replaced all Parts incorporated or installed in or attached to the Airframe or any Engine and that become worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or rendered permanently unfit for use for any reason, except as otherwise provided in Section 7.04(c) or if the Airframe or an Engine to which a Part relates has suffered an Event of Loss. In addition, Company (or any Permitted Lessee) may remove (or cause to be removed) in the ordinary course of maintenance, service, repair, overhaul or testing, any Parts, whether or not worn out, lost, stolen, destroyed, seized, confiscated, damaged beyond repair or rendered permanently unfit for use; provided that Company (or any Permitted Lessee), except as otherwise provided in Section 7.04(c), will replace such Parts as promptly as practicable. All replacement Parts shall be free and clear of all Liens (except for Permitted Liens and except in the case of replacement property temporarily installed on an emergency basis) and shall be in good operating condition. Except as otherwise provided in Section 7.04(c), any Part removed from the Airframe or any Engine shall remain subject to the Lien of this Indenture no matter where located until it is replaced by a part incorporated or installed in or attached to the Airframe or such Engine that meets the requirements for replacement Parts specified above. Immediately upon any replacement Part becoming incorporated or installed in or attached to the Airframe or any Engine as above provided (except in the case of replacement property temporarily installed on an emergency basis), without further act, (i) the replaced Part shall thereupon be free and clear of all rights of Loan Trustee and of the Lien of this Indenture and shall no longer be deemed a Part hereunder, and (ii) such replacement Part shall become subject to the Lien of this Indenture and be deemed a Part of the Airframe or such Engine for all purposes to the same extent as the Parts originally incorporated or installed in or attached to the Airframe or such Engine. Upon request of Company from time to time, Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company confirming the release of any such replaced Part from the Lien of this Indenture.

(b) Pooling of Parts. Any Part removed from the Airframe or any Engine as provided in Section 7.04(a) may be subjected by Company or a Person permitted to be in possession of the Airframe or such Engine to a pooling arrangement entered into in the ordinary course of Company's or such Person's business; provided that the part replacing such removed Part shall be incorporated or installed in or attached to the Airframe or such Engine in accordance with Section 7.04(a) as promptly as practicable after the removal of such removed Part. In addition, any replacement Part when incorporated or installed in or attached to the Airframe or any Engine may be owned by any third party subject to such a pooling arrangement; provided that Company, at its expense, as promptly thereafter as practicable either (i) causes title to such replacement Part to vest in Company free and clear of all Liens (except Permitted Liens), or (ii) replaces (or causes to be replaced) such replacement Part by incorporating or installing in or attaching to the Airframe or such Engine a further replacement Part in the manner contemplated by Section 7.04(a). Notwithstanding the foregoing, from time to time, Company or any Permitted Lessee may temporarily install on the Airframe for a period of up to 180 days, in lieu of an auxiliary power unit or landing gear that has been removed and delivered to an organization for maintenance, service, repair, overhaul or testing (which removed auxiliary power unit or landing gear, as the case may be, shall remain subject to the Lien of this Indenture no matter where located), an auxiliary power unit or landing gear, as the case may be, supplied to Company or such Permitted Lessee by such organization, which need not satisfy the requirements for a replacement Part specified above, and neither the Loan Trustee nor the Noteholders will acquire or claim, as against such supplying organization, any right, title or interest in such supplied auxiliary power unit or landing gear, as the case may be, as the result of their installation on the Airframe.

(c) Alterations, Modifications and Additions. Company will, or will cause a Permitted Lessee to, make (or cause to be made) such alterations and modifications in and additions to the Airframe and the Engines as are required from time to time to meet the applicable requirements of the FAA or any applicable government of any other jurisdiction in which the Aircraft is then registered; except for (i) immaterial and non-recurring violations with respect to which corrective measures are being taken promptly by Company (or, if a Lease is then in effect, any Permitted Lessee) upon discovery thereof and (ii) any law, rule, regulation or order the validity or application of which is

being contested in good faith by Company (or, if a Lease is then in effect, any Permitted Lessee) in any manner which does not involve any material risk of sale, loss or forfeiture of the Aircraft and does not materially adversely affect Loan Trustee's interest in the Aircraft. In addition, Company (or any Permitted Lessee), at its own expense, may from time to time add further parts or accessories and make or cause to be made such alterations and modifications in and additions to the Airframe or any Engine as Company (or any Permitted Lessee) deems desirable in the proper conduct of its business, including, without limitation, removal (without replacement) of Parts; provided that no such alteration, modification or addition shall materially diminish the value or utility of the Airframe or such Engine below its value or utility immediately prior to such alteration, modification or addition, assuming that the Airframe or such Engine was then in the condition required to be maintained by the terms of this Indenture, except that the value (but not the utility) of the Airframe or any Engine may be reduced by the value of any such Parts that are removed that Company (or such Permitted Lessee) deems obsolete or no longer suitable or appropriate for use on the Airframe or any Engine. For the avoidance of doubt, Company may make alterations in the passenger configuration of the Aircraft and such alterations shall not be subject to the immediately preceding sentence. All Parts incorporated or installed in or attached or added to the Airframe or any Engine as the result of such alteration, modification or addition shall, without further act, be subject to the Lien of this Indenture. Notwithstanding the foregoing, Company (or any Permitted Lessee) may, at any time, remove any Part from the Airframe or any Engine if such Part: (i) is in addition to, and not in replacement of or substitution for, any Part originally incorporated or installed in or attached to the Airframe or such Engine at the time of delivery thereof to Company or any Part in replacement of, or substitution for, any such Part, (ii) is not required to be incorporated or installed in or attached or added to the Airframe or such Engine pursuant to the first sentence of this Section 7.04(c) and (iii) can be removed from the Airframe or such Engine without materially diminishing the value or utility required to be maintained by the terms of this Indenture that the Airframe or such Engine would have had had such Part never been installed on the Airframe or such Engine. Upon the removal by Company (or any Permitted Lessee) of any Part as permitted by this Section 7.04(c), such removed Part shall, without further act, be free and clear of all rights and interests of Loan Trustee and the Lien of this Indenture and shall no longer be deemed a Part hereunder. Upon request of Company from time to time, Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company confirming the release of any such removed Part from the Lien of this Indenture. Loan Trustee acknowledges that it has no interest in the Excluded Equipment. Notwithstanding the provisions of this Section 7.04(c) or any other term or condition of this Indenture, Company (or any Permitted Lessee) may from time to time install on, and remove from, the Aircraft equipment that is owned by, leased to or conditionally sold to Company (or any Permitted Lessee) (and title to such equipment shall remain vested in Company, such Permitted Lessee, or the lessor or the conditional vendor thereof) if (1) such equipment is Excluded Equipment and (2) the location affected by any such removal, if damaged, is repaired prior to return, in a workmanlike manner, to a condition suitable for commercial passenger service; provided that all costs of installation, removal and replacement shall be the responsibility of Company.

(d) Substitution of Engines. Company shall have the right at its option at any time and from time to time, on at least 30 days' prior written notice to Loan Trustee, to substitute a Replacement Engine for any Engine. In such event, and prior to the date of such substitution, Company shall replace such Engine by complying with the terms of Section 7.05(b) to the same extent as if an Event of Loss had occurred with respect to such Engine.

(e) Substitution of Airframe. Company shall have the right at its option at any time and from time to time, on at least 10 Business Days' prior written notice to Loan Trustee, to substitute a Substitute Airframe, free and clear of all Liens (other than Permitted Liens), for the Airframe so long as (i) no Event of Default shall have occurred and be continuing at the time of substitution, (ii) the Substitute Airframe has a date of manufacture no earlier than one year prior to the date of manufacture of the Airframe subject to the Lien of this Indenture on the Closing Date (each such date of manufacture, in each case, to be deemed to be the date of original delivery of the applicable airframe to a customer by the Manufacturer) and (iii) the Substitute Airframe has a MCMV (as defined below) at least equal to the MCMV of the Airframe being replaced by the Substitute Airframe (assuming that the Airframe had been maintained in accordance with this Indenture), in each case as determined by a desktop appraisal dated as of a date within the 60-day period prior to the substitution performed by an Appraiser selected by Company. "MCMV" is the "current market value" (as defined by the International Society of Transport Aircraft Trading or any successor organization) adjusted for the maintenance status of the Substitute Airframe and the Airframe being replaced by the Substitute Airframe, as applicable, such maintenance status to be based upon maintenance data provided by Company to the applicable Appraiser with respect to the Substitute Airframe and such Airframe as of the same date within the 60-day period prior to the substitution for both the Substitute Airframe and such Airframe.

Prior to or at the time of any substitution under this Section 7.04(e), Company will (A) cause an Indenture Supplement covering such Substitute Airframe to be delivered to Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Transportation Code or the applicable laws of any other jurisdiction in which the Aircraft may then be registered, (B) cause the sale of such Substitute Airframe to Company (if occurring after February 28, 2006 and if the seller of such Substitute Airframe is "situated in" a country that has ratified the Cape Town Convention) and the International Interest created pursuant to the Indenture Supplement in favor of Loan Trustee with respect to

such Substitute Airframe to be registered on the International Registry as a sale or an International Interest, respectively; provided that if the seller of such Substitute Airframe is not situated in a country that has ratified the Cape Town Convention, Company will use its reasonable efforts to cause the seller to register the contract of sale on the International Registry, (C) cause a financing statement or statements with respect to such Substitute Airframe or other requisite documents or instruments to be filed in such place or places as necessary in order to perfect Loan Trustee's interest therein in the United States, or in any other jurisdiction in which the Aircraft may then be registered, (D) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) addressed to Loan Trustee to the effect that upon such substitution, such Substitute Airframe will be subject to the Lien of this Indenture and addressing the matters set forth in clauses (A), (B) and (C), (E) furnish Loan Trustee with evidence of compliance with the insurance provisions of Section 7.06 with respect to such Substitute Airframe, (F) furnish Loan Trustee with a copy of the original bill of sale in respect of such Substitute Airframe and (G) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) in form reasonably satisfactory to Loan Trustee to the effect that Loan Trustee will be entitled to the benefits of Section 1110 with respect to the Substitute Airframe; provided that (i) such opinion need not be delivered to the extent that the benefits of Section 1110 were not, by reason of a change in law or governmental or judicial interpretation thereof, available to Loan Trustee with respect to the Aircraft immediately prior to such substitution and (ii) such opinion may contain qualifications and assumptions of the tenor contained in the opinion of counsel to Company delivered pursuant to Section 3.01 of the Participation Agreement on the Closing Date and such other qualifications and assumptions as shall at the time be customary in opinions rendered in comparable circumstances.

In the case of the Substitute Airframe subjected to the Lien of this Indenture under this Section 7.04(e), promptly upon the recordation of the Indenture Supplement covering such Substitute Airframe pursuant to the Transportation Code (or pursuant to the applicable law of such other jurisdiction in which such Substitute Airframe is registered), Company will cause to be delivered to Loan Trustee a favorable opinion of aviation law counsel to Company (which may be internal counsel of Company) addressed to Loan Trustee as to the due registration of the aircraft to which the Substitute Airframe is part and the due recordation of such Indenture Supplement or such other requisite documents or instruments, the registration with the International Registry of the sale of such Substitute Airframe to Company (if occurring after February 28, 2006 and if the seller of such Substitute Airframe is "situated in" a country that has ratified the Cape Town Convention) and of the International Interests created pursuant to the Indenture Supplement with respect to such Substitute Airframe and the validity and perfection of the security interest in the Substitute Airframe granted to Loan Trustee under this Indenture.

For all purposes hereof, upon the attachment of the Lien of this Indenture thereto, the Substitute Airframe shall become part of the Collateral and shall be deemed an "Airframe" as defined herein. Upon compliance with clauses (A) through (G) of the second preceding paragraph, Loan Trustee shall execute and deliver to Company an appropriate instrument releasing the replaced Airframe, all proceeds (including, without limitation, insurance proceeds, if any), the Warranty Rights in respect of such replaced Airframe and all rights relating to the foregoing, from the Lien of this Indenture, and will take such actions as may be required to be taken by Loan Trustee to cancel or release any International Interest of Loan Trustee registered with the International Registry in relation to such replaced Airframe.

Section 7.05 Loss, Destruction or Requisition.

(a) Event of Loss with Respect to the Airframe. Upon the occurrence of an Event of Loss with respect to the Airframe or the Airframe and the Engines then installed thereon, Company shall as soon as practicable (and, in any event, within 30 days after an Event of Loss has occurred) notify Loan Trustee of such Event of Loss, and, within 90 days after such Event of Loss, Company shall give Loan Trustee written notice of its election to perform one of the following options (it being agreed that if Company has not given such notice of election within such 90-day period, Company shall be deemed to have elected to perform the option set forth in the following clause (ii)). Company may elect either to:

(i) substitute, on or before the Loss Payment Date (as defined below), as replacement for the Airframe or Airframe and Engines with respect to which an Event of Loss has occurred, a Replacement Airframe (together with a number of Replacement Engines equal to the number of Engines, if any, with respect to which the Event of Loss occurred), such Replacement Airframe and Replacement Engines to be owned by Company free and clear of all Liens (other than Permitted Liens); provided that if Company has not performed such obligation on or prior to the Loss Payment Date, then Company shall on the Loss Payment Date redeem the Equipment Notes in full in accordance with Section 2.10; or

(ii) redeem, on or before the Loss Payment Date, the Equipment Notes in full in accordance with Section 2.10. Company shall give Loan Trustee 20 days' prior written notice if it elects to redeem the Equipment Notes on any day prior to the Loss Payment Date.

The "Loss Payment Date" with respect to an Event of Loss means the Business Day next succeeding the 120th day following the date of occurrence of such Event of Loss.

If Company elects to substitute a Replacement Airframe (or a Replacement Airframe and one or more Replacement Engines, as the case may be) Company shall, at its sole expense, not later than the Loss Payment Date, (A) cause an Indenture Supplement for such Replacement Airframe and Replacement Engines, if any, to be delivered to Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Transportation Code or the applicable laws of such other jurisdiction in which the Aircraft is then registered, (B) cause the sale of such Replacement Airframe and Replacement Engines, if any, to Company (if occurring after February 28, 2006 and if the seller of such Replacement Airframe and Replacement Engines, if any, is “situated in” a country that has ratified the Cape Town Convention) and the International Interest created pursuant to the Indenture Supplement in favor of Loan Trustee with respect to such Replacement Airframe and Replacement Engines, if any, each to be registered on the International Registry as a sale or an International Interest, respectively; provided that if the seller of such Replacement Airframe and Replacement Engines, if any, is not situated in a country that has ratified the Cape Town Convention, Company will use its reasonable efforts to cause the seller to register the contract of sale on the International Registry, (C) cause a financing statement or statements with respect to the Replacement Airframe and Replacement Engines, if any, or other requisite documents or instruments to be filed in such place or places as necessary in order to perfect Loan Trustee’s interest therein in the United States, or in any other jurisdiction in which the Aircraft is then registered, (D) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) addressed to Loan Trustee to the effect that upon such replacement, such Replacement Airframe and Replacement Engines, if any, will be subject to the Lien of this Indenture and addressing the matters set forth in clauses (A), (B) and (C), (E) furnish Loan Trustee with a certificate of an independent aircraft engineer or appraiser, certifying that the Replacement Airframe and Replacement Engines, if any, have a value and utility at least equal to (but in any event without regard to component modification status or the number of hours or cycles, in either case since new, since a maintenance task of any kind, or remaining (or expected to remain) until a future maintenance task of any kind) the Airframe and Engines, if any, so replaced, assuming the Airframe and such Engines were in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss, (F) furnish Loan Trustee with evidence of compliance with the insurance provisions of Section 7.06 with respect to such Replacement Airframe and Replacement Engines, if any, (G) furnish Loan Trustee with a copy of the original bill of sale in respect of such Replacement Airframe and a copy of the original bill of sale or, if the bill of sale is unavailable, other evidence of ownership in form reasonably satisfactory to Loan Trustee (which may be a copy of an invoice or purchase order) in respect of such Replacement Engines, if any, and (H) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) in form reasonably satisfactory to Loan Trustee to the effect that Loan Trustee will be entitled to the benefits of Section 1110 with respect to the Replacement Airframe; provided that (i) such opinion need not be delivered to the extent that the benefits of Section 1110 were not, by reason of a change in law or governmental or judicial interpretation thereof, available to Loan Trustee with respect to the Aircraft immediately prior to such substitution and (ii) such opinion may contain qualifications and assumptions of the tenor contained in the Section 1110 opinion of counsel to Company delivered pursuant to Section 3.01 of the Participation Agreement on the Closing Date and such other qualifications and assumptions as are at the time customary in opinions rendered in comparable circumstances.

In the case of each Replacement Airframe or Replacement Airframe and one or more Replacement Engines subjected to the Lien of this Indenture under this Section 7.05(a), promptly upon the recordation of the Indenture Supplement covering any such Replacement Airframe and Replacement Engines, if any, pursuant to the Transportation Code (or pursuant to the applicable law of such other jurisdiction in which such Replacement Airframe and Replacement Engines, if any, are registered), Company will cause to be delivered to Loan Trustee a favorable opinion of FAA counsel selected by Company if at the time of the Event of Loss the Aircraft was registered under the laws of the United States (or, if at the time of the Event of Loss the Aircraft was registered under the laws of another jurisdiction, counsel qualified to opine on matters of registration in such jurisdiction selected by Company, which counsel shall be reasonably satisfactory to Loan Trustee) addressed to Loan Trustee as to the due registration of such Replacement Aircraft and the due recordation of such Indenture Supplement or such other requisite documents or instruments, the registration with the International Registry of the sale of such Replacement Airframe and Replacement Engines, if any, to Company (if occurring after February 28, 2006 and if the seller of such Replacement Airframe and Replacement Engines, if any, is “situated in” a country that has ratified the Cape Town Convention) and of the International Interests created pursuant to the Indenture Supplement with respect to such Replacement Airframe and Replacement Engines, if any, and the validity and perfection of the security interest in the Replacement Aircraft granted to Loan Trustee under this Indenture.

For all purposes hereof, upon the attachment of the Lien of this Indenture thereto, the Replacement Aircraft and Replacement Engines, if any, shall become part of the Collateral, the Replacement Airframe shall be deemed an “Airframe” as defined herein, and each such Replacement Engine shall be deemed an “Engine” as defined herein. Upon compliance with clauses (A) through (H) of the third paragraph of this Section 7.05(a), Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company releasing such replaced Airframe and Engines (if any) installed thereon at the time such Event of Loss occurred, all proceeds (including, without limitation, insurance proceeds), the Warranty Rights in respect of such replaced Airframe and Engines (if any) and all rights relating to the foregoing, from the Lien of this Indenture, and assigning to Company all claims against third Persons for damage to or loss of the Airframe and Engines arising from the Event of Loss, and will take such actions as may be required to be taken by Loan Trustee to cancel or release any International Interest of Loan Trustee registered with the International Registry in relation to the replaced Airframe and replaced Engines, if any.

If, after an Event of Loss, Company performs the option set forth in clause (ii) of the first paragraph of this Section 7.05(a), Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company releasing the Aircraft, all proceeds (including, without limitation, insurance proceeds), the Warranty Rights in respect of the Aircraft and all rights relating to the foregoing from the Lien of this Indenture, and assigning to Company all claims against third Persons for damage to or loss of the Aircraft arising from the Event of Loss, and will take such actions as may be required to be taken by Loan Trustee to cancel or release any International Interest of Loan Trustee registered with the International Registry in relation to the Airframe and Engines, if any, with respect to which such Event of Loss occurred.

(b) Event of Loss with Respect to an Engine. As soon as practicable following the occurrence of an Event of Loss with respect to an Engine under circumstances in which there has not occurred an Event of Loss with respect to the Airframe, Company shall give Loan Trustee prompt written notice thereof and shall, within 120 days after the occurrence of such Event of Loss, cause to be subjected to the Lien of this Indenture, as replacement for the Engine with respect to which such Event of Loss occurred, a Replacement Engine free and clear of all Liens (other than Permitted Liens).

Prior to or at the time of any replacement under this Section 7.05(b), Company will (i) cause an Indenture Supplement covering such Replacement Engine to be delivered to Loan Trustee for execution and, upon such execution, to be filed for recordation pursuant to the Transportation Code or the applicable laws of any other jurisdiction in which the Aircraft is then registered, (ii) furnish Loan Trustee with a copy of the original bill of sale or, if the bill of sale is unavailable, other evidence of ownership in form reasonably satisfactory to Loan Trustee (which may be a copy of an invoice or purchase order) in respect of such Replacement Engine, which in the case of any such conveyance to which the Cape Town Convention is applicable shall be in such form as will qualify as “contract of sale” pursuant to Article V of the Aircraft Protocol, and all documents required under the Operative Documents to establish, continue, confirm, register and/or perfect the interests of Loan Trustee in such Replacement Engine, (iii) cause the sale of such Replacement Engine to Company (if occurring after February 28, 2006 and if the seller of such Replacement Engine is “situated in” a country that has ratified the Cape Town Convention) and the International Interest created pursuant to the Indenture Supplement in favor of Loan Trustee with respect to such Replacement Engine, each to be registered on the International Registry as a sale or an International Interest,

respectively; provided that if the seller of such Replacement Engine is not situated in a country that has ratified the Cape Town Convention, Company will use its reasonable efforts to cause the seller to register the contract of sale on the International Registry, (iv) cause a financing statement or statements with respect to such Replacement Engine or other requisite documents or instruments to be filed in such place or places as necessary in order to perfect Loan Trustee's interest therein in the United States, or in such other jurisdiction in which the Engine is then registered, (v) furnish Loan Trustee with an opinion of counsel to Company (which may be internal counsel of Company) addressed to Loan Trustee to the effect that, upon such replacement, the Replacement Engine will be subject to the Lien of this Indenture, (vi) furnish Loan Trustee with a certificate of an aircraft engineer (who may be an employee of Company) or appraiser certifying that such Replacement Engine has a value and utility at least equal to (but in any event without regard to component modification status or the number of hours or cycles, in either case since new, since a maintenance task of any kind, or remaining (or expected to remain) until a future maintenance task of any kind) the Engine so replaced assuming such Engine was in the condition and repair required by the terms hereof immediately prior to the occurrence of such Event of Loss and (vii) furnish Loan Trustee with evidence of compliance with the insurance provisions of Section 7.06 with respect to such Replacement Engine. In the case of each Replacement Engine subjected to the Lien of this Indenture under this Section 7.05(b), promptly upon the recordation of the Indenture Supplement covering such Replacement Engine pursuant to the Transportation Code (or pursuant to the applicable law of such other jurisdiction in which the Aircraft is registered), Company will cause to be delivered to Loan Trustee an opinion of FAA counsel selected by Company if at the time of the Event of Loss the Aircraft was registered under the laws of the United States (or, if at the time of the Event of Loss the Aircraft was registered under the laws of another jurisdiction, counsel qualified to opine on matters of registration in such jurisdiction selected by Company, which counsel shall be reasonably satisfactory to Loan Trustee) addressed to Loan Trustee as to the due recordation of such Indenture Supplement or such other requisite documents or instruments, the registration with the International Registry of the sale of such Replacement Engine to Company (if occurring after February 28, 2006 and if the seller of such Replacement Engine is "situated in" a country that has ratified the Cape Town Convention) and of the International Interest created pursuant to the Indenture Supplement with respect to such Replacement Engine and the validity and perfection of the security interest in the Replacement Engine granted to Loan Trustee under this Indenture. For all purposes hereof, upon the attachment of the Lien of this Indenture thereto, the Replacement Engine shall become part of the Collateral and shall be deemed an "Engine" as defined herein. Upon compliance with clauses (i) through (vii) of the first sentence of this paragraph, Loan Trustee shall execute and deliver to Company instruments reasonably requested by Company releasing such replaced Engine, any proceeds (including, without limitation, insurance proceeds) and all rights relating to any of the foregoing from the Lien of this Indenture and assigning to Company all claims against third Persons for damage to or loss of such Engine arising from the Event of Loss, and will take such actions as may be required to be taken by Loan Trustee to cancel or release any International Interest of Loan Trustee registered with the International Registry in relation to the Engines with respect to which such Event of Loss occurred.

(c) Application of Payments for Event of Loss from Requisition of Title or Use. Any payments other than insurance proceeds (the application of which is provided for in Section 7.06) received at any time by Company or by Loan Trustee from any government or other Person with respect to an Event of Loss to the Airframe or any Engine, will be applied as follows:

(i) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has been or is being replaced by Company pursuant to Section 7.05(a), such payments shall be paid over to, or retained by, Loan Trustee and upon completion of such replacement shall be paid over to, or retained by, Company;

(ii) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has not been and will not be replaced pursuant to Section 7.05(a), so much of such payments remaining after reimbursement of Loan Trustee for its actual and reasonable out-of-pocket costs and expenses that shall not exceed the amounts required to be paid by Company to Noteholders pursuant to Section 2.10 shall be applied in reduction of Company's obligation to pay such amounts, if not already paid by Company, or, if already paid by Company, shall be applied to reimburse Company for its payment of such amount and the balance, if any, of such payment remaining thereafter will be paid over to, or retained by, Company; and

(iii) if such payments are received with respect to an Engine with regard to which an Event of Loss has occurred, so much of such payments remaining after reimbursement of Loan Trustee for its actual and reasonable out-of-pocket costs and expenses shall be paid over to, or retained by, Company; provided that Company has fully performed its obligations under Section 7.05(b) with respect to the Event of Loss for which such payments are made.

(d) Requisition for Use by the Government of the Airframe and the Engines Installed Thereon. In the event of the requisition for use or hire by any government (it being acknowledged that the use of the Airframe or any Engine pursuant to the CRAF Program does not constitute such a requisition or hire) of the Airframe and the Engines or engines installed on the Airframe that does not constitute an Event of Loss, all of Company's rights and obligations under this Indenture with respect to the Airframe and such Engines shall continue to the same extent as if such requisition or hire had not occurred; provided that, notwithstanding the foregoing, Company's obligations other than payment obligations shall only continue to the extent feasible. All payments received by Company or Loan Trustee from such government for such requisition of the Airframe and Engines or engines shall be paid over to, or retained by, Company.

(e) Requisition for Use by the Government of an Engine not Installed on the Airframe. If any government requisitions the use or hire (it being acknowledged that the use of the Airframe or any Engine pursuant to the CRAF Program does not constitute such a requisition), for a period in excess of sixty (60) days, of any Engine not then installed on the Airframe, Company will replace such Engine by complying with the terms of Section 7.05(b) to the same extent as if an Event of Loss had occurred with respect to such Engine. Upon such replacement, any payments received by Company or Loan Trustee from such government with respect to such requisition shall be paid over to, or retained by, Company.

(f) Application of Payments During Existence of Event of Default. Any amount referred to in Section 7.05 that is payable to or retainable by Company shall not be paid to or retained by Company if at the time of such payment or retention an Event of Default or Payment Default has occurred and is continuing, but shall be held by or paid over to Loan Trustee as security for the obligations of Company under this Indenture and the Participation Agreement. When any such Event of Default or Payment Default ceases, such amount shall be paid to Company.

Section 7.06 Insurance.

(a) Aircraft Liability Insurance.

(i) Except as provided in clause (ii) of this subsection (a), and subject to the rights of Company to establish and maintain self-insurance in the manner and to the extent specified in Section 7.06(c), Company will carry, or cause to be carried, at no expense to Loan Trustee, aircraft liability insurance (including, but not limited to, bodily injury, personal injury and property damage liability, exclusive of manufacturer's product liability insurance) and contractual liability insurance with respect to the Aircraft (A) in amounts per occurrence that are not less than the aircraft liability insurance applicable to similar aircraft and engines in Company's fleet on which Company carries insurance (or, in the case of a lease to a Permitted Lessee, in such Permitted Lessee's fleet on which such Permitted Lessee carries insurance); provided that such liability insurance (including

self-insurance specified in Section 7.06(c)) shall not be less than the amount (the Minimum Insurance Amount) certified in the insurance report delivered to Loan Trustee and each Liquidity Provider on the Closing Date, (B) of the type usually carried by corporations engaged in the same or similar business, similarly situated with Company or such Permitted Lessee, as the case may be, and owning or operating similar aircraft and engines and covering risks of the kind customarily insured against by Company or such Permitted Lessee, as the case may be, and (C) that is maintained in effect with insurers of recognized responsibility; provided that Company will carry, or cause to be carried, at no expense to Loan Trustee, aircraft liability war risk and allied perils insurance if and to the extent the same is maintained by Company or such Permitted Lessee, as the case may be, with respect to other similar aircraft operated by Company or such Permitted Lessee, as the case may be, on the same or similar routes. Any policies of insurance carried in accordance with this Section 7.06(a) and any policies taken out in substitution or replacement for any of such policies shall (A) name Loan Trustee, Subordination Agent, each Pass Through Trustee and each Liquidity Provider as their Interests (as defined below in this Section 7.06) may appear, as additional insureds (the Additional Insureds), (B) subject to the conditions of clause (C) below, provide that, in respect of the interests of the Additional Insureds in such policies, the insurance shall not be invalidated by any action or inaction of Company (or any Permitted Lessee) and shall insure the Additional Insureds' Interests as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by Company (or any Permitted Lessee), (C) provide that, except to the extent not provided for by the war risk and allied perils insurance provider (in which case the last sentence of this Section 7.06(a)(i) applies), if such insurance is canceled for any reason whatsoever, or if any change is made in the policy that materially reduces the amount of insurance or the coverage certified in the insurance report delivered on the Closing Date to Loan Trustee and each Liquidity Provider, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to any Additional Insured for 30 days (seven days, or such other period as is customarily available in the industry, in the case of any war risk or allied perils coverage) after receipt by such Additional Insured of written notice from such insurers of such cancellation, change or lapse, (D) provide that the Additional Insureds shall have no obligation or liability for premiums, commissions, assessments or calls in connection with such insurance, (E) provide that the insurers shall waive any rights of (1) set-off, counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of the Additional Insureds to the extent of any moneys due to the Additional Insureds and (2) subrogation against the Additional Insureds to the extent that Company or, if applicable, such Permitted Lessee has waived its rights by its agreements to indemnify the Additional Insureds pursuant to the Operative Documents or, if applicable, pursuant to the lease to such Permitted Lessee, (E) be

primary without right of contribution from any other insurance that may be carried by each Additional Insured with respect to its Interests as such in the Aircraft and (G) expressly provide that all of the provisions thereof, except the limits of liability, shall operate in the same manner as if there were a separate policy covering each insured. "Interests" as used in this Section 7.06(a) and in Section 7.06(b) with respect to any Person means the interests of such Person in the transactions contemplated by the Operative Documents. In the case of a lease or contract with any government in respect of the Aircraft, the Airframe or any Engine, or in the case of any requisition for use of the Aircraft, the Airframe or any Engine by any government, a valid agreement by such government to indemnify Company, or an insurance policy issued by such government, against any of the risks that Company is required hereunder to insure against shall be considered adequate insurance for purposes of this Section 7.06(a) to the extent of the risks (and in the amounts) that are the subject of such indemnification or insurance. To the extent that the war risk and allied perils insurance provider does not provide for provision of direct notice to each Additional Insured of cancellation, change or lapse in the insurance required hereunder, Company hereby agrees that upon receipt of notice of any thereof from such insurance provider it shall give each Additional Insured immediate notice of each cancellation or lapse of, or material change to, such insurance.

(ii) During any period that the Airframe or an Engine, as the case may be, is on the ground and not in operation, Company may carry or cause to be carried as to such non-operating Airframe or Engine, in lieu of the insurance required by clause (i) above, and subject to self-insurance to the extent permitted by Section 7.06(c), insurance otherwise conforming with the provisions of said clause (i) except that: (A) the amounts of coverage shall not be required to exceed the amounts of airline liability insurance from time to time applicable to airframes or engines owned or leased by Company (or, in the case of a lease to a Permitted Lessee, such Permitted Lessee) of the same type as such non-operating Airframe or Engine and that are on the ground and not in operation and (B) the scope of the risks covered and the type of insurance shall be the same as from time to time shall be applicable to airframes or engines owned or leased by Company (or such Permitted Lessee) of the same type as such non-operating Airframe or Engine and that are on the ground and not in operation.

(b) Insurance Against Loss or Damage to Aircraft.

(i) Except as provided in clause (ii) of this subsection (b), and subject to the rights of Company to establish and maintain self-insurance in the manner and to the extent specified in Section 7.06(c), Company shall maintain, or cause to be maintained, in effect with insurers of recognized responsibility, at no expense to Loan Trustee, all-risk aircraft hull insurance covering the Aircraft and all-risk

coverage with respect to any Engines or Parts while removed from the Aircraft (including, without limitation, war risk and allied perils insurance if and to the extent the same is maintained by Company (or, in the case of a lease to a Permitted Lessee, such Permitted Lessee) with respect to other aircraft operated by Company or such Permitted Lessee, as the case may be, on the same or similar routes) that is of the type usually carried by corporations engaged in the same or similar business and similarly situated with Company or such Permitted Lessee, as the case may be; provided that (A) such insurance (including the permitted self-insurance) shall at all times while the Aircraft is subject to this Indenture be for an amount not less than 110% of the aggregate outstanding principal amount of the Equipment Notes from time to time and (B) such insurance need not cover an Engine while attached to an airframe not owned, leased or operated by Company, provided that such Engine is covered by a separate policy of insurance. Any policies carried in accordance with this Section 7.06(b) and any policies taken out in substitution or replacement for any such policies shall (A) provide that (I) any insurance proceeds up to an amount equal to the outstanding principal amount of the Equipment Notes, together with accrued but unpaid interest thereon, plus an amount equal to the interest that would accrue on the outstanding principal amount of the Equipment Notes at the Debt Rate in effect on the date of payment of such insurance proceeds to Loan Trustee (as provided for in this sentence) during the period commencing on the day following the date of such payment to Loan Trustee and ending on the Loss Payment Date (the sum of such three amounts being the "Loan Amount"), payable for any loss or damage constituting an Event of Loss with respect to the Aircraft, and (II) any insurance proceeds in excess of the Insurance Threshold up to the amount of the Loan Amount for any loss or damage to the Aircraft (or Engines) not constituting an Event of Loss with respect to the Aircraft (or Engines), shall be paid to Loan Trustee as long as this Indenture shall not have been discharged, and that all other amounts shall be payable to Company or such Permitted Lessee, unless the insurer shall have received notice that an Event of Default exists, in which case all insurance proceeds for any loss or damage to the Aircraft (or Engines) up to the amount of the Loan Amount shall be payable to Loan Trustee, (B) subject to the conditions of clause (C) below, provide that, in respect of the interests of the Additional Insureds in such policies, the insurance shall not be invalidated by any action or inaction of Company (or any Permitted Lessee) and shall insure the Additional Insureds' Interests as they appear, regardless of any breach or violation of any warranty, declaration or condition contained in such policies by Company (or any Permitted Lessee), (C) provide that, except to the extent not provided by the war risk and allied perils insurance provider, if such insurance is canceled for any reason whatsoever, or if any change is made in the policy that materially reduces the amount of such insurance or the coverage certified in the insurance report delivered on the Closing

Date to Loan Trustee and each Liquidity Provider, or if such insurance is allowed to lapse for nonpayment of premium, such cancellation, change or lapse shall not be effective as to the Additional Insureds for 30 days (seven days, or such other period as is customarily available in the industry, in the case of war risk or allied perils coverage) after receipt by the Additional Insureds of written notice from such insurers of such cancellation, change or lapse, (D) provide that the Additional Insureds shall have no obligation or liability for premiums, commissions, assessments or calls in connection with such insurance, (E) provide that the insurers shall waive rights of (1) set-off, counterclaim or any other deduction, whether by attachment or otherwise, in respect of any liability of the Additional Insureds to the extent of any moneys due to the Additional Insureds and (2) subrogation against the Additional Insureds to the extent Company or, if applicable, such Permitted Lessee has waived its rights by its agreement to indemnify the Additional Insureds pursuant to the Operative Documents or, if applicable, pursuant to the lease to such Permitted Lessee, and (E) be primary without right of contribution from any other insurance that may be carried by any Additional Insured with respect to its Interests as such in the Aircraft. In the case of a lease or contract with any government in respect of the Aircraft, the Airframe or any Engine, or in the case of any requisition for use of the Aircraft, the Airframe or any Engine by any government, a valid agreement by such government to indemnify Company, or an insurance policy issued by such government, against any risks which Company is required hereunder to insure against shall be considered adequate insurance for purposes of this Section 7.06(b) to the extent of the risks (and in the amounts) that are the subject of such indemnification or insurance. To the extent that the war risk and allied perils insurance provider does not provide for provision of direct notice to each Additional Insured of cancellation, change or lapse in the insurance required hereunder, Company hereby agrees that upon receipt of notice of any thereof from such insurance provider it shall give each Additional Insured immediate notice of each cancellation or lapse of, or material change to, such insurance.

(ii) During any period that the Airframe or an Engine is on the ground and not in operation, Company may carry or cause to be carried as to such non-operating Airframe or Engine, in lieu of the insurance required by clause (i) above, and subject to self-insurance to the extent permitted by Section 7.06(c), insurance otherwise conforming with the provisions of said clause (i) except that the scope of the risks covered and the type of insurance shall be the same as from time to time applicable to airframes or engines owned or leased by Company (or, if a lease to a Permitted Lessee is then in effect, by such Permitted Lessee) of the same type as such non-operating Airframe or Engine and that are on the ground and not in operation; provided that, subject to self-insurance to the extent permitted by Section 7.06(c), Company (or such Permitted Lessee) shall maintain insurance against risk of loss or damage to such non-operating Airframe in an amount at least equal to 110% of the aggregate outstanding principal amount of the Equipment Notes during such period that such Airframe is on the ground and not in operation.

(c) Self-Insurance. Company may from time to time self-insure, by way of deductible, self-insured retention, premium adjustment or franchise or otherwise (including, with respect to insurance maintained pursuant to Section 7.06(a) or Section 7.06(b), insuring for a maximum amount that is less than the amounts set forth in Section 7.06(a) and Section 7.06(b)), the risks required to be insured against pursuant to Section 7.06(a) and Section 7.06(b), but in no case shall the self-insurance with respect to all of the aircraft and engines in the combined fleet of Company and its Affiliates (including, without limitation, the Aircraft) exceed for any 12-month policy year 1% of the average aggregate insurable value (for the preceding policy year) of all aircraft (including, without limitation, the Aircraft) on which Company and its Affiliates carry insurance, unless Company's independent insurance broker shall certify that the standard among major United States airlines is a higher level of self-insurance, in which case Company may self-insure the Aircraft to such higher level. In addition to the foregoing right to self-insure, Company may self-insure to the extent of (1) any deductible per occurrence that, in the case of the Aircraft, is not in excess of the amount customarily allowed as a deductible in the industry or is required to facilitate claims handling or (2) any applicable mandatory minimum per aircraft (or if applicable per annum or other period) hull or liability insurance deductibles customarily imposed by the aircraft or hull liability insurers in the airline industry. Notwithstanding any provision of this Section 7.06 requiring insurance, in lieu of insurance against any risk with respect to the Aircraft, indemnification from, or insurance provided by, the United States government, or any agency or instrumentality thereof, against such risk in an amount which, when added to the amount of insurance maintained against such risk by Company (or, if a Lease is then in effect, by the Permitted Lessee), shall be at least equal to the amount of insurance against such risk otherwise required by this Section 7.06 (taking into account self-insurance permitted by this Section 7.06(c)) shall be considered adequate insurance for purposes of this Section 7.06.

(d) Application of Insurance Payments. All losses will be adjusted by Company with the insurers. As between Loan Trustee and Company, it is agreed that all insurance payments received under policies required to be maintained by Company hereunder, exclusive of any payments received in excess of the Loan Amount, as the result of the occurrence of an Event of Loss with respect to the Airframe or an Engine will be applied as follows:

(i) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has been or is being replaced by Company pursuant to Section 7.05(a), such payments shall be paid over to, or retained by, Loan Trustee and upon completion of such replacement shall be paid over to, or retained by, Company;

(ii) if such payments are received with respect to the Airframe or the Airframe and any Engines installed on the Airframe that has not been and will not be replaced as contemplated by Section 7.05(a), so much of such payments remaining after reimbursement of Loan Trustee for its costs and expenses as shall not exceed the amounts required to be paid by Company pursuant to Section 2.10 hereof shall be applied (A) in reduction of Company's obligation to pay such amounts, if not already paid by Company, or, if already paid by Company, shall be applied to reimburse Company for its payment of such amounts and (B) the balance, if any, of such payment remaining thereafter will be paid over to, or retained by, Company or its designee; and

(iii) if such payments are received with respect to an Engine with regard to which an Event of Loss contemplated by Section 7.05(b) has occurred, so much of such payments remaining after reimbursement of Loan Trustee for its costs and expenses shall be paid over to, or retained by, Company or its designee; provided that Company shall have performed its obligations under Section 7.05(b) with respect to the Event of Loss for which such payments are made.

In all events, (x) the insurance payment of any property damage or loss with respect to property other than the Airframe or any Engine received under policies maintained by Company (or, if a lease to a Permitted Lessee is then in effect, by such Permitted Lessee), and (y) the insurance payment for any loss or damage to the Aircraft in excess of the Loan Amount, shall be paid to Company (or such Permitted Lessee) or its designee.

The insurance payments for any loss or damage to the Airframe or an Engine not constituting an Event of Loss with respect to the Airframe or such Engine will be applied in payment (or to reimburse Company or, if a lease to a Permitted Lessee is then in effect, such Permitted Lessee) for repairs or for replacement property in accordance with the terms of Section 7.02 and Section 7.04, and any balance remaining after compliance with such Sections with respect to such loss or damage shall be paid to Company (or such Permitted Lessee) or its designee. Any amount referred to in the preceding sentence or in clause (i) or (iii) of the second preceding paragraph that is payable to Company shall not be paid to Company (or, if it has been previously paid directly to Company, shall not be retained by Company) if at the time of such payment or retention an Event of Default or Payment Default shall have occurred and be continuing, but, subject to Section 5.06, shall be paid over to or held by Loan Trustee as security for the obligations of Company under this Indenture and the other Operative Documents and shall be invested pursuant to Section 5.06 unless and until such amount is applied, at the option of Loan Trustee, to Company's obligations under this Indenture and the other Operative Documents as and when due, it being understood that any such application shall be made to such obligations of Company as Loan Trustee may determine in its sole discretion. Loan Trustee shall give Company prompt written notice of any such application, but the failure to so notify Company shall not in any way affect the rights of Loan Trustee hereunder. At such time as there shall not be continuing any such Event of Default or Payment Default, such amount shall be paid to Company to the extent not previously applied in accordance with this Section 7.06(d).

(e) Reports, Etc. On or before the Closing Date and annually upon renewal of Company's insurance coverage, Company will furnish (or cause to be furnished) to Loan Trustee and each Liquidity Provider one or more reports signed by a firm of independent aircraft insurance brokers appointed by or with the consent of Company (which firm may be in the regular employ of Company), stating the opinion of such firm that the commercial hull and liability insurance then carried and maintained on the Aircraft complies with the terms hereof; provided that all information contained in such report shall be Confidential Information and shall be treated by Loan Trustee, each Liquidity Provider and each of their affiliates and officers, directors, agents and employees in accordance with the provisions of Section 10.16. Company will use commercially reasonable efforts to cause such firm to agree to advise Loan Trustee and each Liquidity Provider in writing of any act or omission on the part of Company of which such firm has knowledge that might invalidate or render unenforceable, in whole or in part, any insurance on the Aircraft. Company will also use commercially reasonable efforts to cause such firm to advise Loan Trustee and each Liquidity Provider in writing as promptly as practicable after such firm acquires knowledge that an interruption of any insurance carried and maintained on the Aircraft pursuant to this Section 7.06 will occur. Such information may only be provided to other Persons in accordance with Section 10.16.

(f) Salvage Rights. All salvage rights to the Airframe and each Engine shall remain with Company's insurers or the applicable Permitted Lessee's insurers, as the case may be, at all times, and any insurance policies of Loan Trustee insuring the Airframe or any Engine shall provide for a release to Company or such Permitted Lessee, as the case may be, of any and all salvage rights in and to the Airframe or any Engine.

(g) Right to Pay Premium. In the event of cancellation of any insurance required to be maintained hereunder due to the nonpayment of premiums, Loan Trustee shall have the option, in its sole discretion, to pay any such premium in respect to the Aircraft that is due in respect of the coverage pursuant to this Indenture and to maintain such coverage, as Loan Trustee may require, until the scheduled expiry date of such insurance and, in such event, Company shall, upon demand, reimburse Loan Trustee for amounts so paid by it.

(h) Insurance for Own Account. Nothing in this Section 7.06 shall limit or prohibit (i) Company from maintaining the policies of insurance required pursuant to this Section 7.06 with higher limits than those specified herein or (ii) Loan Trustee or Company from obtaining insurance for its own account, and at its sole expense, with respect to the Airframe or any Engine (and any proceeds payable under such insurance shall be payable as provided in the insurance policy relating thereto); provided that no such insurance may be obtained which would limit or otherwise adversely affect the coverage or amounts payable under, or increase the premiums for, any insurance required to be maintained pursuant to this Section 7.06 or any other insurance maintained by Company (or any Permitted Lessee) with respect to the Aircraft or any other aircraft in Company's (or such Permitted Lessee's) fleet.

ARTICLE VIII

Successor and Additional Trustees

Section 8.01 Resignation or Removal; Appointment of Successor.

(a) The resignation or removal of Loan Trustee and the appointment of a successor Loan Trustee shall become effective only upon the successor Loan Trustee's acceptance of appointment as provided in this Section 8.01. Loan Trustee or any successor thereto must resign if at any time it ceases to be eligible in accordance with the provisions of Section 8.01(c) and may resign at any time without cause by giving at least 60 days' prior written notice to Company and each Noteholder. In addition, either Company (so long as no Event of Default or Payment Default shall have occurred and be continuing) or a Majority in Interest of Noteholders (but only with the consent of Company so long as no Event of Default or Payment Default shall have occurred and be continuing), may at any time remove Loan Trustee without cause by an instrument in writing delivered to Loan Trustee and each Noteholder, and, in case of a removal by a Majority in Interest of Noteholders, to Company. In the case of the resignation or removal of Loan Trustee, Company shall promptly appoint a successor Loan Trustee. If a successor Loan Trustee has not been appointed within 60 days after such notice of resignation or removal, Loan Trustee, Company or any Noteholder may apply to any court of competent jurisdiction to appoint a successor Loan Trustee to act until such time, if any, as a successor is appointed as above provided. The successor Loan Trustee so appointed by such court shall immediately and without further act be superseded by any successor Loan Trustee appointed as above provided.

(b) Any successor Loan Trustee, however appointed, shall execute and deliver to the predecessor Loan Trustee and Company an instrument accepting such appointment and assuming the obligations of Loan Trustee arising from and after the time of such appointment, and thereupon such successor Loan Trustee, without further act, shall become vested with all the estates, properties, rights, powers and duties of the predecessor Loan Trustee in the trust hereunder applicable to it with like effect as if originally named Loan Trustee herein; but nevertheless upon the written request of such successor Loan Trustee, such predecessor Loan Trustee shall execute and deliver an instrument transferring to such successor Loan Trustee all the estates, properties, rights and powers of such predecessor Loan Trustee, and such predecessor Loan Trustee shall duly assign, transfer, deliver and pay over to such successor Loan Trustee all monies or other property and all other books and records, or true, correct and complete copies thereof, then held by such predecessor Loan Trustee.

(c) This Indenture shall at all times have a Loan Trustee, however appointed, that is a Citizen of the United States (without the use of a voting trust) and a bank or trust company having a combined capital and surplus of at least \$100,000,000 (or a combined capital and surplus in excess of \$5,000,000 and the obligations of which, whether now in existence or hereafter incurred, are fully and unconditionally guaranteed by a corporation organized and doing business under the laws of the United States or any state or territory thereof or the District of Columbia and having a combined capital and surplus of at least \$100,000,000) or a corporation with a net worth of at least \$100,000,000, if there be such an institution willing, able and legally qualified to perform the duties of Loan Trustee upon reasonable or customary terms. If such bank, trust company or corporation publishes reports of conditions at least annually, pursuant to law or to the requirements of federal, state, territorial or District of Columbia supervising or examining authority, then for the purposes of this Section 8.01(c) the combined capital and surplus of such bank, trust company or corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of conditions so published. In case at any time Loan Trustee ceases to be eligible in accordance with the provisions of this Section 8.01(c), Loan Trustee shall resign immediately in the manner and with the effect specified in Section 8.01(a).

(d) Any bank, trust company or corporation into which Loan Trustee may be merged or converted or with which it may be consolidated, or any bank, trust company or corporation resulting from any merger, conversion or consolidation to which Loan Trustee is a party, or any bank, trust company or corporation to which substantially all the corporate trust business of Loan Trustee may be transferred, shall, subject to the terms of Section 8.01(c), be a successor Loan Trustee under this Indenture without further act.

Section 8.02 Appointment of Additional and Separate Trustees.

(a) Whenever (i) Company or Loan Trustee deems it necessary or desirable in order to conform to any law of any jurisdiction in which all or any part of the Collateral is situated or to make any claim or bring any suit with respect to or in connection with the Collateral, any Operative Document or any of the transactions contemplated by the Operative Documents, (ii) Loan Trustee shall be advised by counsel satisfactory to it that it is necessary or prudent in the interests of Noteholders (and Loan Trustee shall so advise Company) or (iii) Loan Trustee has been requested to do so by a Majority in Interest of Noteholders, then in any such case, Loan Trustee and, upon the written request of Loan Trustee, Company, shall execute and deliver an indenture supplemental hereto and such other, instruments as from time to time are necessary or advisable either (1) to constitute one or more banks or trust companies or corporations meeting the requirements of Section 8.01(c) and approved by Loan Trustee, either to act jointly with Loan Trustee as additional trustee or trustees of all or any part of the Collateral or to act as separate trustee or trustees of all or any part of the Collateral, in each case with such rights, powers, duties and obligations consistent with this Indenture as is provided in such supplemental indenture or other instruments as Loan Trustee or a Majority in Interest of Noteholders deems necessary or advisable, or (2) to clarify, add to or subtract from the rights, powers, duties and obligations theretofore granted any such additional or separate trustee, subject in each case to the remaining provisions of this Section 8.02. If no Event of Default has occurred and is continuing, no additional or supplemental trustee shall be appointed without Company's consent. If an Event of Default shall have occurred and be continuing, Loan Trustee may act under the foregoing provisions of this Section 8.02(a) without the concurrence of Company, and, to the extent permitted by applicable law, Company hereby irrevocably appoints (which appointment is coupled with an interest) Loan Trustee as its agent and attorney-in-fact to act for it under the foregoing provisions of this Section 8.02(a). Loan Trustee may, in such capacity, execute, deliver and perform any such supplemental indenture, or any such instrument, as may be required for the appointment of any such additional or separate trustee or for the clarification of, addition to or subtraction from the rights, powers, duties or obligations theretofore granted to any such additional or separate trustee, subject in each case to the remaining provisions of this Section 8.02. In case any additional or separate trustee appointed under this Section 8.02(a) becomes incapable of acting, resigns or is removed, all the assets, property, rights, powers, trusts, duties and obligations of such additional or separate trustee shall revert to Loan Trustee until a successor additional or separate trustee is appointed as provided in this Section 8.02(a).

(b) No additional or separate trustee shall be entitled to exercise any of the rights, powers, duties and obligations conferred upon Loan Trustee in respect of the custody, investment and payment of monies and all monies received by any such additional or separate trustee from or constituting part of the Collateral or otherwise payable under any Operative Documents to Loan Trustee shall be promptly paid over by it to Loan Trustee. All other rights, powers, duties and obligations conferred or imposed upon any additional or separate trustee shall be exercised or performed by Loan Trustee and such additional or separate trustee jointly except to the extent that applicable law of any jurisdiction in which any particular act is to be performed renders Loan Trustee incompetent or unqualified to perform such act, in which event such rights, powers, duties and obligations (including the holding of title to all or part of the Collateral in any such jurisdiction) shall be exercised and performed by such additional or separate trustee. No additional or separate trustee shall take any discretionary action except on the instructions of Loan Trustee or a Majority in Interest of Noteholders. No trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder, except that Loan Trustee shall be liable for the consequences of its lack of reasonable care in selecting, and Loan Trustee's own actions in acting with, any additional or separate trustee. Each additional or separate trustee appointed pursuant to this Section 8.02 shall be subject to, and shall have the benefit of Articles IV, V, VI, VIII, IX and X insofar as they apply to Loan Trustee. The powers of any additional or separate trustee appointed pursuant to this Section 8.02 shall not in any case exceed those of Loan Trustee.

(c) If at any time Loan Trustee deems it no longer necessary or desirable or in the event that Loan Trustee has been requested to do so in writing by a Majority in Interest of Noteholders, Loan Trustee and, upon the written request of Loan Trustee, Company, shall execute and deliver an indenture supplemental hereto and all other instruments and agreements necessary or proper to remove any additional or separate trustee. Loan Trustee may act on behalf of Company under this Section 8.02(c) when and to the extent it could so act under Section 8.02(a). In any case, Company may remove an additional or separate trustee in the manner set forth in Section 8.01.

ARTICLE IX

Section 9.02 Amendments to this Indenture with Consent of Holders.

(a) With the written consent of a Majority in Interest of Noteholders, Company may, and Loan Trustee shall, subject to Section 9.06, at any time and from time to time, enter into such supplemental agreements to add any provisions to or to change or eliminate any provisions of this Indenture or of any such supplemental agreements or to modify in any manner the rights and obligations of Company, Loan Trustee and Noteholders under this Indenture; provided that, without the consent of

each Noteholder affected thereby, an amendment under this Section 9.02 may not:

(1) reduce the principal amount of, Make-Whole Amount, if any, or interest on, any Equipment Note;

(2) change the date on which any principal amount of, Make-Whole Amount, if any, or interest on any Equipment Note, is due or payable;

(3) create any Lien with respect to the Collateral prior to or *pari passu* with the Lien thereon under this Indenture except such as are permitted by this Indenture, or deprive any Noteholder of the benefit of the Lien on the Collateral created by this Indenture, except as provided in connection with the exercise of remedies under Article IV; provided that, without the consent of each holder of an affected Related Equipment Note then outstanding and the Company Guarantee Beneficiary, no such amendment, waiver or modification of terms of, or consent under, any thereof shall modify Section 3.03 or this clause (3) or deprive any Related Noteholder or the Company Guarantee Beneficiary of the benefit of the Lien of this Indenture on the Collateral, except as provided in connection with the exercise of remedies under Article IV;

(4) reduce the percentage of the outstanding principal amount of the Equipment Notes the consent of whose holders is required for any such supplemental agreement, or the consent of whose holders is required for any waiver of compliance with certain provisions of this Indenture or of certain defaults hereunder or their consequences provided for in this Indenture; or

(5) make any change in Section 4.05 or this Section 9.02, except to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of each Noteholder affected thereby.

Notwithstanding the foregoing, neither Company nor Loan Trustee shall enter into any amendment, waiver or modification of, or supplement or consent to, this Indenture or any other Operative Document other than the Participation Agreement (which is addressed in Section 9.03) which shall reduce, modify or amend any indemnities in favor of any Liquidity Provider without the consent of such Liquidity Provider that is subject to such reduction, modification or amendment.

(b) It is not necessary under this Section 9.02 for Noteholders to consent to the particular form of any proposed supplemental agreement, but it is sufficient if they consent to the substance thereof.

(c) Promptly after the execution by Company and Loan Trustee of any supplemental agreement pursuant to the provisions of this Section 9.02, Loan Trustee shall transmit by first-class mail or by hand delivery a notice, setting forth in general terms the substance of such supplemental agreement, to all Noteholders, as the names and addresses of such Noteholders appear on the Equipment Note Register. Any failure of Loan Trustee to mail such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental agreement.

Section 9.03 Amendments, Waivers, Etc. of the Participation Agreement or any Guarantee. Without the consent of a Majority in Interest of Noteholders, the respective parties to the Participation Agreement may not modify, amend or supplement such agreement, or give any consent, waiver, authorization or approval thereunder, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions thereof or of modifying in any manner the rights of the respective parties thereunder; provided that, without the consent of Loan Trustee, any Noteholder, any other Indenture Indemnitee, any Related Indenture Indemnitee or the Company Guarantee Beneficiary, the Participation Agreement and/or any Guarantee may be modified, amended or supplemented in order (i) to cure any defect or inconsistency therein or to cure any ambiguity or correct any mistake, (ii) to amend, modify or supplement any provision thereof or make any other provision with respect to matters or questions arising thereunder or under this Indenture (provided that the making of any such other provision shall not materially adversely affect the interests of Noteholders), (iii) to make any other change, or reflect any other matter, of the kind referred to in clauses (i) through (xiv) of Section 9.01 or (iv) in the case of any Guarantee (other than the Company Guarantee), to add Company's payment obligations under Series B Equipment Notes (and Related Series B Equipment Notes), if issued after the Closing Date, or Additional Series Equipment Notes (and Related Additional Series Equipment Notes), if any, to the "Guaranteed Obligations" under such Guarantee. Notwithstanding the foregoing, without the consent of any Liquidity Provider, Company shall not enter into any amendment, waiver or modification of or supplement or consent to the Participation Agreement which shall reduce, modify or amend any indemnities in favor of such Liquidity Provider contained therein.

Section 9.04 Revocation and Effect of Consents. Until an amendment or waiver becomes effective, a consent to it by a Noteholder is a continuing consent by Noteholder and every subsequent Noteholder, even if notation of the consent is not made on any Equipment Note.

Section 9.05 Notation on or Exchange of Equipment Notes. Loan Trustee may place an appropriate notation about an amendment or waiver on any Equipment Note thereafter executed. Loan Trustee in exchange for such Equipment Notes may execute new Equipment Notes that reflect the amendment or waiver.

Section 9.06 Trustee Protected. If, in the reasonable opinion of the institution acting as Loan Trustee, any document required to be executed by it pursuant to the terms of Section 9.01 or 9.02 adversely affects any right, duty, immunity or indemnity with respect to such institution under this Indenture, such institution may in its discretion decline to execute such document.

Section 9.07 No Consent of Individual Indenture Indemnitees Required. Notwithstanding anything in this Indenture or any other Operative Document to the contrary, when any provision hereof or thereof would otherwise require a consent of an Indenture Indemnitee, such provision shall always be construed to require only the consent of an Indenture Indemnitee other than any Indenture Indemnitee covered by clause (vii) of the definition of "Indenture Indemnites".

Section 10.13 Company's Performance and Rights. Any obligation imposed on Company herein shall require only that Company perform or cause to be performed such obligation, even if stated as a direct obligation, and the performance of any such obligation by any permitted assignee, lessee or transferee under an assignment, lease or transfer agreement then in effect and in accordance with the provisions of the Operative Documents shall constitute performance by Company and, to the extent of such performance, discharge such obligation by Company. Except as otherwise expressly provided herein, any right granted to Company in this Indenture shall grant Company the right to permit such right to be exercised by any such assignee, lessee or transferee, and, in the case of a lessee, as if the terms hereof were applicable to such lessee were such lessee Company hereunder. The inclusion of specific references to obligations or rights of any such assignee, lessee or transferee in certain provisions of this Indenture shall not in any way prevent or diminish the application of the provisions of the two sentences immediately preceding with respect to obligations or rights in respect of which specific reference to any such assignee, lessee or transferee has not been made in this Indenture.
